

Emergency Aid and Sheltering THREE-PHASE APPROACH

Phase 1

Mitigation

- Reduce impacts of homelessness on citizens, businesses and the homeless population.
- Identification
- Stabilization
- Enforcement
- Assessment

Data Collection

Phase 2

Temporary Transitional Centers

- Establish transitional center locations.
- Provide connections to social and health services.
- Time limited/temporary
- Transition to permanency
- Connection to resources

Phase 3

Short-term Transitional Housing Options

- Implement new approaches to short term transitional housing.
- Partner with Pierce County and neighboring jurisdictions.
- Innovative housing options
- Expansion throughout Pierce County
- Partnering Opportunities

Priorities and Vision

- Services are available.
- Laws regarding public and private property will be enforced.
- No one has to live on the streets in Tacoma.
