

Invitation to an Open House

CITY OF TACOMA

SHORELINE MASTER PROGRAM UPDATE

IMPORTANT CLARIFICATION:

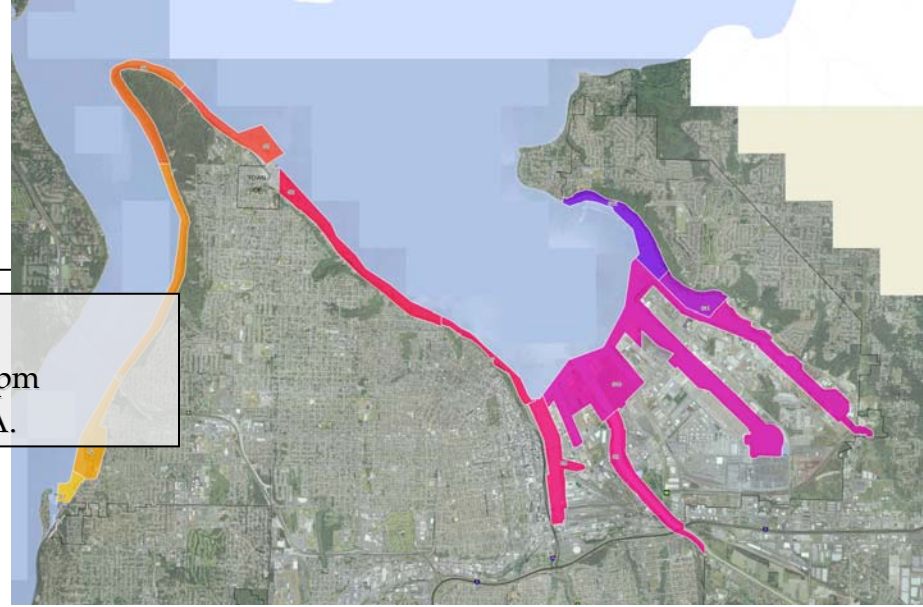

Correct date is **Thursday, October 23, 2008** 5:00 – 7:00 pm
Foss Waterway Seaport • 705 Dock Street Tacoma, WA.

The City of Tacoma needs your input on the Shoreline Master Program Update! The Shoreline Master Program provides policies and regulations that guide development along all of Tacoma's shoreline areas. The SMP places priority on

1. Protecting water quality and the environment
2. Water-dependent uses
3. Public access to the shoreline

© Pete Eckert, Courtesy of TCF Architecture

The City of Tacoma has 42 miles of shoreline and 14 shoreline districts. The map above denotes the existing shoreline districts. Policies and standards for development are under review for all of these areas.

On October 23rd City staff will be presenting information, taking comment and answering questions about the following documents:

- Draft Restoration Plan
- Draft Shoreline Use Analysis
- Draft Public Access Inventory and Opportunities
- Draft Foss Waterway Public Access and Use Analysis
