23 the prior and continuing right of the City: (1) to use and maintain the entire
24
25
26

1 Right-of-Way, subject to the terms and conditions of the Agreement; (2) the City's
2 right to dispose of all or part of the property, including, but not limited to, the air

11 provides therefor. The City agrees that it will provide a minimum of five (5) working

15 unless in an emergency condition as declared by the City Engineer. If the City
16 determines that as a result of any public project, the location of any Pierce Transit
17 Facilities and/or transit routes must be temporarily changed or relocated; or for any
18 other purpose where the work involved would be aided by the temporary removal or
19 relocation of the Facility and/or transit routes, the City shall notify Pierce Transit of
20 such plans and Pierce Transit shall, at its sole cost and expense, by a time
21 specified by the City, protect, support, temporarily disconnect, relocate, or remove
22 any of its Facilities and/or transit routes as directed by the City.

C. Usual and Customary Use. The Parties understand that the Right-of-Way is used by Pierce Transit for the transportation of persons and agree that the usual and customary use of the Use Area for such purposes alone does not constitute an interference with the City's use of the Right-of-Way.

D. Third Party Requests. If any Third Party requests that Pierce Transit protect, support, temporarily disconnect, remove, or relocate Facilities and/or transit routes to accommodate the Third Party's non-public project construction, operation, or repair of the facilities of such Third Party, Pierce Transit and the requesting Third Party shall be responsible for working out a satisfactory resolution to the request between themselves as to costs, logistics and etc.

E. Termination of Right of Use. As to each Use Area, the City may terminate the rights granted to Pierce Transit when: (1) all Facilities for such Use Area have been intentionally removed from the applicable Use Area, and such removal is not a result of maintenance or construction on the Use Area or a *force majeure* event; or (2) at such time as the Facilities have been formally abandoned; or (3) at such earlier time as the terms of this Right-of-Use Agreement may provide; or (4) upon mutual agreement of the Parties. Pierce Transit may terminate this Agreement upon breach or nonperformance of any material term of this Agreement. Either party may give written notice of its intent to terminate under this provision. Upon receipt of notice of intent to terminate, a party will have ninety (90) days from its receipt of the termination notice to remedy or cure the conditions of the termination notice.

1 F. Use Restricted. This Agreement does not authorize the provision
2 of any services or uses by Pierce Transit other than the services reasonably
3 involved in the provision of transit services or in any way relieve Pierce Transit of
4 any obligation to obtain any additional permits, authorizations, licenses, or
5 agreements to use the Right-of-Way to provide other services or uses. The
6 provisions of this Agreement are not a bar to the imposition of similar, different, or
7 additional conditions with respect to the use of the Rights-of-Way.

8 G. No Warranty of Any Conditions of Use Area. Pierce Transit
9 acknowledges that City has made no representation whatsoever to Pierce Transit
10 concerning the state or condition of any Use Area, or any personal property or
11 improvements located thereon, or the nature or extent of the City's ownership
12 interest in any Use Area. Pierce Transit has not relied on any statement or
13 declaration of the City, oral or in writing, as an inducement to entering into this
14 Right-of-Use Agreement, other than as set forth herein. THE CITY HEREBY
15 DISCLAIMS ANY REPRESENTATION OR WARRANTY, WHETHER EXPRESS
16 OR IMPLIED, AS TO THE DESIGN OR CONDITION OF ANY PROPERTY
17 PRESENT ON OR CONSTITUTING ANY USE AREA, ITS MERCHANTABILITY
18 OR FITNESS FOR ANY PARTICULAR PURPOSE, THE QUALITY OF THE
19 MATERIAL, OR WORKMANSHIP OF ANY SUCH PROPERTY, OR THE
20 CONFORMITY OF ANY SUCH PROPERTY TO ITS INTENDED USES. THE CITY
21 SHALL NOT BE RESPONSIBLE TO PIERCE TRANSIT OR ANY OF PIERCE
22 TRANSIT'S CONTRACTORS FOR ANY DAMAGES RELATING TO THE DESIGN,
23 CONDITION, QUALITY, SAFETY, MERCHANTABILITY OR FITNESS FOR ANY
24
25
26

1 PARTICULAR PURPOSE OF ANY PROPERTY PRESENT ON OR
2 CONSTITUTING ANY USE AREA, OR THE CONFORMITY OF ANY SUCH
3 PROPERTY TO ITS INTENDED USES. PIERCE TRANSIT ACCEPTS ALL
4 RIGHTS GRANTED UNDER THIS RIGHT-OF-USE AGREEMENT IN ALL USE
5 AREAS "AS IS," "WHERE IS," AND "WITH ALL FAULTS" AND SUBJECT TO ALL
6 LIMITATIONS ON THE CITY'S RIGHTS, INTERESTS, AND TITLE TO ALL USE
7 AREAS. THE CITY DOES NOT WARRANT ITS TITLE OR PROPERTY
8 INTEREST IN OR TO ANY USE AREA NOR UNDERTAKE TO DEFEND PIERCE
9 TRANSIT IN THE PEACEABLE POSSESSION OR USE THEREOF NO
10 COVENANT OF QUIET ENJOYMENT IS MADE. Pierce Transit has inspected or
11 will inspect each applicable Use Area, and enters upon any Use Area with
12 knowledge of its physical condition and the danger inherent in operations
13 conducted in, on, or near any Use Area. Pierce Transit acknowledges that this
14 Right-of-Use Agreement does not contain any implied warranties that Pierce Transit
15 or Pierce Transit's Contractors can successfully construct or operate the Facilities.
16 In case of eviction of Pierce Transit or Pierce Transit's Contractors by anyone
17 owning or claiming title to, or any interest in the Use Area, the City shall not be
18 liable to Pierce Transit or Pierce Transit's Contractors for any costs, losses or
19 damages of any Party.
20
21
22

23 H. Third-Party Uses of Use Area.

24 1. Pierce Transit Third-Party Uses of Use Area. The Parties
25 acknowledge that Pierce Transit has, or may have in the future, agreements with
26 Third Parties for joint use of the Use Area for the installation and operation of

1 Third-Party Facilities, and further, that such Facilities may be installed and operated
2 within the Use Area. The installation and operation of such Third-Party Facilities
3 are subject to the terms and conditions of this Right-of-Use Agreement.

4 2. Other Third-Party Uses of Use Area. Except as otherwise
5 expressly stated herein, the City shall not enter into any easement, right-of-use
6 agreement, franchise, license, permit or agreement, which would interfere with
7 Pierce Transit's ability to exercise its rights under this Right-of-Use Agreement or to
8 utilize the Facilities covered by this Right-of-Use Agreement. Unless the matter is
9 governed by a valid contract, this Right-of-Use Agreement, or a state or federal law
10 or regulation, or unless the Pierce Transit Facilities were not properly installed, any
11 Third Party that is authorized by the City to place Facilities in the Use Area pursuant
12 to an easement, Right-of-Use Agreement, franchise, license, permit or other
13 agreement, executed subsequent to this Agreement, shall bear the cost and
14 expense of any work necessary to ensure that, in the exercise of its rights, it does
15 not Interfere with the Facilities or Pierce Transit's use of, or operation on, the Use
16 Area.
17
18

19 I. Inconsistent Use. Notwithstanding the above, no Public Rights-of-
20 Way shall be used by Pierce Transit in a manner that is inconsistent with the terms,
21 conditions, or provisions by which such Public Rights-of-Way were created or
22 dedicated, or presently used under applicable laws.
23

24 J. No Rights by Implication. No rights shall pass to Pierce Transit by
25 implication. Without limiting the foregoing, by way of example and not limitation,
26 this Agreement shall not include or be a substitute for:

1 1. Any other permit or authorization required for the privilege of
2 transacting and carrying on a business within the City that may be required by the
3 ordinances and laws of the City; or

4 2. Any permit, agreement, or authorization required in
5 connection with operations on or in Public Rights-of-Way or property; or

6 3. Any permits or agreements for occupying any other property
7 of the City or private entities to which access is not specifically granted by this
8 Agreement.

9 K. Utility Agreements. This Agreement shall not be read to diminish,
10 or in any way affect, the authority of the City to control and charge for the use of the
11 light, power, water, storm, refuse, and sewer utilities. Therefore, if Pierce Transit
12 desires to use such utilities, it must obtain necessary agreements or consents for
13 such uses, and pay any and all associated fees as may be required by the City.

14
15 Section 3. Grant of Non-Exclusive Franchise Rights By the City For
16 Advertising Shelters.

17
18 A. Conformance with the Totality of this Agreement. Pierce Transit
19 understands and agrees that this Grant of Non-exclusive Franchise Rights by the
20 City for Advertising Shelters is subject to, and must conform and adhere to, any and
21 all portions of the foregoing and remaining sections of this Agreement.

22
23 B. Additional Grant of Non-Exclusive Franchise Rights for Advertising
24 Shelters. In addition to the non-exclusive franchise rights granted by the City to
25 Pierce Transit for General Transit Use as set forth in Section 2 herein, the City also
26 grants to Pierce Transit a non-exclusive Franchise to construct, install, maintain,

1 repair, control, and own Ad Shelters and License Advertising Space on said Ad
2 Shelters under the terms and conditions of this Agreement. Pierce Transit
3 expressly agrees that it will construct, install, operate, repair, maintain, use, own, or
4 control its Advertising Shelters in compliance with this Agreement and all applicable
5 City ordinances and state and federal laws, rules, and regulations.

6 C. Use Restricted to Advertising. This Agreement does not authorize
7 the provision of any services or uses by Pierce Transit or its agents other than
8 those which are reasonably related to the construction, installation, maintenance,
9 repair, control, and/or ownership of Ad Shelters and the lease of Advertising Space
10 on said Ad Shelters under the terms and conditions of this Agreement, nor shall this
11 section be construed in any way to relieve Pierce Transit of any obligation to obtain
12 any additional permits, authorizations, licenses, or agreements to use the
13 Right-of-Way to provide other services or uses. The provisions of this Agreement
14 are not a bar to the imposition of similar, different, or additional conditions with
15 respect to the use of the Rights-of-Way.
16
17

18 D. Advertising Policy and Content Management. Any Advertising on
19 Pierce Transit Ad Shelters will be in accord with and subject to the Pierce Transit
20 Advertising Policy as may be amended by Pierce Transit from time to time. It shall
21 not be a violation of this Agreement for Pierce Transit to utilize Advertising Space
22 on Ad Shelters for its own use, for public service announcements, art, or for any
23 other non-profit use in accord with the Pierce Transit Advertising Policy. In the
24 event that the City receives any complaint regarding Advertising or other content
25
26

1 within the Advertising Shelters, the City shall refer such complaint to Pierce
2 Transit's Marketing Manager.

3 E. Ownership and Maintenance. Pierce Transit may, pursuant to this
4 Franchise, authorize a Third Party ("Authorized Third Parties") to maintain
5 Ad Shelter(s) or retain an ownership interest, in whole or in part, in an Ad Shelter(s)
6 located in the Right-of-Way; provided that, such Authorized Third Parties shall not
7 be authorized to construct, install, operate, maintain, repair, control, remove, or
8 relocate such Ad Shelter(s) except as an Agent of Pierce Transit and subject to the
9 terms and conditions of this Franchise; and provided further, that such interest of
10 Authorized Third Parties shall not create a lien or encumbrance upon the
11 Right-of-Way and shall be subject and subordinate to the rights of the City under
12 this Franchise, and other applicable law. Nothing in this Franchise shall be
13 construed as granting to Pierce Transit any interest or right in the Use Area other
14 than the rights expressly provided herein.
15

16 F. Lease of Advertising Space. Pierce Transit is authorized to
17 license the use of Advertising Space for placement of Advertising; provided that,
18 such licensees shall not be authorized under this Franchise to install, maintain,
19 repair, relocate, or remove Advertising in or upon the Shelters, except as an Agent
20 of Pierce Transit and subject to the terms and conditions of this Franchise; and
21 provided further, that the rights of licensees shall be subject and subordinate to the
22 rights of the City under this Franchise and other applicable law. Upon request from
23 the City, Pierce Transit shall, within ten (10) days of receipt, provide the City with
24 full and complete copies of any contracts that Pierce Transit has with vendors for
25
26

1 advertising sales and placement services together with any amendments and
2 extensions or renewals thereof. Upon request from the City, upon reasonable
3 notice and no more frequently than on an annual basis, Pierce Transit will provide
4 the City with copies of the most recent audit conducted by Pierce Transit of its
5 vendor for advertising services.

6 G. Payment.

7 1. Pierce Transit will pay to the City 90 percent ("Payment")
8 of the Gross Receipts received by Pierce Transit for advertising on Ad Shelters
9 located within the City of Tacoma and Pierce Transit will retain 10 percent of the
10 Gross Receipts to offset the costs of administration and management of this
11 Agreement as well as the costs of construction and maintenance of Ad Shelters
12 located in the City. This payment will be divided by the City as follows:

13 a. Ten percent (10%) of the Gross Receipts will be
14 deposited into a City Property Management Fund to cover costs associated with

4. The first payment made to the City by Pierce Transit under this Agreement shall include all monies owed from the Effective Date to the end of the first quarter after all parties have executed this Agreement.

5. Interest. Pierce Transit shall pay to the City 12 percent interest per annum on any fee or charge not paid when due and for all costs of collection of any fee or charge past due more than forty-five (45) days.

7 and furnish to Pierce Transit no more frequently than on an annual basis, an
8 SAP report showing the City's expenditures from the fund referenced in
9 subsection G.1.b. above.

11 Section 4. Construction and Maintenance of Facilities.

12 A. New or Improved Facilities and Site Plans/Location. Prior to
13 installation of any proposed new Facility or improvements to an existing Facility,
14 Pierce Transit shall, at its expense, submit to the City's Planning and Development
15 Services Department a list of locations, a Site Plan for each location, and other
16 documents as needed, which may include, but are not limited to, traffic control
17 plans.
18

19 B. Existing Facilities. For all Facilities existing at time of execution of
20 this Agreement, Pierce Transit shall, at its expense, provide to the City a complete
21 list of locations denoting the site of said existing Facilities, as well as any additional
22 documentation, including, but not limited to, existing Site Plans and/or Facility
23 designs.
24

25 C. Approval Process for New Facilities. Upon the City's receipt of the
26 required documents for new Facilities, the City shall, within 30 days from receipt,

1 review and approve or disapprove of the construction proposed therein. To the
2 extent that the City disapproves of all or any part of the construction, in its
3 response, the City shall provide to Pierce Transit a written explanation of the
4 reasons for disapproval and suggested alternatives, if any. Pierce Transit may then
5 submit revised documents, which shall be subject to the same review and approval
6 or disapproval procedures. Pierce Transit shall not commence construction at any
7 site until the City has approved the documents for such site. All submittals from
8 Pierce Transit must be initialed and approved by a City-designated representative
9 from each of the following City departments or their successors:

- 10 1. Traffic Engineering;
- 11 2. Real Property Services;
- 12 3. ADA Coordinator;
- 13 4. Planning and Development Services; and
- 14 5. Site Development.

15
16
17 D. Process for Approval of Facilities when ADA Improvements
18 Needed in Path of Travel; Prioritization. In those instances where ADA
19 improvements have not been made in the path of travel leading to a proposed new
20 or improved Facility, Pierce Transit's permit application for a new Facility may not
21 be immediately approved by the City and will instead be placed in "pending" status
22 until funds are available to make the ADA improvements in the path of travel
23 adjacent to the proposed Pierce Transit Facility. Pierce Transit will be responsible
24 for prioritizing the locations of its Facilities so that accessibility improvements will be
25 made in the area around the highest priority transit Facilities. In coordination with
26

Pierce Transit, the City will make or construct those improvements in order of
1 priority as funding is available.

2 E. Entry Upon Right-of-Way. Pierce Transit, its servants, employees,
3 agents, contractors, and/or subcontractors shall have the right to enter upon the
4 Right-of-Way for the purposes of constructing, operating, and maintaining the
5 Facilities.
6

8 shall construct, operate, maintain, and repair its Facilities in compliance with all
9 federal, state, and local laws, ordinances, and departmental rules, regulations, and
10 practices affecting such system, which include, by way of example and not
11 limitation, the obligation to operate, maintain, and repair its Facilities in accordance
12 with zoning codes, safety codes, and City construction standards. New, altered, or
13 relocated bus stops shall be ADA Compliant and may trigger the construction of
14 new sidewalks, curb ramps, and other pedestrian facilities. The City, in
15 coordination with Pierce Transit, will install and/or construct the accessibility
16 improvements that are beyond the Use Area, as funding allows. In addition, the
17 construction, operation, and repair of all Facilities and ADA improvements within
18 the Public Right-of-Way shall be performed in a manner consistent with industry
19 standards. Pierce Transit shall exercise reasonable care in the performance of all
20 activities and shall use industry-accepted methods and devices for preventing
21 failures and accidents that are likely to cause damage, injury, or nuisance to the
22 public or to property.
23
24
25
26

1 G. Inspection. The City shall have the right to verify, by inspection,
2 that the location of the work and the materials used in construction or operation of
3 the Pierce Transit Facilities are in compliance with the plans as approved by the
4 City. The City shall further have the right to verify, by inspection, that City Facilities
5 relocated and/or constructed by Pierce Transit are to a standard acceptable to the
6 City.

7 H. Restoration of Right-of-Way. Pierce Transit shall promptly, at its
8 sole cost and expense, repair any and all Public Rights-of-Way (in compliance with
9 the City's right-of-way restoration policy) and public or private property that is
10 disturbed or damaged as a result of the construction, use, relocation, or destruction
11 of Pierce Transit Facilities. This section shall not be construed to require Pierce
12 Transit to make repairs or other restoration in the Right-of-Way for damage that is
13 caused by the usual wear and tear and use of the Right-of-Way in areas outside of
14 Pierce Transit's Use Area, such as City streets, sidewalks, and curbs. Repair of
15 damage to the Right-of-Way caused by use other than usual use, or in excess of
16 usual wear and tear, shall be the responsibility of the party causing the damage.
17 Upon completion of the initial construction of any Facility, Pierce Transit shall
18 ensure that the Right-of-Way and all other public and private property that is
19 disturbed or damaged as a result of the construction of the Facility is promptly
20 returned to as good a condition as before the disturbance or damage occurred, or
21 if to a lesser condition, then to the satisfaction of the City or the private property
22 owners. In the event Pierce Transit does not comply with the foregoing
23 requirements, the City may, upon thirty (30) days' advance notice to Pierce Transit,
24
25
26

1 take action to restore the Public Rights-of-Way or public property at Pierce Transit's
2 sole cost and expense.

3 I. Dispute. In the event of any dispute over the adequacy of
4 restoration, the Director of the City's Department of Public Works shall, in his or her
5 sole discretion, make the final determination.

6 J. Level of Operation/Maintenance. All Facilities shall be operated
7 and maintained in such a manner as to minimize disruption to other users of the
8 Public Rights-of-Way. All Facilities shall be maintained in a safe condition, in good
9 repair and appearance.

10 K. Appointment of Agent. Pierce Transit may appoint an agent to
11 exercise some or all of Pierce Transit's rights under this Agreement, subject to the
12 terms and conditions of this Agreement.

13 L. Responsibility for Facilities. The City shall have no responsibility
14 for maintaining, servicing, or repairing any Facilities and shall not be responsible for
15 the clearing or removal of trees, shrubs, plants, ice, snow, or debris therefrom.

16 M. Permits Required. Except in cases of emergency repairs, Pierce
17 Transit's construction, operation, or repair of Facilities shall not commence until all
18 required permits have been properly filed for and obtained from the City and all
19 required permits and associated fees paid. In case of emergency repairs,
20 appropriate permits shall be obtained no later than the second business day
21 following repairs.

Section 5. Accessibility Improvements.

1 A. Cooperation to Improve Accessibility. Both parties agree to work
2 together toward improving ADA accessibility at transit Facilities within the City. For
3 purposes of this Agreement, "ADA Accessibility" means that facilities must comply
4 with all ADA standards and are usable by persons with disabilities.
5

6 B. Pedestrian Routes/Path of Travel. The City acknowledges
7 responsibility for the design, construction, and maintenance of all sidewalk
8 connections and/or curb ramps that lead or connect to but are not within a Use
9 Area. In the event there are not sufficient City funds to bring a given area into
10 compliance, a permit application by Pierce Transit for approval of a new or altered
11 Facility in that area may be delayed until such time as City funds are available for
12 improvements.
13

14 C. Bus Stops, Shelters/Pierce Transit Use Areas. Pierce Transit is
15 obligated to and shall construct and maintain its Facilities and Use Areas in
16 compliance with Federal Transit Authority and ADA regulations for bus boarding
17 and alighting areas.
18

19 D. Transition Plan/Existing Bus Stops. Pierce Transit will create and
20 provide an inventory and prioritization of its existing and proposed Facilities to the
21 City within ninety (90) days of the execution of this Agreement. The City and
22 Pierce Transit agree to cooperate to develop an ADA Self-Evaluation and Transition
23 Plan ("Plan") for all Pierce Transit Facilities within the City of Tacoma, which Plan
24 will include an assessment of pedestrian access routes leading to and from such
25 Facilities. This Plan will also include the prioritization of areas adjacent to Bus

Once the Plan has been completed, the City of Tacoma and Pierce Transit will identify barriers for removal and develop a plan for completion of the work within the Parties' respective areas of responsibility. The Plan will be updated and modified as funding opportunities arise, transit routes or ridership change, or other factors influence the priority of the improvements.

Section 6. Insurance. Pierce Transit shall maintain, throughout the term of this Agreement, the following self-funding levels or membership in a self-insurance pool, such as the Washington State Transit Insurance Pool, to protect the City, its trustees, elected and appointed officers, agents, and employees against claims and damages that may arise as a result of the construction, installation, operation, maintenance, or repair of the Facilities. This obligation shall require Pierce Transit to maintain self-insurance funding levels in no less than the following amounts and forms:

24 A. Pierce Transit hereby agrees to indemnify, defend and hold the
25 City harmless from any and all claims, demands, suits, actions, damages,

2 maintenance, operation, repair, removal, occupancy, use, and ownership of the
3 Facilities by Pierce Transit, its Agents or Authorized Third Parties.

4 B. Pierce Transit hereby releases the City from, and agrees to
5 indemnify, defend, protect, and hold the City harmless from and against any and all
6 claims, suits, judgments, liabilities, defense costs, and expenses (including, but not
7 limited to, attorneys' fees) arising out of any loss of and/or damage to the real or
8 tangible personal property of the City, and any loss of and/or damage to the
9 property of any Third Parties or Pierce Transit; any loss and/or damage on account
10 of injury to or death of any persons whomsoever (including employees and agents
11 of the parties hereto and all other persons) caused by or growing out of the

22 C. The parties hereby agree that no damages shall be recoverable
23 from one another because of any dispossession that results from any failure of or

defect in the City's title or the rights granted herein by the City to Pierce Transit.

1 The City will cooperate with Pierce Transit's actions to rectify any title defect and
2 shall stipulate to judgment upon demand with regard to Pierce Transit's title.
3

4 D. The party in whose favor an indemnification runs, pursuant to any
5 of Sections 7(A), 7(B), and 7(C) (the "Protected Party"), shall give the other party
6 (the "Indemnifying Party") prompt notice of any claims or actions of which it is aware
7 against the Protected Party under this Agreement. The Indemnifying Party shall
8 promptly assume responsibility for the claim or undertake the defense of any

Section 8. Liens.

1 A. The Right-of-Way is not subject to a claim of lien. In the event that
2 any City property becomes subject to any claims for mechanics', artisans' or
3 materialmen's liens, or other encumbrances chargeable to or through Pierce Transit
4 which Pierce Transit does not contest in good faith, Pierce Transit shall promptly,
5 and in any event within 30 days, cause such lien claim or encumbrance to be
6 discharged or released of record (by payment, posting of bond, court deposit, or
7 other means), without cost to the City, and shall indemnify the City against all costs
8 and expenses (including attorneys' fees) incurred in discharging and releasing such
9 claim of lien or encumbrance. If any such claim or encumbrance is not so
10 discharged and released, the City may pay or secure the release or discharge
11 thereof at the expense of Pierce Transit after first giving Pierce Transit five business
12 days' advance notice of its intention to do so.

13 B. Nothing herein shall preclude Pierce Transit's or the City's contest
14 of a claim of lien or other encumbrance chargeable to or through Pierce Transit or
15 the City, or of a contract or action upon which the same arose.

16 C. Nothing in this Agreement shall be deemed to give, and the City
17 hereby expressly waives any claim of ownership in and to any part or the whole of
18 Pierce Transit Facilities, except as may be otherwise provided herein.

19 Section 9. Term; Termination.

20 A. The Effective Date of this Agreement shall be retroactive to
21 January 1, 2014 (the "Effective Date"), and unless sooner terminated pursuant to
22 the terms hereof, shall remain in effect for five (5) years from such date ("Initial
23
24
25
26

1 Term”) with the right of the parties to renew this Agreement for an additional five (5)
2 year term subject to the approval of each party’s governing board.

3 B. Pierce Transit’s option to renew this Agreement for an additional
4 five year term upon the same terms and conditions shall be subject to City Council
5 approval, and the requirements of the City Charter. Notice of Pierce Transit’s intent
6 to exercise any renewal option shall be given to the City no sooner than one year
7 and no later than 180 days prior to the expiration of the initial term. Time shall not
8 be “of the essence” with respect to the notice provisions in this subsection.

9 C. Upon expiration or termination of this Agreement, Pierce Transit
10 agrees to prepare, execute, and deliver to the City all documentation necessary to
11 evidence such expiration/termination of this Agreement or portion thereof
12 terminated. No such termination, however, shall relieve the parties hereto of
13 obligations accrued and unsatisfied at termination.
14

15 D. Either party may terminate this agreement after ninety (90) days’
16 notice of intent to terminate to the other party and opportunity to cure any breach or
17 nonperformance cited therein.
18

19 Section 10. Remedies in Event of Breach.

20 A. Remedies. Either party has the right to exercise any and all of the
21 following remedies, singly or in combination, in the event the other party violates
22 any provision of this Agreement:
23

- 24 1. Commence an action at law for monetary damages;
- 25 2. Commence action for equitable or other relief;
- 26

1 otherwise revoke the Agreement, and all rights and privileges pertaining thereto, in
2 the event that:

3 A. Pierce Transit is in material non-compliance with this Agreement;

4 B. Pierce Transit is found to have engaged in any actual or attempted
5 fraud or deceit upon the City, persons, or customers;

6 C. Pierce Transit fails to obtain and maintain any permit required by
7 any federal or state regulatory body or by the City, relating to the construction,
8 repair, and operation of the Facilities in the Right-of-Way; or

9 D. At any time during the term of the Agreement, Pierce Transit fails
10 to provide and maintain the insurance levels required by this Agreement or fails to
11 satisfy the indemnity set out in this Agreement.
12

13 Before this Agreement, or any portion herein, is revoked, Pierce Transit shall
14 be given notice and opportunity to cure (except in those cases where notice and
15 opportunity to cure are not required, or would be otherwise futile).
16

17 If, after notice and opportunity to cure, the City finds that there has been an
18 act or omission that would justify revocation or forfeiture of the Agreement, or any
19 portion herein, the City may make an appropriate reduction in the remaining term of
20 the Agreement or revoke the Agreement. However, the Agreement may only be
21 revoked or forfeited if: (1) Pierce Transit was given written notice of the default;
22 (2) Pierce Transit was given 30 days to cure the default; and (3) Pierce Transit
23 failed to cure the default, or to propose a schedule for curing the default acceptable
24 to the City when it is impossible to cure the default in 30 days. No opportunity to
25 cure is required for repeated violations and fraud shall be deemed incurable.
26

1 Notwithstanding the foregoing, the City may declare an Agreement forfeited
2 or revoked without opportunity to cure when Pierce Transit: (1) transfers any right
3 or obligation hereunder without prior consent of the City; (2) fails to pay any monies
4 owed hereunder; or (3) defrauds or attempts to defraud the City or Pierce Transit's
5 customers. However, Pierce Transit shall have the right to receive 30 days' prior
6 notice of an intent to declare the Agreement, or any portion herein, forfeited and
7 shall have the opportunity to show cause before the Director of Public Works why
8 the Agreement should not be forfeited or revoked.

9
10 Section 12. Right to Require Removal of Property/Right to Remove
11 Property.

12 A. Upon termination of this Agreement, or termination of any Facility
13 defined herein, and upon a demand by the City, Pierce Transit may be required to
14 remove Facilities from any Public Right-of-Way, and restore such Right-of-Way and
15 accompanying Use Area to its same or better condition that existed just prior to
16 installation of the Facility(ies) to be removed, subject to any rights Pierce Transit
17 may have to abandon property in place. If Pierce Transit fails to complete a City
18 required removal and/or does not complete repairs to the Right-of-Way to the
19 satisfaction of the City Public Works Director, the City may perform the work and
20 collect the cost thereof from Pierce Transit after removal.

21
22
23 B. To the extent any portion of the Facilities in the Rights-of-Way or
24 on any other public property is not removed by Pierce Transit within three months of
25 the later of the end of the term of this Agreement or any continuation period, the
26 Facility(ies) will be deemed abandoned and shall become the property of the City if

1 the City wishes to own it. Provided that, in no case shall Pierce Transit be provided
2 less than three months to remove its Facilities, measured from the date Pierce
3 Transit is ordered to remove its Facilities.

4 C. Any demand issued, pursuant to Section 12 (A), to remove the
5 Facilities in whole or in part shall be sent by registered or certified mail to Pierce
6 Transit not later than three months following the date of termination of this
7 Agreement, except as may be otherwise agreed to by the parties. Removal of
8 Facilities and repairs to the Right-of-Way shall be completed (except with respect to
9 property that Pierce Transit is permitted or required to abandon in place) not later
10 than three months following the date of notification to remove the Facilities.
11

12 Section 13. Covenants and Warranties.

13 A. By execution of this Agreement, the City warrants:

14 1. That the City has the full right and authority to enter into and
15 perform this Agreement and any permits which may be granted in accordance with
16 the terms hereof, and that by entering into or performing this Agreement the City is
17 not in violation of its Charter or Bylaws, or any law, regulation, or agreement by
18 which it is bound or to which it is bound or to which it is subject; it being understood,
19 however, that the covenant and warranty contained in this section does not
20 constitute a warranty, expressed or implied, by the City, of the right or rights granted
21 by the City to Pierce Transit hereunder; and
22

23 2. That the execution, delivery, and performance of this
24 Agreement by the City has been duly authorized by all requisite corporate action,
25 that the signatories for the City hereto are authorized to sign this Agreement, and
26

1 that, upon approval by the City, the joinder or consent of any other party, including
2 a court or trustee or referee, is not necessary to make valid and effective the
3 execution, delivery, and performance of this Agreement.

4 B. By execution of this Agreement, Pierce Transit warrants:

5 1. That Pierce Transit has full right and authority to enter into
6 and perform this Agreement in accordance with the terms hereof, and by entering
7 into or performing this Agreement, Pierce Transit is not in violation of its charter or
8 bylaws, or any law, regulation or agreement by which it is bound or to which it is
9 subject; and

10 2. That the execution, delivery, and performance of this
11 Agreement by Pierce Transit has been duly authorized, and that the joinder or
12 consent of any other party, including a court or trustee or referee, is not necessary
13 to make valid and effective the execution, delivery and performance of this
14 Agreement.

15 Section 14. Recording, Taxes, and Other Charges.

16 A. Pierce Transit shall pay all transfer taxes, documentary stamps,
17 recording costs or fees, or any similar expense in connection with the recording
18 costs or fees, or any similar expense in connection with the recording or filing of any
19 permits which may be granted hereunder. Pierce Transit further agrees that if it is
20 determined by any federal, state, or local governmental authority that the sale,
21 acquisition, license, grant, transfer, or disposition of any part or portion of any
22 Facility advertising or rights herein described requires the payment of any tax, levy,
23 excise, assessment, or charges (including, without limitation, property, sales, or
24
25
26

1 use tax) under any statute, regulation, or rule, Pierce Transit shall pay the same,
2 plus any penalty and/or interest thereon, directly to said taxing authority and shall
3 hold the City harmless therefrom. Pierce Transit shall pay all taxes, levies, excises,
4 assessments, or charges, including any penalties and/or interest thereon, levied or
5 assessed on the Facilities, or on account of their existence or use (including
6 increases thereof attributable to such existence or use, and excluding taxes based
7 on the income of the City), and shall indemnify the City against payment thereof.
8 Pierce Transit shall have the right to claim, and the City shall reasonably cooperate
9 with Pierce Transit in the prosecution of any such claim, for refund, rebate,
10 reduction, or abatement of such tax(es).
11

12 B. The City may pay any tax, levy, excise, assessment, or charge,
13 plus any penalty and/or interest thereon, imposed upon Pierce Transit for which
14 Pierce Transit is obligated pursuant to this section, if Pierce Transit does not pay
15 such tax, levy, excise, assessment, or charge within 30 days after it becomes due.
16 Pierce Transit shall reimburse the City for any such payment made, pursuant to the
17 previous sentence, plus interest at the rate of 8 percent per annum.
18

19 C. The City and Pierce Transit will cooperate in good faith to resolve
20 any tax dispute that arises under this Agreement, which cooperation will include, but
21 not be limited to, sharing of documents and cooperation of legal counsel.
22

23 Section 15. Assignability; Beneficiary.

24 A. This Agreement shall be binding upon and inure to the benefit of
25 the parties hereto and their respective successors or assigns. Except as otherwise
26 provided herein, no assignment hereof or sublease shall be valid for any purpose

1 without the prior written consent of the other party, and any attempt by one party to
2 assign or license the rights or obligations hereunder without prior written consent
3 will give the other party the right, at its written election, immediately to terminate this
4 Agreement or take any other lesser action with respect thereto. The above
5 requirement for consent shall not apply to: (1) any disposition of all or substantially
6 all of the assets of a party; (2) any corporate merger, consolidation, or
7 reorganization, whether voluntary or involuntary; (3) a sublease or assignment of
8 this Agreement (in whole or in part) to a wholly-owned subsidiary, affiliate, or parent
9 company; (4) a license of the use of Advertising Space for commercial advertising
10 as authorized pursuant to Section 3 of this Agreement; or (5) a sale, lease, or other
11 conveyance by the City; provided, however, that no sublease or assignment under
12 Subsections (2) or (3) shall be permitted to a company not under common control
13 with Pierce Transit; and provided further, that no uncontested assignment shall
14 relieve Pierce Transit of its obligations and liabilities under this Agreement.
15

16
17 B. Either party hereto may assign any monetary receivables due
18 them under this Agreement; provided however, such assignment shall not relieve
19 the assignor of any of its rights or obligations under this Agreement.

20 C. Pierce Transit acknowledges and agrees that the City may
21 designate, in writing, a designee to: (1) receive information (including information
22 designated or identified as confidential) and notices under this Agreement; and
23 (2) provide certain approvals or consents required from the City under this
24 Agreement. In the event of such designation, Pierce Transit may rely on approvals
25
26

or consents by such designee on behalf of the City as fully as if such actions were performed by the designator itself.

Section 17. Miscellaneous.

A. This Agreement shall survive delivery and/or recordation of each permit which may be granted hereunder.

1 B. Each party shall be responsible for its own costs, including legal
2 fees, incurred in negotiating or finalizing this Agreement.

3 C. The parties shall not be deemed in default with provisions of this
4 Agreement where performance was rendered impossible by war or riots, civil
5 disturbances, floods, or other natural catastrophes beyond the parties' control; the
6 unforeseeable unavailability of labor or materials; labor stoppages or slowdowns or
7 power outages exceeding back-up power supplies. This Agreement shall not be
8 revoked or the parties penalized for such noncompliance; provided, that the parties
9 take immediate and diligent steps to bring itself back into compliance and to comply
10 as soon as practicable under the circumstances without unduly endangering the
11 health, safety, and integrity of the public, Public Rights-of-Way, public property, or
12 private property.

14 D. This Agreement may be amended only by a written instrument
15 executed by each of the parties hereto. No failure to exercise and no delay in
16 exercising, on the part of any party hereto, any rights, power, or privilege hereunder
17 shall operate as a waiver hereof and no single or partial exercise of any other rights,
18 power, or privilege, except as expressly provided herein.

20 E. This Agreement constitutes the entire agreement of the parties
21 with respect to the subject matters hereof, and supersedes any and all prior
22 negotiations (oral and written), understandings, and agreements with respect
23 hereto.

25 F. Section headings are intended as information only, and shall not
26 be construed with the substance of the section they caption.

1 G. This Agreement may be executed in several counterparts, each of
2 which shall be deemed an original, and all counterparts together shall constitute but
3 one and the same instrument.

4 H. No Recourse. Without limiting such immunities as the City or
5 other persons may have under applicable law, Pierce Transit shall have no
6 monetary recourse whatsoever against the City or its officials, boards,
7 commissions, agents, or employees for any loss or damage arising out of the City's
8 exercising its authority, pursuant to this Agreement or other applicable law; provided
9 that, this section shall not apply in the event the Agreement is repealed, pursuant to
10 Article VIII, Section 8.1(a) of the Tacoma City Charter.
11

12 I. Notwithstanding Section 17(H) above, Pierce Transit shall maintain
13 all of its rights regarding the enforcement of this Agreement at law and in equity.

14 Section 18. Legal Forum. This Agreement shall be interpreted, construed
15 and enforced in accordance with the laws of the state of Washington. Venue for
16 any action under this Agreement shall be Pierce County, Washington.
17

18 Section 19. Interpretation. This Agreement is executed by all parties under
19 current interpretations of applicable federal, state, or local statute, ordinance, law, or
20 regulation.
21

22 Section 20. Severability.

23 A. In case any term of this Agreement shall be held invalid, illegal, or
24 unenforceable in whole or in part, neither the validity of the remaining part of such
25 term nor the validity of the remaining terms of this Agreement shall in any way be
26 affected thereby.

1 B. Notwithstanding the foregoing, the material provisions of this
2 Agreement are not severable. In the event that a court, agency, or legislature of
3 competent jurisdiction acts or declares any nonmaterial provision of this Agreement
4 is unenforceable according to its terms, or otherwise void, said provision shall be
5 considered a separate, distinct, and independent part of this Agreement, and such
6 holding shall not affect the validity and enforceability of all other provisions hereof.
7 In the event that a court, agency, or legislature of competent jurisdiction acts so
8 that, or declares that, any material provision of this Agreement is unenforceable
9 according to its terms, or is otherwise void, the City and Pierce Transit agree to
10 immediately enter into negotiations in good faith to restore the relative burdens and
11 benefits of this Agreement, consistent with applicable law. If the City and Pierce
12 Transit are unable to agree to a modification of this Agreement within 60 days,
13 either party may resort to litigation. Pierce Transit and the City agree to participate
14 in up to 16 hours of negotiation during the 60-day period.

17 C. Notwithstanding the foregoing, if either Pierce Transit or the City
18 believes a provision is not material then, within 14 days of a request by the other,
19 both parties shall enter into negotiations to resolve the provision at issue. The
20 obligation to negotiate is not tolled, and the City and Pierce Transit must discharge
21 their negotiation responsibility notwithstanding the dispute as to materiality. If there
22 is a dispute as to materiality, the remedies provided for in the preceding paragraph
23 shall be additive, not alternative. The remedies provided for herein do not prevent
24 the City or Pierce Transit from contending that a particular provision is enforceable,
25 or foreclose any remedies if a provision is unenforceable.
26

1 Section 21. Execution. Pierce Transit shall execute and return to the City
2 three original countersigned copies of this ordinance and a signed acceptance of
3 the Agreement granted hereunder within 30 days after the date of passage of the
4 ordinance by the City Council and authorization to enter into this Agreement by the
5 Pierce Transit Board of Commissioners. The acceptance shall be in a form
6 acceptable to the City Attorney, and in accepting this Agreement, Pierce Transit
7 warrants that it has carefully read the terms and conditions of this Agreement and
8 unconditionally accepts all of the terms and conditions of this Agreement and
9 agrees to abide by the same and acknowledges that it has relied upon its own
10 investigation of all relevant facts, that it has had the assistance of counsel, that it
11 was not induced to accept this Agreement, that this Agreement represents the
12 entire agreement between Pierce Transit and the City. The countersigned
13 ordinance and acceptance shall be returned to the City accompanied by:
14 (1) evidence of insurance; and (2) a payment for publication costs. The rights
15 granted herein shall not become effective until all of the foregoing is received in

COPY: City Council and City Clerk
SUBJECT: Ordinance – Pierce County Public Transportation Benefit Area Corporation Agreement – June 14, 2016
DATE: April 25, 2016

SUMMARY:

An ordinance approving an agreement, including a general Right-of-Use and a renewal Franchise, between the City of Tacoma and Pierce County Public Transportation Benefit Area Corporation for transit-related infrastructure within City rights-of-way.

STRATEGIC POLICY PRIORITY:

- Ensure all Tacoma residents are valued and have access to resources to meet their needs.
- Assure outstanding stewardship of the natural and built environment.

Approving the agreement allows Pierce County Public Transportation Benefit Area Corporation (Pierce Transit) to continue to serve citizens and businesses within the City of Tacoma. The agreement also serves to protect City infrastructure.

BACKGROUND:

On July 17, 2001, the City Council passed Ordinance No. 26829, which granted a non-exclusive Franchise to Pierce Transit for advertising shelters within City rights-of-way. This franchise term expired in 2012, and has been in holdover status since that time. Prior to the expiration, the City and Pierce Transit began negotiating terms for a renewal franchise for existing and future advertising shelters.

In 2014, City staff made the decision to broaden the scope of the agreement to include a general Right-of-Use for all Pierce Transit infrastructure within City rights-of-way. The agreement included specific processes for gaining City approval for new and relocated bus stops, requirements for repairs, maintenance and construction within City rights-of-way and ADA compliance as well as roles and responsibilities at bus stop locations.

Negotiations have concluded and both parties have agreed to all terms as presented. Real Property Services and City Attorney's Office staff presented this agreement to the Government Performance and Finance Committee on April 20, 2016, and received authorization to forward the agreement to the full Council for consideration.

ISSUE:

Pursuant to Tacoma Municipal Code Section 12.02 Franchises, City Council approval is required before the City can proceed with the franchise renewal with Pierce Transit.

ALTERNATIVES:

City Council could elect to not approve the agreement and instead require Pierce Transit to go through standard City work order processes and obtain Street Occupancy Permits for all work and facilities within the City rights-of-way. This alternative would increase timelines and costs to Pierce Transit and would substantially increase City staff workloads.

RECOMMENDATION:

The Public Works Department recommends City Council approve the agreement, including a general Right-of-Use and a renewal Franchise, between the City of Tacoma and Pierce County Public Transportation Benefit Area Corporation for transit-related infrastructure within City rights-of-way.

FISCAL IMPACT:

This will be the first time these funds are received by the City on a regular basis. The amounts received will vary, based upon the monthly gross revenues received by Pierce Transit from their third party advertising broker. Due to the lack of historical data, the fiscal impact is unknown at this time.
