

No construction traffic control or changes to River Road

Construction work zone (curb lane and adjacent slope)

Concrete safety barrier for work zone

No turn restrictions at this driveway

One lane southbound within existing lane

Right Turn Only onto Pioneer from this driveway

One lane northbound within existing lane

NOTE:
This traffic control will be in effect for approximately the first half of the construction effort. The second half of the construction effort will require a larger work zone to install new curbing and repave the roadway. See additional map for traffic control during that time.
