1.01 DELIVERY OF SUBMITTALS TO THE CITY'S PURCHASING DIVISION

Submittal packages must be received by the City's Purchasing Division, Tacoma Public Utilities Administration Building, Main Floor, 3628 South 35th Street, Tacoma, WA 98409-3115, prior to the scheduled time and date stated in the solicitation announcement. Each submittal, intact and bound, shall be completely sealed, with the name of the submitting party (hereinafter "Respondent"), the specification number and title clearly marked on the exterior of the package. City offices are not open for special mail or other deliveries on weekends and City holidays.

Submittals may be delivered to the City by mail or in person; however, the Respondent is solely responsible for timely delivery of its submittal to the Purchasing Division.

Facsimile (fax) copies of submittals for requests for sealed bids, requests for proposals, requests for qualifications and requests for information will not be accepted at any City fax machine.

Submittals received after the time stated in the solicitation announcement will not be accepted and will be returned, unopened, to the Respondent.

For purposes of determining whether a submittal has been timely received, the City's Purchasing Division may rely on Universal Coordinated Time from the National Bureau of Standards as reported by http://wwp.greenwichmeantime.com/

1.02 WITHDRAWAL OF SUBMITTALS

A. Prior to Submittal Deadline (Bid Opening)

Submittals may be withdrawn prior to the scheduled submittal deadline by providing written notice to the City's Purchasing Division. The notice may be submitted in person or by mail; however, it must be received by the City's Purchasing Division prior to the submittal deadline.

B. After Submittal Deadline

No submittal can be withdrawn after having been opened as set forth in the solicitation announcement, and before the actual award of the contract, unless the award is delayed more than 60 calendar days beyond the date of opening. If a delay of more than 60 calendar days does occur, the Respondent must submit written notice to the purchasing manager that Respondent is withdrawing its submittal.

1.03 SUBMITTAL IS NON-COLLUSIVE

The Respondent acknowledges that by its delivery of a submittal to the City in response to this solicitation it represents that the prices in such submittal are neither directly nor indirectly the result of any formal or informal agreement with another Respondent.

1.04 OPENING AND ACCEPTANCE OF SUBMITTALS

Submittals, unless previously withdrawn, will be read aloud, irrespective of any irregularities or informalities in such submittal, at the time and place specified in the solicitation announcement.

All submittals must remain open for acceptance by the City for a period of at least 60 calendar days from the date of opening.

1.05 RIGHT TO REJECT

The City of Tacoma reserves the right to reject any and all submittals, waive minor deviations or informalities, and if necessary, call for new submittals.

A. Requests for Proposals (RFP)

By submitting a proposal in response to a City RFP, the Respondent acknowledges and consents to the below City rights and conditions. With regard to this procurement process, the City reserves, holds

without limitation, and may exercise, at its sole discretion, the following rights and conditions:

- 1. To terminate the procurement process or decide not to award a contract as a result thereof by written notice to the Respondents for any reason whatsoever.
- 2. To waive any defect, technicality, or any other minor informality or irregularity in any submittal, or any other response from Respondents.
- To make minor or major changes or alterations to the evaluation, selection and/or performance schedule(s) for any events associated with this procurement process upon notice to the Respondents.
- 4. To supplement, amend or otherwise modify the RFP specifications, at any time upon prior notice to Respondents, including but not limited to modifications to the description of services and/or products contained in the RFP, by omitting services/products and/or including services/products not currently contemplated therein.
- To request clarifications, additional information, and/or revised submittals from one or more Respondents.
- To conduct investigations with respect to the qualifications and experience information for each Respondent included in a submittal and to request additional evidence to support any such information.
- To eliminate any Respondent that submits an incomplete or inadequate response, or is nonresponsive to the requirements of the RFP specifications, or is otherwise deemed to be unqualified during any stage of the procurement process.
- 8. To select and interview a single finalist or multiple finalists for the purpose of promoting the City's evaluation of submittals provided in response to the RFP specifications. The City may, in its sole and exclusive discretion as to what is in the City's best interest, elect not to conduct interviews of any or all respondents in connection with this RFP process.
- 9. To discontinue contract negotiations with a selected Respondent and commence such negotiations with another respondent, except as otherwise provided in Chap. 39.80, RCW.
- 10. To select and enter into a contract with one or more Respondents whose submittal best satisfies the interests of the City and is most responsive, in the sole judgment of the City, to the requirements of the RFP specifications.
- 11. To take any other action affecting the RFP specifications or the procurement process that is determined to be in the City's best interests.
- 12. In the event the City receives questions concerning RFP specifications from one or more Respondents prior to the deadline for response, the City reserves the right to provide such questions, and the City's responses, if any, to all Respondents.
- 13. Neither the City, its officials, staff, agents, employees, representatives, nor consultants will be liable for any claims or damages resulting from any aspect of this procurement process.

1.06 EVALUATION OF SUBMITTALS

The City of Tacoma reserves the right to award to the lowest and best responsible Respondent(s) delivering a submittal in compliance with the specification documents, provided such submittals are reasonable and are in the best interest of the City to accept. The City may use a number of criteria for determining award, including evaluation factors set forth in Municipal Code Section 1.06.262. Respondents who are inexperienced or who fail to properly perform other contracts may have their submittal rejected for such cause.

A. Evaluation Factors

In addition to the factors set forth in Municipal Code Section 1.06.262, the following may be used by the City in determining the lowest and best responsible submittal:

- Compliance with the Specification and with applicable City requirements, including by not limited to, the City's Ethics Code and its Small Business Enterprise and Local Employment and Apprenticeship programs.
- 2. Submittal prices, listed separately if requested, as well as a lump sum total (if the unit price does not compute to the extended total price, the unit price shall govern).
- 3. Time of delivery and/or completion of performance (delivery date(s) offered).
- 4. Warranty terms.
- 5. Quality of performance of previous contracts or services, including safety requirements and past compliance with the City's Ethics Code.
- 6. Previous and existing compliance with laws and ordinances relating to contracts or services.
- 7. Sufficiency of financial resources.
- 8. Quality, availability and adaptability of the supplies or services to the particular use required.
- 9. Ability to provide future maintenance and service on a timely basis.
- 10. Location of nearest factory authorized warranty repair facility or parts dealership.
- 11. Ability, capacity, experience, stability, reputation, integrity, character, judgment, technical qualifications and skill to perform the contract or provide the services required.

All other elements or factors, whether or not specifically provided for in this Specification, which would affect the final cost to, and the benefits to be derived by, the City, may be considered in determining the award of the contract. The final award decision will be based on the best interests of the City.

B. Cash Discount

Payment discount periods of 20 calendar days or more, if offered in the submittal, will be considered in determining the apparent lowest responsible submittal. Discounts will be analyzed in context of their overall cumulative effect.

1.07 COMPLETION OF CITY FORMS

All submittals must be completed in ink or typewritten using the forms included with this Specification, and submitted exactly as specified.

City forms requiring signature must be signed in ink by an authorized officer, employee or agent of the Respondent.

Prices must be stated in figures. Corrections shall be initialed in ink by the person signing the submittal. Prices having erasures or interlineations (cross outs) will not be accepted unless initialed in ink by the Respondent.

1.08 CORRECTION OF AMBIGUITIES AND OBVIOUS ERRORS

The City reserves the right to correct obvious errors in the Respondent's submittal. In this regard, if the unit price does not compute to the extended total price, the unit price shall govern.

1.09 CLARIFICATION OF SPECIFICATION

Questions regarding this Specification and/or any included terms, conditions, forms, plans or drawings are to be submitted in writing to the City staff person identified as the contact for this Specification. All requests for interpretation must be received by the City no later than five business days prior to the opening date. Any interpretation of this Specification will be made by addendum duly issued and posted to the Purchasing website at www.TacomaPurchasing.org. Such addendum must be acknowledged in the submittal. The City of Tacoma will not be responsible for any other explanation or interpretation of the specification documents.

1.10 ALTERATIONS NOT ALLOWED

Except as otherwise specifically provided in the specification documents, submittals that are incomplete or conditioned in any way, contain erasures, alternatives or items not called for, or not in conformity with law, may be rejected as being non-responsive. Any attempt to condition the submittal by inserting exceptions to the Specification or any conditions, qualifications or additions that vary its terms may result in rejection of the

submittal. The City cannot legally accept any submittal containing a material deviation from the Specifications.

1.11 INSERTION OF MATERIAL CONFLICTING WITH SPECIFICATIONS

Only material inserted by the Respondent to meet requirements of the specification documents will be considered. Any other material inserted by the Respondent will be disregarded by the City of Tacoma as being non-responsive and may be grounds for rejection of the submittal.

1.12 FIRM PRICES/ESCALATION

Except as specifically allowed elsewhere in the specification documents, only firm prices will be accepted.

1.13 SHIPPING

Prices must be quoted FOB destination (the place of destination as defined in RCW 62A.2-319, as that statute may hereafter be amended), with freight prepaid and allowed (shipping costs included in unit prices), and risk of loss remaining with Respondent until delivery is tendered.

1.14 LEGAL HOLIDAYS

1.15 TAXES

Unless otherwise required in this Specification, applicable federal, state, city and local taxes shall be included in the submittal as indicated below. The total cost to the City, including all applicable taxes, may be the basis for contract award determination. As used herein, the term "taxes" shall include any and all taxes, assessments, fees, charges, interest, penalties, and/or fines imposed by applicable laws and regulations in connection with the procurement of goods and/or services hereunder.

A. Federal Excise Tax

The City of Tacoma is exempt from federal excise tax. The City will furnish a Federal Excise Tax Exemption certificate, if required. If the Respondent fails to include any applicable tax in its submittal, then Respondent shall be solely responsible for the payment of said tax.

B. State and Local Sales Tax

The City of Tacoma is subject to Washington state sales tax. It is the Respondent's obligation to state the correct sales tax percentage and include the applicable Washington state, city and local sales tax as a separate line item(s) in the submittal.

C. City of Tacoma Business and Occupation Tax

It is the Respondent's obligation to include City of Tacoma Business and Occupation tax in the unit and/or lump sum prices submitted; it shall not be shown separately on the submittal.

Information regarding Washington State Business Licenses may be obtained at http://www.dol.wa.gov/businesses.htm.

1.17 PUBLIC DISCLOSURE

Washington State Public Disclosure Act (RCW 42.56 et seq.) requires public agencies in Washington to promptly make public records available for inspection and copying unless they fall within the specified exemptions contained in the Act. Documents submitted under this Specification are considered public records and, unless exempt from disclosure under the Act, will be made available for inspection and copying by the public in response to a public records request.

1.18 PROPRIETARY OR CONFIDENTIAL TRADE SECRET INFORMATION

If the Respondent considers any submittal document to be exempt from disclosure under the law, the Respondent shall clearly mark on the specific page(s) affected such words as "CONFIDENTIAL," "PROPRIETARY" or "TRADE SECRET." The Respondent shall <u>also</u> submit an index with its submittal identifying the affected page number(s) <u>and</u> location(s) of all such identified material. Failure to provide an index identifying the location of the material in the submittal that Respondent considers to be protected from disclosure will result in the records being released in response to a request for those records <u>without further notice to Respondent</u>. Marking the entire submittal as "confidential" or "proprietary" or "trade secret" is not acceptable and is grounds to reject such submittal.

If a public records request is made for disclosure of all or any part of Respondent's submittal, and Respondent has (i) properly marked and (ii) indexed the material it asserts to be exempt from disclosure, the City will determine whether the material is exempt from public disclosure. If, in the City's opinion, the material is subject to a possible exemption to disclosure, the City will notify Respondent of the request and impending release and allow the Respondent ten (10) business days to take whatever action Respondent deems necessary to protect its interests. The City will reasonably cooperate with any legal action initiated by the Respondent to prevent release; provided that all expense of such action shall be borne solely by the Respondent, including any damages, penalties, attorney's fees or costs awarded by reason of having opposed disclosure and Respondent shall indemnify City against same. If the Respondent fails or neglects to take such action within said period, the City will release all materials deemed subject to disclosure. Submission of materials in response to this solicitation shall constitute assent by the Respondent to the foregoing procedure and the Respondent shall have no claim against the City on account of actions taken pursuant to such procedure.

1.19 TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

The City of Tacoma ensures full compliance with Title VI of the Civil Rights Act of 1964 by prohibiting discrimination against any person on the basis of race, color, national origin or sex in the provision of benefits and services resulting from its federally assisted programs and activities. 1.21 PURCHASE ORDER TERMS AND CONDITIONS

Terms and conditions of City of Tacoma purchase orders, if issued, shall apply to contracts and awards resulting from this solicitation.

1.23 AWARD

The City reserves the right to award contracts for any or all items to one or more respondents in the best interests of the City.

In the event City terminates this Contract due to the City's own reasons and without cause due to the Contractor's actions or omissions, the City shall pay the Contractor the amount due for actual work and services necessarily performed under this Contract up to the effective date of termination, not to exceed the total compensation set forth herein.

The City may suspend this Contract, at its sole discretion, upon three business days written notice to the Contractor. Such notice shall indicate the anticipated period of suspension. Any reimbursement for expenses incurred due to the suspension shall be limited to the Contractor's actual expenses and shall be subject to verification. The Contractor shall resume performance of services under this Contract without delay when the suspension period ends.

Termination or suspension of this Contract by City shall not constitute a waiver of any claims or remaining rights the City may have against Contractor relative to performance hereunder.

2.21 INDEMNIFICATION – HOLD HARMLESS

The Contractor shall indemnify, defend and hold harmless the City, its officials, officers, agents, employees and volunteers, from any and all claims, demands, damages, lawsuits, liabilities, losses, liens, expenses and costs arising out of the subject matter of this Contract; provided that this provision shall not apply to the extent that damage or injury results from the fault of the City, or its officers, agents, or employees. The term "fault" as used herein shall have the same meaning as set forth in RCW 4.22.015, as that statute may hereafter be amended.

The Contractor specifically assumes potential liability for actions brought by the Contractor's own employees against the City and, solely for the purpose of this indemnification and defense, the Respondent specifically waives any immunity under the state industrial insurance law, Title 51 RCW.

These indemnifications shall survive the termination of this Contract.

A waiver or failure by either party to enforce any provision of this Contract shall not be construed as a continuing waiver of such provisions, nor shall the same constitute a waiver of any other provision of this Contract.

2.22 INSURANCE

The Contractor shall maintain all necessary insurance to protect Contractor and the City from losses and claims that may arise out of or result from performance of duties related to the Contract, including Worker's Compensation, automobile public liability and property damage, commercial general liability, professional liability, errors and omissions and others, as specified in the Insurance Requirements attachment.

2.23 INDEPENDENT CONTRACTOR STATUS

The Contractor is considered an independent contractor who shall at all times perform his/her duties and responsibilities and carry out all services as an independent contractor and shall never represent or construe his/her status to be that of an agent or employee of the City, nor shall the Contractor be eligible for any employee benefits. No payroll or employment taxes or contributions of any kind shall be withheld or paid by the City with respect to payments to Contractor. The Contractor shall be solely responsible for all said payroll or employment taxes and/or contributions including, but not limited to, FICA, FUTA, federal income tax, state personal income tax, state disability insurance tax and state unemployment insurance tax. If the City is assessed, made liable or responsible in any manner for such taxes or contributions, the Contractor agrees to indemnify and hold the City harmless from all costs incurred, including attorney fees.

Unless otherwise specified in writing, Contractor shall provide at its sole expense all materials, working space, and other necessities and instruments to perform its duties under this Contract. The Contractor, at

its sole expense, shall obtain and keep in force any and all applicable licenses, permits and tax certificates necessary to perform Contract services.

2.24 NOTICES

Except for routine operational communications, which may be delivered personally or transmitted by electronic mail or facsimile, all notices required hereunder shall be in writing and shall be deemed to have been duly given if delivered personally or mailed first-class mail, postage prepaid, to the Contractor's registered agent and to the applicable City department representative.

2.25 CITY OWNERSHIP OF WORK/RIGHTS IN DATA/PUBLICATIONS

To the extent that Contractor creates any work subject to the protections of the Copyright Act (Title 17 U.S.C) in its performance of this Contract, Contractor agrees to the following: The work has been specially ordered and commissioned by the City. Contractor agrees that the work is a "work made for hire" for copyright purposes, with all copyrights in the work owned by City. To the extent that the work does not qualify as a work made for hire under applicable law, and to the extent that the work includes material subject to copyright, Contractor hereby assigns to City, its successors and assigns, all right, title and interest in and to the work, including but not limited to, all copyrights, patent, trade secret and other proprietary rights, and all rights, title and interest in and to any inventions and designs embodied in the work or developed during the course of Contractor's creation of the work.

The Contractor shall be solely responsible for obtaining releases and/or licenses for the reproduction, distribution, creation of derivative works, performance, display, or other use of copyrighted materials. Should the Contractor fail to obtain said releases and/or licenses, the Contractor shall indemnify, defend and hold harmless the City for any claim resulting there from.

2.26 PUBLIC DISCLOSURE

This Contract and documents provided to the City by Contractor hereunder are deemed public records subject to disclosure under the Washington State Public Records Act, Chapter 42.56 RCW (Public Records Act). Thus, the City may be required, upon request, to disclose this Contract and documents related to it unless an exemption under the Public Records Act or other laws applies.

2.27 DUTY OF CONFIDENTIALITY

Contractor acknowledges that unauthorized disclosure of information or documentation concerning the Scope of Work hereunder may cause substantial economic loss or harm to the City. Except for disclosure of information and documents to Contractor's employees, agents, or subcontractors who have a substantial need to know such information in connection with Contractor's performance of obligations under this Contract, the Contractor shall <u>not</u> without prior written authorization by the City allow the release, dissemination, distribution, sharing, or other publication or disclosure of information or documentation obtained, discovered, shared or produced pursuant to this Contract.

2.28 DISPUTE RESOLUTION

In the event of a dispute pertaining to this Contract, the parties agree to attempt to negotiate in good faith an acceptable resolution. If a resolution cannot be negotiated, then the parties agree to submit the dispute to voluntary non-binding mediation before pursuing other remedies. This provision does not limit the City's right to terminate authorized by this Contract.

2.29 GOVERNING LAW AND VENUE

Washington law shall govern the interpretation of this Contract. The state or federal courts located in Pierce County shall be the venue of any mediation, arbitration or litigation arising out of this Contract.

2.30 ASSIGNMENT

The Contractor shall not assign, subcontract, delegate, or transfer any obligation, interest or claim to or under this Contract without the prior written consent of the City.

2.31 WAIVER

A waiver or failure by either party to enforce any provision of this Contract shall not be construed as a continuing waiver of such provisions, nor shall the same constitute a waiver of any other provision of this Contract.

2.32 SEVERABILITY AND SURVIVAL

If any term, condition or provision of this Contract is declared void or unenforceable or limited in its application or effect, such event shall not affect any other provisions hereof and all other provisions shall remain fully enforceable. The provisions of this Contract, which by their sense and context are reasonably intended to survive the completion, expiration or cancellation of this Contract, shall survive termination of this Contract.

2.33 CONFLICT WITH CONTRACT

In the event of any conflict between this document, Standard Terms and Conditions Section 2, Services, and the Professional Services Contract or other type of Contract (Contract) ultimately negotiated and entered into between Respondent and the City, the provisions of the Contract shall prevail. However, absent any such conflict the provisions of this document, Standard Terms and Conditions Section 2, Services, are fully incorporated into and considered part of the Contract.
