TECHNICAL SPECIFICATIONS
Specification No. **GF15-0434N**

Harley-Davidson Police Motorcycle Parts and Repair Services

I. PURPOSE:

The purpose of this bid is to establish a contract with a factory-authorized Harley-Davidson Motorcycles dealer to furnish warranty and non-warranty service, repairs, and parts on an as-needed basis for a 3 year period, with (2) two one-year options to renew at mutual agreement. Contract will be awarded to the lowest responsive bidder meeting the requirements set forth in this bid specification.

II. SCOPE OF WORK:

- A. This bid is for occasional work that the City of Tacoma (City) might find necessary to have performed by a factory-authorized dealer. The City's Public Works/Fleet Services performs nearly all maintenance and repairs for City vehicles/equipment including police motorcycles, and will continue to do so. However, there are occasionally situations where the City utilizes factory-authorized dealers to diagnose and/or repair equipment. The contract resulting from this bid will establish firm pricing and service parameters for dealers to provide those services to the City on an as-needed basis.
- B. It is important that City's police motorcycles be repaired and returned to service in a timely manner. The City reserves the right to purchase from other vendors if the successful bidder cannot meet our service needs. Repeated failure to meet the timeliness or quality of repair work may result in termination of the contract.
- C. The contract covers the current fleet of vehicles/equipment maintained by the City and is subject to vehicles/equipment added and deleted during the contract period. For approximate model years and vehicle/equipment types in the current fleet, contact Deanna Pollard at dpollard@cityoftacoma.org or (253) 591-5866. To inspect equipment prior to bidding contact Steve Peterson, Fleet Operations Shop Supervisor at 253-593-5581.
- D. Labor/Repairs: Service requests will be made by Shop Supervisors. Vendor shall advise Supervisor of the estimated time of pickup and work completion. Vendor shall diagnose and advise Shop Supervisor of needed repairs. Fax diagnosis, estimate of parts and labor hours, and price to Supervisor for approval before proceeding, and contact Supervisor again before estimate is exceeded.
- E. City reserves the right to decline the repairs and pay vendor for labor to diagnose and identify problem.
- F. All packing slips, repair orders, and invoices shall include purchase order number or vehicle/equipment number given at time of request. All documents requiring a signature must be signed legibly and include the City of Tacoma employee identification number of the person signing.

III. VENDOR REQUIREMENTS:

- A. The bidder shall be located within 25 miles of Fleet Operations Shop, 3639 South Pine St., Tacoma, WA 98409.
- B. The successful bidder shall be a factory authorized dealer and subsequently authorized to perform warranty repairs and factory updates. The successful bidder shall submit a proof of authorized dealership documentation or certificate from Harley-Davidson USA.
- C. Bidder shall have up-to-date diagnostic equipment and factory-trained, certified mechanics with the expertise to identify and resolve vehicle/equipment problems efficiently.
- D. Bidder guarantees that City requests will be given priority in scheduling repairs and service. If required pickup and delivery cannot be met by the awarded vendor, City reserves the right to purchase from an alternate source.
- E. Bidders shall have local and backup parts inventory, diagnostic tools, and service facilities to service the vehicles/equipment and all their components, and assure their performance.
- F. Vendor to pick up and deliver vehicles/equipment at the shops listed in Section IX. Shop Supervisor may waive vendor pickup and delivery on a case-by-case basis.
- G. Successful bidder(s) shall provide and keep current a certificate of insurance per the requirements in Section VIII. Bidders are encouraged to furnish insurance requirements to their surety for review prior to bidding.
- H. All parts/materials must be Original Equipment Manufacturer (OEM) in new and unused condition.

IV. PRICES:

- A. Most Favorable Prices and Terms: Bidder represents that all prices, terms and benefits offered are equal to or better than the equivalent prices, terms and benefits being offered by Bidder to any other State or local government unit or commercial customer.

Should Bidder, during the term of the Contract, enter into any contract, agreement or arrangement that provides lower prices, more favorable terms or greater benefits to any other such government unit or commercial customer, the Contract shall thereupon be deemed amended to provide the same price or prices, terms and benefits to the City. This provision applies to comparable Goods and Services, and to purchase volumes by the City that are not less than the purchase volumes of the government unit or commercial customer that has received the lower prices, greater benefits or more favorable terms.

- B. Parts: Parts shall be priced per a standard, published pricing schedule, in effect at time of sale, for a specified class of purchaser (i.e. dealer or jobber or industrial or manufacturer price list.) For items not listed on this price list, bidder may attach a list of discounts to manufacturers' price lists. If a discount or a markup is applicable to that price list, bidder shall quote percentage on the proposal page. The quoted percentage shall remain firm for the life of the contract.
- C. Freight charges on parts shall not be billed unless authorized by the Shop Supervisor because circumstances require premium shipment.

- D. Additional parts not covered by the quoted published price sheet shall be priced by equivalent markup from cost or by the quoted discount/markup percentage applicable to the price sheet.
- E. Labor rates: The hourly labor rate shall be listed on the proposal page and shall be firm for the first three-year period of the contract. The hourly labor rate invoiced shall be prorated to actual time worked (Not flat rate).Pick up and Deliver One Way: Vendor to pick up and deliver vehicles/equipment at shop listed on the price proposal form at the flat rate quoted on the proposal page. Shop Supervisor may waive vendor pick up and/or delivery on a case-by-case basis.
- F. Shop/Hazardous Waste Disposal Fee: Flat rate to include miscellaneous shop supplies and hazardous waste disposal charges.
- G. Travel time shall not be charged for mobile service.
- H. No charges or fees other than those described in this bid shall be invoiced.
- I. The quantities shown are estimates only and not a guarantee for any particular dollar or unit volume.

V. PRICE ADJUSTMENTS:

- A. Parts: All Parts purchased from vendor or installed by vendor shall be subject to the same price discount. All parts shall be priced per quoted price list in effect at time of sale. Any quoted discount or a markup percentage shall remain firm for the life of the contract. Vendor may request parts price adjustments annually, on January 2, to pass through increases from their suppliers. Requests must be submitted in writing to Fleet Parts and Contracts Manager, City of Tacoma Fleet Operations, 3639 S Pine St, Tacoma WA 98409, (253) 591-5866 at least 45 days prior to approval of price increase. Vendors must provide written documentation in support of any requests and the City will be responsible for evaluation of documentation and any recommendation to accept or reject requested price adjustments.
- B. Labor and Fees: At time of contract renewal, vendor may request price adjustment to the hourly labor rate, pickup and delivery fee, and/or shop/hazardous waste disposal fee. All requests for price increase shall be substantiated by written documentation of a cost increase beyond the control of the vendor. If accepted, price shall be adjusted only to the percentage of the increased cost to the vendor not to the vendor's profit margin.
- C. Vendor shall be responsible to request price adjustment for labor and/or fees 45 days prior to contract expiration date. Request shall be in writing to Fleet Parts and Contracts Manager, City of Tacoma Fleet Operations, 3639 S Pine St, Tacoma WA 98409, (253) 591-5866. Request shall include description of item, current price, requested new price, and percentage of increase. Price increase requests may be evaluated against various market conditions, including but not limited to, changes in the minimum wage, the increase for the comparable period in the CPI, State/Federal regulations affecting production costs, volatile commodity market conditions, or fuel surcharges.

VII. WARRANTY:

Parts and labor warranties shall be stated on the bid Proposal Sheet and shall fully conform to the Manufacturer's Warranty, but, in no case, shall warranties be less than 90 days from the date of receipt by the City. Warranty period for new parts shall be no less than one (1) year from the date

of installation, and warranty period for used, repaired or rebuilt parts shall be no less than 90 days from the date of installation. Warranties must cover defects in workmanship and materials and contractor must pass through to the City any coverage for labor reimbursement for a failed part installed by the contractor.

1.06 EVALUATION OF SUBMITTALS

The City of Tacoma reserves the right to award to the lowest and best responsible Respondent(s) delivering a submittal in compliance with the specification documents, provided such submittals are reasonable and are in the best interest of the City to accept. The City may use a number of criteria for determining award, including evaluation factors set forth in Municipal Code Section 1.06.262. Respondents who are inexperienced or who fail to properly perform other contracts may have their submittal rejected for such cause.

A. Evaluation Factors

In addition to the factors set forth in Municipal Code Section 1.06.262, the following may be used by the City in determining the lowest and best responsible submittal:

1. Compliance with the Specification and with applicable City requirements, including by not limited to, the City's Ethics Code and its Small Business Enterprise and Local Employment and Apprenticeship programs.
2. Submittal prices, listed separately if requested, as well as a lump sum total (if the unit price does not compute to the extended total price, the unit price shall govern).
3. Time of delivery and/or completion of performance (delivery date(s) offered).
4. Warranty terms.
5. Quality of performance of previous contracts or services, including safety requirements and past compliance with the City's Ethics Code.
6. Previous and existing compliance with laws and ordinances relating to contracts or services.
7. Sufficiency of financial resources.
8. Quality, availability and adaptability of the supplies or services to the particular use required.
9. Ability to provide future maintenance and service on a timely basis.
10. Location of nearest factory authorized warranty repair facility or parts dealership.
11. Ability, capacity, experience, stability, reputation, integrity, character, judgment, technical qualifications and skill to perform the contract or provide the services required.

All other elements or factors, whether or not specifically provided for in this Specification, which would affect the final cost to, and the benefits to be derived by, the City, may be considered in determining the award of the contract. The final award decision will be based on the best interests of the City.

B. Cash Discount

Payment discount periods of 20 calendar days or more, if offered in the submittal, will be considered in determining the apparent lowest responsible submittal. Discounts will be analyzed in context of their overall cumulative effect.

1.07 COMPLETION OF CITY FORMS

All submittals must be completed in ink or typewritten using the forms included with this Specification, and submitted exactly as specified.

City forms requiring signature must be signed in ink by an authorized officer, employee or agent of the Respondent.

Prices must be stated in figures. Corrections shall be initialed in ink by the person signing the submittal. Prices having erasures or interlineations (cross outs) will not be accepted unless initialed in ink by the Respondent.

1.08 CORRECTION OF AMBIGUITIES AND OBVIOUS ERRORS

The City reserves the right to correct obvious errors in the Respondent's submittal. In this regard, if the unit price does not compute to the extended total price, the unit price shall govern.

1.09 CLARIFICATION OF SPECIFICATION

Questions regarding this Specification and/or any included terms, conditions, forms, plans or drawings are to be submitted in writing to the City staff person identified as the contact for this Specification. All requests for interpretation must be received by the City no later than five business days prior to the opening date. Any interpretation of this Specification will be made by addendum duly issued and posted to the Purchasing website at www.TacomaPurchasing.org. Such addendum must be acknowledged in the submittal. The City of Tacoma will not be responsible for any other explanation or interpretation of the specification documents.

1.10 ALTERATIONS NOT ALLOWED

Except as otherwise specifically provided in the specification documents, submittals that are incomplete or conditioned in any way, contain erasures, alternatives or items not called for, or not in conformity with law, may be rejected as being non-responsive. Any attempt to condition the submittal by inserting exceptions to the Specification or any conditions, qualifications or additions that vary its terms may result in rejection of the

submittal. The City cannot legally accept any submittal containing a material deviation from the Specifications.

1.11 INSERTION OF MATERIAL CONFLICTING WITH SPECIFICATIONS

Only material inserted by the Respondent to meet requirements of the specification documents will be considered. Any other material inserted by the Respondent will be disregarded by the City of Tacoma as being non-responsive and may be grounds for rejection of the submittal.

1.12 FIRM PRICES/ESCALATION

Except as specifically allowed elsewhere in the specification documents, only firm prices will be accepted.

1.13 SHIPPING

Prices must be quoted FOB destination (the place of destination as defined in RCW 62A.2-319, as that statute may hereafter be amended), with freight prepaid and allowed (shipping costs included in unit prices), and risk of loss remaining with Respondent until delivery is tendered.

1.14 LEGAL HOLIDAYS

1.15 TAXES

Unless otherwise required in this Specification, applicable federal, state, city and local taxes shall be included in the submittal as indicated below. The total cost to the City, including all applicable taxes, may be the basis for contract award determination. As used herein, the term "taxes" shall include any and all taxes, assessments, fees, charges, interest, penalties, and/or fines imposed by applicable laws and regulations in connection with the procurement of goods and/or services hereunder.

A. Federal Excise Tax

The City of Tacoma is exempt from federal excise tax. The City will furnish a Federal Excise Tax Exemption certificate, if required. If the Respondent fails to include any applicable tax in its submittal, then Respondent shall be solely responsible for the payment of said tax.

B. State and Local Sales Tax

The City of Tacoma is subject to Washington state sales tax. It is the Respondent's obligation to state the correct sales tax percentage and include the applicable Washington state, city and local sales tax as a separate line item(s) in the submittal.

C. City of Tacoma Business and Occupation Tax

It is the Respondent's obligation to include City of Tacoma Business and Occupation tax in the unit and/or lump sum prices submitted; it shall not be shown separately on the submittal.

Per Sub-Title 6A of the City of Tacoma Municipal Code, transactions with the City of Tacoma may be subject to the City's Business and Occupation Tax.

It is the responsibility of the Respondent awarded the contract to register with the City of Tacoma's Tax and License Division, 733 South Market Street, Room 21, Tacoma, WA 98402-3768, telephone 253-591-5252, website <http://www.cityoftacoma.org/Page.aspx?nid=201>.

If the recommended respondent does not have a Washington State Business License at the time of submittal, it must obtain such license and provide proof thereof to the City of Tacoma prior to contract award. Failure to include a Washington State Business License may be grounds for rejection of the submittal. Information regarding Washington State Business Licenses may be obtained at <http://www.dol.wa.gov/businesses.htm>.

1.17 PUBLIC DISCLOSURE

Washington State Public Disclosure Act (RCW 42.56 et seq.) requires public agencies in Washington to promptly make public records available for inspection and copying unless they fall within the specified exemptions contained in the Act. Documents submitted under this Specification are considered public records and, unless exempt from disclosure under the Act, will be made available for inspection and copying by the public in response to a public records request.

1.18 PROPRIETARY OR CONFIDENTIAL TRADE SECRET INFORMATION

If the Respondent considers any submittal document to be exempt from disclosure under the law, the Respondent shall clearly mark on the specific page(s) affected such words as "CONFIDENTIAL," "PROPRIETARY" or "TRADE SECRET." The Respondent shall also submit an index with its submittal identifying the affected page number(s) and location(s) of all such identified material. **Failure to provide an index identifying the location of the material in the submittal that Respondent considers to be protected from disclosure will result in the records being released in response to a request for those records without further notice to Respondent. Marking the entire submittal as "confidential" or "proprietary" or "trade secret" is not acceptable and is grounds to reject such submittal.**

If a public records request is made for disclosure of all or any part of Respondent's submittal, **and** Respondent has (i) properly marked and (ii) indexed the material it asserts to be exempt from disclosure, the City will determine whether the material is exempt from public disclosure. If, in the City's opinion, the material is subject to a possible exemption to disclosure, the City will notify Respondent of the request and impending release and allow the Respondent ten (10) business days to take whatever action Respondent deems necessary to protect its interests. The City will reasonably cooperate with any legal action initiated by the Respondent to prevent release; provided that all expense of such action shall be borne solely by the Respondent, including any damages, penalties, attorney's fees or costs awarded by reason of having opposed disclosure and Respondent shall indemnify City against same. If the Respondent fails or neglects to take such action within said period, the City will release all materials deemed subject to disclosure. Submission of materials in response to this solicitation shall constitute assent by the Respondent to the foregoing procedure and the Respondent shall have no claim against the City on account of actions taken pursuant to such procedure.

1.19 TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

The City of Tacoma ensures full compliance with Title VI of the Civil Rights Act of 1964 by prohibiting discrimination against any person on the basis of race, color, national origin or sex in the provision of benefits and services resulting from its federally assisted programs and activities. Terms and conditions of City of Tacoma purchase orders, if issued, shall apply to contracts and awards resulting from this solicitation.

1.22 RESPONDENT'S REFUSAL TO ENTER INTO CONTRACT

1.23 AWARD

The City reserves the right to award contracts for any or all items to one or more respondents in the best interests of the City.

2.10 ADDITIONAL CITY CONTRACTS

During the term of this Contract, other City of Tacoma Departments/Divisions shall have the right to enter into additional service contracts or issue purchase orders based on the unit prices and/or service rates stated in this Contract. An exception taken specifically to this provision at time of submittal shall not constitute a material deviation in the bidding process.

2.11 COOPERATIVE PURCHASING

The Washington State Interlocal Cooperation Act RCW 39.34 provides that other governmental agencies may purchase goods and services based on this Contract in accordance with the terms and prices indicated herein if all parties are agreeable. Each public agency shall formulate a separate contract with the Contractor, incorporating the terms and conditions of this Contract with the City of Tacoma. The City shall incur no liability in connection with such contracts or purchases by other public agencies thereunder. It will be the Contractor's responsibility to inform such public agencies of this Contract. Contractor shall invoice such public agencies as separate entities.

2.12 WARRANTIES/REPRESENTATIONS

The Contractor warrants that all services performed pursuant to the Contract shall be generally suitable for the use to which the City intends to use said services as expressed in this Contract. If the Contractor intends to rely on information or data supplied by the City, other City contractor's or other generally reputable sources without independent verification, such intent shall be brought to the attention of the City.

2.13 TAXES, LICENSES, PERMITS

Unless otherwise required by applicable law, the tax provisions in Section 1 - Solicitation apply to this Contract. In the event the Contractor fails to pay any taxes, assessments, penalties, or fees imposed by any governmental body, including a court of law, other than those taxes the City is required to pay, then the Contractor authorizes the City to deduct and withhold or pay over to the appropriate governmental body those unpaid amounts upon demand by the governmental body. The Contractor shall not discriminate in any employment action because of race, religion, color, national origin or ancestry, sex, gender identity, sexual orientation, age, marital status, familial status, or the presence of any sensory, mental or physical handicap. In the event of non-compliance by the Contractor with any of the non-discrimination provisions of this Contract, the City shall be deemed to have cause to terminate this Contract, in whole or in part.

2.17 PREVAILING WAGES PAID – IF REQUIRED

If this Contract involves services for which state and/or local laws may require the Contractor to pay prevailing wages, and Contractor hereby agrees to pay such applicable prevailing wages. If applicable to this Contract, a Schedule of Prevailing Wage Rates for the locality or localities where this Contract will be performed is attached and made of part of this Contract by this reference. If prevailing wages do apply to this Contract, the Contractor and its subcontractors shall (a) be bound by the provisions of Chapter 39.12 RCW, as amended, relating to prevailing wages and usual fringe benefits, (b) ensure that no worker, laborer or mechanic employed in the performance of any part of this Contract shall be paid less than the prevailing rate of wage specified on that Schedule, and (c) immediately upon award of the Contract, contact the Department of Labor and Industries, Prevailing Wages section, Olympia, Washington, to obtain full information, forms and procedures relating to these matters. Per such procedures, a Statement of Intent to Pay Prevailing Wages must be submitted by the Contractor and its subcontractors to the City, in the manner requested by the City, prior to any payment by the City hereunder, and an Affidavit of Wages Paid must be received or verified by the City prior to final Contract payment.

2.18 CONFLICT OF INTEREST

No officer, employee or agent of the City, nor any member of the immediate family of any such officer, employee or agent as defined by City ordinance, shall have any personal financial interest, direct or indirect, in this Contract, either in fact or in appearance. The Contractor shall comply with all federal, state and City conflict of interest laws, statutes and regulations. The Contractor represents that the Contractor presently has no interest and shall not acquire any interest, direct or indirect, in the program to which this Contract pertains that would conflict in any manner or degree with the performance of the Contractor's services and obligations hereunder. The Contractor further covenants that, in performance of this Contract, no person having any such interest shall be employed. The Contractor also agrees that its violation of the City's Code of Ethics contained in Chapter 1.46 of the Tacoma Municipal Code shall constitute a breach of this Contract subjecting the Contract to termination.

2.19 REPORTS, RIGHT TO AUDIT, PERSONNEL

A. Reports

The Contractor shall, at such times and in such form as the City may reasonably require, furnish the City with periodic status reports pertaining to the services undertaken pursuant to this Contract.

B. Right to Audit

Upon City's request, the Contractor shall make available to City all accounts, records and documents related to the scope of work for City's inspection, auditing, or evaluation during normal business hours as reasonably needed by City to assess performance, compliance and/or quality assurance under this Contract.

C. Personnel

If before, during, or after the execution of this Contract, the Contractor has represented or represents to the City that certain personnel would or will be responsible for performing services pursuant to this Contract, then the Contractor is obligated to ensure that said personnel perform said Contract services to the maximum extent permitted by law. This Contract provision shall only be waived by written authorization by the City, and on a case by case basis.

2.20 TERMINATION AND SUSPENSION

The City may terminate this Contract at any time, with or without cause, by giving 10 business days written notice to Contractor. In the event of termination, all finished and unfinished work prepared by the Contractor pursuant to this Contract shall be provided to the City. In the event City terminates this Contract due to the City's own reasons and without cause due to the Contractor's actions or omissions, the City shall pay the Contractor the amount due for actual work and services necessarily performed under this Contract up to the effective date of termination, not to exceed the total compensation set forth herein.

The City may suspend this Contract, at its sole discretion, upon three business days written notice to the Contractor. Such notice shall indicate the anticipated period of suspension. Any reimbursement for expenses incurred due to the suspension shall be limited to the Contractor's actual expenses and shall be subject to verification. The Contractor shall resume performance of services under this Contract without delay when the suspension period ends.

Termination or suspension of this Contract by City shall not constitute a waiver of any claims or remaining rights the City may have against Contractor relative to performance hereunder.

2.21 INDEMNIFICATION – HOLD HARMLESS

The Contractor shall indemnify, defend and hold harmless the City, its officials, officers, agents, employees and volunteers, from any and all claims, demands, damages, lawsuits, liabilities, losses, liens, expenses and costs arising out of the subject matter of this Contract; provided that this provision shall not apply to the extent that damage or injury results from the fault of the City, or its officers, agents, or employees. The term "fault" as used herein shall have the same meaning as set forth in RCW 4.22.015, as that statute may hereafter be amended.

The Contractor specifically assumes potential liability for actions brought by the Contractor's own employees against the City and, solely for the purpose of this indemnification and defense, the Respondent specifically waives any immunity under the state industrial insurance law, Title 51 RCW.

These indemnifications shall survive the termination of this Contract.

A waiver or failure by either party to enforce any provision of this Contract shall not be construed as a continuing waiver of such provisions, nor shall the same constitute a waiver of any other provision of this Contract.

2.22 INSURANCE

The Contractor shall maintain all necessary insurance to protect Contractor and the City from losses and claims that may arise out of or result from performance of duties related to the Contract, including Worker's Compensation, automobile public liability and property damage, commercial general liability, professional liability, errors and omissions and others, as specified in the Insurance Requirements attachment.

2.23 INDEPENDENT CONTRACTOR STATUS

The Contractor is considered an independent contractor who shall at all times perform his/her duties and responsibilities and carry out all services as an independent contractor and shall never represent or construe his/her status to be that of an agent or employee of the City, nor shall the Contractor be eligible for any employee benefits. No payroll or employment taxes or contributions of any kind shall be withheld or paid by the City with respect to payments to Contractor. The Contractor shall be solely responsible for all said payroll or employment taxes and/or contributions including, but not limited to, FICA, FUTA, federal income tax, state personal income tax, state disability insurance tax and state unemployment insurance tax. If the City is assessed, made liable or responsible in any manner for such taxes or contributions, the Contractor agrees to indemnify and hold the City harmless from all costs incurred, including attorney fees.

Unless otherwise specified in writing, Contractor shall provide at its sole expense all materials, working space, and other necessities and instruments to perform its duties under this Contract. The Contractor, at

its sole expense, shall obtain and keep in force any and all applicable licenses, permits and tax certificates necessary to perform Contract services.

2.24 NOTICES

Except for routine operational communications, which may be delivered personally or transmitted by electronic mail or facsimile, all notices required hereunder shall be in writing and shall be deemed to have been duly given if delivered personally or mailed first-class mail, postage prepaid, to the Contractor's registered agent and to the applicable City department representative.

2.25 CITY OWNERSHIP OF WORK/RIGHTS IN DATA/PUBLICATIONS

To the extent that Contractor creates any work subject to the protections of the Copyright Act (Title 17 U.S.C) in its performance of this Contract, Contractor agrees to the following: The work has been specially ordered and commissioned by the City. Contractor agrees that the work is a "work made for hire" for copyright purposes, with all copyrights in the work owned by City. To the extent that the work does not qualify as a work made for hire under applicable law, and to the extent that the work includes material subject to copyright, Contractor hereby assigns to City, its successors and assigns, all right, title and interest in and to the work, including but not limited to, all copyrights, patent, trade secret and other proprietary rights, and all rights, title and interest in and to any inventions and designs embodied in the work or developed during the course of Contractor's creation of the work.

The Contractor shall be solely responsible for obtaining releases and/or licenses for the reproduction, distribution, creation of derivative works, performance, display, or other use of copyrighted materials. Should the Contractor fail to obtain said releases and/or licenses, the Contractor shall indemnify, defend and hold harmless the City for any claim resulting there from.

2.26 PUBLIC DISCLOSURE

This Contract and documents provided to the City by Contractor hereunder are deemed public records subject to disclosure under the Washington State Public Records Act, Chapter 42.56 RCW (Public Records Act). Thus, the City may be required, upon request, to disclose this Contract and documents related to it unless an exemption under the Public Records Act or other laws applies.

2.27 DUTY OF CONFIDENTIALITY

Contractor acknowledges that unauthorized disclosure of information or documentation concerning the Scope of Work hereunder may cause substantial economic loss or harm to the City. Except for disclosure of information and documents to Contractor's employees, agents, or subcontractors who have a substantial need to know such information in connection with Contractor's performance of obligations under this Contract, the Contractor shall not without prior written authorization by the City allow the release, dissemination, distribution, sharing, or other publication or disclosure of information or documentation obtained, discovered, shared or produced pursuant to this Contract.

2.28 DISPUTE RESOLUTION

In the event of a dispute pertaining to this Contract, the parties agree to attempt to negotiate in good faith an acceptable resolution. If a resolution cannot be negotiated, then the parties agree to submit the dispute to voluntary non-binding mediation before pursuing other remedies. This provision does not limit the City's right to terminate authorized by this Contract.

2.29 GOVERNING LAW AND VENUE

Washington law shall govern the interpretation of this Contract. The state or federal courts located in Pierce County shall be the venue of any mediation, arbitration or litigation arising out of this Contract.

2.30 ASSIGNMENT

The Contractor shall not assign, subcontract, delegate, or transfer any obligation, interest or claim to or under this Contract without the prior written consent of the City.

2.31 WAIVER

A waiver or failure by either party to enforce any provision of this Contract shall not be construed as a continuing waiver of such provisions, nor shall the same constitute a waiver of any other provision of this Contract.

2.32 SEVERABILITY AND SURVIVAL

If any term, condition or provision of this Contract is declared void or unenforceable or limited in its application or effect, such event shall not affect any other provisions hereof and all other provisions shall remain fully enforceable. The provisions of this Contract, which by their sense and context are reasonably intended to survive the completion, expiration or cancellation of this Contract, shall survive termination of this Contract.

2.33 CONFLICT WITH CONTRACT

In the event of any conflict between this document, Standard Terms and Conditions Section 2, Services, and the Professional Services Contract or other type of Contract (Contract) ultimately negotiated and entered into between Respondent and the City, the provisions of the Contract shall prevail. However, absent any such conflict the provisions of this document, Standard Terms and Conditions Section 2, Services, are fully incorporated into and considered part of the Contract.

**CITY OF TACOMA
STANDARD TERMS AND CONDITIONS
SECTION 2 – SUPPLIES**

UNLESS OTHERWISE REQUIRED BY THE SPECIFICATION OR AGREED TO IN WRITING, THE FOLLOWING TERMS AND CONDITIONS SHALL GOVERN THE RIGHTS, RESPONSIBILITIES AND OBLIGATIONS OF THE PARTIES TO THE CONTRACT.

2.01 SUPPLIER

As used herein, the "Supplier" shall be the Respondent(s) awarded a contract pursuant to this Specification, whether designated as a Respondent, Seller, Vendor, Proposer, Bidder, Contractor, Merchant, Service Provider or otherwise.

2.02 ENTIRE AGREEMENT

This Specification, purchase orders issued by the City pursuant hereto, and the Supplier's submittal, in that order of precedence, shall constitute the "Contract" between the parties. Said documents represent the entire agreement between the parties and supersede any prior oral statements, discussions or understandings between the parties, and/or subsequent Supplier invoices. No modification of this Contract shall be effective unless mutually agreed in writing.

2.03 APPROVED EQUALS

Unless an item is indicated as "No substitute," special brands, when named, are intended to describe the standard of quality, performance or use desired. Equal items will be considered by the City, provided that the Supplier specifies the brand and model, and provides all descriptive literature, independent test results, specification sheets, schematic drawings, photographs, product samples, local servicing, parts availability, etc., to enable the City to evaluate the proposed equal. Performance testing in the field may be required.

The decision of the City as to what items are equal shall be final and conclusive. If the City elects to purchase a brand represented by the Supplier to be an "equal," the City's acceptance of the item is conditioned on the City's inspection and testing after receipt. If, in the sole judgment of the City, the item is determined not to be an equal, the item shall be returned at the Supplier's expense.

When a brand name or level of quality is not stated in the Supplier's submittal, it is understood the Supplier's submittal shall exactly confirm with those required in this Contract. If more than one brand name is stated in this Specification, Supplier(s) must indicate the brand and model/part number to be supplied.

B. Delivery

Delivery will be to the designated addresses set forth in this Contract. Deliveries shall be between 9:00 a.m. and 3:30 p.m., Monday through Friday only, except holidays. Packing slips and shipping notices shall be sent to the specific City Division or Department receiving the item(s) and include complete description of items, contents of items if crated or cased, quantity, shipping point, carrier, bill of lading number and City of Tacoma purchase order.

2.06 PAYMENT TERMS

Payment shall be made through the City's ordinary payment process, and shall be considered timely if made within 30 days of receipt of a properly completed invoice. Payment will not be considered late if mailed or electronically disbursed within the time specified. Payment(s) made in accordance with this Contract shall fully compensate the Supplier for all risk, loss, damages or expense of whatever nature, and acceptance of payment shall constitute a waiver of all claims submitted by Supplier. All payments shall be subject to adjustment for any amounts, upon audit or otherwise, determined to have been improperly invoiced.

Invoices will not be processed for payment, nor will the period of cash discount commence, until all invoiced items are received and satisfactory performance of the Contract has been attained, and a properly completed invoice is received by the City. If an adjustment in payment is necessary due to damage or dispute, the cash discount period shall commence on the date final approval for payment is authorized.

2.10 COMPARATIVE PRICING

If at any time during the term of this Contract, the Supplier reduces prices to other buyers purchasing approximately the same quantities stated on this Contract, the Supplier will immediately notify the City of Tacoma purchasing manager of such fact, and the price(s) for future orders hereunder shall be reduced accordingly.

2.11 CHANGES

The City at any time by written change order may make reasonable changes in the place of delivery, installation or inspection, the method of shipment or packing, identification and ancillary matters that the Supplier may accommodate without substantial additional expense.

2.12 COOPERATIVE PURCHASING

Each public agency shall formulate a separate contract with the Supplier, incorporating the terms and conditions of this Contract with the City of Tacoma. The City shall incur no liability in connection with such contracts or purchases by other public agencies thereunder. The prices paid by the City in good faith shall be considered the prevailing market price at the time such purchase is made.

2.16 TAXES, LICENSES, PERMITS

Unless otherwise required by applicable law, the tax provisions in Section 1 - Solicitation apply to this Contract. Except for state sales tax, the Supplier acknowledges that it is responsible for the payment of all taxes applicable to this Contract and the Supplier agrees to comply with all applicable laws regarding the reporting of income, maintenance of records and all other requirements and obligations imposed pursuant to applicable law.

If the City is assessed, made liable, or responsible in any manner for taxes contrary to the provisions of this Contract, the Supplier agrees to hold the City harmless from such costs, including attorney's fees. In the event the Supplier fails to pay any taxes, assessments, penalties, or fees imposed by any governmental body, including a court of law, other than those taxes the City is required to pay, then the Supplier authorizes the City to deduct and withhold or pay over to the appropriate governmental body those unpaid amounts upon demand by the governmental body. It is agreed that this provision shall apply to taxes and fees imposed by City ordinance. Any such payments shall be deducted from the Supplier's total compensation.

2.17 FEDERAL, STATE AND MUNICIPAL LAWS AND REGULATIONS

The Supplier shall not discriminate in any employment action because of race, religion, color, national origin or ancestry, sex, gender identity, sexual orientation, age, marital status, familial status, or the presence of any sensory, mental or physical handicap. In the event of non-compliance by the Supplier with any of the non-discrimination provisions of this Contract, the City shall be deemed to have cause to terminate this Contract, in whole or in part.

2.20 PREVAILING WAGES PAID – IF REQUIRED

If federal, state, local or any applicable law requires the Supplier to pay prevailing wages in connection with this Contract, and Supplier is so notified by the City, then the Supplier shall pay applicable Prevailing Wages.

The Supplier further covenants that, in performance of this Contract, no person having any such interest shall be employed. In this regard, the Supplier recognizes it is waiving immunity under Industrial Insurance Law, Title 51 RCW. This indemnification includes attorney's fees and the cost of establishing the right to indemnification hereunder in favor of the City of Tacoma. By the Supplier's acceptance of this order, he/she agrees that this subsection has been mutually negotiated.

In the event of a dispute pertaining to this Contract, the parties agree to attempt to negotiate in good faith an acceptable resolution. If a resolution cannot be negotiated, then the parties agree to submit the dispute to voluntary non-binding mediation before pursuing other remedies. This provision does not limit the City's right to terminate authorized by this Contract.

2.27 GOVERNING LAW AND VENUE

Washington law shall govern the interpretation of this Contract. The state or federal courts located in Pierce County Washington shall be the sole venue of any mediation, arbitration or litigation arising out of this Contract.

2.28 ASSIGNMENT

The Supplier shall not assign, subcontract, delegate or transfer any obligation, interest or claim to or under this Contract without the prior written consent of the City.

2.29 WAIVER

A waiver or failure by either party to enforce any provision of this Contract shall not be construed as a continuing waiver of such provisions, nor shall the same constitute a waiver of any other provision of this Contract.

2.30 SEVERABILITY AND SURVIVAL

If any term, condition or provision of this Contract is declared void or unenforceable or limited in its application or effect, such event shall not affect any other provisions hereof and all other provisions shall remain fully enforceable. The provisions of this Contract, which by their sense and context are reasonably intended to survive the completion, expiration or cancellation of this Contract, shall survive termination of this Contract.

2.31 CONFLICT WITH CONTRACT

In the event of any conflict between this document, Standard Terms and Conditions Section 2, Supplies, and the Professional Services Contract or other type of Contract (Contract) ultimately negotiated and entered into between Respondent and the City, the provisions of the Contract shall prevail. However, absent any such conflict the provisions of this document, Standard Terms and Conditions Section 2, Supplies, are fully incorporated into and considered part of the Contract.

1.07.010 Policy and purpose.

It is the policy of the City of Tacoma that citizens be afforded an opportunity for full participation in our free enterprise system and that historically underutilized business enterprises shall have an equitable opportunity to participate in the performance of City contracts. The City finds that in its contracting for supplies, services and public works there has been historical underutilization of small businesses located in certain geographically and economically disfavored locations and that this underutilization has had a deleterious impact on the economic well-being of the City. The purpose of this chapter is to remedy the effects of such underutilization through use of reasonably achievable goals to increase opportunities for historically underutilized businesses to participate in City contracts. It is the goal of this chapter to facilitate a substantial procurement, education, and mentorship program designed to promote equitable participation by historically underutilized businesses in the provision of supplies, services, and public works to the City. It is not the purpose of this chapter to provide any person or entity with any right, privilege, or claim, not shared by the public, generally, and this chapter shall not be construed to do so. This chapter is adopted in accordance with Chapter 35.22 RCW and RCW 49.60.400.

A. No person that is engaged in the construction of public works for the City, engaged in the furnishing of laborers or craftspeople for public works of the City, or is engaged for compensation in the provision of non-public works and improvements supplies and/or services to the City, shall discriminate against any other person on the basis of race, religion, color, national origin or ancestry, sex, gender identity, sexual orientation, age, marital status, familial status, or the presence of any sensory, mental or physical disability in employment. Such discrimination includes the unfair treatment or denial of normal privileges to a person as manifested in employment upgrades, demotions, transfers, layoffs, termination, rates of pay, recruitment of employees, or advertisement for employment.

B. The violation of the terms of RCW 49.60 or Chapter 1.29 TMC by any person that is engaged in the construction of public works for the City, is engaged in the furnishing of laborers or craftspeople for public works of the City, or is engaged for compensation in the provision of non-public works and improvements supplies and/or services shall result in the rebuttable presumption that the terms of this chapter have also been violated. Such violation may result in termination of any City contract the violator may have with the City and/or the violator's ineligibility for further City Contracts.

(Ord. 27867 Ex. A; passed Dec. 15, 2009)

1.07.040 Program administration.

A. The Community and Economic Development Director, or his or her designated SBE Program Coordinator, shall be responsible for administering this chapter and obtaining compliance with respect to contracts entered into by the City and/or its contractors. It shall be the duty of the Director to pursue the objectives of this chapter by conference, conciliation, persuasion, investigation, or enforcement action, as may be necessary under the circumstances. The Director is authorized to implement an administrative and compliance program to meet these responsibilities and objectives.

B. The Director is hereby authorized to adopt and to amend administrative rules and regulations known as the SBE Regulations to properly implement and administer the provisions of this chapter. The SBE Regulations, when adopted, shall not confer an independent cause of action or claim for relief cognizable in the courts of the state of Washington or the United States of America to any third parties, and such provisions shall not be used as the basis for a lawsuit in any court of competent jurisdiction challenging the award of any contract by the City.

(Ord. 28141 Ex. A; passed Mar. 26, 2013: Ord. 28110 Ex. B; passed Dec. 4, 2012: Ord. 27867 Ex. A; passed Dec. 15, 2009)

3. The owner(s) of the company executes an Affidavit of Small Business Enterprise Certification and files it with the City which states that all information submitted on the SBE application is accurate, that the business has sought or intends to do business with the City and/or within the Pierce County area and has experienced or expects to experience difficulty competing for such business due to financial limitations that impair its ability to compete against larger firms; and
4. The company can demonstrate that it also meets at least one of the following additional requirements:
 - a. The company's business offices, or the personal residence of the owner, is located within a City of Tacoma designated Renewal Community/Community Empowerment Zone, prior to designation as a SBE, or

B. Application Process. The SBE Program Coordinator shall make the initial determination regarding certification or recertification. Each SBE applicant shall provide the following documents; as such documents are more fully described in the SBE Regulations, to the SBE Program Coordinator:

1. A completed Statement of Personal Net Worth form;
2. A completed, signed, and notarized Affidavit of Small Business Enterprise Certification that affirms compliance with the certification and documentation requirements of this section;

3. That the company demonstrates that the owner and/or designated employees have completed the minimum annual continuing business education training requirements set forth in the SBE Regulations.

D. Appeals. The applicant may appeal any certification determination by the SBE Program Coordinator under this chapter to the Director. The appeal must be made in writing and must set forth the specific reasons for the appeal. (Ord. 28274 Ex. A; passed Dec. 16, 2014; Ord. 28147 Ex. A; passed May 7, 2013; Ord. 28141 Ex. A; passed Mar. 26, 2013; Ord. 28110 Ex. B; passed Dec. 4, 2012; Ord. 27867 Ex. A; passed Dec. 15, 2009)

1.07.060 Program requirements.

A. Establishment of Annual SBE Goals. The SBE Regulations adopted pursuant to this chapter shall state reasonably achievable cumulative annual goals for utilization of SBEs in the provision of supplies, services, and public works procured by the City. Cumulative annual goals for the participation of SBEs in City contracts shall be based on the number of qualified SBEs operating within Pierce County or in a county that is adjacent to Pierce County or in a HUBZone in a county where the supplies, services and/or public works will be delivered or performed. The dollar value of all contracts awarded by the City to SBEs in the procurement of supplies, services, and public works shall be counted toward the accomplishment of the applicable SBE goal. The initial cumulative annual SBE goal for all public works, non-public works and improvements supplies and services procured by the City of Tacoma is 22 percent.

B. Revision of Annual SBE Goals. SBE utilization goals for supplies, services, and public works shall be reviewed annually to determine the total level of SBE participation reasonably attainable. If no certified SBEs are available to provide supplies, services, and/or public works, the dollar value of such supplies, services, or public works shall be exempt from the calculation of the cumulative annual goals set forth in the SBE Regulations. Proposed reduction of the cumulative annual SBE goals shall be in accordance with the SBE Regulations.

C. Application of SBE Goals to Contracts. The SBE Program Coordinator shall consult with City departments/divisions to establish the SBE goal for competitively solicited contracts of \$25,000 and above, in accordance with this chapter and the SBE Regulations. No SBE goal will be established if no certified SBEs are available to provide supplies, services and/or public works.

D. Waivers. City departments/divisions or the SBE Program Coordinator may request to waive one or more of the requirements of this chapter as they apply to a particular contract or contracts. Waivers may be granted in any one or more of the following circumstances:

1. Emergency: The supplies, services and/or public works must be provided with such immediacy that neither the City nor the contractor can comply with the requirements herein. Such emergency and waiver must be documented by the department/division awarding the contract.
2. Not Practicable: Compliance with the requirements of this chapter would impose an unwarranted economic burden or risk to the City after consideration of existing budgetary approvals.
3. Sole source: The supplies, services, and/or public works are available from only one source, and subcontracting possibilities do not reasonably exist as determined by the finance purchasing manager.
4. Government purchasing. The City is a party to or included in a federal, state or inter-local government purchasing agreement as approved by the finance purchasing manager.
5. Lack of SBEs: An insufficient number of qualified SBE contractors exist to create SBE utilization opportunities.
6. Best interests of the City: Waiver of SBE goals is in the best interests of the City due to unforeseen circumstances, provided that said circumstances are set forth in writing by the requestor.

E. Review of Waivers. A waiver determination by the finance purchasing manager may be reviewed by the Board of Contracts and Awards (C&A Board). The C&A Board may also review a request to reduce or waive the SBE utilization goals based on Not Practicable or Best Interests of the City circumstances. The C&A Board shall determine whether compliance with such goals would impose unwarranted economic burden on, or risk to, the City of Tacoma as compared with the degree to which the purposes and policies of this chapter would be furthered by requiring compliance. If the determination of the C&A Board does not resolve the matter, a final determination shall be made by the City Council or Public Utility Board, as the case may be.

(Ord. 28141 Ex. A; passed Mar. 26, 2013; Ord. 27867 Ex. A; passed Dec. 15, 2009)

1.07.070 Evaluation of submittals.

A. All submittals for a supplies, services, or public works and improvements contract valued at \$25,000 or more shall be evaluated for attainment of the SBE goal established for that contract in accordance with this chapter and the SBE Regulations.

B. The determination of SBE usage and the calculation of SBE goal attainment per this section shall include the following considerations:

1. General. The dollar value of the contract awarded by the City to a SBE in the procurement of supplies, services, or public works shall be counted toward achievement of the SBE goal.
2. Supplies. A public works and improvements contractor may receive credit toward attainment of the SBE goal for expenditures for supplies obtained from a SBE; provided such SBE assumes the actual and contractual responsibility for delivering the supplies with its resources. The contractor may also receive credit toward attainment of the SBE goal for the amount of the commission paid to a SBE resulting from a supplies contract with the City; provided the SBE performs a commercially useful function in the process.
3. Services and Public Works subcontracts. Any bid by a certified SBE or a bidder that utilizes a certified SBE shall receive credit toward SBE goal attainment based on the percentage of SBE usage demonstrated in the bid. A contractor that utilizes a SBE-certified subcontractor to provide services or public works shall receive a credit toward the contractor's attainment of the SBE goal based on the value of the subcontract with that SBE.
4. Brokers, Fronts, or Similar Pass-Through Arrangements. SBEs acting as brokers, fronts, or similar pass-through arrangements (as such terms are defined in the SBE Regulations) shall not count toward SBE goal attainment unless the activity reflects normal industry practices and the broker performs a commercially useful function.

C. Evaluation of competitively solicited submittals for public works and improvements and for services when a SBE utilization goal has been established for the contract to be awarded shall be as follows:

1. When contract award is based on price. The lowest priced bid submitted by a responsive and responsible bidder will be reviewed to determine if it meets the SBE goal. Such low bid shall be determined to meet the SBE goal if the bidder is a certified SBE.

a. If the low bidder meets the SBE goal, the bid shall be presumed the lowest and best responsible bid for contract award.

b. If the lowest priced bid does not meet the SBE goal, but the bid of any other responsive and responsible bidder does, and such other bid(s) is or are priced within five percent of the lowest bid, then the following formula shall be applied to each such other bid:

$$(\text{Base Bid}) \left[\frac{\text{SBE Usage Percentages}}{\text{SBE Goal Percentages}} \right] \times (.05 \times \text{Low Base Bid}) = \text{Evaluated Bid}$$

c. The lowest evaluated bid after applying said evaluation formula shall be presumed the lowest and best responsible bid for contract award.

d. In no event shall a bidder's evaluated bid price be adjusted more than 5 percent from its base bid price for purposes of contract award.

2. When contract award is based on qualifications or other performance criteria in addition to price. Solicitations shall utilize a scoring system that promotes participation by certified SBEs. Submittals by respondents determined to be qualified may be further evaluated based on price using the formula applicable to price based contract awards above. The SBE Regulations may establish further requirements and procedures for final selection and contract award, including:

- a. Evaluation of solicitations for Architectural and Engineering (A&E) services;
- b. Evaluation and selection of submittals in response to requests for proposals; and
- c. Selection of contractors from pre-qualified roster(s).

D. Evaluation of competitively solicited submittals for supplies when no SBE utilization goal has been established for the contract to be awarded shall encourage SBE participation as follows:

1. A submittal from a responsive certified SBE that is priced within five percent of the otherwise lowest responsive bid shall be recommended for award. Otherwise, the lowest responsive bidder shall be recommended for contract award.

E. The SBE Regulations may establish further SBE goal evaluation requirements and procedures for award of contracts between \$5,000 and \$25,000.00 and for non-competitively solicited contracts. City departments/divisions shall use due diligence to encourage and obtain SBE participation for supplies, services, and public works contracts under \$5,000.

1.07.080 Contract compliance.

A. The contractor awarded a contract based on SBE participation shall, during the term of the contract, comply with the SBE goal established in said contract. To ensure compliance with this requirement following contract award, the following provisions apply:

- 1. Any substitutions for or failure to utilize SBEs projected to be used must be approved in advance by the SBE Program Coordinator. Substitution of one SBE with another shall be allowed where there has been a refusal to execute necessary agreements by the original SBE, a default on agreements previously made or other reasonable excuse; provided that the substitution does not increase the dollar amount of the bid.
- 2. Where it is shown that no other SBE is available as a substitute and that failure to secure participation by the SBE identified in the solicitation is not the fault of the respondent, substitution with a non-SBE shall be allowed; provided, that, the substitution does not increase the dollar amount of the bid.
- 3. If the SBE Program Coordinator determines that the contractor has not reasonably and actively pursued the use of replacement SBE(s), such contractor shall be deemed to be in non-compliance.

B. Record Keeping. All contracts shall require contractors to maintain relevant records and information necessary to document compliance with this chapter and the contractor's utilization of SBEs, and shall include the right of the City to inspect such records.

The SBE Program Coordinator shall establish procedures to collect data and monitor the effect of the provisions of this chapter to assure, insofar as is practical, that the remedies set forth herein do not disproportionately favor one or more racial, gender, ethnic, or other protected groups, and that the remedies do not remain in effect beyond the point that they are required to

eliminate the effects of under utilization in City contracting. The SBE Program Coordinator shall have the authority to obtain from City departments/divisions, respondents, and contractors such relevant records, documents, and other information as is reasonably necessary to determine compliance.

B. The SBE Program Coordinator shall submit an annual report to the Community and Economic Development Director, Director of Utilities, and the City Manager detailing performance of the program. The report shall document SBE utilization levels, waivers, proposed modifications to the program, and such other matters as may be specified in the SBE Regulations.

The notice shall provide that each specified remedy becomes effective within ten business days of receipt unless the contractor appeals said action to the Hearing Examiner pursuant to Chapter 1.23 TMC.

C. When non-compliance with this chapter or the SBE Regulations has occurred, the SBE Program Coordinator and the department/division responsible for enforcement of the contract may allow continuation of the contract upon the contractor's development of a plan for compliance acceptable to the Director.

If this chapter has not been repealed by July 1, 2019, the City Council shall determine by the end of that year whether substantial effects or lack of opportunity of SBEs remain true in the relevant market and whether, and for how long, some or all of the requirements of this chapter should remain in effect.
