If, in the City's opinion, the material is subject to disclosure, the City will notify Respondent of the request and impending release and allow the Respondent 10 days to take whatever action it deems necessary to protect its interests. The City will cooperate with any legal action initiated by the Respondent to prevent release; provided that all expense of such action shall be borne solely by the Respondent, including any damages, attorney's fees or costs awarded by reason of having opposed disclosure and Respondent shall indemnify City against same. If the Respondent fails or neglects to take such action within said period, the City will release all materials deemed subject to disclosure. STANDARD TERMS AND CONDITIONS
SECTION 2 – SUPPLIES**

UNLESS OTHERWISE REQUIRED BY THE SPECIFICATION OR AGREED TO IN WRITING, THE FOLLOWING TERMS AND CONDITIONS SHALL GOVERN THE RIGHTS, RESPONSIBILITIES AND OBLIGATIONS OF THE PARTIES TO THE CONTRACT.

2.01 SUPPLIER

As used herein, the "Supplier" shall be the Respondent(s) awarded a contract pursuant to this Specification, whether designated as a Respondent, Seller, Vendor, Proposer, Bidder, Contractor, Merchant, Service Provider or otherwise.

2.02 ENTIRE AGREEMENT

This Specification, purchase orders issued by the City pursuant hereto, and the Supplier's submittal, in that order of precedence, shall constitute the "Contract" between the parties. Said documents represent the entire agreement between the parties and supersede any prior oral statements, discussions or understandings between the parties, and/or subsequent Supplier invoices. No modification of this Contract shall be effective unless mutually agreed in writing.

2.03 APPROVED EQUALS

Unless an item is indicated as "No substitute," special brands, when named, are intended to describe the standard of quality, performance or use desired. Equal items will be considered by the City, provided that the Supplier specifies the brand and model, and provides all descriptive literature, independent test results, specification sheets, schematic drawings, photographs, product samples, local servicing, parts availability, etc., to enable the City to evaluate the proposed equal. Performance testing in the field may be required.

The decision of the City as to what items are equal shall be final and conclusive. If the City elects to purchase a brand represented by the Supplier to be an "equal," the City's acceptance of the item is conditioned on the City's inspection and testing after receipt. If, in the sole judgment of the City, the item is determined not to be an equal, the item shall be returned at the Supplier's expense.

When a brand name or level of quality is not stated in the Supplier's submittal, it is understood the Supplier's submittal shall exactly confirm with those required in this Contract. If more than one brand name is stated in this Specification, Supplier(s) must indicate the brand and model/part number to be supplied.

2.04 PRICE, RISK OF LOSS, DELIVERY

A. Firm Prices/Risk of Loss

All prices shall remain firm during the term of this Contract. All prices shall be FOB, the place of destination (as defined in RCW 62A.2-319, as that statute may hereafter be amended), with freight prepaid and allowed (shipping costs included in unit prices), and risk of loss remaining with Supplier until delivery is tendered.

B. Delivery

Delivery will be to the designated addresses set forth in this Contract. Deliveries shall be between 9:00 a.m. and 3:30 p.m., Monday through Friday only, except holidays. Failure to make timely delivery shall be cause for termination of the order and return of all or part of the items at Supplier's expense except in the case of force majeure.

2.05 PACKING SLIPS, SHIPPING NOTICES AND INVOICES

Packing slips and shipping notices shall be sent to the specific City Division or Department receiving the item(s) and include complete description of items, contents of items if crated or cased, quantity, shipping point, carrier, bill of lading number and City of Tacoma purchase order.

Each invoice shall show City of Tacoma purchase order number, release number if applicable, quantity, unit of measure, item description, unit price and extended price for each line. Line totals shall be summed to give a grand total to which sales tax shall be added, if applicable. Invoices shall be sent in duplicate to:

Accounts Payable
City of Tacoma
P. O. Box 1717
Tacoma Washington 98401-1717

Any terms, provisions or language in Supplier's invoice(s) that conflict with the terms of this Contract shall not apply to this Contract unless expressly accepted in writing by the City.

2.06 PAYMENT TERMS

Payment shall be made through the City's ordinary payment process, and shall be considered timely if made within 30 days of receipt of a properly completed invoice. Payment will not be considered late if mailed or electronically disbursed within the time specified. Payment(s) made in accordance with this Contract shall fully compensate the Supplier for all risk, loss, damages or expense of whatever nature, and acceptance of payment shall constitute a waiver of all claims submitted by Supplier. All payments shall be subject to adjustment for any amounts, upon audit or otherwise, determined to have been improperly invoiced.

Invoices will not be processed for payment, nor will the period of cash discount commence, until all invoiced items are received and satisfactory performance of the Contract has been attained, and a properly completed invoice is received by the City. If an adjustment in payment is necessary due to damage or dispute, the cash discount period shall commence on the date final approval for payment is authorized.

2.07 INCREASE OR DECREASE IN QUANTITIES

The City reserves the right to increase or decrease the quantities of any item awarded pursuant to this Contract and pay according to the unit prices quoted in the submittal with no adjustments for anticipated profit.

2.08 EXTENSION OF CONTRACT

This Contract shall be subject to extension by mutual agreement per the same prices, terms and conditions.

2.09 ADDITIONAL CITY CONTRACTS

During the term of this Contract, other City of Tacoma Departments/Divisions shall have the right to enter into contracts or issue purchase orders based on the unit prices stated in this Contract.

2.10 COMPARATIVE PRICING

If at any time during the term of this Contract, the Supplier reduces prices to other buyers purchasing approximately the same quantities stated on this Contract, the Supplier will immediately notify the City of Tacoma purchasing manager of such fact, and the price(s) for future orders hereunder shall be reduced accordingly.

2.11 CHANGES

The City at any time by written change order may make reasonable changes in the place of delivery, installation or inspection, the method of shipment or packing, identification and ancillary matters that the Supplier may accommodate without substantial additional expense.

2.12 COOPERATIVE PURCHASING

The Washington State Interlocal Cooperation Act RCW 39.34 provides that other governmental agencies may purchase goods and services based on this Contract in accordance with the terms and prices indicated herein if all parties are agreeable. Each public agency shall formulate a separate contract with the Supplier, incorporating the terms and conditions of this Contract with the City of Tacoma. The City shall incur no liability in connection with such contracts or purchases by other public agencies thereunder. 2.15 DEFAULT

In the event of material default by the Supplier on any of the conditions of this Contract, the Supplier agrees that the City may, at its election, procure the goods or services from other sources, and may deduct from the unpaid balance due the Supplier, or collect against the bond or security (if any), or may invoice and recover from the Supplier all costs paid in excess of the price(s) set forth in this Contract. The prices paid by the City in good faith shall be considered the prevailing market price at the time such purchase is made.

2.16 TAXES, LICENSES, PERMITS

Unless otherwise required by applicable law, the tax provisions in Section 1 - Solicitation apply to this Contract. Except for state sales tax, the Supplier acknowledges that it is responsible for the payment of all taxes applicable to this Contract and the Supplier agrees to comply with all applicable laws regarding the reporting of income, maintenance of records and all other requirements and obligations imposed pursuant to applicable law.

The Supplier, at its expense, shall obtain and keep in force any and all necessary licenses and permits. The Supplier shall obtain a business license as required by Tacoma Municipal Code Subtitle 6B.20 and shall pay business and occupation taxes as required by Tacoma Municipal Code Subtitle 6A.30.

If the City is assessed, made liable, or responsible in any manner for taxes contrary to the provisions of this Contract, the Supplier agrees to hold the City harmless from such costs, including attorney's fees. In the event the Supplier fails to pay any taxes, assessments, penalties, or fees imposed by any governmental body, including a court of law, other than those taxes the City is required to pay, then the Supplier authorizes the City to deduct and withhold or pay over to the appropriate governmental body those unpaid amounts upon demand by the governmental body. It is agreed that this provision shall apply to taxes and fees imposed by City ordinance. Any such payments shall be deducted from the Supplier's total compensation.

2.17 FEDERAL, STATE AND MUNICIPAL LAWS AND REGULATIONS

The Supplier further covenants that, in performance of this Contract, no person having any such interest shall be employed.
