D. All bids/proposals must be signed by an authorized officer or employee of the Bidder/Proposer.

E. The City of Tacoma will not be responsible for any explanation interpretation of the RFB/RFQ/RFP documents, except if made by written addendum.

G. Submission of a facsimile bid/proposal in lieu of a mailed bid/proposal is at the option of the Bidder/Proposer unless otherwise stated in the RFB/RFQ/RFP. The City accepts no responsibility for transmission errors if transmitted by fax.

H. All bid/proposal prices must remain firm for acceptance by the City for a period of at least 60 calendar days from the RFB/RFQ/RFP opening date.

2. Bid/Proposal Withdrawal: No bid/proposal can be withdrawn after having been formally opened by a representative from the City Purchasing Office.

3. Shipping and Delivery: F.O.B. Point/Freight: All prices quoted shall be F.O.B. destination, freight prepaid and allowed. Failure to meet this requirement may result in your bid/proposal being rejected as non-responsive. 4. Payment Terms: Prices will be considered as net 30 if no cash discount is shown. Payment discount periods of twenty (20) calendar days or more will be considered in determining the apparent lowest responsible bid/proposal. Invoices will not be processed for payment nor will the period of the cash discount commence until receipt of a properly completed invoice and until all invoiced items are received and satisfactory performance of the contractor has been attained. If an adjustment in payment is necessary due to damage or dispute, the cash discount period shall commence upon the final approval for payment.

5. Terms and Conditions: All terms and conditions of the City of Tacoma Purchase Order form shall apply to contracts resulting from this RFB/RFQ/RFP.

6. Taxes:

A. The City of Tacoma is exempt from Federal excise tax.

B. The City of Tacoma is subject to Washington State Sales Tax.

C. Section 6A.30.060 of the Tacoma Municipal Code (TMC) provides that all transactions with the City of Tacoma, wherever consummated, are subject to the City's Business and Occupation Tax. 7. Increase or Decrease in Quantities/Extensions: The City reserves the right to increase or decrease the quantities of any item under this contract and pay according to the unit price in the RFB/RFQ/RFP. Unless otherwise specified in the solicitation, contracts resulting from this RFB/RFQ/RFP are subject to extension by mutual agreement at the same prices, terms and conditions.

8. Evaluation of Bids/Awards:

A. B. The City reserves the right to correct ambiguities and obvious errors in the Bidder/Proposer's proposal. In this regard, if the unit price does not compute to the extended total price, the unit price shall govern.

C. In the evaluation of bids/proposals, the Bidder's/Proposer's experience, delivery time, and responsibility in performing other contracts will be considered. In addition, the bid/proposal evaluation factors set forth in TMC Section 1.06.253 may be considered by the City as well as the tax revenue the City would receive from purchasing item(s) from a supplier or suppliers located inside or outside the boundaries of the City of Tacoma.

9. Approved Equivalents:

A. Unless an item is indicated "No Substitute," special brands, when named, are intended to describe the standard of quality, performance or use desired. Equivalent items will be considered by the City, provided that the Bidder/Proposer specifies the brand and model, and provides all descriptive literature, independent test results, product samples, etc., to enable the City to evaluate the proposed "equivalent."

B. The decision of the City as to what items are equivalent shall be final and conclusive. If the City elects to purchase a brand represented by the Bidder/Proposer to be an "equivalent," the City's acceptance of the item will be conditioned on the City's inspection and testing after receipt. If, in the sole judgment of the City, the item is determined not to be an equivalent, the item shall be returned at the Bidder/Proposer's expense and the contract canceled without any liability whatsoever to the City.

C. When a brand name or level of quality is not stated by the Bidder/Proposer, it is understood the offer is exactly as specified. If more than one brand name is specified, Bidder/Proposer must clearly indicate the brand and model/part number being bid/proposed.

10. Warranties/Guarantee: Bidder/Proposer warrants that all materials, equipment and/or services provided as a result of the RFB/RFQ/RFP shall be fit for the purpose(s) for which intended, for merchantability, and shall conform to the requirements and specifications of the RFB/RFQ/RFP; all items comply with all applicable safety and health standards established for such products by the Washington Industrial Safety and Health Act (WISHA), RCW Chapter 49.17, the U.S. Occupational Safety and Health Act (OSHA) and/or Consumer Products Safety Act, and all other applicable federal laws or agency rules; all items are properly packaged; and all appropriate instructions or warnings are supplied including any applicable MSDS sheets.

11. Legal Disputes: The sole venue of any legal action arising out of the Contract or any bids submitted in response to this RFB/RFQ/RFP shall be in the Pierce County Superior Court for the State of Washington and the interpretation of the terms of the Contract shall be governed by the laws of the State of Washington.

12. Contract Compliance Forms: TMC requires Bidder/Proposer's to submit proof and/or documentation of compliance with the City's requirements for equal economic opportunity and solicitation of Historically Underutilized Business subcontractors. If compliance forms are included with this RFB/RFQ/RFP, they must be fully and accurately completed and submitted at time of RFB/RFQ/RFP opening. Failure to do so may result in the bid/proposal being declared non-responsive. For compliance questions contact the City's Contract Compliance Office 747 Market Street, Tacoma, WA 98402, 253-591-5825.

13. Code of Ethics: TMC, Chapter 1.46, provides standards for certain unethical conduct by others including bidders and contractors. Violation of the City's code of ethics shall constitute a breach of contract, and will be grounds for termination of this contract.

14. Prevailing Terms and Conditions: Bidder/Proposer acknowledges and agrees that the terms and conditions stated herein shall control and prevail over any other conflicting terms and conditions Bidder/Proposer may present in connection with this Contract.
