- 1. 1111 N 4th Street – SITE VISIT at 5:30 P.M.** (North Slope Historic Special Review District)
Exterior Siding

Background:

On September 22, 2010, the Commission approved an application for exterior changes as part of an overall remodel on the property due to unpermitted work made by the previous owners. On April 27, 2011, the Commission approved a revision to remove a chimney.

Additional challenges during the remodel resulted in the new owner recently requesting a site visit by the Commission. The site visit is to provide background information as the owner prepares a request for consideration of a revision to their approved plans.

The purpose of this meeting is for background information as well as solicit feedback and guidance.

No action will be taken at this meeting.

Reuben McKnight
Historic Preservation Officer
