RESOLUTION NO.: 38697
ITEM NO.: 1
MEETING DATE: JULY 23, 2013

DATE: July 3, 2013
TO: Board of Contracts and Awards
SUBJECT: Fast Attack Fireboat for Tacoma Fire Department
Budgeted from Fire Misc Revenue 1090 Fund
Request for Proposals Specification No. FD13-0342F

RECOMMENDATION: The Tacoma Fire Department (TFD) recommends a contract be awarded to MetalCraft Marine, Inc., Cape Vincent, New York, for purchase of a 50-foot aluminum hull, water jet driven, CBRNE (chemical, biological, radiological, nuclear, explosives) equipped fast attack fireboat. The recommendation is for a one-time purchase in the amount of $1,900,000, plus sales tax.

EXPLANATION: TFD currently maintains the Fireboat Commencement as its front line marine firefighting vessel. The Commencement is now in its 30th year of service to the community and was retrofitted in 2005 to extend the useful service life. Most marine firefighting vessels have a replacement cycle of 25 to 30 years of service, and the age of the Commencement is approaching this milestone. To meet future marine firefighting needs, the Fire Department began seeking funds to purchase a replacement vessel. The Fire Department applied for FY 2011 Port Security Grant funding to replace the Commencement and was awarded $1,800,000 to purchase a 50-foot modern aluminum hulled vessel with marine firefighting capabilities equal to or greater than the current fireboat. This is one-time federal funding with an end date of May 31, 2014.

COMPETITIVE SOLICITATION: Request for Proposals Specification No. FD13-0342F was opened June 25, 2013. Ten companies were invited to bid in addition to normal advertising of the project. Two submittals were received. The selection advisory committee reviewed the submittals using the criteria published in the specification. The results are summarized below.

CONTRACT HISTORY: New contract.

SUSTAINABILITY EFFORTS: Sustainability programs or activities and environmental plans were required to be submitted by each respondent. Proposals were scored and awarded up to 10 percent of the total available points for efforts in this area. MetalCraft Marine was honored with the Business of the Year Award in 2011 by the Greater Kingston Chamber of Commerce and the Sustainable Energy Innovation Award in 2012 by SWITCH-Kingston's alternative...
energy cluster. They operate an integrated environmental management system that operates in compliance with all relevant environmental legislation, and they strive to be an industry leader and take proactive measures to reduce impact on the environment.

**FUNDING:** Funds for this contract are available in the Fire Misc Special Revenue 1090 Fund, and $1,800,000 is made available through FEMA Port Security Grant Program FY 2011 Funding.

A RESOLUTION relating to the disposition of surplus property and community and economic development; authorizing the execution of an Amendment to a Purchase and Sale Agreement and Restrictive Covenant with 4 Rent Check.com, LLC, allowing the buyer a 90 day extension to close on the sale.

WHEREAS, on March 19, 2013, the City Council adopted Resolution No. 38644, approving the sale of the former Swan Creek Library to 4 Rent Check.com, LLC, represented by Darren Gill (“Gill”), and the parties subsequently entered in a purchase and sale agreement which allowed Gill 90 days from the date of Council approval to close on the purchase of the property, and

WHEREAS, since that time, Gill has been diligently seeking financing to acquire the property and rehabilitate the building for use and operation as a day care center and estimates that it will cost approximately $200,000 to repair the facility and make the necessary improvements for use as a day care center, and

WHEREAS, unfortunately, as a small new business, Gill has had challenges securing conventional financing for the project and as yet, he has been unable to secure the funding necessary to complete the project, and

WHEREAS, at this time, Gill is working to obtain nonprofit and public sector loans to finance the project through 'Craft3', a non-profit community development financial institution, which provides loans to entrepreneurs who do not normally have access to financing, and

WHEREAS, in addition, Gill is working through the underwriting process to take advantage of the City's Community Capital Development, Business Revolving Loan Fund, and Fire Safety Loan Programs, and
WHEREAS, despite the proposed extension to closing, Gill plans to meet the
10-14 month project schedule included in his original proposal; Now, Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

Section 1. That the proper officers of the City are hereby authorized to
execute an Amendment to the Purchase and Sale Agreement and Restrictive
Covenant with 4 Rent Check.com, LLC, allowing the buyer a 90 day extension to
close on the sale of the Property.

RESOLUTION NO. 38699

A RESOLUTION relating to collective bargaining; authorizing the execution of the proposed collective bargaining agreement between the City and the United Transportation Union, Yardmasters Unit, effective retroactive January 1, 2012 through December 31, 2018.

WHEREAS the City has, for years, adopted the policy of collective bargaining between the various labor organizations representing employees and the administration, and

WHEREAS this resolution allows for the execution of the proposed six-year (2012–2018) Collective Bargaining Agreement (“CBA”) between the City and the United Transportation Union, Yardmasters Unit, on behalf of the employees represented by said Union, and

WHEREAS the bargaining unit consists of approximately five full-time equivalent (“FTE”) positions, assigned to Tacoma Rail (“Rail”), and

WHEREAS the proposed CBA includes: (1) a wage increase in the amount of $1.25 per hour, effective January 1st for each year of the agreement from 2014 through 2018, which amount represents an increase of between 2.7 to 3 percent of Yardmaster base wages each year; and (2) the creation and implementation of an employer-paid matching contribution to an employee deferred compensation account, beginning in 2014, of an amount up to 2 percent or up to 3 percent of a Yardmaster and Extra Board Yardmaster base salary, said employer-paid matching contribution to be determined by the prior year’s financial performance of Rail, and
WHEREAS, should it be determined that Rail posts a negative net income for the prior year, a maximum employer-paid matching deferred compensation contribution of up to 2 percent of base salary will be made, and

WHEREAS, should it be determined that Rail posts a positive net income for the prior year, a maximum employer-paid matching deferred compensation contribution of up to 3 percent of base salary will be made, and

WHEREAS, by adoption of Public Utility Board Resolution No. U-10638, the proposed CBA was approved, pending confirmation from the City Council, and

WHEREAS it now appears in the best interest of the City that the proposed CBA negotiated by said Union and the City be approved; Now, Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

That the proper officers of the City are hereby authorized to execute the Collective Bargaining Agreement between the City and the United Transportation Union, Yardmasters Unit, effective retroactive January 1, 2012
through December 31, 2018, said document to be substantially in the form of
the proposed agreement on file in the office of the City Clerk.

Requested by Public Utility Board
Resolution No. U-10638
A RESOLUTION providing for the submission of a proposition to the electors of the City of Tacoma, at the General Election to be held on November 5, 2013, authorizing the City to levy an additional 2 percent earnings tax on utility companies, from the current rate of 6 percent to a new rate of 8 percent, for the sole purpose of funding citywide street maintenance improvements and safety upgrades in the City of Tacoma; setting forth the ballot proposition; and directing the City Clerk to transmit to the Pierce County Auditor a certified copy of this resolution.

WHEREAS the City Council has identified infrastructure improvement as one of its Strategic Goals, and

WHEREAS infrastructure improvement and road maintenance were identified as major concerns by citizens during budget input discussions, and

WHEREAS adequate and dedicated funding to preserve and maintain City streets continues to be a significant challenge for the City, and

WHEREAS the City Council and Council-appointed task forces have consistently identified the issue of sustainable, dedicated funding for basic maintenance of City and neighborhood streets; safety upgrades; pothole repairs; repaving of streets and arterials; bridge maintenance and repairs; and safety improvements at intersections, sidewalks, and crosswalks near schools as a top priority, and

WHEREAS RCW 35.21.870 permits cities to levy a tax on the privilege of conducting utility businesses such as electrical energy, natural gas, or telephone business, and

WHEREAS the City currently levies a 6 percent tax on utility company earnings, and
WHEREAS state law authorizes a utility tax exceeding 6 percent when approved by a majority of voters, and

WHEREAS, if approved by the voters, the funds raised by the increase in the utility earnings tax will be used exclusively to finance citywide street maintenance improvements and safety upgrades, and

WHEREAS the City Council deems it necessary to submit to the qualified electors a proposed tax increase of 2 percent on utility company earnings, from the current rate of 6 percent to a new rate of 8 percent, to generate between $10-$11 million annually for the sole purpose of funding street maintenance improvements and safety upgrades as described herein; Now, Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

Section 1. That the Pierce County Auditor, as ex officio supervisor of elections in Pierce County, Washington, is hereby requested to submit to the qualified electors of the City of Tacoma, for their approval or rejection at the General Election to be held on November 5, 2013, a proposition authorizing an additional 2 percent earnings tax on utility businesses for the sole purpose of financing street maintenance improvements and safety upgrades in the City of Tacoma.

Section 2. The City shall submit a proposition to the electorate of the City of Tacoma in the form substantially as follows:
CITY OF TACOMA PROPOSITION NO. 1

2% Earnings Tax on Utility Companies for Tacoma Street Improvements

If approved, this proposition would fund basic maintenance and safety upgrades for city roads, arterials, and bridges; permanent pothole repairs; pedestrian safety improvements to crosswalks near schools, sidewalks, and intersections; repaving neighborhood streets; improved signal timing; and repairs to bridges. Shall the City of Tacoma, pursuant to RCW 35.21.870, levy an additional 2% earnings tax on natural gas, electric, and phone companies for the sole purpose of funding Tacoma-wide street maintenance improvements and safety upgrades?

[ ] Approved? . . . . . . . . . . . .
[ ] Rejected? . . . . . . . . . . . .

Section 3. That, prior to August 6, 2013, the City Clerk shall certify to the Pierce County Auditor, as ex officio supervisor of elections, a certified copy of this resolution, together with a proposition substantially in the form set forth above, for the November 5, 2013, General Election.

AN ORDINANCE authorizing the City of Tacoma, Department of Public Utilities, Water Division, to enter into a water supply agreement with Niagara Bottling, LLC, which includes a temporary contract water service rate in return for minimum purchase quantities, for a period of five years.

WHEREAS the City of Tacoma, Department of Public Utilities, Water Division (d.b.a. “Tacoma Water”) has been engaged in discussions with Niagara Bottling, LLC in an effort to establish terms relating to large volumes of water supply for a bottling plant that Niagara Bottling, LLC seeks to build in the Frederickson area south of the City of Tacoma, and

WHEREAS, in view of Tacoma Water’s surplus water supply, new water demands like those of Niagara Bottling, LLC will provide significant additional revenue at very little additional supply risk, and

WHEREAS Tacoma Water has been working to provide an incentive to Niagara Bottling, LLC for choosing to locate in Tacoma’s service territory, given that Niagara Bottling, LLC has identified a number of viable alternative sites, and

WHEREAS, in order to provide incentive and retain a cost of service basis for the rates and charges paid by Niagara Bottling, LLC for water service, Tacoma Water has developed a rate that is reduced from the applicable “Commercial and Industrial – Large Volume” rate set forth in Tacoma Municipal Code 12.10.400, which reduction is designed to reflect the value of minimum purchases that Niagara Bottling, LLC will be obligated to make during the five-year term of the agreement even if no water is taken by the company, and
WHEREAS Niagara Bottling, LLC has estimated demands up to one million gallons per day, which would translate into over $800,000 per year of additional non-budgeted water sales revenue in addition to system development charge revenues, and

WHEREAS the Public Utility Board approved the proposed agreement with Niagara Bottling, LLC at its meeting of June 26, 2013; Now, Therefore,

BE IT ORDAINED BY THE CITY OF TACOMA:

Section 1. That the proper officers of the City are hereby authorized to enter into a water supply agreement with Niagara Bottling, LLC, which includes a temporary contract water service rate in return for minimum purchase quantities, for a period of five years, said document to be substantially in the form of the proposed agreement on file in the office of the City Clerk.

Section 2. That the temporary contract water service rates set forth in the proposed agreement are hereby approved for a five-year period to commence July 1, 2014, through June 30, 2019.
