The authorized execution of the Certificate of Authentication shall be conclusive evidence that the Subordinate Bond so authenticated has been duly executed,
authenticated, and delivered and is entitled to the benefits of this Subordinate Ordinance.

In case any of the officers who shall have signed or attested any of the Subordinate Bonds shall cease to be such officers before the Subordinate Bonds so signed or attested shall have been actually delivered, such Subordinate Bonds shall be valid nevertheless and may be issued by the City with the same effect as though the persons who had signed or attested such Subordinate Bonds had not ceased to be such officers.

Section 4.2. Temporary Bonds. Prior to the preparation of definitive Subordinate Bonds the City may issue and deliver temporary Subordinate Bonds in registered form and in such denominations as the City may determine but otherwise in substantially the form provided for such definitive Subordinate Bonds with appropriate variations, omissions and insertions. (b) **Registered Ownership.** The City and the Bond Registrar may deem and treat the registered Owner of each Subordinate Bond as shown on the Bond Register as the absolute owner thereof for all purposes, and neither the City nor the Bond Registrar shall be affected by any notice to the contrary. Payment of any such Subordinate Bond made as provided herein shall be valid and shall satisfy the liability of the City upon such Subordinate Bond to the extent of the amount so paid.

(c) **Bond Registrar's Ownership of Subordinate Bonds.** The Bond Registrar may become the registered owner of any Subordinate Bond with the same rights it would have if it were not the Bond Registrar, and to the extent permitted by law, may act as depository for and permit any of its officers or
directors to act as member of, or in any other capacity with respect to, any
committee formed to protect the rights of the registered owners of the
Subordinate Bonds.

(d) Transfer or Exchange of Registered Ownership; Change in
Denominations. The registered ownership of any Subordinate Bond may be
transferred or exchanged, but no transfer of any Subordinate Bond shall be
valid unless it is surrendered to the Bond Registrar with an assignment in a
form satisfactory to the Bond Registrar duly executed by the Owner or such
Owner's duly authorized agent in a manner satisfactory to the Bond Registrar.

Upon such surrender, the Bond Registrar shall cancel the surrendered
Subordinate Bond and shall authenticate and deliver, without charge to the
Owner or transferee, a new Subordinate Bond (or Subordinate Bonds at the
option of the new Owner) of the same series, date, maturity, and interest rate
and for the same aggregate principal amount in any authorized denomination,
naming as Owner the person or persons listed as the assignee on the
assignment form, in exchange for such surrendered and canceled Subordinate
Bond. Any Subordinate Bond may be surrendered to the Bond Registrar and
exchanged, without charge, for an equal aggregate principal amount of
Subordinate Bonds of the same series, date, maturity, and interest rate in any
authorized denomination. The Bond Registrar shall not be obligated to transfer
or exchange any Subordinate Bond during a period beginning at the opening of
business on the 15th day of the month next preceding any interest payment
date and ending at the close of business on such interest payment date, or, in
the case of any proposed redemption of the Subordinate Bonds, after the
mailing of notice of the call of such Subordinate Bonds for redemption.

(e) **Place and Medium of Payment.** Both principal of and interest on
the Subordinate Bonds shall be payable in lawful money of the United States of
America. Interest on the Subordinate Bonds shall be paid by checks or drafts
mailed by the Bond Registrar on the interest payment date to the registered
Owners at the addresses appearing on the Bond Register on the 15th day of
the month preceding the interest payment date or, at the request of an owner of
$1,000,000 or more in aggregate principal amount of Bonds, by wire transfer to
an account in the United States designated in writing by such owner prior to the
record date. Principal of the Subordinate Bonds shall be payable upon
presentation and surrender of the Subordinate Bonds by the registered Owners
at the principal office of the Bond Registrar at the option of the owners.
Notwithstanding the foregoing, as long as the Subordinate Bonds are registered

discontinuation; or (ii) the City determines that continuation of the book-entry
system through the Securities Depository is not in the best interest of the City or
the Beneficial Owners of such series of Subordinate Bonds.

(d) In the event a successor Securities Depository is appointed by the
City, such series of Book-Entry Bonds will be registered in the name of such
successor Securities Depository or its nominee. In the event certificates are
required to be issued to Beneficial Owners, the Trustee and the City shall be
fully protected in relying upon a certificate of the Securities Depository or any
participant of the Securities Depository as to the identity of and the principal
amount of Book-Entry Bonds held by such Beneficial Owners.

certificates except as provided herein. All Book-Entry Bonds shall be registered

otherwise transferring beneficial ownership interests in Book-Entry Bonds will
receive, hold or deliver any certificate representing such beneficial ownership
interests. The City and the Trustee shall have no responsibility or liability for
transfers of beneficial ownership interests in Book-Entry Bonds.

(f) The City and the Trustee will recognize the Securities Depository
or its nominee as the Owner of Book-Entry Bonds for all purposes, including
receipt of payments, notices and voting; provided, that the Trustee may
recognize votes by or on behalf of Beneficial Owners as if such votes were
made by Owners of a related portion of the Subordinate Bonds when such
votes are received in compliance with an omnibus proxy of the Securities
Depository or otherwise pursuant to the rules of the Securities Depository or the
provisions of the Letter of Representations or other comparable evidence
delivered to the Trustee.

(g) Neither the City nor the Trustee shall have any responsibility or
obligation with respect to (i) the accuracy of the records of any Securities
Depository or any other Person with respect to any ownership interest in Book-
Entry Bonds, (ii) the delivery to any Person, other than an Owner, of any notice
with respect to Book-Entry Subordinate Bonds, including any notice of
redemption or refunding, (iii) the selection of the particular Subordinate Bonds
or portions thereof to be redeemed or refunded in the event of a partial
redemption or refunding of part of the Subordinate Bonds Outstanding or

Bonds are mutilated, lost, stolen or destroyed, the City shall execute and the
Bond Registrar shall authenticate and deliver a new Subordinate Bond or
Subordinate Bonds of like series, amount, maturity and tenor to the Owner upon

Partial Redemption. If less than all of a series of Subordinate Bonds are
called for redemption, they shall be redeemed from maturities in such order as
determined by the City, and by lot within any maturity subject to selection by the
Trustee as provided below. The portion of any Subordinate Bond to be
redeemed shall be an authorized denomination and in selecting Subordinate
Bonds for redemption, each Subordinate Bond shall be considered as
representing that number of Subordinate Bonds which is obtained by dividing
the principal amount of such Subordinate Bond by the minimum authorized
denomination thereof. If less than all of the outstanding principal amount of any
Subordinate Bond is redeemed, upon surrender of that Subordinate Bond to the
Bond Registrar, there shall be issued to the Owner, without charge, a new
Subordinate Bond (or Subordinate Bonds, at the option of the Owner) of the
same series, maturity and interest rate in any authorized denomination in the
aggregate principal amount remaining unredeemed. The principal portion of
any Subordinate Bond registered in the name of the Securities Depository

40 days prior to the date fixed for redemption or such shorter time as may be
acceptable to the Trustee. While a Subordinate Bond is registered in the name
of the Securities Depository, notice of redemption shall be given as required in
accordance with the Letter of Representations. If a Subordinate Bond ceases
to be held in book-entry form, unless waived by the Owner of the Subordinate
Bond to be redeemed, the City shall cause notice of an intended redemption of
Subordinate Bonds to be given by the Bond Registrar not less than 20 nor more
than 60 days prior to the date fixed for redemption by first-class mail, postage
prepaid, to the Owner of each Subordinate Bond to be redeemed at the address appearing on the Bond Register. In addition, the redemption notice shall be mailed or sent electronically within the same period to (i) the Rating Agencies, (ii) nationally recognized clearing agencies for municipal bonds, and (iii) nationally recognized information services with respect to municipal bond redemptions, but these additional notices shall not be a condition precedent to the redemption of a Subordinate Bond.

Any notice of optional redemption that is so rescinded shall be of no effect, and a Subordinate Bond for which a notice of optional redemption has been rescinded shall remain outstanding.
Section 5.4. Effect of Redemption. Interest on Subordinate Bonds called for redemption shall cease to accrue on the date fixed for redemption, unless either the notice of redemption is rescinded as set forth above, or money sufficient to effect such redemption is not on deposit in the Bond Fund (or in an irrevocable escrow account established to refund or defease the Subordinate Bonds redeemed).

Section 5.5. Open Market Purchases. The City reserves the right to purchase any or all of the Subordinate Bonds in the open market at any time at any price acceptable to the City. The principal amount of Term Bonds purchased and delivered to the Trustee for cancellation pursuant to this Section may be credited against future Sinking Fund Requirements as the City shall specify in writing to the Trustee.

Year thereafter shall not be increased by more than $5,000 by reason of the
issuance of such Subordinate Bonds.

(d) **Consulting Engineer Projections.** (i) The Consulting Engineer
may base its projection of Net Revenues in each Fiscal Year on such factors as
he, she or it shall consider reasonable.
(ii) The Consulting Engineer shall base its projection of Annual Debt Service in each Fiscal Year on the then Outstanding Senior Bonds and Subordinate Bonds plus any Senior Bonds or Subordinate Bonds which are projected to be issued during the period covered by such certificate to complete construction of facilities financed by such Outstanding Senior Bonds and Subordinate Bonds and the Subordinate Bonds proposed to be issued.

(e) Refunding of All Subordinate Obligations; Junior Lien Obligations.

Nothing contained herein shall prevent the City from refunding at one time all of the Subordinate Bonds then outstanding. Nothing contained herein shall prevent the City from issuing obligations payable from a pledge, lien and charge on Revenues that is junior and subordinate to the Subordinate Bonds.

Section 6.2. Additional Conditions for Issuance of Subordinate Bonds. Each series of Subordinate Bonds shall be executed by the City and delivered to the Trustee and thereupon authenticated by the Trustee only upon receipt by the Trustee of the following additional items:

(a) A copy of this Subordinate Ordinance, including the Supplemental Ordinance authorizing the issuance of such series of Subordinate Bonds, certified by the City Clerk;

(b) A written opinion of Bond Counsel to the effect that (i) such series of Subordinate Bonds are valid and binding limited obligations of the City, and (ii) the Subordinate Ordinance, including the Supplemental Ordinance authorizing the issuance of such series of Subordinate Bonds, has been duly passed and is a valid and binding obligation of the City;
(c) An Order of the City as to the delivery of such series of Subordinate Bonds;

(d) A Certificate of the City stating that (i) no Event of Default, nor any event or condition which with notice and/or the passage of time would constitute an Event of Default, has occurred and is continuing under this Subordinate Ordinance as of the date of issuance of such series of Subordinate Bonds and (ii) the issuance of such series of Bonds, in and of itself, will not cause an Event of Default under this Subordinate Ordinance; and

(e) The deposit into the Reserve Account or other reserve account for such series of Subordinate Bonds of money, Permitted Investments, or a Reserve Account Facility or any combination of the foregoing in an aggregate amount equal to the Reserve Account Requirement or other reserve account requirement, if any, for such series of Subordinate Bonds.

(f) The Finance Director and the Consulting Engineer, as appropriate, shall include in any Certificate delivered pursuant to this Section a description of the assumptions, analyses, methodologies, and statistical and other information from the City or third persons used in producing its projections of Net Revenues.

Section 6.3. Payment Agreements.

(a) The City may enter into a Payment Agreement with respect to Subordinate Bonds if the City delivers to the Trustee:

(i) the certificate required by Section 6.1(b)(i) or (ii), taking into account the City Payments and Reciprocal Payments obligated to be made
thereunder with respect to such Subordinate Bonds as adjustments to the
interest payable on such Subordinate Bonds; and

(ii) an opinion of Bond Counsel to the effect that the Payment
Agreement has been duly authorized by the City, is authorized and permitted by
this Subordinate Ordinance, and is a valid and binding obligation of the City,
and will not adversely affect the excludability for federal income tax purposes of
the interest on any Tax-Exempt Bonds.

(b) If the City enters into a Payment Agreement with respect to
Subordinate Bonds, any net City Payments shall be made from the Interest
Account in the Bond Fund and Reciprocal Payments shall be deposited in the
Interest Account in the Bond Fund.

(c) Payments by the City under the Payment Agreement other than
City Payments, including any termination payments, shall be payable and
secured on a basis junior and subordinate to the Subordinate Bonds.

ARTICLE VII

CONTRACT RESOURCE OBLIGATIONS

Section 7.1. Creation of Separate Systems. The City may create,
acquire, construct, finance, own and operate one or more additional electric
utility systems for the generation or transmission of electric power and energy.
The City may declare any such system to be a separate utility system the
revenues of which may be pledged to the payment of revenue obligations
issued to finance such separate utility system. The City may provide by
Supplemental Ordinance that the costs associated with any such separate utility
system shall, upon compliance with Section 7.2, constitute a Contract Resource Obligation.

Section 7.2. Contract Resource Obligations. The City may enter into or undertake a Contract Resource Obligation if the following requirements are met at the time the Contract Resource Obligation is incurred:

(a) No Event of Default has occurred and is continuing.

(b) There shall be on file with the Trustee a certificate of the Consulting Engineer in the form provided in Section 6.1(b)(ii) with respect to such Contract Resource Obligation.

(c) There shall be on file with the Trustee a written opinion of the Consulting Engineer to the following effects:

(i) If the Contract Resource Obligation is for power, energy, capacity or reserves, that (A) such Contract Resource Obligation is sound from a power supply planning standpoint, and is technically and economically feasible in accordance with prudent utility practice; and (B) the estimated cost thereof is reasonable.

(ii) If the Contract Resource Obligation is for transmission services, that (A) such Contract Resource Obligation will be necessary or desirable within a reasonable time after the estimated date of commercial operation of the related transmission facilities; and (B) the estimated cost thereof is reasonable.
ARTICLE VIII
SPECIAL FUNDS AND ACCOUNTS

Section 8.1. Revenue Fund.

(a) The City of Tacoma Electric System Revenue Fund has heretofore been created and shall be continued. The City covenants and agrees that it will pay or cause to be paid all Revenues into the Revenue Fund as promptly as practicable after receipt thereof. The Revenues in the Revenue Fund shall be held by the City in trust for the equal and ratable benefit of Owners of the Senior Bonds and the Subordinate Bonds subject to application thereof in accordance with the provisions of the Senior Bond Ordinance and this Subordinate Ordinance. The City will hold the Revenue Fund separate and distinct from all other funds of the City.

(b) There have heretofore been created and there shall be continued in the Revenue Fund two accounts known as (i) the General Account and (ii) the Operating Account, which accounts shall be held and used for the purposes hereinafter described. The Revenues paid into the Revenue Fund shall first be credited to the General Account and thereafter applied and used only for the following purposes and in the following order of priority:

First, to make all payments required to be made into the Operating Account to pay Operating Expenses;

Second, to make all payments required to be made into the Bond Fund established by the Senior Bond Ordinance with respect to the Senior Bonds;
Third, to make all payments required to be made pursuant to a Qualified Letter of Credit or Qualified Insurance with respect to the Senior Bonds, unless such payments are contractually obligated to be paid under Second, above;

Fourth, to make all payments required to be made into the Interest Account in the Bond Fund for the payment of accrued interest on the next interest payment date;

Fifth, to make all payments required to be made into the Principal Account in the Bond Fund for the payment of the maturing principal amount of Bonds next coming due, and into the Bond Retirement Account in the Bond Fund for the mandatory redemption of Term Bonds;

Sixth, to make all payments required to be made to pay or reimburse a Credit Provider pursuant to the terms of any Credit Facility with respect to such Subordinate Bonds, unless such payments are obligated to be paid under Fourth through Fifth, above;

Seventh, to make all payments required to be made into the Reserve Account in the Bond Fund created to secure the payment of the Subordinate Bonds, including any amounts necessary to pay or reimburse a Reserve Account Facility Provider pursuant to a Reserve Account Facility;

Eighth, to make all payments required to be made into any special fund or account created to pay or secure the payment of the principal of and interest on any revenue bonds, warrants, or other revenue obligations of the City having a lien upon Net Revenues and money in the Revenue Fund and accounts
therein junior and inferior to the lien thereon for the payment of the principal of
and interest on the Subordinate Bonds;

    Ninth, to pay any taxes (or payments in lieu of taxes) upon the properties
or earnings of the Electric System payable to the City;

    Tenth, to deposit into the Rate Stabilization Fund the amounts budgeted
or appropriated to be deposited therein; and

    Eleventh, for any other lawful purpose of the City related to the Electric
System.

    Notwithstanding the foregoing, so long as any Senior Bonds are
Outstanding, the obligation of the City to deposit Revenues into the bond funds
established under the Senior Bond Ordinance shall have priority over the
foregoing obligation of the City to deposit Revenues into the Bond Fund.

Section 8.2. Bond Fund.

    (a) Creation. There is hereby created a special fund of the City
designated as the "Electric System Subordinate Revenue Bond Fund" (the
"Bond Fund"). The Bond Fund shall be used solely for the purposes of paying
the principal of, premium, if any, and interest on Subordinate Bonds, and
retiring Subordinate Bonds prior to maturity in the manner provided herein or in
any Supplemental Ordinance. The Bond Fund shall contain four accounts: the
Interest Account, the Principal Account, the Bond Retirement Account, and the
Reserve Account. At the option of the City, separate subaccounts may be
created in the Bond Fund for the purpose of paying or securing the payment of
principal of, premium, if any, and interest on any Subordinate Bonds.
(b) **Deposits from Revenues.** The City hereby obligates and binds itself irrevocably to set aside and to pay into the Bond Fund out of the Revenues certain fixed amounts, without regard to any fixed proportion of such Revenues, sufficient (together with other available funds on hand and paid into the Bond Fund) to pay the principal of, premium, if any, and interest on all Subordinate Bonds from time to time Outstanding as the same respectively become due and payable, either at the maturity thereof or in accordance with the terms of any Sinking Fund Requirement established for the retirement of Term Bonds. The fixed amounts to be paid into the Bond Fund, to the extent that such payments are not made from bond proceeds or from other money that may legally be available therefor, shall be as follows and in the following order of priority:

(i) No later than the day on which an installment of interest falls due on any Subordinate Bonds, the City shall pay into the Interest Account in the Bond Fund (together with such other money as is on hand and available in such account) an amount equal to the installment of interest then falling due on all outstanding Subordinate Bonds.

(ii) No later than the date upon which maturing principal of Subordinate Bonds comes due, the City shall pay into the Principal Account in the Bond Fund an amount (together with such other money as is on hand and available in such account) equal to the principal then coming due on all outstanding Subordinate Bonds.
(iii) No later than the date upon which a sinking fund installment on Term Bonds falls due, the City shall pay into the Bond Retirement Account in the Bond Fund an amount (together with such other money as is on hand and available in such account) equal to the Sinking Fund Requirement for such date.

(c) Application. The City shall apply all the money paid into the Bond Retirement Account to the redemption of Term Bonds on the next ensuing Sinking Fund Requirement due date pursuant to the terms of the applicable Supplemental Ordinance. The City may apply the money paid into the Bond Retirement Account for the purpose of retiring Term Bonds by the purchase of such Bonds in the open market at a purchase price (including any brokerage charge) not in excess of the principal amount thereof, in which event the principal amount of such Term Bonds so purchased shall be credited against any Sinking Fund Requirement next coming due.

Money in the Bond Fund shall be transmitted to the Paying Agent in amounts sufficient to pay the principal of, premium, if any, and interest on the Subordinate Bonds when due. All money remaining in the Bond Fund after provision for the payment in full of the principal of, premium, if any, and interest on all Outstanding Subordinate Bonds shall be returned to the Revenue Fund.

The Bond Fund shall be drawn upon solely for the purpose of paying the principal of, premium, if any, and interest on Subordinate Bonds or paying or reimbursing Credit Providers for such payments if so provided in the Supplemental Ordinance with respect to a series of Subordinate Bonds. Money
set aside from time to time with the Paying Agent for such payment shall be held in trust for the Owners of the Subordinate Bonds in respect of which the same shall have been so set aside. Until so set aside, all money in the Bond Fund shall be held in trust for the benefit of the Owners of all Subordinate Bonds at the time outstanding equally and ratably.

Notwithstanding any provision of this Subordinate Ordinance to the contrary, if and to the extent provided in a Supplemental Ordinance, (i) deposits may be made by the City into the Bond Fund and the accounts therein for the purpose of providing for City Payments with respect to Subordinate Bonds of a series, (ii) Reciprocal Payments may be deposited into the Bond Fund and the accounts therein, (iii) City Payments may be made out of the Bond Fund and the accounts therein, (iv) City Payments may be secured by amounts in the Reserve Account, and (v) the Reciprocal Payor may be granted a pledge of, lien on and security interest in such Bond Fund to secure such City Payments.

Notwithstanding any provision of this Subordinate Ordinance to the contrary, so long as any Senior Bonds are Outstanding, the obligation of the City to deposit Revenues into the bond funds established under the Senior Bond Ordinance shall have priority over the obligation of the City to deposit Revenues into the Bond Fund.

**Section 8.3. Reserve Account.**

(a) **Funding of Reserve Account.** Except as otherwise provide in the Supplemental Ordinance authorizing the issuance of Subordinate Bonds, following the issuance of such Subordinate Bonds the City shall make
approximately equal monthly payments into the Bond Fund for credit to the
Reserve Account from the money in the Revenue Fund so that by no later than
five years from the date of issuance of such Subordinate Bonds there will be
credited to the Reserve Account an amount, together with amounts already on
deposit therein, equal to the Reserve Account Requirement. The Supplemental
Ordinance authorizing the issuance of such Subordinate Bonds may provide for
deposit into the Bond Fund for credit to the Reserve Account from the proceeds
of such Subordinate Bonds or from any other money lawfully available therefor
to fund some portion or all of the increase in the Reserve Account Requirement,
if any, as a result the issuance of such Subordinate Bonds.

(b) Valuation. Subject to the preceding paragraphs of this
subsection, the money and value of Permitted Investments in the Reserve
Account shall be determined as of the last Business Day of each Fiscal Year
and maintained at an amount at least equal to the Reserve Account
Requirement, except where it is necessary to make a transfer therefrom to the
Interest Account, Principal Account, or Bond Retirement Account because of an
insufficiency of money therein to make any required payment of principal of,
premium, if any, or interest on any Subordinate Bonds when due.

If at any time the money and value of Permitted Investments in the
Reserve Account exceed the amount of money and value of Permitted
Investments then required to be maintained therein, such excess may be
transferred to the City for deposit in the General Account in the Revenue Fund.
For the purpose of determining the amount credited to the Reserve Account, obligations in which money in the Reserve Account shall have been invested shall be valued at the market value thereof. If the value of the amount in the Reserve Account is less than the Reserve Account Requirement the City shall transfer from the General Account an amount necessary to fully fund the Reserve Account Requirement.

(c) **Reserve Account Facilities.** The City may satisfy all or any portion of the Reserve Account Requirement by the deposit in the Reserve Account of a Reserve Account Facility. Upon the expiration of any Reserve Account Facility, the Reserve Account shall be replenished in accordance with the first two paragraphs of this Section, as if the Subordinate Bonds that remain Outstanding had been issued on the date of such expiration.

(d) **Deficiencies.** If there is a deficiency in the Interest Account, Principal Account, or Bond Retirement Account in the Bond Fund, the City shall promptly deposit amounts therein from the Reserve Account sufficient to make up any such deficiency. The City shall withdraw moneys in the Reserve Account to make up any such deficiency prior to drawing on any Reserve Account Facility in sufficient amount to make up the deficiency. The City shall replenish any withdrawal from the Reserve Account for payment into the Interest Account, Principal Account or Bond Retirement Account from money in the Revenue Fund first available after providing for the required deposits into such Interest, Principal, and Bond Retirement Accounts.
Section 8.4. Construction Fund. There is hereby created a special fund named the “City of Tacoma Electric System Subordinate Bonds Construction Fund” (the “Construction Fund”), and a separate account therein for each series of Subordinate Bonds. The Construction Fund shall be held and administered by the City. Immediately upon the issuance, sale and delivery of a series of the Subordinate Bonds, the City shall pay or cause to be paid into the account in the Construction Fund for such series such amount of the proceeds derived from the sale of such series of Subordinate Bonds as shall be designated pursuant to the Supplemental Ordinance authorizing the issuance thereof. Money so deposited in the account in the Construction Fund shall be applied to the costs of issuance of such series of Bonds and to the costs of acquiring and constructing the additions, betterments and improvements to, and repairs, renewals and replacements of, the Electric System or other lawful purposes of the Electric System to be funded out of the proceeds of such series of Subordinate Bonds.

Section 8.5. Investment of Funds. Money in the Funds and Accounts established and held pursuant to this Subordinate Ordinance shall be invested in accordance with the City’s investment policy. Money held in the Revenue Fund, the Construction Fund, the Rate Stabilization Fund, and the Interest Account, Principal Account, and Bond Retirement Account in the Bond Fund shall be invested and reinvested at the direction of the City solely in, and obligations deposited in such accounts shall consist of, Permitted Investments which shall mature on or prior to the respective dates when the money held for
the credit of such Funds and Accounts will be required for the purposes intended. Money in the Reserve Account in the Bond Fund not required for immediate disbursement for the purposes for which such Account is created shall be invested and reinvested at the direction of the City solely in Permitted Investments maturing or subject to redemption at the option of the owner thereof within 5 years from the date of such investment. Except to the extent there are deficiencies in any account in the Bond Fund, all income received from the investment of money in any account in the Bond Fund, shall from time to time be deposited in the Revenue Fund, or credited against the monthly amount required to be deposited in such account.

ARTICLE IX

PLEDGE OF REVENUES; COVENANTS TO SECURE SUBORDINATE BONDS

The City covenants and agrees with the Owners of the Subordinate Bonds from time to time Outstanding as follows:

(a) The Subordinate Bonds and all other amounts due under any Credit Facilities are special limited obligations of the City payable from and secured solely by Revenues after the payment of Operating Expenses on a basis junior and subordinate to the Senior Bonds, and by other money and assets specifically pledged hereunder or under a Supplemental Ordinance for the payment thereof. There are hereby pledged as security for the payment of the principal of, premium, if any, and interest on all Subordinate Bonds and all

Ord15-0289.doc-WCF/tok
other amounts due any under Credit Facilities in accordance with the provisions
of this Subordinate Ordinance, subject only to the provisions of this Subordinate
Ordinance restricting or permitting the application thereof for the purposes and
on the terms and conditions set forth herein: (i) the proceeds of the sale of the
Subordinate Bonds to the extent held in funds established by this Subordinate
Ordinance (but only to the Subordinate Bonds), (ii) Revenues, and (iii) the
money and investments, if any, credited to the Revenue Fund and the Bond
Fund (but only to the Subordinate Bonds), and the income therefrom. The
pledge of and lien and charge on Revenues herein made shall be irrevocable
until there are no Subordinate Bonds Outstanding and all amounts owing under
any Credit Facilities have been paid. The Revenues and other money and
securities hereby pledged shall immediately be subject to the lien of this pledge
without any physical delivery thereof or further act, and the lien of this pledge
shall be valid and binding as against all parties having claims of any kind in tort,
contract, or otherwise against the City regardless of whether such parties have
notice thereof.

(b) All Subordinate Bonds now or hereafter outstanding and all other
amounts due under any Credit Facilities, respectively, shall be equally and
ratably payable and secured hereunder without priority by reason of date of
adoption of the ordinance providing for their issuance or by reason of their
series, number or date of sale, issuance, execution or delivery, or by the liens,
pledges, charges, trusts, assignments, and covenants made herein, except as
otherwise expressly provided or permitted in this Subordinate Ordinance.
Except as otherwise provided herein, the pledge of and lien and charge on the
Revenues to pay and secure the payment of Subordinate Bonds and all other
amounts due under any Credit Facilities are hereby declared to be junior and
subordinate to the pledge, lien and charge thereon to pay and secure the
payment of the Senior Bonds and prior and superior to all other liens and
charges of any kind or nature.

(c) No money may be removed from the Revenue Fund for transfer to
any fund of the City not described in this Subordinate Ordinance while any
deficiency exists and is continuing in any payment required by this Subordinate
Ordinance into the Bond Fund or any account therein including the Reserve
Account.

(d) The Subordinate Bonds shall not in any manner or to any extent
constitute general obligations of the City or of the State of Washington, or any
political subdivision of the State of Washington, or a charge upon any general
fund or upon any money or other property of the City or of the State of
Washington, or of any political subdivision of the State of Washington, not
specifically pledged thereto by this Subordinate Ordinance. Neither the full faith
and credit nor the taxing power of the City, the State of Washington, or any
political subdivision of the State of Washington, is pledged to the payment of
the Subordinate Bonds. The Subordinate Bonds shall not constitute
indebtedness of the City within the meaning of the constitutional and statutory
provisions and limitations of the State of Washington.
Section 9.2. Rate Covenant — General. The City shall establish, maintain and collect rates and charges for services, facilities and commodities sold, furnished or supplied through the facilities of the Electric System that shall be adequate to provide Revenues sufficient for the punctual payment of the principal of, premium, if any, and interest on the Senior Bonds and the Subordinate Bonds for which the payment has not otherwise been provided, for all payments which the City is obligated to make into the Senior Bond Fund and the Bond Fund, and for the proper operation and maintenance of the Electric System, including payment of all Contract Resource Obligations included in the Electric System's Operating Expenses pursuant hereto, and all necessary repairs, replacements, and renewals thereof, including the payment of all taxes, assessments, or other governmental charges lawfully imposed on the Electric System or the Revenues therefrom, or payments in lieu thereof, and the payment of all other amounts that the City may now or hereafter become obligated to pay from the Revenues by law or contract.

Section 9.3. Rate Covenant — Debt Service Coverage. The City shall also establish, maintain and collect rates and charges which shall be adequate to provide, in each Fiscal Year, Net Revenues in an amount equal to at least 100 percent of Annual Debt Service for such year on the Senior Bonds and the Subordinate Bonds.

Solely for purposes of calculating the coverage requirement set forth above, there shall be added to Revenues in any Fiscal Year any amount withdrawn from the Rate Stabilization Fund in such Fiscal Year and deposited
in the Revenue Fund, and there shall be subtracted from Revenues in any Fiscal Year any amount withdrawn from the Revenue Fund and deposited in the Rate Stabilization Fund.

Section 9.4. Restrictions on Obligations Secured by Revenues.

(a) Except for Senior Bonds and as otherwise provided herein, the City will not hereafter create any other special fund or funds for the payment of revenue bonds, warrants, or other revenue obligations, or issue any bonds, warrants, or other obligations or create any additional indebtedness that will rank prior to the pledge of and charge and lien on the Revenues or properties of the Electric System created herein to secure the payment of the principal of and interest on the Subordinate Bonds.

(b) Except as otherwise provided herein, the City will not hereafter create any other special fund or funds for the payment of revenue bonds, warrants or other revenue obligations, or issue any bonds, warrants or other obligations or create any additional indebtedness that will rank on a parity with the charge and lien on the Revenues or properties of the Electric System for the payments into the Bond Fund.

(c) The City may issue bonds, notes, warrants, or other obligations payable from and secured by a pledge of and charge and lien on the Revenues of the Electric System that is junior and subordinate or inferior to the lien on such Revenues securing the Subordinate Bonds and may create a special fund or funds for payment of such obligations.
Section 9.5. **Covenant to Maintain System in Good Condition.** The City shall at all times maintain, preserve, and keep, or cause to be maintained, preserved, and kept, the properties of the Electric System and all additions and betterments thereto and extensions thereof and every part and parcel thereof, in good repair, working order and condition, and will from time to time make, or cause to be made, all necessary and proper repairs, renewals, replacements, extensions and betterments thereto so that at all times the business carried on in connection therewith shall be properly and advantageously conducted. The City will at all times operate such properties and the business in connection therewith or cause such properties and business to be operated in an efficient manner and at a reasonable cost.

Section 9.6. **Covenant to Comply with Licenses.** The City shall at all times comply with the terms and conditions of any permits or licenses for the Electric System, or any property or facilities constituting a part thereof, issued by any federal or state governmental agency or body having jurisdiction thereof and with the power to issue orders with respect thereto and enforce the same, and with any federal or state law or regulation applicable to the construction, operation, maintenance and repair of the Electric System. The City shall use its best efforts to obtain renewals of such permits or licenses or obtain new permits or licenses unless such renewals or new permits or licenses are not, in the judgment of the Board, in the best interests of the City.

Section 9.7. **Covenants Concerning Disposal of Properties of Electric System.** The City shall not sell, mortgage, lease, or otherwise dispose of any permits or licenses.
of the properties of the Electric System except as provided by law and subject
to such additional restrictions as are provided in this Section.

(a) The City will not sell or otherwise dispose of the Electric System in
its entirety unless simultaneously with such sale or other disposition, provision
is made for the payment, redemption, or other retirement of all Subordinate
Bonds then outstanding and all other amounts due under any Credit Facilities.

(b) Except as provided in subsection (c) below, the City will not sell or
otherwise dispose of any part of the Electric System in excess of 5 percent of
the value of the net utility plant of the Electric System unless provision is made
for the payment, redemption, or other retirement of a principal amount of
Subordinate Bonds equal to the greater of the following amounts:

(i) An amount that will be in the same proportion to the net
principal amount of Subordinate Bonds then outstanding (defined as the total
principal amount of such Subordinate Bonds outstanding less the amount of
cash and investments in the Principal Account and Bond Retirement Account in
the Bond Fund) that the revenues attributable to the part of the Electric System
sold or disposed of for the 12 preceding months bears to the total revenues for
such period; or

(ii) An amount that will be in the same proportion to the net
principal amount of Subordinate Bonds then outstanding that the book value of
the part of the Electric System sold or disposed of bears to the book value of
the entire Electric System immediately prior to such sale or disposition.
(c) The City may sell or otherwise dispose of any part of the Electric System which shall have become unserviceable, inadequate, obsolete, or unfit to be used in the operation of the Electric System, or no longer necessary, material to or useful in such operation.

(d) The proceeds of sale of any part of the Electric System shall be deposited in the Revenue Fund.

No sale of any part of the Electric System valued in excess of 10 percent of the book value of the physical assets of the Electric System, shall be made unless, in the opinion of a Consulting Engineer, following such sale the City would still be able to satisfy the requirements of Section 9.2 and of the first paragraph of Section 9.3.

Section 9.8. Insurance. The City shall either self-insure in such manner and to such extent as the City shall determine to be necessary and appropriate or, or to the extent insurance coverage is available at reasonable cost with responsible insurers, keep, or cause to be kept, the Electric System and the operation thereof insured, with policies payable to the City, against the risks of direct physical loss, damage to or destruction of the Electric System, or any part thereof, and against accidents, casualties, or negligence, including liability insurance and employer's liability, at least to the extent that similar insurance is usually carried by utilities operating like properties.

In the event of any insured loss or damage, the City will promptly repair or replace the damaged portion of the insured property and apply the proceeds of any insurance policy for that purpose; or in the event the City should
determine not to repair or reconstruct such damaged portion of the properties of
the Electric System, the proceeds of such insurance shall be paid into the debt
service reserve account for the Senior Bonds and thereafter into Reserve
Account, in each case to the extent that such transfer shall be necessary to
make up any deficiency therein, and the balance, if any, shall at the option of
the City, be used either for repairs, renewals, replacements, or capital additions
to the Electric System or for the purchase, payment, or redemption of Senior
Bonds or Subordinate Bonds.

Section 9.9. Condemnation. In the event of any loss or damage to the
properties of the Electric System by reason of condemnation, the City will
(i) with respect to each such loss, promptly replace, repair, and reconstruct to
the extent necessary to the proper conduct of the operations of the Electric
System the condemned portion thereof and shall apply the proceeds of any
condemnation award for that purpose to the extent required therefor, and (ii) if
the City shall not use the entire proceeds of such condemnation award to
repair, replace, or reconstruct such lost or damaged property, such award not
so used shall be paid into the Revenue Fund.

Section 9.10. Books of Account. The City shall keep proper
books of account in accordance with the rules and regulations prescribed by the
Division of Municipal Corporations of the State Auditor's office of the State of
Washington, or other State department or agency succeeding to such duties of
the State Auditor's office, and if no such rules or regulations are prescribed as
aforesaid then in substantial accordance with the Uniform System Of Accounts ,
whether or not the City is at the time required by law to use such system of
accounts. The City shall cause its books of account to be audited annually by
the State Auditor's office or other State department or agency as may be
authorized and directed by law to make such audits, or if such an audit shall not
be made for 12 months after the close of any Fiscal Year of the City, by
Certified Public Accountants.

Section 9.11. Covenant Not to Render Service Free of Charge.
So long as any Subordinate Bonds are Outstanding, the City shall not furnish or
supply or permit the furnishing or supplying of any commodity, service, or
facility furnished by or in connection with the operation of the Electric System
free of charge to any person, firm, or corporation, public or private, and the City
will maintain and enforce reasonable procedures for the payment of any and all
accounts owing to the City and delinquent, by discontinuing service or by filing
suits, actions, or proceedings, or by both discontinuance of service and filing
suit.

The City shall not expend any money in the Revenue Fund or the proceeds of
Subordinate Bonds or other obligations for any renewals, replacements,
extensions, betterments and improvements to the Electric System that are not
economically sound and that will not properly and advantageously contribute to
the conduct of the business of the Electric System in an efficient and
economical manner or that are not mandated by law or regulation.
Section 9.13. Covenant to Pay Bond Principal and Interest

Punctually. The City shall duly and punctually pay or cause to be paid, but only from Revenues and other money pledged therefor under this Subordinate Ordinance, the principal of, premium, if any, and interest on each and every Subordinate Bond on the dates and at the places and in the manner provided herein and in such Subordinate Bonds, according to the true intent and meaning thereof, and will faithfully do and perform and fully observe and keep any and all covenants, undertakings, stipulations and provisions contained in the Subordinate Bonds and in this Subordinate Ordinance.

Section 9.14. Covenant to Pay Taxes, Assessments and Other Claims. The City shall from time to time duly pay and discharge, or cause to be paid and discharged, when the same shall become due, all taxes, assessments and other governmental charges, or payments in lieu thereof, lawfully imposed upon the Electric System or the Revenues, and all claims for labor and materials and supplies that, if not paid, might become a lien or charge upon the Electric System, or any part thereof, or upon the Revenues (prior to the lien thereon for the payment of the Subordinate Bonds), or that might in any way impair the security of the Subordinate Bonds, except taxes, assessments, charges, or claims that the City shall in good faith contest by proper legal proceedings.

Section 9.15. Protection of Security. The City shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Revenues and the rights of the Owners under this Subordinate Ordinance.
against all claims and demands of all Persons whatsoever (other than claims of the owners of the Senior Bonds).

Section 9.16. Tax Covenants. The City covenants that it shall not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of the interest on any Tax-Exempt Bonds under Section 103 of the Code. The City shall not directly or indirectly use or permit the use of any proceeds of the Tax-Exempt Bonds in such a manner as would adversely affect the exclusion of interest on any Tax-Exempt Bonds from gross income under Section 103 of the Code. The City shall not directly or indirectly use or permit the use of any proceeds of any Tax-Exempt Bonds, or of any facilities financed thereby, or other funds of the City, or take or omit to take any action, that would cause any Tax-Exempt Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code. To that end, the City shall comply with all requirements of Section 148 of the Code and all regulations of the United States Department of the Treasury promulgated thereunder to the extent such requirements are, at the time, in effect and applicable to the Tax-Exempt Bonds. In the event that at any time the City is of the opinion that for purposes of this Section it is necessary to restrict or to limit the yield on the investment of any moneys held by the Trustee under this Subordinate Ordinance, the City shall so instruct the Trustee in writing, and the Trustee shall take such action as may be directed in such instructions. Terms used but not otherwise defined in this Section shall have the meanings set forth in the Code.

Section 10.2. Amendments with Consent of Owners. With the prior written consent of the Owners of a majority in aggregate principal amount of the Subordinate Bonds at the time Outstanding, and in case the supplement or amendment does not apply to all of the Subordinate Bonds then Outstanding, then a majority in aggregate principal amount of the Subordinate Bonds at the time Outstanding to which it does apply, the City may pass an ordinance or ordinances supplemental hereto or to any Supplemental Ordinance for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Subordinate Ordinance or of any Supplemental Ordinance, but no such Supplemental Ordinance shall:

(a) Extend the fixed maturity of any Subordinate Bonds or the time of payment of interest thereon from the established due date, or reduce the rate of interest thereon or the amount of the principal thereof, or reduce any premium payable on the redemption thereof, or accelerate any redemption provision, without the written consent of the Owner of each Subordinate Bond so affected;

Notice of any Supplemental Ordinance enacted pursuant to this Section shall be given to the Owners promptly following the enactment thereof by the City.

Section 10.3. Consent of Owners and Opinions. Each Supplemental Ordinance enacted pursuant to the provisions of Section 10.2 shall take effect only when and as provided in this Section. Any such consent shall be binding upon the Owner giving such consent and...

such Subordinate Bonds by filing such revocation with the Trustee prior to the
date the Trustee receives the required percentage of consents.

Section 10.4.  Filing of Supplemental Ordinances. No
Supplemental Ordinance shall become effective until delivered to the Trustee
together with an opinion of Bond Counsel to the effect that such Supplemental
Ordinance is authorized or permitted by this Subordinate Ordinance, has been
duly enacted, and is a valid and binding obligation of the City.

ARTICLE XI
DEFAULTS AND REMEDIES

Section 11.1.  Events of Default. The following shall constitute
"Events of Default" under this Subordinate Ordinance:

(a) If default shall be made in the payment of the principal of or
premium, if any, on any Subordinate Bond when the same shall become due
and payable, either at maturity or by proceedings for redemption or otherwise;

(b) If default shall be made in the payment of interest on any
Subordinate Bond when the same shall become due and payable; or

(c) If the City shall default in the observance and performance of any
other of the covenants, conditions, and agreements on the part of the City
contained in this Subordinate Ordinance or in any ordinance of the City
authorizing Subordinate Bonds and such default or defaults shall have
continued for a period of 90 days after the City shall have received from the
Trustee or from the Owners of not less than 25 percent in principal amount of
the Subordinate Bonds Outstanding a written notice specifying and demanding
the cure of such default; provided, that if the default is one which cannot be
completely remedied within 90 days after written notice, it shall not be an Event
of Default as long as the City has taken active steps within the 90 days after
written notice to remedy the default and is diligently pursuing such remedy; or

(d) An “Event of Default” as specified in the Senior Bond Ordinance;
or

(e) An “Event of Default” specified in a Supplemental Ordinance
authorizing the issuance of a series of Subordinate Bonds.

Section 11.2. Remedies upon Default. The Trustee may, upon
the happening of an Event of Default, and during the continuance thereof, take
such steps and institute such suits, actions, or other proceedings at law or in
equity in its own name, or as trustee, all as it may deem appropriate for the
protection and enforcement of the rights of Owners to collect any amounts due
and owing by the City, or to obtain other appropriate relief, and may enforce the
specific performance of any covenant, agreement, or condition contained in this
Subordinate Ordinance, or in any of the Subordinate Bonds; provided, that
nothing herein shall limit the remedies of any Credit Provider under any Credit
Facility.
Section 11.3. **Priority of Payment Following Event of Default.** If at any time after the occurrence of an Event of Default the money held by the Trustee under this Subordinate Ordinance shall not be sufficient to pay the Subordinate Bonds as the same become due and payable, such money, together with any money then available or thereafter becoming available for such purpose, whether through the exercise of remedies in this Article or otherwise, shall be applied by the Trustee first to the payments of all amounts due to the Trustee under Section 12.5 and then to the payment of the amounts and in the order of priority set forth in Section 8.1(b).

Section 11.4. **Owners May Direct Proceedings.** The Owners of a majority in aggregate principal amount of the Outstanding Subordinate Bonds shall, subject to the requirements of Section 12.2(e), have the right, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee hereunder; provided, that such direction shall not be in conflict with any rule of law or this Subordinate Ordinance and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of Owners not parties to such direction or would subject the Trustee to personal liability or expense. Notwithstanding the foregoing, the Trustee shall have the right to select and retain counsel of its choosing to represent it in any such proceedings. The Trustee may take any other action which is not inconsistent with any direction under this Section.
Section 11.5. Waiver of Defaults.

(a) The Owners of a majority in aggregate principal amount of the Outstanding Subordinate Bonds may, by written notice to the Trustee, waive any existing default or Event of Default and its consequences, except an Event of Default under Section 11.1(a), (b) and (d). Upon any such waiver, the default or Event of Default shall be deemed cured and shall cease to exist for all purposes. No waiver of any default or Event of Default shall extend to or effect any subsequent default or Event of Default or shall impair any right or remedy consequent thereto.

(b) Notwithstanding any provision of this Subordinate Ordinance to the contrary, in no event shall any person, other than all of the affected Owners, have the ability to waive any Event of Default under this Subordinate Ordinance if such event results or may result, in the opinion of Bond Counsel, in interest on any of the Tax-Exempt Bonds becoming includable in gross income for federal income tax purposes.

Section 11.6. Notice of Events of Default. If an Event of Default occurs of which the Trustee has or is deemed to have notice under Section 12.2(h), the Trustee shall give prompt notice thereof to the City. Promptly and in any event within five Business Days thereafter (unless such Event of Default has been cured or waived), the Trustee shall give notice of such Event of Default to each Owner of Subordinate Bonds then Outstanding.

Section 11.7. Possession of Subordinate Bonds Not Required. Any action, suit, or other proceeding instituted by the Trustee hereunder shall
be brought in its name as trustee for the Owners and all such rights of action
upon or under any of the Subordinate Bonds or the provisions of this
Subordinate Ordinance may be enforced by the Trustee without the possession
of any of said Subordinate Bonds, and without the production of the same at
any trial or proceedings relative thereto except where otherwise required by
law, and the respective Owners of said Subordinate Bonds, by taking and
holding the same, shall be conclusively deemed irrevocably to appoint the
Trustee the true and lawful trustee of the respective Owners of said
Subordinate Bonds, with authority to institute any such action, suit, or
proceeding; to receive as trustee and deposit in trust any sums becoming
distributable on account of said Subordinate Bonds; to execute any paper or
documents for the receipt of such money, and to do all acts with respect thereto
that the Owner himself might have done in person.

Section 11.8. Trustee May File Proofs of Claim.

(a) In case of the pendency of any receivership, insolvency,
liquidation, bankruptcy, reorganization, arrangement, adjustment, composition
or other judicial proceeding under the federal bankruptcy code relating to the
City, any other obligor upon the Subordinate Bonds or any property of the City,
the Trustee (whether or not the principal of the Subordinate Bonds shall then be
due and payable, and whether or not the Trustee shall have made any demand
upon the City for the payment of overdue principal, premium, if any, and
interest) shall be entitled and empowered, by intervention in such proceeding or
other means: (i) to file and prove a claim for the whole amount of the principal,
premium, if any, and interest owing and unpaid in respect of the Subordinate
Bonds then Outstanding or for breach of this Subordinate Ordinance and to file
such other papers or documents as may be necessary or advisable in order to
have the claims of the Trustee (including any claim for the reasonable
compensation, expenses, disbursements and advances of the Trustee and its
agents and counsel) and of the Owners allowed in such proceeding; and (ii) to
collect and receive any money or other property payable or deliverable on any
such claims and to distribute the same; and each Owner, by holding the
Subordinate Bonds, thereby authorizes any receiver, assignee, trustee,
liquidator, sequestrator or similar official in any such judicial proceeding to make
such payments to the Trustee, and, in the event that the Trustee shall consent
to the making of such payments directly to the Owners, to pay to the Trustee
any amount due it for the reasonable compensation, expenses, disbursements
and advances of the Trustee and its agents and counsel, and any other
amounts due the Trustee under Section 12.5.

(b) Nothing herein contained shall be deemed to authorize or
empower the Trustee to consent to accept or adopt, on behalf of any Owner of
said Subordinate Bonds, any plan or reorganization or adjustment affecting the
said Subordinate Bonds or any right of any Owner thereof, or to authorize or
empower the Trustee to vote the claims of the Owners thereof in any
receivership, insolvency, liquidation, bankruptcy, reorganization, or other
proceeding to which the City shall be a party.
Section 11.9. **Limitations on Rights of Owners.** No Owner of any one or more of said Subordinate Bonds shall have any right to institute any action, suit, or proceeding at law or in equity for the enforcement of same, unless (a) an Event of Default shall have happened and be continuing; (b) the Owners of a majority in aggregate principal amount of the Outstanding Subordinate Bonds have requested the Trustee, in writing, to exercise the powers hereinaabove granted or to pursue such remedy in its or their name or names; (c) the Trustee has been offered indemnity satisfactory to it against costs, expenses and liabilities reasonably anticipated to be incurred; (d) the Trustee has declined to comply with such request, or has failed to do so, within 60 days after its receipt of such written request and offer of indemnity; and (e) no direction inconsistent with such request has been given to the Trustee during such 60-day period by the Owners of a majority in aggregate principal amount of the Outstanding Subordinate Bonds. Any remedy herein authorized to be exercised by the Trustee may be exercised individually by any Owner, in his own name and on his own behalf or for the benefit of all Owners; provided, however, that nothing in this Subordinate Ordinance or in any Subordinate Bonds shall affect or impair the obligation of the City, which is absolute and unconditional, to pay from Revenues the principal of, redemption premium, if any, and interest on said Subordinate Bonds to the respective Owners thereof at the respective due dates therein specified, or affect or impair the right of action, which is absolute and unconditional, of such Owners to enforce such payment.
Section 11.10. Remedies Granted in Ordinance Not Exclusive.

The remedies herein conferred upon or reserved to the Owners of the Subordinate Bonds and to the Trustee are not intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. The privileges herein granted shall be exercised from time to time and continued so long as and as often as the occasion therefor may arise and no waiver of any default hereunder, whether by the Trustee or by the Owners of Subordinate Bonds, shall extend to or shall affect any subsequent default or shall impair any rights or remedies consequent thereon. The assertion or employment of any right or remedy hereunder shall not prevent the concurrent assertion or employment of any other appropriate right or remedy. No delay or omission of the Owners or of the Trustee to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or any acquiescence therein.

Section 11.11. Restoration of Rights and Remedies. If the Trustee or any Owner has instituted any proceeding to enforce any right or remedy under this Subordinate Ordinance, and any such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or such Owner, then the City, the Trustee and the Owners shall, subject to any determination in such proceeding, be restored to their former rights and remedies.
positions hereunder, and all rights and remedies of the Trustee and the Owners shall continue as though no such proceeding had been instituted.

**ARTICLE XII**

**TRUSTEE**

**Section 12.1. Appointment; Duties and Responsibilities of the Trustee.**

(a) The initial Trustee with respect to the Subordinate Bonds shall be appointed as provided by the Supplemental Ordinance authorizing the issuance of the first series of Subordinate Bonds.

(b) Prior to the occurrence of an Event of Default of which it has or is deemed to have notice hereunder, and after the curing or waiver of any Event of Default that may have occurred: (i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Subordinate Ordinance, and no implied covenants or obligations shall be read into this Subordinate Ordinance against the Trustee; and (ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee that conform to the requirements of this Subordinate Ordinance; but the Trustee is under a duty to examine such certificates and opinions to determine whether they conform to the requirements of this Subordinate Ordinance.

(c) In case an Event of Default of which the Trustee has or is deemed to have notice hereunder has occurred and is continuing, the Trustee shall
exercise such of the rights and powers vested in it by this Subordinate Ordinance, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use in the conduct of such person’s own affairs.

(d) No provision of this Subordinate Ordinance shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that: (i) this subsection shall not be construed to limit the effect of subsection (b) of this Section; (ii) the Trustee is not liable for any error of judgment made in good faith by an authorized officer of the Trustee, unless it is proven that the Trustee was negligent in ascertaining the pertinent facts; (iii) the Trustee is not liable with respect to any action it takes or omits to be taken by it in good faith in accordance with the direction of the Owners under any provision of this Subordinate Ordinance relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Subordinate Ordinance; and (iv) no provision of this Subordinate Ordinance shall require the Trustee to expend or risk its own funds or otherwise incur any liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it has reasonable grounds for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(e) The Trustee shall maintain proper books of record and accounts in which complete and correct entries shall be made of all investments and
disbursements of proceeds in the Funds through the date ending six (6) years following the date on which all the Subordinate Bonds have been retired, and such records shall be available for inspection by the City upon reasonable notice.

(f) Whether or not expressly so provided, every provision of this Subordinate Ordinance relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to the provisions of this Section.

Section 12.2. Certain Rights of the Trustee. Except as otherwise provided in Section 12.1:

(a) The Trustee may rely and is protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) Any statement or certification of the City under this Subordinate Ordinance shall be sufficiently evidenced by a Certificate of the City (unless other evidence thereof is specifically prescribed), any request, direction, order or demand of the City under this Subordinate Ordinance shall be sufficiently evidenced by an Order of the City (unless other evidence thereof is specifically prescribed) and any ordinance or resolution of the City Council may be sufficiently evidenced by a copy thereof certified by the Secretary of the City Council;
(c) Whenever in the administration of this Subordinate Ordinance the 
Trustee deems it desirable that a matter be proved or established prior to 
taking, suffering or omitting any action hereunder, the Trustee (unless other 
evidence thereof is specifically prescribed) may, in the absence of bad faith on 
its part, rely upon a Certificate of the City;

(d) The Trustee may consult with counsel and the written advice of 
such counsel or an opinion of Bond Counsel shall be full and complete 
authorization and protection for any action taken, suffered or omitted by it in 
good faith and in accordance with such advice or opinion;

(e) The Trustee is under no obligation to exercise any of the rights or 
powers vested in it by this Subordinate Ordinance at the request or direction of 
any of the Owners unless the Owners have offered to the Trustee security or 
indemnity reasonably satisfactory to the Trustee as to its terms, coverage, 
duration, amount and otherwise with respect to the costs, expenses and 
liabilities which may be incurred by it in compliance with such request or 
direction, and the provision of such indemnity shall be mandatory for any 
remedy taken upon direction of the Owners of a majority in aggregate principal 
amount of the Outstanding Subordinate Bonds;

(f) The Trustee is not required to make any inquiry or investigation 
into the facts or matters stated in any resolution, certificate, statement, 
instrument, opinion, report, notice, request, direction, consent, order, approval, 
bond, debenture or other paper or document but the Trustee, in its discretion, 
may make such further inquiry or investigation into such facts or matters as it
may see fit and, if the Trustee determines to make such further inquiry or
investigation, it is entitled to examine the books, records and premises of the
City, in person or by agent or attorney;

(g) The Trustee may execute any of its trusts or powers or perform
any duties under this Subordinate Ordinance either directly or by or through
agents or attorneys, and may in all cases pay, subject to reimbursement as
provided in Section 12.5, such reasonable compensation as it deems proper to
all such agents and attorneys reasonably employed or retained by it, and the
Trustee shall not be responsible for any misconduct or negligence of any agent
or attorney appointed with due care by it;

(h) The Trustee is not required to take notice or deemed to have
notice of any default or Event of Default hereunder, except an Event of Default
under Section 9.1(a), unless an officer of the Trustee has actual knowledge
thereof or has received notice in writing of such default or Event of Default from
the City or the Owners of at least 25 percent in aggregate principal amount of
the Outstanding Subordinate Bonds, and in the absence of any such notice, the
Trustee may conclusively assume that no such default or Event of Default
exists;

(i) The Trustee is not required to give any bond or surety with
respect to the performance of its duties or the exercise of its powers under this
Subordinate Ordinance;

(j) In the event the Trustee receives inconsistent or conflicting
requests and indemnity from two or more groups of Owners, each representing
less than a majority in aggregate principal amount of the Outstanding
Subordinate Bonds, pursuant to the provisions of this Subordinate Ordinance,
the Trustee, in its sole discretion, may determine what action, if any, shall be
taken;

(k) The Trustee’s immunities and protections from liability and its right
to indemnification in connection with the performance of its duties under this
Subordinate Ordinance shall extend to the Trustee’s officers, directors, agents,
attorneys and employees. Such immunities and protections and right to
indemnification, together with the Trustee’s right to compensation, shall survive
the Trustee’s resignation or removal, the defeasance or discharge of this
Subordinate Ordinance and final payment of the Subordinate Bonds;

(l) The permissive right of the Trustee to take the actions permitted
by this Subordinate Ordinance shall not be construed as an obligation or duty to
do so; and

(m) Except for information provided by the Trustee concerning the
Trustee, the Trustee shall have no responsibility for any information in any
offering memorandum or other disclosure material distributed with respect to
the Subordinate Bonds, and the Trustee shall have no responsibility for
compliance with any state or federal securities laws in connection with the
Subordinate Bonds.

Section 12.3. Trustee Not Responsible for Recitals. The
recitals contained in this Subordinate Ordinance and in the Subordinate Bonds
(other than the certificate of authentication on the Subordinate Bonds) are
statements of the City, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the value, condition or sufficiency of any assets pledged or assigned as security for the Subordinate Bonds, the right, title or interest of the City therein, the security provided thereby or by this Subordinate Ordinance or the tax status of interest on the Subordinate Bonds. The Trustee is not accountable for the use or application by the City of any of the Subordinate Bonds or the proceeds of the Subordinate Bonds, or for the use or application of any money paid over by the Trustee in accordance with any provision of this Subordinate Ordinance.

Section 12.4. Trustee May Own Subordinate Bonds. The Trustee, in its commercial banking or in any other capacity, may in good faith buy, sell, own, hold and deal in any of the Subordinate Bonds and may join in any action which any Owner may be entitled to take with like effect as if it were not Trustee. The Trustee, in its commercial banking or in any other capacity, may also engage in or be interested in any financial or other transaction with the City and may act as depository, trustee or agent for any committee of Owners secured hereby or other obligations of the City as freely as if it were not Trustee. The provisions of this Section shall extend to affiliates of the Trustee.

Section 12.5. Compensation and Expenses of the Trustee.

(a) The City hereby covenants and agrees:

(i) to pay to the Trustee compensation for all services rendered by it hereunder and under the other agreements relating to the Subordinate Bonds to which the Trustee is a party in accordance with terms

-78-
agreed to from time to time, and, subsequent to default, in accordance with the
Trustee’s then-current fee schedule for default administration (the entirety of
which compensation shall not be limited by any provision of law regarding
compensation of a trustee of an express trust);

     (ii) to reimburse the Trustee upon its request for all reasonable
expenses, disbursements and advances incurred or made by the Trustee in
accordance with any provision of this Subordinate Ordinance, any other
agreement relating to the Subordinate Bonds to which it is a party or in
complying with any request by the City or any securities credit rating agency
with respect to the Subordinate Bonds, including the reasonable compensation,
expenses and disbursements of its agents and counsel, except any such
expense, disbursement or advance attributable to the Trustee’s negligence or
bad faith; and

     (iii) to indemnify, defend and hold the Trustee harmless from
and against any loss, liability or expense incurred without negligence or bad
faith on its part, arising out of or in connection with the acceptance or
administration of the office of Trustee under this Subordinate Ordinance,
including the costs of defending itself against any claim or liability in connection
with the exercise or performance of any of its powers or duties hereunder or
thereunder.

(b) In the event the Trustee incurs expenses or renders services in
any proceedings under federal or state bankruptcy law relating to the City, the
expenses so incurred and compensation for services so rendered are intended
to constitute expenses of administration under federal or state bankruptcy law.

As security for the performance of the obligations of the City under this Section, the Trustee shall have a lien prior to the lien securing the Subordinate Bonds and Payment Agreement Payments, which it may exercise through a right of setoff, upon all property or funds held or collected by the Trustee pursuant to this Subordinate Ordinance. The obligations of the City to make the payments described in this Section shall survive discharge of this Subordinate Ordinance, the resignation or removal of the Trustee and payment in full of the Subordinate Bonds.

Section 12.6. Qualifications of the Trustee. There shall at all times be a trustee hereunder which shall be a corporation or banking association organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise corporate trust powers, which has a combined capital and surplus of at least $100,000,000, or is an affiliate of a corporation or banking association meeting such capital and surplus requirement which guarantees the obligations and liabilities of the proposed trustee, and which is subject to supervision or examination by federal or state banking authority. If such corporation or banking association publishes reports of condition at least annually, pursuant to law or the requirements of any supervising or examining authority above referred to, then for purposes of this Section, the combined capital and surplus of such corporation or banking association shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so
published. If at any time the Trustee shall cease to be eligible in accordance
with the provisions of this Section, it shall resign promptly in the manner and
with the effect specified in this Article.

Section 12.7. Resignation or Removal of the Trustee;
Appointment of Successor Trustee.

(a) No resignation or removal of the Trustee and no appointment of a
successor Trustee pursuant to this Article shall become effective until the
acceptance of appointment by the successor Trustee under Section 12.8.

(b) The Trustee may resign at any time by giving written notice to the
City. Upon receiving such notice of resignation, the City shall promptly appoint
a successor Trustee by an instrument in writing. If an instrument of acceptance
has not been delivered to the resigning Trustee within 30 days after the giving
of such notice of resignation, the resigning Trustee or any Owner of a
Subordinate Bond then Outstanding may petition a court of competent
jurisdiction for the appointment of a successor Trustee.

(c) Prior to the occurrence and continuance of an Event of Default
hereunder, or after the curing or waiver of any such Event of Default, the City or
the Owners of a majority in aggregate principal amount of the Outstanding
Subordinate Bonds may remove the Trustee and shall appoint a successor
Trustee. In the event there shall have occurred and be continuing an Event of
Default hereunder, the Owners of a majority in aggregate principal amount of
the Outstanding Subordinate Bonds may remove the Trustee and shall appoint
a successor Trustee. In each instance such removal and appointment shall be
accomplished by an instrument or concurrent instruments in writing signed by
the City or such Owners, as the case may be, and delivered to the Trustee, the
City and Owners of the Outstanding Subordinate Bonds.

(d) If at any time: (i) the Trustee shall cease to be eligible and
qualified under Section 12.6 and shall fail or refuse to resign after written
request to do so by the City or the Owner of any Subordinate Bond, or (ii) the
Trustee shall become incapable of acting or shall be adjudged insolvent, or a
receiver of the Trustee or its property shall be appointed, or any public officer
shall take charge or control of the Trustee, its property or affairs for the purpose
of rehabilitation, conservation or liquidation, then in either such case (A) the City
may remove the Trustee and appoint a successor Trustee in accordance with
the provisions of subsection (c) of this Section; or (B) any Owner of a
Subordinate Bond then Outstanding may, on behalf of the Owners of all
Outstanding Subordinate Bonds, petition a court of competent jurisdiction for
removal of the Trustee and appointment of a successor Trustee.

(e) The City shall give written notice of each resignation or removal of
the Trustee and each appointment of a successor Trustee to each Owner of
Subordinate Bonds then Outstanding as listed in the Bond Register. Each such
notice shall include the name and address of the applicable corporate trust
office of the successor Trustee.
Section 12.8. Acceptance of Appointment by Successor

Trustee.

(a) Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the City and the predecessor Trustee an instrument accepting its appointment. The resignation or removal of the retiring Trustee shall thereupon become effective, and the successor Trustee shall, without further act, deed or conveyance, become vested with all the estates, properties, rights, powers and duties of the predecessor Trustee. Upon the request of the City or the successor Trustee, the predecessor Trustee shall execute and deliver an instrument transferring to the successor Trustee all the estates, properties, rights, powers and duties of the predecessor Trustee under this Subordinate Ordinance, shall duly assign, transfer, deliver and pay over to the successor Trustee all money and other property then held under this Subordinate Ordinance, subject, however, to the lien provided for in Section 12.5, and shall deliver to the successor Trustee, all records maintained by the predecessor Trustee with respect to the Funds and the Subordinate Bonds and such records shall be proper books of record and accounts containing complete and correct entries. The successor Trustee shall promptly give written notice of its appointment to the Owners of all Subordinate Bonds Outstanding in the manner prescribed herein, unless such notice has previously been given.
(b) No successor Trustee shall accept appointment as provided in this Section unless, as of the date of such acceptance, it is eligible and qualified under the provisions of Section 12.6.

Section 12.9. Merger, Succession or Consolidation of Trustee. Any corporation or association: (a) into which the Trustee is merged or with which it is consolidated; (b) resulting from any merger or consolidation to which the Trustee is a party; or (c) succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor Trustee without the execution or filing of any document or the taking of any further action. Any such successor must nevertheless be eligible and qualified under the provisions of Section 12.6.

Section 12.10. Notices to Owners; Waiver.

(a) Where this Subordinate Ordinance provides for notice to Owners of any event, such notice shall be sufficiently given (unless otherwise expressly provided herein) if in writing and mailed, first-class postage prepaid, to each Owner affected by each event, at such Owner’s address as it appears on the Bond Register, not later than the latest date, and not earlier than the earliest date, prescribed for the first giving of such notice. In any case where notice to Owners is given by mail, neither the failure to mail such notice nor any defect in any notice so mailed to any particular Owner shall affect the sufficiency of such notice with respect to other Owners. Where this Subordinate Ordinance provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such

Ord15-0289.doc-WCF/tok
waiver shall be the equivalent of such notice. Waivers of notice by Owners
shall be filed with the Trustee, but such filing shall not be a condition precedent
to the validity of any action taken in reliance upon such waiver.

(b) With respect to Book-Entry Bonds, where this Subordinate
Ordinance provides for notice to the Owners of the existence of, or during the
continuance of, any Event of Default, or at any time upon the written request of
the City, the Trustee, at the expense of the City, shall: (i) establish a record date
for determination of the Persons entitled to receive such notice; (ii) request a
securities position listing from the Securities Depository showing the
participants holding positions in the Book-Entry Bonds affected by such notice
as of the record date for such notice; (iii) mail, first class postage prepaid,
copies of the notice as provided above to each participant identified in the
securities position listing as holding a position in the Book-Entry Bonds as of the
record date for the notice, to each nationally recognized municipal securities
information repository and state information depository for the State of
Washington, if any, and to any Person identified to the Trustee as a non-
objecting Beneficial Owner pursuant to the immediately following clause;
(iv) request that the participant retransmit the notice to all Persons for which it
served as nominee on the record date, including non-objecting Beneficial
Owners, or retransmit the notice to objecting Beneficial Owners and provide a
listing of non-objecting Beneficial Owners for whom the participant served as
nominee on the record date to the Trustee, (v) provide on behalf of the City and
not as its agent, an undertaking of the City to pay to any participant or other
-85-
nominee (other than the Securities Depository) the reasonable costs of
transmitting the notice to Persons for whom the participant acts as nominee;
and (vi) provide as many copies of the notice as may be requested by any
nominee owner of the Subordinate Bonds. Any default in performance of the
duties required by this subsection shall not affect the sufficiency of notice to the
Owners given in accordance with subsection (a) of this Section, or the validity of
any action taken under this Subordinate Ordinance in reliance on such notice to
Owners.

(c) Where this Subordinate Ordinance provides for notice to the
Owners of any event, the form of the notice shall prominently include a title
block, separate from the body of the notice, which shall include the following
information: (i) the complete title of the Subordinate Bonds; (ii) the CUSIP
number of each affected Subordinate Bond; (iii) the record date for the notice;
and (iv) a summary of the notice.

be given to the Securities Depository shall be given to it in the manner provided
by this Section for giving notice to Owners, and also shall be given in the format

the Securities Depository in writing to the Trustee.

ARTICLE XIII

DISCHARGE AND DEFEASANCE

Section 13.1. Discharge. If (a) the principal of any Bonds and the
interest due or to become due thereon together with any premium required by

-86-
redemption of any of such Bonds prior to maturity and all obligations to any 
Credit Providers and Reserve Account Facility Providers shall be paid, or is 
caused to be paid, or is provided for under Section 13.2, at the times and in the 
manner to which reference is made in such Bonds, Credit Facilities and 
Reserve Account Facilities, according to the true intent and meaning thereof, 
(b) and all City Payments and other payments due in accordance with the 
provisions of the Payment Agreements and this Subordinate Ordinance have 
been made, and (c) all of the covenants, agreements, obligations, terms and 
conditions of the City under this Subordinate Ordinance shall have been kept, 
performed and observed and there shall have been paid to the Trustee all sums 
of money due or to become due to it in accordance with the terms and 
provisions hereof, then the right, title and interest of the Trustee in all money 
and other property then held under this Subordinate Ordinance shall thereupon 
cease and the Trustee, on request of and at the expense of the City, shall 
release this Subordinate Ordinance and shall execute such documents to 
evidence such release as may be reasonably required by the City and shall turn 
over to the City, or to such other Person as may be entitled to receive the same, 
all balances remaining in any Funds except for amounts required to pay such 
Bonds or held pursuant to Section 13.2.

Section 13.2. Defeasance. In the event that the City, in order to 
effect the payment, retirement, or redemption of any Subordinate Bond, sets 
aside in the Bond Fund or in another special account, held in trust by the 
Trustee, cash or Government Obligations in amounts and maturities which,
together with the known earned income therefrom, are sufficient to redeem or pay and retire such Subordinate Bond in accordance with its terms and to pay when due the interest and redemption premium, if any, thereon, and such cash and Government Obligations are irrevocably set aside and pledged for such purpose, then no further payments need be made into the Bond Fund for the payment of the principal of and interest on such Subordinate Bond. The owner of a Subordinate Bond so provided for shall cease to be entitled to any lien, benefit, or security of this Subordinate Ordinance except the right to receive payment of principal, premium, if any, and interest from such special account, such Subordinate Bond shall be deemed to be no longer Outstanding under this Subordinate Ordinance, and the Trustee shall hold such money, Government Obligations and earnings in trust exclusively for such Owner or Owners and such money, Government Obligations and earnings shall not secure any other Subordinate Bonds under this Subordinate Ordinance. In determining the sufficiency of the money and Government Obligations deposited pursuant to this Section, the Trustee shall receive, at the expense of the City, and may rely upon: (a) a verification report of a Certified Public Accountant; and (b) an opinion of Bond Counsel to the effect that (a) all conditions set forth in this Article have been satisfied, and (b) that defeasance of the Subordinate Bonds will not cause interest on any Tax-Exempt Bonds to be includable in gross income for federal income tax purposes. Upon such defeasance all rights of the City, including its right to provide for optional redemption of Subordinate Bonds on dates other than planned pursuant to such defeasance, shall cease unless
specifically retained by filing a written notification thereof with the Trustee on or prior to the date the Government Obligations are deposited with the Trustee.

Section 13.3. Notice of Defeasance.

(a) If money or Government Obligations have been deposited with the Trustee pursuant to Section 13.2 for payment of less than all Subordinate Bonds of a series and maturity, the Subordinate Bonds of such series and maturity to be so paid from such deposit shall be selected by the Trustee by lot by such method as shall provide for the selection of portions (in authorized denominations) of the principal of Subordinate Bonds of such series and maturity of a denomination larger than the smallest authorized denomination. Such selection shall be made within seven (7) days after the money or Government Obligations have been deposited with the Trustee. This selection process shall be in lieu of the selection process otherwise provided with respect to redemption of Subordinate Bonds in Article V. After such selection is made, Subordinate Bonds that are to be paid from such deposit (including Subordinate Bonds issued in exchange for such Subordinate Bonds pursuant to the transfer or exchange provisions of this Subordinate Ordinance) shall be identified by a separate CUSIP number or other designation satisfactory to the Trustee. The Trustee shall notify Owners whose Subordinate Bonds (or portions thereof) have been selected for payment from the money or Government Obligations on deposit and shall direct such Owners to surrender their Subordinate Bonds to the Trustee in exchange for Subordinate Bonds with the appropriate designation. The selection of Subordinate Bonds for payment from such
deposit pursuant to this subsection shall be conclusive and binding on the City.

The City shall give to the Trustee in form satisfactory to it irrevocable
instructions to give notice of the deposit of money or Government Obligations,
the selection of Subordinate Bonds to be redeemed including CUSIP numbers
and the anticipated date of redemption. The Trustee shall promptly give such
notice to the Owners including the information required under Section 5.3.

(b) In case any of the Subordinate Bonds, for the payment of which
money or Government Obligations have been deposited with the Trustee
pursuant to Section 13.2, are to be redeemed on any date prior to their maturity,
the City, in addition to any notice required under subsection (a) of this Section,
shall give to the Trustee in form satisfactory to it irrevocable instructions to give
notice of redemption of such Subordinate Bonds on the date fixed for
redemption for such Subordinate Bonds as provided in Section 5.3.

(c) In addition to the foregoing notice, in the event such Subordinate
Bonds to be redeemed are not by their terms subject to redemption within the
next succeeding 91 days, the Trustee shall give further notice to the Owners
that the deposit required by Section 13.2 has been made with the Trustee and
that said Subordinate Bonds are deemed to have been paid in accordance with
this Article and stating the maturity or date fixed for redemption or dates upon
which money is to be available for the payment of the principal or premium, if
any, on said Subordinate Bonds; such further notice shall be given promptly
following the making of the deposit required by Section 13.2; and such further
notice also shall be given in the manner set forth in Section 5.3(c); but no defect
in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of the deposit.

(d) If the City has retained any rights pursuant to the last sentence of Section 13.2, notice thereof shall be sent to Owners of such Subordinate Bonds as soon as practicable and not later than any notice required by subsections (a) or (b) of this Section.

(k) The City shall observe any payment procedures under such Credit Facility required by such Credit Provider as a condition to the issuance and delivery thereof.

Section 14.9. Consent of Owners. Any consent, request, direction, approval, objection or other instrument required by this Subordinate Ordinance to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and must be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing any such agent and of the ownership of Subordinate Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Subordinate Ordinance, and shall be conclusive in favor of the Trustee with regard to any action taken by it under such request or other instrument, namely: (a) the fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged the execution thereof, or by an affidavit of any witness to such execution; and (b) the Trustee may establish a record date for the purpose of identifying Owners entitled to issue any such consent, request, direction, approval or instrument.

BE IT ORDAINED BY THE CITY OF TACOMA:

ARTICLE I

DEFINITIONS

Section 1.1. Definitions. Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Master Subordinate Ordinance. In addition, as used in this First Supplemental Ordinance, the following words shall have the following meanings:

(a) “Designated Representative” means the officer of the City appointed in Section 3.4 to serve as the City’s representative in connection with the issuance and sale of the 2015A Note.
(b) “Note Purchase Agreement” means the agreement of that name by and between the City and the Purchaser, as the same shall be supplemented and amended.

(c) “Plan of Additions” means the system or plan of additions to and betterments and extensions of the Electric System described in Section 2.2, as such Plan may be amended, supplemented or revised from time to time consistent with the City’s Electric System Comprehensive Plan.

(d) “Purchaser” means Wells Fargo Municipal Capital Strategies, LLC, or its affiliate, and its successors and assigns.

(e) “2015A Note” means the City of Tacoma Electric System Subordinate Revenue Note, Series 2015A, authorized to be issued under the Master Subordinate Ordinance and this First Supplemental Ordinance.

(f) “2015A Note Proceeds” means proceeds of the sale of the 2015A Note.

(g) “2015A Note Projects” means the facilities and projects to be financed or refinanced in whole or in part from proceeds of the 2015A Note, as provided in Section 2.2.

ARTICLE II

PARITY AND OTHER FINDINGS

Section 2.1. Parity Findings. In connection with the issuance of the 2015A Note, the City hereby makes the following findings:

(a) There is, and as of the date of the issuance of the 2015A Note there will be, no deficiency in the Bond Fund, and no Event of Default, as defined in the
Master Subordinate Ordinance, has occurred or shall have occurred and be continuing.

(b) This First Supplemental Ordinance provides for the payment of the principal of and interest on the 2015A Note out of the Bond Fund.

(c) On the date of issuance of the 2015A Note, there will be on file with the City a certificate of the Finance Director demonstrating that during any 12 consecutive calendar months out of the immediately preceding 24 calendar months Net Revenues was at least equal to 1.0 times the projected Maximum Annual Debt Service for all Outstanding Senior Bonds plus the 2015A Note.

Section 2.2. Plan of Additions. The City specifies, adopts, and orders to be carried out the system or plan of additions to and betterments and extensions of the Electric System (the “Plan of Additions”) as generally provided for in the capital portions of the 2015-2016 Biennial Budget, as supplemented and amended, and in any subsequent such budgets if 2015A Note proceeds are available after 2015.

(a) The estimated cost of the Plan of Additions to be financed with the 2015A Note proceeds is not expected to exceed $100,000,000.

(b) The Plan of Additions shall include any amendments, supplements or revisions to the Electric System Comprehensive Plan. The Plan of Additions may be further modified by ordinance or resolution of the City.

(c) The Plan of Additions includes the purchase and installation of all materials, supplies, appliances, equipment (including, but not limited to, data processing hardware and software and conservation equipment) and facilities; the acquisition of all permits, franchises, property and property rights; other capital
assets; and all engineering, consulting, and other professional services and studies
(whether performed by the City or by other public or private entities) necessary or
convenient to carry out the Plan of Additions.

Section 2.3. Finding as to Sufficiency of Gross Revenue. The City
hereby finds and determines that the Revenues of the Electric System at the rates
to be charged for power and other services and commodities from the Electric
System will be more than sufficient to meet all Operating Expenses, to make all
required payments with respect to the Senior Bonds, and to permit the setting aside
into the Bond Fund out of the Revenues of amounts sufficient to pay the principal of
and interest on the 2015A Note when due at maturity and upon any mandatory
sinking fund redemption thereof. The City further finds and determines that in
creating the Bond Fund and in fixing the amounts to be paid into the Bond Fund, it
has exercised due regard for Operating Expenses, and the City has not bound and
obligated itself to set aside and pay into the Bond Fund a greater amount or
proportion of the Revenues than in the judgment of the City will be available over
and above the Operating Expenses.

WHEREAS the Council on April __, 2015, passed Ordinance No. _____ (the “Master Subordinate Ordinance”) to authorize a new issue of revenue bonds of the City junior and subordinate to the Senior Bonds to be known as the City of Tacoma Electric System Subordinate Revenue Bonds (the "Subordinate Bonds") in one or more series to finance costs of the Electric System, and

WHEREAS it is deemed necessary and advisable to have a general credit facility available, including for liquidity, for the Electric System, and

WHEREAS, the Public Utility Board of the City (the “Board”) has initiated and has recommended to the Council for its approval the issuance of Subordinate Bonds in the form of a note (the “2015B Note”) to provide general credit, including liquidity, for the Electric System and to pay costs of issuance, and

WHEREAS, the City deems it in the best interests of the City and its ratepayers that the 2015B Note be sold to and purchased by KeyBank National Association (the “Purchaser”) by private sale pursuant to a Note Purchase Agreement to be entered into between the City and the Purchaser (the “Note Purchase Agreement”), and
WHEREAS, the Council hereby finds and determines that any and all acts, conditions and things required to exist, to happen and to be performed, precedent to and in the incurring of the indebtedness to be evidenced by the 2015B Note, and in the issuing of the 2015B Note, as of the date of issuance thereof, shall exist, have happened and have been performed in due time, form and manner, as required by the Constitution and statutes of the State and the Charter of the City, and that the 2015B Note is within every debt limitation and other limit prescribed by the Constitution and statutes of the State and the Charter, and is not in excess of the amount of Subordinate Bonds permitted to be issued under the Master Subordinate Ordinance; Now, Therefore,

BE IT ORDAINED BY THE CITY OF TACOMA:

ARTICLE I

DEFINITIONS

(a) “Designated Representative” means the officers of the City appointed in Section 3.4 to serve as the City’s representative in connection with the issuance and sale of the 2015B Note.
(b) “Note Purchase Agreement” means the agreement of that name by and between the City and the Purchaser, as the same shall be supplemented and amended.

The City further finds and determines that in creating the Bond Fund and in fixing the amounts to be paid into the Bond Fund, it has exercised due regard for Operating Expenses, and the City has not bound and obligated itself to set aside and pay into the Bond Fund a greater amount or proportion of the Revenues than in the judgment of the City will be available over and above the Operating Expenses.
