RESOLUTION NO. 39236

BY REQUEST OF MAYOR STRICKLAND

A RESOLUTION providing for the submission of a proposition to the electors of the City of Tacoma, at the General Election to be held on November 3, 2015, authorizing the City to levy an additional 1.5 percent earnings tax on utility companies, and a levy lid lift of $0.20/$1,000 in assessed value over a period of ten years, for the sole purpose of funding repair and maintenance improvements for residential and arterial streets, freight access, and bike and pedestrian mobility in the City of Tacoma; setting forth the ballot proposition; requiring an annual progress report; and directing the City Clerk to transmit to the Pierce County Auditor a certified copy of this resolution.

WHEREAS the City Council has identified infrastructure improvement as one of its Strategic Goals, and

WHEREAS adequate and dedicated funding to preserve and maintain City streets continues to be a significant challenge for the City, and

WHEREAS the City Council and Council-appointed task forces have consistently identified the issue of sustainable, dedicated funding for basic maintenance of City and neighborhood streets and road safety upgrades, pothole repairs, repaving of streets and arterials, safety improvements at intersections, sidewalks and crosswalks near schools, and bridged maintenance and safety repairs as a top priority, and

WHEREAS RCW 35.22.280 permits first-class cities to levy a tax on the privilege of conducting utility businesses such as electrical energy, natural gas, or telephone business, and RCW 35.21.870 limits imposition of such taxes to a rate of six percent in the absence of approval by a majority of the voters of the City, and
WHEREAS RCW 84.55.050 provides for the levy of regular property taxes in an amount exceeding the limitations specified in Chapter 84.55 RCW if such increased levy is authorized by a proposition approved by a majority of the voters at the general election held within the taxing district (a “levy lid lift”), and

WHEREAS RCW 84.55.050 further provides that the proposition may limit the time period and purpose for which the increased levy is to be made and that, unless otherwise stated in the proposition, subsequent levies shall be computed as if the proposition had not been approved and the City had made levies at the maximum rates which would otherwise have been allowed, and

WHEREAS, if approved by the voters, the funds raised by a 1.5 percent increase in the utility earnings tax and levy lid lift of $0.20/$1,000 in assessed value over a period of ten years would be used exclusively to finance Citywide street maintenance improvements and safety upgrades, and

WHEREAS the City Council deems it necessary to submit to the qualified electors a proposed tax increase of 1.5 percent earnings tax on utility companies, and a levy lid lift of $0.20/$1,000 in assessed value over a period of ten years, to generate total revenues of $130,000,000, for the sole purpose of funding street maintenance improvements and safety upgrades as described herein, and

WHEREAS transparency and accountability of how funds are spent, the budgets of the projects, leverage of funds achieved and demonstration of progress made are critical to delivering the improvements promised to voters, and
WHEREAS, if the voters approve this proposition, the City Manager is
directed to prepare an annual progress report to be made available to the public
through the Transportation Commission to ensure transparency and
accountability, and

WHEREAS, in furtherance of transparency and accountability of how the
newly generated funds will be spent, it is the intent of the City to establish new
and separate funds to segregate the revenues collected as a result of this
measure, and to restrict the use of these funds for the purposes set forth in this
measure; Now, Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

Section 1. That the Pierce County Auditor, as ex officio supervisor of
elections in Pierce County, Washington, is hereby requested to submit to the

of Tacoma in the form substantially as follows:

Should this proposition be approved?

Yes. □

No □

Section 3. That, prior to August 4, 2015, the City Clerk shall send to the Pierce County Auditor, as ex officio supervisor of elections, a certified copy of this resolution, together with a proposition substantially in the form set forth above, for the November 3, 2015, General Election.

Section 4. WHEREAS an initiative petition ("Citizens Initiative No. 1") for the enactment of an ordinance intending to establish a minimum wage in the City of Tacoma has been signed by registered voters equal in number to at least 10 percent of the total votes cast in the last preceding mayoral election and has been transmitted to the City Council pursuant to the provisions of the City Charter, and

WHEREAS, under the City Charter, the City Council may enact, reject, or take no action on an ordinance proposed by the initiative process within 30 days, and

WHEREAS the City Council has chosen not to take final action on Citizens’ Initiative No. 1, and to submit the proposal to the people at the November 3, 2015, General Election, and

WHEREAS a Minimum Wage Task Force ("Task Force") was established on May 5, 2015, through Resolution No. 39187, and Resolution No. 39194 increased the Task Force membership to 15 members and two alternates, to consist of nine City Council nominees intended to be geographically and culturally diverse to represent the entire Tacoma community, six members representing business and citizen groups, and two alternates, and
WHEREAS the Task Force met eight times between May 28, 2015, and

adopted Resolution No. 39231, accepting the Task Force’s final report, which 
contained two proposals (A and B), and 

WHEREAS the Task Force members agreed that raising the minimum hourly 
wage in Tacoma from $9.47 to $15 on January 1, 2016, would be unprecedented 
and very difficult for small businesses and small non-profit organizations to 
implement, and that raising the minimum wage should be done incrementally, in 
phases or steps over time, and 

WHEREAS, while the Task Force agreed on a number of elements of an 
alternative proposal to the initiative that will appear on the November 2015 ballot, it 
did not reach unanimous agreement on a single alternative, and ultimately offered 
the Mayor and City Council two options for phasing in increases to the minimum 
wage, and 

WHEREAS Proposal A was endorsed by nine Task Force members, and 
would achieve a minimum hourly wage of $15 for everyone working in Tacoma by 
2024, and, for businesses with 150 or more employees, the minimum hourly wage 
for employees would be $15 by 2020, and 

WHEREAS Proposal B was endorsed by six Task Force members, and 
would achieve a minimum hourly wage of $12 for everyone working in Tacoma by 
2019, and
WHEREAS the City Council discussed options at the July 7, 2015, Special
Study Session, and Mayor Strickland agreed to bring forward an alternative for City
Council consideration at the July 14, 2015, Council meeting, and

WHEREAS the City Council has decided to propose an alternative to
Citizens Initiative No. 1 with a ballot title as required under RCW 29A.72.050, and

WHEREAS, if approved by the voters, the alternative proposal to Citizens
Initiative No. 1B would establish minimum wage rates for employees aged 16 and
over performing work in the City of Tacoma of not less than $10.35 per hour
beginning February 1, 2016; $11.15 per hour beginning January 1, 2017; and
$12.00 per hour beginning January 1, 2018, adjusted annually thereafter based on
the Consumer Price Index (CPI) as calculated and used by the state of Washington

Initiative No. 1 as set forth in the attached Exhibit “A,” establishing minimum wage

ORDINANCE NO. 28305

AN ORDINANCE relating to the Department of Public Utilities, Water Division (dba “Tacoma Water”) amending Section 12.10.400 of the Tacoma Municipal Code to revise water regulations and rates.

WHEREAS Resolution No. 36675, adopted October 18, 2005, authorized the Department of Public Utilities, Water Division (dba “Tacoma Water”) to enter into a water supply contract with Simpson Tacoma Kraft Company (“Simpson”) to serve the Tacoma pulp and paper mill, commencing January 1, 2006, and ending on July 31, 2015, which agreement included an option for two, five-year extensions upon mutual agreement of the parties (“Agreement”), and

WHEREAS RockTenn, CP LLC (“RockTenn”), a wholly-owned subsidiary of Rock-Tenn Company, acquired substantially all of Simpson’s assets through a 2014 purchase agreement, and the Public Utility Board, through Resolution No. U-10686, consented to the assignment of the Agreement from Simpson to RockTenn, and

WHEREAS two significant changes have occurred during the period that the parties were engaged in discussions regarding a renegotiated water supply agreement: (1) the Simpson Tacoma Kraft mill was purchased by RockTenn in May 2014; and (2) a merger between RockTenn and MeadWestvaco was announced in January 2015 and is currently pending, and

WHEREAS, in May 2014, the U.S. Environmental Protection Agency announced regulatory standards affecting cooling water intakes, which could significantly affect the mill’s two existing saltwater intakes in Commencement Bay, and

-1-
WHEREAS RockTenn requires time to comprehensively evaluate its water supply needs in the context of recent ownership transitions and pending federal regulations, and

WHEREAS, pursuant to Section 9 of the Agreement, the City Council delegated authority to the Public Utility Board to approve Tacoma Water and RockTenn’s request that the Agreement be extended for an additional five-year period, from July 31, 2015, through July 31, 2020, to enable the parties to collaboratively develop solutions to the mill’s future water supply needs in a manner that accounts for joint environmental and financial sustainability objectives, and work in good faith toward a renegotiated agreement, and

WHEREAS RockTenn pulp and paper mill is the largest customer of Tacoma Water, paying $5.8 million for 16.6 million gallons per day of water in 2014, which represents 8.3 percent of Tacoma Water’s service revenues and nearly 33 percent of all water deliveries by volume, and

WHEREAS, in accordance with the terms and conditions of the Agreement, it is necessary to amend Section 12.10.400 of the Tacoma Municipal Code to revise regulation language, extend existing water rates through December 31, 2015, and provide for an increase of 4 percent for said rates beginning January 1, 2016, and

WHEREAS the extended Agreement will benefit Tacoma Water by allowing it to reliably project the stream of revenue derived from the Agreement, and

WHEREAS the Public Utility Board considered and approved the extension of the Agreement and proposed rate adjustments at its meeting of June 17, 2015;

Now, Therefore,
BE IT ORDAINED BY THE CITY OF TACOMA:

That Section 12.10.400 of the Tacoma Municipal Code is hereby amended as set forth in the attached Exhibit “A” and as required to implement the extension of the Agreement.
