(e) Payment Dates. Interest must be payable at fixed rates annually on such dates as are acceptable to the Designated Representative, commencing no later than one year following the Issue Date.

(f) Final Maturity. The Bonds shall mature no later than the date that is 22 years after the Issue Date.

(g) Redemption Rights. The Bonds shall be subject to redemption in accordance with Section 8.

(h) Price. The purchase price for the Bonds may not be less than 97 percent or more than 101 percent of the stated principal amount of Bonds.

(i) General Authorization. The Designated Representative is also authorized to take such additional action as may be necessary or convenient to issue the Bonds pursuant to the terms of this ordinance.

Section 6. Registration and Transfer of Bonds. The Bonds shall be issued only in registered form as to both principal and interest and shall be recorded on the Bond Register. Bonds may be transferred only if endorsed in the manner provided thereon and surrendered to the Bond Registrar. The transfer of a Bond shall be by the Bond Registrar's receiving the Bond to be transferred, cancelling it and issuing a new certificate in the form of the Bonds to the transferee after
registering the name and address of the transferee on the Bond Register. The
new certificate shall bear the same Bond number as the transferred Bond but may
have a different inventory reference number or control number. Any exchange or
transfer shall be without cost to the owner or transferee. The Bond Registrar shall
not be obligated to exchange or transfer any Bond during the 15 days preceding
any principal payment or redemption date.

The Bonds initially shall be registered in the name of Cede & Co., as the
nominee of DTC. The Bonds so registered shall be held in fully immobilized form
by DTC as depository in accordance with the provisions of the Letter of
Representations. Neither the City nor the Bond Registrar shall have any
responsibility or obligation to DTC participants or the persons for whom they act as
nominees with respect to the Bonds regarding accuracy of any records maintained
by DTC or DTC participants of any amount in respect of principal of or interest on
the Bonds, or any notice which is permitted or required to be given to registered
owners hereunder (except such notice as is required to be given by the Bond
Registrar to DTC).

For as long as any Bonds are held in fully immobilized form, DTC, its
nominee or its successor depository shall be deemed to be the registered owner
for all purposes hereunder and all references to registered owners, bondowners,
bondholders or the like shall mean DTC or its nominee and shall not mean the
owners of any beneficial interests in the Bonds. Registered ownership of such
Bonds, or any portions thereof, may not thereafter be transferred except: (a) to
any successor of DTC or its nominee, if that successor shall be qualified under any
applicable laws to provide the services proposed to be provided by it; (b) to any substitute depository appointed by the City or such substitute depository's successor; or (c) to any person if the Bonds are no longer held in immobilized form.

Upon the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or a determination by the City that it no longer wishes to continue the system of book entry transfers through DTC or its successor (or any substitute depository or its successor), the City may appoint a substitute depository. Any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it.

If (i) DTC or its successor (or substitute depository or its successor) resigns from its functions as depository, and no substitute depository can be obtained, or (ii) the City determines that the Bonds are to be in certificated form, the ownership of Bonds may be transferred to any person as provided herein and the Bonds no longer shall be held in fully immobilized form.

Section 7. Payment of Bonds. Both principal of and interest on the Bonds shall be payable solely out of the Bond Fund or from the Local Improvement Guaranty Fund of the City, and shall be payable in lawful money of the United States of America. Interest on the Bonds shall be paid by checks or drafts mailed to the registered owners on the interest payment date at the addresses appearing on the Bond Register on the 15th day of the month preceding the interest payment date or upon the written request of a registered owner of more than $1,000,000 of Bonds (received by the Bond Registrar at least 15 days prior to the applicable
payment date), such payment shall be made by the Bond Registrar by wire transfer to the account within the continental United States designated by the registered owner. Principal of the Bonds shall be payable upon presentation and surrender of the Bonds by the registered owners at the principal office of the Bond Registrar.

Notwithstanding the foregoing, for as long as the Bonds are registered in the name of DTC or its nominee, payment of principal of and interest on the Bonds shall be made in the manner set forth in the Letter of Representations.

Section 8. Redemption Provisions and Open Market Purchase of Bonds.

(a) Optional Redemption. The City reserves the right to prepay and redeem the Bonds, in whole or in part, prior to their stated maturity on any date at the redemption price of par plus accrued interest thereon to the redemption date as set forth in the Bond Purchase Contract.

(b) Mandatory Redemption. The City shall call Bonds for redemption on each interest payment date, which may be in order of an estimated redemption schedule (if provided in the Bond Purchase Contract), whenever there shall be sufficient money in the Bond Fund to pay the Bonds so called over and above the amount required for the payment of the interest payable on that interest payment date on all unpaid Bonds.

(c) Selection of Bonds for Redemption; Partial Redemption. All or a portion of the principal amount of any Bond that is subject to optional redemption may be redeemed in any Authorized Denomination. If less than all of the outstanding principal amount of any Bond is redeemed, upon surrender of that Bond to the Bond Registrar, there shall be issued to the registered owner, without
charge, a new Bond (or Bonds, at the option of the registered owner) of the same
interest rate in any Authorized Denomination (or any Authorized Denomination plus
such amount as determined by the Designated Representative as provided in
Section 5(c)) in the aggregate principal amount remaining unredeemed. While a
Bond is held in book-entry form by DTC or its nominee, selection of the principal
portion of any Bond to be partially redeemed shall be done in accordance with the
Letter of Representations. If a Bond ceases to be held in book-entry form by DTC
or its nominee, the portion to be partially redeemed shall be selected randomly in
such manner as the Bond Registrar shall determine.

(d) Notice of Redemption. While a Bond is held in book-entry form
by DTC or its nominee, notice of redemption shall be given as required in
accordance with the Letter of Representations, and the Bond Registrar shall not be
required to give any other notice of redemption. If a Bond ceases to be held in
book-entry form by DTC or its nominee, unless waived by the registered owner of
the Bond to be redeemed, the City shall cause notice of an intended redemption of
Bonds to be given by the Bond Registrar not less than 15 nor more than 30 days
prior to the date fixed for redemption by first-class mail, postage prepaid, to the
registered owner of each Bond to be redeemed at the address appearing on the
Bond Register at the time the Bond Registrar prepares the notice. The
requirements of the preceding sentence shall be satisfied when notice has been
mailed as so provided, whether or not it is actually received by an owner of any
Bond. In addition, the redemption notice shall be mailed or sent electronically
within the same period to the MSRB (if required under the Undertaking), to each
Rating Agency, and to such other persons and with such additional information as
the Finance Director shall determine, but these additional mailings shall not be a
condition precedent to the redemption of a Bond.

(e) Rescission of Redemption. In the case of any optional
redemption, the notice of redemption may state that the City retains the right to
rescind the redemption notice and the redemption of those Bonds by giving a
notice of rescission to the affected registered owners at any time prior to the
scheduled optional redemption date. Any notice of redemption that is so rescinded
shall be of no effect, and a Bond for which a notice of redemption has been
rescinded shall remain outstanding.

(f) Effect of Redemption. Interest on Bonds called for redemption or
prepaid shall cease to accrue on the date fixed for redemption, unless the notice of
redemption is rescinded as set forth above.

(g) Open Market Purchase. The City reserves the right to purchase
any or all of the Bonds at any time at any price acceptable to the City plus accrued
interest to the date of purchase.

Section 9. Failure to Redeem Bonds. If any Bond is not redeemed when
properly presented at its maturity or call date, the City shall be obligated to pay
interest on that Bond at the same rate provided in the Bond from and after its
maturity or call date until that Bond, both principal and interest, is paid in full or until
sufficient money for its payment in full is on deposit in the Bond Fund and the Bond
has been called for payment.
Section 10. Covenants. The City covenants that: (a) it will diligently
commence and pursue the collection of all delinquent assessments, which pursuit
shall include the immediate initiation of foreclosure proceedings on assessments of
properties in the LIDs consolidated herein which are delinquent; and (b) it will
maintain money or lawful investments from time to time in the City’s Local
Improvement Guaranty Fund in an amount (based on current market values),
subject only to constitutional or statutory limitations, that shall be at least equal to
10 percent of the total principal amount of all obligations guaranteed by the City’s
Local Improvement Guaranty Fund, plus accrued but unpaid interest thereon, and
less the total amount of money and lawful investments in the respective bond
funds for payment and redemption of all outstanding obligations guaranteed by the
City’s Local Improvement Guaranty Fund.

Section 11. Pledge of Assessment Payments. Assessments collected in
the LIDs, together with interest and penalties, if any, are pledged to the payment of
the Bonds which are payable solely out of the Bond Fund and the Local
Improvement Guaranty Fund of the City, all in the manner provided by law. The
Bonds are not general obligations of the City.

Section 12. Form and Execution of Bonds. The Bonds shall be prepared in
a form consistent with the provisions of this ordinance and state law and shall be
signed by the Mayor and the City Clerk, either or both of whose signatures may be
manual or in facsimile, and the seal of the City or a facsimile reproduction thereof
shall be impressed or printed thereon.
Only Bonds bearing a Certificate of Authentication in the following form, manually signed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this ordinance: “Certificate of Authentication. This Bond is one of the fully registered City of Tacoma, Washington, Consolidated Local Improvement District No. 64 Bonds, described in the Bond Ordinance.” The authorized signing of a Certificate of Authentication shall be conclusive evidence that the Bond so authenticated has been duly executed, authenticated and delivered and is entitled to the benefits of this ordinance.

If any officer whose facsimile signature appears on the Bonds ceases to be an officer of the City authorized to sign bonds before the Bonds bearing his or her facsimile signature are authenticated or delivered by the Bond Registrar or issued by the City, those Bonds nevertheless may be authenticated, issued, and delivered and, when authenticated, issued, and delivered, shall be as binding on the City as though that person had continued to be an officer of the City authorized to sign bonds. Any Bond also may be signed on behalf of the City by any person who, on the actual date of signing of the Bond, is an officer of the City authorized to sign bonds, although he or she did not hold the required office on the date of issuance of the Bond.

Section 13. Bond Registrar. The Bond Registrar shall keep, or cause to be kept, at its office, sufficient books for the registration, assignment or transfer of the Bonds, which books shall be open to inspection by the City at all times. The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of the Bonds and this
ordinance, to serve as the City's paying agent for the Bonds and to carry out all of
the Bond Registrar's powers and duties under this ordinance and City Ordinance
No. 22999 establishing a system of registration for the City's bonds and
obligations.

The Bond Registrar shall be responsible for its representations contained in
the Bond Registrar's Certificates of Authentication on the Bonds.

Section 14. Preservation of Tax Exemption for Interest on Bonds. The City
covenants that it will take all actions necessary to prevent interest on the Bonds
from being included in gross income for federal income tax purposes, and it will
neither take any action nor make or permit any use of proceeds of the Bonds or
other funds of the City treated as proceeds of the Bonds at any time during the
term of the Bonds which will cause interest on the Bonds to be included in gross
income for federal income tax purposes. The City also covenants that it will, to the
extent the arbitrage rebate requirement of Section 148 of the Code, is applicable to
the Bonds, take all actions necessary to comply (or to be treated as having
complied) with that requirement in connection with the Bonds, including the
calculation and payment of any penalties that the City has elected to pay as an
alternative to calculating rebatable arbitrage, and the payment of any other
penalties if required under Section 148 of the Code to prevent interest on the
Bonds from being included in gross income for federal income tax purposes.

Section 15. Use of Bond Proceeds. Proceeds of the Bonds shall be used
to finance the costs of carrying out improvements in the LIDs, including without
limitation repayment of all or a part of amounts outstanding under the Note, and to

-15-
pay the costs of issuance of the Bonds. Until needed to pay those costs, the City may invest principal proceeds temporarily in any legal investment, and the investment earnings may be retained in the respective local improvement district funds or accounts therein and be spent for the purposes of those funds, and earnings subject to a federal tax or rebate requirement may be used for those tax or rebate purposes.

Proceeds of the Bonds that are not used for the purposes authorized in Section 4 shall be deposited in the Bond Fund and used to redeem outstanding Bonds on the next interest payment date.

Section 16. Sale and Delivery of the Bonds.

(a) Manner of Sale of Bonds; Delivery of Bonds. The Designated Representative is authorized to sell the Bonds by negotiated sale or private placement based on the assessment of the Designated Representative of market conditions, in consultation with appropriate City officials and staff, Bond Counsel and other advisors. In determining the method of sale of the Bonds and accepting the final terms of the Bonds, the Designated Representative shall take into account those factors that, in the judgment of the Designated Representative, may be expected to result in the lowest true interest cost to the City.

(b) Procedure for Negotiated Sale or Private Placement. If the Designated Representative determines that the Bonds are to be sold by negotiated sale or private placement, the Designated Representative shall select one or more Purchasers with which to negotiate such sale. The Bond Purchase Contract for the Bonds shall set forth the final terms of the Bonds. The Designated
Representative is authorized to execute the Bond Purchase Contract on behalf of the City, so long as the terms provided therein are consistent with the terms of this ordinance.

(c) Preparation, Execution and Delivery of the Bonds. The Bonds will be prepared at City expense and will be delivered to the Purchaser in accordance with the Bond Purchase Contract, with the approving legal opinion of Bond Counsel regarding the Bonds.

Section 17. General Authorization. The Finance Director and other proper City officials are authorized and directed to do everything necessary for the prompt delivery of the Bonds to the Purchaser, including without limitation the execution of the Official Statement on behalf of the City, and for the proper application and use of the proceeds of the sale thereof.

Section 18. Official Statement.

(a) Preliminary Official Statement Deemed Final. The City Council authorizes the Designated Representative to review and if acceptable to him or her, approve a preliminary official statement in connection with the offering of the Bonds to the public. For the sole purpose of the Purchaser’s compliance with paragraph (b)(1) of Rule 15c2-12, if applicable, the Designated Representative is authorized to “deem final” such preliminary official statement as of its date, except for the omission of information permitted to be omitted by Rule 15c2-12.

(b) Approval of Final Official Statement. In addition, the City authorizes and approves the preparation, execution by the Designated Representative and delivery to the Purchaser of a final official statement for the
Bonds, in the form of the preliminary official statement, with such modifications and
amendments thereto as shall be deemed necessary or desirable by the City.

The City authorizes the Designated Representative to approve the
distribution by the Purchaser of the preliminary official statement and the final
official statement to potential purchasers and purchasers of the Bonds. The City
agrees to cooperate with the Purchaser to deliver or cause to be delivered, within
seven business days from the date of the sale of the Bonds and in sufficient time to
accompany any confirmation that requests payment from any customer of the
Purchaser, copies of a final official statement in sufficient quantity to comply with
Section (b)(4) of Rule 15c2-12 and the rules of the MSRB.

Section 19. Undertaking to Provide Continuing Disclosure. If necessary to
meet the requirements of paragraph (b)(5) of Rule 15c2-12, as applicable to a
participating underwriter for the Bonds, the City makes the following written
 Undertaking for the benefit of holders of the Bonds:

(a) Undertaking to Provide Annual Financial Information and Notice
of Listed Events. The City undertakes to provide or cause to be provided, either
directly or through a designated agent, to the MSRB, in an electronic format as
prescribed by the MSRB, accompanied by identifying information as prescribed by
the MSRB:

(i) Annual financial information and operating data of the type
included in the final official statement for the Bonds and described in subsection (b)
of this section ("annual financial information");
(ii) Timely notice (not in excess of 10 business days after the occurrence of the event) of the occurrence of any of the following events with respect to the Bonds: (1) principal and interest payment delinquencies; (2) non-payment related defaults, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notice of Proposed Issue (IRS Form 5701 – TEB) or other material notices or determinations with respect to the tax status of the Bonds; (7) modifications to rights of holders of the Bonds, if material; (8) bond calls (other than scheduled mandatory redemptions of Term Bonds), if material, and tender offers; (9) defeasances; (10) release, substitution, or sale of property securing repayment of the Bonds, if material; (11) rating changes; (12) bankruptcy, insolvency, receivership or similar event of the City, as such “Bankruptcy Events” are defined in Rule 15c2-12; (13) the consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of the assets of the City other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and (14) appointment of a successor or additional trustee or the change of name of a trustee, if material.
(iii) Timely notice of a failure by the City to provide required
annual financial information on or before the date specified in subsection (b) of this
section.

(b) Type of Annual Financial Information Undertaken to be Provided.
The annual financial information that the City undertakes to provide in
subsection (a) of this section:

(i) Shall consist of (1) annual financial statements prepared
(except as noted in the financial statements) in accordance with generally
accepted accounting principles applicable to State local governmental units such
as the City, as such principles may be changed from time to time, which
statements shall not be audited, except, however, that if and when audited
financial statements are otherwise prepared and available to the City they will be
provided; (2) a statement of the outstanding balance of obligations secured by the
Local Improvement Guaranty Fund; (3) the balance of cash and investments
(based on market value) in the Local Improvement Guaranty Fund at fiscal year
end; and (4) a statement of the amount of assessments that the City billed in that
fiscal year, and the amount collected for all LIDs secured by the Local
Improvement Guaranty Fund;

(ii) Shall be provided not later than the last day of the ninth
month after the end of each fiscal year of the City (currently, a fiscal year ending
December 31), as such fiscal year may be changed as required or permitted by
State law, commencing with the City’s fiscal year ending December 31, 2015; and
(iii) May be provided in a single or multiple documents, and may be incorporated by specific reference to documents available to the public on the Internet website of the MSRB or filed with the SEC.

(c) Amendment of Undertaking. The Undertaking is subject to amendment after the primary offering of the Bonds without the consent of any holder of any Bond, or of any broker, dealer, municipal securities dealer, participating underwriter, rating agency or the MSRB, under the circumstances and in the manner permitted by Rule 15c2-12. The City will give notice to the MSRB of the substance (or provide a copy) of any amendment to the Undertaking and a brief statement of the reasons for the amendment. If the amendment changes the type of annual financial information to be provided, the annual financial information containing the amended financial information will include a narrative explanation of the effect of that change on the type of information to be provided.

(d) Beneficiaries. The Undertaking evidenced by this section shall inure to the benefit of the City and any beneficial owner of Bonds, and shall not inure to the benefit of or create any rights in any other person.

(e) Termination of Undertaking. The City’s obligations under this Undertaking shall terminate upon the legal defeasance of all of the Bonds. In addition, the City’s obligations under this Undertaking shall terminate if those provisions of Rule 15c2-12 which require the City to comply with this Undertaking become legally inapplicable in respect of the Bonds for any reason, as confirmed by an opinion of nationally recognized bond counsel or other counsel familiar with
federal securities laws delivered to the City, and the City provides timely notice of such termination to the MSRB.

(f) Remedy for Failure to Comply with Undertaking. As soon as practicable after the City learns of any failure to comply with the Undertaking, the City will proceed with due diligence to cause such noncompliance to be corrected. No failure by the City or other obligated person to comply with the Undertaking shall constitute a default in respect of the Bonds. The sole remedy of any beneficial owner of a Bond shall be to take such actions as that beneficial owner deems necessary, including seeking an order of specific performance from an appropriate court, to compel the City or other obligated person to comply with the Undertaking.

(g) Designation of Official Responsible to Administer Undertaking. The Finance Director (or such other officer of the City who may in the future perform the duties of that office) or his or her designee is authorized and directed in his or her discretion to take such further actions as may be necessary, appropriate or convenient to carry out the Undertaking of the City in respect of the Bonds set forth in this section and in accordance with Rule 15c2-12, including, without limitation, the following actions:

(i) Preparing and filing the annual financial information undertaken to be provided;

(ii) Determining whether any event specified in subsection (a) has occurred, assessing its materiality, where necessary, with respect to the Bonds, and preparing and disseminating any required notice of its occurrence;
(iii) Determining whether any person other than the City is an
“obligated person” within the meaning of Rule 15c2-12 with respect to the Bonds,
and obtaining from such person an undertaking to provide any annual financial
information and notice of listed events for that person in accordance with Rule
15c2-12;

If a court of competent jurisdiction, all appeals having been exhausted or all appeal periods having run, finds any provision of this ordinance to be invalid or unenforceable as to any person or circumstance, such offending provision shall, if feasible, be deemed to be modified to be within the limits of enforceability or validity. However, if the offending provision cannot be so modified, it shall be null and void with respect to the particular person or circumstance, and all other provisions of this ordinance in all other respects, and
