Now; Therefore,
BE IT ORDAINED BY THE CITY OF TACOMA:

Section 1. Definitions.

For the purposes of this Franchise, the following terms, phrases, words, and their derivations shall have the meaning given herein; words not defined herein which are defined in Title 16B, shall have the same meaning or be interpreted as provided in Title 16B. Words not defined here or in Title 16B shall be construed consistently with Title 47 of the United States Code, and if not therein, they shall have their common and ordinary meaning. A reference to any Title of the Tacoma Municipal Code (“TMC”) or to the City’s Charter refers to the same as may be amended from time to time.

1.1 “City” means the City of Tacoma, a municipal corporation of the state of Washington, and all departments, divisions, and agencies thereof, including Tacoma Public Utilities.

1.2 “City Manager” means the City Manager or the City Manager’s designee.

1.3 Intentionally Omitted.

1.4 “Communications system” refers to a telecommunications system.

1.5 “Construction, operation, or repair” and similar formulations of this term mean the named actions interpreted broadly, encompassing, among other things, installation, extension, maintenance, replacement, or components, relocation, undergrounding, grading, site preparation, adjusting, testing, make-ready, and excavation.
1.6 “Customer” means any Person or entity who legally receives within the corporate limits of the City any one or more of the services provided by the Telecommunications System.

1.7 “Facilities” or “Installations” are and refer to and include, but are not limited to, plant, systems, improvements, and equipment owned, leased, or otherwise used by Franchisee, such as poles, fiber, wires, fixtures, equipment, underground circuits, and conduit in Public Rights-of-Way and other property necessary or convenient for the transmission and distribution of communications service where such facilities are located. “Facilities” or “Installations,” when used without a modifier, shall be considered to encompass both Overhead Facilities/Installations and Underground Facilities/Installations.

1.8 “Franchise” means the rights granted by this Franchise and conditioned as set forth herein, and under the TMC and the City Charter.

1.9 “Franchise Area” means that area within the present and future corporate limits of Tacoma.

1.10 “Franchisee” is Astound Broadband, LLC, a Washington limited liability company, with its home office at 401 Kirkland Parkplace, Suite 500, Kirkland, WA  98033.

1.11 “Gross Receipts,” for purposes of this Franchise, means any and all receipts or income received directly or indirectly by Franchisee, which is derived from the operation of its System in the City, minus uncollectibles. Gross Receipts shall include, by way of example and not limitation, revenues from its Telecommunications Service, all fees, late fees, installation and connection fees,
upgrade and downgrade fees, and rental fees. The term Gross Receipts shall not include any taxes on Services furnished by Franchisee imposed by any municipality, state, or other governmental unit and collected by Franchisee for such governmental unit, nor shall the term include any wholesale services provided by Franchisee upon which fees or taxes have already been levied within the City.

1.12 “Operator,” when used with reference to a system, refers to a Person (a) who provides service over a Communications System and directly or through one or more affiliates owns a significant interest in such facility; or (b) who otherwise controls or is responsible for, through any arrangement, the management and operation of such a facility. A Person that operates under agreement of a Telecommunications System or a specific portion of a Telecommunications System to provide Telecommunications Services shall be treated as an Operator for purposes of this Franchise.

1.13 “Overhead Facilities” refers to electric utility and Communications Facilities located above the surface of the ground, including the underground supports and foundations for such Facilities.

1.14 “Person” includes any individual corporation, partnership, association, joint stock company, trust, or any other legal entity, but not the City for purposes hereof.

1.15 “Public Rights-of-Way” mean the public streets and easements over which, under the City Charter, the TMC, City ordinances, and applicable laws, the City has authority to grant Franchises, permits, or Licenses for use thereof or has regulatory authority there over, but expressly excluding railroad
rights-of-way/crossings, airport, and harbor areas. Public Rights-of-Way, for the purpose of this Franchise, do not include buildings, parks, poles, conduits, or similar facilities or property owned by or leased to the City, including, by way of example and not limitation, structures in the Public Rights-of-Way such as utility poles and light poles.

1.16 “System” means the Telecommunications System.

1.17 “Telecommunications Service” or “Service” means the transmission for hire of information in electronic or optical form, including, but not limited to, voice, video, or data, whether or not the transmission medium is owned by the provider itself. Telecommunications Service includes telephone service but does not include cable TV or commercial video service or over-the-air broadcasts to the public-at-large from facilities licensed by the Federal Communications Commission or any successor thereto.

1.18 “Telecommunications System” means a tangible facility that is used to provide one or more Telecommunications Services, any portion of which occupies Public Right-of-Way. The term Telecommunications System, by way of example and not limitation, includes wires, equipment cabinets, guys, conduit, radio transmitting towers, poles, other supporting structures, and associated and appurtenant facilities used to transmit telecommunications signals. The term Telecommunications System includes all devices mounted on light poles in the Public Rights-of-Way through which Telecommunications Services are originated or terminated. An Open Video System is not a Telecommunications System to the extent that it provides only video services; a Cable System is not a
Telecommunications System to the extent that it provides only Cable Service. The term Telecommunications System includes any of the tangible components of a Telecommunications System which occupies Public Rights-of-Way.

1.19 “Telephone Service” means the providing by any person of access to a local telephone network, local telephone network switching service, intrastate toll service, or coin telephone service, or providing telephonic, video, data, or similar communication or transmission for hire via a local telephone network, toll line, channel, cable, microwave, or similar communication or transmission system. Telephone Service includes intrastate or interstate service, including toll service, originating from, or received on, communications equipment or apparatus in this State if the charge for the service is billed to a person in this State. Telephone Service does not include the providing of competitive Telephone Service as defined in TMC 6A.40.030, the providing of cable television service, or the providing of broadcast services by radio or television stations.

1.20 “Title,” when used alone in the context of referring to this Title of the TMC, shall mean Title 16 (and more specifically Title 16B) of the TMC.

1.21 “Underground Facilities” refers to electric utility and Communications Facilities located under the surface of the ground, excluding the underground foundations or supports for Overhead Facilities.

Section 2. Franchise.

2.1 Grant of Franchise. The City hereby grants to Franchisee a non-exclusive Franchise which, once it becomes effective, shall authorize Franchisee to use the City’s Public Rights-of-Way within the Franchise Area to
construct, repair, and operate a fiber optic Telecommunication System to provide
Telecommunication Service and internet access service, and to use the City's
Public Rights-of-Way as authorized herein.

Such grant is subject to and must be exercised in strict accordance
with this Franchise Agreement, Title 16B and other applicable provisions of the
TMC, and the Tacoma City Charter, including, but not limited to, the provisions set
forth in Article VIII of the Charter, and this Franchise may be revoked under
Section 2.5 if it is not so exercised. The exercise of any rights pursuant to this
Franchise is subject to the exercise of the City's police powers, and other regulatory
powers as the City may have or obtain in the future, and all rights granted herein
must be exercised in strict accordance with applicable laws, including, by way of
example and not limitation, zoning codes and permitting requirements. No rights
shall pass to Franchisee by implication. This Franchise shall constitute both a right
and an obligation to provide the services of the Telecommunications System as
required by the provisions of this Franchise.

The grant of this Franchise is limited to the purpose of Franchisee
providing Telecommunications Service and internet access service. This Franchise
does not include permission to provide cable service, as defined in 47 U.S.C. § 522,
multichannel video programming, open video systems, or uses other than
Telecommunications Service.

Notwithstanding the above grant to use Public Rights-of-Way, no
Public Rights-of-Way shall be used by Franchisee if the City, in its opinion,
determines that such use is inconsistent with the terms, conditions or provisions by
which such Public Right-of-Way was created or dedicated, or presently used under applicable laws.

In the event of any conflict between a provision in this Franchise and any provision of the City Charter, which Charter is incorporated herein by reference, the applicable provision of the Charter shall control over any inconsistent provision of this Franchise.

2.2 Franchise Term. The term of the Franchise shall be ten years unless terminated sooner in accordance with this Franchise, Title 16B, or the City Charter. At the expiration of the term, Franchisee may apply to extend or renew the Franchise as provided in TMC 16B.02.100.

2.3 Franchise Non-Exclusive. The Franchise granted herein shall be non-exclusive.

2.4 Transfers, Generally.

A. Any transfer of this Franchise, as the term “Transfer” is defined in TMC 16B.01.030.Y., shall be accomplished in accordance with TMC 16B.02.120. Any Transfer not made in accordance with TMC 16B.02.120, may be considered a substantial violation of this Franchise by the City and may subject the Franchise to termination proceedings by the City as provided herein and in Title 16B.

B. Applications for approval of any Transfer shall be filed in accordance with procedures set out in Title 16B.

C. Franchisee shall, within 60 days of the closing date of any Transfer, file with the City Clerk a copy of the deed, agreement, contract, mortgage,
lease, SEC filing, or other written instrument evidencing such sale, lease,
contractual agreement, mortgage, assignment or Transfer, certified and sworn to as
correct by Franchisee, subject to any confidentiality provisions in any such
document. Every such Transfer, whether voluntary or involuntary, may be deemed
void and of no effect as to the effectiveness of this Franchise by the City unless
Franchisee files the required copy within the 60-day period.

D. The requirements of this section shall not be deemed to
prohibit the use of Franchisee’s property as collateral for security in financing the
construction or acquisition of all or part of the Telecommunications System
franchised hereunder, provided that no such security shall purport to attach to the
City’s real property interest in the Public Right-of-Way. In addition, no such
arrangement may be made if it would in any respect under any condition prevent
the Operator or any successor from complying with the Franchise and applicable
law. Any mortgage, pledge or lease shall be subject to and subordinate to the
rights of the City under this Franchise, and other applicable law.

2.5 Revocation. In addition to any rights set out elsewhere in this
Franchise, the City Charter, or Title 16, subject to the notice and cure provisions
contained in TMC 16B.05.100, the City reserves the right to declare a forfeiture or
otherwise revoke this Franchise, and all rights and privileges pertaining thereto, as
provided in Title 16B or in the event that:

A. Franchisee is in non-compliance with a material provision
of this Franchise; or
B. Franchisee is found to have engaged in any actual or attempted fraud or deceit upon the City, Persons, or Customers in the City; or

C. Franchisee fails to obtain and maintain any permit required by any federal or state regulatory body or by the City, relating to the construction, repair and operation of the Facilities within the Public Rights-of-Way within the Franchise Area; or

D. At any time during the term of the Franchise, Franchisee fails to provide and maintain all of the securities required under this Franchise, including, but not limited to, the performance bond required under this Franchise; fails to maintain the insurance required by this Franchise; or fails to satisfy the indemnity set out in this Franchise; or if any guarantor of Franchisee revokes its guarantee or fails to satisfy or becomes unable to satisfy its obligations under such guarantee.

E. The procedures for revocation and forfeiture shall be governed by TMC 16B.05.100. Before the Franchise is revoked, Franchisee shall be given notice and opportunity to cure at least equivalent to that required by Title 16B as of the effective date of this Franchise (except in those cases where notice and opportunity to cure are not required or would be futile), and shall be accorded at least an opportunity to be heard that provides at least the due process protections required by Title 16B as of the effective date of this Franchise, which opportunities and protections are set out in Section 2.5.F., below.

F. (1) Where, after notice and providing Franchisee an opportunity to be heard (if such opportunity is requested by Franchisee), the City
finds that there has been an act or omission that would justify revocation of the Franchise, the City may make an appropriate reduction in the remaining term of the Franchise or revoke the Franchise. However, the Franchise may only be revoked if Franchisee (a) was given written notice of the default; and (b) 30 days to cure the default; and (c) Franchisee failed to cure the default, or to propose a schedule for curing the default acceptable to the City where it is impossible to cure the default in 30 days. The required written notice shall be given before the City conducts the proceeding required by this paragraph. No opportunity to cure is required for repeated violations of material provisions of the Franchise, and fraud shall be deemed incurable.

(2) Notwithstanding the foregoing, the City may declare a Franchise forfeited without opportunity to cure when Franchisee: (a) fails to begin to exercise its rights hereunder within 45 days of Franchisee's acceptance of this Franchise; (b) stops providing all Service it is required to provide under the Franchise; (c) Transfers without the prior consent of the City as and when required in the Franchise; or (d) is found by a court or regulatory body with appropriate jurisdiction to have defrauded or attempted to defraud the City or Franchisee's customers within the City. Notwithstanding the provisions of TMC 16B.05.100C.2., if Franchisee fails to timely pay any undisputed Franchise application/administrative fees or other fees owed hereunder or under Title 16B, before the City can initiate any termination or forfeiture rights, Franchisee shall be provided with ten (10) business days’ prior written notice and an opportunity to cure the failure to pay. However, Franchisee shall have the right to receive 30 days’ prior notice of an
intent to declare a Franchise forfeited, and shall have the opportunity to show cause why the Franchise should not be forfeited.

(3) Notwithstanding the foregoing and only to the extent permitted by applicable law, the Franchise will automatically terminate by force of law 120 calendar days after an assignment for the benefit of creditors or the appointment of a receiver or trustee to take over the business of Franchisee, whether in a receivership, reorganization, bankruptcy assignment for the benefit of creditors, or other action or proceeding. However, the Franchise may be reinstated within that 120-day period, if: (a) such assignment, receivership or trusteeship has been vacated; or (b) such assignee, receiver or trustee has fully complied with the terms and conditions of Title 16B and this Franchise and has executed an agreement, approved by any court having jurisdiction, assuming and agreeing to be bound by the terms and conditions of Title 16B and this Franchise. However, in the event of foreclosure or other judicial sale of any of the facilities, equipment, or property of Franchisee, the City may revoke this Franchise, following a public hearing before the City Council, by serving notice upon Franchisee and the successful bidder at the sale, in which event the Franchise and all rights and privileges of this Franchise will be revoked and will terminate 30 calendar days after serving such notice, unless: (a) the City has approved the Transfer of the Franchise to the successful bidder; and (b) the successful bidder has covenanted and agreed with the City to assume and be bound by the terms and conditions of this Franchise and Title 16B.
2.6 Continuity of Service and Right to Purchase the System.

A. In the event the City has declared a forfeiture for cause or otherwise validly revoked this Franchise as provided herein, or in the event of expiration of the initial term of this Franchise without this Franchise being renewed or extended as provided in Section 2.2 (referred to below collectively as a “termination”), Franchisee shall remove its Facilities from the Public Rights-of-Way under Section 2.7, unless the City elects to purchase the Facilities as provided in Section 2.6.B.

B. In the event the City has declared a forfeiture for cause or otherwise validly revoked this Franchise as provided herein, or in the event of expiration of the initial term of this Franchise without this Franchise being renewed or extended as provided in Section 2.2 (referred to below collectively as a “termination”), the City shall have an option upon termination of the Franchise to purchase that portion of the Telecommunications System located in the Right-of-Way owned by Franchisee, whether termination is, or is not, for cause. This option requires Franchisee to convey the Telecommunications System or such portion thereof as the City may choose to purchase, provided, that nothing herein shall require the City to accept or pay for any contract that it does not wish to assume. Franchisee is not required to convey portions of the Telecommunications System not located in the Right-of-Way, located outside the City, or that are leased or used (but not owned) by Franchisee from a third party pursuant to a tariff or contract. The foregoing option also requires Franchisee to sell the Telecommunications System owned by Franchisee and located in the
Right-of-Way, or such portion thereof as the City may choose to purchase at a fair market price, if the Franchise is terminated for cause. If Franchisee’s request for a Franchise renewal is denied, the option requires Franchisee to sell the Telecommunications System owned by the Franchisee and located in the Right-of-Way, or such portion thereof as the City may choose to purchase, at fair market value, determined on the basis of the value of the Telecommunications System as a going concern (taking into account such property used and useful in providing service within the City that is not to be conveyed) and with no value allocated to the Franchise itself.

C. The City may exercise its Section 2.6.B. option rights in the following manner: the City will have up to 180 days after receiving the inventory required by Section 2.6.A. to notify Franchisee that it intends to exercise its right to purchase the Telecommunications System or a portion of the Telecommunications System. Within 90 days of the date the City notifies Franchisee of its intent to exercise the option, or by such other time as the parties may separately agree, the parties shall meet to establish a price that comports with the requirements of Section 2.6.B. If the parties are unable to agree to a price within 180 days after the City notifies Franchisee that the City intends to exercise its purchase option, either party may require the price to be set by appraisal by sending the other party notice that it wishes to have the price set by appraisal. Within 45 days of the date that notice is submitted, each party may appoint one appraiser. If each party appoints an appraiser, the two appraisers shall appoint a third appraiser; if only a single appraiser is appointed (whether by mutual agreement or because of the failure of a
party to timely nominate an appraiser) that appraiser shall be the sole appraiser.

The appraiser or appraisers shall establish a price for the System or portion thereof that the City desires to purchase in accordance with Section 2.6.B. This appraisal determination shall be final and non-appealable. The City shall have 120 days after the decision of the appraisers to notify Franchisee that it wishes to conclude the transaction; if it does not so notify Franchisee, the option shall be deemed terminated.

If the City gives the notice required by the preceding paragraph, the parties will thereafter promptly sign all necessary documents required to close the transaction; provided, however, that the City may make conclusion of the transaction conditional upon any necessary voter approval of any bond funding for acquisition of all or a part of the System and, if applicable, the successful sale of the bonds.

The City and Franchisee will share equally the costs associated with any appraiser that is jointly appointed (by them or by the appraisers each selects); the City will bear costs associated with any appraiser that it separately appoints and Franchisee will bear costs associated with any appraiser that it separately appoints.

D. (1) Nothing in this section or in any other section of this Franchise shall prevent the City’s exercise of its rights under the Tacoma City Charter. Included within the rights granted under Tacoma’s Charter is the right to purchase or condemn Franchisee’s property within the Franchised Area at any time, which right is expressly set out in Section 8.1(c) of the Charter as follows:
To acquire by purchase or condemnation, for the use of the City itself or its inhabitants, all of the property of the grantee within the public streets, alleys, or places at a fair and just value, which shall not include any valuation of the franchise, right, or privilege, which shall thereupon be terminated.

(2) Likewise, nothing in this section or in any other section of this Franchise shall be read to limit the City’s right to acquire the Telecommunications System through exercise of any right of eminent domain under state law.

(3) Nothing in this section shall be read to limit the City’s right to acquire the Telecommunications System as a result of abandonment.

E. In the event the City purchases, acquires, takes over, or holds all or parts of the System, the City shall have the right without limitation to assign, sell, lease, or otherwise transfer its interest in all or parts of such System to any other Person or entity, including any other Franchisee of a Telecommunications System, on whatever terms the City deems appropriate.

2.7 Right to Require Removal of Property/Right to Remove Property.

A. Upon termination of this Franchise, Franchisee may be required to remove its property from any Public Rights-of-Way, and restore such Rights-of-Way to the condition required by the TMC and City’s Right-of-Way Restoration Policy, subject to any rights Franchisee may have to abandon property in place, as set out in Title 16B. If Franchisee fails to remove property that the City requires it to remove, the City may perform the work and collect the actual cost thereof from Franchisee. The actual cost thereof, including direct and indirect administrative costs, shall be a lien upon all plant and property of Franchisee
effective upon filing of the lien with the Pierce County Auditor. In the event that Franchisee is permitted to abandon its Facilities in place, the City acknowledges that any ownership it takes in the Facilities thereafter is taken on an AS-IS, WHERE-IS basis.

B. To the extent any portion of the System in the Public Rights-of-Way or on any other public property of the City is not removed by the Operator within 12 months of the end of the Franchise term, the property will be deemed abandoned in its AS-IS, WHERE-IS condition and shall become the property of the City if the City wishes to own it.

C. Any order by the City issued pursuant to Section 2.7.A. to remove Facilities shall be sent by registered or certified mail, postage prepaid, return receipt requested, to Franchisee not later than 24 months following the date of Franchise termination. Removal shall be completed (except with respect to property that Franchisee is permitted to abandon in place) not later than 12 months following the date of notification to remove the Facilities.

D. Franchisee shall file a written removal plan with the City not later than 30 calendar days following the date of the receipt of any orders directing removal, or any consent to removal describing the work that will be performed, the manner in which it will be performed, and a schedule for removal by location. The removal plan shall be subject to approval and regulation by the City, including, without limitation, the City’s Right-of-Way Restoration Policy. The affected property must be restored in compliance with the City’s Right-of-Way Restoration Policy; and
any damage caused by Franchisee’s removal must be addressed/compensated to
the reasonable satisfaction of the City.

E. The purchase option provided for in Section 2.6 does not
affect the City’s authority to require Franchisee to remove any portion of its
Telecommunications System that the City will not purchase upon Franchise
termination, as provided in this section and Title 16B, nor does it affect the City’s
right to assume ownership of any portion of the Telecommunications System that is
abandoned. Within 60 days of a request by the City, Franchisee shall execute such
documents as may be required to convey such abandoned property to the City free
and clear of all encumbrances.

2.8 Customers’ Right to Obtain Service. It shall be the right of all
Customers to receive all available services insofar as their financial and other
obligations to Franchisee are honored during the term of the Franchise. In addition
to the obligations established under the other provisions of this Franchise, in the
event that Franchisee elects to overbuild, rebuild, modify, or sell the System,
Franchisee shall make its best effort to ensure that all Customers receive service
subject to the terms and conditions of the service contract then in effect between
the respective Customer and Franchisee.

2.9 Responsibility for Costs. Except as expressly provided otherwise,
any act that Franchisee is required to perform under this Franchise shall be
performed at its cost. If Franchisee fails to perform work that it is required to
perform within the time provided for performance, the City, after first providing
notice and an opportunity to cure as herein provided, may perform the work and bill
Franchisee the actual cost thereof. Franchisee shall pay the amounts billed within 30 days of receipt of an itemized bill. The parties agree that any amounts paid pursuant to this section or Title 16B are not franchise fees.

2.10 Work of Contractors and Subcontractors. Work by contractors and subcontractors is subject to the same restrictions, limitations, and conditions as if the work were performed by Franchisee. Franchisee shall be responsible for all work performed by its contractors and subcontractors, and others performing work on its behalf as if the work were performed by it, and shall ensure that all such work is performed in compliance with this Franchise and Title 16B, and other applicable laws, including, without limitation, the City's Right-of-Way Restoration Policy. A copy of the presently effective policy has been provided to Franchisee, and the City agrees to provide a current copy of the policy upon subsequent request from Franchisee. Franchisee and its contractors and subcontractors shall be jointly and severally liable for all damages and correcting all damages caused by them. It is Franchisee's responsibility to ensure that contractors, subcontractors, or other Person(s) performing work on Franchisee's behalf are familiar with the requirements of this Franchise, Title 16B, the City's Right-of-Way Restoration Policy, and other applicable laws governing the work performed by them.

2.11 Survival of Terms. Upon the termination or forfeiture of the Franchise, Franchisee shall no longer have the right to occupy the Public Rights-of-Way for the purpose of providing Telecommunications Service. However, Franchisee's obligations to the City (other than the obligation to provide service to Customers) survive the expiration of these rights according to their terms. By way
of illustration and not limitation, Sections 2.6, 2.7, 2.9, 2.10, and 4 of this Franchise
shall continue in effect as to Franchisee notwithstanding any expiration, forfeiture,
or revocation of the Franchise, except to the extent that a City-approved Transfer,
sale, or assignment of the Telecommunications System is completed, and another
entity has assumed full and complete responsibility for the Telecommunications
System or for the relevant acts or omissions.

Section 3.  Operation In Streets and Rights-Of-Way.

3.1 Use of Public Rights-of-Way.  Franchisee may, subject to the
terms of this Franchise and Title 16B, the City’s Right-of-Way Restoration Policy,
and other applicable laws, construct, operate, and maintain a fiber optic
Telecommunications System in Public Rights-of-Way within the Franchise Area, to
provide Telecommunications Services and internet access services.  Without
limiting the foregoing, Franchisee expressly agrees that it will construct, operate,
and maintain its System in compliance with the requirements of Title 16B, including
those governing the placement of its Telecommunications System, and with other
applicable City codes; and will obtain and maintain all bonds and billable work
orders required by the same.

3.2 Construction, Operation, or Repair.  Franchisee shall, in all cases,
comply with all lawful City ordinances and regulations now in effect or hereinafter
enacted regarding the acquisition of permits and such other items as may be
required by the City in connection with the construction, operation, or repair of the
Telecommunications System, including, without limitation, the City’s Right-of-Way
Restoration Policy.
Without limiting the foregoing, Franchisee agrees that it shall, in the course of constructing, operating, and maintaining its Telecommunications System, comply with the requirements of Title 16B and among other things:

A. (1) Franchisee shall, by a time specified by the City, protect, support, temporarily disconnect, relocate, or remove any of its property when required by the City by reason of traffic conditions; public safety; Public Rights-of-Way construction; Public Rights-of-Way repair (including resurfacing or widening); change of Public Rights-of-Way grade; construction, installation or repair of sewers, drains, water pipes, power lines, signal lines, tracks, or any other type of government-owned Communications System, public work, public project, public facility, or improvement or any government-owned utility; Public Rights-of-Way vacation; or for any other purpose where the work involved would be aided by the removal or relocation of the Telecommunications System. Collectively, such matters are referred to below as the “public work.”

(2) In the event of an emergency, or where the Telecommunications System creates or is contributing to an imminent danger to health, safety, or property, the City may protect, support, temporarily disconnect, remove, or relocate any or all parts of the Telecommunications System without prior notice, and charge Franchisee for actual costs incurred.

(3) In the case of non-public work, if any Person that is authorized to place Facilities in the Rights-of-Way requests Franchisee to protect, support, temporarily disconnect, remove, or relocate Franchisee’s facilities to accommodate the construction, operation, or repair of the facilities of such other
Person, Franchisee shall, after 30 days’ advance written notice, take action to effect the necessary changes requested. In the case of non-public work or non-public projects, unless, and to the extent, the matter is governed by a valid contract between Franchisee and such Person requesting Franchisee to take action under this subsection (3) or governed by a valid state or federal law or regulation, or unless Franchisee’s Telecommunications System was not properly installed, the reasonable cost of the same shall be borne by the Person requesting the protection, support, temporary disconnection, removal, or relocation and at no charge to the City, even if the City makes the request for such action.

(4) Franchisee shall, on the request of any Person holding a valid permit issued by a governmental authority, temporarily raise or lower its wires to permit the moving of buildings or other objects. The expense of such temporary removal or raising or lowering of wires shall be paid by the Person requesting the same.

B. Franchisee’s obligation to construct, operate, and repair its Telecommunications System in compliance with all applicable laws, ordinances, departmental rules and regulations, and published or otherwise readily available practices affecting such System, includes, by way of example and not limitation, the obligation to construct, operate, and repair in accordance with zoning codes, safety codes, and City construction standards, including the most current version of the Standard Specifications for Road, Bridge and Municipal Construction, as prepared by the Washington State Department of Transportation (“WSDOT”) and the Washington State Chapter of American Public Works Association (“APWA”);
the most current version of the APWA Amendments to Division One, and the most
current version of the City Amendments thereto. In addition, the construction,
operation, and repair shall be performed in a manner consistent with industry
standards. Franchisee shall exercise reasonable care in the performance of all its
activities and shall use commonly accepted methods and devices for preventing
failures and accidents that are likely to cause damage, injury, or nuisance to the
public or to property. In the event that Franchisee’s work or other use of the Public
Right-of-Way causes damage to any City facility, Franchisee shall bear the cost of
repairing, or replacing as necessary, such City facility.

C. Franchisee’s construction, operation, or repair of its
Telecommunications System shall not commence until all required permits have
been properly filed for and obtained from the proper City officials and all required
permits and associated fees paid. In any permit so issued, the City may impose, as
a condition of the granting of the permit, such conditions and regulations as may be
necessary to the management of the Public Rights-of-Way, including, by way of
example and not limitation, for the purpose of protecting any structures in the Public
Rights-of-Way, maintaining proper distance from other utilities, for the proper
restoration of such Public Rights-of-Way and structures, and for the protection of
the City and the public and the continuity of pedestrian and vehicular traffic.

D. Franchisee must follow City-established requirements for
placement of Facilities in Public Rights-of-Way, including the specific location of
Facilities in the Public Rights-of-Way, and must in any event install Facilities in a
manner that minimizes interference with the use of the Public Rights-of-Way by
others, including others that may be installing Communications Facilities. The City may require that Facilities be installed at a particular time, at a specific place, or in a particular manner as a condition of access to a particular Public Right-of-Way area; may deny access if Franchisee is not willing to comply with the City’s requirements; and may remove, or require removal of, any Facility that is not installed in compliance with the requirements established by the City, or which is installed without prior City approval of the time, place, or manner of installation and charge Franchisee for all the costs associated with removal; and may require Franchisee to cooperate with others to minimize adverse impacts on the Public Rights-of-Way through joint trenching and other arrangements consistent with requirements the City imposes on other similarly situated franchisees or users of the Public Rights-of-Way.

E. Franchisee agrees that, as a condition of a permit for installation of conduit, the City may require it to install conduit in excess of its reasonably foreseeable requirements for the purpose of accommodating the City where the City Manager determines it is appropriate to do so to minimize disruption of public passage or infrastructure, to forestall or relieve exhaustion of Right-of-Way capacity, or to protect environmentally sensitive areas; provided that the City will be responsible for the additional costs, including material and labor, associated with installing such excess conduit; and provided further that City’s use of any such excess conduit is limited to non-commercial, governmental uses.
F. To the extent possible and technically and operationally feasible, Franchisee shall use conduit existing at the time of permitting in installing its System.

G. Whenever all existing utilities are located underground in an area in the City, the Franchisee must also locate its Telecommunication System underground, including Telecommunication System Facilities, such as drops, which cross private property.

   (1) Whenever the owners of poles locate or relocate underground within an area of the City, Franchisee shall concurrently relocate its Facilities underground at its own cost.

   (2) Whenever an electric utility opens a trench for the purpose of installing or relocating Facilities underground, Franchisee shall concurrently relocate its Facilities underground and, if it uses the same trench, be responsible for its pro-rated share of the cost.

   (3) The City Manager may, for good cause shown, exempt a particular portion of the Telecommunication System from the obligation to locate or relocate Facilities underground, where relocation is impractical, or where the interest in protecting against visual blight can be protected in another manner. Nothing in this Section 3.2.G. prevents the City from ordering Franchisee to locate or relocate its Telecommunication System underground in areas where other existing utilities are ordered to locate or relocate their facilities underground under other provisions of the TMC, it being the intent that the number and extent of
Overhead Facilities and the visual pollution resulting therefrom will, over time, be reduced and eventually, to the extent feasible, be eliminated.

H. Franchisee shall participate in conversion to underground Local Improvement Districts (“LIDs”) at the same time as other utilities are required to participate in conversion to underground LIDs. Franchisee, at no cost to the City or abutting property owners, shall share fairly with other utilities the cost of undergrounding when done through the LID process. As part of its obligations under the TMC, Franchisee shall provide the preliminary cost estimate, facility conversion designs, and final cost estimates to any LID project coordinator in a timely manner. At the request of an LID project coordinator, Franchisee shall perform underground construction and movement of Customer connections underground (overhead reclaim), in coordination with the undergrounding services provided by other LID utilities, at no cost to the City or abutting property owners.

I. Franchisee shall promptly repair any and all Public Rights-of-Way, public property, or private property that is disturbed or damaged during the construction, operation, or repair of its Telecommunications System. Public property and Public Rights-of-Way must be restored in conformance with the City’s Right-of-Way Restoration Policy.

J. No tree trimming shall be performed without the permission of the City and other affected authorities, and any tree trimming must be performed in strict accordance with the TMC. Even if tree trimming is authorized by the City, Franchisee is liable for any damage it causes during the course of tree trimming.
K. In any dispute over the adequacy of a restoration relative to this section, the City’s Director of Public Works shall, in his/her sole discretion, make the final determination.

L. Franchisee shall not remove any Facilities except as hereinafter provided.

   (1) Franchisee shall not remove any Facilities which require trenching or other opening of the Rights-of-Way along the extension of the Facilities to be removed without the express permission of the City, which permission shall not be unreasonably withheld, conditioned, or delayed.

   Franchisee must request permission from the City to remove the Facilities at least 30 days in advance of the date Franchisee proposes to begin removal.

   (2) Franchisee shall remove such Facilities as the City orders it to remove; provided, that the City may not order removal where such removal is primarily to give economic benefit or advantage to a competing provider of Telecommunications Service.

   (3) Where trenching or other opening of the Rights-of-Way along the extension of Facilities to be removed is required, Franchisee must post bonds as the City may require to ensure that the property is promptly removed, with minimum disruption. Franchisee must restore the affected property in conformance with the City’s Right-of-Way Restoration Policy; and Franchisee must compensate those whose property it damages for the damage.

   (4) Subject to the City’s rights to purchase the Telecommunications System under Section 2, Franchisee may voluntarily remove
any Facilities from the streets which have been installed in such a manner that they can be removed without trenching or other opening of the Rights-of-Way.

3.3 Right To Inspect and Order Corrections. The City may inspect the Telecommunications System at any time reasonable under the circumstances to ensure compliance with this Franchise and applicable law, including to ensure that Franchisee’s Telecommunications System is constructed and maintained in a safe condition. If Franchisee’s representatives are not on-site performing work on the Telecommunications System, whenever feasible, the City shall give reasonable advance notice of its intent to inspect so that Franchisee may have a representative present during the inspection. If an unsafe condition is found to exist, the City, in addition to taking any other action permitted under applicable law, may order Franchisee, in writing, to make the necessary repairs and alterations specified therein forthwith to correct the unsafe condition on a time table established by the City which is reasonable in light of the unsafe condition. The City has the right to correct, inspect, administer, and repair the unsafe condition if Franchisee fails to do so in a timely manner, and to charge Franchisee therefor.

3.4 Information Regarding Ongoing Work. In addition to providing notice to the public of ongoing work as may be required under applicable law, Franchisee shall make available information regarding any ongoing construction, operation or installation of its Telecommunications System sufficient to show (1) the nature of the work being performed; (2) where it is performed; (3) its estimated completion date; and (4) progress to completion.

4.1 Intent. The City shall have the right to administer and regulate activities of this Franchise up to the fullest extent of the law. The failure to reserve a particular right to regulate, or reference a particular regulation, shall not be interpreted by negative implication or otherwise to prevent the application of a regulation to Franchisee.

4.2 Remedies for Franchise Violations. The City has the right to exercise any and all of the following remedies, singly or in combination, in the event Franchisee violates any provision of this Franchise:

A. Draw upon the performance bond or other security provided under this Franchise; provided, however, such drawing shall be only in such a manner and in such amount as the City reasonably determines is necessary to remedy the default. Should the City take this action, Franchisee shall be responsible for all direct and actual costs related to such action, including, but not limited to, actual legal and administrative costs:

B. Commencing an action at law for monetary damages;

C. Commencing an action for equitable or other relief;

D. Declaring the Franchise to be revoked; and/or

E. Seeking specific performance of any provision, which reasonably lends itself to such remedy.

In determining which remedy or remedies for Franchisee’s violation are appropriate, the City may take into consideration the nature and extent of the violation, the remedy needed to prevent such violations in the future, whether
Franchisee has a history of previous violations of the same or similar kind, and such other considerations as are appropriate under the circumstances. Remedies are cumulative; the exercise of one shall not foreclose the exercise of others.

4.3 Procedure for Remediying Franchise Violations. Before imposing liquidated damages, or drawing upon the performance bond, or any other security set out in Section 6, the City shall follow the procedure below.

A. Notice of Violation. In the event that the City believes that Franchisee has not complied with the terms of this Franchise, the City shall notify Franchisee in writing, by certified mail, of the nature of the alleged noncompliance.

B. Franchisee’s Right to Cure or Respond. Except as provided in Section 4.3.D., Franchisee shall have 30 days from the receipt of notice described above to (1) respond to the City contesting the assertion of noncompliance, or (2) to cure such default or, in the event that by the nature of the default such default cannot be cured within the 30-day period, initiate steps to remedy such default as promptly as possible and complete the cure within a reasonable time. The duty to cure includes the duty to cure all harms caused by the acts or omissions of Franchisee which gave rise to the alleged non-compliance.

At the end of the 30-day period, Franchisee shall notify the City, in writing, of the steps it has taken to cure the default, if any; if the cure is not complete, the reason it is not complete and the projected date for completion; and if the default is disputed, the complete basis for that contention.

C. Public Hearing. The City may schedule a public hearing to investigate any alleged default. The City shall give Franchisee 20 calendar days’
notice of the time and place of the hearing and provide Franchisee with an opportunity to be heard.

D. Action after Hearing. If the City determines after such hearing that Franchisee did not timely cure, or initiate steps to cure the default in a timely manner satisfactory to the City, after the notice required by Section 4.3.A. was provided, then the City may draw upon any performance bond, security fund, or other security, including requiring performance under the guarantee; and impose liquidated damages. However, notice and opportunity to cure are not required for repeat violations, or for a failure to correct a default where Franchisee knew or should have known it was in default; in such cases, the performance bond, letter of credit, or other security may be drawn upon, the guarantor required to perform and liquidated damages imposed after the hearing required by Section 4.3.C.

E. Liquidated Damage Amounts. Because any material failure to comply with the provisions of this Franchise by Franchisee will result in injury to the City, and because it may be difficult to estimate the extent of each such injury, Franchisee and the City agree to the following liquidated damages, which provisions represent the best estimate of the damages resulting from injuries of specific types. The amounts of the liquidated damages set forth in this Franchise are in 2016 dollars and shall be increased each year by the increase in the U. S. Department of Labor, Bureau of Labor Statistics, Consumer Price Index for Pacific Cities and U. S. City Average for the greater Seattle area. The amount of liquidated damages for all material violations of this Franchise for which actual damages may not be ascertainable shall be $500 per day for each violation for
each day the violation continues. It is provided, however, that the City shall allow Franchisee a minimum of 30 days after notice to Franchisee of such neglect, failure, or refusal to comply within which to meet compliance or correct performance, prior to the assessment of any liquidated damages.

4.4 Failure to Enforce. Franchisee shall not be relieved of any of its obligations to comply promptly with any provision of this Franchise by reason of any failure of the City to enforce prompt compliance, and the City’s failure to enforce shall not constitute a waiver of rights or acquiescence in Franchisee’s conduct.

4.5 Force Majeure. Franchisee shall not be deemed in default with provisions of this Franchise where performance was rendered impossible by war or riots, civil disturbances, floods, or other natural catastrophes beyond Franchisee’s control; the unforeseeable unavailability of labor or materials; or power outages exceeding back-up power supplies. The acts or omissions of affiliates shall not be deemed to be beyond Franchisee’s control, and the knowledge of affiliates shall be imputed to Franchisee. This Franchise shall not be revoked or Franchisee penalized for such noncompliance, provided that Franchisee takes immediate and diligent steps to bring itself back into compliance and to comply as soon as possible under the circumstances with this Franchise without unduly endangering the health, safety, and integrity of Franchisee’s employees or property, or the health, safety, and integrity of the public, Public Rights-of-Way, public property, or private property.

4.6 Alternative Remedies. No provision of this Franchise shall be deemed to bar the right of the City or Franchisee to seek or obtain judicial relief from a violation of any provision of the Ordinance or any rule, regulation,
requirement, or directive promulgated thereunder. Neither the existence of other remedies identified in this Franchise nor the exercise thereof shall be deemed to bar or otherwise limit the right of the City or Franchisee to recover monetary damages for such violation by Franchisee, or to seek and obtain judicial enforcement of Franchisee’s or the City’s obligations by means of specific performance, injunctive relief or mandate, or any other judicial remedy at law or in equity.

4.7 Compliance with the Laws. Franchisee shall comply with all applicable federal and state laws and regulations, including regulations of any administrative agency thereof, as well as all applicable City ordinances, resolutions, rules, policies, and regulations heretofore or hereafter adopted or established during the entire term of the Franchise; provided that, nothing herein shall prevent Franchisee from challenging a provision of laws that applies only to it as an impairment of contract. Nothing in this Franchise shall limit the City’s right of eminent domain under state law. Nothing in this Franchise shall be deemed to waive the requirements of any lawful code or resolution of the City regarding permits, fees to be paid, or manner of construction.

Section 5. Reporting Requirements.

5.1 Quarterly Reports. Within 30 days after the end of each of Franchisee’s fiscal quarters, Franchisee shall submit a written report to the City, which shall contain a listing of all categories Gross Receipts collected by Franchisee for its business activities as identified in Section 2.1, which are activities specifically taxable as a telephone business under TMC Title 6. Said
written report shall be in sufficient detail and with sufficient explanation to enable
the City to understand the report and to verify the accuracy of the report. In
addition, Franchisee shall provide such other reports as may be required by
Title 16B.

5.2 Annual Report. In the event that changes in applicable laws allow
the City to require a franchise fee as referenced at Section 6 below, then no later
than 120 days following the end of Franchisee’s fiscal year each year after the
imposition of franchise fees, Franchisee shall present a written report to the City
which shall include:

A. Audited financial statements for (1) Franchisee and (2) any
affiliate which is involved in any way with the operation or ownership of the System;
and a financial statement for Franchisee that includes Gross Receipts from all
sources, gross Subscriber revenues from each category of service, as well as an
income statement and a balance sheet. In the event any audited financial report
has not been published by the date due under this section, then the audited
financial report shall be deemed presented on time if presented within 30 days after
publication.

All financial reports required under this section shall be
presented to the City accompanied by such notes and explanations as are required
to fully understand the reports. Such notes and explanations shall include, but not
be limited to, an explanation of any and all deductions made from Gross Receipts
for the calculation of Fees or taxes to be paid to the City, as well as:
1. A summary of the previous year’s activities for the Franchise Area, including, but not limited to, the total number of Customers, miles of Facilities, any services added or dropped, and any technological changes occurring in the system;

2. Plans for the future; and

3. Such other information as is required by Title 16B.

5.3 Additional Reports. Franchisee shall prepare and furnish to the City within 60 days of written request, to the person and address specified in the City’s request, in a form reasonably prescribed by the City, such additional reports with respect to Franchisee’s operation, affairs, transactions, or property, as may be reasonably necessary and appropriate to ensure compliance with the material provisions of this Franchise, or to permit the performance of any of the rights, functions, or duties of the City in connection with the Franchise.

5.4 Preservation of Confidential Information. Trade secrets and confidential information designated as such by Franchisee shall be subject to such protection as provided in Title 16B or under Chapter 42.56 RCW, or as otherwise provided by applicable laws. Franchisee shall be responsible for clearly and conspicuously identifying the work as confidential or proprietary, and shall provide a brief written explanation regarding its position on the protected status of the information under State or federal law. In the event that the City receives a public records request under Chapter 42.56 RCW or similar law for the disclosure of information Franchisee has designated as confidential, trade secret, or proprietary, the City shall promptly provide notice of such disclosure so that Franchisee can
take appropriate steps to protect its interests. Nothing in this section prohibits the
City from complying with Chapter 42.56 RCW, or any other applicable law or court
order requiring the release of public records, and the City shall not be liable to
Franchisee for compliance with any law or court order requiring the release of
public records. The City shall comply with any injunction or court order obtained by
Franchisee which prohibits the disclosure of any such confidential records.

6.1 Fees; Taxes.

A. State Prohibition of Franchise Fee. The parties understand
that RCW 35.21.860 currently prohibits a municipal franchise fee. Franchisee
agrees that if this statutory prohibition is removed, the City may assess a
reasonable franchise fee, to be agreed to by the parties if the statutory prohibition is
removed. The parties agree that this Section 6.1.A. does not limit the right of the
Franchisee to challenge the franchise fee pursuant to 47 USC § 253.

B. Franchisee Subject to the City Telephone Business Tax.
Franchisee agrees that its activities in the City of Tacoma identified in Section 2.1,
but excluding internet access service, are activities specifically taxable as a
telephone business under TMC Chapter 6A, and are taxable at the 6 percent rate
specified in TMC 6A.40.050.D. now in effect or as amended, which at the time of
the execution of this Franchise agreement is 6 percent of Franchisee’s Gross
Receipts but excluding any Gross Receipts from the provision of internet access
service. It is agreed that the amount of Gross Receipts to be taxed will include the
amount of tax imposed on Franchisee by City ordinance. This Franchise does not limit the City’s power of taxation.

C. Franchisee Obligated to Pay Administrative Costs. In accord with RCW 35.21.860 as presently effective, and as it may be later amended, Franchisee must pay the City an amount sufficient to recover administration expenses incurred in receiving and approving this Franchise, including, but not limited to, the reasonable costs of outside consultants retained by the City to assist in the City’s consideration and processing of this Franchise application. The first $5,000 of said expenses will be covered by the $5,000 application fee deposited with the City. To the extent allowed by RCW 35.21.860 or other applicable laws, Franchisee may be required to pay other costs applicable to this Franchise and Franchisee’s activities hereunder. The amount of payment to be made by Franchisee to cover these administrative costs is an amount determined to be reasonable by the Franchise Services Manager. Such obligation further includes municipal fees related to receiving and approving permits or licenses, inspecting plans and construction, or relating to the preparation of a detailed statement pursuant to Chapter 43.21C RCW. Said fees must be paid within 30 days of receipt of the City’s billing therefor.

D. Manner of Payment; Audit. Franchisee will pay the City Telephone Business Tax specified in Section 6.1.B. on a monthly basis accompanied by Franchisee’s standard remittance form which specifies the net taxable charges, the local tax rate, and the local tax due, plus penalties and/or interest, if any is due. Franchisee shall make all other required fee payments in the form, at the intervals,
and in the manner requested by the City Treasurer, and furnish him/her any
information related to his/her revenue collection functions reasonably requested. In
case of audit, the City Treasurer may require Franchisee to furnish a verified
statement of compliance with Franchisee’s obligations or in response to any
questions. Said certificate may be required from an independent, certified public
accountant, at Franchisee’s expense. All audits will take place on Franchisee’s
premises or offices furnished by Franchisee, which shall be a location within the City
of Tacoma or other mutually agreeable place; however, Franchisee must agree to pay
the associated costs. Franchisee agrees, within 30 days of written request of the City
Treasurer, to provide, to the person and address specified in the City Treasurer’s
request, copies of all documents filed with any federal, state, or local regulatory
agency, to be mailed to the City Treasurer on the same day as filed, postage prepaid,
affecting any of Franchisee’s Facilities or business operations in the City of Tacoma.

E. No Other Deductions. No deductions, including current or
previously paid fees, shall be subtracted from the Gross Receipts amount, except
as allowed under state or federal law, upon which payments are calculated and due
for any period, nor shall copyright fees or other license fees paid by Franchisee be
subtracted from Gross Receipts for purposes of calculating payments.

F. Late Payments. Any fees owing which remain unpaid more
than 10 days after the dates specified herein shall be delinquent and shall thereafter
accrue interest at the maximum allowable rate pursuant to RCW 19.52.020.

G. Period of Limitations. The period for commencing an action for
the recovery of any fee payable hereunder shall be six years from the date on
which payment by Franchisee is due, subject to tolling as provided as a matter of law or equity. Unless within six years from and after the due date for a particular payment, the City makes written request to review Franchisee’s records with respect to such fee payment (either individually or as part of a broader request) recovery shall be barred with respect to such payment and the Franchising Authority shall be estopped from asserting any claims whatsoever against Franchisee relating to any alleged deficiencies in that particular payment.

6.2 Auditing and Financial Records. Franchisee shall manage all of its operations in accordance with a policy of keeping books and records open and accessible to the City. Without limiting its obligations under this Franchise, Franchisee agrees that it will collect and make books and records available for inspection and non-confidential books and records for copying by the City in accordance with Title 16B. Franchisee shall be responsible for collecting the information and producing it. Books and records shall be made available for inspection to the City at the Tacoma Municipal Building, or such other location as the parties may agree. Notwithstanding any provision of Title 16B or this Franchise, if documents are too voluminous or for security reasons cannot be produced at the Tacoma Municipal Building or mutually agreeable location within the City, then Franchisee may produce the material at another central location, provided it also agrees to pay the additional reasonable costs incurred by the City in reviewing the materials.

Franchisee shall take all steps reasonably required, if any, to ensure that it is able to provide the City all information which must be provided or may be
requested under Title 16B or this Franchise, including by providing appropriate
Subscriber privacy notices. Nothing in this section shall be read to require
Franchisee to violate 47 U.S.C. §§ 222 or 551 or to disclose or make available to
the City any books and records protected from disclosure under other applicable
law. Franchisee shall be responsible for redacting any data that federal law
prevents it from providing to the City. Records shall be kept for at least six years.
In addition to maintaining all records as required by Title 16B, Franchisee shall
maintain records sufficient to show its compliance with the requirements of this
Franchise, and shall produce those records within 30 days of a City request.

Franchisee agrees to meet with a representative of the City upon
request to review its methodology of record-keeping, financial reporting, computing
fee obligations, and other procedures, the understanding of which the City deems
necessary for understanding the meaning of reports and records.

The City agrees to request access to only those books and records, in
exercising its rights under this section, which it deems reasonably necessary as
part of a bona fide exercise of its authority over the Telecommunications System
under this Franchise, Title 16B, or other applicable law. The City further agrees
that it will withhold from public disclosure those books and records made available
to it pursuant to this Section 6.2, but only to the extent that the City believes that it
has the discretion to do so under state law. The City will, however, provide notice
to Franchisee of any request for such books and records so that Franchisee can
engage whatever protective measures are available to it.
6.3 Performance Bond. At the same time it provides its Franchise acceptance to the City, Franchisee shall provide a performance bond to ensure the faithful performance of its responsibilities under this Franchise and applicable law, including, by way of example and not limitation, its obligations to relocate and remove its facilities, and to restore City Rights-of-Way and other property. The initial amount of the performance bond shall be $250,000. The amount of the bond may be changed from time to time to reflect changed risks to the City or to the public. Franchisee may be required to obtain additional bonds in accordance with the City’s ordinary practices and/or pursuant to applicable TMC provisions. The bond shall be in a form and with a surety (authorized to do business in the state of Washington) reasonably acceptable to the City’s Risk Manager and in a form reasonably acceptable to the City Attorney. Franchisee shall pay all premiums or costs associated with maintaining the bond, and shall keep the same in full force and effect at all times during the Franchise Term.

6.4 Indemnification by Franchisee.

A. Franchisee, by accepting this Franchise, agrees to release the City from and against any and all liability and responsibility in or arising out of, or by reason of, or resulting from or of the negligent acts, errors, or omissions of Franchisee during the construction, operation, or maintenance of the Telecommunications System, and, without limiting the provisions of Section 7.4, agrees not to sue or seek any money or damages from the City, except to the extent Franchisee’s Telecommunication System is damaged by the negligent acts or omissions or willful misconduct of the City or its agents.
B. Franchisee agrees to indemnify and hold harmless the City, its trustees, elected and appointed officers, agents, and employees, from and against any and all claims, demands, or causes of action of whatever kind or nature, and the resulting losses, costs, expenses, reasonable attorneys’ fees, liabilities, damages, orders, judgments, or decrees, sustained by any third party arising out of, or by reason of, or resulting from or of the acts, errors, or omissions of Franchisee, or its agents, independent contractors, or employees related to or in any way arising out of the construction, operation, repair, or relocation of the Telecommunications System. Franchisee waives immunity under Title 51 RCW and affirms that the City and Franchisee have specifically negotiated this provision, as required by RCW 4.24.115, to the extent it may apply.

C. Franchisee agrees that the covenants and representations relating to the indemnity provided in Sections A and B above shall survive the term/expiration/termination of this Franchise and continue in full force and effect as to Franchisee’s responsibility to indemnify.
