ORDINANCE NO. 28443

AN ORDINANCE relating to the Department of Public Utilities, Power Division (d.b.a. "Tacoma Power"); repealing and reenacting the City’s Electrical Code from Chapter 2.04 of the Tacoma Municipal Code to a new Chapter 12.06A.

WHEREAS the City’s Electrical Code, currently codified under Chapter 2.04 of the Tacoma Municipal Code (“TMC”), relates to requirements for electrical service plan reviews, service, metering equipment installations, and electrical permits, and

WHEREAS the City of Tacoma, Department of Public Utilities, Light Division (d.b.a. “Tacoma Power”) is recommending the repeal and reenactment of the City’s Electrical Code, from Chapter 2.04 of the Tacoma Municipal Code (“TMC”) to Chapter 12.06A, and

WHEREAS the sections of TMC 2.04 will be re-numbered to reflect assignment to a new Chapter 12.06A, and

WHEREAS additional amendments to the Electrical Code will (1) clarify adoption and application of the current safety standards and practices contained in the 2017 edition of the National Electrical Code; (2) provide minor housekeeping changes to Code language; and (3) change references to TMC 2.04 appearing in other parts of the TMC, and

WHEREAS repealing and reenacting the Electrical Code under Chapter 12.06A as part of Title 12, City Utilities, ensures similar subject matters are grouped together in the TMC, and
WHEREAS it is in the best interest of the customers of Tacoma Power and
the citizens of Tacoma that proposed revisions to the TMC be approved; Now,

Therefore,

BE IT ORDAINED BY THE CITY OF TACOMA:

Section 1. That Chapter 2.04 of the Tacoma Municipal Code (“TMC”),
Electrical Code, is hereby repealed in its entirety.

Section 2. That there is hereby enacted a new Chapter 12.06A of the TMC,
entitled “Electrical Code,” as set forth in the attached Exhibit “A.”

Section 3. That Chapter 2.01 of the TMC is hereby amended as set forth in
the attached Exhibit “B.”

Section 4. That Chapter 2.02 of the TMC is hereby amended as set forth in
the attached Exhibit “C.”

Section 5. That Chapter 2.05 of the TMC is hereby amended as set forth in
the attached Exhibit “D.”

12.06A.010 Title.
This Chapter shall be known as the Electrical Code of the City of Tacoma or alternatively the Tacoma Electrical Code.

12.06A.020 Purpose.
The purpose of this Code is the practical safeguarding of persons and property from electrical hazards arising from the use of electricity. This Code contains provisions that are considered necessary for safety. Compliance with this chapter and proper maintenance will result in an installation that is reasonably free from hazard, but not necessarily the most efficient, convenient, or adequate for good service or future expansion of electrical use. Additional guidance for efficient and convenient future expansion of electrical use and systems is found in the National Electric Code (“NEC”).

12.06A.030 Scope of chapter.
The provisions of this chapter shall apply to all electrical conductors and equipment installed, used, rented, offered for sale, or distributed for use in areas served by the City, by and through its Department of Public Utilities, Light Division, and its franchised entities, except as shown in Article 90.2(B) of the 2017 Edition of the NEC.
12.06A.035 Adoption.
A. RCW and WAC adoption and incorporation by reference. Except as otherwise specified in this chapter, the City hereby adopts and incorporates into this chapter, the Tacoma Electrical Code, those provisions of the Revised Code of Washington (“RCW”) contained in Chapter 19.28, and the Washington Administrative Code (“WAC”), Chapter 296-46B, that relate to electrical installations including, but not limited to, methods of construction, repair, maintenance, use of materials, and approval of such installations intended to insure the safety of life and property.

B. NEC adoption. The City hereby adopts and incorporates into this chapter, the Tacoma Electrical Code, the provisions of the 2017 Edition of the NEC in its entirety.

C. In the event any NEC, RCW or WAC provision adopted pursuant to this section is hereafter amended, said amended provision shall be deemed adopted and incorporated into this chapter as of the effective date of such amendment unless the amended provision establishes standards of electrical installations that are not equal to, higher, or better than that required by any other NEC, RCW or WAC provision then in effect. It is the intent of this section that, except as otherwise expressly required or provided under this chapter, the highest standard of electrical installations specified in the NEC, RCW and/or WAC is adopted and shall be enforced per the Tacoma Electrical Code.

12.06A.040 Standards for installations.
A. All electrical installations shall be in conformity with the provisions of this Code and with approved electrical standards for safety to life and property. Where no specific standards are prescribed by this Code, conformity with the requirements or rules set forth in the current edition of the NEC, as amended by the WAC, shall be prima facie evidence of conformity with approved standards for safety to life and property. If any requirements or rules in this chapter are found to be not at an equal, higher, or better standard of materials, devices, appliances, and equipment than of those of the WAC, the requirements of the WAC will prevail. The current edition of the NEC shall mean the current edition of the NEC, as adopted by the City in Section 12.06A.035.

B. Additional City requirements applicable to the provisions of this Code are stated in the:
1. Tacoma Power Customer Service Policies, as promulgated or revised from time to time, on file with the Clerk of the Public Utility Board,
2. Tacoma Power Electric Service Handbook, as the same may be amended from time to time by the Light Division Superintendent or his/her designee, on file with Tacoma Power’s Electrical Inspection Office, and
3. Tacoma Power Transmission and Distribution Construction Standards, as the same may be amended from time to time by the Light Division Superintendent or his/her designee, on file with Tacoma Power’s Electrical Inspection Office.

12.06A.050 Severability.
If any section, subsection, sentence, clause, or phrase of this chapter is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portions of this chapter. The City Council hereby declares that it would have passed this chapter and each section, sentence, clause, or phrase thereof, irrespective of the fact that any one or more section, subsection, sentence, clause, or phrase be declared unconstitutional.

12.06A.060 Enforcement of chapter.
The Chief Electrical Inspector of the Light Division of the Department of Public Utilities, hereinafter called the Chief Electrical Inspector, shall be responsible for the enforcement of this chapter.

12.06A.070 Definitions.
“Building” means the structure, of any type or designation, at which work under the Electrical Permit will be performed and which is located at the Premises identified by site address on the application for the Permit.

“City” means the City of Tacoma, Department of Public Utilities, Light Division, doing business as Tacoma Power.

“Contractor” means the person, firm, or corporation performing the installation of electrical work pursuant to an Electrical Permit and licensed by the State of Washington. Also referred to herein as electrical contractor.

“Electrical Inspection Office” means the office within Tacoma Power charged with administration and enforcement of this Code under the immediate supervision of the Chief Electrical Inspector.

“Electrical Permit” or “Permit” means a fully paid, and neither expired nor terminated permit issued by Tacoma Power.

“Occupying” means moving furnishings, material, merchandise, or persons into a Building or Premises.
“Owner” means the legal owner of the Premises on which electrical work is installed or is to be installed.

“Permit Holder” means the person or entity that applies for and is issued an Electrical Permit. The Permit Holder shall be responsible for full compliance with the requirements of this chapter. When the Permit Holder is not the Owner of the Premises identified in the Permit application, but performs electrical work at the Premises for such Owner, the Permit Holder shall be deemed to be the authorized agent of the Owner for purposes of enforcement of this chapter and, therefore, such Owner shall be responsible for the acts or omissions of the Permit Holder including, but not limited to, correction of Code violations and the payment of fees or penalties arising under the Permit.

“Premises” means real property and all Buildings and other improvements located thereon.

“Service Point” means the point where the customer’s service conductors are connected to Tacoma Power’s service utility conductors.

“Stop Work Order” means a written notice posted by the electrical inspector ordering the electrical work to be suspended until the electrical inspector removes the notice.

12.06A.080 Duties of Chief Electrical Inspector.
It shall be the duty of the Chief Electrical Inspector to see that the provisions of this chapter are enforced. The Chief Electrical Inspector shall, upon application, issue Permits for the installation or alteration of electrical wiring, devices, appliances, and equipment, and shall make inspections of electrical installations as provided in this chapter. The Chief Electrical Inspector may delegate appropriate inspection and enforcement duties prescribed by this chapter to electrical inspectors, assistants, and other persons duly qualified and regularly employed by the City.

12.06A.090 Effective date of chapter.
Any electrical work for which a Permit was obtained before the date on which this chapter becomes effective may be installed and completed in accordance with the laws and regulations which were in effect at the time of issuance of any such Permit.

12.06A.100 Inspection of new electrical installations.
A. Rough-in wiring or installation of electrical equipment not listed for use in wet locations shall only be installed in a structure or area of a structure that is completely free of exposure to the elements.

B. Requests for inspection must be made by the Permit Holder that installed electrical equipment no later than three business days after completion of the electrical/telecommunication installation or one business day after any part of the installation has been energized, whichever occurs first.

C. Electrical wiring shall not be covered or concealed until such wiring has been approved by Tacoma Power’s Electrical Inspection Office. Where an electrical installation is covered or concealed before approval, it shall be exposed for inspection. The City shall bear no liability for damages or costs resulting from exposing the electrical installation.

12.06A.110 Inspection of existing electrical installations.
A. The Chief Electrical Inspector is hereby empowered to inspect all existing wiring, appliances, devices, and equipment coming within the scope of this chapter. When the installation of any such wiring, appliance, device, or equipment is determined to be in a dangerous or unsafe condition, the person, firm, or corporation owning, using, or operating the same shall be notified and shall make the necessary repairs or changes required to place such wiring, appliances, devices, or equipment in a safe condition, and have such work completed within 48 hours after notification thereof, or within such further reasonable time as may be allowed by Tacoma Power upon request.

B. The Chief Electrical Inspector is hereby empowered to disconnect or order the discontinuance of electrical service to such conductors or apparatus found to be in a dangerous or unsafe condition, or to have been installed without a Permit. He or she shall thereupon attach a notice, which states that such conductors or apparatus have been disconnected due to violation of the provisions of this chapter. It shall be unlawful to remove a notice of disconnect or to reconnect electrical equipment to an electrical power source without authorization from the Chief Electrical Inspector. Any person removing the notice, or reconnecting the equipment or wiring before approval to do so has been given, will be subject to the penalties outlined in this chapter.

C. Abandoned conductors, conduits, and electrical equipment shall be removed from structures unless it is de-energized, supported, capped, and enclosed or terminated by an acceptable method and tagged “For Future Use” at every accessible location.

12.06A.120 Final inspection and service approval.
A. Final inspections are required on all Buildings before occupancy. Each unit of a multiple occupancy Building or complex must have a separate final electrical inspection approval before it is occupied. The Permit Holder is required to request a final
inspection at the time the electrical installation is completed. A Permit Holder not complying with the requirements of this section shall be subject to the penalties outlined in this chapter.

B. Final approval will not be given until all fees owed on the project or Permit(s) are paid. When all fees are paid, and the electrical installation is complete and in compliance with this chapter the electrical inspector will sign and/or post a final inspection approval notice. Building permits requiring an electrical inspector’s signed approval shall be posted in a conspicuous location.

C. The Chief Electrical Inspector is hereby authorized to disconnect any electrical installation or equipment which has been connected before the approval for service has been given. He or she shall thereupon attach a notice which shall state that the wiring or apparatus has been disconnected due to violation of the provisions of this chapter. Any person removing the notice, or reconnecting the equipment or wiring before approval to do so has been given, will be subject to the penalties outlined in this chapter.

12.06A.130 Temporary wiring.
Limited use of electricity for emergency or construction purposes may be granted. An Electrical Permit must be purchased and inspection approval must be given before energizing the electrical installation, except as provided in this chapter. Emergency installations shall be limited to a 30-day period. Temporary wiring for construction use is limited to the duration of construction. All use of electricity shall be metered.

12.06A.135 Metering installations and labeling.
A. Meter height. No meter shall be installed at a height greater than six feet from the front working surface or grade to the mid-point of the meter glass and no lower than five feet from the front working surface or grade to the mid-point of meter glass, except as stated in subsections 1-4 below and as provided in the Tacoma Power Electric Service Handbook and in the Tacoma Power Transmission and Distribution Construction Standards shall apply to all electric meter installations.

1. Commercial multi-metering installed in a vertical configuration shall not be installed below 36 inches from the front working surface or grade to the mid-point of the meter.

2. Residential multi-metering installed in a vertical configuration shall not be installed below 28 inches from the front working surface or grade to the mid-point of the meter.

3. Listed service pedestals and packages containing integral meter sockets, installed according to the manufacturer’s instructions, are allowed to be at the height for which they are designed.

4. Special permission is granted by the Chief Electrical Inspector.

B. All meters in a multiple occupancy Building shall be accurately marked to identify the units they serve. Labels must be of sufficient durability to withstand removal from rubbing, fading, or environmental exposure. Label characters must be a minimum 1/2-inch tall and of a contrasting color or shade from the surface to which they are affixed so that they are easily readable.

C. No customer meter sockets will be placed on a pole owned and maintained by Tacoma Power. Meters shall be located on the first customer owned structure which will be the Service Point from Tacoma Power as further specified in the customer requirements found in the Tacoma Power Electric Service Handbook and Tacoma Power Transmission & Distribution Construction Standards.

D. The meter location shall not be concealed by materials, structures or vegetation of any kind and must be readily accessible. A level workspace, measuring no less than 3 feet by 3 feet, must be maintained in front of the meter location at all times. Failure to meet these requirements may result in termination of service.

12.06A.140 New electrical installations.
All new or altered services, feeders, circuits, circuit extensions, and installations must meet requirements of this chapter.

12.06A.145 Overhead service drops.
Overhead service drop clearances are the Owner’s responsibility. These clearances must be free of any vegetation obstructions as further specified in the Tacoma Power Electric Service Handbook.

12.06A.150 Unlawful to alter existing wiring.
It shall be unlawful for any person to alter in any way any electrical wiring, or to permit such electrical wiring to be altered, unless done in conformity with the provisions of this chapter.
12.06A.155 Variance from Code requirements.
A variance from the electrical installation requirements of this chapter may be granted by the Chief Electrical Inspector when it is assured that equivalent objectives can be achieved by establishing and maintaining effective safety. The variance request must be made in writing by the Permit Holder or designer, using a form provided by Tacoma Power’s Electrical Inspection Office. A variance which has been granted shall be for a specific site and time and will not be considered as a precedent for other installations. All variances must be granted in writing.

12.06A.160 Move-on housing.
In addition to the requirements of WAC 296-46B-010, any structure which has been moved shall have its service upgraded to meet the requirements of this chapter and the NEC. Kitchen, bath, and laundry circuits shall comply with the NEC. AFCI protection, in compliance with the NEC, will be required, on all bedroom circuits.

12.06A.170 Fusing and equipment protection.
Fusing and equipment protection shall be in compliance with NEC Article 240.

12.06A.180 Explanation of chapter requirements.
A Tacoma Power electrical inspector may answer relevant questions concerning interpretation or application of adopted regulations and rules outlined in this Code. No electrical inspector shall lay out work or act in the capacity of an electrical installation consultant.

12.06A.190 Right of entry.
A Tacoma Power electrical inspector shall have the right to enter any and all Buildings and Premises which contain electrical wiring or apparatus, at any reasonable hour, for the purpose of inspecting or testing the installation of electrical wiring, electrical devices, and/or electric materials to determine Code compliance. Consent to such entry and inspection is a condition of continued electrical service.

12.06A.200 Non-liability of City for damages.
This chapter shall not be construed to alter the responsibility or liability of any person owning, designing, operating, controlling, or installing any electrical wires, appliances, apparatus, construction, or equipment for damages to persons or property caused by a defect therein, nor shall the City, or any employee or agent thereof, be held as assuming any such liability by reason of the inspection or other examination authorized herein or the notice of approval issued by the electrical inspector.

12.06A.210 Permits required.
An Electrical Permit shall be applied for and purchased before electrical equipment may be installed, altered, or repaired. An Electrical Permit is required for the installation, alteration, or maintenance of all electrical systems or equipment, including, but not limited to, when removal of a Tacoma Power owned electric meter is necessary to perform any electrical work.

Exceptions:
A. Like-in-kind replacement of a contactor, relay, timer, starter, electronic circuit board, or similar control component, household appliance, circuit breaker, fuse, residential luminaire, lamp, snap switch, dimmer, receptacle outlet, thermostat, heating element, luminaire ballast with an exact same ballast, component(s) of electric signs, outline lighting, skeleton lighting or skeleton neon tubing where the electrical system is not modified, 10 horsepower or smaller motor;
B. Induction detection loops described in WAC 296-46B-300(2) and used to control gate access devices;
C. Heat cable repair; and
D. Embedding pre-manufactured heat mats in tile grout where the mat is listed by an approved testing laboratory and comes from the manufacturer with pre-connected lead-in conductors. All listing marks and lead-in conductor labels must be left intact and visible for evaluation and inspection by the installing electrician and the electrical inspector.

12.06A.220 Permits and inspections.
A. An Electrical Permit application shall be filled in completely and accurately before it will be accepted by Tacoma Power’s Electrical Inspection Office. An application for an Electrical Permit signed by an electrical contractor or its representative shall serve as a certification by the electrical contractor, made under penalty of perjury, that said Contractor is the duly authorized agent of the Premises Owner where the electrical work is to be performed.
B. Electrical Permits shall expire one year after the date of issue or one year after the most recent inspection, whichever is later. The re-issuance of a Permit, if granted, may require additional fees.
C. The scheduling and timing of inspections shall be according to provisions set forth in the Tacoma Power Electric Service Handbook.

D. The Permit Holder is responsible for providing or arranging access to the work to be inspected.

E. The inspection site address shall be clearly visible from the street.

F. Electrical Code violations identified by the electrical inspector shall be posted at the work location. Violations shall be corrected within 15 days of notification unless a written request for extension is granted by the Chief Electrical Inspector.

G. Electrical Permits shall be required for each Building at which electrical work will be performed.

H. Electrical Permits are transferable, provided the original scope of work for the Permit has not changed and there has been no electrical work or inspection activity. The Permit transferee must present a statement and authorizing signature of approval from the Permit transferor. The transfer must take place at Tacoma Power’s Electrical Inspection Office within one year of the original Permit issuance.

I. Electrical Permits may be canceled by the Permit Holder. Upon such cancellation, Permit Holder shall be refunded the Electrical Permit fee prorated based on prior inspection activity, and less an administrative process fee. Tacoma Power may cancel an Electrical Permit if it determines the Permit Holder is not qualified to perform the Permitted work.

12.06A.230 Permit to owner – conditions and affidavit.
A. Electrical permits to perform electrical work on a new or existing Building owned by the Permit applicant and not intended for rent, sale, or lease may be issued to the applicant, provided that:

1. The applicant provides documentation that he or she is the Owner of the Building where electrical work is to be performed, such as a copy of a deed, along with evidence of identity;

2. The applicant signs an affidavit under penalty of perjury affirming the Building where the electrical work is to be performed is not for rent, sale or lease at the time of Permit application and that he or she does not intend to rent, sell or lease all or any part of the Building for at least twenty-four months after the final electrical inspection;

3. If the Building where the electrical work is to be performed is used as a residence by any person other than the applicant at the time of Permit application, or will be so used at any time during the twenty-four months following final electrical inspection, the applicant’s affidavit must further affirm the applicant’s residence at such Building and his or her intent to reside therein for at least two years after final inspection; and

4. The electrical work shall be done by the applicant and he or she, as well as any person(s) who gave assistance with the electrical installation, must be present during all inspections.

B. If it is apparent from the character of electrical work performed by or with the knowledge of the Owner, whether performed prior to or after Permit issuance, that the Owner and/or person assisting the Owner are not qualified to do the work under the Permit applied for or issued, an electrical inspector may require the work that is in violation of this chapter be changed, altered, or repaired by a licensed electrical contractor.

12.06A.240 Filing of drawings and specifications.
A. A completed plan review application shall be submitted with information required to complete the review process including, but not limited to, documentation specified in the Plan Review Application Instructions. Submitted plans shall be in accordance with WAC 296-46B-900 and must be stamped by a Professional Electrical Engineer registered with the State of Washington.

B. Electrical Permit applicants are required to submit electrical plans, load calculations, and specifications for work to be performed on:

1. Commercial and industrial services greater than 400 amps and downtown network services and feeders over 200 amps;

2. Residential services and feeders over 400 amps;

3. Commercial projects with a scope that covers more than 2,500 square feet;

4. All systems that have emergency generators (NEC Articles 517, 700, 701);

5. Systems operating over 600 volts; or

6. Schools, hospitals, institutions, and other projects as specified in the WAC.

C. Electrical plans must be submitted to Tacoma Power’s Electrical Inspection Office for review, giving sufficient time to complete the review prior to beginning electrical construction. A Tacoma Power approved set of drawings must be on the job.
site for the electrical inspector’s use. No inspection will be performed unless the approved plans are on the job site or special written permission is granted by the Chief Electrical Inspector or his designee. Where inspections are performed by Tacoma Power prior to plan approval, electrical materials or equipment may be required to be re-installed to meet the requirements of this chapter once plan review is complete. Electrical service will not be provided unless approved plans are on site and the electrical service equipment installation is approved.

D. Plan review fees are included in the commercial Permit fees. When no Permit has been purchased and the project has been canceled, or excessive time is required to review plans submitted with incomplete information or extensive errors, a fee of $80 per hour will be charged. Shipping and handling fees of $25 will be charged on all plans requested to be mailed back to the submitter.

12.06A.250 Permit fees.

Current standard fees for connecting electrical services to the Tacoma Power system, as well as the Permit fees and any penalties previously assessed, must be paid before an Electrical Permit application will be processed. The Permit applicant is responsible to arrange for payment. Permit applications for which insufficient or no payment has been received will not be processed. Unpaid Permit applications will be discarded by Tacoma Power if payment has not been received within 10 business days of receipt of application. Unless otherwise noted, when multiple inspections are required, the Permit fee shall not be less than $40 per 1/2 hour of inspection time. No inspection will be performed until the Permit application process is completed.

Current standard fees for Electrical Permits and inspections by Tacoma Power are as follows:

A. Residential.

1. Table A. Single-family dwelling and mobile home services, service changes, service upgrades, and solar photovoltaic (PV) system fees are set forth in Table A below, and include branch circuit wiring from the service(s) or feeder(s). All wiring by the same Permit Holder on single family dwellings of 400 amps/4000 sq. ft. or less is included under the fees from Table A unless otherwise noted below.

2. Branch circuit alterations and repairs. The fee for 1 to 4 new circuits, circuit extensions, or alterations where the service or feeder is not modified, increased, relocated, or replaced....................... $50

Use Table A if service or feeder work is included.

Each additional circuit................................................................. $5

Fee includes two inspections.

3. Service and PV system alterations and repairs. Minor alterations and repairs to an electrical service or PV system, including, but not limited to, the repair or replacement of the service mast, service entrance conductors, weather head, service attachment bracket, meter socket, main breaker, PV array, or production meter socket........................................................................................................ $40

See Table A if service panel, PV AC disconnect, or utility disconnect is repaired or replaced in combination with any of the above listed items.

Fee includes one inspection.
4. Low voltage.
   Single-family Dwellings—Fees for low voltage control panels and devices, such as fire alarm systems, data systems, intrusion alarms, HVAC systems, thermostats, and similar systems .......... $40
   Fee includes one inspection.

5. Temporary services 1-200 amps single phase .......................................................... $40
   Fee includes one inspection.

   Temporary services over 200 amps or three phase and systems with feeders ................. Table B

6. Residential swimming pool (In addition to any other fees listed) ...................................... $120
   Fee includes three inspections.

7. Generator transfer panel and equipment ................................................................. $60
   Fee includes one inspection.

B. Commercial and industrial.

1. Table B. The Permit fee for all commercial and industrial work, multifamily dwelling installations, and single family dwellings exceeding 400 amps or 4000 square feet shall be derived from Table B. Proof of electrical work value must be submitted at the time of application. Proof may be established by presenting a signed contract or a priced itemization of the work to be performed. The electrical work value shall be the reasonably documented value of all labor, material, fittings, apparatus, and the like, whether actually paid for or not, supplied by the Permit Holder and/or installed by the Permit Holder as a part of, or in connection with, a complete electrical system, but which does not include the cost of utilizing equipment connected to the electrical system. If a signed contract or other substantial proof of value is not submitted at the time of Permit application, the value may be established by Tacoma Power’s Electrical Inspection Office using modern construction cost-estimating techniques. If the reported work value is determined by Tacoma Power’s electrical inspection office to be significantly less than what was reported at the time the Permit was purchased, the Permit fee amount will be increased to reflect the corrected actual value and a charge for the time to determine such value will be assessed to the Permit fee. A fee adjustment shall be made for all change orders and field changes that increase the value. All fees must be paid before final electrical inspection approval of the project.

All others.................................................................................................................. Table B

4. Signs.
Each sign or first field installed neon transformer .................................................... $40
Each additional sign or field installed neon transformer ........................................... $15
Fee includes one inspection.

5. Carnival, circus, fair, trade shows, or similar events.
First ten of rides, generators, concessions, gaming shows, displays, or booths ........ $100
Each additional........................................................................................................... $5

C. Low voltage—Commercial/Industrial. Fees for low voltage control panels and devices, such as fire alarm systems, data
systems, intrusion alarms, HVAC systems, thermostats, communication systems, emergency control systems, and similar
systems are as follows:
Minimum fee per 10,000 sq. ft. of Building............................................................... $80
Each additional 1,000 sq. ft. or fraction of ................................................................. $8

D. Overtime: Overtime inspections including, but not limited to, call outs, weekend inspections, and after hours work must be
scheduled with Tacoma Power’s Electrical Inspection Office a minimum of three business days in advance. In addition to the
regular Permit fee, a fee for an overtime inspection is required as follows:
1. Unscheduled: Outside of an electrical inspector’s regular working hours, the minimum fee for an inspection shall be $480
for the first two hours, portal to portal, plus $160 for each hour thereafter. The fee must be paid the next business day.

2. Scheduled: Outside of an electrical inspector’s regular working hours, the minimum fee for an inspection shall be $320 for
the first two hours, portal to portal, plus $160 for each hour thereafter. The fee of $320 must be paid 48 hours in advance of
the scheduled inspection, and any remaining fee must be paid the next business day.

3. Requested inspections that extend beyond the electrical inspector’s regular working hours shall be at the minimum rate of
$160 per hour, portal to portal.

E. Annual Permit. Pursuant to section 12.06A.350, annual Permits are available to commercial and industrial customers
employing their own electrical maintenance staff. An annual Permit may be purchased in lieu of individual Permits for
maintenance on each job performed. Annual Permits may be purchased by an electrical contractor to perform maintenance
work at a commercial and industrial location if, at the time of application, a valid copy of the electrical contractor’s yearly
maintenance contract with the customer is submitted to Tacoma Power and the term and nature of work under such contract is
consistent, as determined in the sole discretion of Tacoma Power, with the term and purpose of the annual Permit.
Applications for annual Permits submitted without proof of required employment status or a valid maintenance contract will
not be accepted. Work performed under an annual Permit is limited to the installation of not more than two new feeders or
circuits rated 100 amps or less, and the maintenance, repair, retrofit, or replacement of conductors and equipment. Annual
Permits do not include the installation of new, exchanged, or upgraded service equipment, electrical work installed as part of
new or added square footage, facility expansion, remodel, or where, except as noted above, load is increased. The annual
Permit fee is calculated per Table C.

E. Miscellaneous fees.

1. Wrong meter address or location.
   A Permit is required to correct or inspect incorrect meter addressing by the Owner or Owner’s agent……………………………………………………………………………………………………………….$40 per 1/2 hour
   Overtime rates may apply.

2. Miscellaneous inspection (other)……………………………………………………………………………………………………..$40 per 1/2 hour

   A processing fee for granting an electrical installation as outlined in Section 12.06A.155 of this chapter ……………………………………………………………………………………………………………………….. $140

4. Required inspection on services off for one year or more ……………………………………………………………………………… $40
   Fee includes 1 inspection.

An additional Permit, fees, and inspections may be required if electrical deficiencies exist on the Premises.

12.06A.260 Penalty fees and fee adjustments.

The following-described penalties may be assessed, or the described fee adjustments may be determined appropriate, by order of the Chief Electrical Inspector:

A. Trip fee (per trip) when permit holder notifies Electrical Inspections Office that work is ready for inspection when it is not,……………………………………………………………………………………………………………... $40

B. The Permit Holder gives an incorrect inspection site address……………………………………………………………………………………………………………………....... $40

C. Inspections required as a result of carelessness, neglect, faulty workmanship, or materials………………….. $40

D. Failing to complete corrections within 15 days as required by this chapter…………………………………… $40

E. Removal of Stop Work Order………………………………………………………………………………………………………………………. $40

F. Tampering with Stop Work Order penalty fee …………………………………………………………………………………………………… $40

G. Occupying a Building, living unit, or business space without final electrical approval …………………….. $275

H. Work performed without a Permit……………………………………………………………………………………………………………… 4X regular Permit fee
   This provision does not pertain to emergency work where a permit is purchased the next business day.

I. Failure to provide or arrange access for requested inspection……………………………………………………………………………… $40

J. Late charge for nonpayment of penalty fees ………………………………………………………………………………………………………………… $25

K. Permit cancellation administrative process fee ………………………………………………………………………………………………… $40

12.06A.270 Penalty and adjustment fee appeals.

Penalty and Permit adjustment fees are due at the time of assessment unless the assessed party makes an appeal to the Chief Electrical Inspector within 15 business days pursuant to Section 12.06A.360. If payment or appeal is not made within the 15 days, an additional $25 late fee will be assessed and inspection activity will be stopped until the fee and late charges are paid.

12.06A.300 Protection of electrical workers.

All clearances per the State of Washington rules contained in WAC 296-155-428 must be maintained while working around overhead electrical lines.
12.06A.350 License requirements.
A. Subject to subsections B and C, and except as otherwise provided in RCW 19.28.091 or in section 12.06A.230, no person or entity shall in any manner undertake to perform any electrical work involving the installation, maintenance, alteration, or repair of any electrical wiring, devices, appliances, or equipment for which a Permit is required by this chapter unless such person or entity has an unrevoked, unsuspended, and unexpired electrical contractors license issued by the State of Washington.
B. Employers with employee(s) that perform electrical work are exempt from the license requirements of this section, provided that:
   1. The work performed is on the employer’s Premises or other property; and
   2. The work is not on the construction or remodel of a Building or other property intended for rent, sale, or lease.
C. Employees performing electrical work on the Premises or other property of their employer are exempt from the license requirements of this section, provided that:
   1. The work is not on the construction or remodel of a Building or property intended for rent, sale, or lease; and
   2. The employee performing the work is a regular, full time employee of the Owner of such Building or property.
D. A licensed electrical contractor will be required to perform any electrical work for, or on behalf of, any person or entity that does not satisfy the licensing requirements of this section. If it is apparent from the character of the work performed that the person or entity performing work under any exemption in this section is not qualified to do the work under the Permit issued, or that the work is otherwise in violation of this chapter, an electrical inspector may require the work to be changed, altered, or repaired by a licensed electrical contractor.

12.06A.360 Appeal process.
A. Any decision of an electrical inspector regarding the requirements of, or fees and penalties imposed under this chapter, may be appealed in writing to the Chief Electrical Inspector. The appeal must be made within 15 business days of the initial decision. The Chief Electrical Inspector shall respond in writing within ten business days.
B. Any decision of the Chief Electrical Inspector may be appealed to the Light Division Superintendent or his/her designee. The appeal must be made in writing and within ten business days of the Chief Electrical Inspector’s decision. The Light Division Superintendent or his/her designee shall make a decision on the appeal request within a reasonable time, which decision shall be in writing. Except for criminal and civil penalties imposed pursuant to section 12.06A.400 of this chapter, the written decision of the Light Division Superintendent or his/her designee is final and conclusive unless appropriate legal action is filed with the Pierce County Superior Court within 30 days of the issuance of said decision.

12.06A.370 Additional rules may be made by Director.
The Director of Utilities may make such rules and regulations governing the operation of this chapter as are not inconsistent with its provisions. The Director may grant reasonable minor adjustments in cases where the terms of this chapter place an injustice upon a customer if after written evidence has been presented to the Director it is shown that irregular circumstances of the customer’s load, service and/or other conditions warrant such adjustment.

12.06A.380 Classification of occupancies and wiring methods.
A. 200 ampere service capacity shall be required for all new single-family and duplex residential units of 500 square feet or more. An entire service upgrade shall not be required when only replacing a meter base, or mast, or panel, unless the load requirement is greater than the rating of the existing service and/or specific electrical safety concerns associated with said equipment are detected.
B. Service entrance conductors for commercial occupancies shall have an ampacity not less than the rating of the service equipment they supply. For multiple-dwelling occupancies, the minimum service conductor ampacity shall not be less than the calculated service load.
C. Commissioning of all new Emergency Legally Required Standby, and/or Health Care systems fed by a 150 kw or larger generator shall be in compliance with NEC Sections 700, 701 and 517, respectively. A copy of the commissioning report shall be presented to the electrical inspector prior to the final electrical inspection.
D. Customer-owned systems that are metered at 12.5 kV or higher, known as primary metered systems, shall be installed as outlined in NEC 215.2(B)(3) and Tacoma Power’s Transmission & Distribution Construction Standards. Such systems must be designed and certified by a Washington State Registered Electrical Engineer and reviewed by Tacoma Power’s Electrical Inspection Office. These systems must be tested per manufacturers’ published instructions and certified as free of short circuits and ground faults prior to approval for energizing.
E. Each newly constructed or remodeled dwelling unit, as defined in NEC 100, shall be independently metered by Tacoma Power.

F. Use of Type SE cable is limited to feeders and branch circuits.

12.06A.400 Violations – Notification – Penalties.

A. Any person, firm, or corporation that violates, disobeys, neglects, or refuses to comply with or resists or opposes the enforcement of any of the provisions of this chapter, or who persists in Occupying any building or structure, and/or maintaining operation of any equipment or appliances, in which the electrical wiring has been declared to be in violation of this chapter, after having been notified of such violation, shall be guilty of a misdemeanor and upon conviction thereof, shall be punishable by a fine not to exceed $1,000, together with the cost of prosecution, or by imprisonment of not more than 90 days, or by both such fine and imprisonment. Each day such violation, disobedience, neglect, or refusal continues after notification of violation shall be deemed a separate offense and shall be subject to the penalty of this section. Such person, firm, or corporation shall be deemed to have been duly notified by posting of notification on the premises, equipment, or appliances by the electrical inspector or by the sealing out of the service, of circuits, of equipment, and/or of appliances by the electrical inspector, or by notification in writing by the electrical inspector, mailed to the Owner and/or occupant at the Premises involved.

B. At the option of the City, in lieu of proceeding with criminal sanctions, violations of this chapter may result in a civil penalty of up to $1,000 for each violation. A civil penalty may be imposed by written notice issued by the Chief Electrical Inspector or his or her designated assistant. The civil penalty shall be paid prior to final approval of the premises involved.

Appeals of the civil penalty may be made by a party or firm adversely affected by filing a notice of appeal with the City Hearing Examiner within ten days of receipt of the notice of civil penalty. The decision of the Hearing Examiner is final and conclusive, and is only subject to review by the Pierce County Superior Court by filing appropriate legal action within 30 days of the issuance of the Hearing Examiner's final decision. If such fine or civil penalty remains unpaid more than 60 days after said amount has been imposed and all appeals thereof have been exhausted, or the time has expired for an appeal, then said amount may be transferred to the electric utility bill account for said person or firm, and the remedies for collection for electric utility shall apply.

MINIMUM BUILDING AND STRUCTURES CODE

Sections:
2.01.010 Purpose.
2.01.020 Scope.
2.01.030 Additions, Alterations, and Change of Use.
2.01.040 Definitions.
2.01.050 Administration and Process.
2.01.060 Minimum Building Requirements and Repair Standards.
2.01.070 Unoccupied, Vacant, or Partially Secured Building Standards.

2.01.060 Minimum Building Requirements and Repair Standards.
No owner shall maintain, or permit to be maintained, any property which does not comply with the requirements of this chapter. All property shall be maintained to the Building Code requirements in effect at the time of construction. Alterations or repairs shall meet the minimum standards and repair standards set forth in this section. It is recognized that, in order to maintain the properties as required by this chapter, repairs will need to be made. Repairs, renovations, alterations, and additions in general will be required to meet the applicable codes in effect at the time they are undertaken, with the minimum acceptable standard of repair being made to bring the building or element of a building up to at least the minimum standards as listed in this section. The following provisions provide guidelines for these repairs, but when renovations, alterations, and additions are undertaken, they may require meeting a higher standard of repair than just meeting the minimum requirements set forth in this section.

Requirements necessary for the strength, stability or proper operation of an existing fixture, structure or equipment, or for public health, safety or general welfare, not specifically covered by Chapter 2.01, shall be determined by the Building Official, as authorized in the Tacoma Municipal Code.

Where there is a change of use or where there is a substantial renovation as defined by the Building Code, all work shall be in accordance with the Building Code, including the IEBC as adopted and amended in Chapter 2.02 of the Tacoma Municipal Code.

O. Exit Path Lighting.

General. Except within individual dwelling units, guest rooms, and sleeping rooms, exits shall be illuminated at any time the building is occupied, with light having intensity in accordance with the Building Code.

Sources of Power. The power supply for exit illumination shall normally be provided by the premises’ wiring system. Emergency backup power or power on separate circuits shall be in accordance with the Building Code in effect at the time the lighting was installed.

Exit path shall be illuminated at all times the building or structure is occupied. Exit path lighting shall provide a minimum illumination at floor level in accordance with the Building Code. Where exit path lighting in existing buildings is missing or is required to be upgraded, it shall meet the following requirements:

Separate Sources of Power. The power supply for exit illumination shall normally be provided by the premises’ wiring system. In the event of its failure, illumination shall be automatically provided from an emergency system for Group I, Divisions 1.1 and 1.2 Occupancies, and for all other occupancies where the exiting system serves an occupant load of 100 or more.

Emergency systems shall be supplied from storage batteries or an on-site generator set and the system shall be installed in accordance with the requirements of the Electrical Code, as codified in Chapter 12.046A of the Tacoma Municipal Code.

EXCEPTION: In auditoriums, theaters, concert or opera halls, and similar assembly uses, the illumination at floor level may be reduced during performances to lower levels allowed in the Building Code.

2.02.090 Amendment to IBC Section 105.2 – Work exempt from permit.

105.2 Work exempt from permit. Exemptions from permit requirements of this code shall not be deemed to grant authorization for any work to be done in any manner in violation of the provisions of this code or any other laws or ordinances of this jurisdiction. Permits shall not be required for the following:

Building:
1. One-story detached accessory structures used as tool and storage sheds, playhouses and similar uses, provided the floor area does not exceed 120 square feet (11 m²).
2. Fences not over 7 feet (1829 mm) high.

3. Oil derricks.

4. Retaining walls which are not over four feet (1219 mm) in height, measured from the bottom of the footing to the top of the wall, unless supporting a surcharge or impounding Class I, II or III-A liquids. A Fence supported by a retaining wall shall be considered a surcharge.

5. Water tanks supported directly on grade if the capacity is not greater than 5,000 gallons (18,925 L) and the ratio of height to diameter or width is not greater than 2:1.

6. Sidewalks and driveways not more than 30 inches (762 mm) above adjacent grade and on grade concrete patios with an aggregate area not exceeding 2,000 Sq. Ft. (185.81 sq-M), provided they are not over any basement or story below and are not part of an accessible route.

7. Painting, papering, tiling, carpeting, cabinets, counter tops, and similar finish work.

8. Temporary motion picture, television, and theater stage sets and scenery.

9. Prefabricated swimming pools accessory to a Group R-3 occupancy, as applicable in Section 101.2, which are less than 24 inches (610 mm) deep, are not greater than 5,000 gallons (18,925 L), and are installed entirely above ground.

10. Shade cloth structures constructed for nursery or agricultural purposes, not including service systems.

11. Swings and other playground equipment accessory to detached one- and two-family dwellings.

12. Window awnings in Group R-3 and U occupancies supported by an exterior wall which do not project more than 54 inches (1372mm) from the exterior wall and do not require additional support.

13. Non-fixed and movable fixtures, cases, racks, counters and partitions not over 5 feet 9 inches (1753 mm) in height.

ORDINANCE NO. 28444

AN ORDINANCE relating to the Electric System of the City of Tacoma; providing for the sale and issuance of Electric System Revenue Bonds in the aggregate principal amount of not to exceed $90,000,000 to provide funds to finance or refinance costs of capital improvements to the Electric System and to refund all or a portion of the City’s outstanding Electric System Subordinate Revenue Bonds, fixing certain terms and provisions thereof, and approving certain other matters in connection therewith.

WHEREAS, by Ordinance No. 23514, passed on November 20, 1985 (as amended and supplemented, including as amended and restated by Ordinance No. 28146, passed on April 30, 2013, collectively, the “Master Ordinance”), the City authorized Electric System Revenue Bonds of the City (the “Parity Bonds”) to be issued in series having a parity of lien and charge on the Revenues of the Electric System after the payment of Operating Expenses (as those terms are defined therein), if certain conditions are met, and made covenants in connection with the issuance of such Parity Bonds, and

WHEREAS the City has issued and has currently outstanding the following Series of Parity Bonds:

which are outstanding in the total aggregate principal amount of approximately $358,335,000, and

WHEREAS the Master Ordinance permits the City to issue obligations that are junior and subordinate to the payment of the Parity Bonds and that are payable from Revenues of the Electric System, after payment of the Operating Expenses, only after the prior payment of all amounts required to be paid or set aside under the
Master Ordinance for the Parity Bonds as the same shall become due at the times and in the manner as required in the Master Ordinance, and

WHEREAS the City Council (the “Council”), on April 21, 2015, passed Ordinance No. 28295 (the “Master Subordinate Ordinance”) authorizing the issuance of revenue bonds of the City junior and subordinate to the Parity Bonds to be known as the City of Tacoma Electric System Subordinate Revenue Bonds in one or more series to finance costs of the Electric System, and

WHEREAS the Council, on April 21, 2015, also passed Ordinance No. 28296 (the “Supplemental Subordinate Ordinance” and together with the Master Subordinate Ordinance, the “Subordinate Ordinance”) authorizing the issuance of the 2015A Subordinate Revenue Note in an aggregate principal amount of up to $100,000,000 (the “2015A Subordinate Note”) to finance and refinance costs of the Electric System, and

WHEREAS the Public Utility Board of the City (the “Board”) has initiated and has recommended to the Council for its approval the issuance of Parity Bonds to refund all or a portion of the 2015A Subordinate Note, and

WHEREAS it is deemed necessary and advisable to acquire and construct certain additions and betterments to and extensions of the Electric System, and

WHEREAS the Board has initiated and has recommended to the Council for its approval the issuance of Parity Bonds (collectively with the Parity Bonds issued to refund all or a portion of the 2015A Subordinate Note, the “2017 Bonds”) to finance and refinance such capital improvements to the Electric System and to pay costs of issuance, and

WHEREAS the Council has determined that it is in the best interests of the City and its ratepayers to issue the 2017 Bonds to (i) refund all or a portion of the 2015A Subordinate Note, (ii) finance or refinance costs of capital improvements to
the Electric System, (iii) fund a debt service reserve account for the 2017 Bonds, and (iv) pay the costs of issuance in connection with the 2017 Bonds, and

WHEREAS the City deems it in the best interests of the City and its ratepayers that the 2017 Bonds be sold to and purchased by Goldman Sachs & Co. LLC and Citigroup Global Markets Inc. (the “Underwriters”) pursuant to a Bond Purchase Agreement (the “Bond Purchase Agreement”), and

WHEREAS Section 14.1 of the Master Ordinance provides in relevant part that the City may adopt at any time without the consent of the owners of any Parity Bonds an ordinance or ordinances supplemental to or amendatory of the Master Ordinance to among other things (i) provide for the issuance of Future Parity Bonds and to prescribe the terms and conditions pursuant to which such bonds may be issued, paid or redeemed, (ii) add covenants and agreements of the City for the purpose of further securing the payment of the Parity Bonds, and (iii) to insert such provisions clarifying matters or questions arising under the Master Ordinance as are necessary or desirable in the event any such modifications are not contrary to or inconsistent with the Master Ordinance as theretofore in effect, and

WHEREAS the City desires to provide for the issuance and sale of the 2017 Bonds as a Series of Parity Bonds, and

WHEREAS the City desires to add certain covenants to the Master Ordinance to further secure the Parity Bonds, and

WHEREAS the Council hereby finds and determines that any and all acts, conditions and things required to exist, to happen and to be performed, precedent to and in the incurring of the indebtedness to be evidenced by the 2017 Bonds, and in the issuing of the 2017 Bonds, as of the date of issuance thereof, shall exist, have happened and have been performed in due time, form and manner, as required by the Constitution and statutes of the State and the Charter of the City, and that the
2017 Bonds are within every debt limitation and other limit prescribed by the Constitution and statutes of the State and the Charter, and is not in excess of the amount of Bonds permitted to be issued under the Master Ordinance; Now, Therefore,

BE IT ORDAINED BY THE CITY OF TACOMA:

ARTICLE I

DEFINITIONS

Section 1.1. Definitions. Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Master Ordinance, including any amendments to such terms as provided in Section 7.1 of this 2017 Supplemental Ordinance. In addition, as used in this 2017 Supplemental Ordinance, the following words shall have the following meanings:

i. “Board” has the meaning set forth in the recitals.

ii. “Bond Purchase Agreement” has the meaning set forth in the recitals.

iii. “Designated Representative” means the officer(s) of the City appointed in Section 3.2 to serve as the City’s representative in connection with the issuance and sale of the 2017 Bonds.

iv. “Master Subordinate Ordinance” has the meaning set forth in the recitals.

v. “Plan of Additions” has the meaning set forth in Section 2.2.

vi. “Refunded Obligations” means that portion of the principal of the 2015A Subordinate Note specified by the Designated Representative pursuant to Section 3.3.

vii. “Subordinate Ordinance” has the meaning set forth in the recitals.
viii. “Supplemental Subordinate Ordinance” has the meaning set forth in the recitals.

ix. “Tax-Exempt Bonds” has the meaning set forth in Section 7.3 in the new Section 13.15 of the Master Ordinance.

x. “2015A Subordinate Note” has the meaning set forth in the recitals.

xi. “2017 Bonds” has the meaning set forth in the recitals.

xii. “2017 Bonds Construction Account” means the account of that name created in the Construction Fund pursuant to Section 5.1.

xiii. “2017 Bonds Projects” means the facilities and projects to be financed or refinanced in whole or in part from proceeds of the 2017 Bonds, as provided in Section 2.2.

xiv. “2017 Bonds Reserve Subaccount” means the account of that name created in the Principal Account pursuant to Section 5.1.

xv. “Underwriters” has the meaning set forth in the recitals.

Section 1.2. Authority for 2017 Supplemental Ordinance. This 2017 Supplemental Ordinance is adopted pursuant to the laws of the State, the Tacoma City Charter and the Master Ordinance.

ARTICLE II

PARITY AND OTHER FINDINGS

Section 2.1. Parity Findings. In connection with the issuance of the 2017 Bonds, the City makes the following findings:

(A) There is, and as of the date of the issuance of the 2017 Bonds there will be, no deficiency in the Bond Fund and no Event of Default has occurred or shall have occurred and be continuing as of the Issue Date of the 2017 Bonds.
(B) This 2017 Supplemental Ordinance provides for the payment of the principal of and interest on the 2017 Bonds out of the Bond Fund.

(C) On the date of issuance of the 2017 Bonds, there will be on file with the City a certificate of the Finance Director stating that Net Revenues in twelve (12) consecutive months out of the most recent twenty-four (24) months preceding the authentication and delivery of the 2017 Bonds, as determined from the financial statements of the Electric System prepared by the Department of Public Utilities, were not less than one hundred twenty-five percent (125%) of maximum Annual Debt Service in any future Fiscal Year on all outstanding Parity Bonds and the 2017 Bonds.

Section 2.2. Plan of Additions.

(A) The City specifies, adopts, and orders to be carried out the system or plan of capital additions to and betterments and extensions of the Electric System (the “Plan of Additions”) as generally provided for in the capital portions of the 2015-2016 and 2017-2018 Biennial Budgets, as supplemented and amended, and in any subsequent such budgets if proceeds of the 2017 Bonds are available after 2018.

(B) The estimated cost of the Plan of Additions to be financed with the proceeds of the 2017 Bonds is not expected to exceed $90,000,000. The portion of the Plan of Additions financed with proceeds of the 2017 Bonds is referred to herein as the “2017 Bonds Projects.”

(C) The Plan of Additions shall include any amendments, supplements or revisions to the Electric System Comprehensive Plan. The Plan of Additions may be further modified by ordinance or resolution of the City.

(D) The Plan of Additions includes the purchase and installation of all materials, supplies, appliances, equipment (including, but not limited to, data processing hardware and software and conservation equipment) and facilities; the
acquisition of all permits, franchises, property and property rights; other capital
assets; and all engineering, consulting, and other professional services and studies
(whether performed by the City or by other public or private entities) necessary or
convenient to carry out the Plan of Additions.

Section 2.3. Findings as to Sufficiency of Revenues; Due Regard. The City finds and
determines that the Revenues of the Electric System at the rates to be charged for
power and other services and commodities furnished thereby will be sufficient in the
determination of the City to meet all Operating Expenses, to make all required
payments with respect to the Parity Bonds, and to permit the setting aside into the
Bond Fund out of the Revenues of amounts sufficient to pay the principal of and
interest on the 2017 Bonds when due, including at maturity and upon any mandatory
sinking fund redemption thereof. The City further finds and determines that in
creating the subaccounts in the Bond Fund for the 2017 Bonds and in fixing the
amounts to be paid into such subaccounts in the Bond Fund, it has exercised due
regard for the cost of operation and maintenance of the Electric System and to
the proportion and part of the Revenues previously pledged for the payment of the
Parity Bonds, the Subordinate Bonds and other indebtedness, and the City has not
obligated itself to set aside into such subaccounts in the Bond Fund for the 2017
Bonds a greater amount or proportion of the Revenues than in the judgment of
the City will be available above such cost of maintenance and operation and the
amount and proportion of the Revenues so previously pledged.

ARTICLE III

AUTHORIZATION AND TERMS OF 2017 BONDS

Section 3.1. Authorization of 2017 Bonds; Purposes.
(A) Authorization. The City hereby authorizes the issuance of its “City of Tacoma, Washington, Electric System Revenue Bonds, Series 2017” pursuant to
the Master Ordinance. The 2017 Bonds shall constitute “Parity Bonds” within the meaning of the Master Ordinance.

(B) Purposes. The 2017 Bonds shall be issued to: (i) finance and refinance the costs of the 2017 Bonds Projects, (ii) refund the Refunded Obligations, (iii) fund a debt service reserve with respect to the 2017 Bonds, and (iv) pay costs of issuance in connection with the 2017 Bonds.

Section 3.2. Appointment of Designated Representative. The Director of Utilities, and, in the alternative, the Superintendent of the Power Division, each is appointed as the Designated Representative. The Designated Representative is authorized to issue and sell the 2017 Bonds and to establish and determine the terms of the 2017 Bonds, all as provided herein.

Section 3.3. Final Terms of 2017 Bonds. In determining the Final Terms applicable to the 2017 Bonds and taking such other actions as are delegated pursuant to this 2017 Supplemental Ordinance, the Designated Representative shall seek to achieve the lowest practicable true interest cost on the 2017 Bonds. The Final Terms shall be established by the Designated Representative pursuant to the Pricing Certificate within the following parameters:

(A) Refunded Obligations. The Designated Representative shall specify all or a portion of the 2017 Note as the Refunded Obligations which will be refunded from proceeds of the 2017 Bonds together with other available moneys, if any.

(B) Principal Amount. The 2017 Bonds may be issued in one or more Series and shall not exceed the aggregate principal amount of $90,000,000.

(C) Date or Dates. Each Series of 2017 Bonds shall be dated as of its Issue Date, which date shall not be later than December 1, 2017.

(D) Denominations, Series Designation. The 2017 Bonds shall be issued in authorized denominations of $5,000 or any integral multiple thereof within a
maturity, and shall be numbered separately in the manner and shall bear any
additional name or designation as deemed necessary or appropriate by the
Designated Representative.

(E) Interest Rates. The 2017 Bonds shall bear interest at fixed rates per
annum (computed on the basis of a 360-day year of consisting of 12 months of
30 days) from their Issue Date or from the most recent date to which interest has
been paid or duly provided for, whichever is later; provided, that no rate of interest
for any 2017 Bond may exceed seven percent (7%), and the true interest cost to the
City for a Series of 2017 Bonds may not exceed six percent (6%).

(F) Payment Dates. Interest shall be payable semiannually on January 1
and July 1, commencing no later than one year following the Issue Date. Principal
payments shall commence on the interest payment date determined by the
Designated Representative and shall be payable at maturity or in mandatory sinking
fund redemption installments on such dates as are determined by the Designated
Representative; provided, that no more than ten percent (10%) of the par amount of
the 2017 Bonds shall mature or become due by mandatory sinking fund redemption
in any Fiscal Year.

(G) Final Maturity. The 2017 Bonds shall have a final maturity no later
than December 1, 2047.

(H) Redemption Rights. In his or her discretion, the Designated
Representative may approve provisions for the optional and mandatory redemption
of 2017 Bonds, as follows:

i. Optional Redemption. Any 2017 Bond may be designated as
being (A) subject to redemption at the option of the City prior to its maturity date on
the dates and at the prices determined by the Designated Representative; or (B) not
subject to redemption prior to its maturity date. If a 2017 Bond is designated as
subject to optional redemption prior to its maturity, it shall be subject to such
redemption on one or more dates beginning not more than eleven (11) years after
the Issue Date at such premium or premiums if any as shall be determined by the
Designated Representative not to exceed five percent (5%) of the principal amount
thereof.

ii. Mandatory Redemption. Any 2017 Bond may be designated
as a Term Bond, subject to mandatory sinking fund redemption prior to its maturity
on the dates and in the amounts determined by the Designated Representative.

   (I) Price. The purchase price for any Series of 2017 Bonds may not be
less than 95 percent or more than 125 percent of the stated principal amount of that
Series.

   (J) Reserve Account Requirement. The Designated Representative shall
specify the Reserve Account Requirement, if any, with respect to the 2017 Bonds,
which shall not exceed the amount permitted to be funded from proceeds of the
2017 Bonds pursuant to the Code.

   (K) Bondowners' Trustee. The Designated Representative is hereby
authorized and directed to appoint the Bondowners' Trustee prior to the sale of the
2017 Bonds.

   (L) Other Terms and Conditions. The Designated Representative may
determine to provide for Qualified Insurance with respect to the 2017 Bonds and/or
the 2017 Bonds Reserve Subaccount. The Designated Representative is
authorized to execute and deliver such documents, agreements and certificates as
may be necessary or desirable to obtain such bond insurance or Reserve
Insurance, each of such documents, agreements and certificates to be in such form
as may be approved by the Designated Representative upon consultation with the
City Attorney, such approval to be evidenced conclusively by the execution and
delivery thereof.

Section 3.4. Registered Bonds; Book-Entry. The 2017 Bonds shall be
issued in the form of a single fully-registered 2017 Bond for each maturity. The
2017 Bonds shall be registered in the name of DTC or its nominee, and initially held
in book-entry only form.

Section 3.5. Form of 2017 Bonds. The definitive 2017 Bonds shall be in
substantially the form set forth in Exhibit A attached hereto and made a part hereof,
with such appropriate variations, omissions and insertions as shall be required or
appropriate consistent with the Master Ordinance and this 2017 Supplemental
Ordinance.

ARTICLE IV

SALE OF 2017 BONDS

Section 4.1. Manner of Sale of 2017 Bonds.

(A) Manner of Sale. The Designated Representative is authorized to sell
the 2017 Bonds by negotiated sale pursuant to a bond purchase agreement or by
competitive sale in accordance with a notice of sale, in each case consistent with
this 2017 Supplemental Ordinance.

(B) Negotiated Sale. The City authorizes the Designated Representative
to select and appoint one or more investment banks to serve as underwriter (the
"Underwriters") for the 2017 Bonds in connection with any negotiated sale(s) thereof
and approves the selection of Goldman Sachs & Co. LLC and Citigroup Global
Markets Inc. as the Underwriters with respect to the 2017 Bonds. The 2017 Bonds
shall be sold to the Underwriters in accordance with a Bond Purchase Agreement
substantially in the form approved by the Board, with such changes and additions as
the Designated Representative may approve upon consultation with the City
Attorney, such approval to be evidenced conclusively by the delivery to the Underwriters of such Bond Purchase Agreement as so added to or changed; provided, that the total compensation to the Underwriters shall not exceed five-tenths of one percent (0.5%) of the principal amount of the 2017 Bonds.

(C) Delivery of 2017 Bonds. The 2017 Bonds shall be delivered to the Underwriters upon payment of the purchase price therefor pursuant to the terms of the Bond Purchase Agreement.

Section 4.2. Official Statement.

(A) Preliminary Official Statement. The City authorizes and approves the preparation of a Preliminary Official Statement for the 2017 Bonds. For the sole purpose of the Underwriters’ compliance with paragraph (b)(1) of Rule 15c2-12, the Designated Representative is authorized to “deem final” the Preliminary Official Statement as of its date, except for the omission of information permitted by Rule 15c2-12. The City authorizes and approves the distribution of the Preliminary Official Statement to prospective investors.

(B) Final Official Statement. The City authorizes and approves the preparation of a final Official Statement for the 2017 Bonds in the form of the Preliminary Official Statement, with such modifications and amendments as the Designated Representative deems necessary or desirable upon consultation with the City Attorney, such approval to be evidenced conclusively by the execution by the Designated Representative of said final Official Statement as so modified or amended. The City authorizes and approves the distribution of the final Official Statement to prospective investors.

Section 4.3. Continuing Disclosure. The City adopts with respect to the 2017 Bonds the continuing disclosure undertaking with respect to the 2013 Bonds
set forth in Article VIII of the Master Ordinance, effective as of the Issue Date of the
2017 Bonds.

ARTICLE V

APPLICATION OF BOND PROCEEDS

Section 5.1. Establishment and Designation of Accounts.
(A) There is hereby created in the Construction Fund an account to be
known as the 2017 Bonds Construction Account.
(B) There is hereby created in the Reserve Account in the Bond Fund a
subaccount to be known as the 2017 Bonds Reserve Subaccount.

Section 5.2. Deposit of Proceeds of 2017 Bonds. Immediately upon
receipt thereof, the City shall deposit the proceeds of the 2017 Bonds as follows:
(A) With the owner and holder of the Refunded Obligations an amount,
together with other available moneys, if any, sufficient to pay the same;
(B) Into the 2017 Bonds Reserve Subaccount an amount equal to the
Reserve Account Requirement with respect to the 2017 Bonds; and
(C) Into the 2017 Bonds Construction Account the remaining proceeds,
which shall be applied to pay and reimburse the City for the costs of the 2017 Bonds
Projects and to pay costs of issuance in connection with the 2017 Bonds.

Section 5.3. Deposits Into and Uses of the 2017 Subaccounts in the
Bond Fund. The City obligates and binds itself irrevocably to set aside and to pay
into the 2017 Bonds Interest Subaccount, the 2017 Bonds Principal Subaccount,
and the 2017 Bonds Bond Retirement Subaccount, respectively, out of the
Revenues the amounts necessary (together with other available moneys on hand
therein) to pay the principal of, interest on and any mandatory sinking fund
redemptions for the 2017 Bonds as and when the same respectively become due
and payable in accordance with the terms hereof. The 2017 Bonds Interest
Subaccount, the 2017 Bonds Principal Subaccount, and the 2017 Bonds Bond Retirement Subaccount, respectively, shall be drawn upon solely for the purpose of paying the principal of, interest on and mandatory sinking fund redemptions for the 2017 Bonds.

ARTICLE VI

REFUNDING OF REFUNDED OBLIGATIONS

Section 6.1. Refunding of the Refunded Obligations.

(A) Use of Bond Proceeds. The portion of the proceeds of the 2017 Bonds, together with other available money, allocated to refunding the Refunded Obligations shall be deposited and applied upon the receipt thereof to discharge the obligations of the City relating to the Refunded Obligations pursuant to and in accordance with the Subordinate Ordinance.

(B) Redemption of the Refunded Obligations. The proper City officials are authorized and directed to give or cause to be given such notices at the times and in the manner required pursuant to the Subordinate Ordinance in order to effect the payment and redemption of the Refunded Obligations.

ARTICLE VII

AMENDMENTS TO MASTER ORDINANCE

Section 7.1. Amendments to Definitions.

(A) Except as may be otherwise provided in a Supplemental Ordinance with respect to a Series of Future Parity Bonds, the references in the following definitions in Section 1.1 of the Master Ordinance to “2013 Bonds” are amended to read “2013 Bonds and any Series of Future Parity Bonds”:

i. “Code”

ii. “Final Terms”

iii. “Issue Date”
iv. “Pricing Certificate”

v. “Series”

(B) The following definitions in Section 1.1 of the Master Ordinance are hereby amended to read as follows:

i. “Bondowners’ Trustee” means the Trustee appointed by the City pursuant to Article XVI hereof.

ii. “Master Ordinance” means Ordinance No. 28146, passed on April 30, 2013, as supplemented and amended pursuant hereto.

iii. “Parity Bonds” means the bonds of the City issued pursuant to this Master Ordinance.

Section 7.2. Amendments to Articles and Sections. Except as may be otherwise provided in a Supplemental Ordinance with respect to a Series of Future Parity Bonds, the term “2013 Bonds” in the following Articles and Sections of the Master Ordinance is amended to read “2013 Bonds and any Future Parity Bonds”:

i. Section 4.4. Registration, Exchange and Payments.

ii. Section 4.5. Redemption Terms.

iii. ARTICLE V. FORM AND GENERAL TERMS

iv. ARTICLE VII. REFUNDING OR DEFEASANCE

v. ARTICLE XIII. COVENANTS TO SECURE PARITY BONDS

vi. ARTICLE XV. DEFAULTS AND REMEDIES

viii. Section 17.2. Benefits of Ordinance Limited to City, Bondowners, and Paying Agent.

Section 7.3. Additional Covenants. The following additional covenants are hereby added to Article XIII of the Master Ordinance:
Section 13.13. Covenant to Comply with Licenses. The City shall at all times comply with the terms and conditions of any permits or licenses for the Electric System, or any property or facilities constituting a part thereof, issued by any federal or state governmental agency or body having jurisdiction thereof and with the power to issue orders with respect thereto and enforce the same, and with any federal or state law or regulation applicable to the construction, operation, maintenance and repair of the Electric System. The City shall use its best efforts to obtain renewals of such permits or licenses or obtain new permits or licenses unless such renewals or new permits or licenses are not, in the judgment of the Board, in the best interests of the City.

Section 13.14. Protection of Security. The City shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Revenues and the rights of the owners of the Parity Bonds under this Master Ordinance against all claims and demands of all persons whatsoever.

Section 13.15. Tax Covenants. The City covenants that it shall not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of the interest on any Parity Bonds the interest on which is tax-exempt under Section 103 of the Code (the “Tax-Exempt Bonds”). The City shall not directly or indirectly use or permit the use of any proceeds of the Tax-Exempt Bonds in such a manner as would adversely affect the exclusion of interest on any Tax-Exempt Bonds from gross income under Section 103 of the Code. The City shall not
directly or indirectly use or permit the use of any proceeds of any Tax-
Exempt Bonds, or of any facilities financed thereby, or other funds of
the City, or take or omit to take any action, that would cause any Tax-
Exempt Bonds to be “arbitrage bonds” within the meaning of
Section 148 of the Code. To that end, the City shall comply with all
requirements of Section 148 of the Code and all regulations of the
United States Department of the Treasury promulgated thereunder to
the extent such requirements are, at the time, in effect and applicable
to the Tax-Exempt Bonds.

Section 13.16. Further Assurances. The City shall at any and
all times, insofar as it may be authorized to do so by law, pass, make,
do, execute, acknowledge and deliver all and every such further
resolutions, acts, assignments, instruments and assurances as may be
necessary or desirable for the better assuring, granting, pledging,
assigning and confirming any and all of the rights, revenues, funds and
other property hereby granted, pledged or assigned to pay or secure
the payment of the Parity Bonds, in the manner and to the extent
provided herein.

Section 7.4. Amendment to Article XIV. The following Section 14.3 is
hereby added to the Master Ordinance, and the existing Section 14.3 is hereby
renumbered as Section 14.4:

Section 14.3 Consent of Bond Owners and Opinions. Each
Supplemental Ordinance enacted pursuant to the provisions of
Section 14.2 shall take effect only when and as provided in this
Section. A copy of such Supplemental Ordinance (or brief
summary thereof or reference thereto in form approved by the
Bondowners’ Trustee), together with a request to Parity Bond owners for their consent thereto in form satisfactory to the Bondowners’ Trustee, shall be sent by the Bondowners’ Trustee to the Parity Bond owners, at the expense of the City, by first class mail, postage prepaid; provided, that a failure to mail such request shall not affect the validity of the Supplemental Ordinance when consented to as provided below. Such Supplemental Ordinance shall not be effective unless and until there shall have been filed with the Bondowners’ Trustee the written consents of Parity Bond owners of the percentage of Bonds specified in Section 14.2 given as provided in Section 16.4. Any such consent shall be binding upon the Parity Bond owner giving such consent and upon any subsequent owner of such Parity Bonds and of any Parity Bonds issued in exchange therefor or in lieu thereof (whether or not such subsequent Parity Bond owner has notice thereof), unless such consent is revoked in writing by the Parity Bond owner giving such consent or a subsequent owner of such Parity Bonds by filing such revocation with the Bondowners’ Trustee prior to the date the Bondowners’ Trustee receives the required percentage of consents.

Section 7.5. Bondowners’ Trustee. Section 15.2 of the Master Ordinance is hereby deleted. The following new Article XVI is hereby added to the Master Ordinance as the successor to the prior Section 15.2 and Article XVI, the latter of which was no longer effective upon the final payment, defeasance and redemption of the Bonds issued prior to the 2010 Bonds:
ARTICLE XVI

BONDOWNERS' TRUSTEE

Section 16.1. Duties and Responsibilities of the Bondowners’ Trustee.

(A) Prior to the occurrence of an Event of Default of which it has or is deemed to have notice hereunder, and after the curing or waiver of any Event of Default that may have occurred: (i) the Bondowners’ Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Master Ordinance, and no implied covenants or obligations shall be read into this Master Ordinance against the Bondowners’ Trustee; and (ii) in the absence of bad faith on its part, the Bondowners’ Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Bondowners’ Trustee that conform to the requirements of this Master Ordinance; but the Bondowners’ Trustee is under a duty to examine such certificates and opinions to determine whether they conform to the requirements of this Master Ordinance.

(B) In case an Event of Default of which the Bondowners’ Trustee has or is deemed to have notice hereunder has occurred and is continuing, the Bondowners’ Trustee shall exercise such of the rights and powers vested in it by this Master Ordinance, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use in the conduct of such person’s own affairs.

(C) No provision of this Master Ordinance shall be construed to relieve the Bondowners’ Trustee from liability for its own negligent
action, its own negligent failure to act, or its own willful misconduct,
except that: (i) this subsection shall not be construed to limit the effect
of subsection B. of this Section; (ii) the Bondowners’ Trustee is not
liable for any error of judgment made in good faith by an authorized
officer of the Bondowners’ Trustee, unless it is proven that the
Bondowners’ Trustee was negligent in ascertaining the pertinent facts;
(iii) the Bondowners’ Trustee is not liable with respect to any action it
takes or omits to be taken by it in good faith in accordance with the
direction of the Parity Bond owners under any provision of this Master
Ordinance relating to the time, method and place of conducting any
proceeding for any remedy available to the Bondowners’ Trustee, or
exercising any trust or power conferred upon the Bondowners’ Trustee
under this Master Ordinance; and (iv) no provision of this Master
Ordinance shall require the Bondowners’ Trustee to expend or risk its
own funds or otherwise incur any liability in the performance of any of
its duties hereunder, or in the exercise of any of its rights or powers, if
it has reasonable grounds for believing that the repayment of such
funds or adequate indemnity against such risk or liability is not
reasonably assured to it.

(D) The Bondowners’ Trustee shall maintain proper books of
record and accounts in which complete and correct entries shall be
made of all investments and disbursements of proceeds in the Funds
through the date ending six (6) years following the date on which all
the Parity Bonds have been retired, and such records shall be
available for inspection by the City upon reasonable notice.
(E) Whether or not expressly so provided, every provision of this Master Ordinance relating to the conduct or affecting the liability of or affording protection to the Bondowners’ Trustee is subject to the provisions of this Section.

Section 16.2. Certain Rights of the Bondowners’ Trustee.

Except as otherwise provided in Section 16.1:

(A) The Bondowners’ Trustee may rely and is protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(B) Any statement or certification of the City under this Master Ordinance shall be sufficiently evidenced by a certificate of the City (unless other evidence thereof is specifically prescribed), any request, direction, order or demand of the City under this Master Ordinance shall be sufficiently evidenced by an order of the City (unless other evidence thereof is specifically prescribed) and any ordinance or resolution of the Council may be sufficiently evidenced by a copy thereof certified by the Secretary of the Council;

(C) Whenever in the administration of this Master Ordinance the Bondowners’ Trustee deems it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Bondowners’ Trustee (unless other evidence thereof is specifically prescribed) may, in the absence of bad faith on its part, rely upon a certificate of the City;
(D) The Bondowners' Trustee may consult with counsel and the written advice of such counsel or an opinion of Bond Counsel shall be full and complete authorization and protection for any action taken, suffered or omitted by it in good faith and in accordance with such advice or opinion;

(E) The Bondowners' Trustee is under no obligation to exercise any of the rights or powers vested in it by this Master Ordinance at the request or direction of any of the Parity Bond owners unless the owners have offered to the Bondowners' Trustee security or indemnity reasonably satisfactory to the Bondowners' Trustee as to its terms, coverage, duration, amount and otherwise with respect to the costs, expenses and liabilities which may be incurred by it in compliance with such request or direction, and the provision of such indemnity shall be mandatory for any remedy taken upon direction of the owners of a majority in aggregate principal amount of the Outstanding Parity Bonds;

(F) The Bondowners' Trustee is not required to make any inquiry or investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture or other paper or document but the Bondowners' Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit and, if the Bondowners' Trustee determines to make such further inquiry or investigation, it is entitled to examine the books, records and premises of the City, in person or by agent or attorney;
(G) The Bondowners’ Trustee may execute any of its trusts or powers or perform any duties under this Master Ordinance either directly or by or through agents or attorneys, and may in all cases pay, subject to reimbursement as provided in Section 16.5, such reasonable compensation as it deems proper to all such agents and attorneys reasonably employed or retained by it, and the Bondowners’ Trustee shall not be responsible for any misconduct or negligence of any agent or attorney appointed with due care by it;

(H) The Bondowners’ Trustee is not required to take notice or deemed to have notice of any default or Event of Default hereunder, except an Event of Default under Section 16.1(A), unless an officer of the Bondowners’ Trustee has actual knowledge thereof or has received notice in writing of such default or Event of Default from the City or the owners of at least 25 percent in aggregate principal amount of the Outstanding Parity Bonds, and in the absence of any such notice, the Bondowners’ Trustee may conclusively assume that no such default or Event of Default exists;

(I) The Bondowners’ Trustee is not required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Master Ordinance;

(J) In the event the Bondowners’ Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Parity Bond owners, each representing less than a majority in aggregate principal amount of the Outstanding Parity Bonds, pursuant to the provisions of this Master Ordinance, the Bondowners’ Trustee, in its sole discretion, may determine what action, if any, shall be taken;
(K) The Bondowners’ Trustee’s immunities and protections from liability and its right to indemnification in connection with the performance of its duties under this Master Ordinance shall extend to the Bondowners’ Trustee’s officers, directors, agents, attorneys and employees. Such immunities and protections and right to indemnification, together with the Bondowners’ Trustee’s right to compensation, shall survive the Bondowners’ Trustee’s resignation or removal, the defeasance or discharge of this Master Ordinance and final payment of the Parity Bonds;

(L) The permissive right of the Bondowners’ Trustee to take the actions permitted by this Master Ordinance shall not be construed as an obligation or duty to do so; and

(M) Except for information provided by the Bondowners’ Trustee concerning the Bondowners’ Trustee, the Bondowners’ Trustee shall have no responsibility for any information in any offering memorandum or other disclosure material distributed with respect to the Parity Bonds, and the Bondowners’ Trustee shall have no responsibility for compliance with any state or federal securities laws in connection with the Parity Bonds.

Section 16.3. Bondowners’ Trustee Not Responsible for Recitals. The recitals contained in this Master Ordinance and in the Parity Bonds (other than the certificate of authentication on the Parity Bonds) are statements of the City, and the Bondowners’ Trustee assumes no responsibility for their correctness. The Bondowners’ Trustee makes no representations as to the value, condition or sufficiency of any assets pledged or assigned as security for the Parity Bonds.
Bonds, the right, title or interest of the City therein, the security
provided thereby or by this Master Ordinance or the tax status of
interest on the Parity Bonds. The Bondowners’ Trustee is not
accountable for the use or application by the City of any of the Parity
Bonds or the proceeds of the Parity Bonds, or for the use or application
of any money paid over by the Bondowners’ Trustee in accordance
with any provision of this Master Ordinance.

Section 16.4. Bondowners’ Trustee May Own Parity Bonds.
The Bondowners’ Trustee, in its commercial banking or in any other
capacity, may in good faith buy, sell, own, hold and deal in any of the
Parity Bonds and may join in any action which any Parity Bond owner
may be entitled to take with like effect as if it were not Bondowners’
Trustee. The Bondowners’ Trustee, in its commercial banking or in
any other capacity, may also engage in or be interested in any financial
or other transaction with the City and may act as depository,
Bondowners’ Trustee or agent for any committee of Parity Bond
owners secured hereby or other obligations of the City as freely as if it
were not Bondowners’ Trustee. The provisions of this Section shall
extend to affiliates of the Bondowners’ Trustee.

Section 16.5. Compensation and Expenses of the Bondowners’
Trustee.

(A) The City hereby covenants and agrees:
  i. to pay to the Bondowners’ Trustee compensation for
     all services rendered by it hereunder and under the other
     agreements relating to the Parity Bonds to which the
     Bondowners’ Trustee is a party in accordance with terms
agreed to from time to time, and, subsequent to default, in accordance with the Bondowners’ Trustee’s then-current fee schedule for default administration (the entirety of which compensation shall not be limited by any provision of law regarding compensation of a Bondowners’ Trustee of an express trust);

ii. to reimburse the Bondowners’ Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Bondowners’ Trustee in accordance with any provision of this Master Ordinance, any other agreement relating to the Parity Bonds to which it is a party or in complying with any request by the City or any securities credit rating agency with respect to the Parity Bonds, including the reasonable compensation, expenses and disbursements of its agents and counsel, except any such expense, disbursement or advance attributable to the Bondowners’ Trustee’s negligence or bad faith; and

iii. to indemnify, defend and hold the Bondowners’ Trustee harmless from and against any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of the office of Bondowners’ Trustee under this Master Ordinance, including the costs of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder or thereunder.
(B) In the event the Bondowners’ Trustee incurs expenses or renders services in any proceedings under federal or state bankruptcy law relating to the City, the expenses so incurred and compensation for services so rendered are intended to constitute expenses of administration under federal or state bankruptcy law. As security for the performance of the obligations of the City under this Section, the Bondowners’ Trustee shall have a lien prior to the lien securing the Parity Bonds and Payment Agreement Payments, which it may exercise through a right of set-off, upon all property or funds held or collected by the Bondowners’ Trustee pursuant to this Master Ordinance. The obligations of the City to make the payments described in this Section shall survive discharge of this Master Ordinance, the resignation or removal of the Bondowners’ Trustee and payment in full of the Parity Bonds.

Section 16.6. Qualifications of the Bondowners’ Trustee. There shall at all times be a Bondowners’ Trustee hereunder which shall be a corporation or banking association organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise corporate trust powers, which has a combined capital and surplus of at least $100,000,000, or is an affiliate of a corporation or banking association meeting such capital and surplus requirement which guarantees the obligations and liabilities of the proposed Bondowners’ Trustee, and which is subject to supervision or examination by federal or state banking authority. If such corporation or banking association publishes reports of condition at least annually, pursuant to law or the requirements of any
supervising or examining authority above referred to, then for purposes
of this Section, the combined capital and surplus of such corporation or
banking association shall be deemed to be its combined capital and
surplus as set forth in its most recent report of condition so published.
If at any time the Bondowners’ Trustee shall cease to be eligible in
accordance with the provisions of this Section, it shall resign promptly
in the manner and with the effect specified in this Article.

Section 16.7. Resignation or Removal of the Bondowners’
Trustee; Appointment of Successor Bondowners’ Trustee.

(A) No resignation or removal of the Bondowners’ Trustee and
no appointment of a successor Bondowners’ Trustee pursuant to this
Article shall become effective until the acceptance of appointment by
the successor Bondowners’ Trustee under Section 16.8.

(B) The Bondowners’ Trustee may resign at any time by giving
written notice to the City. Upon receiving such notice of resignation,
the City shall promptly appoint a successor Bondowners’ Trustee by an
instrument in writing. If an instrument of acceptance has not been
delivered to the resigning Bondowners’ Trustee within 30 days after the
giving of such notice of resignation, the resigning Bondowners’ Trustee
or any owner of a Parity Bond then Outstanding may petition a court of
competent jurisdiction for the appointment of a successor Bondowners’
Trustee.

(C) Prior to the occurrence and continuance of an Event of
Default hereunder, or after the curing or waiver of any such Event of
Default, the City or the owners of a majority in aggregate principal
amount of the Outstanding Parity Bonds may remove the Bondowners’
Trustee and shall appoint a successor Bondowners’ Trustee. In the event there shall have occurred and be continuing an Event of Default hereunder, the owners of a majority in aggregate principal amount of the Outstanding Parity Bonds may remove the Bondowners’ Trustee and shall appoint a successor Bondowners’ Trustee. In each instance such removal and appointment shall be accomplished by an instrument or concurrent instruments in writing signed by the City or such Parity Bond owners, as the case may be, and delivered to the Bondowners’ Trustee, the City and owners of the Outstanding Parity Bonds.

(D) If at any time: (i) the Bondowners’ Trustee shall cease to be eligible and qualified under Section 16.6 and shall fail or refuse to resign after written request to do so by the City or the owner of any Parity Bond, or (ii) the Bondowners’ Trustee shall become incapable of acting or shall be adjudged insolvent, or a receiver of the Bondowners’ Trustee or its property shall be appointed, or any public officer shall take charge or control of the Bondowners’ Trustee, its property or affairs for the purpose of rehabilitation, conservation or liquidation, then in either such case (A) the City may remove the Bondowners’ Trustee and appoint a successor Bondowners’ Trustee in accordance with the provisions of subsection (C) of this Section; or (B) any owner of a Parity Bond then Outstanding may, on behalf of the owners of all Outstanding Parity Bonds, petition a court of competent jurisdiction for removal of the Bondowners’ Trustee and appointment of a successor Bondowners’ Trustee.

(E) The City shall give written notice of each resignation or removal of the Bondowners’ Trustee and each appointment of a
successor Bondowners’ Trustee to each owner of Parity Bonds then
Outstanding as listed in the Bond Register. Each such notice shall
include the name and address of the applicable corporate trust office of
the successor Bondowners’ Trustee.

Section 16.8. Acceptance of Appointment by Successor
Bondowners’ Trustee.

(A) Every successor Bondowners’ Trustee appointed hereunder
shall execute, acknowledge and deliver to the City and the
predecessor Bondowners’ Trustee an instrument accepting its
appointment. The resignation or removal of the retiring Bondowners’
Trustee shall thereupon become effective, and the successor
Bondowners’ Trustee shall, without further act, deed or conveyance,
become vested with all the estates, properties, rights, powers and
duties of the predecessor Bondowners’ Trustee. Upon the request of
the City or the successor Bondowners’ Trustee, the predecessor
Bondowners’ Trustee shall execute and deliver an instrument
transferring to the successor Bondowners’ Trustee all the estates,
properties, rights, powers and duties of the predecessor Bondowners’
Trustee under this Master Ordinance, shall duly assign, transfer,
deliver and pay over to the successor Bondowners’ Trustee all money
and other property then held under this Master Ordinance, subject,
however, to the lien provided for in Section 16.5, and shall deliver to
the successor Bondowners’ Trustee, all records maintained by the
predecessor Bondowners’ Trustee with respect to the Funds and the
Parity Bonds and such records shall be proper books of record and
accounts containing complete and correct entries. The successor
Bondowners’ Trustee shall promptly give written notice of its appointment to the owners of all Parity Bonds Outstanding in the manner prescribed herein, unless such notice has previously been given.

(B) No successor Bondowners’ Trustee shall accept appointment as provided in this Section unless, as of the date of such acceptance, it is eligible and qualified under the provisions of Section 16.6.

Section 16.9. Merger, Succession or Consolidation of Bondowners’ Trustee. Any corporation or association: (i) into which the Bondowners’ Trustee is merged or with which it is consolidated; (ii) resulting from any merger or consolidation to which the Bondowners’ Trustee is a party; or (iii) succeeding to all or substantially all of the corporate trust business of the Bondowners’ Trustee, shall be the successor Bondowners’ Trustee without the execution or filing of any document or the taking of any further action. Any such successor must nevertheless be eligible and qualified under the provisions of Section 16.6.

Section 16.10. Notices to Bond Owners; Waiver.

(A) Where this Master Ordinance provides for notice to Parity Bond owners of any event, such notice shall be sufficiently given (unless otherwise expressly provided herein) if in writing and mailed, first-class postage prepaid, to each Parity Bond owner affected by each event, at such Parity Bond owner’s address as it appears on the Bond Register, not later than the latest date, and not earlier than the earliest date, prescribed for the first giving of such notice. In any case
where notice to Parity Bond owners is given by mail, neither the failure
to mail such notice nor any defect in any notice so mailed to any
particular Parity Bond owner shall affect the sufficiency of such notice
with respect to other Parity Bond owners. Where this Master
Ordinance provides for notice in any manner, such notice may be
waived in writing by the person entitled to receive such notice, either
before or after the event, and such waiver shall be the equivalent of
such notice. Waivers of notice by Parity Bond owners shall be filed
with the Bondowners’ Trustee, but such filing shall not be a condition
precedent to the validity of any action taken in reliance upon such
waiver.

(B) With respect to book-entry bonds, where this Master
Ordinance provides for notice to the Parity Bond owners of the
existence of, or during the continuance of, any Event of Default, or at
any time upon the written request of the City, the Bondowners’
Trustee, at the expense of the City, shall: (i) establish a record date for
determination of the Persons entitled to receive such notice;
(ii) request a securities position listing from the Securities Depository
showing the participants holding positions in the Book-Entry Bonds
affected by such notice as of the record date for such notice; (iii) mail,
first class postage prepaid, copies of the notice as provided above to
each participant identified in the securities position listing as holding a
position in the Book-Entry Bonds as of the record date for the notice, to
each nationally recognized municipal securities information repository
and state information depository for the State, if any, and to any
Person identified to the Bondowners’ Trustee as a non-objecting
Beneficial Owner pursuant to the immediately following clause;
(iv) request that the participant retransmit the notice to all Persons for
which it served as nominee on the record date, including non-objecting
Beneficial Owners, or retransmit the notice to objecting Beneficial
Owners and provide a listing of non-objecting Beneficial Owners for
whom the participant served as nominee on the record date to the
Bondowners' Trustee, (v) provide on behalf of the City and not as its
agent, an undertaking of the City to pay to any participant or other
nominee (other than the Securities Depository) the reasonable costs of
transmitting the notice to Persons for whom the participant acts as
nominee; and (vi) provide as many copies of the notice as may be
requested by any nominee owner of the Parity Bonds. Any default in
performance of the duties required by this subsection shall not affect
the sufficiency of notice to the Parity Bond owners given in accordance
with subsection A. of this Section, or the validity of any action taken
under this Master Ordinance in reliance on such notice to Parity Bond
owners.

(C) Where this Master Ordinance provides for notice to the
Parity Bond owners of any event, the form of the notice shall
prominently include a title block, separate from the body of the notice,
which shall include the following information: (i) the complete title of the
Parity Bonds; (ii) the CUSIP number of each affected Parity Bond;
(iii) the record date for the notice; and (iv) a summary of the notice.

(D) Any notice required or permitted by this Master Ordinance
to be given to the Securities Depository shall be given to it in the
manner provided by this Section for giving notice to Parity Bond
owners, and also shall be given in the format requested by the
Securities Depository to such address as may be specified by the
Securities Depository in writing to the Bondowners’ Trustee.

ARTICLE VIII

MISCELLANEOUS

Section 8.1. Ratification of Prior Acts. Any action taken consistent with
the authority but prior to the effective date of this 2017 Supplemental Resolution is
hereby ratified, approved, and confirmed.

Section 8.2. General Authorization. The Director of Utilities, the
Superintendent of the Power Division, and other appropriate officers, agents and
employees of the City are authorized and directed to execute and deliver such
documents, agreements and certificates and to take such other actions, upon
consultation with the City Attorney, as may be necessary or desirable and in the
best interests of the City to carry out the purposes and intents of this 2017
Supplemental Ordinance and the transactions contemplated hereby.

Section 8.3. Terms of 2017 Bonds Subject to the Master Ordinance.
Except as is otherwise expressly provided in this 2017 Supplemental Ordinance,
every term and condition contained in the Master Ordinance shall apply to this
2017 Supplemental Ordinance and to the 2017 Bonds with the same force and
effect as if the same were herein set forth at length, with such omissions, variations
and modifications thereof as may be appropriate to make the same conform to this
2017 Supplemental Ordinance.

Section 8.4. Ratification of the Master Ordinance. Except as
supplemented and amended by this 2017 Supplemental Ordinance, the Master
Ordinance is ratified, approved and confirmed and shall continue in full force and
effect in accordance with the terms and provisions thereof, as amended and
supplemented, including as amended and supplemented by this 2017 Supplemental Ordinance.

Section 8.5. Repealer. The ordinances of the City authorizing and setting forth the terms and provisions of the Parity Bonds issued prior to the 2010 Bonds, which Parity Bonds have been deemed to be no longer outstanding under such ordinances, are hereby repealed and shall be of no further force or effect.

Section 8.6. Severability. If any one or more of the provisions of this 2017 Supplemental Ordinance is or are held by any court of competent jurisdiction to be contrary to law, then such provision or provisions shall be null and void and shall be deemed separable from the remaining provisions and shall in no way affect the validity of the other provisions of this 2017 Supplemental Ordinance.

Section 8.7. Effective Date of Ordinance. This 2017 Supplemental Ordinance shall take effect and be in force 10 days from and after its publication.

Resolution No. U-10937
STATE OF WASHINGTON
CITY OF TACOMA
ELECTRIC SYSTEM REVENUE BONDS,
SERIES 2017

Registered Owner: __________
Principal Sum: $[AMOUNT]

The CITY OF TACOMA, a municipal corporation duly organized and existing under and pursuant to the Charter of the City of Tacoma and the Constitution and laws of the State of Washington (hereinafter called the “City”), for value received, hereby promises to pay (but only out of the Revenues hereinafter referred to) to the registered owner hereinabove named or registered assigns, the principal amount hereof, together with unpaid accrued interest thereon, on the dates, at the rates and in the amounts as provided in the Master Ordinance (as hereinafter defined). This Bond is issued pursuant to Ordinance No. 28146 of the City, passed on April 30, 2013, as amended and supplemented, including as supplemented by Ordinance No. _____ of the City, passed on April __, 2017, providing for the issuance of the Bonds, including the 2017 Bonds (hereinafter collectively called the “Master Ordinance”). Interest shall be calculated on the basis of actual days elapsed in a 360 day year consisting of twelve 30-day months. Payments shall be made solely from Revenues, after payment of Operating Expenses (as defined in the Master Ordinance), to the registered owner stated hereinabove by the Paying Agent without the necessity of presentation and surrender of this Bond.

This Bond is one of a duly authorized issue of Electric System Revenue Bonds of the City (hereinafter called the “Bonds”) of the series and designation indicated on the face hereof. Said authorized issue of Bonds is not limited in aggregate principal amount and consists of multiple series and subseries of
varying denominations, dates, maturities, interest rates and other provisions, as
provided in the Master Ordinance, all issued and to be issued pursuant to the
provisions of the Charter of the City of Tacoma and applicable laws of the State
of Washington (hereinafter collectively called the “Act”).

Reference is hereby made to the Master Ordinance and to the Act for a
description of the terms on which the Bonds are issued and to be issued, the
provisions with regard to the nature and extent of the Revenues, as that term is
defined in the Master Ordinance, and the rights of the registered owners of the
Bonds; and all the terms of the Master Ordinance and the Act are hereby
incorporated herein and made a contract between the City and the registered
owner from time to time of this Bond, and to all the provisions thereof the
registered owner of this Bond, by its acceptance hereof, consents and agrees.

Additional series of Bonds may be issued on a parity with this Bond, but only
subject to the conditions and limitations contained in the Master Ordinance.

This Bond is subject to optional and mandatory redemption as provided in the
Master Ordinance.

This Bond, including the interest hereon, together with all other Bonds,
and the interest thereon, issued under the Master Ordinance (and to the extent
set forth in the Master Ordinance), is payable from, and is secured by a charge
and lien on, the Revenues, after payment of Operating Expenses, derived by the
City from the Electric System (as those terms are defined in the Master
Ordinance).

The Bonds are special limited obligations of the City payable from and
secured solely by Net Revenues of the Electric System and by other money and
assets specifically pledged under the Master Ordinance for the payment thereof.
Pursuant to the Master Ordinance, the City has pledged as security for the
payment of the principal of, premium, if any, and interest on the Bonds in accordance with the provisions of the Master Ordinance, subject only to the provisions of the Master Ordinance restricting or permitting the application thereof for the purposes and on the terms and conditions set forth in the Master Ordinance: (i) the proceeds of the sale of the Bonds to the extent held in funds established by the Master Ordinance, (ii) Net Revenues, and (iii) the money and investments, if any, credited to the Revenue Fund and the Bond Fund, and the income therefrom.

The Bonds are not general obligations of the City, or the State of Washington, or a charge upon any general fund or other property of the City or the State of Washington not specifically pledge thereto by the Master Ordinance, and neither the full faith and credit nor the taxing power of the City or of the State of Washington, nor any revenues of the City derived from sources other than the Electric System, are pledged to the payment hereof. No holder of this Bond shall ever have the right to compel any exercise of the taxing power of the City of Tacoma to pay this Bond or the interest hereon.

This Bond is transferable by the registered owner hereof, but only in the manner and subject to the limitations provided in the Master Ordinance. Upon such transfer a new fully registered Bond for the same aggregate principal amount will be issued to the transferee in exchange herefor.

The rights and obligations of the City and of the registered owners of the Bonds may be modified or amended at any time in the manner, to the extent, and upon the terms provided in the Master Ordinance; provided, that no such amendment shall (a) extend the date of payment of the principal of any Bond or of any installment of interest thereon or reduce the principal or redemption price thereof or the rate of interest thereon or advance the date upon which any Bond
may first be called for redemption prior to its fixed maturity date; (b) give to any
Bond or Bonds any preference over any other Bond or Bonds secured equally
and ratably therewith; (c) reduce the aforesaid percentage of Bonds, the owners
of which are required to consent to any ordinance amending the provisions of
the Master Ordinance; or (d) authorize the creation of any pledge prior to or,
except as provided in the Master Ordinance for the issuance of future Bonds, on
a parity with the pledge afforded by the Master Ordinance, without the consent
of the owner of each such Bond affected thereby.

It is hereby certified and recited that any and all acts, conditions and
things required to exist, to happen and to be performed, precedent to and in the
incurring of the indebtedness evidenced by this Bond, and in the issuing of this
Bond, do exist, have happened and have been performed in due time, form and
manner, as required by the Constitution and statutes of the State of Washington
and the Charter of the City of Tacoma, and that this Bond, together with all other
indebtedness of the City pertaining to the Electric System, is within every debt
limitation and other limit prescribed by the Constitution and statutes of the State
of Washington and said Charter, and is not in excess of the amount of Bonds
permitted to be issued under the Master Ordinance.

This Bond shall not be entitled to any benefit under the Master
Ordinance, or become valid or obligatory for any purpose, until the certificate of
authentication hereon endorsed shall have been signed by the Paying Agent.
This Bond is a valid and binding obligation of City.

IN WITNESS WHEREOF, the CITY OF TACOMA has caused this Bond
to be executed in its name and on its behalf by its __________ and
countersigned by its __________, and the seal of said City to be imprinted or
reproduced by facsimile hereon, and this Bond to be dated as of the ____ day of
______________, ____.

ORDINANCE NO. 28445

AN ORDINANCE of the City of Tacoma, Washington, recommending the defeasance of certain outstanding Electric System Revenue Bonds, 2013 Series A.

WHEREAS the City of Tacoma (the “City”), by Ordinance No. 28146 passed on April 30, 2013, (the “2013 Bond Ordinance”), issued for the benefit of its Department of Public Utilities, Light Division (d.b.a. “Tacoma Power”) $181,610,000 principal amount of Electric System Revenue Bonds, 2013 Series A (the “2013A Bonds”), of which $151,460,000 is currently outstanding, and

WHEREAS Section 7.1 of Ordinance No. 28146 provides that the City may use money available from any lawful source to pay the principal of and interest on the 2013A Bonds, as the same shall become due and payable, and to defease the 2013A Bonds, and

WHEREAS, pursuant to Section 4.11 of the Tacoma City Charter, all matters relating to the incurring of indebtedness and the issuance of bonds shall be initiated by the Public Utility Board and approved by the City Council, and

WHEREAS the Public Utility Board has determined that it is in the best interest of the customers of Tacoma Power and the citizens of the City of Tacoma to use up to $28 million of available cash to defease certain of the outstanding 2013A Bonds; Now, Therefore,

BE IT ORDAINED BY THE CITY OF TACOMA:

Section 1. Provision for Defeasance. That the City shall provide for the payment of the principal of and interest on certain of the outstanding 2013A
Bonds (collectively, the “Defeased Bonds”), by the application of electric
revenues to acquire direct obligations of, or obligations the principal of and
interest on which are unconditionally guaranteed by the United States
Government (“Government Obligations”), and to pay all costs incurred in
establishing and implementing the plan of defeasance provided for by this
Ordinance.

The City Council hereby irrevocably calls for redemption of the Defeased
Bonds in accordance with the provisions of Section 7.1 of Ordinance No. 28146,
authorizing the redemption of up to $28 million of the Defeased Bonds prior to
their maturities.

Section 2. Defeasance Fund and Appropriation of Money. The City
Council hereby creates a special fund for the Defeased Bonds to be known as
the “Electric System Revenue Bonds, 2013A Defeasance Fund” (the
“Defeasance Fund”). The Defeasance Fund shall be used solely for the purpose
of paying the principal of, interest on, and redemption price of the Defeased
Bonds. The Government Obligations and the cash deposited with the
Defeasance Agent shall be sufficient to provide money to pay the principal of,
interest on, and redemption price of the Defeased Bonds as the same shall
become due.

The defeasance and call for redemption of the Defeased Bonds shall be
irrevocable after the establishment and funding of the Defeasance Fund and
delivery of the Government Obligations to the Defeasance Agent, except as
provided in the Defeasance Agreement relating to the substitution of securities.
Section 3. Defeasance Agent and Agreement. The Director of Finance, or official acting in such capacity, is hereby authorized to appoint a bank or trust company to serve as Defeasance Agent for the Defeased Bonds. The Defeasance Agent is hereby authorized and directed to pay to the paying agents for the Defeased Bonds sums sufficient to pay, when due, the principal of, interest on, and redemption price of the Defeased Bonds. All such sums shall be paid from the money and Government Obligations deposited with the Defeasance Agent and the income therefrom and proceeds thereof. All such sums so paid shall be credited to the Defeasance Fund. All money and securities deposited with the Defeasance Agent and any income therefrom shall be held, invested and applied in accordance with the provisions of this Ordinance and the laws of the State of Washington for the benefit of the City and owners of the Defeased Bonds.

In accordance with the provisions of the Bond Ordinance, no further payments shall be made into the Bond Fund securing the Defeased Bonds. Such Defeased Bonds shall cease to be entitled to any lien, benefit or security of the Bond Ordinance, except the right to receive payment from the Defeasance Fund, and such bonds shall no longer be deemed to be outstanding.

The Director of Finance of the City, or official acting in such capacity, is authorized to enter into an agreement with the Defeasance Agent providing for the irrevocable deposit of Government Obligations and cash for the purposes described in this Ordinance and setting forth the duties, obligations and
responsibilities of the Defeasance Agent in connection with the payment of the
principal of and interest on the Defeased Bonds as provided herein.

Section 4. Verification Agent. The Director of Finance, or official acting in
such capacity, is hereby authorized to appoint a verification agent in connection
with this defeasance.
