WHEREAS, on June 6, 2017, the City Council adopted Resolution No. 39742, requesting that the Planning Commission consider amending Tacoma Municipal Code ("TMC") 13.06.565.B.3, relating to marijuana uses, by adding local definitions of "playground" and "recreation center or facility" and including "metropolitan parks districts" in the ownership paradigm in order to protect these types of facilities owned by Metro Parks Tacoma to the level of buffering intended by the state, but currently not covered by the state definitions set forth in the Washington Administrative Code, and

Section 1. Definitions. For the purposes of this Franchise, the following terms, phrases, words, and their derivations shall have the meaning given herein; words not defined herein which are defined in Title 16B of the Tacoma Municipal Code (“TMC”) shall have the same meaning or be interpreted as provided in Title 16B. Words not defined here or in Title 16B shall be construed consistently with Title 47 of the United States Code, and if not therein, they shall have their common and ordinary meaning. A reference to any Title of the TMC or to the City’s Charter refers to the same as may be amended from time to time.

1.1 “City” means the City of Tacoma, a municipal corporation of the state of Washington, and all departments, divisions, and agencies thereof, including Tacoma Public Utilities.

1.2 “City Manager” means the City Manager or the City Manager’s designee.

1.3 “Communications system” refers to a telecommunications system.

1.4 “Construction, operation, or maintenance” and similar formulations of these terms mean the named actions interpreted broadly, encompassing, among other things, installation, extension, maintenance, replacement, repair, restoration, upgrade, removal, or components thereof, including relocation, undergrounding, grading, site preparation, adjusting, testing, make-ready, and excavation.

1.5 “Customer” means any Person or entity who legally receives within the corporate limits of the City any one or more of the services provided by the Telecommunications System.
1.6 “Facilities” or “Installations” are and refer to and include, but are not limited to, plant, systems, improvements, and equipment owned, leased, or otherwise used by Franchisee, such as wireless communication antennas, transmitters, receivers, equipment boxes, backup power supplies, power transfer switches, cut-off switches, electric meters, coaxial cables, poles, fiber cables, wires, telecom demarcation boxes, and related fixtures, equipment, underground circuits, and conduit in, on, over, through, across, above, along, or below Public Rights-of-Way and other property necessary or convenient for the transmission and distribution of communications service where such facilities are located. “Facilities” or “Installations,” when used without a modifier, encompass both Overhead Facilities/Installations and Underground Facilities/Installations. Nothing in this definition, or anything else in this Franchise shall be interpreted as authorizing Franchisee to construct its own support system for Overhead Facilities or any other above-ground Facilities in the Franchise Area without the additional authorizations required herein below and as proscribed by City zoning and land use regulation ordinances.

1.7 “Franchise” means the rights expressly granted by this Franchise and conditioned as set forth herein and under the TMC and City Charter.

1.8 “Franchise Area” means that area within the present and future corporate limits of Tacoma.

1.9 “Franchisee” means Seattle SMSA Limited Partnership, a Delaware limited partnership, d/b/a Verizon Wireless, registered to do business in the state of
Washington with its principal office located at 180 Washington Valley Road, Bedminster, NJ 07921.

1.10 “Gross Receipts,” for purposes of this Franchise, means any and all receipts or income received directly or indirectly by Franchisee which is derived from the operation of its System in the City, less uncollectibles. Gross Receipts shall include, by way of example and not limitation, revenues from its Telecommunications Service, all fees, late fees, installation and connection fees, upgrade and downgrade fees, and rental fees. The term Gross Receipts shall not include any taxes on services furnished by Franchisee imposed by any municipality, state, or other governmental unit and collected by Franchisee for such governmental unit, nor shall the term include any wholesale services provided by Franchisee upon which fees or taxes have already been levied within the City of Tacoma.

1.11 “Operator,” when used with reference to a System, refers to a Person (a) who provides service over a Communications System and directly or through one or more affiliates owns a significant interest in such System; or (b) who otherwise controls or is responsible for, through any arrangement, the management and operation of such a System. A Person that operates under agreement of a Telecommunications System or a specific portion of a Telecommunications System to provide Telecommunications Services shall be treated as an Operator for purposes of this Franchise.

1.12 “Overhead Facilities” refers to existing electric poles, light poles, and antenna towers located above the surface of the ground within the Public
Rights-of-Way, including the underground supports and foundations for such
Overhead Facilities.

1.13 “Person” includes any individual, corporation, partnership, association,
joint stock company, trust, or any other legal entity, but not the City for purposes
hereof.

1.14 “Personal Wireless Facilities” are Facilities which are above ground
such as wireless communication antennas, transmitters, receivers, antenna
structures and other types of installations used for the provision of personal
wireless services as that term is defined in Section 704 of the 1996
Telecommunications Act.

1.15 “Public Rights-of-Way” mean the public streets and easements over
which, under the City Charter, the TMC, City ordinances, and applicable laws, the
City has authority to grant Franchises, permits, or Licenses for use thereof or has
regulatory authority there over, but expressly excluding railroad
rights-of-way/crossings, airport, and harbor areas. Public Rights-of-Way, for the
purpose of this Franchise, also do not include buildings, parks, poles, conduits, or
similar facilities or property owned by or leased to the City, including, by way of
example and not limitation, Overhead Facilities in the Public Rights-of-Way.

1.16 “System” means the Telecommunications System.

1.17 “Telecommunications Service” or “Service” means the transmission for
hire of information in electronic or optical form, including, but not limited to, voice,
video, or data, whether or not the transmission medium is owned by the provider
itself. Telecommunications Service includes wireless communication services and
telephone service, but does not include cable TV or commercial video service or
over-the-air broadcasts to the public-at-large from facilities licensed by the Federal
Communications Commission or any successor thereto.

1.18 “Telecommunications System” means a tangible facility that is used to
provide one or more Telecommunications Services, any portion of which occupies
Public Rights-of-Way. The term Telecommunications System, by way of example
and not limitation, includes wireless communication antennas, wireless
communication facilities, Personal Wireless Facilities, wires, equipment cabinets,
guys, conduit, radio transmitting towers, poles, other supporting structures, and
associated and appurtenant facilities used to transmit telecommunications signals.
The term Telecommunications System includes all devices mounted on Overhead
Facilities (where separately authorized by an attachment agreement) in the Public
Rights-of-Way through which Telecommunications Services are originated or
terminated. An Open Video System is not a Telecommunications System to the
extent that it provides only video services; a Cable System is not a
Telecommunications System to the extent that it provides only Cable Service. The
term Telecommunications System includes any of the tangible components of a
Telecommunications System which occupies Public Rights-of-Way.

1.19. “Telephone Service” means the provision of access to a local

channel, cable, microwave, or similar communication or transmission system by
any person. Telephone Service includes intrastate or interstate service, including
toll service, originating from, or received on, communications equipment or
apparatus in this state if the charge for the service is billed to a person in this state.
Telephone Service does not include the providing of Competitive telephone service
as defined in TMC 6A.40.030, the providing of cable television service, or the
providing of broadcast services by radio or television stations.

1.20 “Underground Facilities” refers to electric utility, fiber, conduit, and
telecommunications Facilities located under the surface of the ground, excluding
the underground foundations or supports for Overhead Facilities.

Section 2. Franchise.

2.1 Grant of Franchise. The City hereby grants to Franchisee a
non-exclusive Franchise which, once it becomes effective, shall authorize
Franchisee to use the City’s Public Rights-of-Way within the Franchise Area to
construct, maintain, and operate a Telecommunication System to provide
Telecommunication Service, and to use the City’s Public Rights-of-Way as
authorized herein. This grant of Franchise does not by itself grant any right to
construct new Facilities without prior City approval, which will require an additional
site-specific or master siting agreement in conformance with City zoning and land
use ordinances and applicable state laws.

This grant is subject to and must be exercised in strict accordance with
and subject to this Franchise Agreement, the Telecommunications Act
of 1996 § 253(c), applicable laws of the state of Washington, including, but not
limited to, RCW 47.24.020, RCW 35.22.280, RCW 35.99.020 and other related
laws, Title 16B and other applicable provisions of the TMC, and the Tacoma City
Charter, including, but not limited to, the provisions set forth in Article VIII of the
Charter and TMC Title 13, and this Franchise may be revoked under Section 2.5 if
it is not so exercised. The exercise of any rights pursuant to this Franchise is
subject to the exercise of the City’s police powers and other regulatory powers as
the City may have or obtain in the future, and all rights granted herein must be
exercised in strict accordance with applicable laws, including, by way of example
and not limitation, zoning codes and permitting requirements. No rights shall pass
to Franchisee by implication. This Franchise shall constitute both a right and an
obligation for Franchisee to provide the services of the Telecommunications
System in accordance with the provisions of this Franchise in order to continue to
use City Rights-of-Way.

The grant of this Franchise is limited to the purpose of Franchisee providing
Telecommunications Service. This Franchise does not include permission to
provide cable service, as defined in 47 U.S.C. § 522, multichannel video
programming, open video systems, or uses other than Telecommunications
Service.

Notwithstanding the above grant to use Public Rights-of-Way, no Public
Rights-of-Way shall be used by Franchisee if the City, in its opinion, determines
that such use is inconsistent with the terms, conditions, or provisions by which
such Public Right-of-Way was created or dedicated, or presently used under
applicable laws.
In the event of any conflict between a provision in this Franchise and any provision of the City Charter, which Charter is incorporated herein by reference, the applicable provision of the Charter shall control over any inconsistent provision of this Franchise.

2.2 Franchise Term. The term of the Franchise shall be ten years (commencing on the Effective Date defined in Section 7.6 below), unless terminated sooner in accordance with this Franchise, Title 16B, or the City Charter. At any time not more than 180 days nor less than 90 days before the expiration of the term, Franchisee may apply to extend or renew the Franchise as provided in Title 16B.02.100 and the City Charter, unless either party expresses its intention in writing to terminate this Franchise at the conclusion of the current ten (10) year term. If the parties fail to formally extend, renew, or terminate the Franchise prior to the expiration of its term or any extension, the Franchise shall be extended on a month-to-month basis until the Franchise is renewed, terminated, or extended.

2.3 Franchise Non-Exclusive. The Franchise granted herein shall be non-exclusive.

2.4 Transfers, Generally.

A. Any transfer of this Franchise, as the term “Transfer” is defined in TMC Title16B.01.030.Y, shall be accomplished in accordance with TMC Title 16B.02.120. Any Transfer not made in accordance with TMC Title 16B.02.120 may be considered a substantial violation of this Franchise by the City and may subject the Franchise to termination proceedings by the City as provided herein and in Title 16B.
B. Applications for approval of any Transfer shall be filed in accordance with procedures set out in Title 16B of the TMC.

C. Franchisee shall, within 60 days of the closing date of any Transfer, file with the City Clerk a copy of the deed, agreement, contract, mortgage, lease, SEC filing, or other written instrument evidencing such sale, lease, contractual agreement, mortgage, assignment or Transfer, certified and sworn to as correct by Franchisee, subject to any confidentiality provisions in any such document. Every such Transfer, whether voluntary or involuntary, may be deemed void and of no effect as to the effectiveness of this Franchise by the City unless Franchisee files the required copy within the 60-day period.

D. The requirements of this section shall not be deemed to prohibit the use of Franchisee’s property as collateral for security in financing the construction or acquisition of all or part of the Telecommunications System franchised hereunder, provided that no such security shall purport to attach to the City’s real property interest in the Public Right-of-Way or any other City interest. In addition, no such arrangement may be made if it would in any respect under any condition prevent the Operator or any successor from complying with the Franchise and applicable law. Any mortgage, pledge, or lease shall be subject to and subordinate to the rights of the City under this Franchise, and other applicable law.

E. Notwithstanding anything to the contrary contained in this Franchise, the City’s consent shall not be required for a transfer to an intra-company Affiliate (as such term is defined in TMC 16B.01.030), provided that the
transfer is in compliance with the terms of TMC 16B.02.102.F, including, but not limited to, providing the City notice of such intended transfer at least 60 days prior to its occurrence.

2.5 Revocation. In addition to any rights set out elsewhere in this Franchise, the City Charter, or Title 16B, subject to the notice and cure provisions contained in Title 16B, Section 16B.05.100, the City reserves the right to declare a forfeiture or otherwise revoke this Franchise, and all rights and privileges pertaining thereto, as provided in Title 16B or in the event that:

A. Franchisee is in non-compliance with a material provision of this Franchise; or

B. Franchisee is found to have engaged in any actual or attempted fraud or deceit upon the City, Persons, or Customers in the City; or

C. Franchisee fails to obtain and maintain any permit required by any federal or state regulatory body or by the City, relating to the construction, maintenance, and operation of the Facilities within the Public Rights-of-Way within the Franchise Area; or

D. At any time during the term of the Franchise, Franchisee fails to provide and maintain all of the securities required under this Franchise, including, but not limited to, the performance bond required under this Franchise; fails to maintain the insurance required by this Franchise; or fails to satisfy the indemnity set out in this Franchise; or if any guarantor of Franchisee revokes its guarantee or fails to satisfy or becomes unable to satisfy its obligations under such guarantee.
E. The procedures for revocation and forfeiture shall be governed by Title 16B, Section 16B.05.100. Before the Franchise is revoked, Franchisee shall be given notice and an opportunity to cure at least equivalent to that required by the terms of this Franchise, or if not specified herein, then as provided for in Title 16B as of the effective date of this Franchise (except in those cases where notice and opportunity to cure are not required, as specified in Sections 2.5.F(1) and 4.3.D herein below), and shall be accorded at least an opportunity to be heard that provides at least the due process protections required by Title 16B as of the effective date of this Franchise, which opportunities and protections are set out in Section 2.5.F below.

F. (1) Where, after notice and providing Franchisee an opportunity to be heard (if such opportunity is requested by Franchisee), the City finds that there has been an act or omission that would justify revocation of the Franchise, the City may make an appropriate reduction in the remaining term of the Franchise or revoke the Franchise. However, the Franchise may only be revoked if Franchisee (a) was given written notice of the default; and (b) 30 days to cure the default; and (c) Franchisee failed to cure the default, or to propose a schedule for curing the default acceptable to the City where it is impossible to cure the default in 30 days. The required written notice shall be given before the City conducts the proceeding required by this paragraph. No opportunity to cure is required for three (3) or more repeated violations of the same material provision of the Franchise within a calendar year, and fraud, which shall be deemed incurable.
(2) Notwithstanding the foregoing, the City may declare a Franchise forfeited without opportunity to cure when Franchisee: (a) fails to begin to exercise its rights to use the Public Rights-of-Way for its Telecommunication Services within one year of the Effective Date (defined in Section 7.6) of this Franchise, (b) stops using the Public Rights-of-Way for its Telecommunication Services for a period of one (1) year, (c) transfers without the prior consent of the City as and when required in the Franchise, or (d) is found by a court or regulatory body with appropriate jurisdiction to have defrauded or attempted to defraud the City or Franchisee’s customers within the City. Notwithstanding the provisions of TMC 16B.05.100.C.2, if Franchisee fails to timely pay any undisputed Franchise application/administrative fees or other fees owed hereunder or under Title 16B, before the City can initiate any termination or forfeiture of rights, Franchisee shall be provided with 30 days' prior written notice and an opportunity to cure the failure to pay. However, Franchisee shall have the right to receive 30 days’ prior notice of an intent to declare a Franchise forfeited, and shall have the opportunity to show cause why the Franchise should not be forfeited.

(3) Notwithstanding the foregoing and only to the extent permitted by applicable law, the Franchise will automatically terminate by force of law 120 calendar days after an assignment for the benefit of creditors or the appointment of a receiver or trustee to take over the business of Franchisee, whether in a receivership, reorganization, bankruptcy, assignment for the benefit of creditors, or other action or proceeding. However, the Franchise may be reinstated within that 120-day period if: (a) such assignment, receivership, or
trusteeship has been vacated; or (b) such assignee, receiver, or trustee has fully
complied with the terms and conditions of Title 16B and this Franchise and has
executed an agreement, approved by any court having jurisdiction, assuming and
agreeing to be bound by the terms and conditions of Title 16B and this Franchise.
However, in the event of foreclosure or other judicial sale of any of the facilities,
equipment, or property of a Franchisee, the City may revoke this Franchise,
following a public hearing before the City Council, by serving notice upon
Franchisee and the successful bidder at the sale, in which event Franchise and all
rights and privileges of this Franchise will be revoked and will terminate
30 calendar days after serving such notice, unless: (a) the City has approved the
Transfer of the Franchise to the successful bidder in writing; and (b) the successful
bidder has covenanted and agreed in writing with the City to assume and be bound
by the terms and conditions of this Franchise and Title 16B.

2.6 Continuity of Service and Right to Purchase the System.

A. In the event the City has declared a forfeiture for cause or
otherwise validly revoked this Franchise as provided herein, or in the event of
expiration of the initial term of this Franchise without this Franchise being renewed
or extended as provided in Section 2.2 (referred to below collectively as a
“termination”), Franchisee shall remove its Facilities from the Public Rights-of-Way
under Section 2.7, unless the City elects to purchase or condemn the Facilities as
provided in Sections 2.6.B or 2.6.D.

Notwithstanding the forgoing or anything to the contrary contained in
the TMC or City Charter, Franchisee shall have the right at any time prior to and
within 60 days after the effective termination, expiration, revocation, or forfeiture
date of this Franchise to request the City’s consent to abandon all or any part of its
Facilities. In such event, Franchisee shall not be required to remove such
Facilities to the extent of the City’s consents in writing to such abandonment.

B. In the event the City has declared a forfeiture for cause or
otherwise validly revoked this Franchise as provided herein, or in the event of
expiration of the initial term of this Franchise without this Franchise being renewed
or extended as provided in Section 2.2 (referred to below collectively as a
“termination”), the City shall have an option upon termination of the Franchise to
purchase that portion of the Telecommunications System located in the
Right-of-Way owned by Franchisee, whether termination is, or is not, for cause.
This option requires Franchisee to convey the Telecommunications System or
such portion thereof as the City may choose to purchase, provided, that nothing
herein shall require the City to accept or pay for any contract that it does not wish
to assume. Franchisee is not required to convey portions of the
Telecommunications System not located in the Right-of-Way, located outside the
City, or that is leased or used (but not owned) by Franchisee from a third party
pursuant to a tariff or contract. The foregoing option also requires Franchisee to
sell the Telecommunications System owned by Franchisee and located in the
Right-of-Way or such portion thereof as the City may choose to purchase at a fair
market price, if the Franchise is terminated for cause. If Franchisee’s request for a
Franchise renewal is denied, the option requires Franchisee to sell the
Telecommunications System owned by Franchisee and located in the
Right-of-Way or such portion thereof as the City may choose to purchase at fair market value, determined on the basis of the value of the Telecommunications System as a going concern (taking into account such property used and useful in providing service within the City that is not to be conveyed) and with no value allocated to the Franchise itself.

C. The City may exercise its Section 2.6.B option rights in the following manner: the City will first give Franchisee written notice of its intent to purchase the Telecommunications System or a portion of the Telecommunications System, and request an inventory of the System or portion specified in the City of Tacoma. Thereafter, Franchisee shall 60 days to produce the requested inventory and the City shall have up to 180 days after receiving the inventory to notify Franchisee that it intends to continue with the exercise of its right to purchase the Telecommunications System or a portion of the Telecommunications System.

Within 90 days of the date the City notifies Franchisee of its intent to exercise the option, or by such other time as the parties may separately agree, the parties shall meet to establish a price that comports with the requirements of Section 2.6.B. If the parties are unable to agree to a price within 180 days after the City notifies Franchisee that the City intends to exercise its purchase option, either party may require the price to be set by appraisal by sending the other party notice that it wishes to have the price set by appraisal. Within 45 days of the date that notice is submitted, each party may appoint one appraiser. If each party appoints an appraiser, the two appraisers shall appoint a third appraiser; if only a single appraiser is appointed (whether by mutual agreement or because of the failure of a
party to timely nominate an appraiser), that appraiser shall be the sole appraiser.

The appraiser or appraisers shall establish a price for the System or portion thereof that the City desires to purchase in accordance with Section 2.6.B. This appraisal determination shall be final and non-appealable. The City shall have 120 days after the decision of the appraisers to notify Franchisee that it wishes to conclude the transaction; if it does not so notify Franchisee, the option shall be deemed terminated.

If the City gives the notice required by the preceding paragraph, the parties will thereafter promptly sign all necessary documents required to close the transaction; provided, however, that the City may make conclusion of the transaction conditional upon any necessary voter approval of any bond funding for acquisition of all or a part of the System and, if applicable, the successful sale of the bonds.

The City and Franchisee will share equally the costs associated with any appraiser that is jointly appointed (by them or by the appraisers each selects); the City will bear costs associated with any appraiser that it separately appoints and Franchisee will bear costs associated with any appraiser that it separately appoints.

D. (1) Nothing in this section or in any other section of this Franchise shall prevent the City’s exercise of its rights under the Tacoma City Charter. Included within the rights granted under Tacoma’s Charter is the right to purchase or condemn Franchisee’s property within the Franchised Area at any time, which right is expressly set out in Section 8.1(c) of the Charter as follows:
(c) To acquire by purchase or condemnation, for the use of the City itself or its inhabitants, all of the property of the grantee within the public streets, alleys, or places at a fair and just value, which shall not include any valuation of the franchise, right, or privilege, which shall thereupon terminate.

(2) Likewise, nothing in this section or in any other section of this Franchise shall be read to limit the City’s right to acquire the Telecommunications System through exercise of any right of eminent domain under state law.

(3) Nothing in this section shall be read to limit the City’s right to acquire the Telecommunications System as a result of abandonment.

E. In the event the City purchases, acquires, takes over, or holds all or parts of the System, as provided for in this Section 2.6, the City shall have the right, without limitation, to assign, sell, lease, or otherwise transfer its interest in all or parts of such System to any other Person or entity, including any other franchisee of a Telecommunications System, on whatever terms the City deems appropriate.

2.7 Right to Require Removal of Property/Right to Remove Property.

A. Upon termination of this Franchise, Franchisee shall remove its property from any Public Rights-of-Way and restore such Rights-of-Way to the condition required by the TMC and City Right-of-Way Restoration Policy, subject to any rights Franchisee may have to abandon its property in place, as set out in Section 2.6.A hereinabove, and any rights the City has to purchase or condemn Franchisee’s property, as set out in Sections 2.6.B, Section 2.6.D and Title 16B. If Franchisee fails to remove property that the City requires it to remove after notice
and an opportunity to cure, the City may perform the work and collect the actual
cost thereof from Franchisee. The actual cost thereof, including direct and indirect
administrative costs, shall be a lien upon all plant and property of Franchisee
effective upon filing of the lien with the Pierce County Auditor. In the event that
Franchisee is permitted to abandon its Facilities in place, or if the City purchases
or condemns Franchisee’s Facilities, the City acknowledges that any ownership it
takes in the Facilities thereafter is taken on an AS-IS, WHERE-IS basis.

B. To the extent any portion of Franchisee’s System in the Public
Rights-of-Way or on any other public property of the City is not removed by the
Operator within either 12 months of the end of the Franchise term or 24 months
from receipt of the City’s order to so remove, whichever is later, the property will be
deemed abandoned in its AS-IS, WHERE-IS condition and shall become the
property of the City if the City wishes to own it.

C. Any order by the City issued pursuant to Section 2.7.A to remove
Facilities shall be sent by registered or certified mail, postage prepaid, return
receipt requested, to Franchisee not later than 24 months following the date of
Franchise termination. Removal shall be completed (except with respect to
property that Franchisee is permitted to abandon in place) not later than 12 months
following the date of notification to remove the Facilities.

D. Franchisee shall file a written removal plan with the City not later
than 30 calendar days following the date of the receipt of any orders directing
removal or any consent to removal, describing the work that will be performed, the
manner in which it will be performed, and a schedule for removal by location. The
removal plan shall be subject to approval and regulation by the City, including, without limitation, the City’s Right-of-Way Restoration Policy. The affected property must be restored in compliance with City’s Right-of-Way Restoration Policy; and any damage caused by Franchisee’s removal must be addressed/compensated to the reasonable satisfaction of the City.

E. The purchase option provided for in Section 2.6 does not affect the City’s authority to require Franchisee to remove any portion of its Telecommunications System that the City will not purchase upon Franchise termination, as provided in this section and Title 16B, nor does it affect the City’s right to assume ownership of any portion of the Telecommunications System that is abandoned. Within 60 days of a request by the City, Franchisee shall execute such documents as may be required to convey such abandoned property to the City free and clear of all encumbrances.

2.8 Intentionally Omitted.

2.9 Responsibility for Costs. Except as expressly provided otherwise, any act that Franchisee is required to perform under this Franchise shall be performed at its cost. If Franchisee fails to perform work that it is required to perform within the time provided for performance, the City, after first providing notice and an opportunity to cure as herein provided, may perform the work and bill Franchisee the actual cost thereof. Franchisee shall pay the amounts billed within 30 days of receipt of an itemized bill. The parties agree that any amounts paid pursuant to this section or Title 16B are not franchise fees.
2.10 Work of Contractors and Subcontractors. Work by contractors and subcontractors is subject to the same restrictions, limitations, and conditions as if the work were performed by Franchisee. Franchisee shall be responsible for all work performed by its contractors and subcontractors and others performing work on its behalf as if the work were performed by it, and shall ensure that all such work is performed in compliance with this Franchise and Title 16B, and other applicable laws, including, without limitation, the City’s Right-of-Way Restoration Policy. Franchisee and its contractors and subcontractors shall be jointly and severally liable for all damages and correcting all damages they cause. It is Franchisee’s responsibility to ensure that contractors, subcontractors, or other Person(s) performing work on Franchisee’s behalf are familiar with the requirements of this Franchise, Title 16B, the City’s Right-of-Way Restoration Policy, and other applicable laws governing the work performed by them.

2.11 Survival of Terms. Upon the termination or forfeiture of the Franchise, Franchisee shall no longer have the right to occupy the Public Rights-of-Way for the purpose of providing Telecommunications Service. However, Franchisee’s obligations to the City survive the expiration of these rights according to their terms. By way of illustration and not limitation, Sections 2.6, 2.7, 2.9, 2.10, and 4 of this Franchise shall continue in effect as to Franchisee notwithstanding any expiration, forfeiture, or revocation of the Franchise, except to the extent that a City-approved transfer, sale, abandonment or assignment of the Telecommunications System is completed in accordance with the terms of this
Franchise, and another entity has assumed full and complete responsibility for the
Telecommunications System or for the relevant acts or omissions.

3.1 Use of Public Rights-of-Way. Franchisee may, subject to the terms of
this Franchise and TMC Titles 16B and 13, the City’s Right-of-Way Restoration
Policy, and other applicable Laws (as defined in Section 4.7 below), construct,
operate, and maintain a Telecommunications System in Public Rights-of-Way
within the Franchise Area to provide Telecommunications Services. Under this
Franchise, Franchisee may also construct Telecommunications Systems on
Overhead Facilities, but may only do so after obtaining required permit(s) and an
additional site-specific or master siting agreement from the owners of such
Overhead Facilities. Without limiting the foregoing, Franchisee expressly agrees
that it will construct, operate, and maintain its System in compliance with the
requirements of TMC Titles 16B and 13 (zoning and land use regulation
ordinances), including those governing the placement of its Telecommunications
System, and with other applicable City codes; and will obtain and maintain all
bonds and billable work orders required by the same.

3.2 Construction, Operation, or Maintenance. Franchisee shall, in all
cases, comply with all lawful City ordinances and regulations now in effect or
hereinafter enacted regarding the acquisition of permits and such other items as
may be required by the City in connection with the construction, operation, or
maintenance of the Telecommunications System, including, without limitation, the
City’s Right-of-Way Restoration Policy.
Without limiting the foregoing, Franchisee agrees that it shall, in the course of constructing, operating, and maintaining its Telecommunications System, comply with the requirements of Titles 16B and 13, and among other things:

A. (1) Franchisee shall, by a time specified by the City, protect, support, adjust, temporarily disconnect, relocate, or remove any of its property when required by the City by reason of traffic conditions; public safety; Public Rights-of-Way construction; Public Rights-of-Way repair (including resurfacing or widening); change of Public Rights-of-Way grade; construction, installation, or repair of sewers, drains, water pipes, power lines, signal lines, tracks, or any other type of government-owned Communications System, public work, public project, public facility, or improvement or any government-owned utility; Public Rights-of-Way vacation; or for any other purpose where the work involved would be aided by the removal or temporary disconnection or relocation of the Telecommunications System. Collectively, such matters are referred to below as the “public work.”

Notwithstanding the foregoing, in the event Franchisee is required to relocate any of its Facilities as provided for herein, the City shall provide Franchisee no less than 90 days’ prior written notice thereof.

(2) In the event of an emergency, or where the Telecommunications System creates or is contributing to an imminent danger to health, safety, or property, the City may protect, support, adjust, temporarily disconnect, remove, or relocate any or all parts of the Telecommunications System without prior notice and charge Franchisee for the actual costs incurred; provided
that the City shall give Franchisee notice thereof as soon as reasonably possible under the circumstances.

(3) In the case of non-public work, if any Person authorized to place Facilities in the Rights-of-Way requests Franchisee to protect, support, adjust, temporarily disconnect, remove, or relocate Franchisee’s facilities to accommodate the construction, operation, or maintenance of the facilities of such other Person, Franchisee shall, after 90 days’ advance written notice, take action to effect the necessary changes requested. In the case of non-public work or non-public projects, unless, and to the extent, the matter is governed by a valid contract between Franchisee and such Person requesting Franchisee to take action under this Subsection (3) or governed by a valid state or federal law or regulation, or unless Franchisee’s Telecommunications System was not properly installed, the reasonable cost of the same shall be borne by the Person requesting the protection, support, adjustment, temporary disconnection, removal, or relocation and at no charge to the City, even if the City makes the request for such action.

(4) Franchisee shall, on the request of any Person holding a valid permit issued by a governmental authority, temporarily raise or lower its wires to permit the moving of buildings or other objects. The expense of such temporary removal or raising or lowering of wires shall be paid by the Person requesting the same.

B. Franchisee’s obligation to construct, operate, and maintain its Telecommunications System in compliance with all applicable laws, ordinances, departmental rules and regulations, and published or otherwise readily available
practices affecting such System includes, by way of example and not limitation, the
obligation to construct, operate, and maintain in accordance with zoning codes,
safety codes and City construction standards, including the most current version of
the Standard Specifications for Road, Bridge and Municipal Construction, as
prepared by the Washington State Department of Transportation (“WSDOT”) and
the Washington State Chapter of American Public Works Association (“APWA”);
the most current version of the APWA Amendments to Division One, and the most
current version of the City of Tacoma Amendments thereto. In addition, the
construction, operation, and maintenance shall be performed in a manner
consistent with industry standards. Franchisee shall exercise reasonable care in
the performance of all its activities and shall use commonly accepted methods and
devices for preventing failures and accidents that are likely to cause damage,
injury, or nuisance to the public or to property. In the event that Franchisee’s work
or other use of the Public Right-of-Way causes damage to any City facility,
Franchisee shall bear the cost of repairing, or replacing as necessary, such City
facility.

C. Franchisee’s construction, operation, or maintenance of its
Telecommunications System shall not commence until all required permits or
agreements have been properly filed for and obtained from the proper City officials
and all required permits and agreements obtained and associated fees paid. In
any permit so issued, the City may impose, as a condition of the granting of the
permit, such conditions and regulations as may be necessary to the management
of the Public Rights-of-Way, including, by way of example and not limitation, for the

-27-
purpose of protecting any structures in the Public Rights-of-Way, maintaining
proper distance from other utilities, for the proper restoration of such Public
Rights-of-Way and structures, and for the protection of the City and the public and
the continuity of pedestrian and vehicular traffic.

D. Franchisee must follow City-established requirements for
placement of Facilities in Public Rights-of-Way, including the specific location of all
Facilities, which includes, without limitation, Personal Wireless Facilities, in the
Public Rights-of-Way, and must in any event install Facilities in a manner that
minimizes interference with the use of the Public Rights-of-Way by others,
including others that may be installing Communications Facilities.

The City may require that Facilities be installed at a particular time, at
a specific place, or in a particular manner as a condition of access to a particular
Public Right-of-Way area; may deny access if Franchisee is not willing to comply
with the City’s requirements; and may remove, or require removal of, any Facility
that is not installed in compliance with the requirements established by the City, or
which is installed without prior City approval of the time, place, or manner of
installation, and charge Franchisee for all the costs associated with removal; and
may require Franchisee to cooperate with others to minimize adverse impacts on
the Public Rights-of-Way through joint trenching and other arrangements
consistent with requirements the City imposes on other similarly situated
franchisees or users of the Public Rights-of-Way.

E. Franchisee agrees that, as a condition of a permit for installation
of conduit, the City may require it to install conduit in excess of its reasonably
foreseeable requirements for the purpose of accommodating the City where the
City Manager determines it is appropriate to do so to minimize disruption of public
passage or infrastructure, to forestall or relieve exhaustion of Right-of-Way
capacity, or to protect environmentally sensitive areas; provided that the City will
be responsible for the additional costs, including material and labor, associated
with installing such excess conduit if installed for City use; and provided further that
the City’s use of any such excess conduit is limited to non-commercial,
governmental uses.

F. To the extent possible and technically and operationally feasible,
Franchisee shall use conduit existing at the time of permitting in installing its
System.

G. Subject to Subsection G.3. below, and recognizing that
Franchisee’s antennas and associated cables are intended to be located above-
ground in order to provide Franchisee’s telecommunication services to its
customers, Franchisee shall be subject to the requirement that whenever all
existing utilities are located underground in an area in the City, Franchisee, at its
own cost, must also locate its Telecommunication System underground, including
Telecommunication System Facilities, such as drops, which cross private property.

   1. Whenever the owners of Overhead Facilities locate or
relocate underground within an area of the City, Franchisee shall concurrently
relocate its Facilities underground at its own cost.

   2. Whenever an electric utility opens a trench adjacent to
Franchisee’s Facilities for the purpose of installing or relocating utility Facilities
underground, Franchisee shall concurrently relocate its utility Facilities underground, and if it uses the same trench, Franchisee shall be responsible for its pro-rated share of the cost thereof.

3. The City Manager may, for good cause shown, exempt a particular portion of the Telecommunication System from the obligation to locate or relocate Facilities underground where relocation is impractical (e.g. in the case of antennas that only function above-ground and their related equipment), or where the interest in protecting against visual blight can be protected in another manner. Nothing in this Section 3.2.G prevents the City from ordering Franchisee to locate or relocate its Telecommunication System underground in areas where other existing utilities are ordered to locate or relocate their facilities underground under other provisions of the TMC, it being the intent that the number and extent of Overhead Facilities and the visual pollution resulting therefrom will, over time, be reduced and eventually, to the extent feasible, be eliminated.

H. Franchisee shall participate in conversion to underground Local Improvement Districts (“LIDs”) at the same time as other utilities are required to participate in conversion to underground LIDs. Franchisee, at no cost to the City or abutting property owners, shall share fairly with other utilities the cost of undergrounding when done through the LID process. As part of its obligations under the TMC, Franchisee shall provide the preliminary cost estimate, facility conversion designs, and final cost estimates to any LID project coordinator in a timely manner. At the request of an LID project coordinator, Franchisee shall perform underground construction in coordination with the undergrounding
services provided by other LID utilities at no cost to the City or abutting property
owners.

I. Franchisee shall promptly repair any and all Public Rights-of-Way, public property, or private property that is disturbed or damaged during the construction, operation, or maintenance of its Telecommunications System. Public property and Public Rights-of-Way must be restored in conformance with the City’s Right-of-Way Restoration Policy.

J. No tree trimming shall be performed without the permission of the City and other affected authorities, and any tree trimming must be performed in strict accordance with the TMC. Even if tree trimming is authorized by the City, Franchisee is liable for any damage it causes during the course of tree trimming.

K. In any dispute over the adequacy of a restoration relative to this section, the Tacoma Department of Public Works Director shall, in the Director’s sole discretion, make the final determination.

L. Franchisee shall not remove any Facilities except as hereinafter provided.

(1) Franchisee shall not remove any Facilities which require trenching or other opening of the Rights-of-Way along the extension of the Facilities to be removed without the express permission of the City, which permission shall not be unreasonably withheld, conditioned, or delayed. Franchisee must request permission from the City to remove the Facilities at least 30 days in advance of the date Franchisee proposes to begin removal.
(2) Franchisee shall remove such Facilities as the City orders it to remove; provided, that the City may not order removal where such removal is primarily to give economic benefit or advantage to a competing provider of Telecommunications Service.

(3) Where trenching or other opening of the Rights-of-Way along the extension of Facilities to be removed is required, Franchisee must post bonds as the City may require ensuring that the property is promptly removed with minimum disruption. Franchisee must restore the affected property in conformance with the City’s Right-of-Way Restoration Policy; and Franchisee must compensate those whose property it damages for the damage.

(4) Subject to the City’s rights to purchase the Telecommunications System under Section 2, Franchisee may voluntarily remove any of its Facilities from the Public Rights-of-Way which have been installed in such a manner that they can be removed without trenching or other opening of the Rights-of-Way.

3.3 Right To Inspect and Order Corrections. The City may inspect the Telecommunications System at any time reasonable under the circumstances to ensure compliance with this Franchise and applicable law, including to ensure that Franchisee’s Telecommunications System is constructed and maintained in a safe condition. If Franchisee’s representatives are not on-site performing work on the Telecommunications System, whenever feasible, the City shall give reasonable advance notice of its intent to inspect so that Franchisee may have a representative present during the inspection. If an unsafe condition is found to
exist, the City, in addition to taking any other action permitted under applicable law, may order Franchisee, in writing, to make the necessary repairs and alterations specified therein forthwith to correct the unsafe condition on a time table established by the City which is reasonable in light of the unsafe condition. The City has the right to correct, inspect, administer, and repair the unsafe condition if Franchisee fails to do so in a timely manner, and to charge Franchisee therefor.

3.4 Information Regarding Ongoing Work. In addition to providing notice to the public of ongoing work as may be required under applicable law, Franchisee shall make available information regarding any ongoing construction, operation, or installation of its Telecommunications System sufficient to show (1) the nature of the work being performed; (2) where it is performed; (3) its estimated completion date; and (4) progress to completion.

4.1 Intent. The City shall have the right to administer and regulate activities of this Franchise up to the fullest extent of the law. The failure to reserve a particular right to regulate or reference a particular regulation shall not be interpreted by negative implication or otherwise to prevent the application of a regulation to Franchisee.

4.2 Remedies for Franchise Violations. The City has the right to exercise any and all of the following remedies, singularly or in combination, in the event Franchisee violates any provision of this Franchise:

A. Draw upon the performance bond or other security provided under this Franchise; provided, however, such drawing shall be only in such a
manner and in such amount as the City reasonably determines is necessary to
remedy the default. Should the City take this action, Franchisee shall be
responsible for all direct and actual costs related to such action, including, but not
limited to, actual legal and administrative costs:

B. Commencing an action at law for monetary damages;
C. Commencing an action for equitable or other relief;
D. Declaring the Franchise to be revoked; and/or
E. Seeking specific performance of any provision which reasonably
   lends itself to such remedy.

In determining which remedy or remedies for Franchisee’s violation are
appropriate, the City may take into consideration the nature and extent of the
violation, the remedy needed to prevent such violations in the future, whether
Franchisee has a history of previous violations of the same or similar kind, and
such other considerations as are appropriate under the circumstances. Remedies
are cumulative; the exercise of one shall not foreclose the exercise of others.

4.3 Procedure for Remedying Franchise Violations. Before imposing
liquidated damages or drawing upon the performance bond or any other security
set out in Section 6, the City shall follow the procedure below.

A. Notice of Violation. In the event that the City believes that
Franchisee has not complied with the terms of this Franchise, the City shall notify
Franchisee in writing, in compliance with Section 7.5, of the nature of the alleged
noncompliance.
B. Franchisee’s Right to Cure or Respond. Except as provided in Section 4.3.D, Franchisee shall have 30 days from the receipt of the notice described above to (a) respond to the City contesting the assertion of noncompliance, or (b) to cure such default or, in the event that by the nature of the default such default cannot be cured within the 30-day period, initiate steps to remedy such default as promptly as possible and complete the cure within a reasonable time. The duty to cure includes the duty to cure all harms caused by the acts or omissions of Franchisee which gave rise to the alleged non-compliance. At the end of the 30-day period, Franchisee shall notify the City, in writing, of the steps it has taken to cure the default, if any; if the cure is not complete, the reason it is not complete and the projected date for completion; and if the default is disputed, the complete basis for that contention.

C. Public Hearing. The City may schedule a public hearing to investigate any alleged default. The City shall give Franchisee 20 calendar days’ notice of the time and place of the hearing and provide Franchisee with an opportunity to be heard.

D. Action After Hearing. If the City determines after such hearing that Franchisee did not timely cure or initiate steps to cure the default in a timely manner satisfactory to the City after the notice required by Section 4.3.A was provided, then the City may draw upon any performance bond, security fund, or other security, including requiring performance under the guarantee; and impose liquidated damages. However, notice and opportunity to cure are not required for three (3) or more repeat violations of the same material provision of this Franchise
within a calendar year, or for fraud, which shall be deemed incurable; in such cases, the performance bond, letter of credit, or other security may be drawn upon, and the guarantor required to perform, and liquidated damages imposed after the hearing required by Section 4.3.C.

E. Liquidated Damage Amounts. Because any material failure to comply with the provisions of this Franchise by Franchisee will result in injury to the City, and because it may be difficult to estimate the extent of each such injury, Franchisee and the City agree to the following liquidated damages, which provisions represent the best estimate of the damages resulting from injuries of specific types. The amounts of the liquidated damages set forth in this Franchise are in 2017 dollars and shall be increased each year by the increase in the U. S. Department of Labor, Bureau of Labor Statistics, Consumer Price Index for Pacific Cities and U. S. City Average for the greater Seattle area. The amount of liquidated damages for all material violations of this Franchise for which actual damages may not be ascertainable shall be: $500 per day for each violation for each day the violation continues. It is provided, however, that the City shall allow Franchisee a minimum of 30 days after written notice to Franchisee of such neglect, failure, or refusal to comply within which to meet compliance or correct performance, prior to the assessment of any liquidated damages.

4.4 Failure to Enforce. Franchisee shall not be relieved of any of its obligations to comply promptly with any provision of this Franchise by reason of any failure of the City to enforce prompt compliance, and the City’s failure to
enforce shall not constitute a waiver of rights or acquiescence in Franchisee's conduct.

4.5 Force Majeure. Franchisee shall not be deemed in default with provisions of this Franchise where performance was rendered impossible by war or riots, civil disturbances, floods, or other natural catastrophes beyond Franchisee’s control; the unforeseeable unavailability of labor or materials; or power outages exceeding back-up power supplies. The acts or omissions of affiliates shall not be deemed to be beyond Franchisee’s control, and the knowledge of affiliates shall be imputed to Franchisee. This Franchise shall not be revoked or Franchisee penalized for such noncompliance, provided that Franchisee takes immediate and diligent steps to bring itself back into compliance and to comply as soon as possible under the circumstances with this Franchise without unduly endangering the health, safety, and integrity of Franchisee’s employees or property, or the health, safety, and integrity of the public, Public Rights-of-Way, public property, or private property.

4.6 Alternative Remedies. No provision of this Franchise shall be deemed to bar the right of the City or Franchisee to seek or obtain judicial relief from a violation of any provision of this Ordinance or any rule, regulation, requirement, or directive promulgated thereunder. Neither the existence of other remedies identified in this Franchise nor the exercise thereof shall be deemed to bar or otherwise limit the right of the City or Franchisee to recover monetary damages for violations by the City or Franchisee, or to seek and obtain judicial enforcement of
Franchisee’s or the City’s obligations by means of specific performance, injunctive relief or mandate, or any other judicial remedy at law or in equity.

4.7 Compliance with Applicable Laws. Franchisee shall comply with all applicable federal and state laws and regulations, including regulations of any administrative agency thereof, as well as all applicable City ordinances, resolutions, rules, policies, and regulations heretofore or hereafter adopted or established during the entire term of the Franchise (collectively, “Laws”); provided that, nothing herein shall prevent Franchisee from challenging a provision of Laws that applies only to it as an impairment of contract. Nothing in this Franchise shall limit the City’s right of eminent domain under state law. Nothing in this Franchise shall be deemed to waive the requirements of any lawful code or resolution of the City regarding permits, fees to be paid, or manner of construction.

Section 5. Reporting Requirements.

5.1 Quarterly Reports. Within 30 days after the end of each of Franchisee’s fiscal quarters, Franchisee shall submit a written report to the City which shall contain a listing of all categories of Gross Receipts collected by Franchisee for its business activities as identified in Section 2.1, which are activities specifically taxable as a telephone business under TMC Title 6. Said written report shall be in sufficient detail and with sufficient explanation to enable the City to understand the report and to verify the accuracy of the report. In addition, Franchisee shall provide such other reports as may be required by Title 16B.

5.2 Annual Report. In the event that changes in applicable laws allow the City to require a franchise fee as referenced in Section 6 below, then no later than
120 days following the end of Franchisee's fiscal year each year after the
imposition of franchise fees, Franchisee shall present a written report to the City
which shall include:

A. Audited financial statements for (1) Franchisee and (2) any
affiliate which is involved in any way with the operation or ownership of the
System; and a financial statement for Franchisee that includes Gross Receipts
from all sources, gross Subscriber revenues from each category of service, as well
as an income statement and a balance sheet. In the event any audited financial
report has not been published by the date due under this section, then the audited
financial report shall be deemed presented on time if presented within 30 days
after publication.

All financial reports required under this section shall be presented to
the City accompanied by such notes and explanations as are required to fully
understand the reports. Such notes and explanations shall include, but not be
limited to, an explanation of any and all deductions made from Gross Receipts for
the calculation of Fees or taxes to be paid to the City, as well as:

1. A summary of the previous year's activities for the
Franchise Area, including, but not limited to, the total number of Customers, miles
of Facilities, any services added or dropped, and any technological changes
occurring in the system;

2. Plans for the future; and

3. Such other information as is required by Title 16B.
5.3 Additional Reports. Franchisee shall prepare and furnish to the City within 60 days of written request, to the person and address specified in the City’s request, in a form reasonably prescribed by the City, such reports with respect to Franchisee’s operation, affairs, transactions, or property as may be reasonably necessary and appropriate to ensure compliance with the material provisions of this Franchise, or to permit the performance of any of the rights, functions, or duties of the City in connection with the Franchise.

5.4 Preservation of Confidential Information. Trade secrets and confidential information designated as such by Franchisee shall be subject to such protection as provided in Title 16B or under chapter 42.56 RCW, or as otherwise provided by applicable laws. Franchisee shall be responsible for clearly and conspicuously identifying the work as confidential or proprietary, and shall provide a brief written explanation regarding its position on the protected status of the information under state or federal law. In the event that the City receives a public records request under chapter 42.56 RCW or similar law for the disclosure of information Franchisee has designated as confidential, trade secret, or proprietary, the City shall promptly provide notice of such disclosure so that Franchisee can take appropriate steps to protect its interests. Nothing in this section prohibits the City from complying with chapter 42.56 RCW or any other applicable law or court order requiring the release of public records, and the City shall not be liable to Franchisee for compliance with any law or court order requiring the release of public records. The City shall comply with any injunction or court order obtained by Franchisee which prohibits the disclosure of any such confidential records.

6.1 Fees.

A. State Prohibition of Franchise Fee. The parties understand that RCW 35.21.860 currently prohibits a municipal franchise fee for the intended use. Franchisee agrees that if this statutory prohibition is removed, the City may assess a reasonable franchise fee to be agreed to by the parties if the statutory prohibition is removed. The parties agree that this Section 6.1.A does not limit the right of Franchisee to challenge the franchise fee pursuant to 47 USC § 253.

B. Franchisee Subject to the City Telephone Business Tax. Franchisee agrees that its activities in the City of Tacoma identified in Section 2.1 are activities specifically taxable as a telephone business under TMC Chapter 6A, and are taxable at the 6 percent rate specified in TMC Chapter 6A.40.050.D now in effect or as amended, which at the time of the execution of this Franchise agreement is 6 percent of Franchisee’s Gross Receipts, but excluding any Gross Receipts from the provision of internet access service. It is agreed that the amount of Gross Receipts to be taxed will include the amount of tax imposed on Franchisee by City ordinance. This Franchise does not limit the City’s power of taxation.

C. Franchisee Obligated to Pay Administrative Costs. In accord with RCW 35.21.860 as presently effective, and as it may be later amended, Franchisee must pay the City an amount sufficient to recover administration expenses incurred in receiving and approving this Franchise, including, but not limited to, the reasonable costs of outside consultants retained by the City to assist
in the City’s consideration and processing of this Franchise application. The first $5,000 of said expenses will be covered by the $5,000 application fee deposited with the City. To the extent allowed by RCW 35.21.860 or other applicable laws, Franchisee may be required to pay other costs applicable to this Franchise and Franchisee’s activities hereunder. The amount of payment to be made by Franchisee to cover these administrative costs is an amount determined to be reasonable by the Franchise Services Manager. Such obligation further includes municipal fees arising out of this Franchise related to receiving and approving permits or licenses, inspecting plans and construction, or relating to the preparation of a detailed statement pursuant to chapter 43.21C RCW. Said fees must be paid within 30 days of receipt of the City’s billing therefor.

D. Manner of Payment; Audit. Franchisee will pay the City Telephone Business Tax specified in Section 6.1B on a monthly basis accompanied by Franchisee’s standard remittance form which specifies the net taxable charges, the local tax rate, and the local tax due, plus penalties and/or interest, if any is due. Franchisee shall make all other required fee payments in the form, at the intervals, and in the manner requested by the City Treasurer, and furnish the City Treasurer with any information related to revenue collection functions as is reasonably requested. In case of audit, the City Treasurer may require Franchisee to furnish a verified statement of compliance with Franchisee’s obligations or in response to any questions. Said certificate may be required from an independent, certified public accountant at Franchisee’s expense. All audits will take place on Franchisee’s premises or offices furnished by Franchisee, which shall be a location within the City
of Tacoma or other mutually agreeable place; however, Franchisee must agree to pay the associated costs of travel. Franchisee agrees, within 30 days of written request of the City Treasurer, to provide, to the person and address specified in the City Treasurer’s request, copies of all documents filed with any federal, state, or local regulatory agency, to be mailed to the City Treasurer on the same day as filed, postage prepaid, affecting any of Franchisee’s Facilities or business operations in the City of Tacoma.

E. No Other Deductions. No deductions including current or previously paid fees shall be subtracted from the Gross Receipts amount, except as allowed under state or federal law, upon which payments are calculated and due for any period, nor shall copyright fees or other license fees paid by Franchisee be subtracted from Gross Receipts for purposes of calculating payments.

F. Late Payments. Any fees owing which remain unpaid more than 10 days after the dates specified herein shall be delinquent and shall thereafter accrue interest at the maximum allowable rate pursuant to RCW 19.52.020.

G. Period of Limitations. The period for commencing an action for the recovery of any fee payable hereunder shall be six years from the date on which payment by Franchisee is due, subject to tolling as provided as a matter of law or equity. Unless within six years from and after the due date for a particular payment, the City makes written request to review Franchisee’s records with respect to such fee payment (either individually or as part of a broader request) recovery shall be barred with respect to such payment and the Franchising
Authority shall be estopped from asserting any claims whatsoever against Franchisee relating to any alleged deficiencies in that particular payment.

6.2 Auditing and Financial Records. Franchisee shall manage all of its operations in accordance with a policy of keeping books and records open and accessible to the City. Without limiting its obligations under this Franchise, Franchisee agrees that it will collect and make books and records available for inspection and non-confidential books and records for copying by the City in accordance with Title 16B. Franchisee shall be responsible for collecting the information and producing it. Books and records shall be made available for inspection to the City at the Tacoma Municipal Building or such other location as the parties may agree. Notwithstanding any provision of Title 16B or this Franchise, if documents are too voluminous or for security reasons cannot be produced at the Tacoma Municipal Building or other mutually agreeable location within the City, then Franchisee may produce the material at another central location, provided it also agrees to pay the additional reasonable costs incurred by the City in reviewing the materials, if such location is outside the City.

Franchisee shall take all steps reasonably required, if any, to ensure that it is able to provide the City all information which must be provided or may be requested under Title 16B or this Franchise, including by providing appropriate Subscriber privacy notices. Nothing in this section shall be read to require Franchisee to violate 47 U.S.C. §§ 222 or 551 or to disclose or make available to the City any books and records protected from disclosure under other applicable law. Franchisee shall be responsible for redacting any data that federal law
prevents it from providing to the City. Records shall be kept for at least six years.

In addition to maintaining all records as required by Title 16B, Franchisee shall maintain records sufficient to show its compliance with the requirements of this Franchise, and shall produce those records within 30 days of a City request.

Franchisee agrees to meet with a representative of the City upon request to review its methodology of record-keeping, financial reporting, computing fee obligations, and other procedures the understanding of which the City deems necessary for understanding the meaning of reports and records.

The City agrees to request access to only those books and records, in exercising its rights under this section, which it deems reasonably necessary as part of a bona fide exercise of its authority over the Telecommunications System under this Franchise, Title 16B or other applicable Laws. The City further agrees that it will withhold from public disclosure those books and records made available to it pursuant to this Section 6.2, but only to the extent that the City believes that it has the discretion to do so under state law. The City will, however provide notice to Franchisee of any request for such books and records so that Franchisee can engage whatever protective measures are available to it.

6.3 Performance Bond. At the same time it provides its Franchise acceptance to the City, Franchisee shall provide a performance bond to ensure the faithful performance of its responsibilities under this Franchise and applicable law, including, by way of example and not limitation, its obligations to relocate and remove its facilities; and to restore City Rights-of-Way and other property. The initial amount of the performance bond shall be $250,000. The amount of the bond
may be changed from time to time to reflect changed risks to the City or to the public. Franchisee may be required to obtain additional bonds in accordance with the City’s ordinary practices and/or pursuant to applicable TMC provisions. The bond shall be in a form and with a surety (authorized to do business in the state of Washington) reasonably acceptable to the City’s Risk Manager and in a form reasonably acceptable to the City Attorney. Franchisee shall pay all premiums or costs associated with maintaining the bond, and shall keep the same in full force and effect at all times during the Franchise Term.

6.4 Indemnification by Franchisee.

A. Franchisee, by accepting this Franchise, agrees to release the City from and against any and all liability and responsibility in or arising out of, or by reason of, or resulting from or of the negligent acts, errors, or omissions of Franchisee during the construction, operation, or maintenance of the Telecommunications System, and, without limiting the provisions of Section 7.4, agrees not to sue or seek any money or damages from the City, except to the extent Franchisee’s Telecommunication System is damaged by the negligent acts or omissions or willful misconduct of the City or its agents, or the City’s violation of any of the terms of this Franchise or any applicable Laws.

B. Franchisee agrees to indemnify and hold harmless the City, its trustees, elected and appointed officers, agents, and employees, from and against any and all claims, demands, or causes of action of whatever kind or nature, and the resulting losses, costs, expenses, reasonable attorneys’ fees, liabilities, damages, orders, judgments, or decrees sustained by any third party arising out of,
or by reason of, or resulting from or of the acts, errors, or omissions of Franchisee or its agents, independent contractors, or employees related to or in any way arising out of the construction, operation, maintenance, or relocation of the Telecommunications System; except to the extent caused by or arising out of the City’s negligence or willful misconduct. Franchisee waives immunity under Title 51 RCW and affirms that the City and Franchisee have specifically negotiated this provision, as required by RCW 4.24.115, to the extent it may apply.

C. Franchisee agrees that the covenants and representations relating to the indemnity provided in Sections A and B above shall survive the term/expiration/termination of this Franchise and continue in full force and effect as to Franchisee’s responsibility to indemnify.

6.5 Franchisee Insurance.

A. Franchisee shall maintain, throughout the term of the Franchise, adequate insurance to protect the City, its trustees, elected and appointed officers, contracted agents working under the direct control of the City of Tacoma, and employees against claims and damages that may arise as a result of the construction, operation, or maintenance of the Telecommunications System. The City makes no representation as to what constitutes adequate insurance for Franchisee’s operations. The foregoing notwithstanding, Franchisee must maintain at least the amounts and types of insurance required by TMC 16B.05.090.

B. The required insurance must be obtained and maintained for the entire period Franchisee has facilities in the Public Rights-of-Way, and for six years thereafter. If Franchisee, its contractors, or subcontractors do not have the
required insurance, the City may order such entities to stop operations until the
insurance is obtained and approved.

C. Certificates of insurance, reflecting evidence of the required
insurance and including the City as an additional named insured as its interest may
appear under this Agreement with a blanket additional insured endorsement on the
COMMERCIAL GENERAL LIABILITY and AUTOMOTIVE policies described in
TMC 16B.05.090, shall be filed with the City’s Risk Manager. The certificate shall
be filed with the acceptance of the Franchise and annually thereafter, and as
provided in E below.

D. Policies shall be issued by companies authorized to do business
under the laws of the state of Washington. Financial Ratings must be no less than
Guide.

E. In the event that the insurance certificate provided indicates that
the insurance shall terminate or lapse during the period of the Franchise,
Franchisee shall furnish, within 30 days of renewal, a renewed certificate of
insurance as proof that equal and like coverage has been obtained.

F. The City reserves the right to require any other insurance
coverage it deems necessary during the term of the Franchise, depending upon
the exposures.

G. It is Franchisee’s responsibility to ensure that each subcontractor
obtains and maintains adequate liability insurance coverage, and upon request of
the City, Franchisee shall provide evidence of such insurance.
6.6 Security Fund. Franchisee shall provide the City an irrevocable (until Franchisee removes all of its Facilities from the Public Rights-of-Way or the City consents to abandonment of all such remaining Facilities) letter of credit in the amount of $50,000.00 as additional security to secure the payment of fees owed and to secure any other performance promised to the City in this Franchise, and to pay any taxes, fees, or liens owed to the City. Any letter of credit shall be in a form and with an institution acceptable to the City’s Director of Finance and in a form acceptable to the City Attorney. Should the City draw upon the letter of credit, it shall promptly notify Franchisee, and Franchisee shall promptly restore the letter of credit to the full required amount. The City may from time to time change the amount of the required security fund/letter of credit/assignment of funds to reflect changes in the risks to the City and to the public, including delinquencies in taxes or other payments to the City.

7.1 Posting and Publication. Franchisee shall assume the cost of posting and publication of this Franchise as such posting and publication is required by law and such is payable upon Franchisee’s filing its acceptance of the Franchise.

7.2 Guarantee of Performance. Franchisee acknowledges that it enters into the Franchise voluntarily in order to secure and in consideration of the grant from the City of a ten-year Franchise. Performance pursuant to the terms and conditions of this Franchise agreement is guaranteed by Franchisee.

7.3 Governing Law and Venue. Franchise shall be governed by and construed in accordance with the laws of the state of Washington without recourse
to any principles of Conflicts of Laws, except that where federal law preemptively applies it shall control. Any litigation between the City and Franchisee arising under or regarding this Franchise shall occur, if in the state courts, in the Superior Court of Pierce County, and if in the federal courts, in the United States District Court for the Western District of Washington.

7.4 No Recourse. Without limiting such immunities as the City or other Persons may have under applicable law, Franchisee shall have no monetary recourse whatsoever against the City or its officials, boards, commissions, agents, or employees for any loss, costs, expense, or damage arising out of any provision or requirement of Title 16B or because of the enforcement of Title 16B or the City’s exercise of its authority pursuant to Title 16B, this Franchise or other applicable law, except to the extent Franchisee’s Telecommunication System is damaged by the negligent acts or omissions or willful misconduct of the City or its representatives or caused by or arising from the City’s violation of this Franchise or any applicable Laws.

7.5 Notice. Unless expressly otherwise agreed between the parties, every notice, billing, or response required by this Franchise to be served upon the City or Franchisee shall be in writing, and shall be deemed to have been duly given to the required recipient upon actual receipt or refusal of delivery and shall be sent by a nationally recognized overnight courier or by U.S. certified mail, return receipt requested, postage prepaid. The notices or responses to the City shall be addressed as follows:

7.6  Execution.  Franchisee shall execute and return to the City three original countersigned copies of this Ordinance and a signed acceptance of the Franchise granted hereunder within 30 days after the date of passage of the Ordinance by the City Council.  The acceptance shall be submitted in the form attached hereto or other form acceptable to the City Attorney and in accepting the Franchise, Franchisee warrants that it has carefully read the terms and conditions of this Franchise and unconditionally accepts all of the terms and conditions of this Franchise and agrees to abide by the same and acknowledges that it has relied upon its own investigation of all relevant facts, that it has had the assistance of
counsel, that it was not induced to accept a Franchise, that this Franchise represents the entire agreement between Franchisee and the City, and that Franchisee accepts all risks related to the interpretation of this Franchise. The countersigned Ordinance and acceptance shall be returned to the City accompanied by: evidence of insurance; a payment for publication costs; billable work order deposit; and the security fund deposit and performance bond.
