RESOLUTION NO. 39871

A RESOLUTION relating to the Department of Public Utilities, Beltline Division, d.b.a. Tacoma Rail; authorizing the execution of a Highway-Railroad Grade Crossing Grant Agreement with the Washington State Department of Transportation, in the amount of $2,500,000, for safety improvements at two railroad grade crossings on the Marine View Drive segment of State Route 509.

WHEREAS the City of Tacoma, Department of Public Utilities, Beltline Division (d.b.a. “Tacoma Rail”), was awarded a Grant from the Washington State Department of Transportation (“WSDOT”) to design, engineer, and install new grade crossing signal systems on the Marine View Drive segment of State Route 509, and

WHEREAS WSDOT has identified two existing passive Highway-Railroad at Grade Crossings on the Marine View Drive segment of State Route 509, numbered USDOT #917-955P and USDOT #852-620R, as locations where safety improvements should be constructed in order to alert motorists in northbound and southbound lanes when railroad equipment is on the Highway-Railroad Grade Crossing, and

WHEREAS, pursuant to 23 U.S.C., Section 130, WSDOT Grant Agreement RRB-1185 provides for reimbursement of Tacoma Rail’s direct and associated project costs related to the design, engineering, and installation of the safety improvements at the two locations, up to an amount not to exceed $2,500,000, and

WHEREAS Section 4.11 of the Tacoma City Charter requires that all matters relating to the “incurring of indebtedness . . . shall be initiated by the
Board, subject to approval by the Council, and executed by the Board,” prior to
acceptance of the Agreement, and

WHEREAS, by adoption of Public Utility Board Resolution No. U-10974
on November 15, 2017, the proposed Agreement was approved, pending
confirmation from the City Council; Now, Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

Section 1. That the City of Tacoma, Department of Public Utilities,
Beltline Division (d.b.a. “Tacoma Rail”) is approved to accept grant funding from
the Washington State Department of Transportation for reimbursement of
Tacoma Rail’s direct and associated project costs related to the design,
engineering, and installation of the safety improvements at two locations on the
Marine View Drive segment of State Route 509 up to an amount not to exceed
$2,500,000, and to deposit said reimbursements into the Tacoma Rail Fund.

Section 2. That the Superintendent of Rail is authorized to execute the
grant agreement with WSDOT for the administration of the state funding
accepted pursuant to Section 1, said document to be substantially in the form of
the proposed grant agreement on file in the office of the City Clerk.

RESOLUTION NO. 39874

A RESOLUTION relating to the Department of Public Utilities; authorizing the Beltline Division, d.b.a. Tacoma Rail, to reissue the TMBL 8807 and TRMW 8000 series freight switching tariffs, as well as the TMBL 6004 series demurrage tariff, with an effective date of January 1, 2018, to ensure reliable rail services at cost of service rates.

WHEREAS the Department of Public Utilities, Beltline Division (d.b.a. “Tacoma Rail”), is recommending adjustments to charges related to freight switching, and is seeking approval to reissue its freight switching tariff TMBL 8807 and TRMW 8000, incorporating such adjustments, and

WHEREAS the switching tariffs define the line haul and miscellaneous switching charges allocated to the movement of railcars, and the proposed adjustments include a rate increase of $10 for unit train line haul traffic, a $150 line haul rate increase for Positive Train Control (“PTC”) enabled divisions, and a 3 percent increase on general TRMW switching fees, and

WHEREAS the demurrage tariff establishes rates, credits, and exemptions for the application of railcar demurrage, and the demurrage tariff rate and schedule has not changed since 1998, when the demurrage tariff was established, and

WHEREAS the proposed demurrage tariff adds Saturdays as being exempt from being a demurrage day while changing the daily rate from $50 to $60; Sundays and holidays are exempt in the current tariff, and

WHEREAS Section 4.11 of the Tacoma City Charter requires that all matters related to the fixing of rates and charges for utility services shall be initiated by the Board and approved by the City Council, and
WHEREAS, on November 15, 2017, the Public Utility Board approved the proposed revisions, and

WHEREAS Tacoma Rail believes it is in the best interests of its customers and the citizens of Tacoma that the recommended freight switching tariffs and demurrage tariff be approved; Now, Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

Section 1. That the proposed revisions and reissue of Tacoma Rail Freight Switching Tariffs TMBL 8807, TRMW 8000, and Demurrage Tariff TMBL 6604 series are hereby approved, effective January 1, 2018.

Section 2. That the publication of TMBL 8807, TRMW 8000, and Demurrage Tariff TMBL 6604 is approved.

Resolution No. U-10975
RESOLUTION NO. 39875

A RESOLUTION relating to the Consolidated Plan for Housing and Community Development; authorizing approval of the 2018-2019 Funding Priorities Statement for the Annual Action Plan of the City’s Consolidated Plan for Housing and Community Development.

WHEREAS the City Council biennially approves the Funding Priorities Statement to provide direction to the City for recommending/awarding federal funds prior to starting the application process for the Consolidated Plan Annual Program, and

WHEREAS the purpose of establishing funding priorities is to provide direction for the selection of housing, social services and community development activities, and

WHEREAS all programs and projects must be consistent with the Community Development Block Grant (“CDBG”), HOME Investment Partnership Program (“HOME”), or Emergency Shelter Grant Program (“ESG”), or any other funding source regulations, as applicable, and

WHEREAS CDBG projects and programs must meet one of three major national objectives: (1) benefit lower income persons; (2) remove blight; or (3) meet an urgent need, and

WHEREAS HOME projects must provide housing or assist in housing for low-income persons, and

WHEREAS ESG projects must provide a service or shelter to benefit homeless persons, and
WHEREAS the Funding Priorities are organized into six categories:

(1) General; (2) Set-asides; (3) Housing; (4) Community Development;
(5) Economic Development; and (6) Human Services, and

WHEREAS the two-year Funding Priorities will begin during the fourth year of the current Consolidated Plan period, which spans fiscal years 2015-2016 to 2019-2020, and currently expires on June 30, 2020; Now, Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

That the City Council does hereby approve the City’s 2018-2019 Funding Priorities Statement for the Annual Action Plan of the City’s Consolidated Plan for Housing and Community Development, attached hereto as Exhibit “A,” said document to be substantially in the form of the proposed 2018-2019 Funding Priorities Statement on file in the office of the City Clerk.

City of Tacoma CDBG, HOME and ESG
Funding Priorities Statement (2018-2019)

All programs and projects must be consistent with Community Development Block Grant (CDBG), HOME Investment Partnership Program (HOME), and any other funding source regulations and requirements as applicable. CDBG projects must meet one of three major criteria: (1) benefitting lower-income persons, (2) removing blight, or (3) meeting an urgent need. HOME projects must provide housing or assist in housing for low-income persons.

The Funding Priorities are organized into six categories: (1) General; (2) Set-asides; (3) Housing; (4) Community Development; (5) Economic Development; and (6) Human Services. Each of the categories is briefly summarized as follows:

1. General Priorities (CDBG and HOME) – Funds will support activities that:
   (a) are consistent with existing plans (e.g. Consolidated Plan, Comprehensive Plan, Human Services Strategic Plan); (b) leverage other funding resources when applicable; (c) can commit funds within 12 to 24 months; (d) are proposed by an organization with a proven capacity for project completion and good management; (e) show reasonable cost effectiveness; and (f) do not require General Fund monies for project operation and maintenance.

2. Set-Aside Priorities – Set aside amounts from the annual CDBG grant:
   (a) up to 50% for housing development & rehabilitation; (b) 15% (HUD Maximum) to support human services; and (c) up to $100,000 for community development (neighborhood improvement projects such as Local Improvement District (“LID”) assistance, sidewalk repair or replacement, and innovative grants).

3. Housing Priorities (CDBG and HOME) – The priorities for Housing activities are: (a) homeownership programs that benefit low-income owners with repairs and rehabilitation; (b) programs that assist first-time homebuyers to purchase a home; (c) program that maintain and expand affordable rental housing for families and the elderly; and (d) programs that provide supportive housing for homeless and/or special needs individuals and families that may include emergency and transitional shelters, and special needs housing with support services. In furtherance of these efforts, staff recommends funding the following low-income housing programs at the
noted funded level: Homeowner occupied Neighborhood Preservation Program which includes single family rehabilitation and energy improvements (CDBG $500,000), Emergency Major Home Repair (CDBG $150,000), and Down Payment Assistance for first time home buyers (HOME $250,000).

4. Community Development Priorities (CDBG only) – The priorities for Community Development are activities that support neighborhood improvements for lower income residents such as: (a) payment of LID assessments for lower income homeowners; (b) street-related improvements such as sidewalk repair or replacement in lower income neighborhoods; (c) eligible neighborhood innovative grant projects; and (d) public facilities.

5. Economic Development Priorities (CDBG only) – The priorities for Economic Development are activities that help increase jobs and business opportunities such as: (a) creation or retention of jobs for lower income persons; (b) business services that support lower income neighborhood and/or lower income groups; (c) financial and technical assistance for disadvantaged persons who own or plan to start a business; and (d) revitalization of blighted or lower income business districts through historic preservation, conservation actions and neighborhood economic development.

6. Human Services Priorities (CDBG and ESG) – In 2011, Human Services funding priorities were updated to align with federal HEARTH legislation and respond to changes in ESG regulations. CDBG funds remained targeted toward low and moderate income persons, with a new emphasis on stabilization services that would support individuals and families to move toward housing and economic stability. A category for youth stabilization services was added in 2015 to reflect the local priority to provide services to unaccompanied youth who are at risk for or currently experiencing homelessness. ESG funds were re-focused on HUD’s new categories of eligible activities, including rapid re-housing. The priorities for human services supported with CDBG and ESG funds are identified below.

CDBG

CDBG funds will support programs that target lower income Tacoma residents, provide stabilization services, and address one of the Funding Priorities listed below. The three funding priorities are of equal importance.
Housing Stabilization Services: Housing and homelessness prevention services for individuals and families at risk of or currently experiencing homelessness, including tailored services that will lead residents toward more stable housing.

Economic Stabilization Services: Services that have a direct connection to increasing the economic stability of lower income Tacoma residents, including increased economic opportunity (e.g. through pre-employment training or job placement).

Youth Emergency Stabilization Services: Housing and intervention/prevention services for unaccompanied youth, up to (and including) age 24, who are at risk of or currently experiencing homelessness.

ESG

ESG funds will be used for programs which support individuals and families who are experiencing or at risk of experiencing homelessness, as defined by the Department of Housing and Urban Development. Ten percent (10%) of the grant will be reserved for expenses related to administration of the grant and reporting through the local Homelessness Management Information System (HMIS). The remainder of the funds will be used for the following components:

Street Outreach: Services related to engaging with unsheltered homeless individuals and families and connecting them with emergency shelter, housing, or critical services.

Emergency Shelter: Operations and essential services associated with provision of emergency shelter to homeless individuals and families.

Rapid Re-housing: Rental assistance and stabilization services to help individuals and families who are currently homeless into permanent housing and stability.

Homelessness Prevention: Rental assistance and stabilization services to prevent individuals and families who are at risk of homelessness from losing their housing.
RESOLUTION NO. 39876

BY REQUEST OF COUNCIL MEMBERS BLOCKER, CAMPBELL, AND WALKER LEE

A RESOLUTION authorizing the use of City Council Contingency Funds, in the amount of up to $50,000 to support a pilot project to assist tenants and provide incentives to landlords who accept Section 8 Housing Vouchers; create funds for landlord damage reimbursements; assist tenants with screening fees and security deposits; and, directing the City Manager to negotiate an agreement with the Tacoma Housing Authority outlining the scope of work and deliverables, and to study adding source of income as a protected class in rental regulations.

WHEREAS, as part of the homeless health emergency declaration and increased cost of living in the Tacoma area, the City Council has discussed strategies to encourage affordable housing, including incentives for landlords to accept Section 8 Housing Vouchers from the Tacoma Housing Authority ("THA"), and assisting tenants with security deposits and screening fees, and

WHEREAS, according to the THA, as many as 40 percent of new voucher recipients in 2016 had to return their vouchers because they could not secure housing in the time allotted; that percentage dropped to 22 percent in 2017, and

WHEREAS this decrease was not because more housing became available, but rather because THA is giving families more time to look for housing; it sometimes takes over four months for new voucher holders to secure housing, and

WHEREAS, at the November 14, 2017 Study Session, Council Member Walker Lee shared a Council Consideration Request, sponsored by Council Members Blocker and Campbell, to support a pilot project with the THA to assist tenants and provide incentives to landlords who accept Section 8 Housing Vouchers, and
WHEREAS THA's suggestions for a pilot program are to establish the following incentives:

1. Signing bonus for landlords who make units available to Section 8 tenants: A one-time cash incentive for landlords who make units that have not previously been available to Section 8 tenants available to them.

2. Creation of a landlord damage fund: This fund would act as an insurance policy for landlords if their properties were to become damaged by Section 8 tenants. The fund would likely only provide reimbursements for amounts in excess of the tenant’s security deposit and any other insurance payments, as well as include a cap on what that amount would be.

3. Creation of a fund to assist tenants with screening fees and security deposits: Screening fees and security deposits are an ongoing barrier for low-income households.

4. Request City staff examine the feasibility of adding source of income as a protected class over the next year: This strategy would request the City’s Office of Equity and Human Rights (“OEHR”), along with the Human Rights Commission, to look at the feasibility of making it illegal for landlords to discriminate on the basis of where tenants obtain their income. Implementing this policy would take an extensive outreach and education campaign, as well as community engagement, and would necessitate OEHR staff to begin developing a timeline for implementation to be presented to the Community, Vitality, and Safety Committee in 2018, and
WHEREAS RCW 35.33.145 and 35.34.250 authorize a withdrawal from the Contingency Fund for any municipal expense, the necessity or extent of which could not have been foreseen or reasonably evaluated at the time of adopting the budget, and

WHEREAS the City Council’s request to use funds from the Contingency Fund for a pilot project to provide incentives to landlords who accept Section 8 Housing Vouchers is necessary and could not have reasonably been foreseen or evaluated at the time the City Council adopted the budget, and

WHEREAS Ordinance No. 22569 requires an affirmative vote of not less than six members of the City Council in order to withdraw moneys from this fund; Now, Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:
Section 1. That one-time funding in the amount of up to $50,000, budgeted from the City Council Contingency Fund, is hereby approved for the purpose of supporting a pilot project to assist tenants and provide incentives to landlords who accept Section 8 Housing Vouchers; create funds for landlord damage reimbursements; assist tenants with screening fees and security deposits; and
Section 2. That the City Manager is hereby directed to negotiate an agreement with the THA for the purposes hereinabove enumerated; and, to study adding source of income as a protected class in rental regulations.

Now, Therefore,
BE IT ORDAINED BY THE CITY OF TACOMA:

Section 1. Definitions. For the purposes of this Franchise, the following terms, phrases, words, and their derivations shall have the meaning given herein; words not defined herein which are defined in Title 16B of the Tacoma Municipal Code ("TMC"), shall have the same meaning or be interpreted as provided in Title 16B. Words not defined here or in Title 16B shall be construed consistently with Title 47 of the United States Code, and if not therein, they shall have their common and ordinary meaning. A reference to any Title of the TMC or to the Tacoma City Charter refers to the same as may be amended from time to time. Any reference to a “party” hereunder shall mean the City or Franchisee, as applicable, and a reference to the “parties” shall mean collectively the City and Franchisee.

1.1 “City” means the City of Tacoma, a municipal corporation of the state of Washington, and all departments, divisions, and agencies thereof, including Tacoma Public Utilities.

1.2 “City Manager” means the City Manager or the City Manager’s designee.

1.3 “Communications System” refers to a telecommunications system.

1.4 “Construction, operation, or maintenance” and similar formulations of these terms mean the named actions interpreted broadly, encompassing, among other things, installation, extension, maintenance, replacement, or components thereof, relocation, undergrounding, grading, site preparation, adjusting, testing, make-ready, and excavation.
1.5 “Customer” means any Person or entity who legally receives within the corporate limits of the City any one or more of the services provided by the Telecommunications System. The definition of “Customer” shall also include Persons who use Franchisee’s Facilities, whether as lessees or through other arrangement.

1.6 “Facilities” or “Installations” are and refer to and include, but are not limited to, plant, systems, improvements, and equipment owned, leased, installed, operated, maintained, or otherwise used by Franchisee, such as antennae, poles, fiber, wires, fixtures, equipment, underground circuits, and conduit in Public Rights-of-Way and other property necessary or convenient for the transmission and distribution of communications service where such facilities are located. “Facilities” or “Installations,” when used without a modifier, encompasses both Overhead Facilities/Installations and Underground Facilities/Installations. Nothing in this definition, or anything else in this Franchise shall be interpreted as authorizing Franchisee to construct its own support system for Overhead Facilities or any other above-ground Facilities in the Franchise Area without the additional authorizations required herein below and as proscribed by City zoning and land use regulation ordinances.

1.7 “Franchise” means the rights expressly granted by this Franchise and conditioned as set forth herein and under the TMC and City Charter.

1.8 “Franchise Area” means that area within the present and future corporate limits of Tacoma.
1.9 “Franchisee” means WA-CLEC LLC, a Delaware limited liability company registered to do business in the state of Washington with its principal office located at 2000 Corporate Drive, Canonsburg, PA 15317.

1.10 “Gross Receipts,” for purposes of this Franchise, means any and all receipts or income received directly or indirectly by Franchisee, which is derived from the operation of its System in the City, less uncollectibles. Gross Receipts shall include, by way of example and not limitation, revenues from its Telecommunications Service, all fees, late fees, installation and connection fees, upgrade and downgrade fees, and rental fees. The term Gross Receipts shall not include any taxes on services furnished by Franchisee imposed by any municipality, state, or other governmental unit and collected by Franchisee for such governmental unit, nor shall the term include any wholesale services provided by Franchisee upon which fees or taxes have already been levied within the City of Tacoma.

1.11 “Operator,” when used with reference to a System, refers to a Person (a) who provides service over a Communications System and directly or through one or more affiliates owns a significant interest in such facility; or (b) who otherwise controls or is responsible for, through any arrangement, the management and operation of such a facility. A Person that operates under agreement of a Telecommunications System or a specific portion of a Telecommunications System to provide Telecommunications Services shall be treated as an Operator for purposes of this Franchise.
1.12 “Overhead Facilities” refers to existing electric utility and communications Facilities located above the surface of the ground, including the underground supports and foundations for such Facilities.

1.13 “Person” includes any individual, corporation, partnership, association, joint stock company, trust, or any other legal entity, but not the City for purposes hereof.

1.14 “Personal Wireless Facilities” are Facilities which are above ground such as transmitters, antenna structures, and other types of installations, whether related to wireless or fiber/optic transmission, now or hereafter used for the provision of personal wireless services as that term is defined in Section 704 of the 1996 Telecommunications Act.

1.15 “Public Rights-of-Way” mean the public streets and easements over which, under the City Charter, the TMC, City ordinances, and applicable laws, the City has authority to grant Franchises, permits, or Licenses for use thereof or has regulatory authority there over, but expressly excluding railroad rights-of-way/crossings, airport, and harbor areas. Public Rights-of-Way, for the purpose of this Franchise, also do not include buildings, parks, poles, conduits, or similar facilities or property owned by or leased to the City, including, by way of example and not limitation, structures in the Public Rights-of-Way such as utility poles and light poles.

1.16 “System” means the Telecommunications System.

1.17 “Telecommunications Service” or “Service” means the transmission for hire of information in electronic, optical form, or by wireless transmission, including,
but not limited to, voice, video, or data, whether or not the transmission medium is
owned by the provider itself. Telecommunications Service includes telephone
service, but does not include cable TV or commercial video service or over-the-air
broadcasts to the public-at-large from facilities licensed by the Federal
Communications Commission or any successor thereto.

1.18 “Telecommunications System” means a tangible facility that is used to
provide one or more Telecommunications Services, any portion of which occupies
Public Rights-of-Way. The term Telecommunications System, by way of example
and not limitation, includes antennae, wires, equipment cabinets, guys, conduit,
radio transmitting towers, poles, other supporting structures, and associated and
appurtenant facilities used to transmit telecommunications signals. The term
Telecommunications System includes all devices mounted on light poles (where
separately authorized by an attachment agreement) in the Public Rights-of-Way
through which Telecommunications Services are originated or terminated. An
Open Video System is not a Telecommunications System to the extent that it
provides only video services; a Cable System is not a Telecommunications System
to the extent that it provides only Cable Service. The term Telecommunications
System includes any of the tangible components of a Telecommunications System
which occupies Public Rights-of-Way, but poles and other structures to which
Franchisee’s Facilities are attached shall not be deemed to be part of Franchisee’s
Telecommunications System unless such poles or other structures are owned by
Franchisee.
1.19  “Telephone Service” means the provision of access to a local telephone network, local telephone network switching service, intrastate toll service, or coin telephone service, or providing telephonic, video, data, or similar communication or transmission for hire via a local telephone network, toll line, channel, cable, microwave, or similar communication or transmission system by any person. Telephone Service includes intrastate or interstate service, including toll service, originating from, or received on, communications equipment or apparatus in this State if the charge for the service is billed to a person in this State. Telephone Service does not include the providing of Competitive telephone service as defined in TMC 6A.40.030, the providing of cable television service, or the providing of broadcast services by radio or television stations.

1.20  “Underground Facilities” refers to electric utility and Communications Facilities located under the surface of the ground, excluding the underground foundations or supports for Overhead Facilities.

Section 2. Franchise.

2.1 Grant of Franchise. The City hereby grants to Franchisee a non-exclusive Franchise which, once it becomes effective, shall authorize Franchisee to use the City’s Public Rights-of-Way within the Franchise Area to construct, maintain, and operate a fiber optic/wireless Telecommunication System to provide Telecommunication Service and internet access service, and to use the City’s Public Rights-of-Way as authorized herein. This grant of Franchise does not, by itself, grant any right to construct, operate, or maintain any new, above-ground Facilities without prior City approval, which will require additional permitting.
and/or an additional site specific or master siting agreement, in conformance with City zoning and land use ordinances and applicable state laws.

This grant is subject to and must be exercised in strict accordance with and subject to this Franchise Agreement, Title 16B, and other applicable provisions of the TMC and Tacoma City Charter, including, but not limited to, the provisions set forth in Article VIII of the Charter, and TMC Title 13, and this Franchise may be revoked under Section 2.5 if it is not so exercised. The exercise of any rights pursuant to this Franchise is subject to the exercise of the City’s police powers, and other regulatory powers as the City may have or obtain in the future, and all rights granted herein must be exercised in strict accordance with applicable laws, including, by way of example and not limitation, zoning codes and permitting requirements. No rights shall pass to Franchisee by implication. This Franchise shall constitute both a right and an obligation to provide or cause to be provided the services of the Telecommunications System as required by the provisions of this Franchise.

The grant of this Franchise is limited to the purpose of Franchisee providing or causing to be provided Telecommunications Service and internet access service. This Franchise does not include permission to provide cable service as defined in 47 U.S.C. § 522, multichannel video programming, open video systems, or uses other than Telecommunications Service.

Notwithstanding the above grant to use Public Rights-of-Way, no Public Rights-of-Way shall be used by Franchisee if the City, in its opinion, determines that such use is inconsistent with the terms, conditions, or provisions by which
such Public Right-of-Way was created or dedicated, or presently used under applicable laws.

In the event of any conflict or inconsistency between a provision in this Franchise and any provision of the Tacoma City Charter, which Charter is incorporated herein by reference, the applicable provision of the City Charter shall control over any inconsistent provision of this Franchise.

2.2 Franchise Term. The term of the Franchise shall be ten years unless terminated sooner in accordance with this Franchise, Title 16B, or the Tacoma City Charter. At the expiration of the term, Franchisee may apply to extend or renew the Franchise as provided in Title 16B.02.100.

2.3 Franchise Non-Exclusive. The Franchise granted herein shall be non-exclusive.

2.4 Transfers, Generally.

A. Any transfer of this Franchise, as the term “Transfer” is defined in TMC Title 16B.01.030.Y, shall be accomplished in accordance with TMC Title 16B.02.120. Any intra-company Transfer of this Franchise shall be excepted from the requirements of TMC Title 16B.02.120.A-B if such Transfer and the Transferee Affiliate meet all of the requirements of TMC Title 16B.02.120.F (or any successor ordinance). Any Transfer not made in accordance with TMC Title 16B.02.120 may be considered a substantial violation of this Franchise by the City and may subject the Franchise to termination proceedings by the City as provided herein and in Title 16B.
B. Applications for approval of any Transfer shall be filed in accordance with procedures set out in Title 16B of the TMC.

C. Franchisee shall, within 60 days of the closing date of any Transfer, file with the City Clerk a copy of the deed, agreement, contract, mortgage, lease, SEC filing, or other written instrument evidencing such Transfer, certified and sworn to as correct by Franchisee, subject to any confidentiality provisions in any such document. Every such Transfer, whether voluntary or involuntary, may be deemed void and of no effect as to the effectiveness of this Franchise by the City unless Franchisee files the required copy within the 60-day period.

D. The requirements of this section shall not be deemed to prohibit the use of Franchisee’s property as collateral for security in financing the construction or acquisition of all or part of the Telecommunications System franchised hereunder, provided that no such security shall purport to attach to the City’s real property interest in the Public Right-of-Way or any other City interest. In addition, no such arrangement may be made if it would in any respect under any condition prevent the Operator or any successor from complying with the Franchise and applicable law. Any mortgage, pledge, or lease shall be subject to and subordinate to the rights of the City under this Franchise, and other applicable law.

2.5 Revocation. In addition to any rights set out elsewhere in this Franchise, the City Charter, or Title 16, subject to the notice and cure provisions contained in Title 16B, Section 16B.05.100, the City reserves the right to declare
a forfeiture or otherwise revoke this Franchise, and all rights and privileges
pertaining thereto, as provided in Title 16B or in the event that:

A. Franchisee is in non-compliance with a material provision of this
Franchise; or

B. Franchisee is found to have engaged in any actual or attempted
fraud or deceit upon the City, Persons, or Customers in the City; or

C. Franchisee fails to obtain and maintain any permit required by
any federal or state regulatory body or by the City, relating to the construction,
maintenance, and operation of the Facilities within the Public Rights-of-Way within
the Franchise Area; or

D. At any time during the term of the Franchise, Franchisee fails to
provide and maintain all of the securities required under this Franchise, including,
but not limited to, the performance bond required under this Franchise; fails to
maintain the insurance required by this Franchise; or fails to satisfy the indemnity
set out in this Franchise; or if any guarantor of Franchisee revokes its guarantee or
fails to satisfy or becomes unable to satisfy its obligations under such guarantee.

E. The procedures for revocation and forfeiture shall be governed by
Title 16B, Section 16B.05.100. Before the Franchise is revoked, Franchisee shall
be given notice and opportunity to cure at least equivalent to that required by
Title 16B as of the effective date of this Franchise (except in those cases where
notice and opportunity to cure are not required or would be futile), and shall be
accorded at least an opportunity to be heard that provides at least the due process
protections required by Title 16B as of the effective date of this Franchise, which opportunities and protections are set out in Section 2.5.F, below.

F. (1) Where, after notice and providing Franchisee an opportunity to be heard (if such opportunity is requested by Franchisee), the City finds that there has been an act or omission that would justify revocation of the Franchise, the City may make an appropriate reduction in the remaining term of the Franchise or revoke the Franchise. However, the Franchise may only be revoked if Franchisee (a) was given written notice of the default; and (b) 30 days to cure the default; and (c) Franchisee failed to cure the default, or to propose a schedule for curing the default acceptable to the City where it is impossible to cure the default in 30 days. The required written notice shall be given before the City conducts the proceeding required by this paragraph. No opportunity to cure is required for repeated violations of material provisions of the Franchise, and fraud shall be deemed incurable.

(2) Notwithstanding the foregoing, the City may declare a Franchise forfeited without opportunity to cure when Franchisee: (a) fails to begin to exercise its rights hereunder within 45 days of Franchisee’s acceptance of this Franchise, (b) stops providing or causing to be provided all Service it is required to provide or cause to be provided under this Franchise, (c) Transfers without the prior consent of the City as and when required in the Franchise, or (d) is found by a court or regulatory body with appropriate jurisdiction to have defrauded or attempted to defraud the City or Franchisee’s Customers within the City.

Notwithstanding the provisions of Title 16B.05.100.C.2, if Franchisee fails to timely
pay any undisputed Franchise application/administrative fees or other undisputed fees owed hereunder or under Title 16B, before the City can initiate any termination or forfeiture of rights, Franchisee shall be provided with ten (10) business days’ prior written notice and an opportunity to cure the failure to pay. However, Franchisee shall have the right to receive 30 days’ prior notice of an intent to declare a Franchise forfeited, and shall have the opportunity to show cause why the Franchise should not be forfeited.

(3) Notwithstanding the foregoing and only to the extent permitted by applicable law, the Franchise will automatically terminate by force of law 120 calendar days after an assignment for the benefit of creditors or the appointment of a receiver or trustee to take over the business of Franchisee, whether in a receivership, reorganization, bankruptcy, assignment for the benefit of creditors, or other action or proceeding. However, the Franchise may be reinstated within that 120-day period, if: (a) such assignment, receivership, or trusteeship has been vacated; or (b) such assignee, receiver, or trustee has fully complied with the terms and conditions of Title 16B and this Franchise and has executed an agreement, approved by any court having jurisdiction, assuming and agreeing to be bound by the terms and conditions of Title 16B and this Franchise. However, in the event of foreclosure or other judicial sale of any of the facilities, equipment, or property of Franchisee, the City may revoke this Franchise, following a public hearing before the City Council, by serving notice upon Franchisee and the successful bidder at the sale, in which event the Franchise and all rights and privileges of this Franchise will be revoked and will terminate 30 calendar days
after serving such notice, unless: (a) the City has approved the Transfer of the
Franchise to the successful bidder in writing; and (b) the successful bidder has
covenanted and agreed in writing with the City to assume and be bound by the
terms and conditions of this Franchise and Title 16B.

2.6 Continuity of Service and Right to Purchase the System.

A. In the event the City has declared a forfeiture for cause or
otherwise validly revoked this Franchise as provided herein, or in the event of
expiration of the initial term of this Franchise without this Franchise being renewed
or extended as provided in Section 2.2 (referred to below collectively as a
“termination”), Franchisee shall remove its Facilities from the Public Rights-of-Way
under Section 2.7, unless the City elects to purchase the Facilities as provided in
Section 2.6.B.

B. In the event the City has declared a forfeiture for cause or
otherwise validly revoked this Franchise as provided herein, or in the event of
expiration of the initial term of this Franchise without this Franchise being
renewed or extended as provided in Section 2.2 (referred to below collectively
as a “termination”), the City shall have an option upon termination of the
Franchise to purchase that portion of the Telecommunications System located in
the Right-of-Way owned by Franchisee, whether termination is, or is not, for
cause. This option requires Franchisee to convey the Telecommunications
System or such portion thereof as the City may choose to purchase, provided,
that nothing herein shall require the City to accept or pay for any contract that it
does not wish to assume. Franchisee is not required to convey portions of the
Telecommunications System not located in the Right-of-Way, located outside the City, or that is leased or used (but not owned) by Franchisee from a third party pursuant to a tariff or contract. The foregoing option also requires Franchisee to sell the Telecommunications System owned by Franchisee and located in the Right-of-Way or such portion thereof as the City may choose to purchase at a fair market price, if the Franchise is terminated for cause. If Franchisee’s request for a Franchise renewal is denied, the option requires Franchisee to sell the Telecommunications System owned by Franchisee and located in the Right-of-Way, or such portion thereof as the City may choose to purchase, at fair market value, determined on the basis of the value of the Telecommunications System as a going concern (taking into account such property used and useful in providing service within the City that is not to be conveyed) and with no value allocated to the Franchise itself.

C. The City may exercise its Section 2.6.B option rights in the following manner: the City will first give Franchisee written notice of its intent to purchase the Telecommunications System or a portion of the Telecommunications System and request an inventory of the System or portion specified in the City of Tacoma. Thereafter, Franchisee shall sixty (60) days to produce the requested inventory and the City shall have up to 180 days after receiving the inventory to notify Franchisee that it intends to continue with the exercise of its right to purchase the Telecommunications System or a portion of the Telecommunications System. Within 90 days of the date the City notifies Franchisee of its intent to exercise the option, or by such other time as the parties may separately agree, the
parties shall meet to establish a price that comports with the requirements of Section 2.6.B. If the parties are unable to agree to a price within 180 days after the City notifies Franchisee that the City intends to exercise its purchase option, either party may require the price to be set by appraisal by sending the other party notice that it wishes to have the price set by appraisal. Within 45 days of the date that notice is submitted, each party may appoint one appraiser. If each party appoints an appraiser, the two appraisers shall appoint a third appraiser; if only a single appraiser is appointed (whether by mutual agreement or because of the failure of a party to timely nominate an appraiser) that appraiser shall be the sole appraiser. The appraiser or appraisers shall establish a price for the System or portion thereof that the City desires to purchase in accordance with Section 2.6.B. This appraisal determination shall be final and non-appealable. The City shall have 120 days after the decision of the appraisers to notify Franchisee that it wishes to conclude the transaction; if it does not so notify Franchisee, the option shall be deemed terminated.

If the City gives the notice required by the preceding paragraph, the parties will thereafter promptly sign all necessary documents required to close the transaction; provided, however, that the City may make conclusion of the transaction conditional upon any necessary voter approval of any bond funding for acquisition of all or a part of the System and, if applicable, the successful sale of the bonds.

The City and Franchisee will share equally the costs associated with any appraiser that is jointly appointed (by them or by the appraisers each selects);
the City will bear costs associated with any appraiser that it separately appoints and Franchisee will bear costs associated with any appraiser that it separately appoints.

D. (1) Nothing in this section or in any other section of this Franchise shall prevent the City’s exercise of its rights under the Tacoma City Charter. Included within the rights granted under Tacoma’s Charter is the right to purchase or condemn Franchisee’s property within the Franchised Area at any time, which right is expressly set out in Section 8.1(c) of the Charter as follows:

To acquire by purchase or condemnation, for the use of the city itself or its inhabitants, all of the property of the grantee within the public streets, alleys, or places at a fair and just value, which shall not include any valuation of the franchise, right, or privilege, which shall thereupon be terminated.

(2) Likewise, nothing in this section or in any other section of this Franchise shall be read to limit the City’s right to acquire the Telecommunications System through exercise of any right of eminent domain under state law.

(3) Nothing in this section shall be read to limit the City’s right to acquire the Telecommunications System as a result of abandonment.

E. In the event the City purchases, acquires, takes over, or holds all or parts of the System, the City shall have the right, without limitation, to assign, sell, lease, or otherwise transfer its interest in all or parts of such System to any other Person or entity, including any other Franchisee of a Telecommunications System, on whatever terms the City deems appropriate.
2.7 Right to Require Removal of Property/Right to Remove Property.

A. Upon termination of this Franchise, Franchisee may be required to remove its property from any Public Rights-of-Way and restore such Rights-of-Way to the condition required by the TMC and City’s Right-of-Way Restoration Policy, subject to any rights Franchisee may have to abandon property in place, as set out in Title 16B. If Franchisee fails to remove property that the City requires it to remove, the City may perform the work and collect the actual cost thereof from Franchisee. The actual cost thereof, including direct and indirect administrative costs, shall be a lien upon all plant and property of Franchisee effective upon filing of the lien with the Pierce County Auditor. In the event that Franchisee is permitted to abandon its Facilities in place, the City acknowledges that any ownership it takes in the Facilities thereafter is taken on an AS-IS, WHERE-IS basis.

B. To the extent any portion of the System in the Public Rights-of-Way or on any other public property of the City is not removed by the Operator within 12 months of the end of the Franchise term, the property will be deemed abandoned in its AS-IS, WHERE-IS condition and shall become the property of the City if the City wishes to own it.

C. Any order by the City issued pursuant to Section 2.7.A to remove Facilities shall be sent by registered or certified mail, postage prepaid, return receipt requested, to Franchisee not later than 24 months following the date of Franchise termination. Removal shall be completed (except with respect to
property that Franchisee is permitted to abandon in place) not later than 12 months following the date of notification to remove the Facilities.

D. Franchisee shall file a written removal plan with the City not later than 30 calendar days following the date of the receipt of any orders directing removal, or any consent to removal describing the work that will be performed, the manner in which it will be performed, and a schedule for removal by location. The removal plan shall be subject to approval and regulation by the City, including, without limitation, the City’s Right-of-Way Restoration Policy. The affected property must be restored in compliance with the City’s Right-of-Way Restoration Policy; and any damage caused by Franchisee’s removal must be addressed/compensated to the reasonable satisfaction of the City.

E. The purchase option provided for in Section 2.6 does not affect the City’s authority to require Franchisee to remove any portion of its Telecommunications System that the City will not purchase upon Franchise termination, as provided in this section and Title 16B, nor does it affect the City’s right to assume ownership of any portion of the Telecommunications System that is abandoned. Within 60 days of a request by the City, Franchisee shall execute such documents as may be required to convey such abandoned property to the City, free and clear of all encumbrances.

2.8 Intentionally Omitted.

2.9 Responsibility for Costs. Except as expressly provided otherwise, any act that Franchisee is required to perform under this Franchise shall be performed at its cost. If Franchisee fails to perform work that it is required to perform within
the time provided for performance, the City, after first providing notice and an
opportunity to cure as herein provided, may perform the work and bill Franchisee
the actual cost thereof. Franchisee shall pay the amounts billed within 30 days of
receipt of an itemized bill. The parties agree that any amounts paid pursuant to
this section or Title 16B are not franchise fees.

2.10 Work of Contractors and Subcontractors. Work by contractors and
subcontractors is subject to the same restrictions, limitations, and conditions as if
the work were performed by Franchisee. Franchisee shall be responsible for all
work performed by its contractors and subcontractors, and others performing work
on its behalf as if the work were performed by it, and shall ensure that all such
work is performed in compliance with this Franchise and Title 16B, and other
applicable laws, including, without limitation, the City’s Right-of-Way Restoration
Policy. Franchisee and its contractors and subcontractors shall be jointly and
severally liable for all damages and correcting all damages they cause. It is
Franchisee’s responsibility to ensure that contractors, subcontractors, or other
Person(s) performing work on Franchisee’s behalf are familiar with the
requirements of this Franchise, Title 16B, the City’s Right-of-Way Restoration
Policy, and other applicable laws governing the work performed by them.

2.11 Survival of Terms. Upon the termination or forfeiture of the Franchise,
Franchisee shall no longer have the right to occupy the Public Rights-of-Way for
the purpose of providing Telecommunications Service. However, Franchisee’s
obligations to the City (other than the obligation to provide service or cause such
service to be provided to Customers) survive the expiration of these rights
according to their terms. By way of illustration and not limitation, Sections 2.6, 2.7, 2.9, 2.10, and 4 of this Franchise shall continue in effect as to Franchisee notwithstanding any expiration, forfeiture, or revocation of the Franchise, except to the extent that a City-approved Transfer, sale, or assignment of the Telecommunications System is completed and another entity has assumed full and complete responsibility for the Telecommunications System or for the relevant acts or omissions.

2.12 Termination by Franchisee. Franchisee may terminate this Franchise, with or without cause, upon sixty (60) days’ written notice of its intent to so terminate. Upon termination, Franchisee shall accrue no further obligations hereunder, but any obligations accrued prior to termination shall remain, as shall obligations that by their terms survive the termination hereof.

3.1 Use of Public Rights-of-Way. Franchisee may, subject to the terms of this Franchise and TMC Titles 16B and 13, the City’s Right-of-Way Restoration Policy, and other applicable laws, enter onto and use the Public Rights-of-Way to construct, operate, and maintain a Telecommunications System in Public Rights-of-Way within the Franchise Area, to provide, or cause to be provided, Telecommunications Services and internet access services. Under this Franchise, Franchisee may also construct Personal Wireless Facilities, but may only do so after obtaining an additional site-specific or master siting agreement from the City for such Personal Wireless Facilities. Without limiting the foregoing, Franchisee expressly agrees that it will construct, operate and maintain its System in
compliance with the requirements of the TMC, including, but not limited to,
Title 16B and Title 13 zoning and land use regulations governing the placement of
its Telecommunications System; and will obtain and maintain all bonds and billable
work orders required by the same.

3.2 Construction, Operation, or Maintenance. Franchisee shall, in all
cases, comply with all lawful City ordinances and regulations now in effect or
hereinafter enacted regarding the acquisition of permits and such other items as
may be required by the City in connection with the construction, operation, or
maintenance of the Telecommunications System, including, without limitation, the
City’s Right-of-Way Restoration Policy.

Without limiting the foregoing, Franchisee agrees that it shall, in the course
of constructing, operating, and maintaining its Telecommunications System,
comply with the requirements of Titles 16B and 13, and among other things:

A. (1) Franchisee shall, by a time specified by the City, protect,
support, temporarily disconnect, relocate, or remove any of its property when
required by the City by reason of traffic conditions; public safety; Public
Rights-of-Way construction; Public Rights-of-Way repair (including resurfacing or
widening); change of Public Rights-of-Way grade; construction, installation or
repair of sewers, drains, water pipes, power lines, signal lines, tracks, or any other
type of government-owned Communications System, public work, public project,
public facility, or improvement or any government-owned utility; Public Rights-of-
Way vacation; or for any other purpose where the work involved would be aided by
the removal or relocation of the Telecommunications System. Collectively, such matters are referred to below as the “public work.”

(2) In the event of an emergency, or where the Telecommunications System creates or is contributing to an imminent danger to health, safety, or property, the City may protect, support, temporarily disconnect, remove, or relocate any or all parts of the Telecommunications System without prior notice, and charge Franchisee for actual costs incurred.

(3) In the case of non-public work, if any Person that is authorized to place Facilities in the Rights-of-Way requests Franchisee to protect, support, temporarily disconnect, remove, or relocate Franchisee’s facilities to accommodate the construction, operation, or maintenance of the facilities of such other Person, Franchisee shall, after 30 days’ advance written notice, take action to effect the necessary changes requested. In the case of non-public work or non-public projects, unless, and to the extent, the matter is governed by a valid contract between Franchisee and such Person requesting Franchisee to take action under this subsection (3) or governed by a valid state or federal law or regulation, or unless Franchisee’s Telecommunications System was not properly installed, the reasonable cost of the same shall be borne by the Person requesting the protection, support, temporary disconnection, removal, or relocation and at no charge to the City, even if the City makes the request for such action.

(4) Franchisee shall, on the request of any Person holding a valid permit issued by a governmental authority, temporarily raise or lower its wires to permit the moving of buildings or other objects. The expense of such temporary
removal or raising or lowering of wires shall be paid by the Person requesting the
same.

B. Franchisee’s obligation to construct, operate, and maintain its
Telecommunications System in compliance with all applicable laws, ordinances,
departmental rules and regulations, and published or otherwise readily available
practices affecting such System, includes, by way of example, and not limitation,
the obligation to construct, operate, and maintain in accordance with zoning codes,
safety codes, and City construction standards, including the most current version
of the Standard Specifications for Road, Bridge, and Municipal Construction, as
prepared by the Washington State Department of Transportation (“WSDOT”) and
the Washington State Chapter of American Public Works Association (“APWA”);
the most current version of the APWA Amendments to Division One; and the most
current version of the City of Tacoma Amendments thereto. In addition, the
construction, operation, and maintenance shall be performed in a manner
consistent with industry standards. Franchisee shall exercise reasonable care in
the performance of all its activities and shall use commonly accepted methods and
deVICES for preventing failures and accidents that are likely to cause damage,
injury, or nuisance to the public or to property. In the event that Franchisee’s work
or other use of the Public Rights-of-Way causes damage to any City facility,
Franchisee shall bear the cost of repairing, or replacing as necessary, such City
facility.

C. Franchisee’s construction, operation, or maintenance of its
Telecommunications System shall not commence until all required permits or
agreements have been properly filed for and obtained from the proper City officials and all required permits and agreements obtained and associated fees paid. In any permit so issued, the City may impose, as a condition of the granting of the permit, such conditions and regulations as may be necessary to the management of the Public Rights-of-Way, including, by way of example and not limitation, for the purpose of protecting any structures in the Public Rights-of-Way, maintaining proper distance from other utilities, for the proper restoration of such Public Rights-of-Way and structures, and for the protection of the City and the public and the continuity of pedestrian and vehicular traffic.

D. Franchisee must follow City-established requirements for placement of Facilities in Public Rights-of-Way, including the specific location of all Facilities, which includes, without limitation, Personal Wireless Facilities, in the Public Rights-of-Way, and must in any event install Facilities in a manner that minimizes interference with the use of the Public Rights-of-Way by others, including others that may be installing Communications Facilities.

The City may require that Facilities be installed at a particular time, at a specific place, or in a particular manner as a condition of access to a particular Public Right-of-Way area; may deny access if Franchisee is not willing to comply with the City’s requirements; and may remove, or require removal of, any Facility that is not installed in compliance with the requirements established by the City, or which is installed without prior City approval of the time, place, or manner of installation and charge Franchisee for all the costs associated with removal; and may require Franchisee to cooperate with others to minimize adverse impacts on
the Public Rights-of-Way through joint trenching and other arrangements consistent with requirements the City imposes on other similarly situated franchisees or users of the Public Rights-of-Way.

E. Franchisee agrees that, as a condition of a permit for installation of conduit, the City may require it to install conduit in excess of its reasonably foreseeable requirements for the purpose of accommodating the City where the City Manager determines it is appropriate to do so to minimize disruption of public passage or infrastructure, to forestall or relieve exhaustion of Right-of-Way capacity, or to protect environmentally sensitive areas; provided, that the City will be responsible for the additional costs, including material and labor, associated with installing such excess conduit if installed for City use; and provided further, that City’s use of any such excess conduit is limited to non-commercial, governmental uses.

F. To the extent possible and technically and operationally feasible, Franchisee shall use conduit existing at the time of permitting in installing its System.

G. Subject to subsection G(3) below, and recognizing that Franchisee’s intended Personal Wireless Facilities are intended to be located above-ground, Franchisee shall be subject to the requirement that whenever all existing utilities are located underground in an area in the City, Franchisee, at its own cost, must also locate its Telecommunication System underground, including Telecommunication System Facilities, such as drops, which cross private property.
(1) Whenever the owners of poles locate or relocate underground within an area of the City, Franchisee shall concurrently relocate its Facilities underground at its own cost.

(2) Whenever an electric utility opens a trench for the purpose of installing or relocating Facilities underground, Franchisee shall concurrently relocate its Facilities underground and, if it uses the same trench, be responsible for its pro-rated share of the cost.

(3) The City Manager may, for good cause shown, exempt a particular portion of the Telecommunication System from the obligation to locate or relocate Facilities underground, where relocation is impractical, where the Facilities, due to the nature of their function must be above-ground, or where the interest in protecting against visual blight can be protected in another manner.

Nothing in this Section 3.2.G prevents the City from ordering Franchisee to locate or relocate its Telecommunication System, either underground, or to a mutually agreed upon above-ground location, when other existing utilities in an area are ordered to locate or relocate their facilities underground under other provisions of the TMC, it being the intent that the number and extent of Overhead Facilities and the visual pollution resulting therefrom will, over time, be reduced and eventually, to the extent feasible, be eliminated.

H. Subject to subsection G(3) above, Franchisee shall participate in conversion to underground Local Improvement Districts ("LIDs") at the same time as other utilities are required to participate in conversion to underground LIDs. Franchisee, at no cost to the City or abutting property owners, shall share fairly
with other utilities the cost of undergrounding when done through the LID process. As part of its obligations under the TMC, Franchisee shall provide the preliminary cost estimate, facility conversion designs, and final cost estimates to any LID project coordinator in a timely manner. At the request of an LID project coordinator, Franchisee shall perform underground construction and movement of Customer connections underground (overhead reclaim), in coordination with the undergrounding services provided by other LID utilities, at no cost to the City or abutting property owners.

I. Franchisee shall promptly repair any and all Public Rights-of-Way, public property, or private property that is disturbed or damaged during the construction, operation, or maintenance of its Telecommunications System. Public property and Public Rights-of-Way must be restored in conformance with the City’s Right-of-Way Restoration Policy.

J. No tree trimming shall be performed without the permission of the City and other affected authorities, and any tree trimming must be performed in strict accordance with the TMC. Even if tree trimming is authorized by the City, Franchisee is liable for any damage it causes during the course of tree trimming.

K. In any dispute over the adequacy of a restoration relative to this section, the Tacoma Department of Public Works Director shall, in his/her sole discretion, make the final determination.

L. Franchisee shall not remove any Facilities except as hereinafter provided.
(1) Franchisee shall not remove any Facilities which require trenching or other opening of the Rights-of-Way along the extension of the Facilities to be removed without the express permission of the City, which permission shall not be unreasonably withheld, conditioned, or delayed. Franchisee must request permission from the City to remove the Facilities at least 30 days in advance of the date Franchisee proposes to begin removal.

(2) Franchisee shall remove such Facilities as the City orders it to remove; provided, that the City may not order removal where such removal is primarily to give economic benefit or advantage to a competing provider of Telecommunications Service.

(3) Where trenching or other opening of the Rights-of-Way along the extension of Facilities to be removed is required, Franchisee must post bonds as the City may require ensuring that the property is promptly removed with minimum disruption. Franchisee must restore the affected property in conformance with the City’s Right-of-Way Restoration Policy; and Franchisee must compensate those whose property it damages for the damage.

(4) Subject to the City’s rights to purchase the Telecommunications System under Section 2, Franchisee may voluntarily remove any Facilities from the Public Rights-of-Way which have been installed in such a manner that they can be removed without trenching or other opening of the Public Rights-of-Way.

3.3 Right to Inspect and Order Corrections. The City may, at its cost, inspect the Telecommunications System at any time reasonable under the
circumstances to ensure compliance with this Franchise and applicable law, including to ensure that Franchisee’s Telecommunications System is constructed and maintained in a safe condition. If Franchisee’s representatives are not on-site performing work on the Telecommunications System, whenever feasible, the City shall give reasonable advance notice of its intent to inspect so that Franchisee may have a representative present during the inspection. If an unsafe condition is found to exist, the City, in addition to taking any other action permitted under applicable law, may order Franchisee, in writing, to make the necessary repairs and alterations specified therein forthwith to correct the unsafe condition on a time table established by the City which is reasonable in light of the unsafe condition. The City has the right to correct, inspect, administer, and repair the unsafe condition if Franchisee fails to do so in a timely manner, and to charge Franchisee therefor.

3.4 Information Regarding Ongoing Work. In addition to providing notice to the public of ongoing work as may be required under applicable law, Franchisee shall make available information regarding any ongoing construction, operation, or installation of its Telecommunications System sufficient to show (1) the nature of the work being performed; (2) where it is performed; (3) its estimated completion date; and (4) progress to completion.

4.1 Intent. The City shall have the right to administer and regulate activities of this Franchise up to the fullest extent of the law. The failure to reserve a particular right to regulate, or reference a particular regulation, shall not be
interpreted by negative implication or otherwise to prevent the application of a
regulation to Franchisee.

4.2 Remedies for Franchise Violations. The City has the right to exercise
any and all of the following remedies, singly or in combination, in the event
Franchisee violates any provision of this Franchise:

A. Draw upon the performance bond or other security provided
under this Franchise; provided, however, such drawing shall be only in such a
manner and in such amount as the City reasonably determines is necessary to
remedy the default. Should the City take this action, Franchisee shall be
responsible for all direct and actual costs related to such action, including, but not
limited to, actual legal and administrative costs:

B. Commencing an action at law for monetary damages;
C. Commencing an action for equitable or other relief;
D. Declaring the Franchise to be revoked; and/or
E. Seeking specific performance of any provision which reasonably
lends itself to such remedy.

In determining which remedy or remedies for Franchisee’s violation are
appropriate, the City may take into consideration the nature and extent of the
violation, the remedy needed to prevent such violations in the future, whether
Franchisee has a history of previous violations of the same or similar kind, and
such other considerations as are appropriate under the circumstances. Remedies
are cumulative; the exercise of one shall not foreclose the exercise of others.
4.3 Procedure for Remedying Franchise Violations. Before imposing liquidated damages, or drawing upon the performance bond or any other security set out in Section 6, the City shall follow the procedure below.

A. Notice of Violation. In the event that the City believes that Franchisee has not complied with the terms of this Franchise, the City shall notify Franchisee in writing, by certified mail, of the nature of the alleged noncompliance.

B. Franchisee’s Right to Cure or Respond. Except as provided in Section 4.3.D, Franchisee shall have 30 days from the receipt of notice described above to (a) respond to the City contesting the assertion of noncompliance, or (b) to cure such default or, in the event that by the nature of the default such default cannot be cured within the 30-day period, initiate steps to remedy such default as promptly as possible and complete the cure within a reasonable time. The duty to cure includes the duty to cure all harms caused by the acts or omissions of Franchisee which gave rise to the alleged non-compliance. At the end of the 30-day period, Franchisee shall notify the City in writing of the steps it has taken to cure the default, if any; if the cure is not complete, the reason it is not complete and the projected date for completion; and if the default is disputed, the complete basis for that contention.

C. Public Hearing. The City may schedule a public hearing to investigate any alleged default. The City shall give Franchisee 20 calendar days’ notice of the time and place of the hearing and provide Franchisee with an opportunity to be heard.
D. Action after Hearing. If the City determines after such hearing that the Franchisee did not timely cure, or initiate steps to cure the default in a timely manner satisfactory to the City, after the notice required by Section 4.3.A was provided, then the City may draw upon any performance bond, security fund, or other security, including requiring performance under the guarantee; and impose liquidated damages. However, notice and opportunity to cure are not required for repeat violations, or for a failure to correct a default where Franchisee knew or should have known it was in default; in such cases, the performance bond, letter of credit, or other security may be drawn upon, the guarantor required to perform and liquidated damages imposed after the hearing required by Section 4.3.C.

E. Liquidated Damage Amounts. Because any material failure to comply with the provisions of this Franchise by Franchisee will result in injury to the City, and because it may be difficult to estimate the extent of each such injury, Franchisee and the City agree to the following liquidated damages, which provisions represent the best estimate of the damages resulting from injuries of specific types. The amounts of the liquidated damages set forth in this Franchise are in 2017 dollars and shall be increased each year by the increase in the U. S. Department of Labor, Bureau of Labor Statistics, Consumer Price Index for Pacific Cities and U. S. City Average for the greater Seattle area. The amount of liquidated damages for all material violations of this Franchise for which actual damages may not be ascertainable shall be: $500 per day for each violation, for each day the violation continues. It is provided, however, that the City shall allow Franchisee a minimum of 30 days after notice to Franchisee of such neglect,
failure, or refusal to comply within which to meet compliance or correct performance, prior to the assessment of any liquidated damages.

4.4 Failure to Enforce. Franchisee shall not be relieved of any of its obligations to comply promptly with any provision of this Franchise by reason of any failure of the City to enforce prompt compliance, and the City’s failure to enforce shall not constitute a waiver of rights or acquiescence in Franchisee’s conduct.

4.5 Force Majeure. Franchisee shall not be deemed in default with provisions of this Franchise where performance was rendered impossible by war or riots, civil disturbances, floods, or other natural catastrophes beyond Franchisee’s control; the unforeseeable unavailability of labor or materials; or power outages exceeding back-up power supplies. The acts or omissions of affiliates shall not be deemed to be beyond Franchisee’s control, and the knowledge of affiliates shall be imputed to Franchisee. This Franchise shall not be revoked or Franchisee penalized for such noncompliance, provided that Franchisee takes immediate and diligent steps to bring itself back into compliance and to comply as soon as possible under the circumstances with this Franchise without unduly endangering the health, safety, and integrity of Franchisee’s employees or property, or the health, safety, and integrity of the public, Public Rights-of-Way, public property, or private property.

4.6 Alternative Remedies. No provision of this Franchise shall be deemed to bar the right of the City or Franchisee to seek or obtain judicial relief from a violation of any provision of this Ordinance or any rule, regulation, requirement, or
directive promulgated thereunder. Neither the existence of other remedies
identified in this Franchise nor the exercise thereof shall be deemed to bar or
otherwise limit the right of the City or Franchisee to recover monetary damages for
such violation by Franchisee, or to seek and obtain judicial enforcement of
Franchisee’s or City’s obligations by means of specific performance, injunctive
relief or mandate, or any other judicial remedy at law or in equity.

4.7 Compliance with the Laws. Franchisee shall comply with all applicable
federal and state laws and regulations, including regulations of any administrative
agency thereof, as well as all applicable City ordinances, resolutions, rules,
policies, and regulations heretofore or hereafter adopted or established during the
entire term of the Franchise; provided that, nothing herein shall prevent Franchisee
from challenging a provision of laws that applies only to it as an impairment of
contract. Nothing in this Franchise shall limit the City’s right of eminent domain
under state law. Nothing in this Franchise shall be deemed to waive the
requirements of any lawful code or resolution of the City regarding permits, fees to
be paid, or manner of construction.

Section 5. Reporting Requirements.

5.1 Annual Reports. Within 120 days following the end of Franchisee’s
fiscal year each year, Franchisee shall submit a written report to the City which
shall contain a listing of all categories of Gross Receipts collected by Franchisee
for its business activities as identified in Section 2.1, which are activities
specifically taxable as a telephone business under TMC Title 6. Said written report
shall be in sufficient detail and with sufficient explanation to enable the City to
understand the report and to verify the accuracy of the report. In addition, Franchisee shall provide such other reports as may be required by Title 16B.

5.2 Future Franchise Fee Report. In the event that changes in applicable laws allow the City to require a franchise fee as referenced at Section 6 below, then no later than 120 days following the end of Franchisee’s fiscal year each year after the imposition of franchise fees, Franchisee shall present a written report to the City which shall include:

A. Audited financial statements for (1) Franchisee and (2) any affiliate which is involved in any way with the operation or ownership of the System; and a financial statement for Franchisee that includes Gross Receipts from all sources, as well as an income statement and a balance sheet. In the event any audited financial report has not been published by the date due under this section, then the audited financial report shall be deemed presented on time if presented within 30 days after publication.

All financial reports required under this section shall be presented to the City, accompanied by such notes and explanations as are required to fully understand the reports. Such notes and explanations shall include, but not be limited to, an explanation of any and all deductions made from Gross Receipts for the calculation of fees or taxes to be paid to the City, as well as:

1. A summary of the previous year’s activities for the Franchise Area, including, but not limited to, the total number of Franchisee’s customers (if any), miles of Facilities, any services added or dropped, and any technological changes occurring in the system;
(2) Plans for the future; and

(3) Such other information as is required by Title 16B.

5.3 Additional Reports. Franchisee shall prepare and furnish to the City within 60 days of written request, to the person and address specified in the City's request, in a form reasonably prescribed by the City, such additional reports with respect to Franchisee's operation, affairs, transactions, or property as may be reasonably necessary and appropriate to ensure compliance with the material provisions of this Franchise, or to permit the performance of any of the rights, functions, or duties of the City in connection with the Franchise.

5.4 Preservation of Confidential Information. Trade secrets and confidential information designated as such by Franchisee shall be subject to such protection as provided in Title 16B or under chapter 42.56 RCW, or as otherwise provided by applicable laws. Franchisee shall be responsible for clearly and conspicuously identifying the work as confidential or proprietary, and shall provide a brief written explanation regarding its position on the protected status of the information under state or federal law. In the event that the City receives a public records request under chapter 42.56 RCW or similar law for the disclosure of information Franchisee has designated as confidential, trade secret, or proprietary, the City shall promptly provide notice of such disclosure so that Franchisee can take appropriate steps to protect its interests. Nothing in this section prohibits the City from complying with chapter 42.56 RCW, or any other applicable law or court order requiring the release of public records, and the City shall not be liable to Franchisee for compliance with any law or court order requiring the release of
public records. The City shall comply with any injunction or court order obtained by Franchisee which prohibits the disclosure of any such confidential records.

6.1 Fees; Taxes.

A. State Prohibition of Franchise Fee. The parties understand that RCW 35.21.860 currently prohibits a municipal franchise fee for the intended use. Franchisee agrees that if this statutory prohibition is removed, the City may assess a reasonable franchise fee, to be agreed to by the parties if the statutory prohibition is removed. The parties agree that this Section 6.1.A does not limit the right of Franchisee to challenge the Franchise Fee pursuant to 47 USC § 253.

B. Franchisee Subject to the City Telephone Business Tax. Franchisee agrees that its activities in the City of Tacoma identified in Section 2.1, but excluding internet access service, are activities specifically taxable as a telephone business under TMC Chapter 6A, and are taxable at the rate specified in TMC 6A.40.050.D, now in effect or as amended, but excluding any Gross Receipts from the provision of internet access service. It is agreed that the amount of Gross Receipts to be taxed will include the amount of tax imposed on Franchisee by City ordinance. This Franchise does not limit the City’s power of taxation.

C. Franchisee Obligated to Pay Administrative Costs. In accord with RCW 35.21.860 as presently effective, and as it may be later amended, Franchisee must pay the City an amount sufficient to recover administration expenses incurred in receiving and approving this Franchise, including, but not limited to, the reasonable costs of outside consultants retained by the City to assist
in the City’s consideration and processing of this Franchise application. The first $5,000 of said expenses will be covered by the $5,000 application fee deposited with the City. To the extent allowed by RCW 35.21.860 or other applicable laws, Franchisee may be required to pay other costs applicable to this Franchise and Franchisee’s activities hereunder. The amount of payment to be made by Franchisee to cover these administrative costs shall be determined by the Franchise Services Manager in conformance with applicable laws. Such obligation further includes municipal fees related to receiving and approving permits or licenses, inspecting plans and construction, or relating to the preparation of a detailed statement pursuant to Chapter 43.21C RCW. Said fees must be paid within 30 days of receipt of the City’s billing therefor.

D. Manner of Payment; Audit. Franchisee will pay the City Telephone Business Tax specified in Section 6.1.B on a monthly basis accompanied by Franchisee’s standard remittance form which specifies the net taxable charges, the local tax rate, and the local tax due, plus penalties and/or interest, if any is due. Franchisee shall make all other required fee payments in the form, at the intervals, and in the manner requested by the City Treasurer, and furnish him/her any information related to his/her revenue collection functions reasonably requested. In case of audit, the City Treasurer may require Franchisee to furnish a verified statement of compliance with Franchisee’s obligations or in response to any questions. Said certificate may be required from an independent, certified public accountant, at Franchisee’s expense. All audits will take place on Franchisee’s premises or offices furnished by Franchisee, which shall be a location within the City.
of Tacoma or other mutually agreeable place; however, Franchisee must agree to pay the associated costs of travel. Franchisee agrees, within 30 days of written request of the City Treasurer, to provide, to the person and address specified in the City Treasurer’s request, copies of all documents filed with any federal, state, or local regulatory agency, to be mailed to the City Treasurer on the same day as filed, postage prepaid, affecting any of Franchisee’s Facilities or business operations in the City of Tacoma.

E. No Other Deductions. No deductions, including current or previously paid fees, shall be subtracted from the Gross Receipts amount except as allowed under state or federal law, upon which payments are calculated and due for any period, nor shall copyright fees or other license fees paid by Franchisee be subtracted from Gross Receipts for purposes of calculating payments.

F. Late Payments. Any fees owing which remain unpaid more than 10 business days after the dates specified herein shall be delinquent and shall thereafter accrue interest at the maximum allowable rate pursuant to RCW 19.52.020.

G. Period of Limitations. The period for commencing an action for the recovery of any fee payable hereunder shall be six years from the date on which payment by Franchisee is due, subject to tolling as provided as a matter of law or equity. Unless within six years from and after the due date for a particular payment, the City makes written request to review Franchisee’s records with respect to such fee payment (either individually or as part of a broader request)
recovery shall be barred with respect to such payment and the City shall be
estopped from asserting any claims whatsoever against Franchisee relating to any
alleged deficiencies in that particular payment.

6.2 Auditing and Financial Records. Franchisee shall manage all of its
operations in the City of Tacoma in accordance with a policy of keeping books and
records open and accessible to the City. Without limiting its obligations under this
Franchise, Franchisee agrees that it will collect and make books and records for
operations in the City of Tacoma available for inspection and non-confidential
books and records for operations in the City of Tacoma for copying by the City in
accordance with Title 16B. Franchisee shall be responsible for collecting the
information and producing it. Books and records shall be made available for
inspection to the City at the Tacoma Municipal Building, or such other location as
the parties may agree. Notwithstanding any provision of Title 16B or this
Franchise, if documents are too voluminous or for security reasons cannot be
produced at the Tacoma Municipal Building or mutually agreeable location within
the City, then Franchisee may produce the material at another central location,
provided it also agrees to pay the additional reasonable costs incurred by the City
in reviewing the materials if such location is outside the City.

Franchisee shall take all steps reasonably required, if any, to ensure that it
is able to provide the City all information which must be provided or may be
requested under Title 16B or this Franchise, including by providing, or causing to
be provided, appropriate Subscriber privacy notices. Nothing in this section shall
be read to require a Franchisee to violate 47 U.S.C. §§ 222 or 551 or to disclose or
make available to the City any books and records protected from disclosure under other applicable law. Franchisee shall be responsible for redacting any data that federal law prevents it from providing to the City; provided, that the City shall promptly return or destroy upon Franchisee’s written request any data prohibited by federal law to be provided to the City and erroneously provided to the City. Records shall be kept for at least six years. In addition to maintaining all records as required by Title 16B, Franchisee shall maintain records sufficient to show its compliance with the requirements of this Franchise, and shall produce those records within 30 days of a City request.

Franchisee agrees to meet with a representative of the City upon request to review its methodology of record-keeping, financial reporting, computing fee obligations, and other procedures, the understanding of which the City deems necessary for understanding the meaning of reports and records.

The City agrees to request access to only those books and records, in exercising its rights under this section, which it deems reasonably necessary as part of a bona fide exercise of its authority over the Telecommunications System under this Franchise, Title 16B, or other applicable law. The City further agrees that it will withhold from public disclosure those books and records made available to it pursuant to this Section 6.2, but only to the extent that the City believes that it has the discretion to do so under state law. The City will, however, provide notice to Franchisee of any request for such books and records so that Franchisee can engage whatever protective measures are available to it.
6.3 Performance Bond. At the same time it provides its Franchise acceptance to the City, Franchisee shall provide a performance bond to ensure the faithful performance of its responsibilities under this Franchise and applicable law, including, by way of example and not limitation, its obligations to relocate and remove its facilities, and to restore City Rights-of-Way and other property. The initial amount of the performance bond shall be $250,000. The amount of the bond may be changed from time to time to reflect changed risks to the City or to the public. Franchisee may be required to obtain additional bonds in accordance with the City’s ordinary practices and/or pursuant to applicable TMC provisions. The bond shall be in a form and with a surety (authorized to do business in the state of Washington) reasonably acceptable to the City’s Risk Manager and in a form reasonably acceptable to the City Attorney. Franchisee shall pay all premiums or costs associated with maintaining the bond, and shall keep the same in full force and effect at all times during the Franchise Term.

6.4 Indemnification by Franchisee.

A. Franchisee, by accepting this Franchise, agrees to release the City from and against any and all liability and responsibility in or arising out of, or by reason of, or resulting from or of the negligent acts, errors, or omissions of Franchisee during the construction, operation, or maintenance of the Telecommunications System, and, without limiting the provisions of Section 7.4, agrees not to sue or seek any money or damages from City, except to the extent Franchisee’s Telecommunication System is damaged by the negligent acts or omissions or willful misconduct of the City or its agents.
B. Franchisee agrees to indemnify and hold harmless the City, its trustees, elected and appointed officers, agents, and employees, from and against any and all claims, demands, or causes of action of whatever kind or nature, and the resulting losses, costs, expenses, reasonable attorneys’ fees, liabilities, damages, orders, judgments, or decrees, sustained by any third party arising out of, or by reason of, or resulting from or of the acts, errors, or omissions of Franchisee or its agents, independent contractors, or employees related to or in any way arising out of the construction, operation, maintenance, or relocation of the Telecommunications System, unless and to the extent caused by the negligence of the City or its agents or representatives. Franchisee waives immunity under Title 51 RCW and affirms that the City and Franchisee have specifically negotiated this provision, as required by RCW 4.24.115, to the extent it may apply.

C. Franchisee agrees that the covenants and representations relating to the indemnity provided in Sections A and B above shall survive the term/expiration/termination of this Franchise and continue in full force and effect as to Franchisee’s responsibility to indemnify, subject to the applicable statute of limitations.

6.5 Franchisee Insurance.

A. Franchisee shall maintain, throughout the term of the Franchise, adequate insurance, in Franchisee’s reasonable judgment, to protect the City, its trustees, elected and appointed officers, agents, and employees against claims and damages that may arise as a result of the construction, operation, or
maintenance of the Telecommunications System. The City makes no representation as to what constitutes adequate insurance for Franchisee’s operations. The foregoing notwithstanding, Franchisee must maintain at least the minimum insurance coverages and amounts set forth in TMC 16B.05.090.

B. The required insurance must be obtained and maintained for the entire period Franchisee has facilities in the Public Rights-of-Way, and for six years thereafter. If Franchisee, its contractors, or subcontractors do not have the required insurance, the City may order such entities to stop operations until the insurance is obtained and approved.

C. Certificates of insurance, reflecting evidence of the required insurance and naming the City as an additional insured with all required endorsements on the Commercial General Liability and Automotive policies/coverages hereby required, shall be filed with the City’s Risk Manager. The certificate shall be filed with the acceptance of the Franchise, and annually thereafter, and as provided in Section E below.

E. In the event that the insurance certificate provided indicates that the insurance shall terminate or lapse during the period of the Franchise, Franchisee shall furnish, at least 30 days prior to the expiration of the date of such insurance, a renewed certificate of insurance as proof that equal and like
coverage has been or will be obtained prior to any such lapse or termination during the balance of the period of the Franchise.

F. The City reserves the right to require any other insurance coverage it deems necessary during the term of the Franchise, depending upon the exposures; provided that such requirement(s) conforms with TMC 16B.

G. It is Franchisee’s responsibility to ensure that each subcontractor obtains and maintains adequate liability insurance coverage, and upon request of the City, Franchisee shall provide evidence of such insurance.

6.6 Security Fund. Franchisee shall establish a cash security fund or provide the City an irrevocable letter of credit or assignment of funds in the amount of $50,000 as additional security to secure the payment of fees owed, to secure any other performance promised in this Franchise, and to pay any taxes, fees, or liens owed to the City. Any letter of credit shall be in a form and with an institution acceptable to the City’s Director of Finance and in a form acceptable to the City Attorney. Should the City draw upon the cash security fund or letter of credit or assignment of funds, it shall promptly notify Franchisee and Franchisee shall promptly restore the fund or the letter of credit or assignment of funds to the full required amount. The City may from time to time change the amount of the required security fund/letter of credit/assignment of funds to reflect changes in the risks to the City and to the public, including delinquencies in taxes or other payments to the City.

7.1 Posting and Publication. Franchisee shall assume the cost of posting and publication of this Franchise, as such posting and publication is required by law, and such is payable upon Franchisee’s filing its acceptance of the Franchise.

7.2 Guarantee of Performance. Franchisee acknowledges that it enters into the Franchise voluntarily in order to secure and in consideration of the grant from the City of a ten-year Franchise. Performance pursuant to the terms and conditions of this Franchise agreement is guaranteed by Franchisee.

7.3 Governing Law and Venue. The Franchise shall be governed by and construed in accordance with the laws of the state of Washington without recourse to any principles of Conflicts of Laws, except that where federal law preemptively applies, it shall control. Any litigation between the City and Franchisee arising under or regarding this Franchise shall occur, if in the state courts, in the Superior Court of Pierce County, and if in the federal courts, in the United States District Court for the Western District of Washington.

7.4 No Recourse. Without limiting such immunities as the City or other Persons may have under applicable law, Franchisee shall have no monetary recourse whatsoever against the City or its officials, boards, commissions, agents, or employees for any loss, costs, expense, or damage arising out of any provision or requirement of Title 16B or because of the enforcement of Title 16B or the City’s exercise of its authority pursuant to Title 16B, this Franchise, or other applicable law, except to the extent Franchisee’s Telecommunication
System is damaged by the negligent acts or omissions or willful misconduct of
the City or its representatives.

7.5 Notice. Unless expressly otherwise agreed between the parties, every
notice, billing, or response required by this Franchise to be served upon the City or
Franchisee shall be in writing, and shall be deemed to have been duly given to the
required recipient upon actual receipt or refusal of delivery and shall be sent by a
nationally recognized overnight courier or by U.S. certified mail, return receipt
requested, postage prepaid. The notices or responses to the City shall be
addressed as follows:

City of Tacoma
Municipal Services Building
1224 MLK Jr Way
Tacoma, WA 98405
Attn: Franchise Services Manager

The notices or responses to Franchisee shall be addressed as follows:

WA-CLEC, LLC
c/o Crown Castle
2000 Corporate Drive
Canonsburg, PA 15317
Attn: Ken Simon, General Counsel

with a copy to:

WA-CLEC, LLC
c/o Crown Castle
2000 Corporate Drive
Canonsburg, PA 15317
Attn: SCN Contracts Management

The City and Franchisee may designate such other address from time to
time by giving written notice to the other, but notice cannot be required to more
than two addresses.
7.6 Execution. Franchisee shall execute and return to the City three original countersigned copies of this Ordinance and a signed acceptance of the Franchise granted hereunder within 30 days after the date of passage of the Ordinance by the City Council. The acceptance shall be submitted in the form attached hereto or other form acceptable to the City Attorney and in accepting the Franchise, Franchisee warrants that it has carefully read the terms and conditions of this Franchise and unconditionally accepts all of the terms and conditions of this Franchise and agrees to abide by the same and acknowledges that it has relied upon its own investigation of all relevant facts, that it has had the assistance of counsel, that it was not induced to accept a Franchise, that this Franchise represents the entire agreement between Franchisee and the City, and that Franchisee accepts all risks related to the interpretation of this Franchise. The countersigned Ordinance and acceptance shall be returned to the City accompanied by: evidence of insurance; a payment for publication costs; billable work order deposit; and the security fund deposit and performance bond.

The Franchise rights granted herein shall not become effective until all of the foregoing is received in acceptable form. In the event Franchisee fails to submit the countersigned Ordinance and acceptance as provided for herein, or
fails to provide the required accompanying documents and payments, within the
time limits set forth in this section, the grant of the Franchise shall be null and
void.

Its ___________________________
ORDINANCE NO. 28464

AN ORDINANCE granting a non-exclusive franchise to ExteNet Systems, Inc., a Delaware corporation, to construct, operate, and maintain a telecommunications system in the City of Tacoma; setting forth provisions, terms, and conditions of the grant of franchise; specifically making such grant subject to the provisions of Title 16B, Title 9 and Title 10 of the Tacoma Municipal Code, as well as the Tacoma City Charter; providing for City regulation of the Telecommunications System; prescribing liquidated damages and certain other remedies for violation of franchise provisions in addition to those specified pursuant to the Tacoma Municipal Code and Tacoma City Charter.

WHEREAS ExteNet Systems, Inc., a Delaware corporation registered to do business in the state of Washington ("ESI" or "Franchisee") is a telecommunications company currently involved in the business of operating a telecommunications network utilizing fiber optic and wireless technology, and

WHEREAS, as part of expanding such network, ESI desires to obtain a franchise to operate its telecommunications network in City of Tacoma right-of-way, and

WHEREAS ESI has applied to the City to install and operate fiber optic cable within the City streets and public rights-of-way, and also intends, with appropriate, additional City authorization and subject to City zoning and land use regulations, to place above-ground transmission facilities in certain locations in City right-of-way, and

WHEREAS the City Council has determined to grant such a franchise to ESI upon those certain terms and conditions which the Council deems necessary due to the unique nature of fiber optic cable and wireless transmission facilities as set forth herein, and

WHEREAS this City of Tacoma Telecommunications Franchise Ordinance contains the following sections:

Now, Therefore,
BE IT ORDAINED BY THE CITY OF TACOMA:

Section 1. Definitions. For the purposes of this Franchise, the following terms, phrases, words, and their derivations shall have the meaning given herein; words not defined herein which are defined in Title 16B of the Tacoma Municipal Code ("TMC"), shall have the same meaning or be interpreted as provided in Title 16B. Words not defined here or in Title 16B shall be construed consistently with Title 47 of the United States Code, and if not therein, they shall have their common and ordinary meaning. A reference to any Title of the TMC or to the Tacoma City Charter refers to the same as may be amended from time to time. Any reference to a “party” hereunder shall mean the City or Franchisee, as applicable, and a reference to the “parties” shall mean collectively the City and Franchisee.

1.1 “City” means the City of Tacoma, a municipal corporation of the state of Washington, and all departments, divisions, and agencies thereof, including Tacoma Public Utilities.

1.2 “City Manager” means the City Manager or the City Manager’s designee.

1.3 “Communications system” refers to a telecommunications system.

1.4 “Construction, operation, or maintenance” and similar formulations of these terms mean the named actions interpreted broadly, encompassing, among other things, installation, extension, maintenance, replacement, or components thereof, relocation, undergrounding, grading, site preparation, adjusting, testing, make-ready, and excavation.
1.5 “Customer” means any Person or entity who legally receives within the corporate limits of the City any one or more of the services provided by the Telecommunications System. The definition of “Customer” shall also include Persons who use Franchisee’s Facilities, whether as lessees or through other arrangement.

1.6 “Facilities” or “Installations” are and refer to and include, but are not limited to, plant, systems, improvements, and equipment owned, leased, or otherwise used by Franchisee, such as antennae, poles, fiber, wires, fixtures, equipment, underground circuits, and conduit in Public Rights-of-Way and other property necessary or convenient for the transmission and distribution of communications service where such facilities are located. “Facilities” or “Installations,” when used without a modifier, encompass both Overhead Facilities/Installations and Underground Facilities/Installations. Nothing in this definition or anything else in this Franchise shall be interpreted as authorizing Franchisee to construct its own support system for Overhead Facilities or any other above-ground Facilities in the Franchise Area without the additional authorizations required herein below and as proscribed by City zoning and land use regulation ordinances.

1.7 “Franchise” means the rights expressly granted by this Franchise and conditioned as set forth herein and under the TMC and Tacoma City Charter.

1.8 “Franchise Area” means that area within the present and future corporate limits of Tacoma.
1.9 “Franchisee” means ExteNet Systems, Inc., a Delaware corporation registered to do business in the state of Washington with its principal office located at 3030 Warrenville Road, Suite 340, Lisle, IL 60532.

1.10 “Gross Receipts,” for purposes of this Franchise, means any and all receipts or income received directly or indirectly by Franchisee, which is derived from the operation of its System in the City, less uncollectibles. Gross Receipts shall include, by way of example and not limitation, revenues from its Telecommunications Service, all fees, late fees, installation and connection fees, upgrade and downgrade fees, and rental fees. The term Gross Receipts shall not include any taxes on services furnished by Franchisee imposed by any municipality, state, or other governmental unit and collected by Franchisee for such governmental unit, nor shall the term include any wholesale services provided by Franchisee upon which fees or taxes have already been levied within the City of Tacoma.

1.11 “Operator,” when used with reference to a System, refers to a Person (a) who provides service over a Communications System and directly or through one or more affiliates owns a significant interest in such facility; or (b) who otherwise controls or is responsible for, through any arrangement, the management and operation of such a facility. A Person that operates under agreement of a Telecommunications System or a specific portion of a Telecommunications System to provide Telecommunications Services shall be treated as an Operator for purposes of this Franchise.
1.12 “Overhead Facilities” refers to existing electric utility and communications Facilities located above the surface of the ground, including the underground supports and foundations for such Facilities.

1.13 “Person” includes any individual corporation, partnership, association, joint stock company, trust, or any other legal entity, but not the City for purposes hereof.

1.14 “Personal Wireless Facilities” are Facilities which are above-ground such as transmitters, antenna structures and other types of installations, whether related to wireless or fiber/optic transmission, now or hereafter used for the provision of personal wireless services as that term is defined in Section 704 of the 1996 Telecommunications Act.

1.15 “Public Rights-of-Way” mean the public streets and easements over which, under the Tacoma City Charter, the TMC, City ordinances, and applicable laws, the City has authority to grant Franchises, permits, or Licenses for use thereof or has regulatory authority there over, but expressly excluding railroad rights-of-way/crossings, airport, and harbor areas. Public Rights-of-Way, for the purpose of this Franchise, also do not include buildings, parks, poles, conduits, or similar facilities or property owned by or leased to the City, including, by way of example and not limitation, structures in the Public Rights-of-Way such as utility poles and light poles.

1.16 “System” means the Telecommunications System.

1.17 “Telecommunications Service” or “Service” means the transmission for hire of information in electronic or optical form, including, but not limited to, voice,
video, or data, whether or not the transmission medium is owned by the provider itself. Telecommunications Service includes telephone service, but does not include cable TV or commercial video service or over-the-air broadcasts to the public-at-large from facilities licensed by the Federal Communications Commission or any successor thereto.

1.18 “Telecommunications System” means a tangible facility that is used to provide one or more Telecommunications Services, any portion of which occupies Public Right-of-Way. The term Telecommunications System by way of example, and not limitation, includes antennae, wires, equipment cabinets, guys, conduit, radio transmitting towers, poles, other supporting structures, and associated and appurtenant facilities used to transmit telecommunications signals. The term Telecommunications System includes all devices mounted on light poles (where separately authorized by an attachment agreement) in the Public Rights-of-Way through which Telecommunications Services are originated or terminated. An Open Video System is not a Telecommunications System to the extent that it provides only video services; a Cable System is not a Telecommunications System to the extent that it provides only Cable Service. The term Telecommunications System includes any of the tangible components of a Telecommunications System which occupies Public Rights-of-Way, but poles and other structures to which Franchisee’s Facilities are attached shall not be deemed to be part of Franchisee’s Telecommunications System unless such poles or other structures are owned by Franchisee.
1.19. “Telephone Service” means the provision of access to a local telephone network, local telephone network switching service, intrastate toll service, or coin telephone service, or providing telephonic, video, data, or similar communication or transmission for hire via a local telephone network, toll line, channel, cable, microwave, or similar communication or transmission system by any person. Telephone Service includes intrastate or interstate service, including toll service, originating from, or received on, communications equipment or apparatus in this state if the charge for the service is billed to a person in this state. Telephone Service does not include the providing of Competitive telephone service as defined in Tacoma Municipal Code § 6A.40.030, the providing of cable television service, or the providing of broadcast services by radio or television stations.

1.20. “Underground Facilities” refers to electric utility and Communications Facilities located under the surface of the ground, excluding the underground foundations or supports for Overhead Facilities.

Section 2. Franchise.

2.1. Grant of Franchise. The City hereby grants to Franchisee a non-exclusive Franchise which, once it becomes effective, shall authorize Franchisee to use the City’s Public Rights-of-Way within the Franchise Area to construct, maintain, and operate a fiber optic/wireless Telecommunication System to provide Telecommunication Service and internet access service, and to use the City’s Public Rights-of-Way as authorized herein. This grant of Franchise does not, by itself, grant any right to construct new, above-ground Facilities without prior
City approval, which will require additional permitting and/or an additional site specific or master siting agreement, in conformance with City zoning and land use ordinances and applicable state laws.

This grant is subject to and must be exercised in strict accordance with and subject to this Franchise Agreement, Title 16B, and other applicable provisions of the TMC and Tacoma City Charter, including, but not limited to, the provisions set forth in Article VIII of the Charter, and TMC Title 13, and this Franchise may be revoked under Section 2.5 if it is not so exercised. The exercise of any rights pursuant to this Franchise is subject to the exercise of the City’s police powers, and other regulatory powers as the City may have or obtain in the future, and all rights granted herein must be exercised in strict accordance with applicable laws, including, by way of example and not limitation, zoning codes and permitting requirements. No rights shall pass to Franchisee by implication. This Franchise shall constitute both a right and an obligation to provide the services of the Telecommunications System as required by the provisions of this Franchise.

The grant of this Franchise is limited to the purpose of Franchisee providing Telecommunications Service and internet access service. This Franchise does not include permission to provide cable service, as defined in 47 U.S.C. § 522, multichannel video programming, open video systems, or uses other than Telecommunications Service.

Notwithstanding the above grant to use Public Rights-of-Way, no Public Rights-of-Way shall be used by Franchisee if the City, in its opinion, determines that such use is inconsistent with the terms, conditions or provisions by which such
Public Right-of-Way was created or dedicated, or presently used under applicable laws.

In the event of any conflict between a provision in this Franchise and any provision of the Tacoma City Charter, which Charter is incorporated herein by reference, the applicable provision of the Charter shall control over any inconsistent provision of this Franchise.

2.2 Franchise Term. The term of the Franchise shall be ten years unless terminated sooner in accordance with this Franchise, Title 16B, or the Tacoma City Charter. At the expiration of the term, Franchisee may apply to extend or renew the Franchise as provided in Title 16B.02.100.

2.3 Franchise Non-Exclusive. The Franchise granted herein shall be non-exclusive.

2.4 Transfers, Generally.

A. Any transfer of this Franchise, as the term “Transfer” is defined in TMC Title 16B.01.030.Y, shall be accomplished in accordance with TMC Title 16B.02.120. Any intra-company Transfer of this Franchise shall be excepted from the requirements of TMC Title 16B.02.120.A-B if such Transfer and the Transferee Affiliate meet all of the requirements of TMC Title 16B.02.120.F (or any successor ordinance). Any Transfer not made in accordance with TMC Title 16B.02.120, may be considered a substantial violation of this Franchise by the City and may subject the Franchise to termination proceedings by the City as provided herein and in Title 16B.
B. Applications for approval of any Transfer shall be filed in accordance with procedures set out in Title 16B of the TMC.

C. Franchisee shall, within 60 days of the closing date of any Transfer, file with the City Clerk a copy of the deed, agreement, contract, mortgage, lease, SEC filing, or other written instrument evidencing such Transfer, certified and sworn to as correct by Franchisee, subject to any confidentiality provisions in any such document. Every such Transfer, whether voluntary or involuntary, may be deemed void and of no effect as to the effectiveness of this Franchise by the City unless Franchisee files the required copy within the 60-day period.

D. The requirements of this section shall not be deemed to prohibit the use of Franchisee’s property as collateral for security in financing the construction or acquisition of all or part of the Telecommunications System franchised hereunder, provided that no such security shall purport to attach to the City’s real property interest in the Public Right-of-Way or any other City interest. In addition, no such arrangement may be made if it would in any respect under any condition prevent the Operator or any successor from complying with the Franchise and applicable law. Any mortgage, pledge, or lease shall be subject to and subordinate to the rights of the City under this Franchise, and other applicable law.

2.5 Revocation. In addition to any rights set out elsewhere in this Franchise, the Tacoma City Charter or Title 16, subject to the notice and cure provisions contained in Title 16B, Section 16B.05.100, the City reserves the right to
declare a forfeiture or otherwise revoke this Franchise, and all rights and privileges pertaining thereto, as provided in Title 16B or in the event that:

   A. Franchisee is in non-compliance with a material provision of this Franchise; or

   B. Franchisee is found to have engaged in any actual or attempted fraud or deceit upon the City, Persons, or Customers in the City; or

   C. Franchisee fails to obtain and maintain any permit required by any federal or state regulatory body or by the City, relating to the construction, maintenance, and operation of the Facilities within the Public Rights-of-Way within the Franchise Area; or

   D. At any time during the term of the Franchise, Franchisee fails to provide and maintain all of the securities required under this Franchise, including, but not limited to, the performance bond required under this Franchise; fails to maintain the insurance required by this Franchise; or fails to satisfy the indemnity set out in this Franchise; or if any guarantor of Franchisee revokes its guarantee or fails to satisfy or becomes unable to satisfy its obligations under such guarantee.

   E. The procedures for revocation and forfeiture shall be governed by Title 16B, Section 16B.05.100. Before the Franchise is revoked, Franchisee shall be given notice and opportunity to cure at least equivalent to that required by Title 16B as of the effective date of this Franchise (except in those cases where notice and opportunity to cure are not required or would be futile), and shall be accorded at least an opportunity to be heard that provides at least the due process
protections required by Title 16B as of the effective date of this Franchise, which
topportunities and protections are set out in Section 2.5.F, below.

F. (1) Where, after notice and providing Franchisee an
opportunity to be heard (if such opportunity is requested by a Franchisee), the City
finds that there has been an act or omission that would justify revocation of the
Franchise, the City may make an appropriate reduction in the remaining term of
the Franchise or revoke the Franchise. However, the Franchise may only be
revoked if Franchisee (a) was given written notice of the default; and (b) 30 days to
cure the default; and (c) Franchisee failed to cure the default, or to propose a
schedule for curing the default acceptable to the City where it is impossible to cure
the default in 30 days. The required written notice shall be given before the City
conducts the proceeding required by this paragraph. No opportunity to cure is
required for repeated violations of material provisions of the Franchise, and fraud
shall be deemed incurable.

(2) Notwithstanding the foregoing, the City may declare a
Franchise forfeited without opportunity to cure when Franchisee: (a) fails to begin
to exercise its rights hereunder within 180 calendar days of Franchisee’s
acceptance of this Franchise, (b) stops providing all Service it is required to
provide under the Franchise, (c) Transfers without the prior consent of the City as
and when required in the Franchise, or (d) is found by a court or regulatory body
with appropriate jurisdiction to have defrauded or attempted to defraud the City or
Franchisee’s customers within the City. Notwithstanding the provisions of
Title 16B.05.100.C.2, if Franchisee fails to timely pay any undisputed Franchise
application/administrative fees or other undisputed fees owed hereunder or under Title 16B, before the City can initiate any termination or forfeiture of rights, Franchisee shall be provided with ten (10) business days’ prior written notice and an opportunity to cure the failure to pay. However, Franchisee shall have the right to receive 30 days’ prior notice of an intent to declare a Franchise forfeited, and shall have the opportunity to show cause why the Franchise should not be forfeited.

(3) Notwithstanding the foregoing and only to the extent permitted by applicable law, the Franchise will automatically terminate by force of law 120 calendar days after an assignment for the benefit of creditors or the appointment of a receiver or trustee to take over the business of Franchisee, whether in a receivership, reorganization, bankruptcy, assignment for the benefit of creditors, or other action or proceeding. However, the Franchise may be reinstated within that 120-day period, if: (a) such assignment, receivership, or trusteeship has been vacated; or (b) such assignee, receiver, or trustee has fully complied with the terms and conditions of Title 16B and this Franchise and has executed an agreement, approved by any court having jurisdiction, assuming and agreeing to be bound by the terms and conditions of Title 16B and this Franchise. However, in the event of foreclosure or other judicial sale of any of the facilities, equipment, or property of Franchisee, the City may revoke this Franchise, following a public hearing before the City Council, by serving notice upon Franchisee and the successful bidder at the sale, in which event the Franchise and all rights and privileges of this Franchise will be revoked and will terminate 30 calendar days.
after serving such notice, unless: (a) the City has approved the Transfer of the Franchise to the successful bidder in writing; and (b) the successful bidder has covenanted and agreed in writing with the City to assume and be bound by the terms and conditions of this Franchise and Title 16B.

2.6 Continuity of Service and Right to Purchase the System.

A. In the event the City has declared a forfeiture for cause or otherwise validly revoked this Franchise as provided herein, or in the event of expiration of the initial term of this Franchise without this Franchise being renewed or extended as provided in Section 2.2 (referred to below collectively as a “termination”), Franchisee shall remove its Facilities from the Public Rights-of-Way under Section 2.7, unless the City elects to purchase the Facilities as provided in Section 2.6 B.

B. In the event the City has declared a forfeiture for cause or otherwise validly revoked this Franchise as provided herein, or in the event of expiration of the initial term of this Franchise without this Franchise being renewed or extended as provided in Section 2.2 (referred to below collectively as a “termination”), the City shall have an option upon termination of the Franchise to purchase that portion of the Telecommunications System located in the Right-of-Way owned by Franchisee, whether termination is, or is not, for cause. This option requires Franchisee to convey the Telecommunications System or such portion thereof as the City may choose to purchase, provided, that nothing herein shall require the City to accept or pay for any contract that it does not wish to assume. Franchisee is not required to convey portions of the Telecommunications
System not located in the Right-of-Way, located outside the City, or that is leased or used (but not owned) by Franchisee from a third party pursuant to a tariff or contract. The foregoing option also requires Franchisee to sell the Telecommunications System owned by Franchisee and located in the Right-of-Way or such portion thereof as the City may choose to purchase at a fair market price, if the Franchise is terminated for cause. If Franchisee’s request for a Franchise renewal is denied, the option requires Franchisee to sell the Telecommunications System owned by Franchisee and located in the Right-of-Way, or such portion thereof as the City may choose to purchase, at fair market value, determined on the basis of the value of the Telecommunications System as a going concern (taking into account such property used and useful in providing service within the City that is not to be conveyed) and with no value allocated to the Franchise itself.

C. The City may exercise its Section 2.6.B option rights in the following manner: the City will have up to 180 days after receiving the inventory required by Section 2.6.A to notify Franchisee that it intends to exercise its right to purchase the Telecommunications System or a portion of the Telecommunications System. Within 90 days of the date the City notifies Franchisee of its intent to exercise the option, or by such other time as the parties may separately agree, the parties shall meet to establish a price that comports with the requirements of Section 2.6.B. If the parties are unable to agree to a price within 180 days after the City notifies Franchisee that the City intends to exercise its purchase option, either party may require the price to be set by appraisal by sending the other party notice that it wishes to have the price set by appraisal. Within 45 days of the date that
notice is submitted, each party may appoint one appraiser. If each party appoints an appraiser, the two appraisers shall appoint a third appraiser; if only a single appraiser is appointed (whether by mutual agreement or because of the failure of a party to timely nominate an appraiser) that appraiser shall be the sole appraiser. The appraiser or appraisers shall establish a price for the System or portion thereof that the City desires to purchase in accordance with Section 2.6.B. This appraisal determination shall be final and non-appealable. The City shall have 120 days after the decision of the appraisers to notify Franchisee that it wishes to conclude the transaction; if it does not so notify Franchisee, the option shall be deemed terminated.

If the City gives the notice required by the preceding paragraph, the parties will thereafter promptly sign all necessary documents required to close the transaction; provided, however, that the City may make conclusion of the transaction conditional upon any necessary voter approval of any bond funding for acquisition of all or a part of the System and, if applicable, the successful sale of the bonds.

The City and Franchisee will share equally the costs associated with any appraiser that is jointly appointed (by them or by the appraisers each selects); the City will bear costs associated with any appraiser that it separately appoints and Franchisee will bear costs associated with any appraiser that it separately appoints.

D. (1) Nothing in this section or in any other section of this Franchise shall prevent the City's exercise of its rights under the Tacoma City
Charter. Included within the rights granted under Tacoma’s Charter is the right to purchase or condemn Franchisee’s property within the Franchised Area at any time, which right is expressly set out in Section 8.1(c) of the Charter as follows:

To acquire by purchase or condemnation, for the use of the City itself or its inhabitants, all of the property of the grantee within the public streets, alleys, or places at a fair and just value, which shall not include any valuation of the franchise, right, or privilege, which shall thereupon be terminated.

(2) Likewise, nothing in this section or in any other section of this Franchise shall be read to limit the City’s right to acquire the Telecommunications System through exercise of any right of eminent domain under state law.

(3) Nothing in this section shall be read to limit the City’s right to acquire the Telecommunications System as a result of abandonment.

E. In the event the City purchases, acquires, takes over, or holds all or parts of the System, the City shall have the right, without limitation, to assign, sell, lease, or otherwise transfer its interest in all or parts of such System to any other Person or entity, including any other Franchisee of a Telecommunications System, on whatever terms the City deems appropriate.

2.7 Right to Require Removal of Property/Right to Remove Property.

A. Upon termination of this Franchise, Franchisee may be required to remove its property from any Public Rights-of-Way and restore such Rights-of-Way to the condition required by the TMC and City’s Right-of-Way Restoration Policy, subject to any rights Franchisee may have to abandon property
in place, as set out in Title 16B. If Franchisee fails to remove property that the City requires it to remove, the City may perform the work and collect the actual cost thereof from Franchisee. The actual cost thereof, including direct and indirect administrative costs, shall be a lien upon all plant and property of Franchisee effective upon filing of the lien with the Pierce County Auditor. In the event that Franchisee is permitted to abandon its Facilities in place, the City acknowledges that any ownership it takes in the Facilities thereafter is taken on an AS-IS, WHERE-IS basis.

B. To the extent any portion of the System in the Public Rights-of-Way or on any other public property of the City is not removed by the Operator within 12 months of the end of the Franchise term, the property will be deemed abandoned in its AS-IS, WHERE-IS condition and shall become the property of the City if the City wishes to own it.

C. Any order by the City issued pursuant to Section 2.7.A to remove Facilities shall be sent by registered or certified mail, postage prepaid, return receipt requested, to Franchisee not later than 24 months following the date of Franchise termination. Removal shall be completed (except with respect to property that Franchisee is permitted to abandon in place) not later than 12 months following the date of notification to remove the Facilities.

D. Franchisee shall file a written removal plan with the City not later than 30 calendar days following the date of the receipt of any orders directing removal, or any consent to removal describing the work that will be performed, the manner in which it will be performed, and a schedule for removal by location. The
removal plan shall be subject to approval and regulation by the City, including, without limitation, the City’s Right-of-Way Restoration Policy. The affected property must be restored in compliance with the City’s Right-of-Way Restoration Policy; and any damage caused by Franchisee’s removal must be addressed/compensated to the reasonable satisfaction of the City.

E. The purchase option provided for in Section 2.6 does not affect the City’s authority to require Franchisee to remove any portion of its Telecommunications System that the City will not purchase upon Franchise termination, as provided in this section and Title 16B, nor does it affect the City’s right to assume ownership of any portion of the Telecommunications System that is abandoned. Within 60 days of a request by the City, Franchisee shall execute such documents as may be required to convey such abandoned property to the City free and clear of all encumbrances.

2.8 Customers’ Right to Obtain Service. It shall be the right of all Customers to receive all available services insofar as their financial and other obligations to Franchisee are honored during the term of the Franchise. In addition to the obligations established under the other provisions of this Franchise, in the event that Franchisee elects to overbuild, rebuild, modify, or sell the System, Franchisee shall make its best effort to ensure that all Customers receive service subject to the terms and conditions of the service contract then in effect between the respective Customer and Franchisee.

2.9 Responsibility for Costs. Except as expressly provided otherwise, any act that Franchisee is required to perform under this Franchise shall be performed
at its cost. If Franchisee fails to perform work that it is required to perform within
the time provided for performance, the City, after first providing notice and an
opportunity to cure as herein provided, may perform the work and bill Franchisee
the actual cost thereof. Franchisee shall pay the amounts billed within 30 days of
receipt of an itemized bill. The parties agree that any amounts paid pursuant to
this section or Title 16B are not franchise fees.

2.10 Work of Contractors and Subcontractors. Work by contractors and
subcontractors is subject to the same restrictions, limitations, and conditions as if
the work were performed by Franchisee. Franchisee shall be responsible for all
work performed by its contractors and subcontractors, and others performing work
on its behalf as if the work were performed by it and shall ensure that all such work
is performed in compliance with this Franchise and Title 16B, and other applicable
laws, including without limitation, the City’s Right-of-Way Restoration Policy.
Franchisee and its contractors and subcontractors shall be jointly and severally
liable for all damages and correcting all damages they cause. It is Franchisee’s
responsibility to ensure that contractors, subcontractor or other Person(s)
performing work on Franchisee’s behalf are familiar with the requirements of this
Franchise, Title 16B, the City’s Right-of-Way Restoration Policy, and other
applicable laws governing the work performed by them.

2.11 Survival of Terms. Upon the termination or forfeiture of the Franchise,
Franchisee shall no longer have the right to occupy the Public Rights-of-Way for
the purpose of providing Telecommunications Service. However, Franchisee’s
obligations to the City (other than the obligation to provide service to Customers)
survive the expiration of these rights according to their terms. By way of illustration and not limitation, Sections 2.6, 2.7, 2.9, 2.10, and 4 of this Franchise shall continue in effect as to Franchisee notwithstanding any expiration, forfeiture, or revocation of the Franchise, except to the extent that a City-approved Transfer, sale, or assignment of the Telecommunications System is completed and another entity has assumed full and complete responsibility for the Telecommunications System or for the relevant acts or omissions.

3.1 Use of Public Rights-of-Way. Franchisee may, subject to the terms of this Franchise and TMC Titles 16B and 13, the City’s Right-of-Way Restoration Policy, and other applicable laws, enter onto and use the Public Rights-of-Way to construct, operate, and maintain a fiber optic Telecommunications System in Public Rights-of-Way within the Franchise Area to provide, or cause to be provided, Telecommunications Services and internet access services. Under this Franchise, Franchisee may also construct Personal Wireless Facilities, but may only do so after obtaining an additional site-specific or master siting agreement from the City for such Personal Wireless Facilities. Without limiting the foregoing, Franchisee expressly agrees that it will construct, operate, and maintain its System in compliance with the requirements of Title 16B and TMC Title 13 zoning and land use regulation ordinances, including those governing the placement of its Telecommunications System, and with other applicable City codes; and will obtain and maintain all bonds and billable work orders required by the same.
3.2 Construction, Operation, or Maintenance. Franchisee shall, in all cases, comply with all lawful City ordinances and regulations now in effect or hereinafter enacted regarding the acquisition of permits and such other items as may be required by the City in connection with the construction, operation, or maintenance of the Telecommunications System, including, without limitation, the City’s Right-of-Way Restoration Policy.

Without limiting the foregoing, Franchisee agrees that it shall, in the course of constructing, operating, and maintaining its Telecommunications System comply with the requirements of Titles 16B and 13, and among other things:

A. (1) Franchisee shall, by a time specified by the City, protect, support, temporarily disconnect, relocate, or remove any of its property when required by the City by reason of traffic conditions; public safety; Public Rights-of-Way construction; Public Rights-of-Way repair (including resurfacing or widening); change of Public Rights-of-Way grade; construction, installation or repair of sewers, drains, water pipes, power lines, signal lines, tracks, or any other type of government-owned Communications System, public work, public project, public facility, or improvement or any government-owned utility; Public Rights-of-Way vacation; or for any other purpose where the work involved would be aided by the removal or relocation of the Telecommunications System. Collectively, such matters are referred to below as the “public work.”

(2) In the event of an emergency, or where the Telecommunications System creates or is contributing to an imminent danger to health, safety, or property, the City may protect, support, temporarily disconnect,
remove, or relocate any or all parts of the Telecommunications System without prior notice, and charge Franchisee for actual costs incurred.

(3) In the case of non-public work, if any Person that is authorized to place Facilities in the Rights-of-Way requests Franchisee to protect, support, temporarily disconnect, remove, or relocate Franchisee’s facilities to accommodate the construction, operation, or maintenance of the facilities of such other Person, Franchisee shall, after 30 days’ advance written notice, take action to effect the necessary changes requested. In the case of non-public work or non-public projects, unless, and to the extent, the matter is governed by a valid contract between Franchisee and such Person requesting Franchisee to take action under this subsection (3) or governed by a valid state or federal law or regulation, or unless Franchisee’s Telecommunications System was not properly installed, the reasonable cost of the same shall be borne by the Person requesting the protection, support, temporary disconnection, removal, or relocation and at no charge to the City, even if the City makes the request for such action.

(4) Franchisee shall, on the request of any Person holding a valid permit issued by a governmental authority, temporarily raise or lower its wires to permit the moving of buildings or other objects. The expense of such temporary removal or raising or lowering of wires shall be paid by the Person requesting the same.

B. Franchisee’s obligation to construct, operate, and maintain its Telecommunications System in compliance with all applicable laws, ordinances, departmental rules and regulations, and published or otherwise readily available
practices affecting such System, includes, by way of example and not limitation, the obligation to construct, operate, and maintain in accordance with zoning codes, safety codes, and City construction standards, including the most current version of the Standard Specifications for Road, Bridge, and Municipal Construction, as prepared by the Washington State Department of Transportation (“WSDOT”) and the Washington State Chapter of American Public Works Association (“APWA”); the most current version of the APWA Amendments to Division One, and the most current version of the City of Tacoma Amendments thereto. In addition, the construction, operation, and maintenance shall be performed in a manner consistent with industry standards. Franchisee shall exercise reasonable care in the performance of all its activities and shall use commonly accepted methods and devices for preventing failures and accidents that are likely to cause damage, injury, or nuisance to the public or to property. In the event that Franchisee’s work or other use of the Public Right-of-Way causes damage to any City facility, Franchisee shall bear the cost of repairing, or replacing as necessary, such City facility.

C. Franchisee’s construction, operation, or maintenance of its Telecommunications System shall not commence until all required permits or agreements have been properly filed for and obtained from the proper City officials and all required permits and agreements obtained and associated fees paid. In any permit so issued, the City may impose, as a condition of the granting of the permit, such conditions and regulations as may be necessary to the management of the Public Rights-of-Way, including, by way of example and not limitation, for the
purpose of protecting any structures in the Public Rights-of-Way, maintaining proper distance from other utilities, for the proper restoration of such Public Rights-of-Way and structures, and for the protection of the City and the public and the continuity of pedestrian and vehicular traffic.

D. Franchisee must follow City-established requirements for placement of Facilities in Public Rights-of-Way, including the specific location of all Facilities, which includes, without limitation, Personal Wireless Facilities, in the Public Rights-of-Way, and must in any event install Facilities in a manner that minimizes interference with the use of the Public Rights-of-Way by others, including others that may be installing Communications Facilities.

The City may require that Facilities be installed at a particular time, at a specific place, or in a particular manner as a condition of access to a particular Public Right-of-Way area; may deny access if Franchisee is not willing to comply with the City’s requirements; and may remove, or require removal of, any Facility that is not installed in compliance with the requirements established by the City, or which is installed without prior City approval of the time, place, or manner of installation and charge Franchisee for all the costs associated with removal; and may require Franchisee to cooperate with others to minimize adverse impacts on the Public Rights-of-Way through joint trenching and other arrangements consistent with requirements the City imposes on other similarly situated franchisees or users of the Public Rights-of-Way.

E. Franchisee agrees that, as a condition of a permit for installation of conduit, the City may require it to install conduit in excess of its reasonably
foreseeable requirements for the purpose of accommodating the City where the City Manager determines it is appropriate to do so to minimize disruption of public passage or infrastructure, to forestall or relieve exhaustion of Right-of-Way capacity, or to protect environmentally sensitive areas; provided, that the City will be responsible for the additional costs, including material and labor, associated with installing such excess conduit if installed for City use; and provided further, that City’s use of any such excess conduit is limited to non-commercial, governmental uses.

F. To the extent possible and technically and operationally feasible, Franchisee shall use conduit existing at the time of permitting in installing its System.

G. Whenever all existing utilities are located underground in an area in the City, Franchisee, at its own cost, must also locate its Telecommunication System underground, including Telecommunication System Facilities, such as drops, which cross private property.

(1) Whenever the owners of poles locate or relocate underground within an area of the City, Franchisee shall concurrently relocate its Facilities underground at its own cost.

(2) Whenever an electric utility opens a trench for the purpose of installing or relocating Facilities underground, Franchisee shall concurrently relocate its Facilities underground and, if it uses the same trench, be responsible for its pro-rated share of the cost.
(3) The City Manager may, for good cause shown, exempt a particular portion of the Telecommunication System from the obligation to locate or relocate Facilities underground, where relocation is impractical, or where the interest in protecting against visual blight can be protected in another manner. Nothing in this Section 3.2.G prevents the City from ordering Franchisee to locate or relocate its Telecommunication System underground in areas where other existing utilities are ordered to locate or relocate their facilities underground under other provisions of the TMC, it being the intent that the number and extent of Overhead Facilities and the visual pollution resulting therefrom will, over time, be reduced and eventually, to the extent feasible, be eliminated.

H. Subject to subsection G(3) above, Franchisee shall participate in conversion to underground Local Improvement Districts (“LIDs”) at the same time as other utilities are required to participate in conversion to underground LIDs. Franchisee, at no cost to the City or abutting property owners, shall share fairly with other utilities the cost of undergrounding when done through the LID process. As part of its obligations under the TMC, Franchisee shall provide the preliminary cost estimate, facility conversion designs, and final cost estimates to any LID project coordinator in a timely manner. At the request of an LID project coordinator, Franchisee shall perform underground construction and movement of Customer connections underground (overhead reclaim), in coordination with the undergrounding services provided by other LID utilities, at no cost to the City or abutting property owners.
I. Franchisee shall promptly repair any and all Public Rights-of-Way, public property, or private property that is disturbed or damaged during the construction, operation, or maintenance of its Telecommunications System. Public property and Public Rights-of-Way must be restored in conformance with the City’s Right-of-Way Restoration Policy.

J. No tree trimming shall be performed without the permission of the City and other affected authorities, and any tree trimming must be performed in strict accordance with the TMC. Even if tree trimming is authorized by the City, Franchisee is liable for any damage it causes during the course of tree trimming.

K. In any dispute over the adequacy of a restoration relative to this section, the Tacoma Department of Public Works Director shall, in his/her sole discretion, make the final determination.

L. Franchisee shall not remove any Facilities except as hereinafter provided.

   (1) Franchisee shall not remove any Facilities which require trenching or other opening of the Rights-of-Way along the extension of the Facilities to be removed without the express permission of the City, which permission shall not be unreasonably withheld, conditioned, or delayed. Franchisee must request permission from the City to remove the Facilities at least 30 days in advance of the date Franchisee proposes to begin removal.

   (2) Franchisee shall remove such Facilities as the City orders it to remove; provided, that the City may not order removal where such removal is
primarily to give economic benefit or advantage to a competing provider of Telecommunications Service.

(3) Where trenching or other opening of the Rights-of-Way along the extension of Facilities to be removed is required, Franchisee must post bonds as the City may require ensuring that the property is promptly removed, with minimum disruption. Franchisee must restore the affected property in conformance with the City’s Right-of-Way Restoration Policy; and Franchisee must compensate those whose property it damages for the damage.

(4) Subject to the City’s rights to purchase the Telecommunications System under Section 2, Franchisee may voluntarily remove any Facilities from the streets which have been installed in such a manner that they can be removed without trenching or other opening of the Rights-of-Way.

3.3 Right To Inspect and Order Corrections. The City may, at its cost, inspect the Telecommunications System at any time reasonable under the circumstances to ensure compliance with this Franchise and applicable law, including to ensure that Franchisee’s Telecommunications System is constructed and maintained in a safe condition. If Franchisee’s representatives are not on-site performing work on the Telecommunications System, whenever feasible, the City shall give reasonable advance notice of its intent to inspect so that Franchisee may have a representative present during the inspection. If an unsafe condition is found to exist, the City, in addition to taking any other action permitted under applicable law, may order Franchisee in writing to make the necessary repairs and alterations specified therein forthwith to correct the unsafe condition on a time table.
established by the City which is reasonable in light of the unsafe condition. The City has the right to correct, inspect, administer, and repair the unsafe condition if Franchisee fails to do so in a timely manner, and to charge Franchisee therefor.

3.4 Information Regarding Ongoing Work. In addition to providing notice to the public of ongoing work as may be required under applicable law, Franchisee shall make available information regarding any ongoing construction, operation, or installation of its Telecommunications System sufficient to show (1) the nature of the work being performed; (2) where it is performed; (3) its estimated completion date; and (4) progress to completion.

4.1 Intent. The City shall have the right to administer and regulate activities of this Franchise up to the fullest extent of the law. The failure to reserve a particular right to regulate, or reference a particular regulation, shall not be interpreted by negative implication or otherwise to prevent the application of a regulation to Franchisee.

4.2 Remedies for Franchise Violations. The City has the right to exercise any and all of the following remedies, singly or in combination, in the event Franchisee violates any provision of this Franchise:

A. Draw upon the performance bond or other security provided under this Franchise; provided, however, such drawing shall be only in such a manner and in such amount as the City reasonably determines is necessary to remedy the default. Should the City take this action, Franchisee shall be
responsible for all direct and actual costs related to such action, including, but not limited to, actual legal and administrative costs:

B. Commencing an action at law for monetary damages;
C. Commencing an action for equitable or other relief;
D. Declaring the Franchise to be revoked; and/or
E. Seeking specific performance of any provision which reasonably lends itself to such remedy.

In determining which remedy or remedies for Franchisee’s violation are appropriate, the City may take into consideration the nature and extent of the violation, the remedy needed to prevent such violations in the future, whether Franchisee has a history of previous violations of the same or similar kind, and such other considerations as are appropriate under the circumstances. Remedies are cumulative; the exercise of one shall not foreclose the exercise of others.

4.3 Procedure for Remedying Franchise Violations. Before imposing liquidated damages, or drawing upon the performance bond or any other security set out in Section 6, the City shall follow the procedure below.

A. Notice of Violation. In the event that the City believes that Franchisee has not complied with the terms of this Franchise, the City shall notify Franchisee in writing, by certified mail, of the nature of the alleged noncompliance.

B. Franchisee’s Right to Cure or Respond. Except as provided in Section 4.3.D, Franchisee shall have 30 days from the receipt of notice described above to (a) respond to the City contesting the assertion of noncompliance, or (b) to cure such default or, in the event that by the nature of the default such
default cannot be cured within the 30-day period, initiate steps to remedy such
default as promptly as possible and complete the cure within a reasonable time.
The duty to cure includes the duty to cure all harms caused by the acts or
omissions of Franchisee which gave rise to the alleged non-compliance. At the
end of the 30-day period, Franchisee shall notify the City in writing of the steps it
has taken to cure the default, if any; if the cure is not complete, the reason it is not
complete and the projected date for completion; and if the default is disputed, the
complete basis for that contention.

C. Public Hearing. The City may schedule a public hearing to
investigate any alleged default. The City shall give Franchisee 20 calendar days’
notice of the time and place of the hearing and provide Franchisee with an
opportunity to be heard.

D. Action after Hearing. If the City determines after such hearing
that Franchisee did not timely cure, or initiate steps to cure the default in a timely
manner satisfactory to the City, after the notice required by Section 4.3.A was
provided, then the City may draw upon any performance bond, security fund, or
other security, including requiring performance under the guarantee; and impose
liquidated damages. However, notice and opportunity to cure are not required for
repeat violations, or for a failure to correct a default where Franchisee knew or
should have known it was in default; in such cases, the performance bond, letter of
credit, or other security may be drawn upon, the guarantor required to perform and
liquidated damages imposed after the hearing required by Section 4.3.C.
E. Liquidated Damage Amounts. Because any material failure to comply with the provisions of this Franchise by Franchisee will result in injury to the City, and because it may be difficult to estimate the extent of each such injury, Franchisee and the City agree to the following liquidated damages, which provisions represent the best estimate of the damages resulting from injuries of specific types. The amounts of the liquidated damages set forth in this Franchise are in 2017 dollars and shall be increased each year by the increase in the U. S. Department of Labor, Bureau of Labor Statistics, Consumer Price Index for Pacific Cities and U. S. City Average for the greater Seattle area. The amount of liquidated damages for all material violations of this Franchise for which actual damages may not be ascertainable shall be: $500 per day for each violation, for each day the violation continues. It is provided, however, that the City shall allow Franchisee a minimum of 30 days after notice to Franchisee of such neglect, failure, or refusal to comply within which to meet compliance or correct performance, prior to the assessment of any liquidated damages.

4.4 Failure to Enforce. Franchisee shall not be relieved of any of its obligations to comply promptly with any provision of this Franchise by reason of any failure of the City to enforce prompt compliance, and the City’s failure to enforce shall not constitute a waiver of rights or acquiescence in Franchisee’s conduct.

4.5 Force Majeure. Franchisee shall not be deemed in default with provisions of this Franchise where performance was rendered impossible by war or riots, civil disturbances, floods, or other natural catastrophes beyond Franchisee’s
control; the unforeseeable unavailability of labor or materials; or power outages exceeding back-up power supplies. The acts or omissions of affiliates shall not be deemed to be beyond Franchisee’s control, and the knowledge of affiliates shall be imputed to Franchisee. This Franchise shall not be revoked or Franchisee penalized for such noncompliance, provided that Franchisee takes immediate and diligent steps to bring itself back into compliance and to comply as soon as possible under the circumstances with this Franchise without unduly endangering the health, safety, and integrity of Franchisee’s employees or property, or the health, safety, and integrity of the public, Public Rights-of-Way, public property, or private property.

4.6 Alternative Remedies. No provision of this Franchise shall be deemed to bar the right of the City or Franchisee to seek or obtain judicial relief from a violation of any provision of this Ordinance or any rule, regulation, requirement or directive promulgated thereunder. Neither the existence of other remedies identified in this Franchise nor the exercise thereof shall be deemed to bar or otherwise limit the right of the City or Franchisee to recover monetary damages for such violation by Franchisee, or to seek and obtain judicial enforcement of Franchisee’s or City’s obligations by means of specific performance, injunctive relief or mandate, or any other judicial remedy at law or in equity.

4.7 Compliance with the Laws. Franchisee shall comply with all applicable federal and state laws and regulations, including regulations of any administrative agency thereof, as well as all applicable City ordinances, resolutions, rules, policies, and regulations heretofore or hereafter adopted or established during the
entire term of the Franchise; provided that, nothing herein shall prevent Franchisee from challenging a provision of laws that applies only to it as an impairment of contract. Nothing in this Franchise shall limit the City’s right of eminent domain under state law. Nothing in this Franchise shall be deemed to waive the requirements of any lawful code or resolution of the City regarding permits, fees to be paid, or manner of construction.

Section 5. Reporting Requirements.

5.1 Quarterly Reports. Within 30 days after the end of each of Franchisee’s fiscal quarters, Franchisee shall submit a written report to the City which shall contain a listing of all categories of Gross Receipts collected by Franchisee for its business activities as identified in Section 2.1, which are activities specifically taxable as a telephone business under TMC Title 6. Said written report shall be in sufficient detail and with sufficient explanation to enable the City to understand the report and to verify the accuracy of the report. In addition, Franchisee shall provide such other reports as may be required by Title 16B.

5.2 Annual Reports. In the event that changes in applicable laws allow the City to require a franchise fee as referenced at section 6 below, then no later than 120 days following the end of Franchisee’s fiscal year each year after the imposition of franchise fees, Franchisee shall present a written report to the City which shall include:

A. Audited financial statements for (1) Franchisee and (2) any affiliate which is involved in any way with the operation or ownership of the System; and a financial statement for Franchisee that includes Gross Receipts...
from all sources, gross Subscriber revenues from each category of service, as well as an income statement and a balance sheet. In the event any audited financial report has not been published by the date due under this section, then the audited financial report shall be deemed presented on time if presented within 30 days after publication.

All financial reports required under this section shall be presented to the City accompanied by such notes and explanations as are required to fully understand the reports. Such notes and explanations shall include, but not be limited to, an explanation of any and all deductions made from Gross Receipts for the calculation of fees or taxes to be paid to the City, as well as:

(1) A summary of the previous year’s activities for the Franchise Area, including, but not limited to, the total number of Customers, miles of Facilities, any services added or dropped, and any technological changes occurring in the system;

(2) Plans for the future; and

(3) Such other information as is required by Title 16B.

5.3 Additional Reports. Franchisee shall prepare and furnish to the City within 60 days of written request, to the person and address specified in the City’s request, in a form reasonably prescribed by the City, such additional reports with respect to Franchisee’s operation, affairs, transactions, or property as may be reasonably necessary and appropriate to ensure compliance with the material provisions of this Franchise, or to permit the performance of any of the rights, functions, or duties of the City in connection with the Franchise.
5.4 Preservation of Confidential Information. Trade secrets and confidential information designated as such by Franchisee shall be subject to such protection as provided in Title 16B or under chapter 42.56 RCW, or as otherwise provided by applicable laws. Franchisee shall be responsible for clearly and conspicuously identifying the work as confidential or proprietary, and shall provide a brief written explanation regarding its position on the protected status of the information under state or federal law. In the event that the City receives a public records request under chapter 42.56 RCW or similar law for the disclosure of information Franchisee has designated as confidential, trade secret, or proprietary, the City shall promptly provide notice of such disclosure so that Franchisee can take appropriate steps to protect its interests. Nothing in this section prohibits the City from complying with chapter 42.56 RCW, or any other applicable law or court order requiring the release of public records, and the City shall not be liable to Franchisee for compliance with any law or court order requiring the release of public records. The City shall comply with any injunction or court order obtained by Franchisee which prohibits the disclosure of any such confidential records.

6.1 Fees; Taxes.

A. State Prohibition of Franchise Fee. The parties understand that RCW 35.21.860 currently prohibits a municipal franchise fee for the intended use. Franchisee agrees that if this statutory prohibition is removed, the City may assess a reasonable franchise fee, to be agreed to by the parties if the statutory
prohibition is removed. The parties agree that this Section 6.1.A does not limit the right of Franchisee to challenge the franchise fee pursuant to 47 USC § 253.

B. Franchisee Subject to the City Telephone Business Tax.
Franchisee agrees that its activities in the City of Tacoma identified in Section 2.1, but excluding internet access service, are activities specifically taxable as a telephone business under TMC Chapter 6A, and are taxable at the rate specified in TMC 6A.40.050.D, now in effect or as amended, but excluding any Gross Receipts from the provision of internet access service. It is agreed that the amount of Gross Receipts to be taxed will include the amount of tax imposed on Franchisee by City ordinance. This Franchise does not limit the City’s power of taxation.

C. Franchisee Obligated to Pay Administrative Costs. In accord with RCW 35.21.860 as presently effective, and as it may be later amended, Franchisee must pay the City an amount sufficient to recover administration expenses incurred in receiving and approving this Franchise, including, but not limited to, the reasonable costs of outside consultants retained by the City to assist in the City’s consideration and processing of this Franchise application. The first $5,000 of said expenses will be covered by the $5,000 application fee deposited with the City. To the extent allowed by RCW 35.21.860 or other applicable laws, Franchisee may be required to pay other costs applicable to this Franchise and Franchisee’s activities hereunder. The amount of payment to be made by Franchisee to cover these administrative costs shall be determined by the Franchise Services Manager in conformance with applicable laws. Such obligation
further includes municipal fees related to receiving and approving permits or
licenses, inspecting plans and construction, or relating to the preparation of a
detailed statement pursuant to Chapter 43.21C RCW. Said fees must be paid
within 30 days of receipt of the City’s billing therefor.

D. Manner of Payment; Audit. Franchisee will pay the City

Telephone Business Tax specified in Section 6.1.B on a monthly basis

accompanied by Franchisee’s standard remittance form which specifies the net
taxable charges, the local tax rate, and the local tax due, plus penalties and/or
interest, if any is due. Franchisee shall make all other required fee payments in
the form, at the intervals, and in the manner requested by the City Treasurer, and
furnish him/her any information related to his/her revenue collection functions
reasonably requested. In case of audit, the City Treasurer may require Franchisee
to furnish a verified statement of compliance with Franchisee’s obligations or in
response to any questions. Said certificate may be required from an independent,
certified public accountant, at Franchisee’s expense. All audits will take place on
Franchisee’s premises or offices furnished by Franchisee, which shall be a location
within the City of Tacoma or other mutually agreeable place; however, Franchisee
must agree to pay the associated costs of travel. Franchisee agrees, within
30 days of written request of the City Treasurer, to provide, to the person and
address specified in the City Treasurer’s request, copies of all documents filed with
any federal, state, or local regulatory agency, to be mailed to the City Treasurer on
the same day as filed, postage prepaid, affecting any of Franchisee’s Facilities or
business operations in the City of Tacoma.
E. No Other Deductions. No deductions, including current or previously paid fees, shall be subtracted from the Gross Receipts amount except as allowed under state or federal law, upon which payments are calculated and due for any period, nor shall copyright fees or other license fees paid by Franchisee be subtracted from Gross Receipts for purposes of calculating payments.

F. Late Payments. Any fees owing which remain unpaid more than 10 business days after the dates specified herein shall be delinquent and shall thereafter accrue interest at the maximum allowable rate pursuant to RCW 19.52.020.

G. Period of Limitations. The period for commencing an action for the recovery of any fee payable hereunder shall be six years from the date on which payment by Franchisee is due, subject to tolling as provided as a matter of law or equity. Unless within six years from and after the due date for a particular payment the City makes written request to review Franchisee’s records with respect to such fee payment (either individually or as part of a broader request) recovery shall be barred with respect to such payment and the City shall be estopped from asserting any claims whatsoever against Franchisee relating to any alleged deficiencies in that particular payment.

6.2 Auditing and Financial Records. Franchisee shall manage all of its operations in the City of Tacoma in accordance with a policy of keeping books and records open and accessible to the City. Without limiting its obligations under this Franchise, Franchisee agrees that it will collect and make books and records for
operations in the City of Tacoma available for inspection and non-confidential
books and records for operations in the City of Tacoma for copying by the City in
accordance with Title 16B. Franchisee shall be responsible for collecting the
information and producing it. Books and records shall be made available for
inspection to the City at the Tacoma Municipal Building, or such other location as
the parties may agree. Notwithstanding any provision of Title 16B or this
Franchise, if documents are too voluminous or for security reasons cannot be
produced at the Tacoma Municipal Building or mutually agreeable location within
the City, then Franchisee may produce the material at another central location,
provided it also agrees to pay the additional reasonable costs incurred by the City
in reviewing the materials.

Franchisee shall take all steps reasonably required, if any, to ensure that it
is able to provide the City all information which must be provided or may be
requested under Title 16B or this Franchise, including by providing, or causing to
be provided, appropriate Subscriber privacy notices. Nothing in this section shall
be read to require Franchisee to violate 47 U.S.C. §§ 222 or 551 or to disclose or
make available to the City any books and records protected from disclosure under
other applicable law. Franchisee shall be responsible for redacting any data that
federal law prevents it from providing to the City; provided, that the City shall
promptly return or destroy upon Franchisee’s written request any data prohibited
by federal law to be provided to the City and erroneously provided to the City.
Records shall be kept for at least six years. In addition to maintaining all records
as required by Title 16B, Franchisee shall maintain records sufficient to show its
compliance with the requirements of this Franchise, and shall produce those records within 30 days of a City request.

Franchisee agrees to meet with a representative of the City upon request to review its methodology of record-keeping, financial reporting, computing fee obligations, and other procedures, the understanding of which the City deems necessary for understanding the meaning of reports and records.

The City agrees to request access to only those books and records, in exercising its rights under this section, which it deems reasonably necessary as part of a bona fide exercise of its authority over the Telecommunications System under this Franchise, Title 16B, or other applicable law. The City further agrees that it will withhold from public disclosure those books and records made available to it pursuant to this Section 6.2, but only to the extent that the City believes that it has the discretion to do so under state law. The City will, however provide notice to Franchisee of any request for such books and records so that Franchisee can engage whatever protective measures are available to it.

6.3 Performance Bond. At the same time it provides its Franchise acceptance to the City, Franchisee shall provide a performance bond to ensure the faithful performance of its responsibilities under this Franchise and applicable law, including, by way of example and not limitation, its obligations to relocate and remove its facilities, and to restore City Rights-of-Way and other property. The initial amount of the performance bond shall be $250,000. The amount of the bond may be changed from time to time to reflect changed risks to the City or to the public. Franchisee may be required to obtain additional bonds in accordance with
the City’s ordinary practices and/or pursuant to applicable TMC provisions. The bond shall be in a form and with a surety (authorized to do business in the state of Washington) reasonably acceptable to the City’s Risk Manager and in a form reasonably acceptable to the City Attorney. Franchisee shall pay all premiums or costs associated with maintaining the bond, and shall keep the same in full force and effect at all times during the Franchise Term.

6.4 Indemnification by Franchisee.

   A. Franchisee, by accepting this Franchise, agrees to release the City from and against any and all liability and responsibility in or arising out of, or by reason of, or resulting from or of the negligent acts, errors, or omissions of Franchisee during the construction, operation, or maintenance of the Telecommunications System, and, without limiting the provisions of Section 7.4, agrees not to sue or seek any money or damages from City, except to the extent Franchisee’s Telecommunication System is damaged by the negligent acts or omissions or willful misconduct of the City or its agents.

   B. Franchisee agrees to indemnify and hold harmless the City, its trustees, elected and appointed officers, agents, and employees, from and against any and all claims, demands, or causes of action of whatever kind or nature, and the resulting losses, costs, expenses, reasonable attorneys’ fees, liabilities, damages, orders, judgments, or decrees, sustained by any third party arising out of, or by reason of, or resulting from or of the acts, errors, or omissions of Franchisee or its agents, independent contractors, or employees related to or in any way arising out of the construction, operation, maintenance, or relocation of
the Telecommunications System, Franchisee waives immunity under Title 51 RCW and affirms that the City and Franchisee have specifically negotiated this provision, as required by RCW 4.24.115, to the extent it may apply.

C. Franchisee agrees that the covenants and representations relating to the indemnity provided in Sections A and B above shall survive the term/expiration/termination of this Franchise and continue in full force and effect as to Franchisee’s responsibility to indemnify, subject to the applicable statute of limitations.

6.5 Franchisee Insurance.

A. Franchisee shall maintain, throughout the term of the Franchise, adequate insurance, in Franchisee’s reasonable judgment, to protect the City, its trustees, elected and appointed officers, agents, and employees against claims and damages that may arise as a result of the construction, operation, or maintenance of the Telecommunications System. The City makes no representation as to what constitutes adequate insurance for Franchisee’s operations. The foregoing notwithstanding, Franchisee must maintain at least the minimum insurance coverages and amounts set forth in TMC 16B.05.090.

B. The required insurance must be obtained and maintained for the entire period Franchisee has facilities in the Public Rights-of-Way, and for six years thereafter. If Franchisee, its contractors, or subcontractors do not have the required insurance, the City may order such entities to stop operations until the insurance is obtained and approved.
C. Certificates of insurance, reflecting evidence of the required insurance and naming the City as an additional insured with all required endorsements on the Commercial General Liability and Automotive policies/coverages hereby required, shall be filed with the City’s Risk Manager. The certificate shall be filed with the acceptance of the Franchise, and annually thereafter, and as provided in Section E below.

E. In the event that the insurance certificate provided indicates that the insurance shall terminate or lapse during the period of the Franchise, Franchisee shall furnish, at least 30 days prior to the expiration of the date of such insurance, a renewed certificate of insurance as proof that equal and like coverage has been or will be obtained prior to any such lapse or termination during the balance of the period of the Franchise.

F. The City reserves the right to require any other insurance coverage it deems necessary during the term of the Franchise, depending upon the exposures; provided that such requirement(s) conforms with TMC 16B.

G. It is Franchisee’s responsibility to ensure that each subcontractor obtains and maintains adequate liability insurance coverage, and upon request of the City, Franchisee shall provide evidence of such insurance.
6.6 Security Fund. Franchisee shall establish a cash security fund or provide the City an irrevocable letter of credit or assignment of funds in the amount of $50,000 as additional security to secure the payment of fees owed, to secure any other performance promised in this Franchise, and to pay any taxes, fees, or liens owed to the City. Any letter of credit shall be in a form and with an institution acceptable to the City’s Director of Finance and in a form acceptable to the City Attorney. Should the City draw upon the cash security fund or letter of credit or assignment of funds, it shall promptly notify Franchisee and Franchisee shall promptly restore the fund or the letter of credit or assignment of funds to the full required amount. The City may from time to time change the amount of the required security fund/letter of credit/assignment of funds to reflect changes in the risks to the City and to the public, including delinquencies in taxes or other payments to the City.

7.1 Posting and Publication. Franchisee shall assume the cost of posting and publication of this Franchise, as such posting and publication is required by law, and such is payable upon Franchisee’s filing its acceptance of the Franchise.

7.2 Guarantee of Performance. Franchisee acknowledges that it enters into the Franchise voluntarily in order to secure and in consideration of the grant from the City of a ten-year Franchise. Performance pursuant to the terms and conditions of this Franchise agreement is guaranteed by Franchisee.

7.3 Governing Law and Venue. The Franchise shall be governed by and construed in accordance with the laws of the state of Washington without recourse.
to any principles of Conflicts of Laws, except that where federal law preemptively applies, it shall control. Any litigation between the City and Franchisee arising under or regarding this Franchise shall occur, if in the state courts, in the Superior Court of Pierce County, and if in the federal courts, in the United States District Court for the Western District of Washington.

7.4 No Recourse. Without limiting such immunities as the City or other Persons may have under applicable law, Franchisee shall have no monetary recourse whatsoever against the City or its officials, boards, commissions, agents, or employees for any loss, costs, expense, or damage arising out of any provision or requirement of Title 16B or because of the enforcement of Title 16B or the City’s exercise of its authority pursuant to Title 16B, this Franchise, or other applicable law, except to the extent Franchisee’s Telecommunication System is damaged by the negligent acts or omissions or willful misconduct of the City or its representatives.

7.5 Notice. Unless expressly otherwise agreed between the parties, every notice, billing, or response required by this Franchise to be served upon the City or Franchisee shall be in writing, and shall be deemed to have been duly given to the required recipient upon actual receipt or refusal of delivery and shall be sent by a nationally recognized overnight courier or by U.S. certified mail, return receipt requested, postage prepaid. The notices or responses to the City shall be addressed as follows:

City of Tacoma
Municipal Services Building
1224 MLK Jr Way
Tacoma, WA  98405
Attn:  Franchise Services Manager
The notices or responses to Franchisee shall be addressed as follows:

ExteNet Systems, Inc.
Attn: CFO
3030 Warrenville Road, Suite 340
Lisle, Illinois 60532

with copies to “General Counsel” at the same address.

The City and Franchisee may designate such other address from time to time by giving written notice to the other, but notice cannot be required to more than two addresses.

7.6 Execution. Franchisee shall execute and return to the City three original countersigned copies of this Ordinance and a signed acceptance of the Franchise granted hereunder within 30 days after the date of passage of the Ordinance by the City Council. The acceptance shall be submitted in the form attached hereto or other form acceptable to the City Attorney and in accepting the Franchise, Franchisee warrants that it has carefully read the terms and conditions of this Franchise and unconditionally accepts all of the terms and conditions of this Franchise and agrees to abide by the same and acknowledges that it has relied upon its own investigation of all relevant facts, that it has had the assistance of counsel, that it was not induced to accept a Franchise, that this Franchise represents the entire agreement between Franchisee and the City, and that Franchisee accepts all risks related to the interpretation of this Franchise. The countersigned Ordinance and acceptance shall be returned to the City accompanied by: evidence of insurance; a payment for publication costs; billable work order deposit; and the security fund deposit and performance bond.
The Franchise rights granted herein shall not become effective until all of the foregoing is received in acceptable form. In the event Franchisee fails to submit the countersigned Ordinance and acceptance as provided for herein, or fails to provide the required accompanying documents and payments, within the time limits set forth in this section, the grant of the Franchise shall be null and void.

Its ___________________________
ORDINANCE NO. 28471

AN ORDINANCE relating to retirement and pensions; amending Chapter 1.30 of the Tacoma Municipal Code, Retirement and Pensions, by amending Sections 1.30.350 and 1.30.360 thereof to increase the employer and employee contribution rates by a combined total of 1 percent, effective the first pay period in February 2018.

WHEREAS the Board of Administration of the City of Tacoma Employees’ Retirement System (“Board”), along with its actuary and investment consultant, continues to review the funding status of the Tacoma Employees’ Retirement System (“TERS”) on an ongoing basis to ensure the financial and actuarial soundness of the plan, and

WHEREAS, at its meeting of June 8, 2017, the Board voted to recommend to the City Council a 1 percent increase to the combined contribution rate, from 20 percent to 21 percent, based on the results of the most recent valuation report from the TERS actuary, as well as the guidance of the TERS’ Funding and Benefits Policy, and

WHEREAS, in order to accomplish the recommended increase, the Board is recommending an increase of 0.54 percent in the employer contribution rate, from 10.80 percent of pay to 11.34 percent of pay, effective as of the first pay period in February 2018; and an increase of 0.46 percent in the employee contribution rate, from 9.20 percent of pay to 9.66 percent of pay, effective as of the first pay period in February 2018, and

WHEREAS the proposed recommendation was presented and agreed to by the Joint Labor Committee on September 27, 2017, as required by its Collective Bargaining Agreement, and
WHEREAS, in anticipation of this request, a 1 percent combined contribution rate increase, beginning in 2018, was incorporated into the 2017-2018 Biennial Budget, and

WHEREAS this recommendation is being made in order to ensure and maintain the retirement benefits for the long term; Now, Therefore,

BE IT ORDAINED BY THE CITY OF TACOMA:

That Chapter 1.30 of the Tacoma Municipal Code is hereby amended by amending Sections 1.30.350 and 1.30.360 thereof as set forth in the attached Exhibit “A.”

**EXHIBIT “A”**

1.30.350 Contributions – Deductions.
The Director of Finance shall deduct 8.28 percent, including the required contributions by the member to the cost of living increase as provided in Section 1.30.665 hereof, from the compensation as defined in Section 1.30.130, and shall provide the Retirement Board with a certified copy of each time roll. The deduction shall be 8.74% effective as of the first pay period in 2011, and shall increase to 9.2% effective as of the first pay period in 2012. Each of the amounts so deducted by the Director of Finance shall forthwith be paid into the Retirement Fund and shall be credited by the Board to the individual account of the member. Regular interest shall be credited to each individual account upon such dates as may be determined by the Board. Every employee shall be deemed to have conclusively consented and agreed to the contributions deducted as above provided.

1.30.360 Contributions – City's share.
At the end of each payroll period, the Director of Finance shall determine the aggregate amount of covered payroll for each department and shall certify such aggregate amount to the Retirement Board and shall thereupon transfer to the Retirement Fund, hereinafter provided for, from the money appropriated for that purpose, that percentage of the aggregate covered payroll of each utility, the Retirement System and General Fund, which is determined by the Retirement Board based on actuarial investigation as the amount necessary to fund membership service, prior service, and basic service pensions on an actuarially-sound basis. Effective January 1, 2000, no contributions shall be made on overtime. The percentage is established at 9.72% and shall be 10.26% effective as of the first pay period in 2011, and shall increase to 10.80% effective as of the first pay period in 2012, including the required contributions by the City to the cost of living increase as provided for in Section 1.30.665, until increased or decreased on the basis of actuarial investigation, as hereinafter provided in Section 1.30.410. Said percentage shall be changed when found to be necessary to ensure the actuarial and financial soundness of the System. Regular interest shall be credited to the accumulated contributions of the City in the manner and upon such dates as may be determined by the Board.
