RESOLUTION NO. 39960

A RESOLUTION setting Tuesday, April 24, 2018, at approximately 5:15 p.m., as the date for a public hearing by the City Council on the proposed Tacoma Mall Neighborhood Subarea Plan and the Environmental Impact Statement, including adoption of the Subarea Plan, as recommended by the City Council Infrastructure, Planning, and Sustainability Committee.

WHEREAS the purpose of the Tacoma Mall Neighborhood Subarea Plan ("Subarea Plan") is to anticipate, support, and guide long-term community development in the Tacoma Mall Neighborhood Subarea, an approximately 580-acre area, which incorporates the current Tacoma Mall Regional Growth Center ("RGC") and a 90-acre proposed expansion area, and

WHEREAS the Tacoma Mall Neighborhood Subarea is a planned hub for jobs and housing growth, and includes regional retail destinations, a broad range of businesses, civic and governmental institutions, and a growing resident population, and

WHEREAS the Subarea Plan provides innovative planning and policy interventions to help the area achieve its potential as a thriving, livable, walkable and transit-ready neighborhood, and the proposed implementation actions will address urban form, land use, housing, transportation, environment, parks and open spaces, community empowerment, economic development, utilities and services, funding and implementation strategies, and

WHEREAS key proposed actions include the following: (1) a 90-acre expansion of the Regional Growth Center, and rezoning to allow mixed-use development; (2) changes to zoning and design standards to support urban form, facilitate effective transitions, and improve the pedestrian environment;
(3) an area-wide green stormwater strategy, and a 25 percent tree canopy target; (4) an area-wide transportation strategy, including capital investments, expanded transit services, and connectivity requirements with major development; (5) a parks and open space strategy to support urban form, livability, and environmental goals; (6) the promotion of housing options, complete neighborhood amenities, and a vibrant local culture; (7) the coordinated provision of infrastructure and services, and streamlined City environmental review; and (8) an action plan for collaborative implementation by the City, public partners, and the community, and

WHEREAS the City has issued a Final Environmental Impact Statement ("EIS") which concludes that the Subarea Plan is the preferred alternative due to its environmental and community benefits, and its coordinated approach to mitigating development impacts, and

WHEREAS the City is currently developing an addendum to the EIS to ensure that it reflects the recent modifications to the proposed Subarea Plan, as recommended by the City Council Infrastructure, Planning and Sustainability Committee on February 28, 2018, as follows: (1) to reduce the proposed RGC expansion area by approximately 28 acres, while still adding approximately 90 acres to the existing RGC, and leaving the current M-1 Light Industrial District zoning in place outside of the revised boundary; (2) amend the zoning strategy for the Madison District to require 35 dwelling units per acre minimum; allow 75 feet of height outright; and require affordable housing for any project over
15 dwelling units; (3) increase regulatory thresholds and flexibility for proposed
large-block connectivity review and pedestrian/bicycle standards; (4) update
parks and open space for consistency with Metro Parks Tacoma’s 2018 Strategic
Plan update; and (5) prohibit townhouse front doors from facing alleys, unless the
alley is fully improved with pavement, sidewalk and street trees, and

WHEREAS adoption of this Subarea Plan will help to set the stage for the
needed Federal, State, and regional funding and implementation actions to
promote growth within the designated Tacoma Mall Regional Growth Center, and

WHEREAS, pursuant to TMC 13.02, the City Council is required to
conduct a public hearing before enacting any amendments to the Land Use
Regulatory Code, and

WHEREAS the City desires to fix a time and date for public hearing for the
purpose of considering the proposed Tacoma Mall Neighborhood Subarea Plan and
the Environmental Impact Statement, including adoption of the Subarea Plan, as
recommended by the City Council Infrastructure, Planning, and Sustainability
Committee; Now, Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:
Section 1. That Tuesday, April 24, 2018, at approximately 5:15 p.m., is
hereby fixed as the time, and the City Council Chambers on the First Floor of the
Tacoma Municipal Building, 747 Market Street, Tacoma, Washington, as the
place when and where a public hearing shall be held on the proposed
Tacoma Mall Neighborhood Subarea Plan and the Environmental Impact
Statement, including adoption of the Subarea Plan, as recommended by the City Council Infrastructure, Planning, and Sustainability Committee.

Section 2. That the City Clerk shall give proper notice of the time and place of said hearing.

margin of South Tacoma Way;

Thence North 44°58'09" East, along said Northwesterly
margin, 34.44 feet to the beginning of a non-tangent curve,
concave Northwesterly, from which point a radial center bears
North 62°39'10" West 477.00 feet, said point also being on the
Westerly line of that certain area granted to the City of
Tacoma and described in deed filed under Auditor’s Fee
Number 1719873;

Thence, counter-clockwise, along the arc of said curve,
through a central angle of 24°14'04", a distance of 201.76 feet
to the North line of said Lot 17;

Thence North 82°35'31" East, along said North line, 8.08 feet
to the Point of Beginning.

Contains 5,891 +/- square feet;

Now, Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

Section 1. That Thursday, May 3, 2018, at 1:30 p.m., is hereby fixed as
the date and time, and the Council Chambers on the first floor of the Tacoma
Municipal Building, 747 Market Street, in the City of Tacoma, as the place when
and where said request will be heard by the Hearing Examiner and his
recommendations thereafter transmitted to the Council of the City of Tacoma.
Section 2. That the Clerk of the City of Tacoma shall give proper notice of the time and place of said hearing.

File No.: 124.1387
RESOLUTION NO. 39962

A RESOLUTION relating to public works projects; authorizing the acceptance of three grants, in the total amount of $5,244,281, for deposit into various Capital Project funds, to fund various Public Works projects, including pedestrian facilities, trails, bikeways, and pedestrian railroad crossings.

WHEREAS the City has aggressively applied for grants for numerous infrastructure projects, and in 2017, six Public Works projects ("Projects") were selected to receive approximately $21,300,000 in grant funds, which funds were accepted by the City on January 30, 2018, pursuant to Resolution No. 39924, and

WHEREAS, in 2018, the City received grant award letters for three additional grants, with the total grant funding from the grant application cycle being approximately $26,500,00, and

WHEREAS these Projects will improve the safety and well-being of citizens by providing pedestrian and bicycle facilities; constructing trails; adding or upgrading facilities to meet the Americans with Disabilities Act; upgrading pedestrian crossings; and improving pedestrian railroad crossings, and

WHEREAS the Projects identified in the attached Exhibit "A" have been selected to receive grant funds, and

WHEREAS two of the three Projects will require City matching funds, as follows: (1) revitalizing Tacoma’s Brewery District with complete streets – Phase 1, in the amount of $524,501, through the Streets Initiative Fund; and (2) Pipeline Trail – Phase 3, in the amount of $430,000, through the Streets Initiative Fund, and
WHEREAS, under the grant process guidelines, the City Council must approve acceptance of grant funding; Now, Therefore, 

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

Section 1. That the proper officers of the City are hereby authorized to accept $5,244,281 in federal grant funding from the Washington State Department of Transportation and the Puget Sound Regional Council, for deposit into various Capital Project Funds, to fund three Public Works projects, including pedestrian facilities, trails, bikeways, and pedestrian railroad crossings, all as set forth in the attached Exhibit “A.”

Section 2. That the proper officers of the City are hereby authorized to execute grant agreements with the Washington State Department of Transportation and the Puget Sound Regional Council, for the administration of the funding accepted pursuant to Section 1, said documents to be substantially in the form of the proposed grant agreements on file in the office of the City Clerk.

Section 3. That the various programs and projects referred to in the attached Exhibit “A” shall not be implemented or carried into effect until such time as the same have been further reviewed, if necessary, by the appropriate
officers and employees of the City and the making of such technical adjustments as may be required to carry out such programs and projects.

ORDINANCE NO. 28496

AN ORDINANCE reestablishing a Downtown Tacoma Business Improvement Area for a ten-year period; approving the budget, program, and special assessment upon real property, and the owners thereof, within the area; and providing for the deposit of revenues in a special account, and expenditures therefrom.

WHEREAS the owners of property subject to 50 percent or more of the special assessment levied filed a petition with the City of Tacoma to reestablish a Downtown Tacoma Business Improvement Area ("BIA"), pursuant to RCW 35.87A, a copy of the petition being on file with the City Clerk and contained in this ordinance file, and

WHEREAS the City Council, pursuant to Resolution No. 39916, adopted January 23, 2018, declared its intent to reestablish a Downtown Tacoma BIA, pursuant to RCW 35.87A, and

WHEREAS, as provided in Resolution No. 39916, the City Council held a public hearing on February 20, 2018, concerning the formation and continuation of the Downtown Tacoma BIA and the imposition of special assessments on real property (and property owners) within such Downtown Tacoma BIA, prior to the adoption of this ordinance; Now, Therefore,

BE IT ORDAINED BY THE CITY OF TACOMA:

Section 1. District Established.

A. That, as authorized by RCW 35.87A, there is hereby reestablished a Downtown Tacoma Business Improvement Area within the following-described boundaries (when a street or alley is named, the district boundary is the center line of the right-of-way unless otherwise stated):
Beginning at Broadway and 6th Avenue, then west on 6th Avenue to South Baker Street, south on South Baker Street to Fawcett Avenue, south on Fawcett Avenue to South 21st Street, west on South 21st Street to Tacoma Avenue South, south on Tacoma Avenue South to South 23rd Street, east on South 23rd Street to Jefferson Avenue, south on Jefferson Avenue to South 23rd Street, east on South 23rd Street to A Street, north on A Street extended to South 15th Street, then northeasterly to South 14th Street and Cliff Street extended, then north on Cliff Street extended to South 12th Street and the west right-of-way line of Schuster Parkway, then northwesterly along Schuster Parkway to its connection to Stadium Way, then north on Stadium Way to the north end of Parcels 200505-0050 and 200202-0060, then east along the parcel lines to Broadway, then north to the beginning at 6th Avenue;

said area being hereinafter called the “District” or “BIA” (Business Improvement Area).

The District may be expanded to contiguous areas within the planning boundaries for Working Definition of Downtown upon the petition of property owners representing more than 50 percent of assessed valuation of an area, the approval of the Local Development Council of Tacoma, and pursuant to the procedures outlined in RCW 35.87A.075.

B. Termination of District.

1. The BIA and the special assessment upon properties shall continue for a period of ten years (commencing May 1, 2018) unless, at least 180 days prior to such termination, a petition is submitted to the City requesting the continued existence of the BIA, with such petition documenting approval of the owners of the property in the BIA who will pay 50 percent or more of the annual special assessment for the District.
2. The BIA and the special assessment therefore shall terminate within one year (or such longer period as set forth in the termination petition) from the date of submission to the City of a petition containing the signatures of the owners of the property in the BIA who pay 50 percent or more of the annual special assessment requesting termination of the BIA and levy.

Section 2. District Assessment.

A. That all real property, inclusive of land and buildings (and the owners thereof) within the boundaries of the District, will be specially benefited by the purposes for which the District is being established; and such property (and the owners thereof) shall be subject to a special assessment as authorized by RCW 35.87A.010, this ordinance, and amendments thereto.

B. That the benefit to the property (and the owners thereof) subject to the special assessment, and to the BIA as a whole, is a special benefit which would not otherwise be available but for the activities, programs, and special services carried out with funding provided by the special assessments authorized herein; and that such special benefits, and the increase in value of the property in the BIA resulting therefrom, and the increased opportunity which is created for each property (and the owners thereof) within the BIA to benefit from the BIA programs, activities, and special services, are hereby found to be commensurate with, or in excess of, the amount of the assessment under this ordinance.

Section 3. Purposes and Programs. Special assessment revenues shall only be used for the following types of purposes, programs, services, and
administrative and collection costs associated therewith in accordance with the
Work Plan, attached as Exhibit “A”:

A. Security. The operation of a security program is to: (1) provide
enhanced security for common areas and for people, which may include, but is not
limited to, dissemination of information relative to security, and (2) provide
additional security through a combination of public and private personnel and
facilities; and such other measures or activities as will accomplish the above-stated
objectives, and also assist in changing the perception that the District is an
undesirable or unsafe area.

B. Maintenance and appearance enhancement of common areas, such as
the sweeping and cleaning of sidewalks, the removal or covering of graffiti, the
removal or prevention of litter, and such other related activities or services which
would enhance the appearance of the area and encourage the general public to
increasingly visit and do business in the District.

C. Provide professional management, planning, and promotion for the area,
including the management and promotion of retail trade activities in the area,
generate favorable publicity, promote the District and the property and businesses
therein as a clean, safe, and inviting area, and attract customers, visitors,
businesses, and other investments as deemed appropriate and approved by the
ratepayers.

This listing of programs is illustrative and not exclusive. All such activities
are to be supplemental to City of Tacoma street maintenance and normal police
staffing or security, at the level previously and regularly provided by the City, and
are not to displace any services previously and regularly provided by the City. The specific programs, activities, and services to be funded with the special assessment will be determined annually at the time the City Council approves the annual budget for the District for the ensuing year, in the manner as more specifically set forth in Section 12 below. The budget, programs, activities, and services for the first annual period of the renewed BIA shall be approved pursuant to Section 13 below.

Section 4. Levy of Special Assessment. To finance programs and services authorized in Section 3 above, there is levied and shall be collected an annual special assessment upon the buildings and other real property within the District (and the owners thereof), at the following rates, in accordance with the rates and budget established in Exhibit “B”:

A. Use Assessments.

1. Property improved with buildings containing office, retail, and commercial uses (unless such building or use falls within another classification as below provided), shall be assessed up to the annual rate of $0.16 for each square foot of the total gross square footage of such building used for such uses.

2. Unimproved land, surface parking lots, parking garages, warehouse and storage facilities, churches, or similar buildings which are only substantially occupied for the intended use once or twice a week; those portions of buildings used for transient lodging; and buildings which are vacant and unoccupied for more than two years pursuant to Section 4.D may be assessed at
the annual rate of up to $0.10 per square foot of the gross square footage of such building or of the surface area of the land, whichever is greater.

B. Land Assessments. Parcels within the boundaries may be assessed at the annual rate of up to seven cents per square foot of the total gross size of such parcels. Properties owned and occupied by a state or federal government agency are exempted from the land assessment.

C. “Gross square footage,” as used herein, shall mean all floor area within the exterior surfaces of the exterior walls, including lobbies, washrooms, janitor’s closets, building stairs, fire towers, elevator shafts, flues, vents, stacks, pipe shafts, vertical ducts, basement areas, areas of exterior exit stairways and balconies, and those parts of other exterior balconies and walkways under roof overhangs.

Pursuant to RCW 35.87A, the ordinance, or amendments thereto, may provide for reasonable classification of businesses for purposes of determining the rate to be charged, which rates may be lower than those set forth herein, areas assessed, and may provide for exemptions from assessments as may be appropriate.

D. A portion of a building which is vacant in excess of two years may qualify for assessment under Section 4.A.2 pursuant the following:

1. Term of vacancy shall be evaluated at the commencement of the next annual assessment period.

2. A vacant area shall be deemed to be occupied and assessable at the occupied rate at the commencement of the next annual assessment period unless, prior thereto, the owner of the building or owner’s representative shall give written certification to the City that the space in question still remains vacant.
3. More than 50 percent of the building’s gross floor area must be vacant.

4. If less than 50 percent of the building is occupied and assessable under Section 4.A.1, only that portion of the building that is occupied shall be assessed under Section 4.A.1. The remaining unoccupied portion of the building shall be assessed under Section 4.A.2.

Section 5. Calculation of Assessments.

A. The gross building square footage and parcel area shall be initially determined from the records of the Pierce County Assessor-Treasurer, subject to adjustment thereafter upon a finding that the actual area on which the assessment is to be calculated or the use thereof is different from that shown on the Pierce County Assessor-Treasurer’s record. It is presumed that Section 4.A.1 applies to buildings unless adequate evidence is made available that Section 4.A.2 is applicable. The burden of proof shall be on the ratepayer questioning the assessment.

B. The initial assessment and subsequent annual assessments showing the rate of the special assessment, the gross square footage on which it is calculated, and the total assessment for each separate ownership shall be mailed to the owner or reputed owner whose name appears as the owner on the tax rolls of the Pierce County Assessor-Treasurer and at the address for such owner as shown on the tax rolls of the Pierce County Assessor-Treasurer. Subsequent annual assessments, with the applicable rate, gross square footage, and total assessment for each separate ownership, may be sent by regular mail or delivered.
by the City to the owner or reputed owner as contained in the records of the City
Treasurer and at the address for such owner or reputed owner as contained in the
records of the City Treasurer, and if no addresses is shown there, to the address
shown in the tax records of the Pierce County Assessor-Treasurer. It will be
presumed that ownership and the address of any owner or reputed owner remains
the same as at the time of mailing of the initial annual assessment, unless the City
Treasurer receives written notice of a change in the address of the owner to which
the assessment notice is to be mailed. Duplicate notices will be mailed upon
request of the owner to the owner’s named representative at the address given in
such written request by the owner.

C. Any increase of the assessment rate in order to produce a total
assessment equal to the approved annual budget will not exceed the maximum
assessment rates as set forth in Section 4 above, and as Section 4 may be
amended, except to the extent that such excess amount is equal to or less than the
inflation in prices which has occurred since the date of the first annual assessment,
as measured by the Consumer Price Index more specifically defined in Section 14
below. Any unexpended and unobligated budgeted amount remaining at the end
of any annual assessment period, and any assessments or funds collected and
deposited in the District Fund in excess of the amount authorized to be expended
for the annual assessment period in which such excess amounts are received,
may be expended as authorized by: (1) the next annual BIA budget approved by
the City Council, (2) amendment to the current annual budget, as approved by the
City Council, pursuant to Section 20 below, or (3) preserved in the District Fund for future expenses.

Section 6. Exemptions. Public rights-of-way and property owned by the state and federal government shall be exempt from the special assessment, provided that nothing herein shall preclude the state or federal government from agreeing to make payment for any such assessment. Property owned by the City and leased to the federal government for an initial term of at least ten years shall be exempt from the special assessment for the term of the lease and any extension thereof, except such exemption shall not apply if the federal government agrees to pay or voluntarily pays the special assessment as to such property.

Section 7. Collection Schedule. Insofar as is consistent with this ordinance and RCW 35.87A, special assessments shall be collected on an annual basis, with payments due on June 1 (or the first City business day thereafter) or within 30 days after mailing to the property owner the first notice of the amount of the annual special assessment due, whichever date is later. A property owner may elect to make payment in two equal, semiannual installments, the first due on June 1 (or the first City business day thereafter) or within 30 days after mailing to the property owner the first notice of the amount of the annual special assessment due, whichever date is later, and the next installment to be due on December 1 (or the first City business day thereafter), provided: (a) failure to make timely payment in May (unless such date be extended by late mailing of notice) makes the entire annual assessment due and payable, and (b) a charge of $20 shall be added to semiannual payments to cover the cost of processing. The special assessment
upon property (and the owner thereof) which becomes assessable by reason of loss of exemption, or which becomes assessable at a different rate by reason of a change in occupancy or use, shall be adjusted to reflect such rate change at the commencement of the next annual assessment period. Upon termination of the BIA, pursuant to Section 1.B or otherwise, no refunds for overpayments of assessments shall be made to persons paying such overpayments, unless there are sufficient funds in the District Fund to pay such overpayments after payment of all other costs, debts, or liabilities incurred on or payable from the District Fund. If there are sufficient funds remaining to refund some of the overpayments, but not all, such refunds shall be prorated among those who have made timely claims pursuant to Section 16 below, and are entitled to such refunds.

Section 8. Deposit into Fund. A special fund is hereby created, to be called the Downtown Business Improvement Area Fund, hereafter called the “District Fund,” into which shall be deposited:

A. All revenues from special assessments levied under this ordinance;
B. Interest, late charges, penalties, and income from the investment of fund deposits;
C. Gifts and donations to the fund; and
D. Restitution monies for expenditures made from the fund and reimbursement due the fund.

Section 9. Expenditures. Expenditures from the District Fund, as may be authorized by the City Council, shall be used exclusively for the purposes specified in this ordinance and shall not be used for any other purpose.
Section 10. Administration. The City Manager, or such other City officer(s) as the City Manager may designate to act in the City Manager’s stead, shall administer the District for the City, with authority to:

A. Classify property and ratepayers within the types of use under Section 4 above, determine the gross square footage of buildings and land for assessment purposes, determine the rate applicable to a ratepayer when classifications overlap, and resolve ambiguities in the application of rates. In determining gross square footage, the designated City official may rely on figures supplied by the Pierce County Assessor, the Local Development Council of Tacoma (“LDC”), or a lease agreement, without making measurements directly.

B. Collect the special assessments, refund special assessments when overpaid, and extend the deadline for payment and/or waive delinquency charges and interest whenever the delinquency is the result of the failure by the City to provide a statement of the amount due, or nonpayment results from extenuating circumstances beyond the ratepayer’s control, such as a casualty loss.

C. Determine and apply the interest rate for late payments contemplated by Section 17.

D. Establish a schedule of proportionate payments for new ratepayers first becoming subject to the assessment after May 1 of the year.

E. After consultation and with the advice of the LDC, or its successor, take such other action as is necessary and appropriate to carry out contemplated programs with special assessments.
F. Refer for initial determination and recommendations thereon questions pertaining to determination of gross square footage, rates, building use, and other questions pertaining to an application of the special assessment on a particular property or property owner to the LDC, or its successor, in accordance with the contract to be approved between the LDC and the City. Such initial determination and recommendation by the LDC shall be advisory, and the City Manager or the designated City official may adopt, amend, or reject such recommendation in making administrative determinations hereunder. Any determination hereunder by the City Manager or the designated City official may be appealed to the Hearing Examiner, and from the Hearing Examiner to the City Council, in the manner authorized pursuant to Section 16 below.

G. Direct the appropriate officers of the City to pursue collection procedures, including bringing legal civil actions in district or superior court, to collect any unpaid assessments and to collect such unpaid assessments by foreclosure action against the property on which it is assessed in accordance with laws applicable to foreclosure of local improvement district liens, and/or to collect by civil action such unpaid assessment by judgment against the owner.

Section 11. Advisory Board. The Board of Directors of the LDC, or its successor, shall serve as an advisory board in carrying out a contract for program management of activities and programs to be funded through special assessments. The advisory board shall contain members representative of the classifications subject to assessment. The City Manager may appoint City representatives in a nonvoting capacity to the advisory board.
Section 12. Annual Budget/Annual Assessment Amount. On or before March 1 of any year, after consultation with the LDC (or its successor) and any established ratepayers’ advisory board (as may be provided in the management contract), the City Manager, or designee, shall submit to the City Council the following: (a) a statement of the proposed programs and activities to be conducted during the ensuing fiscal year (May 1 through April 30); (b) the proposed annual budget; and (c) a statement of any adjustment to the assessment rates required for financing the proposed activities and budget for the ensuing fiscal year. See attached Exhibit “A” for the 2018-2019 Work Plan, and Exhibit “B” for the 2018-2019 Budget.

After receipt of the proposed budget, and if a hearing is required under chapter 35.87A RCW, the City Council will adopt a resolution setting the time and place for a hearing to be held by the City Council to consider the proposed activities and budget. Notice of the hearing shall be given by: (a) one publication of the notice of hearing in a newspaper of general circulation in the City; and (b) mailing a copy of the proposed activities, budget, and assessment rates for the ensuing fiscal year to the owner or reputed owner of property in the District whose names appear as the owners on the records of the City Treasurer, at the address for such owners as shown on the records of the City Treasurer, or at such other address for a particular owner as such owner may have previously requested in writing; or, if no address is shown there, to the address shown in the tax records of the Pierce County Assessor/Treasurer.
At the time fixed for the hearing, and at the times to which the hearing may be adjourned, or in the event a hearing is not required under chapter 35.87A RCW, the City Council may correct, revise, modify, and amend the proposed activities, budget, and assessment; and, thereafter, the City Council may approve, by ordinance or resolution, said activities, budget, and assessment as proposed or as modified. Upon City Council approval, the assessment roll shall be filed with the City Treasurer and billings for the ensuing annual assessment shall be mailed to the property owners in the District. Any property owner wishing to object to the special assessment billed shall file an appeal consistent with Section 17.

Filed with the office of the City Clerk prior to the passage of this ordinance is a map showing the boundaries of the BIA and a list showing each lot and parcel to be assessed and the rate and amount assessed, as authorized herein, against each lot and parcel (and the owner thereof), together with improvements thereon. Such list, together with the assessments as shown, is referred to as the “Annual Assessment Roll,” which is hereby approved and confirmed. Initial assessments shall be made in accordance with the approved Annual Assessment Roll; and subsequent annual assessments shall be made in accordance with subsequent Annual Assessment Rolls as may be amended to reflect changes in the per-square-foot rate of the assessment, amended to reflect correction of errors in the computation of an assessment as to a particular property, or as may otherwise be amended by the City Council. The City Treasurer or other City official, as authorized herein, is hereby directed to collect the initial annual assessments as shown on the Annual Assessment Roll and collect subsequent annual
assessments, as may be shown on subsequent Annual Assessment Rolls, as the
same may be amended or corrected.

Section 13. Approval of Expenditures/Contract for Program Management.
The first annual budget for the first year of the renewed BIA and activities,
services, and projects to be funded with the special assessment proceeds, as set
forth in the materials on file with the City Clerk, are hereby approved. There is
hereby appropriated and authorized to be expended from the District Fund the sum
of $1,303,100, or so much thereof as may be necessary, for the purposes,
projects, activities, and services approved for the first year of the renewed BIA.

The Downtown Business Improvement Area Budget for 2018-2019 is
recommended at $1,303,100, compared to a total budget of $976,820 for the
previous year. This increase in expenditure is attributable to cover costs
associated with the expansion of boundaries, services, and availability of services.
The high and low intensity use rates are set to remain at $0.107 and $0.057 per
square foot, respectively. Due to the expanded footprint, the intensity use
assessments will generate $194,726 in additional revenue. The renewal adds a
parcel or land area assessment at a rate of 0.03 per square foot. The parcel area
assessment will generate $159,180.

Unless otherwise authorized by the City, the total amount to be specially
assessed and expended in subsequent years shall be as set forth in the annual
budget approved by the City. The particular programs and services to be provided
for each subsequent annual period and the amount of funding thereof shall be
approved by resolution or ordinance of the City Council, as provided by Section 12
above. The City may enter into a contract subject to approval by City Council with
the LDC to administer the projects and activities for the first year of the renewed
BIA and each annual period thereafter, the term of which contract to be effective
from May 1 through April 30 of each BIA year, unless a suitable successor
organization is recommended by (a) a majority of the votes of the ratepayers at
their annual meeting weighed by the dollar value of their assessments, (b) a
petition signed by ratepayers paying a majority of the assessments, or (c) by the
association itself.

Section 14. Rate Changes. Any change in the assessment shall only be
made by ordinance and as authorized in RCW 35.87A.130-140. Upon the
recommendation of the advisory board, the City may, from time to time by
ordinance, increase or reduce assessment rates to reflect changes in programs or
program costs. The maximum rates are established in Section 4. These rates
may only be exceeded to reflect changes in the purchasing power of money as
measured by the Seattle-Tacoma Consumer Price Index for All Urban
Consumers (CPI-U), published by the United States Department of Labor, Bureau
of Labor Statistics (on or about October of each year), or a suitable, comparable
index recommended by the advisory board.

Section 15. Non-transferability. Responsibility for BIA assessments
remains with the property owner or ratepayer; provided, however, ratepayers are
not precluded from recovering assessment costs through their normal lease
negotiation processes.
Section 16. Notices. Notices of assessments, installment payments, or
delinquency, and all other notices contemplated by this ordinance, may be sent by
regular mail or delivered by the City to the address shown on the records of the
City Treasurer, and, if no address is shown there, to the address shown in the tax
records of the Pierce County Assessor-Treasurer. Failure of the ratepayer to
receive any mailed notice shall not release the ratepayer from the duty to pay the
assessment or pay said assessment on the due date, together with any
delinquency charges, except as authorized by Section 10.B above.

Section 17. Disputes/Appeals.

A. Correction of Assessment/Initial Appeal. Any person having been issued
a notice of assessment, interest, and/or penalties may appeal the assessment and
a conference for examination and review of the assessment. The petition shall be
filed in the office of the City Clerk within 30 days after issuance of the original
notice or the period covered by any extension of the due date thereof granted by
the City Manager, or designee (referred to as the “City official”). The initial appeal
shall set forth the amount of assessment, interest, and/or penalties, if any, which
the petitioner believes should be reduced or refunded and the reason such
correction should be granted.

The City official shall promptly consider the initial appeal, and may grant or
deny the appeal. If denied, the petitioner shall be notified by mail thereof, together
with the reasons for such denial. If a conference is granted, the City official shall
fix the time and place therefor and notify the petitioner thereof by mail. Prior to the
date set for the conference, the City official may also request, but not require, the
petitioner to meet with a board of arbitrators (which may be provided for under the contract with the LDC) in order to receive recommendations from the board on such matter. After the conference with the City official, the City official may make such determinations as may appear to be just and lawful and consistent with the provisions of this ordinance, and shall mail a copy of such determination to the petitioner. If no such initial appeal is filed within the 30-day period specified in this Section 17, the assessment covered by the notice shall become final and any right to contest or appeal such assessment amount shall be deemed conclusively waived. No previous assessments shall be reconsidered if a timely initial appeal is not made.

B. Appeal to Hearing Examiner. Any person having received a notice of denial of a petition or a notice of determination made under Subsection A above may appeal the same to the City’s Hearing Examiner within 20 days from the date of the notice of such denial or determination. In the notice of appeal, the petitioner shall set forth the amount of the assessment, interest, and/or penalties which the petitioner contends should be reduced or refunded and the reason for such reduction or refund. The appeal shall be perfected by filing a copy of the notice of appeal in the office of the City official making the denial or determination and filing the original thereof in the office of the Hearing Examiner within the time specified herein. The appeal before the Hearing Examiner shall be conducted in accordance with the rules of practice and procedure as set forth in Chapter 1.23 of the Tacoma Municipal Code (“TMC”). In such proceeding, the petitioner shall be deemed the plaintiff and the City official denying the petition or making the
determination being appealed shall be deemed the defendant. The burden shall rest on the plaintiff to prove that the assessment, together with any interest or penalties thereon, is incorrect, either in whole or in part, and to establish the correct amount thereof.

C. Appeal to City Council. Either party designated in Subsection B above as plaintiff or defendant may appeal the decision of the Hearing Examiner to the City Council. Such appeal shall be within the time and in accordance with the rules and procedures as set forth in TMC 1.23 and 1.70. The burden of proof shall remain upon the plaintiff (ratepayer) to prove that the assessment in question is incorrect, either in whole or in part, and to establish the correct amount of the assessment and any interest or penalties thereon.

D. Extension of Time. The time for payment of any assessment, interest, or penalties payable under this ordinance shall not be extended by reason of any claim by the ratepayer that the amount thereof is incorrect or by reason of the filing of a petition or appeal hereunder. If the City official finds that the nonpayment by a petitioner to pay any assessment by the due date was the result of circumstances beyond the control of the petitioner, interest or penalties imposed under this ordinance, with respect to such assessment, may be waived.

Section 18. Delinquent Payments. If an assessment has not been paid within 30 days after its due date and the ratepayer has been making prompt payments in the past, the City official in charge of assessment collections shall send a reminder notice and add a $50 processing fee. If the assessment is not paid within 60 days after its due date, a delinquency charge shall be added in the
amount of 10 percent of the assessment, in addition to the processing fee. All assessments which are not paid when due shall also bear interest at the rate of 12 percent from the payment due date.

Section 19. Collection/Foreclosure. Whenever any annual assessment which the ratepayer has elected not to make in two semi-annual payments, or any semi-annual installment of an assessment under this ordinance shall be delinquent for more than 30 days, the entire annual assessment shall be due and payable and shall constitute a lien on the property assessed. The collection thereof may be enforced through foreclosure action on the property assessed in the manner as provided for collection and foreclosure of local improvement district assessments, pursuant to RCW 35 (including, but not limited to Chapters 35.44, 35.49, and 35.50), and applicable provisions of the TMC.

Alternatively, or as a cumulative remedy, the delinquent assessment may be collected from the ratepayer liable therefor by civil action in either district or superior court.

Section 20. Disestablishment of Area - Assets and Liabilities. Upon disestablishment or termination of the BIA and in accordance with RCW 35.87A.190, any proceeds of the special assessments or assets acquired with such proceeds, or liabilities incurred as a result of the formation of such BIA, shall be subject to disposition as the City Council shall determine; provided, however, that any liabilities, either current or future, incurred as a result of action taken to accomplish the purposes of RCW 35.87A.010 or the purposes of the BIA shall not be an obligation of the General Fund or any special fund of the City, but
such liability shall be provided entirely from available revenues generated from the
special assessments under this ordinance.

Section 21. Changes in Budget. If the City Council finds that: (a) by
reason of changed condition or unanticipated circumstances, it is in the best
interest of the participants in the BIA to provide changes to the approved annual
budget; (b) changes in the approved annual budget are necessary in order to best
meet the objectives or purposes for which the BIA was formed; or (c) the total
assessments collected are greater or less than anticipated, or the actual cost of a
particular program or service is greater or less than anticipated, then the City
Council may, by resolution or ordinance, amend the annual budget and reallocate
the funding for the particular programs or services to be provided and to provide
funding for such other purposes as may be necessary, as determined by the City
Council, to best serve the purposes for which the BIA was formed, in light of the
conditions or unanticipated circumstances which then exist.

Section 22. Severability. If any provision of this ordinance, or its application
to any person or circumstance, is held invalid, the remainder of this ordinance or
the application of the provision to other persons or circumstances is not affected.
Section 23. Ratification and Confirmation. The making of contracts and the sending of assessment notices pursuant to the authority and prior to the effective date of this ordinance are hereby ratified and confirmed.

DOWNTOWN TACOMA BUSINESS IMPROVEMENT AREA
WORK PLAN - 2018-2019

The Downtown Tacoma Business Improvement Area [BIA] was approved on April 15, 1988 under Substitute Ordinance 24058, reestablished on March 10, 1998 under Ordinance 26205 and reestablished again on February 19, 2008 under Ordinance 27696. The following is the thirty-first year work plan for the district, effective from May 1, 2018 to April 30, 2019, implementing the BIA program for 2018-2019. It includes the administration of the program, appeals process, board and committees, and plans for maintenance, security and marketing.

PLAN OF ACTION

I. CITY OF TACOMA
   The City of Tacoma will collect funds and deposit those funds in an interest bearing account that will be reflected in a separate ledger. The City will contract with the Local Development Council [LDC] (dba Downtown Tacoma Business Improvement Area) for management services, which contract is hereafter called the BIA Agreement. No provision of this work plan shall relieve the BIA from carrying out the annual program in accordance with the terms and conditions of the BIA Agreement.

II. DOWNTOWN TACOMA BIA
   A. The BIA membership consists of representatives designated by the owners of record of properties subject to paying assessments into the district. This group elects a Board of Directors to review BIA programming and determine if the funds are being spent in a proper manner, and each year this representative body prepares a new budget and work program for the following year based on identified needs, recognition of problem areas and experience from the previous year. The plan calls for an administrative team from the BIA to manage services, see that there is adequate insurance coverage, oversee all functions and report directly to the Board. The BIA will make an annual report available to all ratepayers and will be ready to respond to issues or emergencies.
   B. The BIA will rent or purchase all equipment and materials needed to manage the district in accordance with City Ordinance 27696 and Chapter R.C.W. 35.87A. It will provide all personnel or subcontract all services and personnel necessary for its operation.
   C. The City will enter into an agreement with the LDC for the management of the BIA.
   D. All equipment purchased with funds generated from the BIA will be returned to the City should the district be discontinued.
   E. Appeals
      1. The BIA will provide appeal forms and information to ratepayers relative to the process for correction or appeal of assessments pursuant to City Ordinance 27696. When requested by the City, BIA staff will provide administrative assistance in determining factual issues pertaining to application of the assessment to a particular property such as square footage, rates and building use.
      2. The BIA will inspect properties and turn in reports as requested.
III. **MANAGEMENT**

The BIA will administer the basic program with contract staff or firms as needed to implement the program, with an approved budget as established by Tacoma City Ordinance 27696.

IV. **COMMITTEES**

A. Advisory committees will be made up of ratepayers and other interested parties that will advise the BIA Board in its management of the district.

B. Maintenance Advisory Committee
   1. The committee will review all aspects of the BIA maintenance program.
   2. It will meet as needed and be ready to respond to issues or requests.
   3. The Advisory Committee may include the following or their designee:
      a. One board representative, acting as Chair
      b. City of Tacoma representative
      c. One or more additional ratepayers

C. Security Advisory Committee
   1. The committee will review all aspects of the BIA security program.
   2. The committee will provide regular coordination for all security activities within the BIA.
   3. It will meet as needed and be ready to respond to issues or requests.
   4. The Advisory Committee may include the following or their designee:
      a. One board representative, acting as Chair
      b. Tacoma Police Department Chief or designee
      c. Contractor supervisor, if applicable
      d. City of Tacoma representative
      e. One or more other ratepayers
      f. Representatives from other agencies

D. Community Relations Committee
   1. The committee will communicate with public agencies, ratepayers, business owners, residents, etc. on behalf of the BIA.
   2. The committee oversees BIA beautification and marketing initiatives.
   3. It will meet as needed and be ready to respond to issues or requests.
   4. The Advisory Committee may include the following or their designee:
      a. One board representatives, acting as Chair
      b. City of Tacoma representative
      c. One or more other ratepayers
      d. Other stakeholders within the Downtown Tacoma BIA

V. **SECURITY PLAN**

A. Downtown Police
   1. Police officers may patrol a larger area than the BIA while partially funded with BIA assessments. These funds may be used for labor as well as maintenance, supplies and equipment for bicycles used by police officers in the BIA.
   2. The BIA may fund selected operations when the Tacoma Police Department and
the BIA mutually arrange such operations.

B. Private Security

1. Service Standard: To provide a community service representative (CSR) patrol, also known as BIA Security Patrol through every block of the BIA at least once per day. Phone-directed patrols will be available on-call every day of the week. Services will be coordinated with police and other public safety agencies to provide maximum flexibility and highest level of service in response to BIA needs.

2. Downtown Security Patrol or CSR (Community Service Representatives)
   a. BIA Security Patrols will wear readily identifiable uniforms and will be trained as public relations representatives for the downtown area, assisting people with directions and providing related services. Security personnel will not carry weapons, but will be equipped with a cellular telephone for communication with customers and the Tacoma Police Department.
   b. The tentatively proposed coverage for the 2018-2019 year is below, but may be adjusted as conditions demand:
      - 24 hours a day, 7 days a week
   c. BIA Security Patrols on bicycles allow for more frequent and effective coverage of the area and will be used when feasible.
   d. The hours may be adjusted to meet current district needs, including holidays.
   e. The BIA will approve programming for training of the CSRs.
   f. Any security personnel objected to by the City, the Tacoma Police Department, or the BIA Board will be removed from the program.

VI. MAINTENANCE PLAN

A. Service Standard: To clean sidewalks and other common areas throughout the BIA at least once per week. Higher traffic areas may be cleaned more frequently as conditions warrant.

B. Proposed staffing levels for sidewalk cleaning call for continuation of a supervisor and four full-time employees.

C. The City has agreed to provide (at no cost to the BIA) the finished space located at the foot of the Broadway hill climb (12th & Commerce) for use by the BIA Maintenance Program. Staff will continue to do routine cleaning of the public rest rooms at 12th & Commerce as agreed with the Public Works Department.

D. The crew will attempt to inform ratepayers or their representatives of any graffiti noticed on their property. Educational information on removal procedures and organizations that will assist with graffiti removal will be available. In the event that the business or property owner has been informed and does nothing about the graffiti, crews will offer to remove it as time and resources permit. Crews will not clean any graffiti that cannot be reached from standing in the public right-of-way.

E. The clean-up crew will respond as possible to calls from city officials, ratepayers, the general public, or BIA Security for clean-up matters needing immediate attention.

F. The crew will work to pressure wash sidewalks throughout the downtown as possible.

G. When snow is on the ground, the maintenance crew will first focus on removing snow from storm drains and other areas to minimize flooding and puddles for pedestrians
entering crosswalks. After that, the crew will remove snow from sidewalks to the best of their ability. The crew will not be able to clean snow off all sidewalks in the downtown area. The crew will not clean snow from any downtown streets.

H. The BIA will coordinate with the City and other downtown agencies to help install and/or maintain common area improvements.

VII. COMMUNITY RELATIONS PLAN

A. **Service Standard:** To maintain regular, effective communication with district ratepayers and to support the ratepayers' goal of preserving and enhancing their property values by highlighting the BIA as a desirable area in which to work, shop, live, and visit.

B. Funds for general marketing of the area may be expended on providing and disseminating information to ratepayers and for more general audiences, through brochures, print or electronic advertising, and websites in order to promote the services of the BIA and the BIA area.

C. Vertical street banners are incrementally purchased and installed on several arterials within the BIA.

D. The committee will collaborate to identify opportunities to use its resources judiciously to increase efficiencies and leverage existing opportunities among the various organizations promoting downtown in a manner benefitting all ratepayers.

E. The Board will regularly survey ratepayers and users about existing and potential BIA services.

AN ORDINANCE relating to pay and compensation; amending Tacoma Municipal Code 1.12.110, relating to severance benefits, to eliminate the authority of the City Manager and Director of Utilities to grant severance benefits associated with an employment agreement as a means of attracting and retaining public employees, and to require the City Council to approve any proposed agreement that would grant severance benefits to the Director of Utilities.

WHEREAS Tacoma City Charter § 6.9 vests in the City Council the sole authority to set the compensation of all officers and employees of the City through the approval of a pay plan and salary ordinance, and prohibits any City officer or employee from receiving any compensation from any sources whatsoever for their service to the City beyond what is provided in the pay plan and salary ordinance, and

WHEREAS, pursuant to Tacoma City Charter § 6.9, the City Council approved Ordinance No. 27636, passed July 31, 2007, amending Tacoma Municipal Code (“TMC”) 1.12.110.H, which authorized the City Manager, Public Utility Board, and Director of Utilities to each have discretion “to authorize the payment of severance benefits associated with an employment agreement in the event of termination without cause, in order to secure or retain key qualified personnel possessing specialized technical or professional skills for unrepresented positions up to the limits of their delegated contracting authority in the case of the City Manager and Director of Utilities, and up to an amount corresponding to one year of salary in the case of the . . . Public Utility Board,” and
WHEREAS, since 2007, only three individuals have been provided an employment agreement authorizing the payment of severance benefits authorized by the Director of Utilities, and

WHEREAS, in 2014, the voters amended Tacoma City Charter § 4.18, which now requires the Public Utility Board to appoint and then reappoint the position of Director of Public Utilities, subject to City Council confirmation, every two years, and

WHEREAS providing severance benefits to non-executives is unnecessary to attract and retain qualified public employees, and is arguably an inappropriate use of City taxes or ratepayer revenues, and

WHEREAS TMC 1.12.110.H has not been updated to reflect the City Council’s new role related to confirming the appointment of the Director of Utilities, nor does it provide policy guidance on what circumstances resulting in termination of employment will result in the loss of severance benefits, and

WHEREAS the proposed amendments to TMC 1.12.110.H will eliminate the authority of the City Manager and Director of Utilities to grant severance benefits associated with employment agreements as a means of attracting and retaining public employees, and will require the City Council to approve any proposed agreement which would grant severance benefits for the Director of Utilities, and

WHEREAS the proposed amendments further provide that all agreements authorizing severance benefits shall include, at a minimum, language that prohibits the payment of such benefits when the event of termination is the result of gross negligence, intentional acts which are not in the best interests of the City, which
interfere with the employee’s ability to perform the duties of the position, acceptance of another position while still employed with the City, or conviction of a gross misdemeanor or felony offense; Now, Therefore,

BE IT ORDAINED BY THE CITY OF TACOMA:

That Section 1.12.110 of the Tacoma Municipal Code, relating to severance benefits, is hereby amended as set forth in the attached Exhibit “A.”

H. Whenever the City Manager, the Director of Utilities, or the Public Utility Board determines that, in order to secure or retain key qualified personnel possessing specialized technical or professional skills for unrepresented positions, it is necessary to offer said individuals additional compensation, benefits, or both, then the City Manager, the Director of Utilities, and the Public Utility Board shall each have discretion to authorize the payment of up to an annual total of $100,000 in additional compensation, benefits, or both. Such compensation, benefits, or both under this provision of this paragraph shall be limited to a maximum of $15,000 per employee per year; provided, that payment can lawfully be made from funds appropriated in the current biennial budget of the employing department. In addition, the City Manager, City Council, Director of Utilities, and Public Utility Board shall each have discretion to authorize the payment of severance benefits associated with an employment agreement in the event of termination without cause, in order to secure or retain key qualified personnel possessing specialized technical or professional skills for unrepresented positions, and up to an amount corresponding to one year of salary in the case of the City Council and the Public Utility Board. If the Public Utility Board determines that payment of severance benefits should be authorized as part of an agreement to secure or retain the services of the Director of Utilities, then such agreement shall be initiated by the Public Utility Board, subject to approval by the City Council. All agreements authorizing severance benefits shall include, at a minimum, language that prohibits payment of such benefits when the event of termination is the result of gross negligence, intentional acts which are not in the best interests of the City or interfere with the employee’s ability to perform the duties of the position, acceptance of another position while still employed with the City, or conviction of a gross misdemeanor or felony offense. An annual report showing the recipients of all severance, compensation, and benefits granted under this provision shall be submitted to the City Council in the month of December of each year.
