RESOLUTION NO. 40087

BY REQUEST OF COUNCIL MEMBERS BEALE, HUNTER, AND USHKA

A RESOLUTION authorizing the use of City Council Contingency Funds, in an amount up to $500, for expenses related to traffic control devices for the McKinley Hill Street Fair; and directing the City Manager to negotiate and execute an agreement outlining the scope of work and deliverables for the funding.

WHEREAS, whenever a special event produced by our community partners to promote their Neighborhood Business District requires a street closure, the City-issued Special Event Permit dictates the number of traffic control devices required pursuant to an approved traffic control plan, and

WHEREAS, currently, Neighborhood Business Districts are responsible for acquiring traffic barriers and associated costs for these events, which range from $2,000 to $6,000 per event, and

WHEREAS, because of the economic and community development benefits of these events, it is in the best interests of the City to provide financial assistance for the rental of traffic control devices for key events so the events can continue to take place, and

WHEREAS, on June 5, 2018, at the request of the Cross District Association (“CDA”), the City Council adopted Resolution No. 40025, authorizing the use of City Council Contingency Funds for traffic control devices for the Neighborhood Business Districts Special Events Program Pilot (“Program Pilot”), to provide funding to assist with five events organized by Neighborhood Business District Associations that are members of the CDA, and
WHEREAS the McKinley Hill Street Fair is an annual, successful community event in east Tacoma, organized by the Tacoma Christian Center Church in partnership with the Eastside Neighborhood Council of Tacoma, and

WHEREAS, while the street fair takes place in the McKinley Business District, the district does not have an active association and is not a member of the CDA, resulting in the McKinley Hill Street Fair not being included in the CDA Program Pilot, and

WHEREAS, in lieu of an active business association, neighborhood groups have filled the role of planning the business district street fair, which will spur community and economic development, and have identified a need for financial assistance for traffic control devices, estimated to be $500, and

WHEREAS, at the August 7, 2018, Study Session, Council Member Ushka shared a Council Consideration Request to authorize the one-time use of City Council Contingency Funds, in an amount up to $500, for expenses related to traffic control devices for the McKinley Hill Street Fair, and

WHEREAS City staff will negotiate and execute an agreement for services, outlining the scope of work and deliverables for the City’s contribution, and

WHEREAS RCW 35.33.145 and 35.34.250 authorize a withdrawal from the City Council Contingency fund for any municipal expense, the necessity or extent of which could not have been foreseen or reasonably evaluated at the time of adopting the budget, and
WHEREAS the need for funding related to traffic control devices for the McKinley Hill Street Fair could not have been foreseen or reasonably evaluated at the time the City adopted its biennial budget, and

WHEREAS Ordinance No. 22569 requires an affirmative vote of not less than six members of the Council in order to withdraw moneys from this fund; Now, Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

Section 1. That one-time funding in an amount up to $500, budgeted from the City Council Contingency Fund, is hereby approved for expenses related to traffic control devices for the McKinley Hill Street Fair.

Section 2. That the City Manager is hereby directed to negotiate and execute an agreement, outlining the specific use of the funds and the deliverables described in Section 1 above.

Section 1. Definitions. For the purposes of this Franchise, the following terms, phrases, words, and their derivations shall have the meaning given herein; words not defined herein which are defined in Title 16B of the Tacoma Municipal Code (“TMC”), shall have the same meaning or be interpreted as provided in Title 16B. Words not defined here or in Title 16B shall be construed consistently with Title 47 of the United States Code, and if not therein, they shall have their common and ordinary meaning. A reference to any Title of the TMC or to the City Charter refers to the same as may be amended from time to time. Any reference to a “party” hereunder shall mean the City or Franchisee, as applicable, and a reference to the “parties” shall mean collectively the City and Franchisee.

1.2 “City Manager” means the City Manager or the City Manager’s designee.

1.3 “Communications System” refers to a telecommunications system.

Nothing in this definition or anything else in this Franchise shall be interpreted as authorizing Franchisee to construct its own support system for Overhead Facilities or any other above-ground Facilities in the Franchise Area without the additional authorizations required herein below and as proscribed by City zoning and land use regulation ordinances.

1.7 “Franchise” means the rights expressly granted by this Franchise and conditioned as set forth herein and under the TMC and City Charter.

1.8 “Franchise Area” means that area within the present and future corporate limits of Tacoma.

This grant of Franchise does not, by itself, grant any right to construct, operate, or maintain any new above-ground Facilities without prior City approval, which will require additional permitting.
and/or an additional site-specific or master siting agreement, in conformance with City zoning and land use ordinances and applicable state laws.

This grant is subject to and must be exercised in strict accordance with and subject to this Franchise Agreement, Title 16B, and other applicable provisions of the TMC and Tacoma City Charter, including, but not limited to, the provisions set forth in Article VIII of the Charter, and TMC Title 13, and this Franchise may be revoked under Section 2.5 if it is not so exercised. The exercise of any rights pursuant to this Franchise is subject to the exercise of the City’s police powers, and other regulatory powers as the City may have or obtain in the future, and all rights granted herein must be exercised in strict accordance with applicable laws, including, by way of example and not limitation, zoning codes and permitting requirements. No rights shall pass to Franchisee by implication. This Franchise shall constitute both a right and an obligation to provide or cause to be provided the services of the Telecommunications System as required by the provisions of this Franchise.

This Franchise does not include permission to provide cable service as defined in 47 U.S.C. § 522, multichannel video programming, open video systems, or uses other than Telecommunications Service.

Notwithstanding the above grant to use Public Rights-of-Way, no Public Rights-of-Way shall be used by Franchisee if the City, in its opinion, determines that such use is inconsistent with the terms, conditions, or provisions by which
such Public Right-of-Way was created or dedicated, or presently used under applicable laws.

    In the event of any conflict or inconsistency between a provision in this Franchise and any provision of the City Charter, which Charter is incorporated herein by reference, the applicable provision of the City Charter shall control over any inconsistent provision of this Franchise.

2.2 Franchise Term. The term of the Franchise shall be ten years unless terminated sooner in accordance with this Franchise, Title 16B, or the City Charter. At the expiration of the term, Franchisee may apply to extend or renew the Franchise as provided in Title 16B.02.100.

2.3 Franchise Non-Exclusive. The Franchise granted herein shall be non-exclusive.

2.4 Transfers, Generally.

   A. Any transfer of this Franchise, as the term “Transfer” is defined in TMC Title16B.01.030.Y, shall be accomplished in accordance with TMC Title 16B.02.120. Any intra-company Transfer of this Franchise shall be excepted from the requirements of TMC Title 16B.02.120.A-B if such Transfer and the Transferee Affiliate meet all of the requirements of TMC Title 16B.02.120.F (or any successor ordinance). Any Transfer not made in accordance with TMC Title 16B.02.120 may be considered a substantial violation of this Franchise by the City and may subject the Franchise to termination proceedings by the City as provided herein and in Title 16B.
B. Applications for approval of any Transfer shall be filed in accordance with procedures set out in Title 16B of the TMC.

C. Franchisee shall, within 60 days of the closing date of any Transfer, file with the City Clerk a copy of the deed, agreement, contract, mortgage, lease, SEC filing, or other written instrument evidencing such Transfer, certified and sworn to as correct by Franchisee, subject to any confidentiality provisions in any such document. Every such Transfer, whether voluntary or involuntary, may be deemed void and of no effect as to the effectiveness of this Franchise by the City unless Franchisee files the required copy within the 60-day period.

D. The requirements of this section shall not be deemed to prohibit the use of Franchisee’s property as collateral for security in financing the construction or acquisition of all or part of the Telecommunications System franchised hereunder, provided that no such security shall purport to attach to the City’s real property interest in the Public Right-of-Way or any other City interest. In addition, no such arrangement may be made if it would in any respect under any condition prevent the Operator or any successor from complying with the Franchise and applicable law. Any mortgage, pledge, or lease shall be subject to and subordinate to the rights of the City under this Franchise, and other applicable law.

2.5 Revocation. In addition to any rights set out elsewhere in this Franchise, the City Charter, or Title 16, subject to the notice and cure provisions contained in Title 16B, Section 16B.05.100, the City reserves the right to declare
a forfeiture or otherwise revoke this Franchise, and all rights and privileges pertaining thereto, as provided in Title 16B or in the event that:

A. Franchisee is in non-compliance with a material provision of this Franchise; or

B. Franchisee is found to have engaged in any actual or attempted fraud or deceit upon the City, Persons, or Customers in the City; or

C. Franchisee fails to obtain and maintain any permit required by any federal or state regulatory body or by the City, relating to the construction, maintenance, and operation of the Facilities within the Public Rights-of-Way within the Franchise Area; or

D. At any time during the term of the Franchise, Franchisee fails to provide and maintain all of the securities required under this Franchise, including, but not limited to, the performance bond required under this Franchise; fails to maintain the insurance required by this Franchise; or fails to satisfy the indemnity set out in this Franchise; or if any guarantor of Franchisee revokes its guarantee or fails to satisfy or becomes unable to satisfy its obligations under such guarantee.

E. The procedures for revocation and forfeiture shall be governed by Title 16B, Section 16B.05.100. Before the Franchise is revoked, Franchisee shall be given notice and opportunity to cure at least equivalent to that required by Title 16B as of the effective date of this Franchise (except in those cases where notice and opportunity to cure are not required or would be futile), and shall be accorded at least an opportunity to be heard that provides at least the due process
protections required by Title 16B as of the effective date of this Franchise, which
opportunities and protections are set out in Section 2.5.F, below.

F. (1) Where, after notice and providing Franchisee an opportunity
to be heard (if such opportunity is requested by Franchisee), the City finds that
there has been an act or omission that would justify revocation of the Franchise,
the City may make an appropriate reduction in the remaining term of the Franchise
or revoke the Franchise. However, the Franchise may only be revoked if
Franchisee (a) was given written notice of the default; and (b) 30 days to cure the
default; and (c) Franchisee failed to cure the default, or to propose a schedule for
curing the default acceptable to the City where it is impossible to cure the default in
30 days. The required written notice shall be given before the City conducts the
proceeding required by this paragraph. No opportunity to cure is required for
repeated violations of material provisions of the Franchise, and fraud shall be
deemed incurable.

(2) Notwithstanding the foregoing, the City may declare a
Franchise forfeited without opportunity to cure when Franchisee: (a) stops
providing or causing to be provided all Service it is required to provide or cause to
be provided under this Franchise, (b) Transfers without the prior consent of the
City as and when required in the Franchise, or (c) is found by a court or regulatory
body with appropriate jurisdiction to have defrauded or attempted to defraud the
City or Franchisee’s Customers within the City. Notwithstanding the provisions of
Title 16B.05.100.C.2, if Franchisee fails to timely pay any undisputed Franchise
application/administrative fees or other undisputed fees owed hereunder or under
Title 16B, before the City can initiate any termination or forfeiture of rights, Franchisee shall be provided with ten (10) business days’ prior written notice and an opportunity to cure the failure to pay. However, Franchisee shall have the right to receive 30 days’ prior notice of an intent to declare a Franchise forfeited, and shall have the opportunity to show cause why the Franchise should not be forfeited.

(3) Notwithstanding the foregoing and only to the extent permitted by applicable law, the Franchise will automatically terminate by force of law 120 calendar days after an assignment for the benefit of creditors or the appointment of a receiver or trustee to take over the business of Franchisee, whether in a receivership, reorganization, bankruptcy, assignment for the benefit of creditors, or other action or proceeding. However, the Franchise may be reinstated within that 120-day period, if: (a) such assignment, receivership, or trusteeship has been vacated; or (b) such assignee, receiver, or trustee has fully complied with the terms and conditions of Title 16B and this Franchise and has executed an agreement, approved by any court having jurisdiction, assuming and agreeing to be bound by the terms and conditions of Title 16B and this Franchise.

However, in the event of foreclosure or other judicial sale of any of the facilities, equipment, or property of Franchisee, the City may revoke this Franchise, following a public hearing before the City Council, by serving notice upon Franchisee and the successful bidder at the sale, in which event the Franchise and all rights and privileges of this Franchise will be revoked and will terminate 30 calendar days after serving such notice, unless: (a) the City has approved the Transfer of the
Franchise to the successful bidder in writing; and (b) the successful bidder has
covenanted and agreed in writing with the City to assume and be bound by the
terms and conditions of this Franchise and Title 16B.

2.6 Continuity of Service and Right to Purchase the System.

A. In the event the City has declared a forfeiture for cause or
otherwise validly revoked this Franchise as provided herein, or in the event of
expiration of the initial term of this Franchise without this Franchise being renewed
or extended as provided in Section 2.2 (referred to below collectively as a
“termination”), Franchisee shall remove its Facilities from the Public Rights-of-Way
under Section 2.7, unless the City elects to purchase the Facilities as provided in
Section 2.6.B.

B. In the event the City has declared a forfeiture for cause or
otherwise validly revoked this Franchise as provided herein, or in the event of
expiration of the initial term of this Franchise without this Franchise being
renewed or extended as provided in Section 2.2 (referred to below collectively
as a “termination”), the City shall have an option upon termination of the
Franchise to purchase that portion of the Telecommunications System located in
the Right-of-Way owned by Franchisee, whether termination is or is not for
cause. This option does not include any of Franchisee’s proprietary equipment,
or other proprietary technology. This option requires Franchisee to convey the
Telecommunications System, or such portion thereof as the City may choose to
purchase, provided that nothing herein shall require the City to accept or pay for
any contract that it does not wish to assume. Franchisee is not required to
convey portions of the Telecommunications System not located in the Right-of-Way, located outside the City, or that is leased or used (but not owned) by Franchisee from a third party pursuant to a tariff or contract. The foregoing option also requires Franchisee to sell the Telecommunications System owned by Franchisee and located in the Right-of-Way, or such portion thereof as the City may choose to purchase, at a fair market price, if the Franchise is terminated for cause. If Franchisee’s request for a Franchise renewal is denied, the option requires Franchisee to sell the Telecommunications System owned by Franchisee and located in the Right-of-Way, or such portion thereof as the City may choose to purchase, at fair market value, determined on the basis of the value of the Telecommunications System as a going concern (taking into account such property used and useful in providing service within the City that is not to be conveyed) and with no value allocated to the Franchise itself.

C. The City may exercise its Section 2.6.B option rights in the following manner: the City will first give Franchisee written notice of its intent to purchase the Telecommunications System or a portion of the Telecommunications System and request an inventory of the System or portion specified in the City of Tacoma. Thereafter, Franchisee shall have 60 days to produce the requested inventory and the City shall have up to 180 days after receiving the inventory to notify Franchisee that it intends to continue with the exercise of its right to purchase the Telecommunications System or a portion of the Telecommunications System. Within 90 days of the date the City notifies Franchisee of its intent to exercise the option, or by such other time as the parties
may separately agree, the parties shall meet to establish a price that comports
with the requirements of Section 2.6.B. If the parties are unable to agree to a
price within 180 days after the City notifies Franchisee that the City intends to
exercise its purchase option, either party may require the price to be set by
appraisal by sending the other party notice that it wishes to have the price set by
appraisal. Within 45 days of the date that notice is submitted, each party may
appoint one appraiser. If each party appoints an appraiser, the two appraisers
shall appoint a third appraiser; if only a single appraiser is appointed (whether by
mutual agreement or because of the failure of a party to timely nominate an
appraiser) that appraiser shall be the sole appraiser. The appraiser or appraisers
shall establish a price for the System or portion thereof that the City desires to
purchase in accordance with Section 2.6.B. This appraisal determination shall be
final and non-appealable. The City shall have 120 days after the decision of the
appraisers to notify Franchisee that it wishes to conclude the transaction; if it does
not so notify Franchisee, the option shall be deemed terminated.

If the City gives the notice required by the preceding paragraph,
the parties will thereafter promptly sign all necessary documents required to
close the transaction; provided, however, that the City may make conclusion of
the transaction conditional upon any necessary voter approval of any bond
funding for acquisition of all or a part of the System and, if applicable, the
successful sale of the bonds.

The City and Franchisee will share equally the costs associated
with any appraiser that is jointly appointed (by them or by the appraisers each
selects); the City will bear costs associated with any appraiser that it separately appoints and Franchisee will bear costs associated with any appraiser that it separately appoints.

D. (1) Nothing in this section or in any other section of this Franchise shall prevent the City’s exercise of its rights under the Tacoma City Charter. Included within the rights granted under the City Charter is the right to purchase or condemn Franchisee’s property within the Franchised Area at any time, which right is expressly set out in Section 8.1(c) of the City Charter as follows:

To acquire by purchase or condemnation, for the use of the city itself or its inhabitants, all of the property of the grantee within the public streets, alleys, or places at a fair and just value, which shall not include any valuation of the franchise, right, or privilege, which shall thereupon be terminated.

(2) Likewise, nothing in this section or in any other section of this Franchise shall be read to limit the City’s right to acquire the Telecommunications System through exercise of any right of eminent domain under state law.

(3) Nothing in this section shall be read to limit the City’s right to acquire the Telecommunications System as a result of abandonment.

E. In the event the City purchases, acquires, takes over, or holds all or parts of the System, the City shall have the right, without limitation, to assign, sell, lease, or otherwise transfer its interest in all or parts of such System to any
other Person or entity, including any other Franchisee of a Telecommunications System, on whatever terms the City deems appropriate.

2.7 Right to Require Removal of Property/Right to Remove Property.

A. Upon termination of this Franchise, Franchisee may be required to remove its property from any Public Rights-of-Way, and restore such Rights-of-Way to the condition required by the TMC and City’s Right-of-Way Restoration Policy, subject to any rights Franchisee may have to abandon property in place, as set out in Title 16B. If Franchisee fails to remove property that the City requires it to remove, the City may, following reasonable advance written notice, perform the work and collect the actual cost thereof from Franchisee. The actual cost thereof, including direct and indirect administrative costs, shall be a lien upon all plant and property of Franchisee effective upon filing of the lien with the Pierce County Auditor. In the event that Franchisee is permitted to abandon its Facilities in place, the City acknowledges that any ownership it takes in the Facilities thereafter is taken on an AS-IS, WHERE-IS basis.

B. To the extent any portion of the System in the Public Rights-of-Way or on any other public property of the City is not removed by the Operator within 12 months of the end of the Franchise term, the City shall send written notice to Franchisee, and Franchisee shall have 60 days following receipt of such notice to remove its Facilities from the Right-of-Way. If Franchisee does not remove its Facilities within 60 days following receipt of the City’s notice, the property will be deemed abandoned in its AS-IS, WHERE-IS condition and shall become the property of the City if the City wishes to own it.
C. Any order by the City issued pursuant to Section 2.7.A to remove Facilities shall be sent by registered or certified mail, postage prepaid, return receipt requested, to Franchisee not later than 24 months following the date of Franchise termination. Removal shall be completed (except with respect to property that Franchisee is permitted to abandon in place) not later than 12 months following the date of notification to remove the Facilities.

D. Franchisee shall file a written removal plan with the City not later than 30 calendar days following the date of the receipt of any orders directing removal, or any consent to removal describing the work that will be performed, the manner in which it will be performed, and a schedule for removal by location. The removal plan shall be subject to approval and regulation by the City, including, without limitation, the City’s Right-of-Way Restoration Policy. The affected property must be restored in compliance with the City’s Right-of-Way Restoration Policy; and any damage caused by Franchisee’s removal must be addressed/compensated to the reasonable satisfaction of the City.

E. The purchase option provided for in Section 2.6 does not affect the City’s authority to require Franchisee to remove any portion of its Telecommunications System that the City will not purchase upon Franchise termination, as provided in this section and Title 16B, nor does it affect the City’s right to assume ownership of any portion of the Telecommunications System that is abandoned. Within 60 days of a request by the City, Franchisee shall execute such documents as may be required to convey such abandoned property to the City, free and clear of all encumbrances.
2.8 Intentionally Omitted.

2.9 Responsibility for Costs. Except as expressly provided otherwise, any act that Franchisee is required to perform under this Franchise shall be performed at its cost. If Franchisee fails to perform work that it is required to perform within the time provided for performance, the City, after first providing notice and an opportunity to cure as herein provided, may perform the work and bill Franchisee the actual cost thereof. Franchisee shall pay the amounts billed within 30 days of receipt of an itemized bill. The parties agree that any amounts paid pursuant to this section or Title 16B are not franchise fees.

2.10 Work of Contractors and Subcontractors. Work by contractors and subcontractors is subject to the same restrictions, limitations, and conditions as if the work were performed by Franchisee. Franchisee shall be responsible for all work performed by its contractors and subcontractors, and others performing work on its behalf as if the work were performed by it, and shall ensure that all such work is performed in compliance with this Franchise and Title 16B, and other applicable laws, including, without limitation, the City’s Right-of-Way Restoration Policy. Franchisee and its contractors and subcontractors shall be jointly and severally liable for all damages and correcting all damages they cause. It is Franchisee’s responsibility to ensure that contractors, subcontractors, or other Person(s) performing work on Franchisee’s behalf are familiar with the requirements of this Franchise, Title 16B, the City’s Right-of-Way Restoration Policy, and other applicable laws governing the work performed by them.
2.11 Survival of Terms. Upon the termination or forfeiture of the Franchise, Franchisee shall no longer have the right to occupy the Public Rights-of-Way for the purpose of providing Telecommunications Service. However, Franchisee’s obligations to the City (other than the obligation to provide service or cause such service to be provided to Customers) survive the expiration of these rights according to their terms. By way of illustration and not limitation, Sections 2.6, 2.7, 2.9, 2.10, and 4 of this Franchise shall continue in effect as to Franchisee notwithstanding any expiration, forfeiture, or revocation of the Franchise, except to the extent that a City-approved Transfer, sale, or assignment of the Telecommunications System is completed and another entity has assumed full and complete responsibility for the Telecommunications System or for the relevant acts or omissions.

2.12 Termination by Franchisee. Franchisee may terminate this Franchise, with or without cause, upon 60 days’ written notice of its intent to so terminate. Upon termination, Franchisee shall accrue no further obligations hereunder, but any obligations accrued prior to termination shall remain, as shall obligations that by their terms survive the termination hereof.

3.1 Use of Public Rights-of-Way. Franchisee may, subject to the terms of this Franchise and TMC Titles 16B and 13, the City’s Right-of-Way Restoration Policy, and other applicable laws, enter onto and use the Public Rights-of-Way to construct, operate, and maintain a Telecommunications System in Public Rights-of-Way within the Franchise Area to provide, or cause to be provided,
Telecommunications Services and internet access services. Without limiting the foregoing, Franchisee expressly agrees that it will construct, operate, and maintain its System in compliance with the requirements of the TMC, including, but not limited to, Title 16B and Title 13 zoning and land use regulations governing the placement of its Telecommunications System; and will obtain and maintain all bonds and billable work orders required by the same.

3.2 Construction, Operation, or Maintenance. Franchisee shall, in all cases, comply with all lawful City ordinances and regulations now in effect or hereinafter enacted regarding the acquisition of permits and such other items as may be required by the City in connection with the construction, operation, or maintenance of the Telecommunications System, including, without limitation, the City’s Right-of-Way Restoration Policy.

Without limiting the foregoing, Franchisee agrees that it shall, in the course of constructing, operating, and maintaining its Telecommunications System, comply with the requirements of Titles 16B and 13, and among other things:

A. (1) Franchisee shall, with as much advance notice as is feasible under the circumstances, but in no event less than 90 days, except in circumstances there is a risk to public safety, protect, support, temporarily disconnect, relocate, or remove any of its property when required by the City by reason of traffic conditions; public safety; Public Rights-of-Way construction; Public Rights-of-Way repair (including resurfacing or widening); change of Public Rights-of-Way grade; construction, installation or repair of sewers, drains, water pipes, power lines, signal lines, tracks, or any other type of government-owned
Communications System, public work, public project, public facility, or improvement or any government-owned utility; Public Rights-of-Way vacation; or for any other purpose where the work involved would be aided by the removal or relocation of the Telecommunications System. Collectively, such matters are referred to below as the “public work.”

(2) In the event of an emergency, or where the Telecommunications System creates or is contributing to an imminent danger to health, safety, or property, the City may protect, support, temporarily disconnect, remove, or relocate any or all parts of the Telecommunications System without prior notice, and charge Franchisee for actual costs incurred.

B. Franchisee’s obligation to construct, operate, and maintain its Telecommunications System in compliance with all applicable laws, ordinances, departmental rules and regulations and published or otherwise readily available practices affecting such System, includes, by way of example, and not limitation, the obligation to construct, operate, and maintain in accordance with zoning codes, safety codes, and City construction standards, including the most current version of the Standard Specifications for Road, Bridge and Municipal Construction, as prepared by the Washington State Department of Transportation (“WSDOT”) and the Washington State Chapter of American Public Works Association (“APWA”); the most current version of the APWA Amendments to Division One; and the most current version of the City of Tacoma Amendments thereto. In addition, the construction, operation, and maintenance shall be performed in a manner consistent with industry standards. Franchisee shall exercise reasonable care in
the performance of all its activities and shall use commonly accepted methods and
devices for preventing failures and accidents that are likely to cause damage,
injury, or nuisance to the public or to property. In the event that Franchisee’s work
or other use of the Public Rights-of-Way causes damage to any City facility,
Franchisee shall bear the cost of repairing, or replacing as necessary, such City
facility.

C. Franchisee’s construction, operation, or maintenance of its
Telecommunications System shall not commence until all required permits or
agreements have been properly filed for and obtained from the proper City officials
and all required permits and agreements obtained and associated fees paid. In
any permit so issued, the City may impose, as a condition of the granting of the
permit, such conditions and regulations as may be necessary to the management
of the Public Rights-of-Way, including, by way of example and not limitation, for the
purpose of protecting any structures in the Public Rights-of-Way, maintaining
proper distance from other utilities, for the proper restoration of such Public
Rights-of-Way and structures, and for the protection of the City and the public and
the continuity of pedestrian and vehicular traffic.

D. Franchisee must follow City-established requirements for
placement of Facilities in Public Rights-of-Way, including the specific location of all
Facilities, which includes, without limitation, Personal Wireless Facilities, in the
Public Rights-of-Way, and must in any event install Facilities in a manner that
minimizes interference with the use of the Public Rights-of-Way by others,
including others that may be installing Communications Facilities.
The City may require that Facilities be installed at a particular time, at a specific place, or in a particular manner as a condition of access to a particular Public Right-of-Way area; may deny access if Franchisee is not willing to comply with the City’s requirements; and may, upon reasonable advance written notice and an opportunity to cure, remove, or require removal of, any Facility that is not installed in compliance with the requirements established by the City, or which is installed without prior City approval of the time, place, or manner of installation and charge Franchisee for all the costs associated with removal; and may require Franchisee to cooperate with others to minimize adverse impacts on the Public Rights-of-Way through joint trenching and other arrangements consistent with requirements the City imposes on other similarly situated franchisees or users of the Public Rights-of-Way.

E. Franchisee agrees that, as a condition of a permit for installation of conduit, the City may require it to install conduit in excess of its reasonably foreseeable requirements for the purpose of accommodating the City where the City Manager determines it is appropriate to do so to minimize disruption of public passage or infrastructure, to forestall or relieve exhaustion of Right-of-Way capacity, or to protect environmentally sensitive areas; provided that the City will be responsible for the additional costs, including material and labor, associated with installing such excess conduit if installed for City use; and provided further that City’s use of any such excess conduit is limited to non-commercial, governmental uses.
F. To the extent possible and technically and operationally feasible, Franchisee shall use conduit existing at the time of permitting in installing its System.

G. Subject to subsection G.3 below, and recognizing that Franchisee’s intended Personal Wireless Facilities are intended to be located above ground and certain components may be required to be located above ground to function, Franchisee shall be subject to the requirement that whenever all existing utilities are located underground in an area in the City, Franchisee, at its own cost, must also locate its Telecommunication System underground, including Telecommunication System Facilities, such as drops, which cross private property.

(1) Whenever the owners of poles locate or relocate underground within an area of the City, Franchisee shall concurrently relocate its Facilities underground at its own cost.

(2) Whenever an electric utility opens a trench for the purpose of installing or relocating Facilities underground, Franchisee shall concurrently relocate its Facilities underground and, if it uses the same trench, be responsible for its pro-rated share of the cost.

(3) The City Manager, or designee, may, for good cause shown, exempt a particular portion of the Telecommunication System from the obligation to locate or relocate Facilities underground, where relocation is impractical, where the Facilities, due to the nature of their function must be above ground, or where the interest in protecting against visual blight can be protected in
another manner. Nothing in this Section 3.2.G prevents the City from ordering Franchisee to locate or relocate its Telecommunication System, either underground or to a mutually agreed-upon above ground location, when other existing utilities in an area are ordered to locate or relocate their facilities underground under other provisions of the TMC, it being the intent that the number and extent of Overhead Facilities and the visual pollution resulting therefrom will, over time, be reduced and eventually, to the extent feasible, be eliminated.

H. Subject to subsection G.3. above, Franchisee shall participate in conversion to underground Local Improvement Districts (“LIDs”) at the same time as other utilities are required to participate in conversion to underground LIDs. Franchisee, at no cost to the City or abutting property owners, shall share fairly with other utilities the cost of undergrounding when done through the LID process. As part of its obligations under the TMC, Franchisee shall provide the preliminary cost estimate, facility conversion designs, and final cost estimates to any LID project coordinator in a timely manner. At the request of an LID project coordinator, Franchisee shall perform underground construction and movement of Customer connections underground (overhead reclaim), in coordination with the undergrounding services provided by other LID utilities, at no cost to the City or abutting property owners.

I. Franchisee shall promptly repair any and all Public Rights-of-Way, public property, or private property that is disturbed or damaged during the construction, operation, or maintenance of its Telecommunications System. Public
property and Public Rights-of-Way must be restored in conformance with the City’s Right-of-Way Restoration Policy.

J. No tree trimming shall be performed without the permission of the City and other affected authorities, and any tree trimming must be performed in strict accordance with the TMC. Even if tree trimming is authorized by the City, Franchisee is liable for any damage it causes during the course of tree trimming.

K. In any dispute over the adequacy of a restoration relative to this section, the Tacoma Department of Public Works Director shall, in the Director’s sole discretion, make the final determination.

L. Franchisee shall not remove any Facilities except as hereinafter provided.

   (1) Franchisee shall not remove any Facilities which require trenching or other opening of the Rights-of-Way along the extension of the Facilities to be removed without the express permission of the City, which permission shall not be unreasonably withheld, conditioned, or delayed. Franchisee must request permission from the City to remove the Facilities at least 30 days in advance of the date Franchisee proposes to begin removal.

   (2) Franchisee shall remove such Facilities as the City orders it to remove; provided, that the City may not order removal where such removal is primarily to give economic benefit or advantage to a competing provider of Telecommunications Service.

   (3) Where trenching or other opening of the Rights-of-Way along the extension of Facilities to be removed is required, Franchisee must post
bonds as the City may require ensuring that the property is promptly removed with
minimum disruption. Franchisee must restore the affected property in
conformance with the City’s Right-of-Way Restoration Policy; and Franchisee must
compensate those whose property it damages for the damage.

(4) Subject to the City’s rights to purchase the
Telecommunications System under Section 2, Franchisee may voluntarily remove
any Facilities from the Public Rights-of-Way which have been installed in such a
manner that they can be removed without trenching or other opening of the Public
Rights-of-Way.

3.3 Right to Inspect and Order Corrections. The City may, at its cost,
inspect the Telecommunications System at any time reasonable under the
circumstances to ensure compliance with this Franchise and applicable law,
including to ensure that Franchisee’s Telecommunications System is constructed
and maintained in a safe condition. If Franchisee’s representatives are not on-site
performing work on the Telecommunications System, whenever feasible, the City
shall give reasonable advance notice of its intent to inspect so that Franchisee may
have a representative present during the inspection. If an unsafe condition is
found to exist, the City, in addition to taking any other action permitted under
applicable law, may order Franchisee, in writing, to make the necessary repairs
and alterations specified therein forthwith to correct the unsafe condition on a time
table established by the City which is reasonable in light of the unsafe condition.
The City has the right to correct, inspect, administer, and repair the unsafe
condition if Franchisee fails to do so in a timely manner, and to charge Franchisee therefor.

3.4 Information Regarding Ongoing Work. In addition to providing notice to the public of ongoing work as may be required under applicable law, Franchisee shall make available information regarding any ongoing construction, operation, or installation of its Telecommunications System sufficient to show (1) the nature of the work being performed; (2) where it is performed; (3) its estimated completion date; and (4) progress to completion.

4.1 Intent. The City shall have the right to administer and regulate activities of this Franchise up to the fullest extent of the law. The failure to reserve a particular right to regulate, or reference a particular regulation, shall not be interpreted by negative implication or otherwise to prevent the application of a regulation to Franchisee.

4.2 Remedies for Franchise Violations. The City has the right to exercise any and all of the following remedies, singly or in combination, in the event Franchisee violates any provision of this Franchise:

A. Draw upon the performance bond or other security provided under this Franchise; provided, however, such drawing shall be only in such a manner and in such amount as the City reasonably determines is necessary to remedy the default. Should the City take this action, Franchisee shall be responsible for all direct and actual costs related to such action, including, but not limited to, actual legal and administrative costs:
B. Commencing an action at law for monetary damages;
C. Commencing an action for equitable or other relief;
D. Declaring the Franchise to be revoked; and/or
E. Seeking specific performance of any provision which reasonably lends itself to such remedy.

In determining which remedy or remedies for Franchisee’s violation are appropriate, the City may take into consideration the nature and extent of the violation, the remedy needed to prevent such violations in the future, whether Franchisee has a history of previous violations of the same or similar kind, and such other considerations as are appropriate under the circumstances. Remedies are cumulative; the exercise of one shall not foreclose the exercise of others.

4.3 Procedure for Remedying Franchise Violations. Before imposing liquidated damages, or drawing upon the performance bond, or any other security set out in Section 6, the City shall follow the procedure below.

A. Notice of Franchisee Violation. In the event that the City believes that Franchisee has not complied with the terms of this Franchise, the City shall notify Franchisee in writing, by certified mail, of the nature of the alleged noncompliance.

B. Franchisee’s Right to Cure or Respond. Except as provided in Section 4.3.D, Franchisee shall have 30 days from the receipt of notice described above to (a) respond to the City contesting the assertion of noncompliance, or (b) to cure such default or, in the event that by the nature of the default such default cannot be cured within the 30-day period, initiate steps to remedy such
default as promptly as possible and complete the cure within a reasonable time. The duty to cure includes the duty to cure all harms caused by the acts or omissions of Franchisee which gave rise to the alleged non-compliance. At the end of the 30-day period, Franchisee shall notify the City in writing of the steps it has taken to cure the default, if any; if the cure is not complete, the reason it is not complete and the projected date for completion; and if the default is disputed, the complete basis for that contention.

C. Public Hearing. The City may schedule a public hearing to investigate any alleged default. The City shall give Franchisee 20 calendar days' notice of the time and place of the hearing and provide Franchisee with an opportunity to be heard.

D. Action After Hearing. If the City determines after such hearing that the Franchisee did not timely cure or initiate steps to cure the default in a timely manner satisfactory to the City, after the notice required by Section 4.3.A was provided, then the City may draw upon any performance bond, security fund, or other security, including requiring performance under the guarantee; and impose liquidated damages. However, notice and opportunity to cure are not required for repeat violations, or for a failure to correct a default where Franchisee knew or should have known it was in default; in such cases, the performance bond, letter of credit, or other security may be drawn upon, the guarantor required to perform and liquidated damages imposed after the hearing required by Section 4.3.C.

E. Liquidated Damage Amounts. Because any material failure to comply with the provisions of this Franchise by Franchisee will result in injury to the
City, and because it may be difficult to estimate the extent of each such injury, Franchisee and the City agree to the following liquidated damages, which provisions represent the best estimate of the damages resulting from injuries of specific types. The amounts of the liquidated damages set forth in this Franchise are in 2018 dollars and shall be increased each year by the increase in the U. S. Department of Labor, Bureau of Labor Statistics, Consumer Price Index for Pacific Cities and U. S. City Average for the greater Seattle area. The amount of liquidated damages for all material violations of this Franchise for which actual damages may not be ascertainable shall be: $100 per day for each violation for each day the violation continues. It is provided, however, that the City shall allow Franchisee a minimum of 30 days after notice to Franchisee of such neglect, failure, or refusal to comply within which to meet compliance or correct performance, prior to the assessment of any liquidated damages.

F. Notice of City Violation. In the event that the Franchisee believes that City has not complied with the terms of this Franchise, Franchisee shall notify the City in writing, by certified mail, of the nature of the alleged noncompliance.

G. City’s Right to Cure or Respond. The City shall have 30 days from the receipt of notice described above to (a) respond to Franchisee, contesting the assertion of noncompliance; or (b) to cure such default or, in the event that by the nature of the default such default cannot be cured within the 30-day period, initiate steps to remedy such default as promptly as possible and complete the cure within a reasonable time. The duty to cure includes the duty to cure all harms caused by the acts or omissions of City which gave rise to the alleged non-
compliance. At the end of the 30-day period, the City shall notify Franchisee in writing of the steps it has taken to cure the default, if any; if the cure is not complete, the reason it is not complete and the projected date for completion; and if the default is disputed, the complete basis for that contention. If the City fails to timely cure the default, then, in addition to any other remedy at law or equity, or provided for in this Franchise, Franchisee may: (i) sue for damages, specific performance, or injunctive relief; or (ii) terminate the Franchise.

4.4 Failure to Enforce. Neither party shall be relieved of any of its obligations to comply promptly with any provision of this Franchise by reason of any failure of the other party to enforce prompt compliance, and the failure to enforce shall not constitute a waiver of rights or acquiescence in the defaulting party’s conduct.

4.5 Force Majeure. Franchisee shall not be deemed in default with provisions of this Franchise where performance was rendered impossible by war or riots, civil disturbances, floods, or other natural catastrophes beyond Franchisee’s control; the unforeseeable unavailability of labor or materials; or power outages exceeding back-up power supplies. The acts or omissions of affiliates shall not be deemed to be beyond Franchisee’s control, and the knowledge of affiliates shall be imputed to Franchisee. This Franchise shall not be revoked or Franchisee penalized for such noncompliance, provided that Franchisee takes immediate and diligent steps to bring itself back into compliance and to comply as soon as possible under the circumstances with this Franchise without unduly endangering the health, safety, and integrity of Franchisee’s
employees or property, or the health, safety, and integrity of the public, Public
Rights-of-Way, public property, or private property.

4.6 Alternative Remedies. No provision of this Franchise shall be deemed
to bar the right of the City or Franchisee to seek or obtain judicial relief from a
violation of any provision of this Ordinance or any rule, regulation, requirement, or
directive promulgated thereunder. Neither the existence of other remedies
identified in this Franchise nor the exercise thereof shall be deemed to bar or
otherwise limit the right of the City or Franchisee to recover monetary damages for
such violation by Franchisee, or to seek and obtain judicial enforcement of
Franchisee’s or the City’s obligations by means of specific performance, injunctive
relief or mandate, or any other judicial remedy at law or in equity.

4.7 Compliance with the Laws. Franchisee shall comply with all applicable
federal and state laws and regulations, including regulations of any administrative
agency thereof, as well as all applicable City ordinances, resolutions, rules,
policies, and regulations heretofore or hereafter adopted or established during the
entire term of the Franchise; provided that, nothing herein shall prevent Franchisee
from challenging a provision of laws that applies only to it as an impairment of
contract. Nothing in this Franchise shall limit the City’s right of eminent domain
under state law. Nothing in this Franchise shall be deemed to waive the
requirements of any lawful code or resolution of the City regarding permits, fees to
be paid, or manner of construction.
Section 5. Reporting Requirements.

5.1 Annual Reports. Within 120 days following the end of Franchisee’s fiscal year each year, the City may, in writing, require that Franchisee submit a written report to the City which shall contain a listing of all categories of Gross Receipts collected by Franchisee for its business activities as identified in Section 2.1, which are activities specifically taxable as a telephone business under TMC Title 6. Said written report shall be in sufficient detail and with sufficient explanation to enable the City to understand the report and to verify the accuracy of the report. In addition, Franchisee shall provide such other reports as may be required by Title 16B.

5.2 Future Franchise Fee Report. In the event that changes in applicable laws allow the City to require a franchise fee as referenced in Section 6 below, then no later than 120 days following the end of Franchisee’s fiscal year each year after the imposition of franchise fees, Franchisee shall present a written report to the City which shall include:

A. Audited financial statements for (1) Franchisee and (2) any affiliate which is involved in any way with the operation or ownership of the System; and a financial statement for Franchisee that includes Gross Receipts from all sources, as well as an income statement and a balance sheet. In the event any audited financial report has not been published by the date due under this section, then the audited financial report shall be deemed presented on time if presented within 30 days after publication.
All financial reports required under this section shall be presented to the City, accompanied by such notes and explanations as are required to fully understand the reports. Such notes and explanations shall include, but not be limited to, an explanation of any and all deductions made from Gross Receipts for the calculation of fees or taxes to be paid to the City, as well as:

(1) A summary of the previous year’s activities for the Franchise Area, including, but not limited to, the total number of Franchisee’s customers (if any), miles of Facilities, any services added or dropped, and any technological changes occurring in the system;

(2) Plans for the future; and

(3) Such other information as is required by Title 16B.

5.3 Additional Reports. Franchisee shall prepare and furnish to the City within 60 days of written request, to the person and address specified in the City’s request, in a form reasonably prescribed by the City, such additional reports with respect to Franchisee’s operation, affairs, transactions, or property as may be reasonably necessary and appropriate to ensure compliance with the material provisions of this Franchise, or to permit the performance of any of the rights, functions, or duties of the City in connection with the Franchise.

5.4 Preservation of Confidential Information. Trade secrets and confidential information designated as such by Franchisee shall be subject to such protection as provided in Title 16B or under chapter 42.56 RCW, or as otherwise provided by applicable laws. Franchisee shall be responsible for clearly and conspicuously identifying the work as confidential or proprietary, and shall provide a brief written
explanation regarding its position on the protected status of the information under state or federal law. In the event that the City receives a public records request under chapter 42.56 RCW or similar law for the disclosure of information Franchisee has designated as confidential, trade secret, or proprietary, the City shall promptly provide notice of such disclosure so that Franchisee can take appropriate steps to protect its interests. Nothing in this section prohibits the City from complying with chapter 42.56 RCW, or any other applicable law or court order requiring the release of public records, and the City shall not be liable to Franchisee for compliance with any law or court order requiring the release of public records. The City shall comply with any injunction or court order obtained by Franchisee which prohibits the disclosure of any such confidential records.

6.1 Fees; Taxes.

A. State Prohibition of Franchise Fee. The parties understand that RCW 35.21.860 currently prohibits a municipal franchise fee for the intended use. Franchisee agrees that if this statutory prohibition is removed, the City may assess a reasonable franchise fee to be agreed to by the parties if the statutory prohibition is removed. The parties agree that this Section 6.1.A does not limit the right of Franchisee to challenge the Franchise Fee pursuant to 47 USC § 253.

B. Franchisee Subject to the City Telephone Business Tax. Franchisee agrees that its activities in the City of Tacoma identified in Section 2.1, but excluding internet access service, are activities specifically taxable as a telephone business under TMC Chapter 6A, and are taxable at the rate specified in
TMC 6A.40.050.D, now in effect or as amended, which at the time of the execution of this Franchise agreement is 7.5 percent of the Franchisee’s Gross Receipts, but excluding any Gross Receipts from the provision of internet access service. It is agreed that the amount of Gross Receipts to be taxed will not include the amount of tax imposed on Franchisee by City ordinance unless Franchisee is passing on the amount of tax imposed to its customers within the City. This Franchise does not limit the City’s power of taxation.

C. Franchisee Obligated to Pay Administrative Costs. In accord with RCW 35.21.860, as presently effective and as it may be later amended, Franchisee must pay the City an amount sufficient to recover administration expenses incurred in receiving and approving this Franchise, including, but not limited to, the reasonable costs of outside consultants retained by the City to assist in the City’s consideration and processing of this Franchise application. The first $5,000 of said expenses will be covered by the $5,000 application fee deposited with the City. To the extent allowed by RCW 35.21.860 or other applicable laws, Franchisee may be required to pay other costs applicable to this Franchise and Franchisee’s activities hereunder. The amount of payment to be made by Franchisee to cover these administrative costs shall be determined by the Franchise Services Manager in conformance with applicable laws. Such obligation further includes municipal fees related to receiving and approving permits or licenses, inspecting plans and construction, or relating to the preparation of a detailed statement pursuant to Chapter 43.21C RCW. Said fees must be paid within 30 days of receipt of the City’s billing therefor.
D. Manner of Payment; Audit. Franchisee will pay the City Telephone Business Tax specified in Section 6.1.B on a monthly basis accompanied by Franchisee’s standard remittance form which specifies the net taxable charges, the local tax rate, and the local tax due, plus penalties and/or interest, if any is due. Franchisee shall make all other required fee payments in the form, at the intervals, and in the manner requested by the City Treasurer, and furnish the City Treasurer any information related to his/her revenue collection functions reasonably requested. In case of audit, the City Treasurer may require Franchisee to furnish a verified statement of compliance with Franchisee’s obligations or in response to any questions. Said certificate may be required from an independent, certified public accountant at Franchisee’s expense. All audits will take place on Franchisee’s premises or offices furnished by Franchisee, which shall be a location within the City of Tacoma or other mutually agreeable place; however, Franchisee must agree to pay the associated costs of travel. Franchisee agrees, within 30 days of written request of the City Treasurer, to provide to the person and address specified in the City Treasurer’s request, copies of all documents filed with any federal, state, or local regulatory agency, to be mailed to the City Treasurer on the same day as filed, postage prepaid, affecting any of Franchisee’s Facilities or business operations in the City of Tacoma.

E. No Other Deductions. No deductions, including current or previously paid fees, shall be subtracted from the Gross Receipts amount, except as allowed under state or federal law, upon which payments are calculated and due for any period, nor shall copyright fees or other license fees paid by
Franchisee be subtracted from Gross Receipts for purposes of calculating payments.

F. Late Payments. Any fees owing which remain unpaid more than ten (10) business days after the dates specified herein shall be delinquent and shall thereafter accrue interest at the maximum allowable rate pursuant to RCW 19.52.020.

G. Period of Limitations. The period for commencing an action for the recovery of any fee payable hereunder shall be six years from the date on which payment by Franchisee is due, subject to tolling as provided as a matter of law or equity. Unless within six years from and after the due date for a particular payment, the City makes written request to review Franchisee’s records with respect to such fee payment (either individually or as part of a broader request) recovery shall be barred with respect to such payment and the City shall be estopped from asserting any claims whatsoever against Franchisee relating to any alleged deficiencies in that particular payment.

6.2 Auditing and Financial Records. Franchisee shall manage all of its operations in the City of Tacoma in accordance with a policy of keeping books and records open and accessible to the City. Without limiting its obligations under this Franchise, Franchisee agrees that it will collect and make books and records for operations in the City of Tacoma available for inspection and non-confidential books and records for operations in the City of Tacoma for copying by the City in accordance with Title 16B. Franchisee shall be responsible for collecting the information and producing it. Books and records shall be made available for
inspection to the City at the Tacoma Municipal Building, or such other location as
the parties may agree. Notwithstanding any provision of Title 16B or this
Franchise, if documents are too voluminous or for security reasons cannot be
produced at the Tacoma Municipal Building or mutually agreeable location within
the City, then Franchisee may produce the material at another central location,
provided it also agrees to pay the additional reasonable costs incurred by the City
in reviewing the materials if such location is outside the City.

Franchisee shall take all steps reasonably required, if any, to ensure that it
is able to provide the City all information which must be provided or may be
requested under Title 16B or this Franchise, including by providing, or causing to
be provided, appropriate Subscriber privacy notices. Nothing in this section shall
be read to require a Franchisee to violate 47 U.S.C. §§ 222 or 551 or to disclose or
make available to the City any books and records protected from disclosure under
other applicable law. Franchisee shall be responsible for redacting any data that
federal law prevents it from providing to the City; provided, that City shall promptly
return or destroy upon Franchisee’s written request any data prohibited by federal
law to be provided to City and erroneously provided to City. Records shall be kept
for at least six years. In addition to maintaining all records as required by
Title 16B, Franchisee shall maintain records sufficient to show its compliance with
the requirements of this Franchise, and shall produce those records within 30 days
of a City request.

Franchisee agrees to meet with a representative of the City upon request,
but in no event more than once annually, to review its methodology of record-
keeping, financial reporting, computing fee obligations, and other procedures, the understanding of which the City deems necessary for understanding the meaning of reports and records.

The City agrees to request access to only those books and records, in exercising its rights under this section, which it deems reasonably necessary as part of a bona fide exercise of its authority over the Telecommunications System under this Franchise, Title 16B, or other applicable law. The City further agrees that it will withhold from public disclosure those books and records made available to it pursuant to this Section 6.2, but only to the extent that the City believes that it has the discretion to do so under state law. The City will, however, provide notice to Franchisee of any request for such books and records so that Franchisee can engage whatever protective measures are available to it.

6.3 Performance Bond. At the same time it provides its Franchise acceptance to the City, Franchisee shall provide a performance bond to ensure the faithful performance of its responsibilities under this Franchise and applicable law, including, by way of example and not limitation, its obligations to relocate and remove its facilities; and to restore City Rights-of-Way and other property. The initial amount of the performance bond shall be $250,000. The amount of the bond may be changed from time to time to reflect changed risks to the City or to the public. Franchisee may be required to obtain additional bonds in accordance with the City’s ordinary practices and/or pursuant to applicable TMC provisions. The bond shall be in a form and with a surety (authorized to do business in the state of Washington) reasonably acceptable to the City’s Risk Manager and in a form
reasonably acceptable to the City Attorney. Franchisee shall pay all premiums or costs associated with maintaining the bond, and shall keep the same in full force and effect at all times during the Franchise Term.

6.4 Indemnification by Franchisee.

A. Franchisee, by accepting this Franchise, agrees to release the City from and against any and all liability and responsibility in or arising out of, or by reason of, or resulting from or of the negligent acts, errors, or omissions of Franchisee during the construction, operation, or maintenance of the Telecommunications System, and, without limiting the provisions of Section 7.4, agrees not to sue or seek any money or damages from City, except to the extent Franchisee’s Telecommunication System is damaged by the negligent acts or omissions or willful misconduct of the City or its agents.

B. Franchisee agrees to indemnify and hold harmless the City, its trustees, elected and appointed officers, agents, and employees, from and against any and all claims, demands, or causes of action of whatever kind or nature, and the resulting losses, costs, expenses, reasonable attorneys’ fees, liabilities, damages, orders, judgments, or decrees, sustained by any third party arising out of, or by reason of, or resulting from or of the acts, errors, or omissions of Franchisee or its agents, independent contractors, or employees related to or in any way arising out of the construction, operation, maintenance, or relocation of the Telecommunications System, unless and to the extent caused by the negligence or willful misconduct of the City or its agents or representatives. Franchisee waives immunity under Title 51 RCW and affirms that the City and

-46-
Franchisee have specifically negotiated this provision, as required by
RCW 4.24.115, to the extent it may apply.

C. Franchisee agrees that the covenants and representations
relating to the indemnity provided in Sections A and B above shall survive the
term/expiration/termination of this Franchise and continue in full force and effect as
to Franchisee’s responsibility to indemnify, subject to the applicable statute of
limitations.

6.5 Franchisee Insurance.

A. Franchisee shall maintain, throughout the term of the Franchise,
adequate insurance or self-insurance, in Franchisee’s reasonable judgment, to
protect the City, its trustees, elected and appointed officers, agents, and
employees against claims and damages that may arise as a result of the
construction, operation or maintenance of the Telecommunications System. The
City makes no representation as to what constitutes adequate insurance for
Franchisee’s operations. The foregoing notwithstanding, Franchisee must
maintain at least the minimum insurance coverages and amounts set forth in
TMC 16B.05.090.

B. The required insurance must be obtained and maintained for the
entire period Franchisee has facilities in the Public Rights-of-Way, and for six years
thereafter. If Franchisee, its contractors, or subcontractors do not have the
required insurance, the City may order such entities to stop operations until the
insurance is obtained and approved.
C. Certificates of insurance, reflecting evidence of the required insurance and including the City as an additional insured with all required endorsements on the Commercial General Liability and Automotive policies/coverages hereby required, shall be filed with the City’s Risk Manager. The certificate shall be filed with the acceptance of the Franchise and annually thereafter, and as provided in E below.

E. In the event that the insurance certificate provided indicates that the insurance shall terminate or lapse during the period of the Franchise, Franchisee shall furnish, at least 30 days prior to the expiration of the date of such insurance, a renewed certificate of insurance as proof that equal and like coverage has been or will be obtained prior to any such lapse or termination during the balance of the period of the Franchise.

F. The City reserves the right to require any other insurance coverage it deems necessary during the term of the Franchise, depending upon the exposures; provided that such requirement(s) conforms with TMC 16B.

G. It is Franchisee’s responsibility to ensure that each subcontractor obtains and maintains adequate liability insurance coverage, and upon request of the City, Franchisee shall provide evidence of such insurance.
6.6 Security Fund. Franchisee shall establish a cash security fund or provide the City an irrevocable letter of credit or assignment of funds in the amount of $50,000, as additional security to secure the payment of fees owed, to secure any other performance promised in this Franchise, and to pay any taxes, fees, or liens owed to the City. Any letter of credit shall be in a form and with an institution acceptable to the City’s Director of Finance and in a form acceptable to the City Attorney. Should the City draw upon the cash security fund or letter of credit or assignment of funds, it shall promptly notify Franchisee and Franchisee shall promptly restore the fund or the letter of credit or assignment of funds to the full required amount. The City may from time to time change the amount of the required security fund/letter of credit/assignment of funds to reflect changes in the risks to the City and to the public, including delinquencies in taxes or other payments to the City.

7.1 Posting and Publication. Franchisee shall assume the cost of posting and publication of this Franchise, as such posting and publication is required by law, and such is payable upon Franchisee’s filing its acceptance of the Franchise.

7.2 Guarantee of Performance. Franchisee acknowledges that it enters into the Franchise voluntarily in order to secure and in consideration of the grant from the City of a ten-year Franchise. Performance pursuant to the terms and conditions of this Franchise agreement is guaranteed by Franchisee.
7.3 Governing Law and Venue. The Franchise shall be governed by and construed in accordance with the laws of the state of Washington without recourse to any principles of Conflicts of Laws, except that where federal law preemptively applies it shall control. Any litigation between the City and Franchisee arising under or regarding this Franchise shall occur, if in the state courts, in the Superior Court of Pierce County, and if in the federal courts, in the United States District Court for the Western District of Washington.

7.4 No Recourse. Without limiting such immunities as the City or other Persons may have under applicable law, Franchisee shall have no monetary recourse whatsoever against the City or its officials, boards, commissions, agents, or employees for any loss, costs, expense, or damage arising out of any provision or requirement of Title 16B or because of the enforcement of Title 16B or the City’s exercise of its authority pursuant to Title 16B, this Franchise, or other applicable law, except to the extent Franchisee’s Telecommunication System is damaged by the negligent acts or omissions or willful misconduct of the City or its representatives.

7.5 Notice. Unless expressly otherwise agreed between the parties, every notice, billing, or response required by this Franchise to be served upon the City or Franchisee shall be in writing and shall be deemed to have been duly given to the required recipient upon actual receipt or refusal of delivery and shall be sent by a nationally recognized overnight courier or by U.S. certified mail, return receipt requested, postage prepaid. 7.6 Execution. Franchisee shall execute and return to the City three original countersigned copies of this Ordinance and a signed acceptance of the Franchise granted hereunder within 30 days after the date of passage of the Ordinance by the City Council. The acceptance shall be submitted in the form attached hereto or other form acceptable to the City Attorney and in accepting the Franchise, Franchisee warrants that it has carefully read the terms and conditions of this Franchise and unconditionally accepts all of the terms and conditions of this Franchise and agrees to abide by the same and acknowledges that it has relied upon its own investigation of all relevant facts, that it has had
the assistance of counsel, that it was not induced to accept a Franchise, that
this Franchise represents the entire agreement between Franchisee and the
City, and that Franchisee accepts all risks related to the interpretation of this
Franchise. The countersigned Ordinance and acceptance shall be returned to
the City accompanied by: evidence of insurance; a payment for publication
