Keeping Illegal Activity **OUT**
of neighborhoods and
business property.

► **Hulk Vehicle Haulers**

Hulk Vehicle Haulers will come and haul your 'unused vehicle' and will often PAY YOU money for it (depending on whether it's a unique model or if the price of base metal is high). This is a good way for you or your neighbors to have an unused car towed away for free, and often make some money on the deal.

The other option is to have the City of Tacoma declare it a junk vehicle, pay to have it towed away, and then bill the owner \$250 for doing so.

If you have a rare or foreign car, check the Yellow Pages under "Auto Wrecking & Recycling", and "Auto Wreckers and Used Parts", etc., as there are firms that don't do basic Hulk Hauling, but will haul specific models or brands. Some local Hulk Hauling referrals:
