

## RESOLUTION NO. 38247

1 A RESOLUTION relating to the City's vision and definition of sustainability;  
2 establishing the City's vision and definition of sustainability; and establishing  
3 a framework for the City to track and report on its progress toward  
4 achievement of its vision of sustainability.

5 WHEREAS the City endeavors to be recognized as a "livable and  
6 progressive international city, regarded for the richness of its multicultural  
7 population," and

8 WHEREAS the City realizes that the natural resources essential to the  
9 economic, social, and cultural well-being of its citizens are finite, and

10 WHEREAS the City recognizes its responsibility to improve human  
11 health while supporting a diverse community with equitable access to  
12 opportunities, and

13 WHEREAS the City recognizes the value of cultural contributions, such  
14 as the arts, innovation, heritage, recreation, and the overall value of a high  
15 quality of life for its citizens, and

16 WHEREAS the City recognizes that protection, preservation, and  
17 restoration of local and regional ecological quality is vital for our economic,  
18 social, and cultural well-being, and

19 WHEREAS the City seeks to strengthen its position as a vibrant  
20 economic center and as a destination for investment, thus supporting local  
21 business, and

22 WHEREAS "sustainability" is used by international, national, and local  
23 organizations to mean consideration of environmental, economic, social, and  
24 cultural values in decision making, and  
25  
26

1 WHEREAS Tacoma's Climate Action Plan seeks "to guide the reduction  
2 of greenhouse gases and provide a blueprint to grow our local economy, to  
3 make Tacoma more livable and more attractive, to allow our citizens to be  
4 healthier, and to advance sustainability for the long term," and

5 WHEREAS, on October 31, 2008, the City Council adopted  
6 Resolution No. 37631, creating the Office of Sustainability and establishing the  
7 Sustainable Tacoma Commission on Climate Change; Now, Therefore,

8  
9 BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

10 Section 1. That the City's vision of sustainability is: (1) Tacoma will  
11 achieve exceptional quality of life for every generation and will leave a legacy of  
12 stewardship and (2) Tacoma will achieve lasting and equitable prosperity; build  
13 a safe, healthy, attractive, and vibrant community; and minimize negative  
14 impacts in order to conserve the natural resources that sustain it.

15 Section 2. That the City's definition of sustainability is: The City and its  
16 citizens meet current needs without compromising the needs of future  
17 generations, such that environmental, social, cultural, and economic  
18 considerations are balanced and integrated in a day-to-day, decision-making  
19 manner.  
20

21 Section 3. That the City's vision and definition of sustainability will guide  
22 and inform City policy; decision-making by City staff, boards, and commissions;  
23 and the legislative decisions of the City Council.  
24

25 Section 4. That the City will define goals toward achieving its vision and  
26 implementing its definition of sustainability and measure and report yearly

1 progress by defining City government and community sustainability indicators,  
2 such as the energy use consumption of the City government itself; and that the  
3 City will adopt five- and ten-year targets for each defined sustainability indicator,  
4 starting in the year 2011.

5 Section 5. That, in addition to its duties regarding implementation of the  
6 Climate Action Plan, the Sustainable Tacoma Commission on Climate Change  
7 will be responsible for overseeing, coordinating, communicating, and  
8 encouraging public involvement regarding sustainability initiatives as are  
9 consistent with the City's vision and definition of sustainability.  
10

11 Section 6. That, in addition to implementing the Climate Action Plan, the  
12 Office of Sustainability will be responsible for researching policies, establishing  
13 sustainability goals for City government and the community, supporting  
14 implementation, integrating values, recommending and promoting practices,  
15 and partnering with government and businesses to advance the City's vision  
16 and definition of sustainability within the City and the region.
