*Contributions made to 457 plans may not exceed annual limits as determined by the IRS.

**IMPORTANT NOTICES and INFORMATION**

1. **Beginning November 1, 2022**, all enrollment and deferral change requests must be submitted through the provider mobile app, website, or by calling the provider Customer Service line. Information is provided below on how to enroll and make changes.

2. There are **26 pay periods in the 2023 calendar year** in which employee, and employer match contributions (if applicable), may be made to deferred compensation accounts.

3. Employee deferrals and employer-match contribution amounts (if applicable) **combined** cannot exceed the IRS annual contribution limits provided above. This limit also applies for enrollment in both Traditional (pre-tax option) and Roth (post-tax option) contributions combined.

4. Tacoma Police Union, Local 6 employees receive an employer-paid contribution match to employee deferred compensation accounts of $211 per pay period. The employer-paid match applies to Traditional 457 deferrals only.

5. All deferral changes made will be reflected on your employee pay advice.

6. If you defer more than the Employee Maximum Deferral per pay period, your account may reach the maximum annual limit before the end of the calendar year. If this happens, no additional employee deferrals, or employer-match contributions (if applicable) will be authorized for the remainder of the year.

7. An employee enrolled in a deferred compensation plan who will be age 50 or older at any time during the plan year, will be automatically enrolled in the Age 50+ employee deferral option. This allows you to make the higher annual contribution, if you so choose.
