In accordance with the Deferred Compensation MOU with Tacoma Police Management Association, Local 26, employees will be provided an Open Enrollment period to make changes to their deferred compensation contributions for 2019. Any changes in your employee contributions made in 2018 through the Open Enrollment period may also change your employer match up to the \$217 per pay period maximum for 2019. All changes made during Open Enrollment will be reflected on the January 11, 2019 pay advice.

DEFERRED COMPENSATION ENROLLMENT FOR PARTICIPANTS AGE 50 AND OVER

An employee electing to sign up for the deferred compensation plan who is age 50 or over at any time during the year, will be automatically enrolled in the Age 50+ Catch-Up option. This allows you to make a higher annual contribution, if you so choose. Additionally, any current employee who is age 50 and over and enrolled in the deferred compensation plan, who is not already set up in the Age 50+ Catch-Up option, will be enrolled in that option effective January 1, 2019.

HOW TO MAKE DEFERRED COMPENSATION CONTRIBUTION CHANGES DURING OPEN ENROLLMENT

If you are currently enrolled in a Deferred Compensation Plan, you can increase or decrease your contribution levels during Open Enrollment through Employee Self Service (ESS), which take effect January 1, 2019. However, for changes to contributions made outside of benefits open enrollment, you can only stop or decrease your amount in ESS using the **Allowable Midyear Benefits Changes** option. A paper form is required to make an increase to your contribution levels, or to enroll in the Deferred Compensation Plan Regular (pre-tax option) or Roth (post-tax option). Enrollment forms are located on the Benefits webpage under **Benefits Forms**.

TO ENROLL IN DEFERRED COMPENSATION

If you are not currently enrolled in the deferred compensation plan, you will first need to enroll in the plan before you can use Employee Self Service (ESS) to make changes to your contribution amount. To sign up for the Deferred Compensation Plan, or to make changes other than your contribution amount, requires a paper application located on the Benefits webpage under the **Benefits Forms** section at cityoftacoma.org/benefits.
