You authorize us to retain on file your payment card details that you used to make this purchase and to charge your payment card account to pay for any prescription orders requested by you. Should you also choose to enroll in the auto-pay program, you further consent that we may charge your enrolled payment method for prescription orders made by covered household members, including previously ordered prescriptions which are unpaid.

- We will notify you of any changes to this authorization by email or mail as applicable. This Card on File Authorization, and if applicable auto-pay enrollment, will remain in effect until you cancel the authorization by logging into your account or calling the 1-800 number on the back of your prescription card. The transaction amount is determined by your plan’s benefit structure at the time the prescription is shipped.
- State law prohibits the return of prescription medications for resale or reuse. We cannot accept the return of properly dispensed prescription medications for credit or refund.

7 Generic Substitution

State law permits a pharmacist to substitute a less expensive generic equivalent drug for a brand-name drug unless you or your physician directs otherwise. Please note that this applies to new prescriptions and to any future refills of that prescription. Also be aware that you may pay more for a brand-name drug.

- I do not wish to receive a less expensive brand or generic medication.
- If the prescription is being submitted electronically, discuss with your doctor.

Place your prescription(s), order form(s) and your payment in an envelope. Do not use staples or paper clips. Do not affix post it notes to form.
