<td>$41,000</td>
<td>$1,338.92</td>
<td>$238.00</td>
</tr>
</tbody>
</table>

*Contributions made to 457 plans may not exceed annual limits as determined by the IRS.

**IMPORTANT NOTICES**

- If you elect to defer more than the Employee Maximum Deferral per pay period, your account may reach the maximum annual limit before the end of the calendar year. If this happens, no additional employee deferrals or employer match contributions will be authorized for the remainder of the year.
- Human Resources personnel are working remotely – All enrollment and change forms should be emailed to benefits@cityoftacoma.org

- Professional Public Safety Managers Association (PPSMA) employees receive an employer paid contribution of $238 per pay period. The employer paid contribution applies to ALL PPSMA employees – for both deferred compensation participants and non-participants. The employer-paid contribution applies to the Traditional 457 option only.
- There are 26 pay periods in the 2022 calendar year in which employee and employer contributions (if applicable), may be made to deferred compensation accounts.
- Employee deferrals and the Employer contributions combined cannot exceed the IRS annual contribution limits provided above. This limit applies to both Traditional (pre-tax option) and Roth (post-tax option) contributions combined.
- All changes made during Open Enrollment will be reflected on the January 7, 2022 pay advice.

**DEFERRED COMPENSATION ENROLLMENT FOR PARTICIPANTS AGE 50 AND OVER**

- An employee electing to sign up for the deferred compensation plan who will be age 50 or older at any time during the enrollment year, will be automatically enrolled in the Age 50+ employee deferral option.
- This allows you to make a higher annual contribution, if you so choose.

**HOW TO MAKE DEFERRED COMPENSATION CONTRIBUTION CHANGES DURING OPEN ENROLLMENT**

- If you are currently enrolled in Deferred Compensation, you can increase or decrease your contribution levels during Open Enrollment through Employee Self Service (ESS), which take effect January 1, 2022.
- For changes to contributions made outside of benefits open enrollment, you can stop or decrease your amount in ESS using the Allowable Midyear Benefits Changes option.
- To make an increase to your contribution levels, outside of Open Enrollment, a paper form is required.
- To enroll in the Deferred Compensation Plan Traditional (pre-tax option) or Roth (post-tax option) a paper form is required.
- Enrollment forms are located on the Benefits webpage under Benefits Forms.

**WANT TO ENROLL IN DEFERRED COMPENSATION?**

- To sign up and enroll in the Deferred Compensation Plan requires a paper application.
- An ICMA-RC enrollment form is located on the Benefits webpage under the Benefits Forms section at cityoftacoma.org/benefits.
