This is a summary of benefits for comparison and isn’t a contract. Once you’re enrolled, you can get a benefits booklet that will provide all the details of your dental plan. Please feel free to call our customer service department or visit our website at DeltaDentalWA.com if you have any questions.

*Keep in mind, you will likely experience the greatest savings when you see a Delta Dental PPO dentist.*
Get the most from your benefits!

**Create a MySmile® account**
It gives you secure, 24/7 access to your ID card, benefits information, out-of-pocket cost estimates, and more! Our “Find your member ID” tool makes registration easy. Visit DeltaDentalWA.com to create your account.

**Choose an in-network dentist**
Your plan gives you access to the Delta Dental PPO℠ network. Your benefits go farthest when you visit a Delta Dental PPO dentist which gives you the most bang for your buck.

If you see a NON-Delta Dental PPO dentist, you won’t maximize your benefits. Your annual maximum won’t go as far, and you’ll likely have greater out-of-pocket costs.

**Visit your dentist regularly**
Your plan covers preventive care visits each year. Regular cleanings and check-ups are essential to keeping your smile healthy and preventing painful, expensive problems down the road.

**Get out-of-pocket cost estimates**
Knowing your cost upfront helps you and your dentist plan treatments to maximize your benefits.

**MySmile Cost Genie℠** gives you instant, cost estimates. It’s great for basic treatments like fillings. Simply sign into MySmile account to get your personalized estimate.

When you need extensive treatment, like a crown, ask your dentist for a “Predetermination.” You’ll get a **Confirmation of Treatment and Cost** from us. It details your dentist’s treatment plan, what your benefits cover, and how much you may owe your dentist for the treatment.
