How your plan works

Simply visit your dentist to increase your coverage level by 10% for the following year. Repeat until you achieve your maximum benefit levels. Here's an example:

Choose an in-network dentist

Seeing a non-participating dentist means greater out-of-pocket costs! Your plan gives you access to the Delta Dental PPO and Delta Dental Premier networks. These dentists:

1. Provide treatment according to your plan's specific guidelines
2. Agree to accept lower fees
3. File claims for you

Find an in-network dentist near you:

1. Visit DeltaDentalWA.com
2. Click on 'Online Tools' and use our 'Find a Dentist' tool
3. Select 'Delta Dental PPO' or 'Delta Dental Premier' to filter your search results

Activate your FREE MySmile® account

Get started at DeltaDentalWA.com/mysmile. It's how you use your benefits, with easy-to-use tools to help you access your ID card, Find a Dentist, review your coverage and get personalized treatment cost estimates.

Get a Confirmation of Treatment and Cost

When you need extensive treatment, like a crown, ask your dentist for a "Pre-treatment estimate." We'll send a **Confirmation of Treatment and Cost** document that details your dentist's treatment plan, what your benefits cover, and how much you may owe your dentist for the treatment.
