Tacoma Employees and Family Members,

Choosing your benefit plans is an important decision for you and your family. This Open Enrollment newsletter highlights the benefit changes taking place in 2024, and information on how to complete your Open Enrollment elections.

Did You Receive This Information? In anticipation of Open Enrollment, we recently emailed you a Benefits Confirmation Statement to help you review your current enrollments, verify the accuracy of your covered dependents and beneficiaries, and make plans for Open Enrollment. We hope you found this useful. Look for an email from batch_hr@cityoftacoma.org.

What is the Purpose of Open Enrollment? Open Enrollment is the one special time of year when you can make changes to your plan options and dependents outside of qualifying life event (e.g. marriage, birth of a child, loss of other coverage, etc.). Even if you do not wish to make changes to your benefit plan selections or the dependents enrolled on your plans for 2024, we strongly encourage you to review your current information for accuracy. Additionally, if you are interested in enrolling in a Section 125 Flexible Spending Account (FSA) for 2024, you must make a new annual election during Open Enrollment.

Questions? If you have questions, or need additional assistance, please contact the Human Resources Benefits Office at benefits@cityoftacoma.org or (253) 573-2345.

Kari L. Louie
Assistant Human Resources Director

Benefit Rates in 2024

Although the City will pay more for some benefit plans in 2024, there will be no monthly premium contribution changes for full-time employees. If you met the 2024 Wellness Program incentive requirements, your employee premium for the health insurance will be reduced. (See page 3 for details.)

**The Importance of Keeping Your Beneficiary Designations Up-to-Date**

You are entitled to great benefits through your employment with the City of Tacoma. Some of these benefit programs are administered by the City, some are through other agencies or third-party administrators, and some are through a union affiliation. It is important to keep them all up-to-date. Don’t forget that you may also have some personal life insurance policies or retirement accounts outside of the City that you will need to update. With information listed across these various benefit programs, you may need to go multiple places to review the information and make any needed changes. Review the “Beneficiary Change Resources” document for details on the various beneficiary designations you have with your City benefits, how to verify your information is accurate, and make changes if needed at cityoftacoma.org/benefits under Open Enrollment.

**Who Can I Cover on my Benefits?**

- **Spouse:** Your current legal spouse.
- **Domestic Partner:** Your grandfathered domestic partner who met the requirements of the City of Tacoma Affidavit of Domestic Partnership and was registered and on file with the City of Tacoma as of December 31, 2016; OR, after January 1, 2017, is registered with the State of Washington under chapter 26.60.030 RCW.
- **Child under age 26:** Your children up to age 26 may include: a natural child, adopted child, or a child legally placed with you for adoption, including a child for whom you have assumed a total or partial legal obligation for support in anticipation of adoption, a stepchild or domestic partner’s child, or a child for whom you have legal guardianship or court-ordered custody.
- **Child age 26 and over:** Your, your spouse’s, or your domestic partner’s otherwise eligible child who is age 26 or over and incapable of self-support because of physical, mental, or developmental disability that prevents the child from establishing or maintaining consistent employment or independence that began before their 26th birthday, if you complete and submit the affidavit of dependent eligibility form, with written evidence of the child’s incapacity, within 30 days of the later of the child’s 26th birthday or your effective date and either:
  - They are a dependent immediately before their 26th birthday; or
  - Their 26th birthday preceded your effective date and he or she has been continuously covered as your dependent on group, individual, or other insurance plan (including public programs) coverage since that birthday.
  - Newly hired employees wishing to enroll an eligible dependent must also be able to demonstrate that the dependent child has been covered on a group, individual, or other insurance plan (including public programs) immediately prior to enrollment on this plan.

**Note:** You are required to contact the Benefits Office immediately to report any dependents on your plans that no longer meet the above definitions.

You can visit the Benefits webpage under Plan Information to review current summaries for the Regence BlueShield (PPO and High-Deductible Health Plans) and Kaiser Permanente (HMO Health Plan). New 2024 plan booklets will be available in the first quarter of 2024.

Pharmacy Coupon Management Program Change - Regence is replacing their current voluntary coupon management program (Copay Maximization Program) with Flex Access. This is a more robust program that will have the following enhancements/changes:
- Will not only offer coverage at specialty pharmacies, but will now include retail pharmacies
- Will include a large increase in the number of medications available under this program
- Member copay is changing from $0 to $0 - $35 but 95% of medications in the program will have a copay of $0 - $5

Eligible members will need to sign up for the new coupon program and they will be contacted by Regence via letter and phone to assist with enrollment.
Health Savings Account Contribution Limits

The Internal Revenue Service (IRS) has increased the Health Savings Account (HSA) annual limits for 2024. This means you are able to put more money into your HSA account on a pre-tax basis. The High-Deductible Health Plan (HDHP) with an HSA is very different from the traditional medical plans the City offers, and may not be the right fit for everyone.

The IRS may not allow you to use your HSA account to pay for qualified health expenses for some of your dependents (e.g. domestic partners and adult children) unless they are claimed on your tax return and meet requirements of Internal Revenue Code (IRC) Section 152.

If you are considering enrolling in this plan for next year, we recommend you visit the Benefits webpage to review the Frequently Asked Questions (FAQ) for the HDHP/HSA. You can also speak to our Plan Administrator, HealthEquity, 24/7, 365 days a year with your questions toll-free at (866) 346-5800 or healthequity.com/HSAlearn.

(Note: See the Wellness article on page 3 on the City’s contributions to an HSA for employees with an HDHP.)

Flexible Spending Account (FSA)
Basics of Section 125 FSA Options

Annual Elections are REQUIRED during Open Enrollment if you want to participate in a Flexible Spending Account plan. Otherwise, the only time you can sign up for this benefit or change your contribution mid-year is if you experience a qualifying life event change (e.g. marriage, birth, divorce, loss of other coverage, etc.).

The City of Tacoma’s Flexible Spending Account Plan includes both a Health Care FSA option (which is for you and your eligible family members’ health care expenses) and a Dependent Care FSA option (which is for eligible childcare or eldercare expenses). These programs allow you to lower your taxable income and be reimbursed for qualified out-of-pocket health care or dependent care expenses. Refer to the current FSA summary online on the Benefits webpage under Plan Information for more information about how these two programs work and the type of out-of-pocket expenses that can be submitted for reimbursement.

Annual Contribution Limits

The Health Care FSA annual plan limits have increased for 2024. The Dependent Care FSA annual plan limits will remain the same.

DON’T FORGET: If you want to be enrolled in either FSA plan option for 2024, you MUST make a new election in ESS during Open Enrollment. The IRS requires you to elect these plans annually.

Are you eligible to establish an HSA?

The Internal Revenue Service has established rules for health savings accounts (HSAs) that restrict who can establish an account and make contributions:

- You must be enrolled in a qualified high-deductible health plan (HDHP)
- You cannot be covered by another health insurance plan (such as a spouse’s plan), unless it is a qualified HDHP.
- You cannot be enrolled in a general purpose flexible spending account (FSA) or have coverage through a spouse’s FSA.
- You cannot be enrolled in a health reimbursement arrangement (HRA) or have coverage through a spouse’s HRA.
- You cannot be covered by other health insurance through Medicare, TRICARE, or Indian Health Services.
- You cannot be claimed as a dependent on someone else’s tax return. You can be listed as a spouse filing jointly.

*Individuals can be enrolled in or covered through a spouse’s limited purpose FSA or HRA. The City of Tacoma currently offers a general purpose FSA. Employees who sign up for the HDHP will not be able to sign up for the Health Care FSA benefit. However, you can still participate in the Dependent Care FSA.

Making Changes to Your Deferred Compensation Plan Elections
Last year, a process change was made so that employees work directly with our deferred compensation plan vendors to enroll in the plan and make changes to their contribution elections. This change eliminates the need for paper forms, is secure, and also helps participants become more acquainted with our vendor websites which have a host of useful information such as educational materials, tools, and calculators to help participants stay on top of retirement saving goals.

Employees do not have to make any kind of changes to their contribution elections during Open Enrollment. However, we do encourage employees to review all their benefit election information during Open Enrollment, and many employees like to make changes to their deferred compensation contribution elections at this time for the new calendar year. As a reminder, instead of completing a paper enrollment/change application or signing into Employee Self Service (ESS) to make contribution changes, employees now handle these activities directly through our vendors. Access options include the vendors’ website, mobile app, or by calling their customer service line. Staff from the Benefits Office process enrollment and change information from the vendor websites to coordinate payroll contributions for the plan.

Note: Special activities like pre-retirement catch-up enrollment/calculations, employee separations and retirements, and leaves of absence issues will still be coordinated directly with the Benefits Office.

For complete details on how to enroll or make changes to your contribution elections with MissionSquare or Nationwide, please refer to the City of Tacoma Benefits webpage at cityoftacoma.org/benefits under Plan Information and Deferred Compensation. If you have questions about these changes, please contact the Benefits Office at benefits@cityoftacoma.org or (253) 573-2345 or contact your representative at MissionSquare or Nationwide:

**Telehealth and Other Medical Care Options**

**Employee Assistance Program Telehealth Change**

Effective August 22, 2023, the First Choice Health Employee Assistance Program (EAP), transitioned telehealth vendors from BetterHelp to Talkspace. Members can access Talkspace by calling the toll-free support line at (800) 777-4114, or by submitting a referral online at firstchoicereap.com, or directly through the Talkspace app. Members who received a referral to BetterHelp up until the August 22nd go-live date and who wish to continue services through their BetterHelp provider, will be allowed to use all their allotted sessions through the end of the year at which point they will be able to continue with their provider by paying out of pocket or can call in to get a new referral through Talkspace.

There are four telehealth communication methods offered through Talkspace:

- Messaging/Texting – Unscheduled visit
- Live Video Call – Scheduled visit
- Live Chat Phone – Scheduled visit
- Live Chat Messaging/Texting – Scheduled visit

**Other Medical Care Options**

**Did You Know?** There are telehealth services provided through both of the City’s medical providers. Virtual care is offered 24/7 for Kaiser Permanente through Care Chat and for Regence BlueShield through MDLive. There are also many ways to receive the medical care needed with both of these medical providers (virtual, at a doctor’s office/facility, or even on-call medical care at your home). Find more details on Care Chat and MDLive and “Care Options” flyers for both Kaiser Permanente and Regence BlueShield located on the benefits webpage at cityoftacoma.org/benefits under Plan Information, Medical Plans. You can also contact the Benefits Office for details at benefits@cityoftacoma.org or (253) 573-2345.

**Personal Time Off (PTO)**

**Open Enrollment for Converting to PTO**

Non-represented City employees who are currently accruing vacation and sick leave, and employees represented by a union agreement that includes a PTO conversion option, are invited to make a choice between keeping their current Vacation and Sick Leave plans or converting to the City's PTO plan.

Employees electing to convert to Personal Time Off during this open enrollment period will accrue PTO hours with the pay period beginning on December 4, 2023.

To review more detailed information on converting to the PTO plan, such as which union agreements include a provision for this change, how the conversion works, what the benefit levels are, and how to make a conversion election during Open Enrollment, please visit the Benefits webpage at cityoftacoma.org/benefits, and go to Open Enrollment.

*Note: Eligible Rail employees were notified of their conversion opportunity in the month of October.*

Questions can also be directed to the Human Resources HRMS Team at HRMSTeam@cityoftacoma.org or call:

- Kathy Emerson (253) 591-5407
