GROUP BUY-UP LONG TERM DISABILITY INSURANCE

Protect your income while coping with a long-lasting disability.

Your employer provides you with a basic level of disability insurance. Will that be enough for you? Think about your ongoing expenses and how much income you’ll need to replace. You have the option to enroll in an enhanced level of disability insurance.

Long Term Disability insurance can help pay the bills if you become disabled and can’t work for an extended period. That could be a few months or several years. This coverage may help replace part of your paycheck, which can help protect your lifestyle and savings.

You can get help returning to work when you’re ready. This Long Term Disability coverage includes incentives and assistance to help you get back to work. The Standard may also help pay the costs of modifying your workplace to accommodate your needs.

One in four 20-year-olds will become disabled before reaching age 67. And one in 10 Americans live with severe disability.* Long-term disabilities can be caused by accidents but also by illnesses such as cancer and heart diseases. How many paychecks could you miss? Long Term Disability insurance can help you maintain your lifestyle and pay for things like:

- Housing Costs
- Groceries
- Car Insurance
- College Tuition

### Additional Features

**Help With Returning To Work**
This plan provides incentives to help you get back to work. For instance, you'll get help paying for some of the expenses associated with participating in an approved rehabilitation plan.

If a worksite modification would enable you to return to work, the coverage can help your employer make approved modifications.

You may also be eligible to receive an additional benefit of 10 percent of your predisability earnings for participating in an approved rehabilitation plan, subject to the plan maximum.

**Survivors Benefit**
If you die while receiving benefits, your survivor may be eligible to receive a one-time additional payment.

**Support When You Need It**
You'll have access to an Employee Assistance Program. This is a valuable confidential counseling resource if you're experiencing personal or work-related issues. This service is provided through an arrangement with a service provider who is not affiliated with The Standard.

**Family Care Expense Benefit**
Applies if you are disabled, returned to work and continue to receive Long Term Disability benefits. For 24 months, your calculated work earnings will be reduced by a portion of qualified expenses (up to $250 per dependent or $500 per family, per month).
How Much Your Coverage Costs

Your base policy is paid for by City of Tacoma and costs you nothing. If you choose to purchase buy-up coverage, you’ll have access to competitive group rates that may be more affordable than those available through individual insurance. You’ll also have the convenience of having your premium deducted directly from your paycheck.

How much your premium costs depends on which Option you select:

</tr>
</thead>
<tbody>
<tr>
<td>Option A</td>
<td>180 Days</td>
</tr>
<tr>
<td>Option B</td>
<td>90 Days</td>
</tr>
</tbody>
</table>

Use this formula to estimate your monthly premium payment for your buy-up coverage:

\[
\frac{x \times \text{Rate percent of insured earnings}}{100} = \text{This amount is an estimate of how much you’d pay each month.}
\]

Choose Option A or Option B.

Enter your monthly earnings on the line above.

Note:
Option A (cannot be more than $8,333)
Option B (cannot be more than $8,333)

Note:
Rate: Option A (0.205)
Rate: Option B (0.303)

As you consider whether to apply for buy-up Long Term Disability insurance, evaluate what makes sense for you.

Getting by without a paycheck isn’t easy, especially for an extended period of time. Make sure you have enough financial protection to help you with housing costs, utilities and other bills.

Your employer provides you with a basic level of disability insurance. Will that be enough for you? If not, you have the option to enroll in an enhanced level of disability insurance.

To estimate your insurance needs, you’ll need to consider your unique circumstances. Use our online calculator at standard.com/disability/needs.
