Joe Perva Reported the following for operations.

1. 59 residents
2. 53% positive move out rate.
3. 4 medical calls. We have an individual who is currently experiencing issues in her pregnancy.
4. 3 police calls “these calls where all do to mental health” There were no crimes or issues founded by officers. We are working with outside agencies to help support this individual.
5. Had another family move into permanent housing this month. Which is always exciting and brings our numbers up to 17 individuals placed into permanent housing.
6. We have an individual who works for access wireless in the village which is amazing they are accompany that makes sure everyone can get phone service for so many important things work medical etc... I think this is such a great addition to the village giving anyone who receives snap food stamps the ability to have phone service at no cost to them.
7. Thank you, Randy, for the propane tanks!
8. Thank you, Erik, for your continued efforts to get the vaccination information to everyone so they may help encourage vaccination for the safety of everyone at the village.
9. Thank you, Ronnie brown, for your continued efforts in supplying food donations for the village.
10. Added tether ball badminton set table tennis Xbox 360, and many other activities for the children at the village.

Isaiah summers reported for Case Management.

1. Working with Clients to get them into coordinated care and hopefully help some clients get housing vouchers.
2. Working with clients to get housing ready documents id, social security cards etc....
