What We Have Learned

Initial Recommendations

- Extend Emergency Declaration through December
  - Heightened services supported through emergency declaration
  - Enforcement and regulatory tools tied to emergency declaration – continuing to learn about impacts
  - Potential need for streamlined procurement
- No Second Mitigation Site at this Time
  - Changing nature of encampments
  - Stabilization site at or near capacity with slow outflow into stable housing
  - Redirect funding to increased sheltering capacity ($200 K)
    - Provide 20 additional shelter spaces for most vulnerable
