1. An appeal of a determination of significance;
2. An appeal of a procedural determination made by an agency when the agency is a project proponent, or is funding a project, and chooses to conduct its review under this chapter, including any appeals of its procedural determinations, prior to submitting an application for a project permit;

3. An appeal of a procedural determination made by an agency on a nonproject action; or

4. An appeal to the local legislative authority under RCW 43.21C.060 or other applicable state statutes.

B. Appeal to the Hearing Examiner.

1. Initiating an Appeal

a. Threshold determination or adequacy of a final environmental impact statement for a proposed land use action shall be appealable to the Hearing Examiner. All other appeals under this chapter, other than appeals of environmental reviews associated with Shoreline Substantial Development Permits, shall be made as set forth in 13.12.820.B, below.

b. Appeal Procedure/Fee. A notice of appeal, together with a filing fee as set forth in Section 2.09 of the Tacoma Municipal Code, shall be filed with Planning and Development Services. Planning and Development Services shall process the appeal in accordance with Chapter 13.05 of this title.

Pursuant to RCW 43.21C.080, notice of any action taken by a governmental agency may be publicized by the applicant for, or proponent of, such action in the form as provided by Planning and Development Services and WAC 197-11-990. Any subsequent action of the City for which the regulations of the City permit use of the same detailed statement to be utilized and as long as there is not substantial change in the project between the time of the action and any such subsequent action, shall not be set aside, enjoined, reviewed, or thereafter challenged on grounds of noncompliance with RCW 43.21C.030(2)(c).
