PLANNING COMMISSION
April 15, 2015

TACOMA 2040
comprehensive plan update
Agenda

- MUC review tie-in to Comp Plan
- Urban Form Element Outline
- Economic Development Element Outline
### Building Blocks

| **CENTERS** | Compact, mixed use urban areas targeted for growth will provide access to jobs, commercial services, transit connections and housing options. |
| **CORRIDORS** | Major city streets with growth potential that provide critical connections to centers, and links to transit, commercial services, jobs and housing options. |
| **EMPLOYMENT AREAS** | Diverse and growing areas of employment that host a variety of business sectors in different parts of the city. |
| **TRANSIT STATION AREAS** | Station areas along high frequency transit lines that connect people to important residential and employment destinations. |
| **OPEN SPACE SYSTEM** | A system of enhanced open space corridors that connect fish, wildlife and people to key natural features throughout the city. |
| **SIGNATURE TRAILS** | A citywide network of shared-use trails that connect people to nature, parks and major destinations or centers. |
| **HISTORIC NEIGHBORHOOD PATTERN AREAS** | Broad areas of the City with distinctive character and land use patterns that include centers and smaller concentrations of commercial activities and amenities that support the daily needs of the residents. |

- **Focus on:**
  - location
  - distribution
  - relation
  - differentiation
