

**Tacoma Shoreline Master Program  
Responding to Department of Ecology's Determination**

**Schedule**

(as of August 27, 2013)

|                 |   |
|-----------------|---|
| August 19, 2013 | Ecology issued a <u>conditional</u> approval of the City's Shoreline Master Program (SMP). The City has 30 days (until September 18) to accept Ecology's conditional acceptance or propose alternatives.                                |
| August 27       | City Council Study Session (12:00 noon) – reviews Ecology's letter of conditional approval and considers response options.  |
| September 5     | Community Meeting, 6:00 p.m., in Room 708, Tacoma Municipal Building (for interested parties to learn more information or ask questions).   |
| September 10    | City Council Study Session (12:00 noon) – reviews public comment received at the Community Meeting on September 5 and considers potential actions to either accept Ecology's conditional acceptance or propose alternatives to Ecology. |
| September 17    | City Council Meeting (5:00 p.m.) – depending on the decision on September 10, either conducts first reading of ordinance adopting the revised SMP or considers a resolution or motion to formalize the City's proposed alternatives.    |
| September 18    | Respond to Ecology with either a notification of acceptance or a transmittal of proposed alternatives.  |
