# Tideflats Advisory Group: Meeting #1 Agenda

February 20, 2020, 4–5:30 pm

UW Tacoma Campus

Milgard Assembly Room at William Philip Hall

## MEETING PURPOSE

- Launch the Tideflats Advisory Group’s (TAG) process and role, as described in the Work Plan:
  - Provide input and feedback as a sounding board for the Subarea Planning Process.
  - Serve as liaisons to the broader stakeholder groups they represent.
- Gather TAG members’ insights about engagement.

## AGENDA

**Welcome Exercise (:10)**

**Presentation – Project Overview and TAG Orientation (:20)**

**Breakout Exercise I – Introductions & Icebreaker (:15)**

- *Name and interest in the project*
- *What’s a memory of the Tideflats area of Tacoma that you want to share?*

**Presentation – Public Engagement Approach (:10)**

**Breakout Exercise II – Public Engagement (:15)**

- What are the most important goals for community engagement and how do we measure success?
- Other community perspectives for targeted outreach?

- We would like your help in sharing information about the project. Are there ways you can help?

**Report Out and Group Comment (:15)**

**Next Steps (:05)**
