Tax Parcel No. PA9006780060
Assessment No. 00140F
LID No. 8645

Dear Sirs:

I would like to officially object your LID Assessment on the grounds that the final costs including the benefits study ~~are greater~~ have yielded an assessment greater than the value of my property.

I would like to move to extend the deadline so I can hire an assessment professional to gain an accurate third party quote and present and negotiate with you.
