

City of Tacoma

SID-Number 8645 -

This is in protest of the assessment of my property at 525 Broadway Unit 103 - This increase in the assessment amount is way too much. It's not our fault that the city didn't assess us sooner and now we have over a million in interest to pay -

I'm on a limited income and this is going to have a big impact on me. Not everyone who lives in a Condo is rich!!
