City of Tacoma

LID # 8645

525 BROADWAY

UNIT 401

I am protesting to the amount of my LID amount due to the inaccurate appraisal accounting, an extremely large and onerous interest payment, and lack of an a clear explanation of how the city came to the total LID due to begin with.

Real estate did not approach 2-3% growth between 2009-2011, we should not pay for the city's tardiness with the large interest payment, they do not us a clear explanation.

Thank you

Kim Patrick
