To Whom it Concerns

I want to officially protest
the LID Assessment of \$3793⁰⁰

I received in the letter dated
3-2-2017,

I purchased my condo 2015
I agreed to \$1729.28 in my
Escrow for LID # 8645. Since
my Escrow in 2015 the amount
has increased 119% !!

This assessment should have been
resolved in 2011 or 2012 after
the letters were sent to the State
of Washington stating they were
completed. Any delays or
Interest or finance charges
should not be my responsibility.
