to the Lid Committee
For the City of Tacoma,
Regarding Lid 8645
Dear Sirs

I would like to protest the
manner in which the Lid Billing
For Broadway was determined.

I was living in unit 102 and purchased
unit 309 in 2010 because it has
taken so many years to figure out
what we owe.

Now the man who I purchased it
from and it was in the Real Estate
papers has moved on after 7 years
and he may not pay.

This interest that was added at
our expense because of the length of
the billing process is very unfair.
Also billing different percents for
different Buildings is wrong.

Please reconsider and do this
fairly and soon.
