Puget Sound Gateway Program
SR 167 Completion Project

Taylor Way Open House

May 27, 2020

STEVE FUCHS, PE
SR 167 PROJECT MANAGER
Puget Sound Gateway Program

The Puget Sound Gateway Program is composed of two projects:

- Completion of SR 167 in Pierce County
- Completion of SR 509 in King County

Key benefits

- Essential connections to the ports of Tacoma and Seattle
- Ensure people and goods move more reliably through the Puget Sound region
- Enhance the state's economic competitiveness

Local partnerships

- Executive Committee of elected officials and executives representing 25 cities, counties, ports, transit and federal agencies in King and Pierce counties
- Steering Committee that brings in chambers and trucking interests

70th Avenue E/SR 99 roundabout
Stage 1b: DDI proposed design
Work hours

- Typical work hours Monday through Friday, 7 a.m. to 3:30 p.m.
- Occasional night and weekend work.
Stage 1a Construction Plan

What to expect

• Occasional flagger on 70th Avenue East, near 20th Street East, to direct trucks in/out of work zone.
• Periodic lane closures on SR 99, between 62nd Avenue East and 70th Avenue East.
• Speed limit reduced on SR 99 from 45 MPH to 35 MPH.
• Full nighttime closure of I-5 in late summer or early fall girder setting.
