1.01 DELIVERY OF SUBMITTALS TO THE CITY'S PURCHASING DIVISION

Submittal packages must be received by the City's Purchasing Division, Tacoma Public Utilities Administration Building, Main Floor, 3628 South 35th Street, Tacoma, WA 98409-3115, prior to the scheduled time and date stated in the solicitation announcement. Submittals may be delivered to the City by mail or in person; however, **the Respondent is solely responsible for timely delivery of its submittal to the Purchasing Division.**

Facsimile (fax) copies of submittals for requests for sealed bids, requests for proposals, requests for qualifications and requests for information will not be accepted at any City fax machine.

Submittals received after the time stated in the solicitation announcement will not be accepted and will be returned, unopened, to the Respondent.

For purposes of determining whether a submittal has been timely received, the City's Purchasing Division may rely on Universal Coordinated Time from the National Bureau of Standards as reported by <http://www.greenwichmeantime.com/>

1.02 WITHDRAWAL OF SUBMITTALS

A. Prior to Submittal Deadline (Bid Opening)

Submittals may be withdrawn prior to the scheduled submittal deadline by providing written notice to the City's Purchasing Division. The notice may be submitted in person or by mail; however, it must be received by the City's Purchasing Division prior to the submittal deadline.

B. After Submittal Deadline

No submittal can be withdrawn after having been opened as set forth in the solicitation announcement, and before the actual award of the contract, unless the award is delayed more than 60 calendar days beyond the date of opening. If a delay of more than 60 calendar days does occur, the Respondent must submit written notice to the purchasing manager that Respondent is withdrawing its submittal.

1.03 SUBMITTAL IS NON-COLLUSIVE

The Respondent acknowledges that by its delivery of a submittal to the City in response to this solicitation it represents that the prices in such submittal are neither directly nor indirectly the result of any formal or informal agreement with another Respondent.

1.04 OPENING AND ACCEPTANCE OF SUBMITTALS

Submittals, unless previously withdrawn, will be read aloud, irrespective of any irregularities or informalities in such submittal, at the time and place specified in the solicitation announcement.

All submittals must remain open for acceptance by the City for a period of at least 60 calendar days from the date of opening.

1.05 RIGHT TO REJECT

The City of Tacoma reserves the right to reject any and all submittals, waive minor deviations or informalities, and if necessary, call for new submittals.

A. Requests for Proposals (RFP)

By submitting a proposal in response to a City RFP, the Respondent acknowledges and consents to the below City rights and conditions. With regard to this procurement process, the City reserves, holds

without limitation, and may exercise, at its sole discretion, the following rights and conditions:

1. To terminate the procurement process or decide not to award a contract as a result thereof by written notice to the Respondents for any reason whatsoever.
2. To waive any defect, technicality, or any other minor informality or irregularity in any submittal, or any other response from Respondents.
3. To make minor or major changes or alterations to the evaluation, selection and/or performance schedule(s) for any events associated with this procurement process upon notice to the Respondents.
4. To supplement, amend or otherwise modify the RFP specifications, at any time upon prior notice to Respondents, including but not limited to modifications to the description of services and/or products contained in the RFP, by omitting services/products and/or including services/products not currently contemplated therein.
5. To request clarifications, additional information, and/or revised submittals from one or more Respondents.
6. To conduct investigations with respect to the qualifications and experience information for each Respondent included in a submittal and to request additional evidence to support any such information.
7. To eliminate any Respondent that submits an incomplete or inadequate response, or is non-responsive to the requirements of the RFP specifications, or is otherwise deemed to be unqualified during any stage of the procurement process.
8. To select and interview a single finalist or multiple finalists for the purpose of promoting the City's evaluation of submittals provided in response to the RFP specifications. The City may, in its sole and exclusive discretion as to what is in the City's best interest, elect not to conduct interviews of any or all respondents in connection with this RFP process.

10. To select and enter into a contract with one or more Respondents whose submittal best satisfies the interests of the City and is most responsive, in the sole judgment of the City, to the requirements of the RFP specifications.
11. To take any other action affecting the RFP specifications or the procurement process that is determined to be in the City's best interests.
12. In the event the City receives questions concerning RFP specifications from one or more Respondents prior to the deadline for response, the City reserves the right to provide such questions, and the City's responses, if any, to all Respondents.
13. Neither the City, its officials, staff, agents, employees, representatives, nor consultants will be liable for any claims or damages resulting from any aspect of this procurement process.

1.06 EVALUATION OF SUBMITTALS

The City of Tacoma reserves the right to award to the lowest and best responsible Respondent(s) delivering a submittal in compliance with the specification documents, provided such submittals are reasonable and are in the best interest of the City to accept. The City may use a number of criteria for determining award, including evaluation factors set forth in Municipal Code Section 1.06.262. Respondents who are inexperienced or who fail to properly perform other contracts may have their submittal rejected for such cause.

A. Evaluation Factors

In addition to the factors set forth in Municipal Code Section 1.06.262, the following may be used by the City in determining the lowest and best responsible submittal:

1. Compliance with the Specification and with applicable City requirements, including by not limited to, the City's Ethics Code and its Small Business Enterprise and Local Employment and Apprenticeship programs.
2. Submittal prices, listed separately if requested, as well as a lump sum total (if the unit price does not compute to the extended total price, the unit price shall govern).
3. Time of delivery and/or completion of performance (delivery date(s) offered).
4. Warranty terms.
5. Quality of performance of previous contracts or services, including safety requirements and past compliance with the City's Ethics Code.
6. Previous and existing compliance with laws and ordinances relating to contracts or services.
7. Sufficiency of financial resources.
8. Quality, availability and adaptability of the supplies or services to the particular use required.
9. Ability to provide future maintenance and service on a timely basis.
10. Location of nearest factory authorized warranty repair facility or parts dealership.
11. Ability, capacity, experience, stability, reputation, integrity, character, judgment, technical qualifications and skill to perform the contract or provide the services required.

All other elements or factors, whether or not specifically provided for in this Specification, which would affect the final cost to, and the benefits to be derived by, the City, may be considered in determining the award of the contract. The final award decision will be based on the best interests of the City.

B. Cash Discount

Payment discount periods of 20 calendar days or more, if offered in the submittal, will be considered in determining the apparent lowest responsible submittal. Discounts will be analyzed in context of their overall cumulative effect.

1.07 COMPLETION OF CITY FORMS

All submittals must be completed in ink or typewritten using the forms included with this Specification, and submitted exactly as specified.

City forms requiring signature must be signed in ink by an authorized officer, employee or agent of the Respondent.

Prices must be stated in figures. Corrections shall be initialed in ink by the person signing the submittal. Prices having erasures or interlineations (cross outs) will not be accepted unless initialed in ink by the Respondent.

1.08 CORRECTION OF AMBIGUITIES AND OBVIOUS ERRORS

The City reserves the right to correct obvious errors in the Respondent's submittal. In this regard, if the unit price does not compute to the extended total price, the unit price shall govern.

1.09 CLARIFICATION OF SPECIFICATION

Questions regarding this Specification and/or any included terms, conditions, forms, plans or drawings are to be submitted in writing to the City staff person identified as the contact for this Specification. All requests for interpretation must be received by the City no later than five business days prior to the opening date. Any interpretation of this Specification will be made by addendum duly issued and posted to the Purchasing website at www.TacomaPurchasing.org. Such addendum must be acknowledged in the submittal. The City of Tacoma will not be responsible for any other explanation or interpretation of the specification documents.

1.10 ALTERATIONS NOT ALLOWED

Except as otherwise specifically provided in the specification documents, submittals that are incomplete or conditioned in any way, contain erasures, alternatives or items not called for, or not in conformity with law, may be rejected as being non-responsive. Any attempt to condition the submittal by inserting exceptions to the Specification or any conditions, qualifications or additions that vary its terms may result in rejection of the

submittal. The City cannot legally accept any submittal containing a material deviation from the Specifications.

1.11 INSERTION OF MATERIAL CONFLICTING WITH SPECIFICATIONS

Only material inserted by the Respondent to meet requirements of the specification documents will be considered. Any other material inserted by the Respondent will be disregarded by the City of Tacoma as being non-responsive and may be grounds for rejection of the submittal.

1.12 FIRM PRICES/ESCALATION

Except as specifically allowed elsewhere in the specification documents, only firm prices will be accepted.

1.13 SHIPPING

Prices must be quoted FOB destination (the place of destination as defined in RCW 62A.2-319, as that statute may hereafter be amended), with freight prepaid and allowed (shipping costs included in unit prices), and risk of loss remaining with Respondent until delivery is tendered.

1.14 LEGAL HOLIDAYS

The City of Tacoma observes the following holidays, which shall apply to performance of all contracts awarded from this solicitation:

New Year's Day	January 1
Martin Luther King's Birthday	3rd Monday in January
Washington's Birthday	3rd Monday in February

When any of these holidays occur on Saturday or Sunday, the preceding Friday or the following Monday, respectively, is a legal holiday for the City of Tacoma.

1.15 TAXES

Unless otherwise required in this Specification, applicable federal, state, city and local taxes shall be included in the submittal as indicated below. The total cost to the City, including all applicable taxes, may be the basis for contract award determination. As used herein, the term "taxes" shall include any and all taxes, assessments, fees, charges, interest, penalties, and/or fines imposed by applicable laws and regulations in connection with the procurement of goods and/or services hereunder.

A. Federal Excise Tax

The City of Tacoma is exempt from federal excise tax. The City will furnish a Federal Excise Tax Exemption certificate, if required. If the Respondent fails to include any applicable tax in its submittal, then Respondent shall be solely responsible for the payment of said tax.

B. State and Local Sales Tax

The City of Tacoma is subject to Washington state sales tax. It is the Respondent's obligation to state the correct sales tax percentage and include the applicable Washington state, city and local sales tax as a separate line item(s) in the submittal.

C. City of Tacoma Business and Occupation Tax

It is the Respondent's obligation to include City of Tacoma Business and Occupation tax in the unit and/or lump sum prices submitted; it shall not be shown separately on the submittal.

Per Sub-Title 6A of the City of Tacoma Municipal Code, transactions with the City of Tacoma may be subject to the City's Business and Occupation Tax.

It is the responsibility of the Respondent awarded the contract to register with the City of Tacoma's Tax and License Division, 733 South Market Street, Room 21, Tacoma, WA 98402-3768, telephone 253-591-5252, website <http://www.cityoftacoma.org/Page.aspx?nid=201>.

Information regarding Washington State Business Licenses may be obtained at <http://www.dol.wa.gov/businesses.htm>.

1.17 PUBLIC DISCLOSURE

Washington State Public Disclosure Act (RCW 42.56 et seq.) requires public agencies in Washington to promptly make public records available for inspection and copying unless they fall within the specified exemptions contained in the Act. Documents submitted under this Specification are considered public records and, unless exempt from disclosure under the Act, will be made available for inspection and copying by the public in response to a public records request.

1.18 PROPRIETARY OR CONFIDENTIAL TRADE SECRET INFORMATION

If the Respondent considers any submittal document to be exempt from disclosure under the law, the Respondent shall clearly mark on the specific page(s) affected such words as "CONFIDENTIAL," "PROPRIETARY" or "TRADE SECRET." The Respondent shall also submit an index with its submittal identifying the affected page number(s) and location(s) of all such identified material. **Failure to provide an index identifying the location of the material in the submittal that Respondent considers to be protected from disclosure will result in the records being released in response to a request for those records without further notice to Respondent. Marking the entire submittal as "confidential" or "proprietary" or "trade secret" is not acceptable and is grounds to reject such submittal.**

If a public records request is made for disclosure of all or any part of Respondent's submittal, **and** Respondent has (i) properly marked and (ii) indexed the material it asserts to be exempt from disclosure, the City will determine whether the material is exempt from public disclosure. If, in the City's opinion, the material is subject to a possible exemption to disclosure, the City will notify Respondent of the request and impending release and allow the Respondent ten (10) business days to take whatever action Respondent deems necessary to protect its interests. The City will reasonably cooperate with any legal action initiated by the Respondent to prevent release; provided that all expense of such action shall be borne solely by the Respondent, including any damages, penalties, attorney's fees or costs awarded by reason of having opposed disclosure and Respondent shall indemnify City against same. If the Respondent fails or neglects to take such action within said period, the City will release all materials deemed subject to disclosure. Submission of materials in response to this solicitation shall constitute assent by the Respondent to the foregoing procedure and the Respondent shall have no claim against the City on account of actions taken pursuant to such procedure.

1.19 TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

The City of Tacoma ensures full compliance with Title VI of the Civil Rights Act of 1964 by prohibiting discrimination against any person on the basis of race, color, national origin or sex in the provision of benefits and services resulting from its federally assisted programs and activities. 1.21 PURCHASE ORDER TERMS AND CONDITIONS

Terms and conditions of City of Tacoma purchase orders, if issued, shall apply to contracts and awards resulting from this solicitation.

1.22 RESPONDENT'S REFUSAL TO ENTER INTO CONTRACT

1.23 AWARD

The City reserves the right to award contracts for any or all items to one or more respondents in the best interests of the City.

1.24 FINAL AWARD DETERMINATION

2.10 ADDITIONAL CITY CONTRACTS

During the term of this Contract, other City of Tacoma Departments/Divisions shall have the right to enter into additional service contracts or issue purchase orders based on the unit prices and/or service rates stated in this Contract. The Contractor agrees to take all steps necessary to comply with all federal, state and City laws and policies regarding non-discrimination and equal employment opportunities. The Contractor shall not discriminate in any employment action because of race, religion, color, national origin or ancestry, sex, gender identity, sexual orientation, age, marital status, familial status, or the presence of any sensory, mental or physical handicap. In the event of non-compliance by the Contractor with any of the non-discrimination provisions of this Contract, the City shall be deemed to have cause to terminate this Contract, in whole or in part.

2.17 PREVAILING WAGES PAID – IF REQUIRED

If this Contract involves services for which state and/or local laws may require the Contractor to pay prevailing wages, and Contractor hereby agrees to pay such applicable prevailing wages. If applicable to this Contract, a Schedule of Prevailing Wage Rates for the locality or localities where this Contract will be performed is attached and made of part of this Contract by this reference. If prevailing wages do apply to this Contract, the Contractor and its subcontractors shall (a) be bound by the provisions of Chapter 39.12 RCW, as amended, relating to prevailing wages and usual fringe benefits, (b) ensure that no worker, laborer or mechanic employed in the performance of any part of this Contract shall be paid less than the prevailing rate of wage specified on that Schedule, and (c) immediately upon award of the Contract, contact the Department of Labor and Industries, Prevailing Wages section, Olympia, Washington, to obtain full information, forms and procedures relating to these matters. Per such procedures, a Statement of Intent to Pay Prevailing Wages must be submitted by the Contractor and its subcontractors to the City, in the manner requested by the City, prior to any payment by the City hereunder, and an Affidavit of Wages Paid must be received or verified by the City prior to final Contract payment.

2.18 CONFLICT OF INTEREST

No officer, employee or agent of the City, nor any member of the immediate family of any such officer, employee or agent as defined by City ordinance, shall have any personal financial interest, direct or indirect, in this Contract, either in fact or in appearance. The Contractor shall comply with all federal, state and City conflict of interest laws, statutes and regulations. The Contractor represents that the Contractor presently has no interest and shall not acquire any interest, direct or indirect, in the program to which this Contract pertains that would conflict in any manner or degree with the performance of the Contractor's services and obligations hereunder. The Contractor further covenants that, in performance of this Contract, no person having any such interest shall be employed. The Contractor also agrees that its violation of the City's Code of Ethics contained in Chapter 1.46 of the Tacoma Municipal Code shall constitute a breach of this Contract subjecting the Contract to termination.

C. Personnel

If before, during, or after the execution of this Contract, the Contractor has represented or represents to the City that certain personnel would or will be responsible for performing services pursuant to this Contract, then the Contractor is obligated to ensure that said personnel perform said Contract services to the maximum extent permitted by law. This Contract provision shall only be waived by written authorization by the City, and on a case by case basis.

2.20 TERMINATION AND SUSPENSION

The City may terminate this Contract at any time, with or without cause, by giving 10 business days written notice to Contractor. In the event of termination, all finished and unfinished work prepared by the Contractor pursuant to this Contract shall be provided to the City. In the event City terminates this Contract due to the City's own reasons and without cause due to the Contractor's actions or omissions, the City shall pay the Contractor the amount due for actual work and services necessarily performed under this Contract up to the effective date of termination, not to exceed the total compensation set forth herein.

The City may suspend this Contract, at its sole discretion, upon three business days written notice to the Contractor. Such notice shall indicate the anticipated period of suspension. Any reimbursement for expenses incurred due to the suspension shall be limited to the Contractor's actual expenses and shall be subject to verification. The Contractor shall resume performance of services under this Contract without delay when the suspension period ends.

Termination or suspension of this Contract by City shall not constitute a waiver of any claims or remaining rights the City may have against Contractor relative to performance hereunder.

2.21 INDEMNIFICATION – HOLD HARMLESS

The Contractor shall indemnify, defend and hold harmless the City, its officials, officers, agents, employees and volunteers, from any and all claims, demands, damages, lawsuits, liabilities, losses, liens, expenses and costs arising out of the subject matter of this Contract; provided that this provision shall not apply to the extent that damage or injury results from the fault of the City, or its officers, agents, or employees. The term "fault" as used herein shall have the same meaning as set forth in RCW 4.22.015, as that statute may hereafter be amended.

The Contractor specifically assumes potential liability for actions brought by the Contractor's own employees against the City and, solely for the purpose of this indemnification and defense, the Respondent specifically waives any immunity under the state industrial insurance law, Title 51 RCW.

These indemnifications shall survive the termination of this Contract.

A waiver or failure by either party to enforce any provision of this Contract shall not be construed as a continuing waiver of such provisions, nor shall the same constitute a waiver of any other provision of this Contract.

2.22 INSURANCE

The Contractor shall maintain all necessary insurance to protect Contractor and the City from losses and claims that may arise out of or result from performance of duties related to the Contract, including Worker's Compensation, automobile public liability and property damage, commercial general liability, professional liability, errors and omissions and others, as specified in the Insurance Requirements attachment.

2.23 INDEPENDENT CONTRACTOR STATUS

The Contractor is considered an independent contractor who shall at all times perform his/her duties and responsibilities and carry out all services as an independent contractor and shall never represent or construe his/her status to be that of an agent or employee of the City, nor shall the Contractor be eligible for any employee benefits. No payroll or employment taxes or contributions of any kind shall be withheld or paid by the City with respect to payments to Contractor. The Contractor shall be solely responsible for all said payroll or employment taxes and/or contributions including, but not limited to, FICA, FUTA, federal income tax, state personal income tax, state disability insurance tax and state unemployment insurance tax. If the City is assessed, made liable or responsible in any manner for such taxes or contributions, the Contractor agrees to indemnify and hold the City harmless from all costs incurred, including attorney fees.

Unless otherwise specified in writing, Contractor shall provide at its sole expense all materials, working space, and other necessities and instruments to perform its duties under this Contract. The Contractor, at

its sole expense, shall obtain and keep in force any and all applicable licenses, permits and tax certificates necessary to perform Contract services.

2.24 NOTICES

Except for routine operational communications, which may be delivered personally or transmitted by electronic mail or facsimile, all notices required hereunder shall be in writing and shall be deemed to have been duly given if delivered personally or mailed first-class mail, postage prepaid, to the Contractor's registered agent and to the applicable City department representative.

2.25 CITY OWNERSHIP OF WORK/RIGHTS IN DATA/PUBLICATIONS

To the extent that Contractor creates any work subject to the protections of the Copyright Act (Title 17 U.S.C) in its performance of this Contract, Contractor agrees to the following: The work has been specially ordered and commissioned by the City. Contractor agrees that the work is a "work made for hire" for copyright purposes, with all copyrights in the work owned by City. To the extent that the work does not qualify as a work made for hire under applicable law, and to the extent that the work includes material subject to copyright, Contractor hereby assigns to City, its successors and assigns, all right, title and interest in and to the work, including but not limited to, all copyrights, patent, trade secret and other proprietary rights, and all rights, title and interest in and to any inventions and designs embodied in the work or developed during the course of Contractor's creation of the work.

The Contractor shall be solely responsible for obtaining releases and/or licenses for the reproduction, distribution, creation of derivative works, performance, display, or other use of copyrighted materials. Should the Contractor fail to obtain said releases and/or licenses, the Contractor shall indemnify, defend and hold harmless the City for any claim resulting there from.

2.26 PUBLIC DISCLOSURE

This Contract and documents provided to the City by Contractor hereunder are deemed public records subject to disclosure under the Washington State Public Records Act, Chapter 42.56 RCW (Public Records Act). Thus, the City may be required, upon request, to disclose this Contract and documents related to it unless an exemption under the Public Records Act or other laws applies.

2.27 DUTY OF CONFIDENTIALITY

Contractor acknowledges that unauthorized disclosure of information or documentation concerning the Scope of Work hereunder may cause substantial economic loss or harm to the City. Except for disclosure of information and documents to Contractor's employees, agents, or subcontractors who have a substantial need to know such information in connection with Contractor's performance of obligations under this Contract, the Contractor shall not without prior written authorization by the City allow the release, dissemination, distribution, sharing, or other publication or disclosure of information or documentation obtained, discovered, shared or produced pursuant to this Contract.

2.28 DISPUTE RESOLUTION

In the event of a dispute pertaining to this Contract, the parties agree to attempt to negotiate in good faith an acceptable resolution. If a resolution cannot be negotiated, then the parties agree to submit the dispute to voluntary non-binding mediation before pursuing other remedies. This provision does not limit the City's right to terminate authorized by this Contract.

2.29 GOVERNING LAW AND VENUE

Washington law shall govern the interpretation of this Contract. The state or federal courts located in Pierce County shall be the venue of any mediation, arbitration or litigation arising out of this Contract.

2.30 ASSIGNMENT

The Contractor shall not assign, subcontract, delegate, or transfer any obligation, interest or claim to or under this Contract without the prior written consent of the City.

2.31 WAIVER

A waiver or failure by either party to enforce any provision of this Contract shall not be construed as a continuing waiver of such provisions, nor shall the same constitute a waiver of any other provision of this Contract.

2.32 SEVERABILITY AND SURVIVAL

If any term, condition or provision of this Contract is declared void or unenforceable or limited in its application or effect, such event shall not affect any other provisions hereof and all other provisions shall remain fully enforceable. The provisions of this Contract, which by their sense and context are reasonably intended to survive the completion, expiration or cancellation of this Contract, shall survive termination of this Contract.

2.33 CONFLICT WITH CONTRACT

In the event of any conflict between this document, Standard Terms and Conditions Section 2, Services, and the Professional Services Contract or other type of Contract (Contract) ultimately negotiated and entered into between Respondent and the City, the provisions of the Contract shall prevail. However, absent any such conflict the provisions of this document, Standard Terms and Conditions Section 2, Services, are fully incorporated into and considered part of the Contract.

SECTION 3 – PROJECT INFORMATION AND REQUIREMENTS

A. PROJECT OVERVIEW

The City of Tacoma (City) Solid Waste Management Division (SWM) is located at 3510 South Mullen Street, Tacoma, Washington 98409, where it operates the City's Recovery and Transfer Center. As part of this facility, SWM maintains a Drop-Off Recycle Center, an Administration Building, and a Main Receiving Building (Site). A drop-off area for reusable/recyclable household goods adjoins the entrance to the Recycle Center. A truck owned and staffed by Goodwill Industries is there to accept donated items that meet their criteria for resale. Its location is conveniently placed before vehicles approach the scale house where disposal fees are charged according to weight in/weight out.

In spite of this ideally situated opportunity for donation, SWM staff members see a surprising number of usable items come to the Main Receiving Building (Site) for disposal. When possible, some of the more accessible or valuable items may be retrieved from the tipping floor. As a way to prevent premature disposal of such items and to make them available for reuse and/ or recycling, the City would like to enter into a partnership with one or more organizations that specialize in distribution or resale of reusable and/or recyclable goods.

The City is seeking proposals from organizations or businesses (Vendor) interested in accepting reusable/recyclable items found in the waste stream received at the Tacoma Recovery and Transfer Center. The primary goal of this project is to recover reusable and/or recyclable items that were previously destined for the landfill so that they may be re-used and/or recycled in a responsible and legal manner. These materials may be collected at a point located prior to the scales, or may be materials that are collected out of the waste stream that is received at the Main Receiving Building.

B. INQUIRIES TO RFP

No Pre-proposal conference is being held; however, questions and request for clarifications of the specifications may be submitted in writing by **3:00 p.m., Pacific Time, Tuesday, August 18, 2015**, to Joe Parris, Purchasing Division, via email to jparris@cityoftacoma.org. No further questions will be accepted after this date and time. The City will not be responsible for unsuccessful submittal of questions.

Written answers to all questions submitted will be posted on the Purchasing website at www.TacomaPurchasing.org on or about **August 21, 2015**. The City reserves the discretion to group similar questions to provide a single answer or not to respond when the requested information is confidential. The answers are not typically considered an addendum.

C. RFP REVISIONS

In the event it becomes necessary to revise any part of this RFP, addenda will be issued to all registered planholders and posted on the Purchasing website. Answers in response to RFP inquiries (see Section 3. C. above) are not typically provided as an addendum.

These goods will be retrieved during the regular hours of operation of the Site, which are 8:00 a.m. to 6.00 p.m., seven days a week, excluding certain major holidays which are New Year's Day, Fourth of July, Thanksgiving, and Christmas Day.

The terms of project operation are negotiable. The City staff will collect items deemed potentially reusable/recyclable from the Site floor based on guidelines provided by the Vendor. These items will be set aside for review by the Vendor. Once accepted, it will be the Vendor's responsibility to remove and transport them to the Vendor's place of business.

The Vendor should determine how it plans to collect and transport the items and with what frequency. To assist in planning, the Vendor may schedule a visit to the Site to explore the layout and options. Possibilities for collection include:

- placing collection trailers/containers on Site at a location prior to the scales to accept the items;
- arranging to pick up items from the Main Receiving Building at regularly established times;
- an alternative method proposed by the Vendor.

If the Vendor proposes to operate a trailer or container at the Site, the Vendor will be responsible for:

B. SERVICES PROVIDED BY THE CITY

The City will provide labor at the disposal area to remove potentially reusable/recyclable materials from the waste stream. The City will provide a staging area for storage of the

collected materials to be picked up by the Vendor. The City will provide restroom facilities for use by Vendor staff who are working on the site.

C. TRIAL PERIOD

A 180-day trial period shall apply to contract(s) awarded as a result of this solicitation. During the trial period, the Vendor must perform in accordance with all terms and conditions of the contract. Failure to perform during this trial period may result in the immediate cancellation of the contract. In the event of dispute or discrepancy as to the acceptability of product or service, the City's decision shall prevail. If the contract is terminated within the trial period, the City reserves the option to award the contract to the next highest ranking respondent by mutual agreement with such respondent. Any new award will be for the remainder of the contract and will also be subject to this trial period.

- c) The Vendor shall remove any customer information from all equipment and/or material before selling any items.

E. REPORTING

- F. All payments shall be subject to adjustment for any amounts, upon audit or otherwise, determined to have been improperly invoiced.
- G. In the event the CONTRACTOR incurs cost in excess of the sum authorized for service under this Contract, the CONTRACTOR shall pay such excess from its own funds, and the CITY shall not be required to pay any part of such excess, and the CONTRACTOR shall have no claim against the CITY on account thereof.

4. Independent Contractor Status

- A. The services and deliverables shall be furnished by the CONTRACTOR as an independent Contractor, and nothing herein contained shall be construed to create a relationship of employer/employee or master/servant. No payroll or employment taxes of any kind shall be withheld or paid by the CITY with respect to payments to CONTRACTOR. The payroll or employment taxes that are the subject of this paragraph include, but are not limited to, FICA, FUTA, federal income tax, state personal income tax, state disability insurance tax and state unemployment insurance tax. By reason of CONTRACTOR'S status as an independent Contractor hereunder, no workers' compensation insurance has been or will be obtained by the CITY on account of CONTRACTOR. CONTRACTOR may be required to provide the CITY proof of payment of these said taxes and benefits. If the CITY is assessed or deemed liable in any manner for those charges or taxes, the CONTRACTOR agrees to hold the CITY harmless from those costs, including attorney's fees.
- B. The CONTRACTOR shall provide at its sole expense all materials, office space, and other necessities to perform its duties under this Contract, unless otherwise specified in writing herein.

5. Standard of Performance Warranty

The CONTRACTOR warrants that all services performed pursuant to this Contract shall be generally suitable for the use to which CITY intends to use said services and deliverables as expressed in the Scope of Services/Work (Exhibit (s) _____. Additional warranties, if any, for incidental product deliverables hereunder are set forth in Exhibit ___ <<or in Section 1.A.(2) above>>.

6. Contract Administration and Right to Audit

- A. The Insert Dept/Division/Engineer/City Contact for the CITY shall have primary responsibility for contract administration and approval of services to be performed by the CONTRACTOR, and shall coordinate all communications between the CONTRACTOR and the CITY.

- B. The CONTRACTOR shall, at such times and in such form as the CITY may reasonably require, furnish the CITY with periodic status reports pertaining to the services undertaken pursuant to this Contract.
- C. Upon CITY's request, the Contractor shall make available to CITY all accounts, records, and documents related to the Scope of Work for CITY's inspection, auditing, or evaluation during normal business hours as reasonably needed by CITY to assess performance, compliance, and/or quality assurance under this Contract.

7. Notices

Except for routine operational communications, which may be delivered personally or transmitted by electronic mail or facsimile, all notices required hereunder shall be in writing and shall be deemed to have been duly given if delivered personally or mailed first-class mail, postage prepaid, to the parties at the following addresses:

8. Termination and Suspension

- A. The CITY may terminate this Contract at any time, with or without cause, by giving ten (10) business days written notice to CONTRACTOR. In the event of termination, all finished and unfinished work prepared by the CONTRACTOR pursuant to this Contract shall be provided to the CITY. In the event CITY terminates this Contract due to the CITY's own reasons and without cause due to the CONTRACTOR's actions or omissions, the CITY shall pay the CONTRACTOR the amount due for actual work and services necessarily performed under this Contract up to the effective date of termination, not to exceed the total compensation set forth herein.
- B. The CITY may suspend this Contract, at its sole discretion, upon seven (7) business days written notice to the CONTRACTOR. Such notice shall indicate the anticipated period of suspension. Any reimbursement for expenses incurred due to the suspension shall be limited to the CONTRACTOR'S reasonable expenses and shall be subject to verification. The CONTRACTOR shall resume performance of services under this Contract without delay when the suspension period ends.
- C. Termination or suspension of this Contract by CITY shall not constitute a waiver of any claims or remaining rights the CITY may have against CONTRACTOR relative to performance hereunder.

9. Taxes, Licenses and Permits

- A. The CONTRACTOR acknowledges that it is responsible for the payment of all charges and taxes applicable to the services performed under this Contract, and the CONTRACTOR agrees to comply with all applicable laws regarding the reporting of income, maintenance of

records, and all other requirements and obligations imposed pursuant to applicable law. If the CITY is assessed, made liable, or responsible in any manner for such charges or taxes, the CONTRACTOR agrees to hold the CITY harmless from such costs, including attorney's fees.

- B.** In the event the CONTRACTOR fails to pay any taxes, assessments, penalties, or fees imposed by any governmental body, including a court of law, then the CONTRACTOR authorizes the CITY to deduct and withhold or pay over to the appropriate governmental body those unpaid amounts upon demand by the governmental body. It is agreed that this provision shall apply to taxes and fees imposed by City ordinance. Any such payments shall be deducted from the CONTRACTOR's total compensation.
- C.** The CONTRACTOR, at its expense, shall obtain and keep in force any and all necessary licenses and permits. The CONTRACTOR shall obtain a business license as required by Tacoma Municipal Code Subtitle 6B.20 and shall pay business and occupation taxes as required by Tacoma Municipal Code Subtitle 6A.30.

10. Indemnification

- A.** The CONTRACTOR shall indemnify, defend, and hold harmless the CITY, its officials, officers, agents, employees, and volunteers, from any and all claims, demands, damages, lawsuits, liabilities, losses, liens, expenses and costs arising out of the subject matter of this Contract; provided that this provision shall not apply to the extent that damage or injury results from the fault of the CITY, or its officers, agents, or employees. The term "fault" as used herein shall have the same meaning as set forth in RCW 4.22.015, as that statute may hereafter be amended.
- B.** The CONTRACTOR specifically assumes potential liability for actions brought by the CONTRACTOR'S own employees against the CITY and, solely for the purpose of this indemnification and defense, the CONTRACTOR specifically waives any immunity under the state industrial insurance law, Title 51 RCW. THE CONTRACTOR RECOGNIZES THAT THIS WAIVER WAS THE SUBJECT OF MUTUAL NEGOTIATION.
- C.** This indemnification shall extend to and include attorneys' fees and the cost of establishing the right of indemnification hereunder in favor of the CITY. This indemnification shall survive the termination of this Contract.

11. Insurance

During the course and performance of the services herein specified, CONTRACTOR will maintain the following insurance coverage:

- A.** Workers' Compensation and employer's liability -- statutory limits.
- B.** Commercial General Liability -- \$1,000,000 single limit combined for personal injury, property damage; \$2,000,000 aggregate.
- C.** Automobile public liability and property damage -- \$1,000,000 single limit combined for bodily injury and property damage.

Certificates of the above insurance coverage shall be delivered, within ten (10) days, of

execution of this Contract, to the CITY by CONTRACTOR'S insurance carrier or agent certifying the above insurance coverage items are in effect and will not be cancelled or materially changed without 30 days' written notice given to the CITY. The commercial general liability policy shall be on an occurrence basis and shall include an endorsement naming the CITY as an additional insured and stating that coverage under such policy is primary over and non-contributory with any insurance the CITY may maintain.

12. Nondiscrimination

The CONTRACTOR agrees to take all steps necessary to comply with all federal, state, and City laws and policies regarding non-discrimination and equal employment opportunities. The CONTRACTOR shall not discriminate in any employment action because of race, religion, creed, color, national origin or ancestry, sex, gender identity, sexual orientation, age, marital status, familial status, veteran or military status, the presence of any sensory, mental or physical disability or the use of a trained dog guide or service animal by a disabled person. In the event of non-compliance by the CONTRACTOR with any of the non-discrimination provisions of this Contract, the CITY shall be deemed to have cause to terminate this Contract, in whole or in part.

13. Conflict of Interest

No officer, employee or agent of the CITY, nor any member of the immediate family of any such officer, employee or agent as defined by City ordinance, shall have any personal financial interest, direct or indirect, in this Contract, either in fact or in appearance. The CONTRACTOR shall comply with all federal, state, and City conflict of interest laws, statutes and regulations. The CONTRACTOR represents that the CONTRACTOR presently has no interest and shall not acquire any interest, direct or indirect, in the program to which this Contract pertains which would conflict in any manner or degree with the performance of the CONTRACTOR'S services and obligations hereunder. The CONTRACTOR further covenants that, in performance of this Contract, no person having any such interest shall be employed. The CONTRACTOR also agrees that its violation of the CITY'S Code of Ethics contained in Chapter 1.46 of the Tacoma Municipal Code shall constitute a breach of this Contract subjecting the Contract to termination.

14. Public Disclosure

- A.** This Contract and documents provided to the CITY by CONTRACTOR hereunder are deemed public records subject to disclosure under the Washington State Public Records Act, Chapter 42.56 RCW (Public Records Act). Thus, the CITY may be required, upon request, to disclose this Contract and documents related to it unless an exemption under the Public Records Act or other laws applies. In the event CITY receives a request for such disclosure, determines in its legal judgment that no applicable exemption to disclosure applies, and CONTRACTOR has complied with the requirements of sub-section B herein, CITY agrees to provide CONTRACTOR ten (10) days written notice of impending release. Should legal action thereafter be initiated by CONTRACTOR to enjoin or otherwise prevent such release, all expense of any such litigation shall be borne by CONTRACTOR, including any damages, attorneys fees or costs awarded by reason of having opposed disclosure. CITY shall not be liable for any release where notice was provided and CONTRACTOR took no action to oppose the release of information. Notice of any proposed release of information pursuant to Chapter 42.56 RCW, shall be provided to CONTRACTOR according to the "Notices" provision herein.

- B. If CONTRACTOR provides the CITY with records that CONTRACTOR considers confidential or proprietary, CONTRACTOR must mark all applicable pages of said record(s) as "Confidential" or "Proprietary." If CONTRACTOR fails to so mark record(s), then (1) the CITY, upon request, may release said record(s) without the need to satisfy the requirements of subsection A above; and (2) the CONTRACTOR expressly waives its right to allege any kind of civil action or claim against the CITY pertaining to the release of said record(s).

15. Dispute Resolution

In the event of a dispute pertaining to this Contract, the parties agree to attempt to negotiate in good faith an acceptable resolution. If a resolution cannot be negotiated, then the parties agree to submit the dispute to voluntary non-binding mediation before pursuing other remedies. This provision does not limit the CITY'S right to terminate authorized by this Contract.

16. Miscellaneous Provisions

- A. Governing Law and Venue. Washington law shall govern the interpretation of this Contract. Pierce County shall be the venue of any mediation, arbitration or litigation arising out of this Contract.
- B. Assignment. The CONTRACTOR shall not assign, subcontract, delegate, or transfer any obligation, interest or claim to or under this Contract or for any of the compensation due hereunder without the prior written consent of the CITY.
- C. No Third Party Beneficiaries. This Contract shall be for the sole benefit of the parties hereto, and nothing contained herein shall create a contractual relationship with, or create a cause of action in favor of, a third party against either party hereto.
- D. Waiver. A waiver or failure by either party to enforce any provision of this Contract shall not be construed as a continuing waiver of such provisions, nor shall the same constitute a waiver of any other provision of this Contract.
- E. Severability and Survival. If any term, condition or provision of this Contract is declared void or unenforceable or limited in its application or effect, such event shall not affect any other provisions hereof and all other provisions shall remain fully enforceable. The provisions of this Contract, which by their sense and context are reasonably intended to survive the completion, expiration or cancellation of this Contract, shall survive termination of this Contract.
- F. Entire Agreement. This Contract and the attached Exhibits, as modified herein, contain the entire agreement between the parties as to the services to be rendered hereunder. All previous and contemporaneous agreements, representations or promises and conditions relating to the subject matter of this Contract are superseded hereby. The Parties hereto mutually acknowledge, understand and agree that the terms and conditions set forth herein shall control and prevail over any conflicting terms and conditions stated in any attachments hereto.
- G. Modification. No modification or amendment of this Agreement shall be effective unless set forth in writing and signed by the Parties.

H. Authority to enter into this Contract. The undersigned Contractor representative, by his/her signature below, represents and warrants that he/she is duly authorized to execute this legally binding Contract for and on behalf of Contractor.

IN WITNESS WHEREOF the parties hereto have accepted and executed this Contract as of the day and year first written above.
