Submittals received after the time stated in the solicitation announcement will not be accepted and will be returned, unopened, to the Respondent.

For purposes of determining whether a submittal has been timely received, the City's Purchasing Division may rely on Universal Coordinated Time from the National Bureau of Standards as reported by <http://www.greenwichmeantime.com/>

1.02 WITHDRAWAL OF SUBMITTALS

A. Prior to Submittal Deadline (Bid Opening)

Submittals may be withdrawn prior to the scheduled submittal deadline by providing written notice to the City's Purchasing Division. The notice may be submitted in person or by mail; however, it must be received by the City's Purchasing Division prior to the submittal deadline.

B. After Submittal Deadline

No submittal can be withdrawn after having been opened as set forth in the solicitation announcement, and before the actual award of the contract, unless the award is delayed more than 60 calendar days beyond the date of opening. If a delay of more than 60 calendar days does occur, the Respondent must submit written notice to the purchasing manager that Respondent is withdrawing its submittal.

1.03 SUBMITTAL IS NON-COLLUSIVE

The Respondent acknowledges that by its delivery of a submittal to the City in response to this solicitation it represents that the prices in such submittal are neither directly nor indirectly the result of any formal or informal agreement with another Respondent.

1.04 OPENING AND ACCEPTANCE OF SUBMITTALS

Submittals, unless previously withdrawn, will be read aloud, irrespective of any irregularities or informalities in such submittal, at the time and place specified in the solicitation announcement.

All submittals must remain open for acceptance by the City for a period of at least 60 calendar days from the date of opening.

1.05 RIGHT TO REJECT

The City of Tacoma reserves the right to reject any and all submittals, waive minor deviations or informalities, and if necessary, call for new submittals.

A. Requests for Proposals (RFP)

By submitting a proposal in response to a City RFP, the Respondent acknowledges and consents to the below City rights and conditions. With regard to this procurement process, the City reserves, holds

without limitation, and may exercise, at its sole discretion, the following rights and conditions:

1. To terminate the procurement process or decide not to award a contract as a result thereof by written notice to the Respondents for any reason whatsoever.
2. To waive any defect, technicality, or any other minor informality or irregularity in any submittal, or any other response from Respondents.
3. To make minor or major changes or alterations to the evaluation, selection and/or performance schedule(s) for any events associated with this procurement process upon notice to the Respondents.
4. To supplement, amend or otherwise modify the RFP specifications, at any time upon prior notice to Respondents, including but not limited to modifications to the description of services and/or products contained in the RFP, by omitting services/products and/or including services/products not currently contemplated therein.
5. To request clarifications, additional information, and/or revised submittals from one or more Respondents.
6. To conduct investigations with respect to the qualifications and experience information for each Respondent included in a submittal and to request additional evidence to support any such information.
7. To eliminate any Respondent that submits an incomplete or inadequate response, or is non-responsive to the requirements of the RFP specifications, or is otherwise deemed to be unqualified during any stage of the procurement process.
8. To select and interview a single finalist or multiple finalists for the purpose of promoting the City's evaluation of submittals provided in response to the RFP specifications. The City may, in its sole and exclusive discretion as to what is in the City's best interest, elect not to conduct interviews of any or all respondents in connection with this RFP process.
9. To discontinue contract negotiations with a selected Respondent and commence such negotiations with another respondent, except as otherwise provided in Chap. 39.80, RCW.
10. To select and enter into a contract with one or more Respondents whose submittal best satisfies the interests of the City and is most responsive, in the sole judgment of the City, to the requirements of the RFP specifications.
11. To take any other action affecting the RFP specifications or the procurement process that is determined to be in the City's best interests.
12. In the event the City receives questions concerning RFP specifications from one or more Respondents prior to the deadline for response, the City reserves the right to provide such questions, and the City's responses, if any, to all Respondents.
13. Neither the City, its officials, staff, agents, employees, representatives, nor consultants will be liable for any claims or damages resulting from any aspect of this procurement process.

1.06 EVALUATION OF SUBMITTALS

The City of Tacoma reserves the right to award to the lowest and best responsible Respondent(s) delivering a submittal in compliance with the specification documents, provided such submittals are reasonable and are in the best interest of the City to accept. The City may use a number of criteria for determining award, including evaluation factors set forth in Municipal Code Section 1.06.262. Respondents who are inexperienced or who fail to properly perform other contracts may have their submittal rejected for such cause.

A. Evaluation Factors

In addition to the factors set forth in Municipal Code Section 1.06.262, the following may be used by the City in determining the lowest and best responsible submittal:

1. Compliance with the Specification and with applicable City requirements, including by not limited to, the City's Ethics Code and its Small Business Enterprise and Local Employment and Apprenticeship programs.
2. Submittal prices, listed separately if requested, as well as a lump sum total (if the unit price does not compute to the extended total price, the unit price shall govern).
3. Time of delivery and/or completion of performance (delivery date(s) offered).
4. Warranty terms.
5. Quality of performance of previous contracts or services, including safety requirements and past compliance with the City's Ethics Code.
6. Previous and existing compliance with laws and ordinances relating to contracts or services.
7. Sufficiency of financial resources.
8. Quality, availability and adaptability of the supplies or services to the particular use required.
9. Ability to provide future maintenance and service on a timely basis.
10. Location of nearest factory authorized warranty repair facility or parts dealership.
11. Ability, capacity, experience, stability, reputation, integrity, character, judgment, technical qualifications and skill to perform the contract or provide the services required.

All other elements or factors, whether or not specifically provided for in this Specification, which would affect the final cost to, and the benefits to be derived by, the City, may be considered in determining the award of the contract. The final award decision will be based on the best interests of the City.

B. Cash Discount

Payment discount periods of 20 calendar days or more, if offered in the submittal, will be considered in determining the apparent lowest responsible submittal. Discounts will be analyzed in context of their overall cumulative effect.

1.07 COMPLETION OF CITY FORMS

All submittals must be completed in ink or typewritten using the forms included with this Specification, and submitted exactly as specified.

City forms requiring signature must be signed in ink by an authorized officer, employee or agent of the Respondent.

Prices must be stated in figures. Corrections shall be initialed in ink by the person signing the submittal. Prices having erasures or interlineations (cross outs) will not be accepted unless initialed in ink by the Respondent.

1.08 CORRECTION OF AMBIGUITIES AND OBVIOUS ERRORS

The City reserves the right to correct obvious errors in the Respondent's submittal. In this regard, if the unit price does not compute to the extended total price, the unit price shall govern.

1.09 CLARIFICATION OF SPECIFICATION

Questions regarding this Specification and/or any included terms, conditions, forms, plans or drawings are to be submitted in writing to the City staff person identified as the contact for this Specification. All requests for interpretation must be received by the City no later than five business days prior to the opening date. Any interpretation of this Specification will be made by addendum duly issued and posted to the Purchasing website at www.TacomaPurchasing.org. Such addendum must be acknowledged in the submittal. The City of Tacoma will not be responsible for any other explanation or interpretation of the specification documents.

1.10 ALTERATIONS NOT ALLOWED

Except as otherwise specifically provided in the specification documents, submittals that are incomplete or conditioned in any way, contain erasures, alternatives or items not called for, or not in conformity with law, may be rejected as being non-responsive. Any attempt to condition the submittal by inserting exceptions to the Specification or any conditions, qualifications or additions that vary its terms may result in rejection of the

submittal. The City cannot legally accept any submittal containing a material deviation from the Specifications.

1.11 INSERTION OF MATERIAL CONFLICTING WITH SPECIFICATIONS

Only material inserted by the Respondent to meet requirements of the specification documents will be considered. Any other material inserted by the Respondent will be disregarded by the City of Tacoma as being non-responsive and may be grounds for rejection of the submittal.

1.12 FIRM PRICES/ESCALATION

Except as specifically allowed elsewhere in the specification documents, only firm prices will be accepted.

1.13 SHIPPING

Prices must be quoted FOB destination (the place of destination as defined in RCW 62A.2-319, as that statute may hereafter be amended), with freight prepaid and allowed (shipping costs included in unit prices), and risk of loss remaining with Respondent until delivery is tendered.

1.14 LEGAL HOLIDAYS

The City of Tacoma observes the following holidays, which shall apply to performance of all contracts awarded from this solicitation:

New Year's Day	January 1
Martin Luther King's Birthday	3rd Monday in January
Washington's Birthday	3rd Monday in February
Memorial Day	Last Monday in May
Independence Day	July 4
Labor Day	1st Monday in September
Veteran's Day	November 11
Thanksgiving Day	4th Thursday of November
Day after Thanksgiving	4th Friday of November
Christmas Day	December 25

When any of these holidays occur on Saturday or Sunday, the preceding Friday or the following Monday, respectively, is a legal holiday for the City of Tacoma.

1.15 TAXES

Unless otherwise required in this Specification, applicable federal, state, city and local taxes shall be included in the submittal as indicated below. The total cost to the City, including all applicable taxes, may be the basis for contract award determination. As used herein, the term "taxes" shall include any and all taxes, assessments, fees, charges, interest, penalties, and/or fines imposed by applicable laws and regulations in connection with the procurement of goods and/or services hereunder.

A. Federal Excise Tax

The City of Tacoma is exempt from federal excise tax. The City will furnish a Federal Excise Tax Exemption certificate, if required. If the Respondent fails to include any applicable tax in its submittal, then Respondent shall be solely responsible for the payment of said tax.

B. State and Local Sales Tax

The City of Tacoma is subject to Washington state sales tax. It is the Respondent's obligation to state the correct sales tax percentage and include the applicable Washington state, city and local sales tax as a separate line item(s) in the submittal.

C. City of Tacoma Business and Occupation Tax

It is the Respondent's obligation to include City of Tacoma Business and Occupation tax in the unit and/or lump sum prices submitted; it shall not be shown separately on the submittal.

Per Sub-Title 6A of the City of Tacoma Municipal Code, transactions with the City of Tacoma may be subject to the City's Business and Occupation Tax.

It is the responsibility of the Respondent awarded the contract to register with the City of Tacoma's Tax and License Division, 733 South Market Street, Room 21, Tacoma, WA 98402-3768, telephone 253-591-5252, website <http://www.cityoftacoma.org/Page.aspx?nid=201>.

D. Any or All Other Taxes

Any or all other taxes are the responsibility of the Respondent unless otherwise required by law.

1.16 WASHINGTON BUSINESS LICENSE REQUIREMENT

All submittals should include a Washington State Business License number in the space provided on the Submittal Signature Page. If the recommended respondent does not have a Washington State Business License at the time of submittal, it must obtain such license and provide proof thereof to the City of Tacoma prior to contract award. Failure to include a Washington State Business License may be grounds for rejection of the submittal. Information regarding Washington State Business Licenses may be obtained at <http://www.dol.wa.gov/businesses.htm>.

1.17 PUBLIC DISCLOSURE

Washington State Public Disclosure Act (RCW 42.56 et seq.) requires public agencies in Washington to promptly make public records available for inspection and copying unless they fall within the specified exemptions contained in the Act. Documents submitted under this Specification are considered public records and, unless exempt from disclosure under the Act, will be made available for inspection and copying by the public in response to a public records request.

1.18 PROPRIETARY OR CONFIDENTIAL TRADE SECRET INFORMATION

If the Respondent considers any submittal document to be exempt from disclosure under the law, the Respondent shall clearly mark on the specific page(s) affected such words as "CONFIDENTIAL," "PROPRIETARY" or "TRADE SECRET." The Respondent shall also submit an index with its submittal identifying the affected page number(s) and location(s) of all such identified material. **Failure to provide an index identifying the location of the material in the submittal that Respondent considers to be protected from disclosure will result in the records being released in response to a request for those records without further notice to Respondent. Marking the entire submittal as "confidential" or "proprietary" or "trade secret" is not acceptable and is grounds to reject such submittal.**

If a public records request is made for disclosure of all or any part of Respondent's submittal, **and** Respondent has (i) properly marked and (ii) indexed the material it asserts to be exempt from disclosure, the City will determine whether the material is exempt from public disclosure. If, in the City's opinion, the material is subject to a possible exemption to disclosure, the City will notify Respondent of the request and impending release and allow the Respondent ten (10) business days to take whatever action Respondent deems necessary to protect its interests. The City will reasonably cooperate with any legal action initiated by the Respondent to prevent release; provided that all expense of such action shall be borne solely by the Respondent, including any damages, penalties, attorney's fees or costs awarded by reason of having opposed disclosure and Respondent shall indemnify City against same. If the Respondent fails or neglects to take such action within said period, the City will release all materials deemed subject to disclosure. Submission of materials in response to this solicitation shall constitute assent by the Respondent to the foregoing procedure and the Respondent shall have no claim against the City on account of actions taken pursuant to such procedure.

1.19 TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

The City of Tacoma ensures full compliance with Title VI of the Civil Rights Act of 1964 by prohibiting discrimination against any person on the basis of race, color, national origin or sex in the provision of benefits and services resulting from its federally assisted programs and activities. Contact Tacoma's Title VI coordinator at 253-591-5224 for additional information.

1.20 LEGAL DISPUTES

Respondent agrees and stipulates that in the event any litigation should occur concerning or arising out of this solicitation or any submittal delivered in response hereto, the sole venue of any such legal action shall be the Pierce County Superior Court of the state of Washington and the interpretation of the terms of the solicitation and submittal shall be governed by the laws of the state of Washington.

1.21 PURCHASE ORDER TERMS AND CONDITIONS

Terms and conditions of City of Tacoma purchase orders, if issued, shall apply to contracts and awards resulting from this solicitation.

1.22 RESPONDENT'S REFUSAL TO ENTER INTO CONTRACT

Any Respondent who refuses to enter into a contract after it has been awarded to the Respondent will be in breach of the agreement to enter the contract, and the Respondent's certified or cashiers check or bid bond, if any, shall be forfeited.

1.23 AWARD

The City reserves the right to award contracts for any or all items to one or more respondents in the best interests of the City.

1.24 FINAL AWARD DETERMINATION

**CITY OF TACOMA
STANDARD TERMS AND CONDITIONS
SECTION 2 – SUPPLIES**

UNLESS OTHERWISE REQUIRED BY THE SPECIFICATION OR AGREED TO IN WRITING, THE FOLLOWING TERMS AND CONDITIONS SHALL GOVERN THE RIGHTS, RESPONSIBILITIES AND OBLIGATIONS OF THE PARTIES TO THE CONTRACT.

2.01 SUPPLIER

As used herein, the "Supplier" shall be the Respondent(s) awarded a contract pursuant to this Specification, whether designated as a Respondent, Seller, Vendor, Proposer, Bidder, Contractor, Merchant, Service Provider or otherwise.

2.02 ENTIRE AGREEMENT

This Specification, purchase orders issued by the City pursuant hereto, and the Supplier's submittal, in that order of precedence, shall constitute the "Contract" between the parties. Said documents represent the entire agreement between the parties and supersede any prior oral statements, discussions or understandings between the parties, and/or subsequent Supplier invoices. No modification of this Contract shall be effective unless mutually agreed in writing.

2.03 APPROVED EQUALS

Unless an item is indicated as "No substitute," special brands, when named, are intended to describe the standard of quality, performance or use desired. Equal items will be considered by the City, provided that the Supplier specifies the brand and model, and provides all descriptive literature, independent test results, specification sheets, schematic drawings, photographs, product samples, local servicing, parts availability, etc., to enable the City to evaluate the proposed equal. Performance testing in the field may be required.

The decision of the City as to what items are equal shall be final and conclusive. If the City elects to purchase a brand represented by the Supplier to be an "equal," the City's acceptance of the item is conditioned on the City's inspection and testing after receipt. If, in the sole judgment of the City, the item is determined not to be an equal, the item shall be returned at the Supplier's expense.

When a brand name or level of quality is not stated in the Supplier's submittal, it is understood the Supplier's submittal shall exactly confirm with those required in this Contract. If more than one brand name is stated in this Specification, Supplier(s) must indicate the brand and model/part number to be supplied.

2.04 PRICE, RISK OF LOSS, DELIVERY

A. Firm Prices/Risk of Loss

All prices shall remain firm during the term of this Contract. All prices shall be FOB, the place of destination (as defined in RCW 62A.2-319, as that statute may hereafter be amended), with freight prepaid and allowed (shipping costs included in unit prices), and risk of loss remaining with Supplier until delivery is tendered.

B. Delivery

Delivery will be to the designated addresses set forth in this Contract. Deliveries shall be between 9:00 a.m. and 3:30 p.m., Monday through Friday only, except holidays. Failure to make timely delivery shall be cause for termination of the order and return of all or part of the items at Supplier's expense except in the case of force majeure.

2.05 PACKING SLIPS, SHIPPING NOTICES AND INVOICES

Packing slips and shipping notices shall be sent to the specific City Division or Department receiving the item(s) and include complete description of items, contents of items if crated or cased, quantity, shipping point, carrier, bill of lading number and City of Tacoma purchase order.

Each invoice shall show City of Tacoma purchase order number, release number if applicable, quantity, unit of measure, item description, unit price and extended price for each line. Line totals shall be summed to give a grand total to which sales tax shall be added, if applicable. Invoices shall be sent in duplicate to:

Accounts Payable
City of Tacoma
P. O. Box 1717
Tacoma Washington 98401-1717

Any terms, provisions or language in Supplier's invoice(s) that conflict with the terms of this Contract shall not apply to this Contract unless expressly accepted in writing by the City.

2.06 PAYMENT TERMS

Payment shall be made through the City's ordinary payment process, and shall be considered timely if made within 30 days of receipt of a properly completed invoice. Payment will not be considered late if mailed or electronically disbursed within the time specified. Payment(s) made in accordance with this Contract shall fully compensate the Supplier for all risk, loss, damages or expense of whatever nature, and acceptance of payment shall constitute a waiver of all claims submitted by Supplier. All payments shall be subject to adjustment for any amounts, upon audit or otherwise, determined to have been improperly invoiced.

Invoices will not be processed for payment, nor will the period of cash discount commence, until all invoiced items are received and satisfactory performance of the Contract has been attained, and a properly completed invoice is received by the City. If an adjustment in payment is necessary due to damage or dispute, the cash discount period shall commence on the date final approval for payment is authorized.

2.07 INCREASE OR DECREASE IN QUANTITIES

The City reserves the right to increase or decrease the quantities of any item awarded pursuant to this Contract and pay according to the unit prices quoted in the submittal with no adjustments for anticipated profit.

2.08 EXTENSION OF CONTRACT

This Contract shall be subject to extension by mutual agreement per the same prices, terms and conditions.

2.09 ADDITIONAL CITY CONTRACTS

During the term of this Contract, other City of Tacoma Departments/Divisions shall have the right to enter into contracts or issue purchase orders based on the unit prices stated in this Contract.

2.10 COMPARATIVE PRICING

If at any time during the term of this Contract, the Supplier reduces prices to other buyers purchasing approximately the same quantities stated on this Contract, the Supplier will immediately notify the City of Tacoma purchasing manager of such fact, and the price(s) for future orders hereunder shall be reduced accordingly.

2.11 CHANGES

The City at any time by written change order may make reasonable changes in the place of delivery, installation or inspection, the method of shipment or packing, identification and ancillary matters that the Supplier may accommodate without substantial additional expense.

2.12 COOPERATIVE PURCHASING

The Washington State Interlocal Cooperation Act RCW 39.34 provides that other governmental agencies may purchase goods and services based on this Contract in accordance with the terms and prices indicated herein if all parties are agreeable. Each public agency shall formulate a separate contract with the Supplier, incorporating the terms and conditions of this Contract with the City of Tacoma. The City shall incur no liability in connection with such contracts or purchases by other public agencies thereunder. It will be the Supplier's responsibility to inform such public agencies of this Contract. Supplier shall invoice such public agencies as separate entities.

2.13 WARRANTIES/GUARANTEES

Suppliers warrant that all items: are merchantable; comply with the City's latest drawings and specifications; are fit for the City's intended use; are new and unused unless otherwise stated; comply with all applicable safety and health standards established for such products by the Occupational Safety and Health Administration (OSHA), Washington Industrial Safety and Health Act (WISHA) and/or Consumer Products

Safety Act, and all other applicable state and federal laws or agency regulations; are properly packaged and contain appropriate instructions or warnings, including applicable MSDS sheets.

2.14 PATENTS, TRADEMARKS AND COPYRIGHTS

The Supplier warrants that the equipment and/or materials furnished pursuant to this Contract do not infringe on any patent, trademark or copyright, and agrees to indemnify, defend and hold harmless, the City in the event of any infringement or claim thereof.

2.15 DEFAULT

In the event of material default by the Supplier on any of the conditions of this Contract, the Supplier agrees that the City may, at its election, procure the goods or services from other sources, and may deduct from the unpaid balance due the Supplier, or collect against the bond or security (if any), or may invoice and recover from the Supplier all costs paid in excess of the price(s) set forth in this Contract. The prices paid by the City in good faith shall be considered the prevailing market price at the time such purchase is made.

2.16 TAXES, LICENSES, PERMITS

Unless otherwise required by applicable law, the tax provisions in Section 1 - Solicitation apply to this Contract. Except for state sales tax, the Supplier acknowledges that it is responsible for the payment of all taxes applicable to this Contract and the Supplier agrees to comply with all applicable laws regarding the reporting of income, maintenance of records and all other requirements and obligations imposed pursuant to applicable law.

The Supplier, at its expense, shall obtain and keep in force any and all necessary licenses and permits. The Supplier shall obtain a business license as required by Tacoma Municipal Code Subtitle 6B.20 and shall pay business and occupation taxes as required by Tacoma Municipal Code Subtitle 6A.30.

If the City is assessed, made liable, or responsible in any manner for taxes contrary to the provisions of this Contract, the Supplier agrees to hold the City harmless from such costs, including attorney's fees. In the event the Supplier fails to pay any taxes, assessments, penalties, or fees imposed by any governmental body, including a court of law, other than those taxes the City is required to pay, then the Supplier authorizes the City to deduct and withhold or pay over to the appropriate governmental body those unpaid amounts upon demand by the governmental body. It is agreed that this provision shall apply to taxes and fees imposed by City ordinance. Any such payments shall be deducted from the Supplier's total compensation.

2.17 FEDERAL, STATE AND MUNICIPAL LAWS AND REGULATIONS

Supplier shall comply with all federal, state, municipal and/or local laws and regulations in the performance of all terms and conditions of this Contract. The Supplier shall be solely responsible for all violations of the law from any cause in connection with its performance of work under this Contract.

2.18 SMALL BUSINESS ENTERPRISE (SBE) PROGRAM AND EQUAL OPPORTUNITY

It is the policy of the City of Tacoma that all citizens be afforded an equal opportunity for full participation in our free enterprise system. In order to implement this policy, the City of Tacoma is committed to ensuring equitable participation of small business enterprises. The Supplier shall not discriminate in any employment action because of race, religion, color, national origin or ancestry, sex, gender identity, sexual orientation, age, marital status, familial status, or the presence of any sensory, mental or physical handicap. In the event of non-compliance by the Supplier with any of the non-discrimination provisions of this Contract, the City shall be deemed to have cause to terminate this Contract, in whole or in part.

The Supplier shall not assign, subcontract, delegate or transfer any obligation, interest or claim to or under this Contract without the prior written consent of the City.

2.29 WAIVER

A waiver or failure by either party to enforce any provision of this Contract shall not be construed as a continuing waiver of such provisions, nor shall the same constitute a waiver of any other provision of this Contract.

2.30 SEVERABILITY AND SURVIVAL

If any term, condition or provision of this Contract is declared void or unenforceable or limited in its application or effect, such event shall not affect any other provisions hereof and all other provisions shall remain fully enforceable. The provisions of this Contract, which by their sense and context are reasonably intended to survive the completion, expiration or cancellation of this Contract, shall survive termination of this Contract.

This comparison may consider raw materials acquisition, products, manufacturing, packaging, distribution reuse, operation, maintenance or disposal of the product or service.

Exceptions to this requirement include when a vehicle is making deliveries and associated power is necessary; when the engine is used to provide power in another device, and if required for proper warm-up and cool-down of the engine. The City of Tacoma has a commitment to reduction of unnecessary fuel emissions. The City intends to improve air quality by reducing unnecessary air pollution from idling vehicles.
