Question 1: Could you please clarify how we should complete the Subcontractors List form in this bid? Since we do not know what type of work we will be completing, we are unable to list a specific subcontractor at this time. Please let us know how to proceed with this form for the bid.

Answer 1: If respondents are partnering with subcontractors on the proposal they should be listed on the form, otherwise the form can be completed with "TBD - based on Task Authorizations."
