INNOVATIVE GRANTS

Get on your thinking cap and get innovative! The City of Tacoma’s Innovative Grant program is being innovative and while the amount of funds available have not increased, the potential size of your project can. Each Neighborhood Council will be allotted $36,000 for the 2015-2016 biennium and the total amount can be used on a single grand project. All you have to do is come up with a great idea and submit an Innovative Grant. In past years we have been constrained by the $7,500 grant maximum and while this provided for more “winners”, it did put constraints on big dreams.

But you do have to hurry! Applications for 2015-2016 must be received at the following address (or postmarked no later than 5:00pm) on Friday, May 1, 2015.

GRAFFITI AND YARD SALE SIGNS: People are still trashing our neighborhoods with “Yard Sale” and “For Rent” signs on utility poles, street, and stop signs. Report graffiti and illegal signs. Help out by removing illegal signs and picking up the signs that have fallen and become litter on our streets. Don’t litter on our utility poles, street, and stop signs.
