

Conservation Sewer Loan Program Residential Fact Sheet

The City of Tacoma offers low-interest loans with terms of up to 10 years for residential sewer and storm water conservation projects.

Eligibility

- Project location must be within the boundaries of the City of Tacoma.
- Project must meet Environmental Services Conservation Loan Program eligibility requirements.
- Loans are available for existing residential properties. New construction is not eligible.
- The applicant must have a good credit history with Tacoma Public Utilities. A current credit report with score will be required.

How the Process Works

- Get Bid Estimates of the project costs from licensed contractors. (Minimum of 2 bids for comparison purposes.)
- Complete and return the application form with the other requested documents.
- Environmental Services will evaluate the application and the applicant's credit history.
- The application is generally notified within three to five business days if the application is accepted.
- The project is completed and a final invoice submitted to the City.
- Loan documents are prepared for signature.
- Upon receipt of executed loan documents, the City will close out your loan and issue a two-party check to the borrower and contractor. The check will be mailed to the borrower.

Please note: You must apply and be approved before the project is completed. Loan disbursement will not take place until project completion is verified by Environmental Services.

Loan Security and Fees

- Loans may be made for up to 90% of the estimated project cost.
- Loans must be secured by a sufficient security interest (lien) in the project property.
- A \$155.00 fee is charged when the loan closes, to cover the cost of filing and releasing the lien. The fee will be included in your loan amount.
- The rate of interest is 2% below the Prime rate published on the date the loan agreement is signed, with a minimum rate of 4%.
- The minimum residential loan amount is \$1,000 and the maximum is \$10,000.
- Multi-family properties must apply for a commercial loan if the project cost is greater than \$10,000.00.
