5. SUMMARY TITLE/RECOMMENDATION: (A concise sentence, as it will appear on the Council Agenda)

   Authorizing the execution of interlocal purchasing agreements with the City of Auburn, Pierce County Fire Protection District No. 2, Pierce County Fire Protection District No. 3, Pierce County Fire Protection District No. 5, Pierce County Fire Protection District No. 8, Pierce County Fire Protection District No. 16, and Pierce County Fire Protection District No. 21.

6. BACKGROUND INFORMATION/GENERAL DISCUSSION: (Why is this request necessary? Are there legal requirements? What are the viable alternatives? Who has been involved in the process?)

   This resolution will authorize the appropriate City officials to execute interlocal purchasing agreements with the City of Auburn, Pierce County Fire Protection District No. 2, Pierce County Fire Protection District No. 3, Pierce County Fire Protection District No. 5, Pierce County Fire Protection District No. 8 and Pierce County Fire Protection Districts No. 16 & 21. Interlocal cooperative purchasing agreements have historically been used to enable the City to make purchases of materials and equipment based on another government's competitive bid and contract. Such purchases made from another government's competitively-bid contracts allows the City to avoid the considerable expense and time incurred in preparing bid documents, while still complying with the City's procurement requirements.

   This resolution will not affect or alter the City's current processes of obtaining Council approval on those purchases that exceed $25,000 as required by TMC Chapter 1.06. At this time we are not requesting any purchased based on these agreements.
