## RESOLUTION NO. 38600

1 BY REQUEST OF MAYOR STRICKLAND

2 A RESOLUTION related to the organization of City government; appointing  
3 Council Member Marty Campbell to the office of Deputy Mayor to serve  
4 a one-year term through December 31, 2013.

5 WHEREAS Joe Lonergan's term as Deputy Mayor expired on  
6 December 31, 2012, and

7 WHEREAS Section 1.18.010 of the Tacoma Municipal Code provides  
8 that the Deputy Mayor shall be elected by the City Council at its first meeting  
9 after such office becomes vacant, or as soon thereafter as practical, and  
10

11 WHEREAS Section 2.4 of the Tacoma City Charter provides that all  
12 appointments shall be made by majority vote of the City Council members  
13 from nominees whose names are presented in writing to the City Council by  
14 the Mayor or by any three members of the City Council, and

15 WHEREAS, pursuant to Resolution No. 33268, the City Council has  
16 adopted a process for rotating the office of Deputy Mayor based upon  
17 seniority, and  
18

19 WHEREAS Council Member Marty Campbell has been nominated to fill  
20 the vacancy of Deputy Mayor for a one-year term through December 31, 2013;

## RESOLUTION NO. 38601

1 A RESOLUTION related to the purchase of materials, supplies or equipment,  
2 and the furnishing of services; authorizing the appropriate City officials to  
3 enter into contracts and, where specified, waiving competitive bidding  
4 requirements, authorizing sales of surplus property, or increasing or  
5 extending existing agreements.

6 WHEREAS the City has complied with all applicable laws governing the  
7 acquisition of those supplies, and/or the procurement of those services,  
8 inclusive of public works, set forth in the attached Exhibit "A," which Exhibit is  
9 incorporated herein as though fully set forth, and

10 WHEREAS the Board of Contracts and Awards has reviewed the  
11 proposals and bids received by the City, and the Board has made its  
12 recommendation as set forth in Exhibit "A," and

13 WHEREAS the Board of Contracts and Awards has also made its  
14 recommendations as to entering into purchasing agreements with those  
15 governmental entities identified in Exhibit "A"; Now, Therefore,

16 BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

17 That the Council of the City of Tacoma does hereby concur in the  
18 findings and recommendations of the Board of Contracts and Awards set forth  
19 in the attached Exhibit "A," and does hereby approve and authorize the:

20 (X) A. Procurement of those supplies, services, and public works  
21 recommended for acceptance in the attached Exhibit "A";

EXHIBIT "A"  
RESOLUTION NO.: 38601  
ITEM NO.: 1  
MEETING DATE: JANUARY 8, 2013

**DATE:** December 24, 2012  
**TO:** Board of Contracts and Awards  
**SUBJECT:** Purchase Freightliner Cab and Chassis with Hook Lift Swap Loader  
Budgeted from ES Wastewater Fund 4300  
Interlocal Agreement with King County, Contract No. 1327-09

**RECOMMENDATION:** Public Works, Facilities Management, Fleet Services on behalf of Environmental Services Wastewater Division recommends a contract be awarded to **Valley Freightliner, Inc., Pacific, WA**, in the amount of \$236,128.40, plus sales tax, for the purchase of one Freightliner cab and chassis and swap loader with attachments per King County Contract No. 1327-09.

**EXPLANATION:** This vehicle will be used to manage debris spoils generated from excavations to repair the collection system, and meet street sweeping waste collection and storm cleaning disposal needs. This versatile swap loader configuration will improve efficiency and provide sustainability by enabling one vehicle to meet resource requirements for multiple crews. The use of one swap loader truck may eventually replace the use of seven dedicated vehicles. The end result is lower fuel, oil, maintenance, insurance and employee expenditures.

**COMPETITIVE BIDDING:** King County Contract No. 1327-09 is a competitively bid contract in effect from May 1, 2010 to April 30, 2013. All items included in this purchase (new 2012 Freightliner cab and chassis model 114SD, with hook lift swap loader model SL400, 20-foot flatbed, and drop box) are included on the King County contract. Through an interlocal cooperative purchasing agreement the City of Tacoma purchase will be at the same prices, terms and conditions and meets competitive bidding requirements. If these items were bid today the price would be at least five percent higher. This is a good value for the City as we are receiving a 2012 vehicle at 2010 prices.

**CONTRACT HISTORY:** New Contract.

**FUNDING:** Funds are budgeted in the ES Wastewater Fund 4300 with a partial contribution from Fleet Services Capital Fund 5400.

**SUBJECT:** Council Action Memo – Purchase Resolution – January 8, 2013  
Purchase Freightliner Cab & Chassis with Hook Lift Swap Loader

**DATE:** December 24, 2012

The Public Works, Facilities Management, Fleet Services Division, on behalf of the Environmental Services, Wastewater Maintenance Division, requests City Council award a contract to Valley Freightliner, Inc., of Pacific, WA, in the amount of \$236,128.40, plus sales tax, for the purchase of one Freightliner cab and chassis and swap loader with attachments through King County Contract No. 1327-09.

**Background**

This vehicle configuration will serve multiple functions and will be used to manage debris spoils generated from excavations to repair the collection system, meet street sweeping waste collection and storm cleaning disposal needs. This vehicle will replace an older less efficient dump truck that is no longer cost effective to maintain. The versatile swap loader configuration will improve efficiency and provide sustainability by enabling one vehicle to meet resource requirements for multiple crews with one operator. The environmental impact to the surrounding Tacoma area will benefit by having one truck, resulting in less emissions and a smaller footprint. The use of one swap loader truck could eventually replace the use of seven dedicated public works vehicles. The end result is lower fuel, oil, maintenance, insurance, employee expenditures and the Freightliner truck meets the 2010 EPA standards for exhaust emissions and particulate matter.

**Funding**

Funds are budgeted in the ES Wastewater Fund 4300 with a partial contribution from Fleet Services Capital Fund 5400. Funds beyond this biennium are subject to future availability of funds.

**Purchasing Process**

King County awarded Contract No. 1327-09 to Valley Freightliner, Inc., of Pacific, WA as a result of their competitive Invitation to Bid process. The Contractor has agreed to provide a complete cab and chassis and a service body per the terms and conditions of the bid specification document. Contract No. 1327-09 allows for participation by other political subdivisions through an interlocal cooperative purchasing agreement.

EXHIBIT "A"  
RESOLUTION NO.: 38601  
ITEM NO.: 2  
MEETING DATE: JANUARY 8, 2013

**DATE:** December 24, 2012  
**TO:** Board of Contracts and Awards  
**SUBJECT:** Increase Contract for Vehicle/Equipment Parts and Repair Service  
Budgeted from ES Solid Waste Fund 4200  
Bid Specification No. GF11-0539F  
Contract No. 4600007955

**RECOMMENDATION:** Public Works, Facilities Management, Fleet Services on behalf of Environmental Services, Solid Waste Management Division requests approval to increase Contract No. 4600007955 to **Western Peterbilt, Inc., Fife, WA**, by \$720,000, plus sales tax, for repair services and related parts for vehicles and equipment on an as-needed basis. This increase will bring the contract to a cumulative amount of \$900,000, plus sales tax.

**EXPLANATION:** This increase will allow for Solid Waste Management vehicle and equipment repairs and related parts purchases from a factory authorized dealer on an as-needed basis. This increase is requested to supplement the specialty repairs only performed at the authorized dealership and other overflow work to meet the day-to-day fleet requirement.

**SUSTAINABILTY:** Current and new garbage trucks and tractors are equipped with sophisticated pollution control systems including particulate filters and engine control systems to reduce emissions and fuel consumption. Western Peterbilt, Inc. is equipped and authorized to make repairs, clean exhaust filters and make computerized adjustments according to the manufacture's specifications to keep vehicles running at their optimum levels meeting exhaust emission management requirements.

**COMPETITIVE BIDDING:** This contract was originally awarded to Western Peterbilt, Inc. as a result of Request for Bids Specification No. GF11-0539F in March 2012. The contractor has agreed to increase the contract at the same terms and conditions as the original contract.

**CONTRACT HISTORY:** This contract was awarded in March 2012 for the initial term of 21 months, from March 6, 2012 through November 30, 2014, in the amount of \$180,000, and included the option for two one-year renewals. The established 21 month contract amount was based on the best estimation anticipating new emissions and garbage truck technologies. However, the actual work needed from Western Peterbilt, Inc. was higher than estimated. This increase reflects current service levels and anticipated future needs to cover through November 2016. This will bring the contract to a cumulative amount of \$900,000, plus sales tax, and fund the contract through its final end date.

**FUNDING:** Funds are budgeted in ES Solid Waste Fund 4200. Funding beyond the current biennium is subject to future availability of funds.

**SUBJECT:** Council Action Memo – Purchase Resolution – January 8, 2013  
Contract to Increase for Vehicle/Equipment Parts and Repair Service

**DATE:** December 24, 2012

The Public Works, Facilities Management, Fleet Services Division, on behalf of the Environmental Services, Solid Waste Management Division (SWM), requests City Council approve an increase to Contract No. 4600007955 to Western Peterbilt, Inc., of Fife, WA, by \$720,000, plus sales tax, for repair services and related parts for vehicles and equipment on an as-needed basis. This increase will bring the contract to a cumulative amount of \$900,000, plus sales tax.

### **Background**

This contract was originally awarded in March 2012 for the initial term of 21 months, from March 6, 2012 through November 30, 2014, in the amount of \$180,000, and included the option for two one-year renewals. The established 21 month contract amount was based on the best estimation anticipating new emissions and garbage truck technologies. However, the actual work needed from Western Peterbilt, Inc. is higher than estimated. This increase reflects current service levels and anticipated future needs to cover through the end of November 2016. This will bring the contract to a cumulative amount of \$900,000 and fund the contract through its final end date.

### **Contract Scope**

The contractor provides service, repairs, and parts for various Western Peterbilt, Inc. trucks on an as-needed basis to the City's Environmental Services, SWM fleet. This increase will allow for SWM truck fleet repairs and related parts purchases from a factory authorized dealer on an as-needed basis. This increase is requested to supplement the specialty repairs only performed at the authorized dealership and other overflow work to meet the day-to-day SWM fleet requirement. Current and new garbage trucks and tractors are equipped with sophisticated pollution control systems including particulate filters and engine control systems to reduce emissions and increase fuel efficiency. As a factory authorized repair service dealer, Western Peterbilt, Inc. is equipped and authorized to make repairs, clean exhaust filters and make computerized adjustments according to the manufacturers specifications to keep vehicles running at their optimum levels meeting exhaust emissions management requirements.

### **Funding**

Funds are budgeted from the ES Solid Waste Fund 4200. Funding past the current biennium will be subject to future availability of funds.

## RESOLUTION NO. 38602

1 BY REQUEST OF MAYOR STRICKLAND, DEPUTY MAYOR CAMPBELL AND  
2 COUNCIL MEMBERS BOE AND LONERGAN

3 A RESOLUTION expressing the City Council's support of Click! Network and  
4 encouraging Fisher Communications to re-engage with Click! Network to  
5 resolve stalled negotiations for carriage of KOMO and other services to  
6 Click! Customers.

7 WHEREAS the City of Tacoma, Department of Public Utilities, Power  
8 Division, Telecommunications Section (d.b.a. Click! Network), was established as  
9 a competitive cable television provider in the marketplace, and

10 WHEREAS Click! Network is a non-profit, cost-of-service, municipally-  
11 owned entity with a mission to provide high quality, competitively priced cable TV  
12 products and services for the benefit of all Tacoma residents, and

13 WHEREAS the public can view the broadcast signals transmitted by Fisher  
14 Communications with an antenna for free, and

15 WHEREAS some Fisher Communications' broadcast content is also  
16 available for free over the Internet, and

17 WHEREAS, since 1992, federal telecommunications law has allowed  
18 broadcast station owners such as Fisher Communications to elect to negotiate  
19 broadcast station carriage terms in good faith with cable operators, and

20 WHEREAS Fisher Communications has elected to negotiate retransmission  
21 consent with Click! Network, and

22 WHEREAS, prior to 2009, Fisher Communications did not demand a cash  
23 license fee from Click! Network to deliver their free over-the-air broadcast signals  
24 to cable customers, and  
25  
26

1 WHEREAS, in 2009, Fisher Communications began to charge Click!  
2 Network for carriage and has since increased the retransmission consent license  
3 fees by over 160% while reporting healthy profits at the expense of cable TV  
4 customers, and

5 WHEREAS Fisher Communications now proposes new retransmission  
6 consent license fees that represent a cumulative increase of 300% since 2009 and  
7 are significantly higher than rates agreed to by Click! Network with any other major  
8 local broadcast station, and

9 WHEREAS, if the new fees proposed by Fisher Communications are  
10 accepted, cable TV rate increases in excess of what has been approved in the  
11 2013-2014 operating budget would be required, placing an undue burden on loyal  
12 Click! Network cable customers, and

13 WHEREAS Click! Network is willing to pay fair compensation for the  
14 programming, despite Nielsen TV Ratings Data from December 2012 that places  
15 ABC programming behind CBS and NBC, and

16 WHEREAS Click! Network has not heard from Fisher Communications  
17 since December 31, 2012, when Click! Network was ordered to cease carriage of  
18 the broadcast signals, and

19 WHEREAS the lack of ABC programming on Click! Network's channel  
20 lineup has harmed cable television competition in the Tacoma market; Now,
