13.06.565 Marijuana ~~Uses~~Businesses**.**

A. Intent. In November 2012, Washington voters passed Initiative 502, which establishes precedent for the production, processing and retail sale of marijuana for recreational purposes. [In April 2015, the state Legislature enacted two laws, 2SSB 5052 and 2E2SHB 2136. The new laws establish regulations for the formerly unregulated aspects of the marijuana system, establish a “medical marijuana endorsement” that allows licensed marijuana retailers to sell medicinal marijuana to qualifying patients and designated providers, and attempt to align these changes with the existing recreational system.](#)

Pursuant to RCW 69.50, the State has adopted rules establishing a state-wide regulatory and licensing program for marijuana uses (WAC 314-55). It is therefore necessary for the City to establish local regulations to address such uses.

It is the intent of these regulations to ensure that such state-licensed uses are located and developed in a manner that is consistent with the desired character and standards of this community and its neighborhoods, minimizes potential incompatibilities and impacts, and protects the public health, safety and general welfare of the citizens of Tacoma. Recognizing the voter-approved right to establish certain types of marijuana businesses, it is also the intent of these regulations to provide reasonable access to mitigate the illicit marijuana market and the legal and personal risks and community impacts associated with it.

B. Applicability. The provisions of this Section shall apply city-wide. The specific development standards provided in this Section shall be in addition to the zoning and development standards generally applicable to the proposed use and the relevant zoning district. All licensed marijuana uses are required to fully comply with the provisions of this Section.

1. No Marijuana use ~~that purports to be a marijuana producer, processor or retailer, as defined and~~ regulated herein and in WAC 314-55, that ~~was engaged in that activity~~ existed prior to the enactment of Ordinance No. 28182 on November 5, 2013, this ordinance shall be deemed to have been a legally established use or entitled to claim legal non-conforming status.

2. As of July 1, 2016, in accordance with state law, collective gardens are prohibited.

3. For purposes of this Section and the standards applicable to state-licensed ~~recreational~~-marijuana uses, the terms and definitions provided in WAC 314-55 shall generally apply unless the context clearly indicates otherwise.

C. Standards.

1. Marijuana uses (marijuana producer, marijuana processor, marijuana researcher, and marijuana retailer) shall only be permitted as allowed under RCW 69.50 and WAC 314-55.

2. Marijuana uses shall only be allowed within the City of Tacoma if licensed by the State of Washington and the City of Tacoma, and operated consistent with the requirements of the State and all applicable City ordinances, rules, requirements and standards.

3. Marijuana uses shall only be allowed in those zoning districts where it is specifically identified as an allowed use (see the zoning district use tables, Sections 13.06.100, -.200, -.300, and -.400 and Chapter 13.06A).

4. Marijuana uses shall be designed to include controls and features to prevent odors from travelling off-site and being detected from a public place, the public right-of-way, or properties owned or leased by another person or entity.

5. Marijuana retail uses shall not include drive-throughs, exterior, or off-site sales.

6. In accordance with WAC 314-55-147, marijuana retail uses shall not be open to the public between the hours of 12 a.m. and 8 a.m.

7. Signage and advertising shall be allowed only in accordance with the standards set forth in TMC Sections 13.06.520 - .522, the additional standards set forth in WAC 314-55, and any other applicable standards or requirements.

8. Displays against or adjacent to exterior windows shall not include marijuana or marijuana paraphernalia.

9. Marijuana cooperatives, as defined in RCW 69.51A.250 and WAC 314-55-410, are allowed in accordance with State law requirements and the following additional standards:

a. Marijuana cooperatives must be conducted in a manner that is clearly secondary and incidental to the primary use of the property as a residence and do not significantly alter the exterior of the property or affect the residential character of the neighborhood.

b. No outdoor display or storage of marijuana growing, processing or producing materials, goods, supplies, or equipment is allowed.

c. No change in the outside appearance of the building or premises, or other visible evidence that the residence is being used for a cooperative is permitted.

d. The cooperative shall not generate nuisances such as traffic, on-street parking, noise, vibration, glare, odors, fumes, electrical interference, or hazards to any greater extent than what is usually experienced in the residential neighborhood.

10. All marijuana retail uses must have a State license and medical endorsement in accordance with RCW 69.50 and WAC 314-55 in order to obtain a City business license.

911. Location requirements.

a.
