ORDINANCE NO. 28417

1 BY REQUEST OF COUNCIL MEMBER CAMPBELL

2 AN INTERIM EMERGENCY ORDINANCE relating to land use regulations,
3 enacting interim zoning regulations; amending Chapter 13.06 of the
4 Tacoma Municipal Code (“TMC”) at Sections 13.06.100, 13.06.200,
5 13.06.300, 13.06.400, and 13.06.700, pertaining to the definition and siting
6 of public correctional facilities; establishing a work plan for review and
7 development of permanent regulations relating to siting public correctional
8 facilities, and setting April 25, 2017 as the date for a public hearing on the
9 subject matter hereof.

10 WHEREAS, pursuant to RCW 36.70A.390 and TMC 13.02.055, the City
11 Council has the authority to enact interim zoning ordinances on an emergency
12 basis, and

13 WHEREAS Section 2.12 of the Tacoma City Charter provides for the
14 emergency passage of ordinances when the Council declares that a public
15 emergency exists and states the facts constituting such an emergency, and

16 WHEREAS the Port/Tideflats area of Tacoma is regionally and locally
17 designated as (a) an important Manufacturing/Industrial Center (“M/IC”), (b) a
18 location with unique characteristics that should serve as a long-term and growing
19 employment center with a focus on manufacturing and industrial uses, and (c)
20 particularly within the Port Maritime & Industrial (“PMI”) District, an area where
21 uses are intended to focus on shoreline-related uses and support services, and

22 WHEREAS this area (the PMI) is also subject to numerous unique
23 environmental constraints, some related to its past and ongoing industrial activities,
24 such as noise, safety, and contamination issues, and some related to its physical
25

26

location within a floodplain and potential liquefaction and volcanic hazard zones,
1 and

2 WHEREAS recent proposals and community discussion have highlighted
3 that the City's existing industrial zoning allows for a wide variety of uses, some of
4 which may no longer be compatible with the policies for this area and others where
5 correctional facilities are currently allowed, and the City as a whole, as well as the
6 changing landscape around it, and
7

8 WHEREAS the existing notification, outreach, and permitting process
9 requirements for certain types of uses, such as correctional facilities, may not
10 appropriately reflect the level of community interest in them and/or their potential
11 scale of impact, and
12

13 WHEREAS the Northwest Detention Center ("NDC"), which is a privately
14 owned and operated federal immigration detention center, was opened in 2004
15 and expanded in 2008, and the facility, located at 1623 East J Street in the
16 Port/Tideflats area and in the PMI zoning district, is currently permitted to
17 accommodate up to 1,575 detainees, and
18

19 WHEREAS recent changes in the national political climate have contributed
20 to uncertainty as to the need for, and potential expansion of correctional facilities in
21 communities such as Tacoma, and
22

23 WHEREAS, the federal Department of Homeland Security is on record
24 stating its desire to increase and secure additional detention facilities such as the
25 privately owned and operated NDC, and
26

1 WHEREAS the use currently engaged in by the NDC has been referred to
2 as a “correctional facility,” however, the City’s existing correctional facility
3 designation is generally tailored to public correctional facilities and not private
4 facilities, and

5 WHEREAS the City’s existing regulations do not clearly distinguish between
6 public and private facilities, and also do little to ensure sufficient community
7 engagement and discretionary review of any proposals to site such facilities in this
8 heavy industrial area, or any other areas where correctional facilities are currently
9 allowed, and

10
11 WHEREAS the City desires to enact interim zoning regulations regarding
12 public and private correctional facilities, effective for a six-month period, or until the
13 City’s zoning regulations for such facilities are permanently updated, to allow time
14 for the City Council to conduct appropriate research, analyze potential impacts and
15 applicable local, state and regional policies, and determine the appropriate
16 permanent regulatory framework for correctional facilities in Tacoma, and to hold a
17 public hearing on the interim, emergency zoning ordinance within 60 days of the
18 enactment of the same, and

19
20 WHEREAS the proposed Interim regulations would, on an interim basis,
21 amend the City’s zoning code, Chapter 13.06 of the Tacoma Municipal Code, as
22 follows: (1) Modify the use definition of “correctional facilities” to clearly
23 differentiate between public and private facilities; (2) remove correctional facilities
24 as a permitted use in the City’s multi-family and light-industrial zoning districts; (3)
25 modify how public correctional facilities are permitted by requiring approval of a
26

1 Conditional Use Permit in all districts in which they are allowed; and (4) identify
2 private correctional facilities as an unpermitted use in all zoning districts, and

3 WHEREAS requiring conditional use permits for new or expanded facilities,
4 in the interim, will better ensure that the review of any proposal includes significant
5 community outreach and the opportunity for local discretionary review addressing
6 applicable policies and standards, as well as potential impacts and compatibility
7 issues associated with siting these types of facilities, and

8 WHEREAS the potential adverse impacts on the public health, public safety,
9 public property, and public peace justify the passage of an Interim emergency
10 ordinance; Now, Therefore,

11
12 BE IT ORDAINED BY THE CITY OF TACOMA:

13 Section 1. That Chapter 13.06 of the Tacoma Municipal Code ("TMC") is
14 hereby amended at Sections 13.06.100, 13.06.200, 13.06.300, 13.06.400, and
15 13.06.700, pertaining to the definition and siting of public (and private) correctional
16 facilities, as set forth in the attached Exhibit "A."

17
18 Section 2. Duration. That the Interim zoning regulations enacted by this
19 ordinance shall be in effect for six (6) months following the effective date of this
20 ordinance, and may be renewed as provided by law.

21
22 Section 3. Public Hearing Required. That, as required by RCW 36.70A.390
23 and TMC 13.02.055 B., a public hearing is hereby set for April 25, 2017, at
24 approximately 5:15 p.m., in the City Council Chambers on the First Floor of the
25 Tacoma Municipal Building, 747 Market Street, Tacoma, Washington, during which

the City Council will take public comment on the interim zoning regulations and will adopt the necessary findings required by law.

Section 4. Work Plan. That a work plan shall be established for the review and development of permanent regulations relating to siting public correctional facilities.

Section 5. Emergency Declared - Immediate Effect. For the reasons set forth above, and to promote the objectives stated above, the City Council finds that a public emergency exists, necessitating that this ordinance take effect immediately upon its passage by at least six (6) Tacoma City Council Members in order to protect the public health, safety, property, and general welfare.

C. Land use requirements.

1. Applicability. The following tables compose the land use regulations for all districts of Section 13.06.200. All portions of Section 13.06.200 and applicable portions of Section 13.06.500 apply to all new development of any land use variety, including additions and remodels, in all districts in Section 13.06.200, unless explicit exceptions or modifications are noted. The requirements of Section 13.06.200.A through Section 13.06.200.C are not eligible for variance. When portions of this section are in conflict with other portions of Chapter 13.06, the more restrictive shall apply.

2. Pedestrian streets designated. Figure 7 of the Comprehensive Plan designates Corridors that are considered key streets for integrating land use and transportation and achieving the goals of the Urban Form and Design and Development Elements. These Corridors are herein referred to as “Pedestrian Streets.” The designation entails modified design requirements to improve building orientation, definition of the public realm, and pedestrian connectivity.

3. Use requirements. The following use table designates all permitted, limited, and prohibited uses in the districts listed. Use classifications not listed in this section or provided for in Section 13.06.500 are prohibited, unless permitted via Section 13.05.030.E. Certain street level use restrictions may apply; see Section 13.06.200.C.4 below.

13.06.700.C

Caliper: Diameter of a tree’s trunk or stem measured at a point 6 inches above finish grade if the resulting measurement is up to and including 4 inches. If the resulting measurement is more than 4 inches the point of measurement shall be relocated to 12 inches above finish grade.

Camouflaged (wireless communication facility). A wireless communication facility that is integrated with a building or the landscape in terms of design, colors, materials and height, so as to be disguised, hidden, concealed, masked, or screened from view.

Canopy (or marquee). An ornamental roof-like structure unenclosed on one or more sides and normally used for pedestrian protection and convenience and/or signage.

Car washing facility. A building or portion thereof containing facilities for washing automobiles, either manually or using a fully automatic washing process, requiring no personnel for the conduct of the operation except as is necessary for the collection of money and the maintenance of the facility.

Carnival. A temporary and often traveling establishment at which a combination of attractions or exhibitions, such as rides, shows, displays, eating concessions, and gaming booths, are provided for the purpose of amusement and entertainment.

Catering services. Preparation and delivery of food and beverages for off-site consumption without provision for on-site pickup or consumption.

Cell site. A tract or parcel or land that contains wireless communication facilities including any antenna, support structure, accessory buildings, and parking, and may include other uses associated with and ancillary to wireless communication facilities.

Cemetery and internment services. Property used for the interring of the dead. This property may include support facilities, such as funeral homes and/or chapels.

Clean construction/demolition/land-clearing (CDL) wastes. CDL wastes are solid wastes produced from construction, remodeling, demolition, or land-clearing operations that have been source separated so that the material is principally composed of asphalt, concrete, brick, or other forms of masonry; non-chemically treated wood (i.e., creosote, paint, preservatives); land-clearing wastes; or other materials approved by the Tacoma-Pierce County Health Department. Yard wastes (i.e., leaves, grass, prunings, and sod), plaster (sheet rock or plasterboard), or any materials other than wood that are likely to produce gases or a leachate during the decomposition process and asbestos wastes are specifically excluded from this definition of clean CDL wastes, unless otherwise approved by the Tacoma-Pierce County Health Department.

Climate-adapted Plant Species. Climate adapted plants include both native and non-native plant species which are able to thrive in the local climate and soil conditions of the City of Tacoma. The two most authoritative references on climate adaptation for plants are the USDA Plant Hardiness Zones and the Sunset Climate Zones.

Collocation. The use of a wireless communication facility or cell site by more than one wireless communication provider.

Commercial parking facility. Lots offering parking to the public, which are not designed for or directly associated with another use. This is distinguished from parking that is provided as part of and accessory to another use, which shall be considered part of the use it serves. This classification includes commuter parking facilities (park & rides), general public parking lots, and similar facilities.

Commercial recreation and entertainment. Private provision of participant or spectator recreation or entertainment. This classification includes uses such as privately operated sports stadiums and arenas, amusement parks, bingo parlors, bowling alleys, billiard parlors, poolrooms, dance halls, ice/roller skating rinks, miniature golf courses, golf driving ranges, archery ranges, scale-model courses, shooting galleries, tennis/racquetball courts, croquet courts, swim clubs, health/fitness clubs, and pinball arcades or electronic gaming centers having more than five coin-operated game machines. This use does not include public or quasi-public parks, recreation or open space, theaters or golf courses. Communication facilities. Broadcasting, recording, and other communication services accomplished through electronic or telephonic mechanisms, but excluding major

utilities. This classification includes radio, television, or recording studios; telephone switching centers; and telegraph offices. This classification does not include wireless communication facilities.

Comprehensive Plan. The official statement of the Tacoma City Council which sets forth its major policies concerning desirable future physical development.

Condominium. A multiple-family dwelling, and its accessory uses and grounds, in which each dwelling unit is individually owned, and all or any part of the dwelling structure, accessory uses, and grounds are owned cooperatively by the owners of said dwelling units, and maintenance functions are performed by required subscriptions from said owners.

Confidential shelter. Shelters for victims of domestic violence, as defined and regulated in RCW 70.123 and WAC 388-61A. Such facilities are characterized by a need for confidentiality.

Construction/demolition/land-clearing (CDL) waste recycling. CDL waste recycling is the storage, processing and/or sale of clean CDL wastes to recover usable products or to regenerate the material where the following activities are further defined:

1. Storage includes the holding of CDL wastes prior to processing and stockpiling of the recycled product and by-products.
2. Processing includes the sorting of clean CDL wastes and the mechanical reduction of these materials by means of an initial mechanical processing operation which results in a raw product to be shipped to secondary processors, but does not include composting.
3. Product sales, including retail and wholesale sales of recycled materials.

Container, shipping/storage. A large, prefabricated box or container made of metal, wood, or similar material utilized for the shipping/storage and distribution of various products or commodities.

Continuing care retirement community. An age-restricted development that provides a continuum of accommodations and care, from independent living to long-term bed care. Due to the wide range of services provided, such facilities generally operate under multiple state-licensing programs.

Convalescent home. See "extended care facility."

Cornice. Projection at the top of a wall; a term applied to construction where the roof and side walls meet.

Correctional facility, private. A privately owned facility under contract with a government agency to provide incarceration or detention services for the incarceration or detention of persons under warrant, awaiting trial on felony or misdemeanor charges, convicted but not yet sentenced, or serving a sentence upon conviction. This definition includes prerelease facilities, but does not include work release centers or juvenile community facilities.

Correctional facility, public. A publicly owned and operated facility for the incarceration of persons under state or local warrant, awaiting trial on state or local felony or misdemeanor charges, convicted of state or local charges, but not yet sentenced, or serving a state or local sentence upon conviction. This definition includes prerelease facilities, but does not include work release centers or juvenile community facilities, nor does it include privately owned, or privately operated facilities regardless of whether any such facility has a contract with any government agency.
